The SpongeBob Movie

By Jonathan Aibel and Glenn Berger

(On a dark cloudy background, we see several stars flying towards us, a mirrored reference to the previous logo. As the third star flies towards us, we follow the star to reveal that we were looking at the reflection of a lake. We follow the stars as they skim the lake and create ripples. We continue to fly forward as a total of 22 stars line up and encircle the mountain ahead. Then the word "Paramount" zooms back to take its place on the mountain, which is situated on a cloudy sunset landscape. The 2010 Viacom fades in below)

(In the middle of the bright blue ocean, a pirate ship sat anchored just off the shore of a tiny desert island. BURGER BEARD, the captain of the ship, eagerly rowed a little wooden boat to the beach)

(The moment the tip of his boat touched the sand, he jumped out, carrying a map and his trusty sword)

(EXT. JUNGLE – DAY. Following the map, Burger Beard hacked his way through the thick jungle to the ruins of an ancient temple, avoiding booby traps)

Burger Beard:

(At the far end of the temple, a dusty pirate skeleton sat on a magnificent throne, holding an old leather-bound book)

(While the skeleton was holding a book, the title card faded in: THE SPONGEBOB MOVIE: SPONGE OUT OF WATER)

(When he saw the book, Burger Beard's eyes lit up)

Burger Beard:

(Dancing a happy jig, he made his way across the temple to the throne, avoiding giant spikes and poison darts. Then he cupped his ear and pretended to listen to the silent pirate skeleton)

Burger Beard:

(He yanked the old book out of the skeleton's hand, and the skeleton collapsed into a pile of bones)

(But the pirate didn't notice. He was twirling around, hugging the book to his chest)

Burger Beard:

(When he turned around, he saw the pirate skeleton! It had reassembled itself, and now it was waving its bony fists, challenging Burger Beard to a fight)

Burger Beard:

skinny. You don't scare me.

(CRACK! The skeleton landed a tremendous punch right on Burger Beard's chin, which sent him flying all the way back to his ship)

(EXT. SHIP – DAY. The seagulls were waiting)

Seagull 1:

Seagull 2:

(THUMP! The pirate landed hard on the deck)
(He bounced up and shook his fist at the island)

Burger Beard:

(He kissed the book one more time, weighed anchor, caught a good stiff wind, and sailed away)
Ooh.

(Satisfied with his course, Burger Beard hit the auto-pirate button on the ship's steering wheel and sat down in his reading chair. As he opened the ancient volume, several curious seagulls settled around him to listen)

Burger Beard:

(He began to read out loud)

Burger Beard:

town called Bikini Bottom. In this town, there was a place called The Krusty Krab, where folks would come to eat a thing called the Krabby Patty. Every greasy spoon has a fry cook, and the one who worked here was named SpongeBob SquarePants."
(The name of SPONGEBOB SQUAREPANTS, leads to the seagulls performing the SpongeBob SquarePants theme song)

SEAGULLS:

SpongeBob SquarePants!
Absorbent and yellow and porous is he

Burger Beard:

(He was trying to calm them down)

Seagulls:

If nautical nonsense be something you wish
SpongeBob SquarePants!
Then drop on the deck and flop like a fish
SpongeBob SquarePants!
(He then gets mad)

Burger Beard:

(As they hear this, the seagulls stop before they finish performing the song and are then shown disappointed. Burger Beard have his finger marking the page where he stopped reading)

Burger Beard:

that would be... Singing birds!

Seagull 3:

Kyle:

(In the birdcage, there was a skeleton parrot band)

Dead Parrot 1:

Dead Parrot 2:

Burger Beard:

David:

Burger Beard:

(He scares the seagull off as couple more seagulls come in to listen, then turns the page)

Burger Beard:

(Burger Beard resumed reading)

Burger Beard:

(The customers are enjoying their Krabby Patties together, including BUBBLE BASS, which his seat breaks)

Burger Beard:

(A customer is eating a Krabby Patty while on a hospital bed and wearing a breathing mask)

Burger Beard:

Dr. Gill Gilliam: He'll be gone in a week.

Evelyn:

(She sadly bites into a Krabby Patty as the doctor does the same too, happily)

BURGER BEARD:

(A real-life Krabby Patty with many question marks in the background)

Burger Beard:

(An embarrassed PLANKTON)

(A disgusting chum patty before Plankton appears from behind)

Burger Beard:

Plankton:

(The patty deflates a little)
(Plankton was wearing spy gear and tries to steal the formula)

BURGER BEARD:

recipe.
(Plankton was holding on to the handle of a safe while SpongeBob tried to vacuum him off it)

Plankton:

(SpongeBob blows the vacuum thereafter)

Burger Beard:

But today, things would be different.
(EXT. THE KRUSTY KRAB – DAY. High above Bikini Bottom, a bomber plane flew toward the Krusty Krab. Behind the restaurant, SpongeBob tossed a bag into the trash bin just as his best friend, Patrick, walked up)

Patrick:

SpongeBob:

Patty?

Patrick:

SpongeBob:

(Patrick used both hands to squish his belly to look like a big mouth. He moved his hands to make the "mouth" talk)

Patrick:

(The two pals laughed)

SpongeBob:

(Up above the Krusty Krab, the bomber plane dropped a huge jar of tartar sauce. As the gigantic jar fell, it made a whistling sound)
(Meanwhile, in front of the Krusty Krab, the owner, MR. KRABS, was happily counting the customers who were lining up to spend their money. He was too busy counting to notice the whistle of the falling jar)

Krabs:

(SpongeBob went over to his boss)

SpongeBob:

delivery on Thursday.

(Mr. Krabs stopped counting)

Krabs:

(SPLAT! The giant jar hit the ground and exploded, covering everyone and everything with tartar sauce!)

Krabs:

(Tartar sauce dripped off his nose and claws)

(Overheard, the pilot of the bomber plane circled around to see the damage he had done. Mr. Krabs and SpongeBob heard a familiar voice yell:)

PLANKTON:

(The plane flew off)

SpongeBob:

(He recognized the evil laugh right away)

Krabs:

(Plankton piloted his bomber plane toward the Krusty Krab for another attack)

Plankton:

tray tables up as we're now approaching our final destination.

(Up on the roof of the Krusty Krab, a giant anti-aircraft gun rose into position. SpongeBob and Patrick, wearing their battle helmets, worked the gun)

SpongeBob:

(Patrick held up a plate full of steaming potatoes)

Patrick:

SpongeBob:

Patrick:

(He dropped the plate of cooked potatoes, picking up a bag of raw potatoes, and poured them into the anti-aircraft gun)

Patrick:

(INT. OFFICE, THE KRUSTY KRAB – DAY. Mr. Krabs opened his safe and placed the Krabby Patty secret formula inside)

Krabs:

safe.

(He slammed the door closed, twirled the dial, and grabbed a microphone)

Krabs:

(EXT. THE KRUSTY KRAB – DAY. On the roof, SpongeBob pulled the trigger. BLAM! BLAM! BLAM! BLAM! BLAM! The antiaircraft gun fired whole potatoes at Plankton's fighter plane)

Plankton:

(He saw them coming straight at him. He pulled the stick to the right, swerving the plane out of the way, and headed toward the Krusty Krab)

SpongeBob:

(Patrick peered through a pair of binoculars...which he was holding backward)

Patrick:

(SpongeBob reached up and flipped the binoculars around)

Patrick:

(SpongeBob kept firing the big gun, but the propellers of Plankton's plane shredded the potatoes into French fries, sending them flying down towards SANDALS)

Sandals:

Plankton:

baby down.

(But just then, the potatoes knocked the wings off his plane)

Plankton:

(The plane plummeted to the ground and crashed WHAM!)

(SpongeBob and Patrick celebrated on the roof with a victory dance)

Patrick:

(Then SpongeBob spotted something floating gently through the sky: a parachute)

SpongeBob:

(Dangling from the parachute was tank)

(INT. TANK – DAY. Plankton loaded a pickle as ammunition and manned the controls)

Plankton:

EVILLY)

(The tank shot the pickle at the Krusty Krab. It hit the restaurant and exploded, blowing SpongeBob and Patrick off the roof. They screamed as they fell and hit the ground)

Sandals:

(The tank lands on Sandals)

Sandals:

Plankton:

(The tank drives away)

(SpongeBob and Patrick stood up, breathing hard)

Patrick:

(They saw the tank rolling closer)

(SpongeBob frantically cranked a field radio and shouted into it)

SpongeBob:

(The Texas squirrel named SANDY CHEEKS looks at a menu at the drive-thru)

Sandy:

and hold the mayo.

SpongeBob:

(He cranked a field radio again)

SpongeBob:

(INT. OFFICE, THE KRUSTY KRAB – DAY. Mr. Krabs answered)

Krabs:

SpongeBob:

(He hoists giant squeeze bottles onto his shoulders)

SpongeBob:

(Patrick lifted a giant jar of mayo over his head)

Patrick:

(His arms shook with the effort of holding the huge jar over his head. He and SpongeBob watched as the tank rolled closer and closer...)

