Teju! Why are you simply staring?

Go on and play! - This is your Sports period, right?

Look at those kids younger than you playing.

Why don't you play with them?

No, teacher. There is a practical problem.

What is that?

That is ten feet tall and I am just four feet.

If I climb it and I am sure to fall down.

My mom comes saying 'oh, no'.

My dad comes saying 'oh, my'.

Is that all necessary now?

You keep thinking this way and you will end up doing nothing.

Ma!

Son!

Son!

You should be careful, right?

Hey, Teja!

Pass me the answer sheet, I will copy it as it is.

Its wrong to cheat. No.

If you don't give me the answer sheet now, our friendship is a cut off.

What to do now? I dont want to lose his friendship.

But I shouldnt get debarred.

I got to do something.

Madam is coming close...

This is the right time to give him.

I will be safe.

Hey, Teja! What are you doing?

My friend wants my answer sheet, I am passing it to him.

Do you think its a chocolate or a biscuit to offer?

Both of you could be debarred.

Its ok if I get debarred, madam.

But I dont want my friend to fail.

No. Never do it again.

Sorry, bro.

Its ok. I may fail in the exam. But I have passed in friendship.

You are friendship personified!

Greetings!

Our salutations to all the invitees attending the School Annual Day function.

We should first learn about Mr Nanda Kishore, the Chairman of Vision Soft Solution.

He extends free medical support through his Trust,

runs Orphanages and old age homes and provides education to several

children.

He is a humanist who believes that education is the highest form of charity.

We extend our warm welcome to him.

Sir, please come sir!

Greetings sir.

Greetings to you all!

My father always used to tell me.

It is not great how high you reach in life,
but how many you help in reaching high.

I still follow the same.

Do good and good shall come your way.

Thank you.

Our school topper Teja,
a gold medal will be presented by Mr Nanda Kishore.

Teja! Please, come.

Though he is a kid...

But knowing our situation, he studied with commitment.

I know.

He should achieve more than just being an accountant like me.

Very good.

From today, this boys responsibility is mine.

I will help him study whatever he wants to study.

Come on, tell me. What do you want to study?

I will study Software Engineering, sir.

Oh! Software Engineer!

Everyone wants to be a doctor or a lawyer.

How come you want to be a software engineer?

I can be with you, if I become a software engineer.

My mom told me, You should always be helpful to those who help you, sir.

Very good!

What happened? Why isnt Teja here yet?

He is supposed to give the presentation, right?

He is on the way, sir.

Sorry guys.

Sorry sir.

Ok sir.

Good morning everyone!

To walk on a common path, you need just eye sight.

But to make a path for others to walk on, you need foresight.

That is the ambition of Vision Soft.

Exam preparation app for the students,

Cultivation app for the farmers,

Marketing app, Money saving app...

You know we have already created all these apps.
Now we are going to launch a new app with a new vision.
Our survey tells us more people die of hunger than sickness in India.
A lot of people would like to help...
They try to do it through Trusts or voluntary organizations.
After that, they will be cheated.
But through this Poor Mans Service app,
they can directly help the needy.
Whether the help is reaching the poor or not...
Not only the public but the government can check too...
Our MDs only ambition is to see a poverty free India.
Thank you.

What's this, Teja?

Why are you stagnant here with all this talent?

Come to my company. I will pay you ten lakhs as salary.

You will get a BMW car, your own villa

I will even promote you to the CEO.

I work for my happiness not for pomp and show.

Sorry, don't mind.

You will never change.

- What, man? - Sir.

Why dont you take her offer? Its so good.

Sir! I will have a separate car there a villa a fat salary.

But you wont be there, will you?

Sir! We should never forget our past or our pain sir.

What?

Hey! Come immediately to the park at Durgam lake.

I'm coming.

It's a real blow.

Bah! Your face looks sad even when you are not crying. Stop it.

Who did you meddle with?

Did her brother beat you?

Or was it her father?

Hey! Tell us what happened and we will cry together.

Ok?

Hey! Here he comes. He will tell him.

Come on... - Come, come.

Find out what his problem is.

Teja! He doesnt tell us what happened. Ask him.

What happened man?

He must have meddled with someone.

Ask him...

What are all these bruises?

I went to Ajays shop to buy an iPhone.

Hey, bro! - Yes...

Tomorrow is my girlfriends birthday, I want a good phone.

It should have the iPhone look but cost only 5000.

Is it?

Then take My phone. - What Ajay?

How are you? All good? - I am fine, brother.

Yadannas phone is troubling again.

We cannot hear properly and the battery doesnt stand.

I have already told you, brother. It cannot be repaired.

Why did you tie so many rubber bands like girls plaits?

So that the parts dont fall apart

Hey, dont.

Hey, brother is sentimental about that phone. Why did you drop it?

Not just drop it. I will stamp on it and throw it away.

! Why are you stamping on it? Who are you, man?

Say another word and I will push you down and stamp on you.

Bloody! Do you call this a phone?

Hey! iPhone, Vivo Phone, touch phone,

Hutch phone, iPad, laptop, Cell Bay.

With all these phones...

World has changed long back. Where are you man?

Hey! Shut up!

Please, dont mind brother. He has a loose tongue.

