Ice Age: A Mammoth Christmas

By Sam Harper

00:

2

00:

3

00:

Okay, Ellie, I got her.

4

00:

The Christmas rock.

5

00:

Just got her out of storage.

6

00:

I wanted to surprise Peaches.

7

00:

Where is our sweet little angel? Huh?

8

00:

Incoming!

9

00:

There's your sweet little angel.

10

00:

Sorry, Dad.

11

00:

Yeah! Whoo-hoo! It's on!

12

00:

You guys need to chill out.

13

00:

ELLIE:

14

00:

The Christmas rock!

15

00:

I love it! I love it!

I love it! I love it! I love it!

16

00:

No, no, no, don't.

17

00:

Too late.

18

00:

I'm stuck.

19

00:

This is the same Christmas rock

I had when I was a kid.

20

00:

It's an heirloom that's been
in our family for generations.

21

00:

Tonight when Santa comes by
with his presents,

22

00:

he'll see this rock and know that
a very special little girl lives here.

23

00:

MANNY:

oh, Christmas rock/i

24

00:

iYou're 30 tons of granite/i

25

00:

iAnd every.../i

26

00:

You know you're singing to a rock, right?

27

00:

It's a Christmas tradition for the kids.

28

00:

Don't sabers have Christmas traditions?

29

00:

Oh, yeah!

30

00:

Every year my dad
would bring home

31

00:

the biggest, fattest gazelles he could find

32

00:
and then we'd all rip into their...
33

00:
...our presents.
34

00:
And we'd play games with the gazelles
35

00:
and dance with them
and not eat them.
36

00:
The end.
37

00:
Merry Christmas, my mammals.
38

00:
Wow! That's some crazy rock.
39

00:
Step away from the stone.
40

00:
Why?
41

00:
You'll break it.
42

00:
Sid can't break a rock.
43

00:

Don't tempt him.

44

00:

Uncle Sid, we need this
so that Santa can find us tonight.

45

00:

What, this?

46

00:

Oh, pfft.

47

00:

He could go right past it.

48

00:

You need something bigger, taller, sparklier.

49

00:

Something with a pizzazz.

50

00:

Um, a tree!

51

00:

A Christmas tree?

52

00:

Do you know how ridiculous that sounds?

53

00:

There's millions of trees out there, Sid.

54

00:

How would anyone notice this one?

55

00:

Well, we could decorate it.

56

00:

Crash, Eddie.

57

00:

Whoo-hoo!

58

00:

Sweet!

59

00:

And, ivoila!/i

60

00:

It does look pretty good.

61

00:

Ah, it'll never catch on.

62

00:

It's beautiful.

63

00:

Hmm. It needs a certain razzle-dazzle on top.

64

00:

Something that says Sid.

65

00:

Ooh.

66

00:

And just like that, a tradition is born.

67

00:

Huh?

68

00:

Hey!

69

00:

Seriously, what did you think was gonna...

70

00:

Yep. That says Sid, all right.

71

00:

Okay, okay.

Let's just keep it together.

72

00:

It really is about
the spirit of Christmas, isn't it?

73

00:

You're about to be a spirit of Christmas, Sid!

74

00:

Manny, please.

I'm so sorry.

75

00:

You know what, Sid,
I'm the least of your worries.

76

00:

You gotta answer to Santa.

77

00:

Santa? Santa Claus?

78

00:

He is never gonna forgive this.

79

00:

You just got yourself on Santa's...

80

00:

Uh, ah, Santa's Naughty List.

81

00:

Santa has a Naughty List?

82

00:

Yeah! Yeah!

83

00:

And if you're not good,
then he puts your name on it.

84

00:

We're never good.

85

00:

Then why start now?

86

00:

Well, if your name's on the Naughty List,

87

00:

you don't get Christmas.

88

00:

But no! Why me?

89

00:

Besides the fact that it's my fault.

90

00:

The Naughty List?

Where did you come up with that?

91

00:

Relax. Sid's gullible

but he's not that gullible.

92

00:

He knows this Santa stuff is just for kids.

93

00:

What? You don't believe in Santa?

94

00:

Um, I, well...

95

00:

Of course, he believes.

96

00:

That's the magic of Christmas.

97

00:

If anyone deserves to be
on the Naughty List, Dad,

98

00:

it's you!

99

00:

She sure told you, didn't she?

100

00:

Well, too bad, I'm a grown-up.

101

00:

Grown-ups don't believe in the Naughty List.

102

00:

I'm not getting Christmas.

103

00:

Don't cry, Sid.

104

00:

Why not?

105

00:

Your tears are freezing solid.

106

00:

Huh?

107

00:

Why am I on Santa's Naughty List?