(Finally, their radio crackled)

Krabs:

SpongeBob:

(He shot ketchup and mustard at Plankton's tank repeatedly before they run out, making fart noises)

SpongeBob:

(He and Patrick laugh before SpongeBob gets another set of ketchup and mustard and does the same thing)

(Sandy calls through the window)

Sandy:

Krabs:

(He quickly snatches Sandy's money and gives her the food)

Krabs:

(As the tank just kept on coming, firing exploding pickles at the Krusty Krab, Patrick starts getting tired)

Patrick:

(Patrick heaved the gaint jar of mayo right in front of the tank. CRASH!)

Plankton:

stop...

(BOOM! The tank ran into the mayo and exploded, sending globs of white goo flying everywhere)

(SpongeBob was carefully watching the wreckage of Plankton's tank. He saw movement)

SpongeBob:

(SpongeBob watched in horror as a giant metal robot rose from the smoldering ashes of the tank. Plankton was working the robot's controls from a seat inside its head, He laughed a long, loud evil laugh and pushed on a control stick. The robot stomped forward. BOOM! BOOM! BOOM! The ground shook with every step the giant robot took)

(Patrick stared up at the robot)

Patrick:

(He ran off)

(SpongeBob dropped the helmet and sprinted for the front door of the Krusty Krab)

SPONGEBOB:

(INT. OFFICE, THE KRUSTY KRAB – DAY. Mr. Krabs was staring at the closed door. He could hear the thundering steps of the robot coming closer. He could also hear SpongeBob)

SpongeBob:

(SpongeBob burst into the office and slammed the door shut behind him)

SpongeBob:

Krabs:

(SpongeBob shoved a flimsy chair under the doorknob)

SpongeBob:

(The robot burst through the door and the wall surrounding it. SMASH! It flattened SpongeBob and stomped right up to Mr. Krabs)

Plankton:

Krabs:

Plankton:

(The robot's big mechanical hand reached toward Mr. Krabs, who cowered and groaned, until suddenly...)

(...the robot sputtered and froze)

(SpongeBob peeled himself off the floor and stood up, wondering what the robot was doing)

(Inside the robot's head, Plankton stared at a gauge. The needle pointed to E)

Plankton:

(He opened a little door, climbed out of the robot's head, and walked down its extended arm to Mr. Krabs)

Plankton:

hand over that formula. Something you can't resist.

(Plankton whipped out his wallet)

Krabs:

Plankton:

(Swaggering over his long-awaited victory, Plankton opened his wallet)
(It was empty)
(Plankton's eye bulged in disbelief)

Plankton:

full of money just last week.
(He thought hard about where all his money could possibly have gone)

Plankton:

(Mr. Krabs chuckled)

KRABS:

(Plankton shrugged)

Plankton:

I've ever made trying to put you out of business.
(He pulled out a single penny)

Plankton:

I do with one measly cent anyway?
(Mr. Krabs looked at the penny and licked his lips)

Krabs:

(Plankton stared at his last penny. He closed his eye and sighed)

Plankton:

(He tossed the penny to Mr. Krabs, who caught it with one eager claw. Mr. Krabs kissed the penny. Then he opened his safe, tossed the penny inside)
(Plankton began to sob)

Plankton:

(Huge tears flowed from Plankton's single eye)
(INT. DINING AREA, THE KRUSTY KRAB – DAY. Mr. Krabs picked him up and carried him out of his office, stopping in the restaurant's dining area. SpongeBob followed his boss)
(Mr. Krabs holds Plankton in his big claw)

Krabs:

foiled again.
(He dropped the tiny villain onto the floor)

SpongeBob:

right, Mr. Krabs?

Krabs:

(Plankton let out a big sigh)

Krabs:

(He and the other customers laughed. Plankton gave another sob, hung his little green head, and slunk out of the Krusty Krab)

Krabs:

(BUBBLE TRANSITION to:)

(MOMENTS LATER. Outside, Plankton walked over to a signpost, leaned his forehead against it, and wept)

(A little while later, Mr. Krabs watched Plankton through a telescope. He was still leaning against the signpost)

KRABS:

(He peered through the telescope, then snapped it shut)

Krabs:

(Humming a happy tune, Mr. Krabs hurried out the front door)

(INT. SAFE, OFFICE – DAY. Meanwhile, inside the safe in Mr. Krabs's office, Plankton's last penny was doing something unusual for a coin)

(It was moving)

(The penny wiggled, stood on edge, rolled, and suddenly popped open. Hidden inside the penny was...PLANKTON!)

(He laughed and spoke into a tiny microphone hidden inside the penny)

Plankton:

(INT. THE CHUM BUCKET – DAY. In the Chum Bucket, Plankton's computer wife, KAREN, was playing solitaire on her screen. She heard her husband)

Karen:

twice the processing power of a lap top.

(INT. SAFE, OFFICE – DAY. Plankton answered in code)

Plankton:

(He looked around the inside of Mr. Krabs's safe and spotted the Krabby Patty secret formula rolled up and corked in a bottle)

Plankton:

(He was about to grab the bottle when he noticed it was sitting on a metal plate)

Plankton:

(INT. OFFICE, THE KRUSTY KRAB – DAY. Plankton opened the door to the safe

and cautiously looked around Mr. Krabs's office)

Plankton:

(Then he saw a ship in a bottle on Mr. Krabs's desk)

Plankton:

(He yanked the miniature ship out of the bottle and tossed it in the trash. After finding a pad of paper and a pencil, he quickly scribbled a fake formula, tore out the page and rolled it up, then shoved it in the bottle)
(Plankton pushed the cork back in the bottle and admired his work)

Plankton:

(INT. SAFE, OFFICE – DAY. Back in the safe, Plankton carefully slid the fake formula bottle onto the pressure plate, simultaneously easing off the real bottle)

Plankton:

(He worked. After a moment, he'd done it: the fake formula bottle was on the pressure plate, and the real formula bottle was in his dishonest hand!)
(INT. DINING AREA, THE KRUSTY KRAB – DAY. In the dining area, SpongeBob was using the telescope to watch Mr. Krabs outside. His boss was gleefully dancing around around the sobbing Plankton)
(As he danced, Mr. Krabs sang a little song)

Krabs:

SPONGEBOB:

before.

(EXT. THE KRUSTY KRAB – DAY. Mr. Krabs stopped dancing and laughed)

Krabs:

stop gloating.

(He picked up Plankton, who was still sobbing)

(He noticed what looked like a loose thread)

Krabs:

(When Mr. Krabs pulled on the thread, Plankton's skin unraveled, revealing metal underneath. It wasn't Plankton he was holding. It was a tiny Plankton robot!)

Plankton Robot:

Krabs:

(INT. OFFICE, THE KRUSTY KRAB – DAY. Inside the Krusty Krab, SpongeBob

walked into Mr. Krabs's office and saw... the open safe!)

SpongeBob:

(Startled, Plankton whirled around, knocking the fake formula bottle off the pressure plate with the real formula bottle. An alarm sounded. WHOOP! WHOOP! WHOOP!)

Plankton:

(A computer voice came over a loudspeaker)

FEMALE COMPUTER VOICE: Initiating lockdown sequence.

(EXT. THE KRUSTY KRAB – DAY. Mr. Krabs heard the alarm go off)

Krabs:

(Mr. Krabs ran to the front door)

(INT. THE KRUSTY KRAB – DAY. The lockdown sequence had begun. Metal shutters slammed down around every part of the restaurant. SLAM! SLAM! SLAM! The big sheets of metal surrounded Squidward's work station)

Squidward:

(Another metal shutter slammed into place)

Squidward:

(Metal shutters closed off the kitchen, the bathrooms, and even the customers' food so no one could possibly escape from the restaurant)

(EXT. THE KRUSTY KRAB – DAY. Mr. Krabs watched a heavy metal shutter cover the front doors)

(He ran as fast as he could)

Krabs:

(But he was too late. The last shutter closed. SLAM!)

Krabs:

(The Plankton robot picked itself up and started to dance)

Plankton Robot:

(INT. OFFICE, THE KRUSTY KRAB – DAY. SpongeBob and Plankton were struggling over the bottle that held the Krabby Patty secret formula)

SpongeBob:

Plankton:

powerful, until I eventually betray you.

(He realized what he'd said)

Plankton:

(SpongeBob shook his head, violently)

SpongeBob:

(INT. THE KRUSTY KRAB – DAY. Mr. Krabs used all the strength he could muster to force the metal shutters open. He burst through the front door)

Krabs:

(INT. OFFICE, THE KRUSTY KRAB – DAY. SpongeBob and Plankton were still trying to pull the formula bottle away from each other. They tugged. They strained. They yanked with all their might)

(Suddenly, the bottle vanished into thin air!)

(SpongeBob's mouth hung open)

SpongeBob:

PLANKTON:

be a scientific impossibility seven times!

SPONGEBOB:

box today.

(Mr. Krabs dashed in. He immediately saw that the safe was open and Plankton was standing there. The REAL Plankton—not a robot)

Krabs:

(Plankton raised his tiny hands and shrugged)

Plankton:

Krabs:

(SpongeBob stepped forward)

SpongeBob:

he's telling the truth. It just vanished!

Plankton:

(Mr. Krabs wasn't buying it. He grabbed Plankton and taped him to his desk. SpongeBob watched his boss, looking worried)

SpongeBob:

Plankton:

put bamboo shoots under my nails?