Hey! Wait man!

If no one informs these guys, they will remain ignorant.

Where is your Yadanna?

Hey.

Is that your Yadanna? - Yes.

Pick him along with his car and these parts

and keep them all in a museum.

People passing by will have a strange look.

What, man? - Brother.

That phone cannot be serviced, right?

No, brother.

But he can be right? - Yes.

They smashed me like Sindhu smashes the shuttle!

Why couldnt you run away when they were hitting you so badly?

Forget about running away. They didnt even let me think about it.

I think they have done Ph.D in beating.

Good very good.

They were there with a phone problem and you had to pick a problem with them!

Ok. You are not that badly hurt. - Waste fellow.

Lets go to a doctor and get the first aid.

I am not coming.
But why? - I said I am not coming. That's it.
It will get septic. - Let it be.
Let's go beat them first.
Dude, they are rowdies, they have no other job.
We hit them today and they are back with ten more.
If we go on fighting, when will we do our own jobs?
When do we look after our families?
top shooter in NCC and black belt in Karate.
Its not enough to frame photographs.
You should beat up the guys who beat your friend.
I learnt karate for self-defense not to fight like this.
Your words hurt me more than their blows.
Do you call this friendship?
Are you a friend?
It's not that... - After all he is our friend.
Swallow it swallow it.
I did.
What do you say now? - Lets go beat them.
If we beat them, your ego will be satisfied, right? - Definitely!!
Yes!
Ego is the main reason why Indians are backward.
Get four masks.
What are masks for?
I'll tell you.
What is this, brother! We beat up one and four of them are here in capes.
What?
Servicing for one wasnt enough?
You've come back.
We are here to service you for free because you had serviced him!
What is it that you are spinning?
This is called fidget spinner.
A new product in the market
Rotate it like this it goes round. Hold and it stops.
I brought it as symbolic of your guys going round when I hit them.
What are you saying?
You hit and people go in rounds?!
Try it on our brother
Why are you encouraging him?
God! God! God! God! God!
Oh no!
Remove their masks and check who they are.
Hey! Help me up slowly. I have piles!
Get up, brother! - Oh no.

Guys... Do something!
No, kill them.
Stop it!
Don't spray the paint, my eyes will be affected.
Good idea.
Stop it.
Oh God!
Oh!
Why is it coming on the reverse?
Oh no, Oh no, God!
Oh God!
Stop your servicing. Go away from here.
My piles have burst.
Oh no!
Oh no.... - Brother! Get up brother!
Blood, blood... It is bleeding down there.
Hey... - Brother...
They came in masks and beat us up.
We shall wear the same masks and beat them back.
Let us also buy four fidgets, brother.
The one he was spinning like this? - Yes, brother.
Buy them. It has some style. Buy them.
Hey! Happy? - Stop it.
I am concerned about their reactions.
You should have given me a mask too for safety.
He knows why we were beating them for.
You know who was beating them.
Then why do you need a mask?
Yes, correct.
Hey.
We should have put a mask on him too. We wouldnt have any tension.
Hey, he should have at least that tension.
Or he will come up with some problem every day.
Yes, let's go.
Brother...
Nanda Kishore would not give in.
He is refusing to sell the company.
He may not listen to us. But he will surely listen to the mafia?
You mean?
Vicky bhai!
Brother, give me two king size cigarettes.
Please give 32 rupees.
I forgot my purse in hurry, I'll pay you tomorrow.
You're a surprising guys

I'm not getting them for free... Go, go...
Look brother, collector Sanjay Tiwari lives at the end of the street.
I spent the whole night planning to kill him
and kept this gun with me.
For my safety, I kept these extra bullets.
I forgot my purse in this confusion.
It's a genuine reasons, rest is up to you.
Take the packet sir.
Two are enough.
One before killing him and one after killing him.
Mr. Ram murthy...
I've prepared a file on Vicky.
Their main concept is grabbing the lands that they like.
Otherwise, they will go to any extents.
From school children taking drugs....
To robbery, kidnap and all other illegal activities.
They've killed hundreds of people who questioned them.
From local politicians to police officers
They've corrupted everyone.
There is no one to stand against him.
The file I've prepared on him...
Should be moved to Delhi and get him arrested.
Please!
Collector.
How dare you inform CBI about our Vicky Bhai
He's in Malaysia...
You're going up anyways get him arrested.
Dear!
Dear! - Shh...
Don't cry! I don't like it when ladies cry.
If you are educated, you will get your husbands job.
Otherwise, you will get pension.
You're very young, get married to a good guy.
He is only good for the society but not for family.
Brother Vicky. - What happened?
The collector is dead.
File is burnt.
CBI doesn't have any evidence.
I managed everything!
From security to center.
Very good Dhina.
Now there is no one who can dare or stand against us in this city.
Sorry sir, sorry. - I'll delete it.
He looks very soft.

What is his crime?

Son, what did you do?

I ask you the same question, Your Honour.

Did I do the havala or commit a murder

Did I do money laundering or attempt rape?

After I finished my night shift,

At 4 am while I was going home.

20 police men surrounded me and arrested me.

I asked them 'why did you arrest me?' They didnt tell me anything.

You tell me, Your Honour! What is the reason?

