Ice Age: The Meltdown

By Peter Gaulke
Oh boy!
This global warming is killing me!

This
is too hot. the ice age was too cold,
What would it take to make you happy?
This, I like!
No running Jane! Camp rules,
Make me, Sloth!
Make me, sir!

Its all about respect,
Sarah. You just ate! Wait an hour!
Hector! No, no! You can't pee-pee there!
Ok, ok! there is fine,
Ashley! Stop picking your,
Piata!
Stop!

, you're supposed to wear blindfolds!
Ok!
Hey, it's my turn to hit the sloth!

, mine. mine, mine, mine!
Hey! You didn't have any candy in you!

Lets bury him!!
Hey, hey! Whoah,
Who said you kids can torture the sloth?
Manny, don't squash their creativity,
Hey Manny! Diego!!
My bad mammal-jammel!
Wanna give a sloth a hand?

Look, I opened my camp!
Come forth and sit,
It means camp of Sid!
Congratulations.
Youre now an idiot in two languages,

Shhhh, !
not in front of the K-l-D-G!
These little guys love me! Right, Billy?

Dont make me eat you!

Funny, kid!
That's why they're called kids!
I told you Sid,
Youre not qualified to run a camp,
Oh! Since when do qualifications
have anything to do with childcare, ?
Besides, these kids look up to me,
I'm a role model to them!
I can see that,
You guys never think I can do anything,
but I'm an equal member of this herd!
I made this herd,!
, and you need
to start treating me with some respect!!
Come on! Sid!
Sid! We were just kidding!!
Hey!
Let's play pin the tail on the mammoth!!
Sid!
Can you stop!
I'm gonna get some respect!!
I'll show 'em!
And so, in the end,
the little burro reached his mommy,
and they lived happily ever after,
Good job!
Question! Why does the burro go home?
Why doesn't he stay with the rabbit?
Because. He wanted to be with his family
I think he should go with the girl burro!
, That's a better love story!
OK! Well, when you tell
your burro story, that's what he'll do.
'Burro' is a demeaning name,
Technically, it's called a wild ass!
Fine. The wild ass boy came home,
, to his wild ass mother,
See! That's why I called it a burro!
Could the burro have a grazing problem?
- That would make him more, relatable,
-Boring!
It's not believable!
- Do burrows eat their young?
- It's not a very satisfying ending!
Sometimes I throw up!
They lived happily ever after,
You can't get more satisfying than that!
One big happy family!
That's the way it's supposed to be!
Then, where's your big, happy family?
Then, the
hungry tiger eat the pesky little kids!!
- You ok, buddy?
- Sure, why not?!
- I just thought you,
- Story times over, the end!
- Out of the way! Run for your lives!
- Hey, watch it!

Where's everybody going?
The world's coming to an end!
What are you talking about?
Fast Tony!
He says the world's going to flood!