(Mr. Krabs shook his head)

Krabs:

(Plankton grinned)

Plankton:

Krabs:

Plankton:

Krabs:

Plankton:

Krabs:

(Plankton looked confused)

Plankton:

Krabs:

(He put on soundproof headphones)

(SpongeBob was thinking hard)

SpongeBob:

(He started to laugh his high, annoying laugh)

SpongeBob:

Plankton:

(He kept laughing. And laughing. And laughing)

Plankton:

(But Mr. Krabs just stood there wearing his headphones. And SpongeBob kept laughing)

SpongeBob:

Plankton:

(As SpongeBob continued to laugh at the knock-knock joke, Squidward opened the door to the office. Behind him, a throng of angry customers scowled and complained)

Squidward:

(But Mr. Krabs couldn't hear him because of his headphones. And SpongeBob

was still laughing as Plankton writhed in psychological pain)

Squidward:

(SpongeBob immediately stopped laughing)

(Plankton looked immensely relieved)

Plankton:

(Squidward ignored Plankton's apology)

Squidward:

refunds. (ECHOES) Refunds.

(To Mr. Krabs, "refund" was such a horrible, terrifying word that he could hear it even through his sound-proof headphones)

Krabs:

(Sure enough, the customers were chanting...)

CUSTOMERS:

(...like a mob of zombies)

(Mr. Krabs grabbed SpongeBob by his skinny arms)

Krabs:

Krabby Patties!

(He hustled SpongeBob out of his office and shoved him through the kitchen door. Then he hurried back to his office)

Krabs:

(But when he looked at his desk, he saw that Plankton was GONE!)

Krabs:

(He had used his strongest tape to hold Plankton down)

(INT. KITCHEN, THE KRUSTY KRAB – DAY. SpongeBob opens up the patty vault)

SpongeBob:

(Mr. Krabs ran to see what was wrong. When he burst into the kitchen, he found his fry cook staring into the freezer)

Krabs:

(The he looked into the freezer himself)

Krabs:

(It was empty)

Krabs:

(SpongeBob started to sweat despite the cold air pouring out of the freezer)

SpongeBob:

formula?

(Mr. Krabs paced around the kitchen, concentrating)

Krabs:

(SpongeBob reminded him)

SpongeBob:

states, and I quote, (reading) "No employee may, in part or in whole, commit the Krabby Patty secret formula to any recorded written or visual form, including memories, dreams, and/or needlepoint."

Krabs:

(INT. DINING AREA, THE KRUSTY KRAB – DAY. The crowd of hungry customers was still chanting, picking up the order boat)

CUSTOMERS:

(Mr. Krabs burst into the dining room)

Krabs:

(Everyone stops and the customers drop the order boat)

Krabs:

(He holds a "WANTED" sign with a picture of Plankton on it)

Krabs:

Squidward:

(DRUM PLAYS RIMSHOT)

Mrs. Puff:

SpongeBob:

(Mr. Krabs flipped the paper to show a Krabby Patty on it)

Krabs:

(The customers gasp)

Fred:

Sandals:

SpongeBob:

Krabs:

(Patrick sits at a table, catching the paper)

Patrick:

Krabs:

and every one of you a free Krabby Patty!

(The customers cheer)

Krabs:

(The customers groan, then they, along with Mr. Krabs, angrily run out of the Krusty Krab, chanting)

Krabs:

(SpongeBob was left standing alone in the Krusty Krab)

SpongeBob:

(INT. THE CHUM BUCKET – DAY. Plankton was telling Karen what had happened)

PLANKTON:

Poof! And now it's gone. Gone forever. Oh, I was so close to gaining the people's respect-slash-fear.

Karen:

Plankton:

Karen:

Plankton:

is it?

Karen:

But now they're inside.

(The mob burst into his restaurant, led by Mr. Krabs)

Plankton:

(Mr. Krabs grabbed Plankton)

CROWD:

Karen:

(EXT. BIKINI BOTTOM – DAY. Mr. Krabs carried Plankton outside)

Krabs:

(Mr. Krabs roughly threw Plankton to the ground. Squidward, the starving customers, and Karen gathered around)

Plankton:

Chum Burger?

(Mr. Krabs leaned over Plankton and pointed him)

KRABS:

going to ask you. Where is me formuler?

(Plankton tried to scoot away from his enemy)

Plankton:

Krabs:

(He lifted his foot to stomp Plankton)

SPONGEBOB:

(Mr. Krabs hesitated and looked around. He saw his fry cook. And he looked mad)

SpongeBob:

(Then he angrily walked over to Plankton, pushing up his short white sleeves)

(Plankton looked confused)

Plankton:

SpongeBob:

get messy.

Krabs:

(SpongeBob leaned over and shoved his face close to Plankton's)

SpongeBob:

do this.

(He pulled out a bottle of bubble solution, unscrewed the cap, and removed the wand. Then he expertly dipped the wand in the soapy liquid)

SpongeBob:

Krabs:

(SpongeBob took a deep breath and pursed his lips. Plankton held up his tiny hands)

Plankton:

(SpongeBob blew a large, shiny bubble that surrounded Plankton completely. Mr. Krabs looked puzzled)

Krabs:

(SpongeBob turned to Mr. Krabs)

SpongeBob:

today, but somebody we'll look back
(He jumped inside the bubble with Plankton)

SpongeBob:

(As Mr. Krabs and the angry mob watched in disbelief, SpongeBob and Plankton floated up into the sky in their bubble)

Krabs:

Angry Customer #1: Hey, they're getting away!
(SpongeBob called down from the rising bubble)

SpongeBob:

(Mr. Krabs shook his fist up at SpongeBob)

Krabs:

you've been working for Plankton!

Paco:

Krabs:

(Then he jabbed his claw up toward the floating bubble)

Krabs:

(He and the mob ran after the bubble on the ground. They even launched one customer at the bubble. He hit it and held on for dear life)

Customer:

BOTH:

(He fell off, screaming)

KRABS:

(The bubble disappear into the distance)

Krabs:

Squidward to stab me in the back.

(At the sound of his name, Squidward woke from a brief snooze)

Squidward:

Krabs:

Working with me sworn enemy? You know what this means, Mr. Squidward.

Squidward:

Krabs:

you. For me. For all of Bikini Bottom! The Krabby Patty is what ties us all together! Without it, there will be a complete breakdown of social order. A war of all against all! Dark times are ahead. Dark times indeed!

(Squidward scrunched up his face)

Squidward:

(But when he looked around, Squidward saw that Bikini Bottom had already erupted into flames. People were looting stores and fighting each other over scraps of food. The town had become a violent, ugly place. And Squidward and Mr. Krabs themselves were suddenly wearing leather outfits that made them look tough)

Krabs:

hope you like leather.

SQUIDWARD:

(EXT. SHIP – DAY. Surrounded by attentive seagulls, Burger Beard read from the old book he'd stolen. He held it open to a picture of Bikini Bottom in flames)

BURGER BEARD:

Burger Beard:

Henry:

Burger Beard:

(The pirate scrambled to grab back the torn page, but he slipped and fell on the deck. KLUNK!)

Andy:

Andy:

(Henry flapped its wings and flew off the ship with the page in its beak. Then it dropped the sheet into the water)

Henry:

(LAUGHING) Rubbish! (LAUGHS)

(The page with THE END on it slowly sank into the briny depths...)

(Reporter PERCH PERKINS appeared on the screen holding a microphone)

Perch Perkins:

(YELPS) (ducking as a boatmobile flew by his head) Bottom. Complete chaos here today as our town attempts to deal with a sudden and complete shortage of Krabby Patties. Whoa! (ducking again to avoid a metal trash can) Events here have this reporter wondering, what is the secret ingredient in Krabby Patties anyway? (SCREAMING) (runs away)

(An angry fish ran up, waving a metal pipe)

Angry Fish:

(The angry fish swung his pipe at the camera, and Sandy's TV screen went blank)

Sandy:

have chewed it slower.

(Suddenly, the inside of the tree dome went dark. Sandy looked up and saw a huge shadow covering the curved glass)

Sandy:

(The page from Burger Beard's book with THE END written on it had drifted down and landed on Sandy's tree dome)

(EXT. BIKINI BOTTOM – DAY. Up in their bubble, SpongeBob was still trying to teach Plankton about teamwork)

SpongeBob:

help me, and when we accomplish our goal, then we do hands in the middle.

Plankton:

(He looked down through the bubble to the town below)

Plankton:

(Down in Bikini Bottom, the angry horde was destroying a doughnut shop. They pushed on the side of the building until it tipped over and burst into flames. Doughnuts flew everywhere. People from the mob frantically gathered up doughnuts and carried them off, laughing hysterically, madness in their eyes)

Plankton:

(SpongeBob brightened)

SpongeBob:

(He pulled a pin out of his pocket)

Plankton:

(SpongeBob jammed the pin into the bubble. POP! He and Plankton plummeted through the air with Plankton screaming all the way!)