Why am I arrested? Why?

You shouldnt talk to the judge that way.

Ok.

Since this is your first time in court So I will pardon you.

Is this a lovers park to come ten times?

Do you notice his ego, Sir?

Do you notice his arrogance?

I cant describe his crime in words, sir.

Which is?

He beat a lonely dog at midnight, Sir.

He beat a dog?! - He beat a dog?!

He beat a dog?!

He beat a dog?!

Why do you react as if I beat your sister?

Shut up!

Do you have evidence? - I do, sir.

Please take a look for yourself.

Your Honour! the visuals of his torturing the dog at mid night,

Some great soul has uploaded it on facebook

The Chairman of the Animal Act ordered severe punishment for him.

So, I took up the case personally.

Proceed.

Why did you beat the dog at midnight?

It was about to bite me and so I beat it.

Did it bite you? - No.

Why did you beat it then?

I wont take it if my mother scolds me.

How will I take it if a dog tries to bite me?

I picked up the stone to kill it.

But I missed the target. Next time no doubts

I will definitely kill it on my first sight.

You should only explain the reason but not get emotional.

First bring the dog to the court and ask why it wanted to bite me.

We cannot bring animals to court.

I walk home at midnight...
when I am attacked by a wild beast
Please dont bite me...
I have to go home In what language should I say this?
If man kills a beast, it's a case.
If a beast kills a man there is no case
No rules! What is this law?
Change the law! Shut down your courts!
He is in a lot of frustration.
I leave him with a warning because this is the first time.
I give him a book on how to love animals
and fine him 25000 rupees.
I paid 25000 fine.
So you paid a fine of 25000?! - My bloody life! My bad luck!
Hey bro...
Is this the picture that put you in trouble?
Hey, hey! Give it here. - Slowly... Slowly....
This is the picture that affected my fate.
If it is not deleted, the judge will fine me again.
- You're used to it. - Delete!
He is the one who posted the photo.
It was you?!
Just for fun!
What do you mean fun?
If you want fun, post a picture of Sunny Leone posing in a sari.
Why are you messing with my life?
Hey, leave that aside.
What were you doing there at that time?
My sweetheart L lives on the lane.
I went to see her.
Did you see her then?
He goes to meet his love but stands drooling at her house.
Bro! When I look at the road she walks on...
Or the house she lives in it fills me with a strange joy.
Friendship and love cannot be expressed. They have to be discovered.
Keep roaming without proposing, some guy would whisk her away.
Bloody fool! My love is pure.
Some day she will feel my love and come running to me.
Its not mail to come searching for the address. It is love.
Hey, you get no pizza unless you order
and no love unless you express.
Dont be so blunt, man!
Hey, you always say things practically.
Propose to my love and I will copy that and tell her again.

How can I propose to your love?
Its not at all good I tell you.
Why not? Arent you using my laptop? Its all the same.
Is laptop and love the same? - Yes.
You! - After all, he is our friend
Hey, swallow swallow swallow no, no.
Swallowed! Swallowed!
Where is the girl?
Dude...
She is coming... Turn around slowly like a table fan.
Ok.
Wait.
One step more, I will lose my love.
You are more handsome than me. What if she falls for you?
Do one thing, See the girl on the red Scooty behind?
Tell her.
I will watch you and follow suit.
Ok.
I love you.
What?
I love you.
I have been following you for four years.
I wait outside your house every day and look at the doors and windows.
A small hope that you will look at me some day.
Its not even one month I am back from the States.
You say, you were roaming around my house for four years!
What do you take me for?
See?! I didnt even know whether you were at home or in the States.
And I follow you not knowing whether you will accept or reject.
Dont reject. Accept it. Please.
Thats all, man. Propose this way.
Is that all? - Yes.
You said so much because she is so beautiful.
A quarter of this is good enough or my girl.
Hey! Whats happening here?
Nothing...
My friend wanted to propose to his love interest.
We ran a trial on you to show him how. Thats all.
How dare you! Rascal!
Do you wait on the street to propose to girls like this?
Hey! Why do you make a scene?
It was just a trial not real. Get going.
Trial?!
I will show you...

You don't know anything about me or my background.

I will show you. - Go, go!

We met Vicky Bhai in Malaysia.

Tell me.

Vision software M.D Nanda Kishore.

What happened?

He treats his employees like the central government employees.

He introduced schemes like pension after retirement and jobs for their children.

Our own employees in India are demanding the same facilities.

How can that be possible?

Software itself means use and throw.

Pay them when they work and throw them when they dont.

Moreover, he established a Trust

Through it he is sharing the major profit with orphans and the poor.

If the government asks us to do the same it would be a problem.

What should I do for that?

Grab his business...

We will guide you how to run it.

You will see money you have never seen before.

Your personal entry will close the deal immediately.

That is how we occupied this property.

You guys can relax.

We will enter the field.

Hey! You wanted to meet immediately?

I must buy a surprise gift for my love. - Why do you want me for that?

Of course, I need you.

I hardly have the brains to buy a girls dress without her here.

Why do you need a brain for that? All you need is an ATM or a PayTM.

I have both. - Hey!

Save me man. - What happened?

If you got me a mask that day, there would be no problem.