Folks,
I hold in my hand a device so powerful,
it can actually pull air,
right out of the sky!!
Gather round, gather round!
Pardon me, do you have gills ma'am?
So you can't breathe under water?
My assistant here will demonstrate!
Hey, I can smell the ocean!
What are you doing, ?
I can't sell that now, !!
You suck
air through your mouth you moron!!
If you're a pupil
of mine, and I'm starting instruction,
you'll
have plenty of air for eons to come!
Of course, don't stay buried!
Why are you scaring
everybody with this doomsday stuff?
Im trying to make a living here pal,
Its all part of my weather forecast!
The 5 day outlook is calling
for intense flooding, followed by,
the end of the world, !!
With a slight chance of patchy sunshine
, later in the week
Come on! Don't listen to him,
Fast Tony
would sell his own mother for a grape!
Are you making an offer?
I mean no! I would not!
Havent you heard? The ice is melting!
You see this ground? It's covered in ice
A thousand
years ago it was covered in ice,
A thousand years from now,
it will still be ice!
Say, buddy. not to cast aspersions
on your survival instincts, but,
haven't
mammoths pretty much gone extinct?
What are you talking about?
Im talking
about you being the last of your kind!
Ahh! Your breath smells like ants!
Be as that as it may,
When's
the last time you saw another mammoth?
Ah! Don't pay any attention to him Manny
Mammoths can't go extinct,
they are the biggest things on earth!
What about the dinosaurs?
The dinosaurs got cocky!
They made enemies!
-Look!,
some idiot's going down the eviscerator!
Please tell me thats not our cue!
OK, I'm gonna jump on the count of 3!
One,
Two,
Sid!
Don't move a muscle! Were coming up!
jump!, jump!, jump!,
jump, jump, jump, jump!
Sorry,
Two and three one thousands,
Two and four one thousands,
Sid!
What are you doing? Get down from there!
No way! Im going to be
the first to jump off the eviscerator,
And then
you guys are gonna have to start,
showing me some respect!
You jump off this
and the only respect you're gonna get, 
is respect for the dead! 
Come on Manny! He's not that stupid, ! 
But, I've been wrong before! 
Geronimo!!! 
Hey, watch it! 
I can't breath, 
I think I just coughed up my spleen! 
Ahh! Diego! Retract the claws please! 
Oh, right, sorry! 
You know, 
if I didn't know you better Diego, 
I'd think you're afraid of the water, 
Ok, Ok! Good thing I know you better! 
Guys, ! 
Fast Tony was right, ! 
everything is melting! 
Its all gonna flood, 
Come on! We've gotta warn them. 
Maybe we can 
rapidly evolve into water creatures. 
That's genius, Ed, 
Call me 'Squid'. 
Gees. this whole thing's a piece of junk! 
I can't believe I live here! 
What? 
I can breathe, 
I present you 
with this revolutionary gizmo, we call, 
Bark!! 
Its so buoyant, it actually floats! 
I'll show you something that floats! 
Alright, it's your funeral! 
You see! 
This is exactly what I'm talking about! 
Giant balls of fury larva, 
the size of mammoths, 
raining from the sky!! 
Ahh! Go suck air through a reed! 
You gotta listen 
to him! He's right about the flood! 
I am? 
I mean, uh, Yes, I am! 
Wait a minute! You're the one who said,
there wasn't going to be a flood!
Why should we listen to you?
Because we saw what's up there!
The dam's gonna break. The entire valley is gonna flood!
Floods real alright,
and it's coming fast!
Look around! You're in a bowl,!
Bowl's gonna to fill up,!
Ain't no way out,!
What are we going to do?!
Unless, you can make it to the end of the valley,
there's a boat, It can save ya!
I don't see anything,
Fine,
You all better hurry. grounds melting,
walls tumbling. rocks crumbing,
survive that,