108

00:

Why? Why?

109

00:

My guess, because he doesn't have a loser list.

110

00:

Well, thanks for trying to cheer me up.

111

00:

I still feel terrible.

112

00:

Pull it together, Uncle Sid.

We've got work to do.

113

00:

But I'm still sulking.

114

00:

- No time.

- We're going to the Pole.

115

00:

The North one?

116

00:

Yep. We're gonna find Santa

117

00:
so I can prove to my dad that he's real.
118

00:
And we're gonna get you off that list.
119

00:
And us, too!
120

00:
We may be naughty
but we still want Christmas.
121

00:
Peaches, honey,
you can't come with us.
122

00:
This is a very dangerous journey.
123

00:
The North Pole is a desolate land
of ice and snow.
124

00:
This isn't exactly Miami.
125

00:
Come on, Uncle Sid,
126

00:
I want us all to have Christmas together.
127

00:

Hmm. I don't know.

128

00:

It's wildly irresponsible and impulsive

129

00:

but let's do it!

130

00:

Northward, ho!

131

00:

CRASH AND EDDIE:

132

00:

Uh, guys, let's follow the northern lights.

133

00:

North. Get it?

134

00:

- Northward ho!

- Santa ho!

135

00:

Ho ho ho!

136

00:

SID:

137

00:

iMy true love gave to me/i

138

00:

iNine fleas a-biting/i

139

00:

iEight pounds of ear wax/i

140

00:

iSeven frosty fingers/i

141

00:

iSix frosty fingers/i

142

00:

ALL:

143

00:

SID:

144

00:

Huh. I think we just marched off the Earth.

145

00:

No, it's a white-out.

146

00:

We'll be safe as long as we all...

147

00:

stay together.

148

00:

Peaches, where are you?

149

00:

- Uncle Sid?

- Peaches?

150

00:

- Uncle Sid?

- Peaches?

151

00:

Huh?

152

00:

Eddie?

Where are you, Eddie?

153

00:

Oh, wait. I'm Eddie.

154

00:

Okay, everyone, grab hold
of your buddy and follow me.

155

00:

I have an excellent sense of direction.

156

00:

Wait.

157

00:

- Bless you.

- Thank you.

158

00:

Ha! Did you see what I just did there?

159

00:

Pa-pow!

160

00:

You're a reindeer.

161

00:

Yeah, I know.

162

00:

You can fly!

163

00:

I know!

164

00:

You're amazing!

165

00:

I know!

166

00:

Check it out, Sauerkraut.

167

00:

I can hover, roll and zing.

168

00:

Zing?

169

00:

Zing! Bam!

170

00:

What's your name?

171

00:

My name is, um, uh, Prancer.

172

00:

Prancer?

173

00:

It's a family name.

174

00:

Oh, don't listen to them.

175

00:

You saved our lives
and we'll never forget you.

176

00:

Have a merry Christmas.

177

00:

Are you sure you don't need my help?

178

00:

Oh, no thank you.
You've done more than enough.

179

00:

Look, we'll take it from here.

180

00:

The reindeer comes with us.

181

00:

Uh, what do you think?

182

00:

You want an honest answer
or a Christmas answer?

183

00:

Uh, Christmas answer.

184

00:

It's gorgeous.

185

00:

- Manny?

- Huh?

186

00:

Have you seen Peaches?

I can't find her anywhere.

187

00:

And Sid, Crash and Eddie are gone, too!

188

00:

Last I saw them,
they were trying to figure out

189

00:

how to get off Santa's Naughty List.

190

00:

What Naughty List?

I made it up!

191

00:

We gotta find them.

192

00:

Diego, can you pick up Sid's scent?

193

00:

I can but it makes my eyes burn.

194

00:

BOTH:

195

00:

Got it.

196

00:

So, Prancer, how long will it take us
to get to the, uh, North Pole?

197

00:

Whoa! Whoa! Whoa!

You can't walk to the North Pole.

198

00:

It's too far.

199

00:

But I can fly you there.

200

00:

No sweat, on Air Prancer.

201

00:

Oh, oh, no, we couldn't.

202

00:

No, no, no, no.

203

00:

My family raised me
to be good to strangers

204

00:

and there's really no one
stranger than you guys.

205

00:

Huh?

206

00:

Shotgun!

207

00:

We've run into a little turbulence, folks.

208

00:

Please fasten your seatbelts.

209

00:

I'm not too heavy, am I?

210

00:

No, no. You're light as a feather.

211

00:

A 788 pound feather.

212

00:

Do you come equipped with barf bags?

213

00:

Peaches! Peaches!

214

00:

Manny, where's Diego?