They are chasing me!

See there.

Hey! He must be somewhere here.

Observe properly.

As dutifully as we stand for National Anthem in the film theatre.

They are standing in front of my house even before I wake up,

With Fidget spinner in their hands.

They don't let me sleep or eat...

They are giving me hell every day asking who is with you.

Thats why I advised you not to get into fight that day.

Though we give up, they are not giving up.

Save me somehow. Please.

You can see four of them, right? Go and talk to them closely.
If I do, will they leave me?
Not just you. They will leave all of us.
Really? - Yes, go.
Brother! I need to go to Banjara Hills.
Which is better? Bus or cab or share auto?
It is better you go on foot.
Why do you say that brother?
Hey.
You are already in Banjara Hills.
Oh, you are funny!
There, brother!
Four guys beat us up the other day.
There are four with him now.
Ok, brother. We will meet again
See you. Bye.
What are you guys still thinking?
Wear masks.
Hey! How dare you hit police men on mufti that too wearing masks?
We didnt do that on purpose sir.
The guy who spoke to you...
He got us beaten by his four friends, sir.
We mistook you for them and beat you sir.
What did you do that they beat you up wearing masks?
Sir, that is something we cannot reveal.
Hey!
Do you know who brother is?
He is Gowliguda Yadanna.
There are two murder cases on him and two fight cases.
Shut your mouth... - Its ok, brother.
Is it wrong to speak the truth?
Hey! You must tell the public we are rowdies. Not the police.
what will happen if we tell them brother?
We lose what is left and all the special effects will be out.
Excuse me.
Oh, it's you.
You?
You have a lucky hand.
I had a trial on you and my friends love story got set.
You try this dress and his life will be set.
Hey!
What trial?
Wherever you find me you are irritating me with trials!
See my friend here wants to give his love a surprise gift.

She is not as beautiful as you but she somewhat resembles you.
Try this dress on.
If it is good, my friend will buy her this.
Try it once.
Its ok. Try it on.
Hey! - Wait, dear...
I will do the trial.
It wont fit you, sir. - I will make it fit.
Uncle, I was telling you about the same guy.
Forget it dear.
Consider them dead. - What do you mean dead?
I'll tell you.
Hey!
- Sir... - Put them in the jeep.
It was because of a dog then. Its because of a girl now.
I am in the van again. Ah!
Why are uncles sitting in underwear?
It wont be nice without underwear.
Oh! I see!
What did you do that they removed your pants, uncle?
Forget about us...
You look educated innocents.
Why did they put you in the van?
We made a trial on a girl.
We made a trial on these four to beat them.
And they brought us here and made us sit.
Sir! Where are you taking us?
Why?
Nothing. Brother is a famous rowdy.
If you tell us the station name, we will call the police station.
We are going home.
What will you do taking criminals home?
Hey! Move! Move!
Is the mornings thrashing over?
Yes, sir.
So, you are ready for the afternoons thrashing!
Sir!
Hey! Get them ready. I will go change my clothes.
Brother! Yadanna! How are you doing?
That is our Shankar.
Hes gone for six months. So, you are here!
Forget me!
Brother! After two minutes you will be in the same position.
He is Lord Yama in the guise of a policeman.

Escape from here quickly.
You are dead if his daughter comes.
Kill them, dad!
They spare no one from a five year old girl to a sixty year old woman.
Kill these men, dad! Destroy the mens race, dad!
Why is she so violent?!
I will kill them, dear.
First, have your idli. Please.
What is this, Sir? What is this injustice?
For the sake of your daughters happiness
How can you bring tender boys on the road and
just kill them? I wont accept this. I cannot.
Dad! I dont like his look or complexion.
Kill him first dad.
I will kill him, dear. Dont be tensed.
What are you saying, huh? What are you saying?
Did my parents lovingly bring me into this world for you to kill?
They brought me up with love though I am dark.
They gave me gripe water when I cried and bisleri when I smiled.
They had me use shampoos for anti hair fall and lotion for a clear face.
They got me trendy dresses stitched so that I can be modern.
Forget all this.
They thought I will be Tendulkar if I held a cricket bat
Vishwanathan Anand if I played chess.
Mega star if I did the Veena step
Power star Pawan Kalyan if I kept my hand on my nape.
Above all they thought I will become Abdul Kalam as soon as I said a for
apple.
Though I became nothing, they educated me without regrets.
I found a job in a software company by luck.
I wanted to give a friendship gift or a birthday gift to a girl,
get married and settle down in life
And you want to kill me a software employee?!
Hey! He talks too much.
Flight? - What flight?
There! That one!
Is this the flight?!
Hey! Save me man!
Look! If you talked this much I could save you.
But you talked THIS much. So would you let me down?
Do something!
Why are you clicking pictures man?
I will tell you. - What will you tell me?
Will you tell me you made a trial for a girl?