and you'll be racing through water!
coz in 3 days time,
It's going to hit the geyser fields,
Boom!!!
There is some good news though!
The more of you die,
the better I eat!!
I didn't say it was good news for you,
He must have been a real pleasure to have in class!
Damn!
Alright! You heard the scary vulture,
Let's move out!
Manny,
Do you really think there's a boat?
I don't know,
But in a few days this place, is gonna to be a mile under water,
If there's any hope, it's that way
Manny, let's go!
We've got an overturned cliff on the far right lake,
traffic is packed up as far as the eye can see,
Ohhh! And
it looks like there might be a fatality!
I call the dark meat!!
Come on everybody! Lets go!
Come on. Come, come, come! Get in!
Come on Grandpa, come on! We have to go!
Well, Im not leaving!
I was born
in this hole and I'll die in this hole!
Do we have to bring this crap, ?
Im sure there's crap where we're going!
Ahh! This was a gift from my mother!
- Ok! Keep it moving. keep it moving!
- Manny, Manny!
I've just heard youre going extinct!
Hey! If you ever master hygiene,
try working on sensitivity!!
Im not going extinct!
Kids! Look, !
The last mammoth!
Well, you probably
won't see another one of those again!
See?!
Where is James?
Stu! Come on! Stu!
Lets blow this ice cube stand!
Stu!!
Folks! Be the first in the valley
to have your very own mobile home!
Some day, when you're gonna sing,
When you make us sing,
- Shut up Sid!
- Ok!
Stop, hey-hey, Whats that sound, ?
- All the mammoths are in the ground.
- Stop singing Sid!
Sid! Im gonna fall on you
again! And this time I will kill you!
Ok, someone doesn't like the classics!
What if you're right?
What if I am the last mammoth?
But Manny,
look on the bright side. you have us!
Not your most persuasive argument, Sid!
Mammoths?
I knew I couldn't be the last one!
I felt it in my trunk!
This stinks!
Come on!
Sorry! My stomach,
hates me!
Well,
Don't that put the 'stink' in extinction!
Whoa!
Sheesh!!
Oooh, Nasty!
Manny?
I ah, I need to be alone for a while,
You go on ahead. Ill catch up!
One truly is the loneliest number,
-Ow!
-Ow!, Hey!
Ohh, these work great!!
Cool!
Missed me, missed me!
Try and come and kiss me!!
Ill get 'em!
Which end is up?
I dunno, That makes two!
Hey, ugly!
Ow!, I've got to sit on that!
Got you!
Ok! Im going in!
- Sid!
- What?!
I felt some breeze in that one!
Smile!
Over here!
- Surrender?
- Never!
Cool!!
If any one asks. there were 50 of them,
, And, they were, rattlesnakes!
Here kitty-kitty,
Big mistakes you miscreants!
Miscreants?
Uh, Diego, they're pecking,
Retreat!
I guess it's just you and me now,
I knew it! I knew I wasn't the only one!
Me too! Everyone falls
out of the tree every now and then,
they just don't admit it!
Wait, what?
Some of us
have a tough time holding on to branches
I mean
it's not like we're bats or something,
We don't have wings to keep us up!
And you were in the tree. because?
I was looking for my brothers,
They are always getting into trouble,
Brothers? You mean there's more?
Sure!
, lots of us
Where?
Everywhere,
under rocks and holes in the ground,
Usually we come out
at night, so birds don't carry us off!
Help! Help!
Well!!
Shave me down and call me a mole-rat!!
You've found another mammoth!
Where?
Wait a minute!
I thought mammoths were extinct!
What are looking at me for?
I don't know,
Maybe because you are a mammoth?
Me?!
Don't be ridiculous!
I'm not a mammoth! I'm a possum!
Right, good one! I'm a newt,
This is my friend, the badger,
and my other friend the platypus!
Why do I got to
be the platypus! Make him the platypus!
This guy giving you trouble, Sis?
Sis?
That's right, these are my brothers,
Possum, Possum, Possum