(EXT. BIKINI BOTTOM – DAY. WHUMP! SpongeBob and Plankton landed right next to Squidward's house. Plankton groaned, lying on the ground. SpongeBob quickly got to his feet and looked around)

(What he saw surprised him)

(Patrick was sitting on top of his house, banging his face against the rock. But instead of his usual shorts, he was wearing a futuristic-looking leather outfit)

(Patrick was doing face-bangs)

PATRICK:

SpongeBob:

(Patrick stopped banging his face against his house and looked over at SpongeBob and Plankton)

Patrick:

Plankton:

Patrick:

(SpongeBob couldn't believe Patrick had asked. They hadn't been up in the bubble that long. What was wrong with Patrick?)

SpongeBob:

(Patrick looked skeptical)

Patrick:

password?

(At the same time, SpongeBob and Plankton said:)

BOTH:

Patrick:

(Patrick jumped off his rock and landed on SpongeBob. BLOMP!)

Patrick:

SpongeBob:

Patrick:

Patties?

(Patrick sat down, right on top of Plankton)

SpongeBob:

Patrick:

SpongeBob:

putting a team together to find it.

Patrick:

(Patrick jumped up to give SpongeBob a big bear hug)

SpongeBob:

PLANKTON:

(Plankton popped out of the sand)

Plankton:

SpongeBob:

Patrick?

Patrick:

(Then suddenly...)

Patrick:

sounds) (IMITATES ALARM)

(Mr. Krabs had heard Patrick's alarm)

Krabs:

(Plankton started to run)

Plankton:

SpongeBob:

(Patrick threw SpongeBob right on top of Plankton and then sat on them both, still making alarm sounds)

Patrick:

SpongeBob:

Patrick:

(He turned toward Mr. Krabs and the angry mob, who were running straight toward them)

Patrick:

(Frantic to escape from his hunger-crazed friend, SpongeBob began furiously burrowing underground. Carrying Plankton in his hand, he tunneled away from Patrick. Then he popped up out of the ground, gasping and panting)

(As the mob grew closer, SpongeBob and Plankton ran away as fast as their legs could carry them)

Patrick:

(The two fugitives ran straight to Sandy's tree dome)

SpongeBob:

(INT. AIR LOCK ENTRANCE – DAY. SpongeBob opened the air-lock door, rushed inside, and slammed the door shut. He put on a water helmet and pressed a big red button. The water in the air lock drained. SpongeBob scooped Plankton into a glass of water before he dried out)

SpongeBob:

(INT. TREE DOME – DAY. They opened the second air lock and stepped inside the dome. It was dark and eerie. Pieces of paper were stuck all over the inside of the dome, blocking the light)

SpongeBob:

(They walked farther inside but didn't find Sandy anywhere)

SpongeBob:

(He turned to Plankton)

SpongeBob:

(The two of them looked more closely at the papers stuck to the inside of the dome. They were covered with scribbles and strange writing, all connected by string)

SpongeBob:

(As they stared at the papers, dark shape whipped by, passing right behind them. SpongeBob turned around)

SpongeBob:

(SpongeBob reached toward one of the papers and a hand grabbed his shoulder)

Sandy:

(Sandy darted away and picked up a thick notebook. SHE opened it and started reading, mumbling to herself)

Sandy:

(SpongeBob and Plankton slowly walked over to her)
(She didn't seem like the old Sandy SpongeBob knew and loved)

SpongeBob:

(She wheeled around and stared at him)

Sandy:

(Sandy pointed out the glass wall of her tree dome to Bikini Bottom, where they could see flames and plumes of black smoke)

Sandy:

(Sandy started pacing)

Sandy:

don't fix it soon, there won't be anything left to fix!

(She twitched, and her eyes bulged out of her head)

SpongeBob:

(Sandy stared at the papers stuck inside her tree dome. SHE grabbed her head with her hands)

Sandy:

(She grabbed some papers and tore them off the curved glass dome. Through the dome, SpongeBob and Plankton could see a big sheet of paper with THE END on it)

(Sandy stabbed her finger at the big sheet of paper)

Sandy:

thing.

(SpongeBob looked puzzled)

SpongeBob:

(Sandy whipped around and held her hands wide apart)

Sandy:

(Now SpongeBob and Plankton were really confused)

BOTH:

(Sandy started pacing again, moving even faster this time, waving her hands through the air)

Sandy:

(MUTTERING)

(SpongeBob and Plankton look at each other)

PLANKTON:

jobs?

SpongeBob:

(BUBBLE TRANSITION to:)

(INT. SPONGEBOB'S PINEAPPLE HOUSE – DAY. When SpongeBob saw his pineapple home, he gasped. It had been severely damaged by a wandering mob! And for some reason, it was covered in gooey snail slime)

SpongeBob:

(Where was SpongeBob's beloved pet snail?)

SpongeBob:

(A blob of snail slime dripped onto SpongeBob's head)

Plankton:

SpongeBob:

(When they walked into the broken house, they suddenly stopped, shocked by what they saw)

SpongeBob:

(The house was filled with snails. Big snails. Small snails. Snails of every color and description. And they were all looking respectfully at...)
(GARY. SpongeBob's pet snail was sitting on a giant throne, surrounded by pillars and huge fire pits)

SpongeBob:

the Krabby Patty formula and fix Bikini Bottom.

Gary:

SpongeBob:

Gary:

SpongeBob:

folding his arms) Gary The Snail, you get down here right now and join this team!

Gary:

SpongeBob:

(All the snails who had been paying their respects to Gary, the King of the Snails, turned to SpongeBob and Plankton. Then they advanced on them with their fangs bared, growling!)

(EXT. BIKINI BOTTOM – DAY. SpongeBob turned and ran out of the pineapple house as fast as he could!)

Plankton:

SpongeBob:

(He looked back to see the snails moving very, very slowly)

SpongeBob:

(The two unlikely partners strolled away from SpongeBob's house)

Plankton:

SpongeBob:

would be!

(Nearby, Mr. Krabs and the angry mob was still on their tail)

KRABS:

Plankton:

(EXT. RIDGE, BIKINI BOTTOM – NIGHT. That night, high on a ridge overlooking Bikini Bottom, Plankton and SpongeBob looked down at their hometown. They could see fires burning in the darkness)

SPONGEBOB:

Plankton:

of Bikini Bottom to Dirty Bottom. (LAUGHS) Right, SpongeBob?
(SpongeBob wrinkled his and nose and frowned)

SpongeBob:

Plankton:

(SpongeBob stared into distance)

SpongeBob:

Plankton:

everything will go back to the way it was, you know, all happy and junk.
(he pushed a rock toward SpongeBob)

Plankton:

SpongeBob:

(He lay his head on the rock)
(Plankton pulled a blanket of seaweed over SpongeBob)

Plankton:

SpongeBob:

more about teamwork than you let on.

Plankton:

SpongeBob:

(Exhausted from the day, SpongeBob instantly fell into a deep sleep)

(Plankton let out an evil little chuckle)

Plankton:

(He crept up onto SpongeBob's head)

Plankton:

in there somewhere.

(Plankton forced one of SpongeBob's holes open jumped into his head)

(INT. SPONGEBOB. Once inside SpongeBob's head, Plankton wasted no time going straight to his brain, hoping to find the Krabby Patty secret formula)

Plankton:

(He digs his way into SpongeBob's brain)

Plankton:

(EXT. COTTON CANDY FOREST, SPONGEBOB'S BRAIN. But inside the brain was colorful and bright cotton candy forest, with funny shapes and happy music)

Plankton:

(A bottle of maple syrup ran by laughing, chased by a waffle, which was also laughing)

(Two ice cream cones threw fudge at each other)

Ice Cream Cone #1: (LAUGHS) Fudge fight!

(Plankton was confused)

Plankton:

toothache!

(As he stared to search through SpongeBob's brain. Plankton heard two voices calling to him)

FEMALE POPSICLES: Hello, Plankton.

(He turned and saw two ice popsicles stuck together. They were smiling at them)

Female Popsicles: Come and play with us.

Plankton:

Female Popsicles: Hurry before we melt.

(Horrorified, Plankton ran away, scattering a bunch of happy balloons. He passed a doughnut blowing bubbles out of a cliff, landing in a pile of cute little fur balls)

(The fur balls pushed together and transformed into a single giant kitten. It was cute but gigantic. Looming over Plankton, the kitten purred and meowed)

Plankton:

(GAGS)

(He threw up, but what came out of his mouth was a giant rainbow. He stared at the rainbow in disbelief. The giant rainbow suddenly grew arms and eyes)

Rainbow:

(Plankton screamed and ran away again)

(EXT. RIDGE, BIKINI BOTTOM – NIGHT. Soon he popped out of SpongeBob's ear and landed next to their cold campfire. His grunts and groans awakened SpongeBob)

SpongeBob:

dream! And you were in it!

Plankton:

(He was covered in cotton candy, cookie crumbs, and caramel sauce)

Plankton:

(SpongeBob noticed a candy cane stuck to Plankton's head)

SpongeBob:

Plankton:

SpongeBob:

Plankton:

brain.

(SpongeBob gasped, stepped back, and covered his head with his hands)

SpongeBob:

Plankton:

formula.

SpongeBob:

Plankton:

why you're pretending not to know the formula.

(SpongeBob looked shocked)

SpongeBob:

lying.

(Plankton shrugged)

Plankton:

lying.

SpongeBob:

Plankton:

SpongeBob:

(Plankton jumped to his feet and shook his fist)

Plankton:

SpongeBob:

team.