Hey! Give him the tub bath.
Keep aside tub bath and bubble bath.
You will get a call now. We will talk later.
Oho! He says I will get a phone call.
I hate recommendation.
I will take care of you after the call.
Go and stand there.
We will see we will see. - Dont meddle with him. Move.
Ahwhat man! What did he tell you?
He asked us to jump from here sir. - Aha! So what is your decision?
We havent taken a decision yet, sir.
So, you didnt take any? - No, sir.
I will make a decision then. - What decision sir?
Soyou beat the police under masks? - It was a mistake, sir.
Hey! Give them some current.
Sir!
States are fighting for water and you are wasting it here, sir.
Is it fair, sir?
So you say states are fighting over four mugs of water and five units of electricity!
Hey, he is talking politics. Increase the voltage for him.
Ok, sir.
Put me on the plane sir. - No sir.
Put me on the plane sir. Aero-plane is the right choice for me sir.
No brother. No brother. No brother.
What is this sir?
Why to put the chain in his neck and pull it off?
He is a chain snatcher.
They are doing it to teach him a lesson.
He wont learn a lesson, brother. He will lose his life.
Ah! No, no!
Brother, it looks like there is more voltage in this house than the city.
Dear! Come, come. Ah!
Sit and eat watching happily.
Hey! Untie him and tie up the guy in white shirt.
What is this? Why does the girl act possessed?
What is this father-daughter atrocity?
That?!
When she was small,
Someone promised her a chocolate if she allowed him to tie the sacred thread.
She was tempted and obeyed.
But he only tied the thread and ran away without giving the chocolate.
She developed a grudge on men thinking all men are cheats.

She takes it out like this with the help of her dad.

Really?

If that idiot gave her the chocolate that day, all of us would be saved now.

Brother! - Ah?

I was the one who ran away without giving her the chocolate, brother.

Ah! It was you! - Yes, brother.

We used to live next to the police quarters then.

I had a lot of hair then.

I have become dark in the tension of moving around with you.

But I was quite glamorous those days.

But I never imagined this girl would turn into a sadist and remain one for 20 years, brother.

Sir!

What is it?

If you promise to leave us, I will tell you a secret sir.

What is that?

I know the man who ran away without giving the chocolate to your daughter, sir.

Who is that?

Who is that?

Fish!

What is it, dear? What?

Why the tears?

Do you want me to kill him?

My anger in his absence has disappeared after seeing him, dad.

What do you mean?

Sir, I advise you as an elder.

Get these two married. They will make a nice couple.

What sister? She is smiling, sir.

Ok. Isn't your choice my choice?

Sir, sir! You have a call from the DGP office sir.

From the DGP office? What could it be?

Hello!

Personal interest in dealing with the criminals on your own money.

I have seen the videos of you on face book

So, we added your name to the DSP promotion list.

Thank you, sir. Thank you. - Don't thank me.

Thank the guy who posted the videos - Who is it, sir?

My friend.

What are you saying boy?

Is he the one who posted them on the face book?

Whatever!

You got me the ten years due promotion in just ten minutes.

You are great!

I am not great, sir. You are great.

The good that you do has come back to you.

Sir, I have a small request. - What is it?

Please talk to the girl and tell her not to get into complaints and fights, sir.

Ah, ah. I am getting a call

Its her call.

Hello!

Hello! Uncle! - Dear, what is it?

What did you do with him?

Erthat boy is a nice fellow.

He is disciplined. Leave him.

He may be nice to you.

But for me he is still a rogue. I will not leave him.

Bah!

The girl says she wont leave. What to do now?

Did she say she wont leave? Give me the phone.

I will make her leave. wait.

What? You are talking too much. What?

Hey! Who are you?

I am North Koreas President Kim Jong speaking.

Say another word

I will drop the nuclear bomb not on America but on you.

You are rambling because you dont know me or my background.

Really? What do I care who you are?

My friend shines like a new 2000 note.

You look like an old, torn 20 rupee note.

You roam on a rickety scooter

you think you are in the range of my friends trials!

Hey! Why are you so rude to her?

Shh! Ladies are fond of jewelry and scared of a shouting man.

Are you scared?

Hey! You are crossing your limits! - Hey! Hang up!

I am not going to leave you. - What dear? Are you not ready yet?

Ahone minute, dad.

She is always late.

The function will be over by the time she gets ready.

Make it fast.

What, mom?

We cant get ready yesterday for todays function, right dad?

Correct!

Sir! She is..

My daughter, Sandhya.

Greetings, madam.

She returned from the US last month.

She has done her MBA. She is your next boss.

This is

One of our employees, Teja. A very nice boy.

Some people are fine to look at.

But we must check on their character.

Carry on. I will talk for a while. - Ok, come.

Sir.

Madam! I understood your statement and its meaning.

Please forget all about the trial.

You are our future boss for real.

I am your employee.

A boss should forgive their employees.

It would be royal on your part.

Is it?

If I am to forgive you, there was this guy who spoke to me over the phone
Giri, madam.

I dont want his name. I want him.

That idiot will be in front of you before the function gets over.

Oh!

Greetings!

Greetings to you all!

am very happy to receive this award in this event.

I am fond of singing right from childhood.

I wanted to sing when I was small

My dad said you are a girl and you shouldnt sing.

I wanted to sing after I was married

My husband said you are a woman and you shouldnt sing.

They saw only a woman in me.

But my son saw a mother in me.

He saw the ambition in me.

Today he gave me the courage to sing.

He is the reason for me to win the award.

He is not my son. He is my father.