I don't think her
tree goes all the way to the top branch!
Manny, the brink
of extinction is a bad time to be picky
Hey, She should come with us!
Are you insane? No way!
Ok! Manny wants me to ask you if
you'd like to escape the flood with us
What the?
Id rather be road kill!
That could be arranged!
Ha, funny!
Let me
have a little word with my brothers,
Ellie!
Are you crazy? Were not going with them!
Look! Well never make
it in time if we only travel at night,
These guys can protect
us out in the open. What do you say?
- Ow!
- Why did you invite them?
Because you might
be the only two mammoths left on earth.
He has a point!
Im sorry.
When did I join this dating service?
My brothers and I
would be delighted to come with you,
if, you treat us nicely!
See that!
Thats the total opposite of nice!
Maybe we'll have ourselves
a little snack before we hit the road
Want a piece of us? lets go!
Bonsai, !
- I got him!
- Ow!
You know the best part, ?
Were carrying diseases!
Ok! Thanks to Sid,
we're now travelling together,
and like it or not,
we're going to be one big happy family!
Ill be the daddy,
Ellie will be the mommy,
And Diego will be the uncle
who eats the kids who get on my nerves!
Now lets move, before the
ground falls out from under our feet!
I thought
fat guys are suppose to be jolly,
Im not fat!
Its this fur that makes me look big!
Its poofie!
Ok, he's fat,
Folks! Escape from the flood is a,
perfect time
to shed those unsightly pounds,
with fast Tony's, disaster diet!
You, ma'm!
You look like a big fat hairy beast!
How'd you
like to lose a tonne or two of that?
Would I ever!!,
Dont listen to him, Vera!
Youre already thin as a twig,
I also have the perfect
cure for your eyesight, my blind friend!
Ohh, We'll never make it at this pace!
Ellie, it's ok!
You can lose the camouflage!
Youre safe!
Ok, safe?
Please!! Crash, Eddie,
You two, Go scope it out!
- What you got?
-Perimeter looks to be all clear captain
Roger that, four-niner, over!
Roger. Over!
All clear!
Hawk!!
What are you doing?
Playing dead, !
Manny, Why don't you do that?
Because, Im a mammoth!
But you do it for treats, right?
Is he gone?
Youre safe! Get up,
Man!, if you weren't here,
that hawk would have swooped down,
and snatched me up for dinner!
Thats how Cousin Wilson went!
Boy, I really feel for you, I do!
I can't
even imagine what it would be like,
to be the last one of your species!
Im not the last one!
Oh, You brave, brave soul,
that's right, don't give up hope,
Ellie?
Look at our footprints,
they're the same shape
Well, how
do I know those arent your footprints?
Well, then,
look at our shadows. we match!
You're right! Were the same!
You must be part possum!
You wish!
Diego, there are whole continents
moving faster than you, lets go!
We got to catch up with the others!
Hey! Knock it off!!
Oh cry me a river,
blubber tooth tiger. Have some fun!
Cant you see the ice is thin
enough. without you two wearing it down?
Oh, Diego. The ice may be
thin, but its strong enough to hold,
a ten ton mammoth and a nine ton possum!
Ellie, get up!
If you play dead, you'll be dead!
Look at me!
Diego?
Diego!
Come on,
Come on!
This may sting a little,
What in the animal kingdom was that?
I don't know,
but from now on, playing safe, !
Water? Not safe!