(With that, he pulled out a pitch pipe and blew through it)

Plankton:

(In his enthusiasm, SpongeBob picked up Plankton during the song)

SpongeBob:

Plankton:

SpongeBob:

Don't you think so, my friend?

Plankton:

Is getting in the way of my schee-am work
What don't you comprehend?

SpongeBob:

Nothing's impossible when it's you and me

Plankton:

SpongeBob:

Plankton:

SpongeBob:

Plankton:

Of a very scary, crazy post-apocalyptic mob!

SpongeBob:

Helping you with this important job
I'll be the hammer, you'll be the nail
I'll be the boat and you'll be the sail
I'm the flower, you're the aroma

Plankton:

SpongeBob:

I'm here for you and you're here for me
It's better when you plus me equals we
Working together in harmony
Side by side, we can reach our dreams
'Cause nothing's impossible
When we're a team!

Plankton:

(SpongeBob gently set Plankton on the ground)

Plankton:

get back.

SpongeBob:

Plankton:

(SpongeBob grabs a thought bubble with a question mark on it)

Plankton:

SpongeBob:

Plankton:

SpongeBob:

Plankton:

a genius!

SpongeBob:

Plankton:

formula disappeared. Before society broke down. Before we became the
hunted!

(SpongeBob looked doubtful)

SpongeBob:

machine?

(Plankton paced back and forth)

Plankton:

calculate the intricacies of time travel.

SpongeBob:

Plankton:

(BUBBLE TRANSITION to:)

(EXT. CHUM BUCKET, BIKINI BOTTOM – NIGHT. High on another cliff at the edge of Bikini Bottom, SpongeBob and Plankton looked down at the Chum Bucket. It was surrounded by guards. And they looked angry)

PLANKTON:

the back room. I've never seen this many people at The Chum Bucket.

SpongeBob:

(Plankton looked exasperated)

Plankton:

SpongeBob:

Plankton:

SpongeBob:

Plankton:

(Moments later, a tire rolled down the cliff toward the Chum Bucket. When it reached the bottom of the cliff, it kept going, rolling right into the middle of a group of guards)

Fish Guard:

(The guards pulled out some wooden sticks and metal rods and started beating the tire!)

(Behind them, SpongeBob and Plankton sneaked over to the Chum Bucket, hidden in a stack of tires)

SpongeBob:

(Plankton tried to open a small door, but it was locked)

Plankton:

(SpongeBob climbed out of the stack of tires and examined the side of the Chum Bucket more carefully. When he looked up, he saw an open window)

SpongeBob:

for some teamwork. Give me a boost.

Plankton:

(Then he saw SpongeBob's shiny black shoe coming down at him)

Plankton:

(Plankton tried with all his might to hold up SpongeBob by his shoe, but he just didn't have enough strength. SQUISH!)

(Not realizing what had happened. SpongeBob was still straining to reach the open window)

SpongeBob:

(Then he realized Plankton wasn't answering him)

SpongeBob:

(When SpongeBob lifted his shoe and looked at its sole, he saw Plankton flattened across it)

Plankton:

SpongeBob:

(SpongeBob lifted his shoe up to the open window and scraped Plankton off. Groaning, Plankton landed on the windowsill. Then he jumped through the window into the Chum Bucket)

(INT. CHUM BUCKET – NIGHT. As soon as he hit the floor, he ran to the small door and opened it)

Plankton:

(SpongeBob squeezed through the small door and into the restaurant)

SpongeBob:

(Then he swung the door closed. SLAM!)

Plankton:

(Plankton pointed across the room at the guard. It was Patrick, snoring loudly as he slept in a chair by another door)

Plankton:

to be very quiet. Let's walk on the tips of our toes.

(Plankton raised himself up on the tips of his toes—which SpongeBob had never before—and skittered across the floor. There was a high, tinkling sound)

(Patrick stirred in his sleep. Plankton froze, but the high tinkling sound continued. He looked back and saw SpongeBob playing a tiny piano)

Plankton:

gonna get us caught.

(SpongeBob sheepishly put the tiny piano away)

SpongeBob:

(They both tiptoed over to Patrick, who was still snoring. The key was on his chest, hanging on a chain around his neck)

Plankton:

(SpongeBob took a step closer to Patrick and stepped on a floorboard. CREAK!)

Patrick:

(But then he fell right back to sleep)

(SpongeBob gently grabbed the key and pulled it down)

Plankton:

SpongeBob:

(He lifed the key up toward Patrick's head, but the chain got caught in the folds of Patrick's fat neck)

Plankton:

(SpongeBob let go of the key)

Plankton:

(Plankton jumped onto Patrick and climbed up to the key. He yanked the chain free, but then the key slid down Patrick's chest, heading straight for his belly button. Plankton leapt onto the key and rode it like a snowboard)

(He headed into Patrick's belly button. Just as he and the key were about to completely disappear into the depths of Patrick's navel, SpongeBob plucked them out, covered in gross lint))

(They had the key! Success!)

(Except—at that very moment, Patrick woke up)

(When he saw SpongeBob and Plankton, he pulled out a giant whistle and inhaled, ready to blow a mighty blast!)

SpongeBob:

(The two buddies struggled. Patrick kept trying to put his lips on the whistle, but SpongeBob kept stopping him)

SpongeBob:

bedtime story.

(SpongeBob flipped Patrick over onto his lap. Plankton jumped onto Patrick's belly and talked quickly)

Plankton:

who went to sleep. The end!

Patrick:

(And he fell fast asleep)

(SpongeBob and Plankton lost no time using the key to open the door. They burst through to find...)

(...Karen chained to the wall!)

Karen:

Plankton:

(Karen was thrilled to see her husband)

Karen:

wouldn't have come back.

SpongeBob:

Karen's chains)

(If Karen could have shaken her head, she would have)

Karen:

been through my hard drive looking for the secret formula.

(Plankton hung his head)

Plankton:

(Then he looked up and smiled)

Plankton:

steal the formula before it disappeared.

Karen:

that?

(Instantly, her powerful computer brain gave her the answer)

Karen:

(EXT. CHUM BUCKET, BIKINI BOTTOM – NIGHT. Outside, SpongeBob and Plankton sneaked away from the Chum Bucket carrying Karen's head)

SpongeBob:

PLANKTON:

SpongeBob:

(They left the angry guards behind, still beating the tire)

Fish Guard:

(INT. TACO HAUS – NIGHT. At an abandoned Mexican-German restaurant called Taco Haus, SpongeBob carefully set Karen's head on the floor)

(SpongeBob looked around at the dusty restaurant)

SPONGEBOB:

(Plankton nodded)

PLANKTON:

clock. Some day-old chips. Now all we have to do is build it.

(Seeing another opportunity for a song about teamwork, SpongeBob happily pulled out his trusty pitch pipe and blew into it)

Plankton:

SpongeBob:

Plankton:

SpongeBob:

(Plankton took the pitch pipe into another room. WHAM! WHAM! WHAM! WHAM! It sounded as though he was smashing something with a hammer. FLUSH! Then it sounded like he was flushing something down a toilet)

Plankton:

(And so, working together, along with Karen's powerful brain, using the crummy materials they found in the abandoned restaurant, Plankton and SpongeBob built a time machine. When they were done, Plankton spun the hands on the cuckoo clock, and an engine roared to life. VRROOM!)

Plankton:

SpongeBob:

Plankton:

SpongeBob:

Plankton:

BOTH:

Side by side, we can reach our dreams
'Cause nothing's impossible
When we're a team
(SpongeBob carries Karen into the time machine)

SpongeBob:

(INT. PHOTO BOOTH TIME MACHINE – NIGHT. He pushed Karen into the opening and she powers up)

Karen:

and energy to power this time machine. So if you have anything you wanna tell me, you better tell me now.

Plankton:

years, and I, I just wanted to say, I'm glad you're on my tee-am.

Karen:

(Plankton flips a switch and Karen shuts off and her screen flashes 12:00 AM, Plankton starts to cry)

SpongeBob:

Plankton:

eyeball. (wipes his tear away) There's always stuff getting in there. Anyway, (CLEARS THROAT) where were we? Say "cheese."
(SpongeBob inserts a quarter in the coin slot)

SpongeBob:

(Lights flashed! SpongeBob and Plankton hurtled back through time. When they stopped, SpongeBob cautiously slid open the photo booth's curtain and stepped out)
(INT. DESERT WASTELAND OF BIKINI BOTTOM – DAY. The time machine was sitting in the middle of a desolate wasteland. There was no sign of Bikini Bottom anywhere)

Plankton:

right here!

(SpongeBob pointed)

SpongeBob:

(He ran over and found Patrick! But Patrick was much, much older, with a long beard)

Patrick:

SpongeBob:

Patrick:

SpongeBob:

Patrick:

SpongeBob:

Patrick:

Plankton:

into the future.

SpongeBob:

(Patrick was celebrating)

Patrick:

smart.

SpongeBob:

Patrick:

(A gust of wind blew away sand from underneath Patrick, revealing that he was sitting on the Krusty Krab's old sign)

(SpongeBob and Plankton ran back to their time machine and climbed in)

(VRRROOM! WHIRRR!)