215

00:

Diego! Buddy, are you okay?

216

00:

Glad you didn't kiss me?

217

00:

Are you sure this is North?

218

00:

I don't know. I...

219

00:

I'm all scrambled.

220

00:

Wait, tracks!

221

00:

Uh, Diego?

222

00:

The geomagnetic whatever,

223

00:

it's messing with my sense of direction.

224

00:

Oh, well, that's just great!

225

00:

We're completely lost,
my little girl is missing and...

226

00:

Manny, honey,
everything's gonna be fine.

227

00:

How?

228

00:

Just believe in the magic of Christmas.

229

00:

Oh, this is silly.

230

00:

- Just try it.
- It's not gonna work.

231

00:
Do it for Peaches.
232

00:
I believe.
233

00:
I believe.
234

00:
Manny, look!
The northern lights!
235

00:
North. Get it?
236

00:
Um, that was just a coincidence, right?
237

00:
Who cares?
I'll take it. Let's go.
238

00:
We must be getting close.
239

00:
Sugar plums!
240

00:
Peppermint bark!
241

00:
Yellow snow, my favorite!

242

00:

Don't, just don't.

243

00:

Halt! None shall pass.

244

00:

Oh. Oh, hi, little guy.

So, who are you?

245

00:

We are the Santourage.

246

00:

We keep intruders out

247

00:

so Santa can do his work
without interruption.

248

00:

I knew he was real!

249

00:

You've gotta let us see him.

250

00:

It is forbidden!

251

00:

Turn back, I command you.

252

00:

Bye!

253

00:

Oh, yeah?

You and what army?

254

00:

Oh, that army.

255

00:

- Hasta luego.

- Feliz Navidad.

256

00:

But you gotta let me in.

I'm on the list!

257

00:

He must not be disturbed
or we won't get presents.

258

00:

You have been warned.

Unleash heck!

259

00:

Bring it on, you little fleabags!

260

00:

You're no match for the power of...

261

00:

flight.

262

00:

Everybody, grab a leg and pull!

263

00:

Ow! Huh?

264

00:

Huh? Uh...

265

00:

Run!

266

00:

iYou better watch out

You better not cry/i

267

00:

iBetter not pout

I'm telling you why/i

268

00:

iI am coming to town/i

269

00:

Yes!

270

00:

iOh, I'm making a list/i

271

00:

iAnd checking it twice/i

272

00:

Ah, nutmeg!

273

00:

Ho ho, no!

274

00:

Oh.

275

00:

Sid?

276

00:

Sid, where's Peaches?

277

00:

- Peaches!

- Peaches!

278

00:

SID:

279

00:

Over here!

280

00:

Wait, wait.

The reindeer fly up here?

281

00:

This one does, cuz.

282

00:

- Peaches!

- Daddy!

283

00:

Oh, baby, we were so worried about you.

284

00:

Oh, you...

285

00:

You are so grounded!

286

00:

Sorry, Daddy.

287

00:

I'm talking to Sid.

288

00:

Sorry, Daddy.

289

00:

SANTA:

290

00:

It's Santa!

291

00:

Just 'cause there's a fat guy,
doesn't make him Santa.

292

00:

I'm not fat!

It's this suit, it's very poofy.

293

00:

Manny, it is Santa!

294

00:

And he's just as old
and decrepit as I imagined.

295

00:

And, oh, so jolly.

296

00:

Oh, look at this mess.

297

00:

Two hours to Christmas
and everything's ruined!

298

00:

My toys, my sleigh!
All my hard work.

299

00:

Um, would this be a good time
to talk about getting off the Naughty List?

300

00:

Sid, there's no such thing.

301

00:

There is now, Manfred.
Thanks for the idea.

302

00:

Wait, wait!

How do you know my...

303

00:

...name?

304

00:

Santa?

305

00:

Hey, what did we do?

306

00:

Ahem.

307

00:

Oh, right.

Destroyed Christmas.

308

00:

Peaches, you were...

I mean, I mean, I was...

309

00:

That's Santa!

Standing right there.

310

00:

He's real!

311

00:

Duh!

312

00:

There's gonna be a lot of
disappointed kids tomorrow morning.

313

00:

Ow!

314

00:

There's gotta be a way to fix this.

315

00:

Dad, it's impossible!

There's only eight of us.

316

00:

And 800 of them!

317

00:

Wait, us?

You mean, as in, us?

318

00:

You never thought to give
the old fat boy a hand, huh?

319

00:

Come on, Peach.

320

00:

You taught me to believe.

What do you say?

321

00:

Hit it! Ow! Not me!