Sir!

I would like to gift this amount to your Trust.

Please accept.

Hey - Madam!

Please forgive me, madam.

There is no other way to surrender visually.

He made a trial for my love.

It worked out for me.

But now we might lose our work.

Please, madam. - Hey! Madam studied in the US.

She will understand. Get up.

Madam, would any sensible man think Ambanis daughter will come on a rickshaw

We are your employees.

We are using Pulser and you are using Scooty!

Is there any connection between your status and the Scooty?

please madam, forgive me madam. - Hey! First leave my legs.

Hey! Madam! Your legs are so beautiful madam!

What?!

Hey! You shouldnt say things like that! - I have gone crazy, man! Sorry, madam!

If you look after your mother so well,

You must be having a lot of respect for girls.

But if you make trials involving girls,

I will have to run trials on your continuation here.

You shouldnt make such trials, madam. Please.

Be careful.

Ok madam.

What the hell are you talking?
If we want it you have to give it
Whether it is property or life.
I give you ten days time.
We should be in your place.
Your company logo should become Vicky Bhais
Vicky Bhais.
Are you trying to threaten me about your stupid background?
Get out from here.
People think badly about us.
But if ever there is a book written on justice, it will be full of Vicky
Bhai and us.
Did we ask you for free? We are offering you 50 crores.
We are even ready to pay GST.
Shut up!
Do you know the value of this company?
Do you know its morals?
We know you have a daughter.
We also know you have a wife.
If you want them to be safe, follow Bhais instructions.
Ten days is what we give you.
Greetings sir!
Greetings, Mr Nanda Kishore! Sit, sit, sit.
This has become a fashion these days.
These idiots come asking for hotels and software companies.
They say they will take over in ten days.
You need to take action against these criminals, sir.
How to take action?
Where is Vicky Bhai to arrest him?
No one knows how he looks or how he comes.
If we go against him, he simply kills.
Property is not more valuable than life.
Take my advice and negotiate with his men.
It does no good with me involving in these matters.
I have a son. I want him to be the CM.
Try to understand.
I thought I came to meet a Minister.
Never thought I came to meet a mediator.
Hey! What are you talking?
I will shoot you down.
Venkateswara Rao! Why do you get emotional?
Every man who votes has a right to abuse.
We are in power and we need to be more patient.
You carry on.

Hello, brother!

We are in the news on TV.

Switch on the TV immediately.

Make sure the news does not turn into nuisance.

You must have heard of drug mafia and land mafia so far.

Now the mafia steps into the software field.

Vicky Bhai, Dina, Shiva

We have to wait and see how and when the police will catch the criminals.

See? Police are ready to arrest people over a simple tussle.

That gentleman is being threatened. What are the police doing?

The channels telecast a 500 rupee bribe 600 times.

What will they do with these people?

They will telecast another two days. It is all normal from the third day.

How service oriented Mr Nanda Kishore is!

To think he is in such a situation!

When my daughter was delivering, they placed her in the corridor.

Vicky Bhai's men were using the hospital as a hotel bringing girls.

If all these atrocities have to stop, some great man should arrive.

Bro...

You beat up those street rowdies using a mask because they messed with me.

Now you have hit the mafia under the cover of media. You are super!

Hey, not this way, man!

Get two guns from Charminar and shoot them all down.

What would be the difference between them and us then?

They die. We live.

Hey! Shut up! Don't make fun.

Sir, sir, sir! See how they beat us up!

Sir! What is all this?

Hey...

Your broken channel...

and the smashed faces of your staff.

Telecast it, Fool!

Sorry sir.

Honestly we have no idea.

My staff did not shoot this news.

Someone posted it on the facebook and we telecast it.

That's all sir.

Please, sir. Leave us alone.

Who posted it on facebook?

It's him sir.

Who is he?

He is an employee of Nanda Kishore, sir.

Nanda Kishore!

I'm so happy, man.

You took to the channel what happened in the chamber.
You let everyone in this world know...
This is the time,
Society will know that educated people are also brave.
Thank you sir.
But that bloody Vicky Bhai...
Very dangerous.
am getting a lot of threatening calls from Bangkok, Honk Kong since
morning.
Dont worry about the problem or the enemy, sir.
We are all with you.
I will see the Central Minister in Delhi regarding this matter.
Sir. - You better be careful.
Ok sir.
How dare you pull us into the media!
Please leave me sir, It was a mistake.
Please.
When you are into software, you should be working like a meek animal,
pay monthly EMIs and enjoy weekends with family.
Why did you meddle with mafia?
Forgive me, sir. Please.
We see fear in your eyes and so we leave you.
If you act smart,
we will kill you.
Come brother.
Hello.
Teja!
Teja!
Why did they hit you like this?
You should have killed them.
For telecasting on TV, the issue has reached as far as me.
If I hit them, it will reach the MD.
No problem should touch him.
Take me to the hospital.
Come.
How did you get so many injuries?
I fell off the skidding bike.
Hey!
Sir seems to have transferred the Company to Vicky Bhai and committed
suicide.
See what happened because of your post on the facebook.
He has helped you so much and brought you to this stage.
But you used your intelligence and killed him.
He believed in sharing and caring, treated the orphans like his own.