(The time machine disappeared!)

(EXT. INTERDIMENSIONAL SPACECRAFT – OUTER SPACE. Once again, SpongeBob and Plankton hurtled through time and space. When they opened the photo booth curtain, they peeked out and saw...)

(...nothing. Everywhere they looked, they saw gray nothingness)

(He and Plankton stepped out of the time machine and found themselves in a

great hall. They cautiously followed a long corridor. At the end of the corridor, they could see a mysterious hooded figure standing with his back to them, watching the void of space between Saturn and Jupiter)

SpongeBob:

ask this guy for directions.
(They approached the figure)

SpongeBob:

(Without turning around, the figure spoke in a low voice)

Bubbles:

SPONGEBOB:

Bubbles:

(The figure turned around. It was a dolphin!)

Plankton:

(The hooded dolphin drew himself up with great dignity)

Bubbles:

SpongeBob:

space?
(Bubbles looked out the window)

Bubbles:

(CLICKING) Hmm. 10,000 years!
(SpongeBob suddenly understood)

SpongeBob:

us.
(Bubbles nodded solemnly)

BUBBLES:

you mind keeping an eye on things?

SpongeBob:

keeping my eye on?
(But Bubbles had already left, closing the bathroom door behind him as muzak plays. SpongeBob walked over to the window and stood still, staring)

Plankton:

SpongeBob:

Plankton:

(As SpongeBob stared out the window, two planets orbited into view)

SPONGEBOB:

with the big red eye. I'll watch the one with the ringy thingies. Like a team.

(As SpongeBob and Plankton watched, the two planets slowly moved each other)

Plankton:

SpongeBob:

Plankton:

SpongeBob:

years.

(BOOM! The two planets crashed into each other and exploded! Little pieces of the planets fell all around Plankton and SpongeBob)

SpongeBob:

Come on, Plankton, we got to clean this up before Bubbles gets back!

(PANTING)

(He tried to sweep the debris under the carpet with a broom)

(Bubbles came back)

Bubbles:

(But then he noticed the dirt and pebbles on the floor. He also noticed SpongeBob's broom and SpongeBob ditches the broom and makes an innocent face. Bubbles looked up in the sky)

Bubbles:

(Saturn's rings fall off)

Bubbles:

Keep them from smashing into each other!

SpongeBob:

Bubbles:

SpongeBob and Plankton) And you will lose your lives.

(Bubbles fired lasers at SpongeBob and Plankton! ZAP! ZAP! They turned and ran away, screaming. They headed for the time machine)

SpongeBob:

(Plankton tossed him a quarter, but SpongeBob missed it! It landed near the time machine)

(SpongeBob and Plankton dove into the machine. SpongeBob reached out, snatched the quarter, and dropped it into the slot. VRROOM! WHIRR!)

(VRRRRROOOOMMM!)

((INT. OFFICE, THE KRUSTY KRAB – DAY. Back in the not-very-distant past, Past SpongeBob walked into Mr. Krabs's office. He gasped when he saw the safe open)

Past SpongeBob:

(Past Plankton head SpongeBob and turned around, knocking over the fake formula bottle with the real formula bottle)

Past Plankton:

(FLASH! The time machine appeared in a burst of light, distracting Past Plankton and Past SpongeBob)

(Plankton stepped out of the time machine)

Past SpongeBob:

(SpongeBob stepped out of the time machine)

Past Plankton:

Plankton:

(SpongeBob pointed toward his past self with his thumb)

SpongeBob:

Past Plankton:

thinking.

(SpongeBob shook his head)

SpongeBob:

Past SpongeBob:

SpongeBob:

Past Plankton:

Plankton:

(He turned to SpongeBob)

Plankton:

(SpongeBob ran toward the safe)

(Past SpongeBob couldn't believe what he was seeing)

Past SpongeBob:

SpongeBob:

(As SpongeBob groped in the safe, trying to take the bottle with the secret formula from Past Plankton, his past self talked to Plankton)

Past SpongeBob:

Plankton:

Past SpongeBob:

(SpongeBob tries to get the formula)

Past SpongeBob:

Plankton:

Past SpongeBob:

Plankton:

(SpongeBob kept trying to grab Past Plankton, but Past Plankton dodged him)

SpongeBob:

Past SpongeBob:

Plankton:

Past SpongeBob:

Plankton:

(SpongeBob quickly made a big grab for Past Plankton but accidentally knocked over the secret formula bottle)

Past Plankton:

(An alarm went off. BWHOOP! BWHOOP! BWHOOP!)

FEMALE COMPUTER VOICE: Initiating lockdown sequence.

Plankton:

(SpongeBob grabbed a bottle from the safe)

SpongeBob:

Plankton:

(They ran into the time machine. VRROOM! WHIRRR! In a flash, the time machine disappeared)

(INT. PHOTO BOOTH TIME MACHINE. SpongeBob laughed)

SpongeBob:

Plankton:

(Plankton looked at the bottle, taking in its beauty)

Plankton:

did it. I mean, we did it!

(EXT. SHIP – DAY. In Burger Beard's book, a picture showed SpongeBob and Plankton high-fiving. Burger Beard read to the seagulls)

BURGER BEARD:

all they had set out to do.

(While he read to the seagulls, Burger Beard steered the ship)

Andy:

Seagull:

Kyle:

(Andy gets out an accordion)

Andy:

(But Burger Beard dropped the book onto the deck)

BURGER BEARD:

(SEAGULLS WHIMPERING)

Kyle:

(Burger Beard gets out his telescope and his telescope view of the beach)

(MAN 1 LAUGHING)

MAN 2:

Burger Beard:

(EXT. BEACH, TOWN – DAY. The pirate steered his ship up onto the shore and kept going!)

BOY:

(His ship had wheels on the bottom! Burger Beard drove his ship through a crowded beach, forcing all the sunbathers to scatter)

BURGER BEARD:

MAN:

WOMAN:

Burger Beard:

I'm coming!

(The beachgoers were confused. Why was this pirate driving his ship across the sand?)

Burger Beard:

Seagulls:

(EXT. PARKING PLACE, TOWN – DAY. He steered his ship straight into a parking place between two food trucks)

Burger Beard:

off!

(The seagulls looked at each other. Why had the pirate changed from a nice man who read them a story to a mean guy who told them to shove off?)

Andy:

Burger Beard:

can I?

Andy:

Burger Beard:

(The pirate opened hatches, turned on a stove, and tied on an apron. His ship had indeed turned into a food truck: THE BURGER MOBILE)

Burger Beard:

SEAGULL 1:

Burger Beard:

Seagull 2:

Burger Beard:

Seagull 3:

(Burger Beard thought for a moment)

Burger Beard:

wait?

Seagull 3:

Andy:

Seagull 3:

(The pirate reached into his food truck, pulled out a tray)

Burger Beard:

(The seagulls drew back, horrified)

Andy:

Burger Beard:

(ALL SCREAMING)

SEAGULL 1:

SEAGULL 2:

Seagull:

(They all flew off, terrified)

(Burger Beard chuckled. He heard a toilet flush)

KYLE:

(Burger Beard turned to see the door of a tiny portable potty open. Little Kyle came out)

Kyle:

(CHUCKLES)

Burger Beard:

(Kyle shrieked as his feathers blew off)

Kyle:

(He whistles for a cab which drives up and Kyle gets in the back seat)

Pigeon Cabbie:

Kyle:

(The cab drives away. Laughing a loud pirate loud, Burger Beard turned back to his food truck and got to work on his evil plan...)

Oh...

Squidward!

Still out of Krabby Patties.

Does anyone have a picture

-of ketchup?

-(DOOR OPENS)

I done figgered it out!

(ALL GASPING)

We have angered the sandwich gods
and only a sacrifice will appease them!

Well, that sounds reasonable.

Soon our

post-apoca-whatchamacallit will be over,
and Krabby Patties

will rain down from above!

Rain down? Well, that's no good.

How will I get me money?

Oh, you don't like that idea?

Then we'll sacrifice you!

ALL:

(WHIMPERS)

It's not a good idea to have a sacrifice
on an empty stomach.

Who wants a Krabby Patty?

(ALL CHEERING)

SpongeBob, is that me formuler?

Oh, happy day!

I missed you so much.

Where was it? Where did you find it?

Well, Plankton and I built a time machine
out of an old photo booth

and then we added...

-Cheese!

-Patrick, wait!
-(ALL GASPING)
-It's okay, everyone.
The post-apocalypse is almost over!
(ALL CHEERING)
Ain't that right, SpongeBob?
"Eugene, eat my
"subaquatic air bubbles.
"Love, Plankton"?
-(GASPS)
-You grabbed the wrong bottle!
I'm sorry, Mr. Krabs!
That's okay, SpongeBob.
We'll just have to sacrifice
the two of you then.
Prepare them for the sacrifice!
I bring a message from the dawn of time!
What is it, Patrick?
Run! (SCREAMS)
-(ROARS)
-(ALL GASPING)
Squidosaurus rex!
-(ROARS)
-(ALL SCREAMING)
Well, Plankton,
I guess we failed
to accomplish our goals.
"We"?
But even failure hurts a little less
when you do it as a team, right?
This is all your fault!
-(GROWLING)
-(ALL GASPING)
My fault?
You're the one who stole
the wrong secret formula.
I didn't know there were two bottles.
Of course you didn't!
Because you got cotton candy for brains!