322

00:
iDeck the halls with moss and rock weed/i
323

00:

BOTH:
324

00:

BOTH:
325

00:
i'Tis the season.../i
326

00:
What's a season?
327

00:
iFa-la-la-la-la/i
328

00:
Just play along.
329

00:
iI can fix this, Mr. Santa/i
330

00:
iWe can fa-la-la-la-la-along/i
331

00:
iGive a sloth a chance
Now, can't you?/i
332

00:

iToo many "la's" are in this song/i
333

00:
I have no idea why I just did that.
334

00:
That's a toy!
And that's a toy!
335

00:
And this?
This is no good for anything.
336

00:
iSid has got the proper spirit/i
337

00:
iFa-la-la-la-la/i
338

00:
Hey, not too bad.
339

00:
- Beautiful!
- Don't let Sid near it.
340

00:
iFa-la-la-la-la/i
341

00:
Come on now, Dad.
342

00:
iWe can do it

If we hurry/i

343

00:

iLend a claw/i

iLend a paw/i

344

00:

iEveryone/i

345

00:

iEven if you're small and furry/i

346

00:

iAll together we can get it done/i

347

00:

A ball of twine?

Who's gonna want that?

348

00:

Whoo!

349

00:

All right!

350

00:

What do we do with this?

351

00:

Oh, why don't we put it here.

352

00:

Hey!

353

00:

Something about that mistletoe...

354

00:

iThis shall go down in the annals/i

355

00:

iFa-la-la-la-la/i

356

00:

iAnd we're not through/i

357

00:

iPeace and goodwill
towards all mammals/i

358

00:

- Oh, you shouldn't have.
- Just for you.

359

00:

iThings were looking grim and tragic/i

360

00:

iBut we got busy and pulled it off/i

361

00:

iNow we found some Christmas magic/i

362

00:

iAll because of each and every sloth/i

363

00:

"All because of each and every sloth"?

364

00:

iAll because of each/i

365

00:

iAnd everyone/i

366

00:

I can't believe it.

These presents!

367

00:

The decorations!

This sleigh!

368

00:

Ain't she fly?

369

00:

I bet the mini sloths could help you
make presents every year.

370

00:

Right, guys?

371

00:

Well, we're gonna need hats.

372

00:

Cute hats.

373

00:

In fact, it looks like you got enough toys

374

00:

for every child on Earth.

375

00:

Every child?

Around the world?

376

00:

I wish I could, but I don't see how.

377

00:

Santa, I'm giving you

the biggest Christmas gift of all.

378

00:

Me! You're flying Air Prancer tonight.

379

00:

Oh, that's the spirit, Prancy boy!

380

00:

Time to put this deer in high gear.

381

00:

Vroom, vroom!

382

00:

Um...

383

00:

Up, up and away!

384

00:

Come on!

385

00:

Saving Christmas here we go!

386

00:

Anytime you're ready.

387

00:

I can't believe it!

388

00:

I failed.

389

00:

Huh?

390

00:

This family doesn't give up that easy.

391

00:

All right, Dad!

392

00:

Come on, Prancer.

We have to keep trying.

393

00:

You're the only flying reindeer we've got.

394

00:

Unless you know 10 others.

395

00:

You're right.

I can't do this alone.

396

00:

Wait, where you going?

397

00:

Perfect.

398

00:

Wow! Heck of a day, eh, Santa?

399

00:

Come on! Ho ho ho.

400

00:

Oh. Still on the Naughty List, huh?

401

00:

Okay, so we traveled about 30 feet so far.

402

00:

If we keep up this pace,

403

00:

we should make it

around the world in what?

404

00:

Let's say just under 8000 years?

405

00:

Bah, humbug!

406

00:

Hey, guys! Manny's right!

407

00:

Nothing's impossible
if you pull together.

408

00:

Meet my family.

409

00:

Dasher, Dancer, Vixen,
Comet, Cupid, Donner...

410

00:

Whoa!

411

00:

...and Blitzen.

412

00:

Blitzen?

413

00:

And I thought Prancer was bad!

414

00:

- Nice name.
- It suits you.

415

00:

Thanks, Prancer.

416

00:

I thought I was such a hotshot,

417

00:

but sometimes you gotta have a little help.

418

00:

That's what this herd has taught me...

419

00:

Stay.

420

00:

...among other things.

421

00:

Now, let's do this.

422

00:

Ha-ha! Yeah!

423

00:

Hey, Manfred, nice job!

424

00:

I got Christmas!

425

00:

See what happens when you believe, Dad?

426

00:

I gotta say, I'm kinda digging the holiday magic.

427

00:

Merry Christmas you two.

428

00:

SANTA:

429

00:

- All right! Whoo-hoo!

- Yeah!

430

00:

Merry Christmas!

431