That, was the bravest thing I've ever seen, It was nothing really, I, Oh! It's not a compliment, ! To a possum, bravery is just dumb! Yeah!Were spineless, Lily-livered! Maybe mammoths are going extinct because they put themselves in danger too often! Maybe you should run away more! Good point! Thanks for the advice! Happy to help! Do you believe her?, "Bravery is just dumb! Maybe you should just run away more, " Shes infuriating and stubborn and narrow-minded! You like her, I do not! Dont worry; your secret is safe with me! - Oh, and so is yours, - What secret? You know, the one where you can't swim Thats ridiculous! Fine, but we're living in a melting world buddy! Youre gonna have to face your fears, sooner, or later Ok! Ready Eddie? Set! Lets roll! Wait for me!! Dont wait, gotta roll, meet you at the other end! So, you think she's girl for me? Oh, yeah. Shes tons of fun, and you are no fun at all! She completes you! Yeah, yeah!! Hey! Hey, Manny! Can you pull back the tree, - and shoot me in the pond? - No! Aw, come on,
Now. how do you expect
to impress Ellie with that attitude?!
- I don't wanna impress her!
- Then why are you trying so hard to,
, convince her that she's a mammoth?
Because, that's what she is!!
I don't care
if she thinks she's a possum,
You can't be two things!
On contraire, my, friend!
Tell that to the bullfrog,
the chicken hawk or turtle-dove!
He's never gonna let up on you!
It'll be easier if you just go with it!
So, what you want me to do?
Pull back the tree,
, and shoot me into the pond!
I don't know,
Well, if you are too lame to do it,
- we can get Ellie.
- No, no, no, no,
I can do it, I can do it!
Yeah, yeah. Come on. come on!
Have you done this before?
Ha! Only a million times!
Farther, farther, farther,
Perfect,!
Fire!
I can fly,!
I believe I can fly,
Crash!!
Crash, Crash!!
Crash, you ok? What happened?
Manny shot him out of the tree!
Whats wrong with you?
He said he could do it!!
, and you listened to him!
Crash, whatever you do,
don't go into the light!
Can I help in anyway here?
You've done enough!
Are you happy now?
Crash, Crash, don't leave me!
Who's gonna watch my back?
Whos gonna be my wee man of mayhem?
Whos gonna
roll in that dung patch with me?!!
Dung patch?!
Wait, ! My legs, !
I can stand!
- He can stand!
- I can run!
- He can run! Its a miracle!
Hallelujah!
What can I say?, They're boys,
, they make
my life a little adventure!
You guys are so dead!
She's not half bad,
crazy and confused, but,
Sweet!
So?
So whats holding you back?
My family
You can have that again, you know,
No, Sid. I can't!
Ok, ok. But, but, but, think about it!
I mean if you let this chance go,
you're just letting your whole species
go! And that's just, that's just,
, selfish!
I think
I'm starting to get through to him!
Wait, wait! I got you!
Need help?
No, no! Just catching my breath,
- You're stuck.
- I am not!
Alright then, lets go,
I can't,
I'm stuck!
Don't you think that,
picking them up like this,
would be easier?
Ellie?
I know this place,
You know,
deep down, I knew I was different,
I was a little
bigger than the other possum kids,
Ok, a lot bigger!
Oh! Now I
understand why the possum boys,
didn't find me appealing!
That's too bad,
Because, as far as mammoths go, you're,
- you know, !
- What?
Attractive!
Really?
- Sure,
- What about me is attractive?
Well, I don't know,
well, there's you're, uh,
but?
What about it?
Its,
big?
Oh, you're just saying that!
No, no,
No, I mean it! It's huge, !
biggest darn butt I've ever seen,
Oh, that is really sweet!
What a crazy day!
This morning I woke up a possum,
and now, I'm a mammoth!
Boy, Manny
sure took a big leap with Ellie today,
- He sure did.
- Yup
He stood on the shore of uncertainty,
and dove right in, Splash!!
Kind of brave, huh, ?
the way he faced his, fear!
I wouldn't know,
Sabre's don't feel fear!
Oh, come on! All animals feel fear,
Its what separates us from safe!
Rocks! Rocks have no fear,
and they sink!
What are you getting at, Sid?
It may surprise you to know that I too,
have experienced, fear!
- No! You?
- Oh, yes!