ALL:

No, seriously, he really does.
Well, we wouldn't even be in this mess
in the first place, if you

weren't so selfish and evil.

I was selfish and evil,
until you ruined everything
with your "teamwork"!

Oh! You take that back!

You are the worst teammate ever!

No!

-(ALL GASPING)

-(BREATHING HEAVILY)

-(WAILING)

-GASPS)

Oh, my Neptune, he's mixing
garbage and recycling!

(YELLING)

(ALL GASPING)

(PANTING)

(CROWD MURMURING)

Look at me.

Why, I've become like all of you.

Savage.

Fear-ridden.

Selfish.

An entire town of formerly good citizens
turned into heartless freaks,
bent on their own self-prever...

Self-preter...

-"Preservation?"

-Yes!

We've become alienated
from each other.

Each one an island unto himself,
concerned only with ourselves.

And in the name off all fishhood,
I am not about to let that happen!

And so,

if a sacrifice is need to restore
Bikini Bottom to its former glory...

Then I am willing

to take one for the team!

You heard him!

(CROWD CLAMORING)

ALL:

Sacrifice! Sacrifice!

Sacrifice!

Sacrifice! Sacrifice!

(GASPS)

Let the sacrifice begin!

ALL:

And I thought my friends were primitive.

(SNIFFING)

Don't cry, me boy.

Everything's going to be fine, for us.

Oh, I'm not crying,

Mr. Krabs. (SNIFFING)

I smell Krabby Patties!

That's right. Keep thinking

happy thoughts. Now!

ALL:

(ALL EXCLAIMING)

(GRUNTS)

(SNIFFS)

The boy's right.

MAN:

I smell 'em, too!

Okay, SpongeBob, go get it!

Wait. You mean we can

just take this stuff off?

Go find that Krabby Patty!

Come on, everybody!

I've got some Krabby Patty orders to fill!

(ALL CHEERING)

(SNIFFING)

It's coming from over there!

(SHIP CREAKING)

(WIND HOWLING)

(SCREAMING)

(ALL PANTING)

(SCREECHING)

Come on, guys, I think

it's just over this hill.

(ALL GROANING)

How do you expect us

to go up to the surface?

We won't be able to breathe!

All right, all secondary characters

-come with me.

-(ALL GROANING)

-Yeah, I'm with you guys.

-No way, Squidward.

You're going up there with us.

My feet hurt.

-Patrick, you don't have feet.

-(GASPS)

It's not fair! You have feet.

Sandy has feet. Squidward has feet.

Actually, I have four feet.

(GROANS)

SPONGEBOB:

SQUIDWARD:

SPONGEBOB:

and sticking together, no matter what!

The only way we're going

up there is if some

fairy godmother shows up

and helps us breathe air.

-Bubbles!

-SpongeBob, you know this guy?

Don't hurt us!

We're sorry we got you fired.

Hurt you? (CLICKING)

Why, I traveled back

through time to thank you.

I've been stuck in that job for eons.

I need a change,

but I was too afraid to go for it.

Well, Bubbles, I'm glad we could help.

Now it is my turn to help.

I can get you safety to the surface.

Now! (CLICKING)

Quick, all of you, get in my mouth.

Come on, guys, let's go!

There's no way I'm climbing

into some dolphin's mouth.

Yeah. This guy just wants a free lunch.

Guys, if Bubbles, has the courage

to quit his dead-end, nowhere job
and travel back through time to help us,
then we need to have the courage to...

(ALL SCREAMING)

Well, I never thought
I'd be eaten by a dolphin.
no, if he was eating us,
he'd be chewing us up
and we'd be going down there.
This is what you call riding in style.
(SIGHS) Not a lot of legroom in here.
Well, maybe if you didn't have four feet!
(GRUNTS)

Note to self:

Never stow away in a gym sock.
What's happening? I feel tingly!
(ALL SCREAMING)
-(ALL GRUNTING)

-SQUIDWARD:

I've done all I can.
The rest is up to you.
Thank you, Bubbles!
Farewell, SpongeBob.
Farewell, Bubbles.
Now to update my... (CLICKING)
(CHUCKLES)
Resume!
(INHALES DEEPLY)
Ah! Fresh air! Oh, how I've missed you.
Ugh! This place smells awful!
(SNIFFING) Come on, guys.
Let's get the Krabby Patty formula
and save Bikini Bottom.
Whoa!
What is this place?

KRABS:

Maybe this guy knows
where we are. He looks smart.
He's got five heads.
Uh, sir? Could you tell us
where to find a Krabby Patty?

Hey, my friend's talking to you!

-What?

-(SNORING)

(GASPS)

A giant, hairy porpoise!

(GASPS) It's beached!

It's suffering. Poor thing.

Y'all, those aren't porpoises.

-All hands on deck!

-Oh, brother.

We need to get these guys

back in the water.

SPONGEBOB:

KRABS:

ALL:

-Heave!

-ALL:

-Heave!

-ALL:

-Put your back into it!

-(ALL GRUNTING)

Come on, push!

SQUIDWARD:

this is where that

horrible smell was coming from.

-(METAL CLANGS)

-(ALL GROAN)

(GASPS)

Whoa!

Excuse me, do you know

where we can get

a Krabby Patty around here?

Invaders!

Uh-oh.

You get out of my sister's sand castle!

-GIRL:

-(ALL SCREAMING)

(GROANING)

(BOTH SCREAMING)

(GRUNTS)

(SCREAMING)

(GROANS)

Oh!

Where have you been all my life?

Ow. Whoa!

WOMAN:

Oh, Frank.

That feels so good.

(GOBBLING)

Gross!

-Oh, hey, Squidward.

-(GROANING)

Sandy! (SNIFFING)

The Krabby Patty!

I think I see where it's coming from!

(BOTH SCREAMING)

SpongeBob, you will not believe the size
of the ice creams here.

I wonder what other
giant snacks they have.

(GASPS) Cotton candy?

(BOTH GASPING)

(CHUCKLES)

Wow.

If you ate all that,
you'd have enough energy
to run around the whole world!

BOTH:

(UPBEAT MUSIC PLAYING)

(BOTH LAUGHING MANIACALLY)

Ugh! When is the sugar gonna wear off?

(SNIFFING)

Hey, guys, I smell Krabby Patties!

-I think it's this way!

-Huh?

(ALL SCREAMING)

KRABS:

(SCREAMING)

-Now what?

-We're never going to make it!

ALL:

(BICYCLE BELL RINGING)

-Heave!

-Ho!

-Heave!

-Ho!

-Heave!

-Ho!

We're doing it, guys!

-MAN:

-(PEOPLE GROANING)

Hold on!

-(SCREAMING)

-SQUIDWARD:

-Huh? Lean!

-Starboard! (GRUNTS)

(WOMAN GASPS)

ALL:

(ALL SCREAMING)

(ALL GROANING)

(GASPS)

-What the... (GASPS)

-What?

'Home of the Krabby Patty'?

(INDISTINCT CHATTERING)

But The Krusty Krab

is the home of the Krabby Patty!

Mr. Krabs, what are we gonna do?

\$8.99 for a Krabby Patty?

Why didn't I think of that?

-(SIZZLING)

-(SINGING)

(GASPS)

-You!

-Huh?

Cease and desist that

unauthorized patty flipping!

Yeah, that's my job!

BURGER BEARD:

You cannot breathe air.

Well, there was this magical dolphin
from the future who shot us
out of his blowhole, and...

Wait! Wait.

That's not in the book.

Book?

There is no magical dolphin in this story.

What story?

The story of how Bikini
Bottom was brought to its knees
when its beloved Krabby Patty formula
was stolen by me,
Burger Beard.

How does it end?

Well, let me see.

It looks like, uh,
Burger Beard becomes the richest
food truck proprietor in all the land.

But how did you steal the formula?

That was easy.

I simply rewrote the story, and...

Poof!

-(GASPS)

-Me formuler!

What do you mean, rewrote the story?

Watch this.

"The brave

"and handsome

"Burger Beard

-"banished our poor heroes..."

-(GASPS)

"...to be stranded on

"Pelican Island!"

(ALL SCREAMING)

(BURGER BEARD LAUGHING)

"The End"!

(SQUAWKING)

Oh, this looks bad.

And these guys look hungry!

-Look out!

-(SCREECHING)

(YELPING)

(SCREAMING)

Nice. So this is what teamwork get you.

Here Take Squidward, you vile beasts!

I want to be on a new team.

This one's broken.

Sandy, you're smart.

You have any ideas?

I ain't been too smart

since I found this old piece of paper!

(LAUGHS EVILLY)

-What?

-KRABS:

(SCREECHING)

Wait a minute!

(GRUNTS) Now all we need

-is some ink!

-(SQUIDWARD SQUIRTS)

Oh. Which Squidward

has helpfully provided.

It happens when I'm nervous.

Whatever you're going to do,

make it quick! They're closing in on us!

I'm gonna write us an ending.

(ROARS)

Will it be a happy ending?

It's going to be superpowered!

(GRUNTS)

(LAUGHING EVILLY)

I'll show you a happy ending.

