Hostel: Part II

By Eli Roth

He said good morning and
asked how is your hand?
It's, uh...
... it's better
What's left of it?
sorry...
We wanted to speak with you
if you feel well
yeah, yes, it's alright
Coffee?
No, thank you
Tell us of that place you mentioned
in Slovakia
It is...
... some kind of factory
There are very very rich people
They pay to torture and
to kill kids
It seems one it manufactures
They killed my friends
They take you from this hostel
They take you to this factory and...
I went there...
... looking for Josh who's one of my friend,
they, they took him there.
... and...
They killed him
It is horrible
he asked how you survived?
I...
... escaped
Who organizes this place?
I dont know, it is some type of...
... hunting club, they...
... they all have the same tattoo,
it is a dog...
... it's a bloodhound dog.
It is strange that you mention
this tattoo
Why?
Because someone was found dead
in a stationbath in Vienna.
With this same tattoo of
dog bloodhound that you describe

The security tape
of the station...
... shows him entering from
the platform...
... of the train arrived earlier
that day from Slovakia.
It came through the same station in Vienna
you were on that tape
Did his tattoo looks something like this?
What's going on?
Help! Somebody help me!
Jesus!
Are you hungry?

It's 3:

I'm supposed to take these
food , I just wanted to know if you wanted anything
Yea, I want you to talk
with someone
When you gonna tell Josh's
mother what happened?
I won't make it
She still thinks that her son
is in Europe
What the fuck I supposed
to tell her?
She'd go straight to the police
-Yea, Exactly, someone should
-No, noone should
You dont get it , these people
ared tided with everyone
Somebody will start asking questions
and they will come after me...
... and they will find me
...at my grandmother's house.
I've been coming here since
I was a kid
I can barely find
the place
-Ask to my sister as arriving
-You told your sister that we are here?
-If, and?
-Who but he/she knows it?
Nobody

I make this for your protection
do you know it, certain?
Oh Paxton
He/she looks
I brought you of return because
it felt bad
But you these returning crazy
You wake up screaming all
the nights and I cannot sleep
That will no longer be problem
Paxton, is not it that...
Good morning
Paxton
I will warn you
I sit down it
Single intent to be
in the moment
Absorverlo
You believe that you came out
of classes?
If he/she made it, it should be
in another part
Oh God, if he/she listened to it to speak...
of that moment
once but
I swear for heaven's sake that me
I give a shot
Until Tuesday
Not there is treatment
You can make it and