As impossible as it seems, the sloth
has natural enemies that would like to, harm, or otherwise, kill us!
I wonder why!
Oh, jealousy mostly. But the point is, that fear is natural!
Fear, is for prey!

Well then,
You're letting the water make you, it's prey!
Just jump in and trust your instincts!
You know,
most animals can swim as babies, and for a tiger,
It's like crawling on your belly, to stalk helpless prey!
Put that hunt on, ok?!
Now, claw, kick, claw, kick, I'm stalking the prey!
Claw, kick, now,
I look back over my shoulder, to see if I am being followed, and I'm breathing!
and I'm stalking and I'm stalking, I am falling,
Correction! You're sinking, kind of like a rock!
Hey, do we do any special tricks like, roll over? Or do we just, throw our weight around?
Sorry,
I don't know my own strength yet!
Ellie, do you realise that, now we have a chance to save our species?
Really? How are we going to do that?
Well, you know,
-Oh! Uh, uh! Did you just?!
-No,
- I didn't mean.
- I'm not a mammoth for five minutes,
, and you're hittin' on me?
I wasn't saying,
not right now. I'm,
in time, !
I was just saying that its,
our responsibility,
- What?!
- That came out wrong!
You're very pretty,
But, we just met,
Responsibility, ?!
Just doing your duty, huh? Is that it?
Ready to make the ultimate sacrifice,
to save your species!
Well, I got some news for you, !
You not saving the species tonight,
or any other night!
So, how did it go?
Hmm! Not bad,
Ok, lets go!
We travelled with you all day,
now you coming with us at night!
but we can't see at night
Then enjoy, the flood!
I can't even look at him!
Pervert!
Making friends,
everywhere you go! Just making friends!
Watch out, there's a stump!
Not anymore,
I thought we could walk together
Crash, ask the man why he thinks that?
She said she thinks you are a jerk,
and to go away!
She didn't say, Ow!
Look! Maybe if we spend more time,
Tell him that I need
a little personal space right here!
She said, go jump in a lake,
and possums rule!
I can hear her, you know?
What do you want? A medal?
Stop moving!
Thank you!
Manny, Ellie! Lock trunks,!
Now!
Crash, Eddie! Grab onto that ledge!
Funny! And now, what's your real plan?
Just do it!!
- Bye Eddie
- Bye Crash
- Bye Ellie
- Go now!
I'm sorry,
if what I said before offended you!
What do you mean 'if' it offended me?
"That" it offended her,!
"That" it offended her!!
I mean "that", "That" it offended you,!
You just overreacted, that's all,
What?! Take it back!
There are other lives at stake here!
Wait a minute! He's got a point!
He's got nothing!
- It was a misunderstanding!
- It was insensitive!
Apologize!
Why me? She overreacted,!
Just apologize!!
- No!
- Do it!
Ok, I'm sorry!
What?!
He's right. I overreacted
You mean, you,?
Not another word or I'll come down there,
, and push you over myself!
Oh Oh!
Manny! Ellie! Run!
I guess
we finally did something right together!
Hey, don't mind me,
just hanging off the cliff here!
Remember the good old days?
Which good old days?
Oh, you know. Yesterday, last week,
Back when the trees when up and down, and the ground stayed under our feet!
Yup! Those were the good days!
Possums were possums and, mammoths were mammoths,!
We should get some sleep,
Yeah, tomorrow is the day the vulture said we're all gonna die!
No, no, no. I dont want any,
No, no, no, no,
Wait a minute!
Can I help you?
Hmmm! Now, thats what I call respect!
Nice!
Somebody here likes Sid,!
Who is the decorator,?
I mean, this is fabulous,!
- Fire king,
- Huh?
Fire king?, hmm!
Well. You know, it's about time, someone recognised my true potential!
Let there be fire!!
If only the guys could see me now!
This is either really good or, really bad,!
Oh! No, no, no! Me fire king,
Why kill fire king? A thousand years, bad juju for killing fire king!!
Superheated rock from the Earth's core, is surging to the crust, melting ice, built up over thousands of years!
You're a very advanced race. Together, we can look for a solution!
We have one!. Sacrifice the fire king!
Well, thats not very advanced,
Worth a shot,!
Bad juju!!
Water? Water!!
Crash,
I told you not to drink before bed!
I didn't do this,!
At least not all of it!
- Whats happening?
- We overslept,
We need to move
What if we're last creatures left alive?
- We'll have to repopulate the earth!
- How, ?
Everyones either a dude or a sister!
Hi
Hi, hey Manny,
Wow, what a night!
You'll never guess what happened to me, !
I'm going to go out on a limb
here and say you were sleepwalking
Oh, no, no, no. I was,
kidnapped by a tribe of mini-sloths,
That was going to be my second guess!
and they worship me,
I mean sure,
you tossed me into a flaming tar pit,
but they worship me!!
Sid, you were dreaming! Come on,
The water's
rising faster than we're moving!
I'm telling you! I was kidnapped,
I was worshipped and they,
Guys?! Oh, fine!
Can we slow down a little, ?
I'm dying here,
It was just a figure of speech!!
They just sit there,
watching us!
I wish I knew what they were thinking,
Food, glorious food,
we're anxious to try it,
Three banquets a day,
our favourite diet!
Just picture a mammoth steak,
- fried, roasted, or stewed,
- Oh,
food, wonderful food,
marvellous food,
glorious, fooood!!
Food, glorious food,
poached possums or flamb!
Broth made from a sloth,
or savoured to souffl!
Why should we debate it? True,
you've nothing, but food!
Oh, food,
magical food, wonderful food,
marvellous food!
Food, glorious food,
Flesh, picked off the dead ones!
We're famished for food,
soon, we'll be the fed ones!
Just thinking of putrid meat,
puts us in the mood!
Oh, food, glorious food,
marvellous food, wonderful food,
beautiful food,
magical food,
glorious, ,
Food!!
There,
now you know what they were thinking!
- Food, glorious food,
- Sid!!
What?!! It's catchy!
- We made it!
- Yeah, we showed those scary vultures!
Oh, it's just a little hot water and steam!
How bad could it be?
I just did something involuntary,
and missed!
Ok, come on!
Manny! Get back!!
It's a mine field out there!
There's only one way to go,
- Straight through!
- Straight through?
We'd like to

We'll head back, then we'll go around,
That's safer!
No, no! There's no time,
the dam will burst before we make it,
- We'll drown!
- If we go through this,
we get blown to bits!
- We go forward!
- We go back!
- Forward!!