(PEOPLE CLAMORING)

Huh?

Da-da-da-da!

-Patrick!

-Huh?

Hey, I got feet!

Oh, what is in these things?

We'll take one secret formula to go!

Clear the area, citizens.

There's going to be

some serious aft-kicking here.

(CAMERA CLICKS)

But I banished you.

Sour Note?
(INHALES DEEPLY)
(PEOPLE SCREAMING)

SEAGULL 1:

Hey, hey, wait! Hold on! Hold on!
Wait! Wait! Customers!
Wait, please!

SPONGEBOB:

take him down.
-Huh?
-Huh?
(THUNDER RUMBLING)
(GIGGLES)
Um, maybe we should have picked
a better superpower for you Patrick.
Let's see you get out of this one!
-(GASPS)
-Ka-ching!
(GRUNTS)
(LAUGHS)
Get ready for the Invinci-Bubble!
No!
My book!
All right, team,
time for hands in the middle!
Yes! Huh?
Oh, yeah.
(GRUNTS)
Great job, guys. We did it!

ALL:

Huh?
What?
Sandy? Is that you?
You can call me The Rodent!
Hi-yah!
Hey, where'd the pirate go?
Hmm. Uh...
(GASPS)
Mmm.
It looks liked Burger Beard
forget the first rule of mobile fry cooking.

Always batten down your grease traps.

Follow that grease, team!

(TIRE SCREECHING)

(CHITTERING)

(GRUNTS)

(ENGINE REVS)

BURGER BEARD:

(LAUGHING)

Whoo-hoo-hoo!

SPONGEBOB:

(LAUGHING)

(TIRE SCREECHING)

(INHALES DEEPLY)

SPONGEBOB:

-(GRUNTS)

-Oh, no, you don't.

-(GRUNTS)

-(SCREAMING)

Ow!

(GRUNTS)

-(SCREAMS)

-(GRUNTS) Oh!

(PATRICK GROANING)

(LAUGHING EVILLY)

(WHIMPERS)

(GRUNTS)

He's after the book!

Sandy, use your squirrel powers!

Roger that!

Oh, she's never gonna make it!

Huh? Everyone...

Lean!

(SANDY SCREAMS)

(ALL GROANING)

(GRUNTS)

-That's what you get.

-(LAUGHS)

(TIRES SCREECHING)

(LAUGHING)

(BOOK APPROACHING)

Come here.

Come here.
The book!
Sour Note!
(YELLS)
(SCREAMING)
All right, Burger Beard,
prepare to be teamworked!
I'm going to scrub my armpits with you.
Uh, I don't get it.
Because you're a sponge.
Duh.
Oh.
Get him, The Rodent!
-Consider him roasted!
-(PEOPLE GASING)
(PEOPLE SCREAMING)
(PEANUTS WHIZZING)
(YELLS)
Huh?
Aw, nuts! I'm all out of nuts!
(GRUNTS)
(LAUGHS MOCKINGLY)
Justice is best soft served.
(WOMAN GASPS)
(PEOPLE SCREAMING)
Patrick, I should have
never doubted your powers!
(CACKLING)
(GROANING)
I can't think of a sweeter way to go.
Ha! It's all mine!
Not so fast, Booger Beard!
(YELPS)
(SCREAMING)
Me formuler. Huh?
This will make you feel a little butter.
Not melted butter!
(SCREAMING)
Mr. Krabs!
Voila!
-(BURGER BEARD LAUGHING)
-Uh-oh.
(SCREAMS)
A-ha!

Oh, yeah!
Huh?
Hoo-hoo!
(LAUGHS MOCKINGLY)
Ta-da!
They're beautiful!
-Patrick!
-(GROWLS)
(LAUGHS)
(LAUGHING)
(PANTING)

BURGER BEARD:

SpongeBob!
-Patrick?
-Talk to me, buddy.
I'm... I'm seeing a bright light.
Is this better?
Much. Thank you.
But the discomfort I feel
in my eyes is nothing
compared to the shame I feel
for letting down the Patty.
For letting down Bikini Bottom.
Yeah, SpongeBob, you really blew it.
No, Patrick, we blew it, as a team.
Nope. This one's on you.
(ENGINE STARTS)

PLANKTON:

think you're going?
(LAUGHING)
Why don't you get going, little fella,
before you hurt yourself?
(RUMBLING)
(GRUNTS)
Plankton?
It's Plank-Ton!
Come on down from there, little fella.
You wouldn't want to get hurt.
Huh?
(GRUNTS)
(GROWLS)
(GRUNTS)

Come out, come out, wherever you are!

Huh? (SCREAMS)

My eye!

He's getting away!

(PANTING)

Ready for a Plank-Ton of bubbles?

(INHALES DEEPLY)

(SPONGEBOB LAUGHING)

(PANTING)

(GROANING)

The formula, please.

Come on. Team up with me.

We'll be rich and powerful! Huh?

PLANKTON:

I'm already part of a teamwork.

(SIGHS)

(SCREAMING)

(MUTTERING)

Can we do hands in the middle again?

Yes, we can, Patrick.

But this time, there's one more
hand to go in the middle.

Plankton?

Hmm.

(GASPS) Oh, no.

(WHIMPERS)

-Here you go, Krabs.

-Huh?

She's all yours.

This doesn't have
another insulting note in it, does it?

No, that's the old me.

The one who turned his back
on everything important
just to have that formula all to himself.

But I realize now that keeping
something to myself is...

Selfish.

Especially when that something
is the Krabby Patty.

Okay, everybody, let's get back
to Bikini Bottom and... (GASPS)

Oh, no! I don't have the page!

-Oh, no!

-(GASPS)

SPONGEBOB:

back on Pelican Island!

Don't worry. I thought of everything.

All right, SpongeBob, take us home.

Thanks.

-Squidward!

Oh, yeah.

Come on, it's time to go back

and open up The Krusty Krab!

Are you out of your patty-flipping mind?

I'll never leave this place!

I mean, look at me. I'm a god!

No, Squidward, you're a cashier.

Wait a minute! What? No!

(SIGHS)

Well, it was fun while lasted.

Don't be sad, Squidward.

I left you a little surprise under your shirt!

SQUIDWARD:

Aw, SpongeBob, you're okay in my book.

Aw, shucks.

Excuse us! We'd like 3,000

Krabby Patties, please!

(INDISTINCT CHATTERING)

(IMITATES CASH REGISTER)

That sound must mean

things are back to normal.

Who wants 3,000 Krabby Patties?

(ALL CHEERING)

First one's for you, Gary.

Extra mayo, just the way you like it.

(MEOWS)

A-ha!

Caught you red-handed!

Gary hates mayo.

Plankton!

Yp to your old tricks again already, eh?

Hey, I'm just

putting things back back the way they were.

What do you have

to say about this, Gary?

-(ROARS)

-Oh, shrimp.

(PLANKTON SCREAMING)

(ROARS)

See you later, tee-am-mate!

(EXT. BIKINI ATOLL – DAY. A seagull puts Burger Beard's hat on his head)

Seagull:

SEAGULLS:

(The seagulls start pleading)

Kyle:

Burger Beard:

(A seagull places a picture frame in front of Burger Beard)

Burger Beard:

SEAGULLS:

Burger Beard:

can't hear you!

SEAGULLS:

ALL:

(They all start singing the SpongeBob SquarePants Theme Song as the scene becomes animated)

Painty the Pirate: Who lives in a pineapple under the sea?

ALL:

Painty the Pirate: Absorbent and yellow and porous is he!

ALL:

Painty the Pirate: If nautical nonsense be something you wish

ALL:

Painty the Pirate: The drop on the deck and flop like a fish!

ALL:

Painty the Pirate: Ready?

ALL:

BUBBLES:

ALL:

BUBBLES:

ALL:

(The portal suddenly opened and Bubbles appeared in the scene)

Bubbles:

(HIP-HOP MUSIC PLAYING)

Seagull:

Bubbles:

Seagull:

Bubbles:

to you?

(RAPPING) You're an inferior species

What could you know about taste?

You get excited by a pile of trash on a plate

While I'm a spacetime traveler

Fabric unraveler

Saving the Patty's in the past

But now I'm rapping ya

That song's so bad

That I can't even stand it

Dispense with this nonsense at once

I demand it!

You all stand no chance against my power

Don't try it

Just sit there with your flappy beak shut and be quiet!

Seagulls:

You can't insult us

The Seagull crew

We're in no mood to hear (SQUAWKS) from you!

We're floating on the breeze

Party in seven seas

You got your nose on your head

You blow up when you sneeze
Why's this guy so mean?
'Cause he's older than a fossil
All alone up in space
Yeah, that must be awful
Painty the Pirate: Here, knock it off!
Yer making the movie too long!

Seagull:

song?

Bubbles:

(Rewinding)

ALL:

SpongeBob SquarePants!

SpongeBob SquarePants!

SpongeBob SquarePants!

(The camera zooms out to show a couple of whales emerging from water and hillbillies with banjos on elephants and an airplane passes with a banner that "SPONGEBOB SQUAREPANTS." The elephants trumpeted and fireworks exploded in the air while the portal opened and Bubbles appeared again)

Bubbles:

(THE END)