Look at humanity becoming one with the dust.
Forgive me sir.
We lost you but I wont let your ambition die.
I will protect this Company.
I will stand in support of all.
I will make your daughter sit in the same chair.
Such a good man should not go alone.
I must send quite a few in his company.
What do you mean?
He is not such a coward to commit suicide.
He is not so meek to transfer his Company.
Something happened...
I should find it out.
You mean...
Vicky Bhais brother
Please, please dont harm me.
You said idea and now you ask for a share!
Dont kill me. Please, please.
Dont kill me. Please.
This bullet is your share. Take it.
Oh no!
Leave me. I beg you.
What exactly happened?
Why did he die? Tell me!
I will tell you
I'll tell you everything.
Nandini!
I told you everything.
Leave me.
I am not that good a man to spare someone who killed the man who helped me.
- Why are you not picking up the phone? - How will he when he is dead?
Hey! What are you saying?
I killed your brother and all your men.
Who are you?
The one who came to right all the wrongs you have done.
Dharma Bhai
The poor mans platform from today
dharmabhai.com!
You talk so boldly to me.
What is your power?
Knowledge is my power.
Honesty is my character.
I will make you give up every property you occupied so far.
Hey!

Hey.
Don't shout.
I will hack you in the center of Hyderabad.
Come!
Of course, I will come.
Come!
Public is afraid because they dont know how Vicky Bhai looks or where he lives.
The name Dharma Bhai should fill them with courage from now.
Hey, in the call list taken from Vicky Bhais brothers phone.
There are MLAs, MPs, ministers and big contractors
Hack all their accounts and their pseudo accounts.
Transfer all the funds via poor mans service app to Dharma Bhais name.
Every poor man should get the money.
Start the process.
These contractors will tender for projects but they never put roads.
With the fear we create...
Not just with the tender money they will put roads with own money.
If my guess is right, they will not touch the confiscated properties or companies.
They will look for me.
You continue as the Company MD.
As soon as Vicky Bhai comes to India I will seize his accounts and passport.
I will turn the don into a buffoon.
Be brave.
Ok.
Hey, is it done?
How come there is so much cash in each account?
Mark them!
They are Vicky bhai's associates Dont spare even one.
Send a message to every one whose account is hacked.
Call up few people.
They should walk the streets in fear.
What is this sir?
First we must lay the large concrete and then the tar.
You must say that beforehand, I am hardly used to laying roads!
Hey, MRO! - Sir.
Send for that large concrete.
He says the tar should be spread only on that. - Ok sir.
Look at this concrete! Each one is like a bisonbison!
What is this brother-in-law?
All the workers are having tea and you are busy laying the tar!
Not just me, man! The whole district administration is here.

But why? - We got a call from Dharma Bhai.
So? You will lay the road?
Isn't everyone paying tax after GST? It's the same.
But who is this Dharma Bhai?
Like mushrooms on a rainy day, he sprang up in the night.
He killed Vicky Bhai's men.
He is torturing people like us and hacking money from our accounts.
Who is he? Where is he?
I will kill him.
Don't shout. Be quiet.
What if I don't keep quiet?
You will get messages.
Here comes the message.
What is this brother-in-law?
Why is my seven crore account showing nil balance?!
That's why I told you not to shout.
If I shout here,
will the money in my Punjagutta bank account disappear?
Sky up there earth down here
Network in between. That is Dharma Bhai.
So we can do nothing to him?
He will pay his own price. Leave him.
Why are you talking philosophy brother-in-law?
Anger, ego, hatred, jealousy...
We will have it all until there is bank balance.
Once you lose it, all men are equal.
There is no other option than think everything is for our own good.
Do you know something?
I am borrowing daily finance at ten rupee interest to lay this road.
Brother-in-law... - Sir.
Please take the tea.
I didn't know whether sugar is less or more for you.
We are weeping over the lost money
You remind me of sugar? You bloody
Why did you beat him like that brother-in-law?
He is MLA Munaiah from our neighbouring constituency.
- That was a real crack. - Mr Munaiah! It's you!
It's you! - Yes.
Aren't you the king of sand ramp!
Oh no!
I slapped you thinking it was a worker. - It's ok.
They cleaned everything last night including Benami account
they pocketed 50 crores.
I am left with clothes on my body.

You lost so many crores and you just kept quiet?
Will we shout at the sea if we lose everything in Tsunami?
Its all the same. Your brother-in-law is in a better position.
Look at the man who occupied tanks
Water.
Brother-in-law! It is Rajanna.
How come only his head can be seen?
Hundred students came overnight and buried him like that.
Why?
They sent a message asking him to vacate the occupied land.
He sent a reply saying he will remove them.
Water... water...
Water...
Poor guy is asking for water, brother-in-law.
Pretend you didnt hear. Or we will be in his place.
He seems to have so many networks; is he alone?
Or is there a system behind him?
How come education is coming here? What could he have done to him?
He is anyway coming. Let him say it.
Why does your phone say switched off?
When we switch off the phone, it says switched off!
There was no charging.
Some Dharma Bhai is sending messages...
He is asking me to give free admission to merit students without donation.
Give them. It is a good deed.
All our good deeds reflect on our childrens lives.
So, I give you fund during elections and free seats to them.
Should my children study in government schools?
Tell me if you cannot help.
I will make the opposition Murthy win and eliminate Dharma Bhai.
Murthy!?
But he is already mixing the concrete.
Tell me.
Dear! I am getting messages that all our bank accounts are empty.
What happened to all the money?
What is this? My wife says all the money in the banks is lost?
Thats why I asked you not to shout.
I was wondering why you were not getting any messages.
So the messages were going there.
That means just like the government has our ration card, voter card and
aadhaar card data
he has the data of all our idiots.
What is my position now? - Why do you worry about what is lost?
You came into this world naked.

You will leave this world naked.
Consider the money earned in between is lost in the middle.
Brother-in-law...
Look, brother-in-law!
If the enemy is a man, we can fight him or make friends with him.
If he is a satellite there is nothing we can do.
We dont know where Dharma Bhai lives
If we think about these two unknown things
- Brain will be spoilt. - Idiot!
I was about to complete.
He may have his network...
But cant we catch him with our own? Of course, and we already caught him.
His home address is in Afghanistan.
His office address says Power Star Pawan Kalyan,
Janasena Office, beside Peddamma temple, Hyderabad.
I thought two states will be disturbed if the address is touched.
Switch off all the phones.
We will go to Bombay and happily run a pani puri stall.
What is this discussion?
Hey, if you are happy dont I need peace?
Before you move, tell me where Dharma Bhai is.
Otherwise I will stab each one with this bottle.
We dont know where he lives, Thats why I was suggesting Bombay.
Hey! I ask you as a voter in your constituency.
You promised to give me whatever I ask during these five years.
Thats why I voted and made you win.
I want that Dharma bhai!
If I get him!
I will munch him like a side dish with my drink.
Why did you get a message too?
No. But my sister got money for her wedding.
My dad got it.
My mom got five lakhs.
Why didnt I get any?
So who told him that I am a drunkard?
I must know even that too.
So he is robbing us and distributing it to the poor.
So he is transferring it back to the owners.
What man?
Why are you murmuring among yourselves without replying?
I will stab everyone. I will kill you.
He wont get up for two days. Good riddance of bad rubbish.
What is this, brother-in-law?
He is up to so much and what are the police doing?

The police and the Commissioner are suppressing Vicky Bhai and encouraging Dharma Bhai.

Sir! One Mr Dharma Bhai is here to see you.

Dharma Bhai? Please send him.

Greetings!

Greetings. - Come, come. Sit down.

I was just looking at the list of your followers.

You are doing a very good job.

You didnt spare any of Vicky Bhais men.

You brought their black money in to the public and made it accounted.

You have become the latest Robinhood.

He lost his younger brother.

So Vicky Bhai will definitely come here.

Kill him.

This city will be rid of his nuisance.

Sir,

Whereabouts to kill him when he comes here.

I need information about Vicky Bhais looks

I dont know. No one knows how he looks.

Find out somehow and kill him.

How might he look?

Could this Vicky Bhai have a grief-stricken face

Angry eyes and look like the image of death in front of you

Hey! You are...

Hey! Do you think this office is yours?

Its mine.

If I stabbed you in your own office,

He and the society should understand my stamina and my background.

It is a sin if I kill but it is justice if he kills!

It is a settlement when I do it but social service when he does it!

Guna!

Sir!

Take out the list of Dharma Bhais followers.

Hey!

Three of them put photos and appreciated him.

If we catch them Dharma Bhai will come looking for us.

I will kill him right in the center of Hyderabad.

Thats the boy who sent the message, brother

Hey, Chanti! Attend to them. - Ok, dad.

Brother, would you like some tea or coffee?

I want Dharma Bhai.

I only heard about him. I never saw him.

Are you a fan of his just like me?

We are Vicky Bhais fans.

Sir, sir! We dont know anything.

Please dont harm my son.

How did he post a message he is great then?

Why are you wearing his T-shirt when you dont know him?

Remove it.

I wont remove it brother. This is our courage.

He gave us three lakhs for my moms heart surgery.

My mother survived.

So he saved your mother.

If we kill you, will he come and save you?

He will come even as you try, brother.

He says he will come even if I try.

Let us see whether he comes. - Sir, sir, sir!

sir!

Brother, brother! Some Dharma Bhai wants to speak to you.

Give it, give it

Where are you man?

If you want to see Himalayas you should go to Himachal Pradesh

Not to Himayath Nagar,

If you want to meet this Bhai, you must come to Charminar

Not to a tea shop.

Bhagya Lakshmi temple, 4th Cross, 5th building

I told you my address with courage...

Come if you have the guts.

Hey, I will come anywhere to kill you.

Come!

Hey, start the vehicle!

Brother! Will you kill Dharma Bhai?

Yes, why?

LikeI saw a murder only in films. Never watched it live.

Can I go with you?

Do you think murder is pro-kabaddi to watch?

Its a lot of bloodshed. You will be scared.

Please brother!

Ok. Come.

Hey, Dharma Bhai!

I dared come directly to your address.

Come out!

Brother! Why are they closing the doors?

May be he will fall at your feet. - Brother, but you dont compromise.

Hey! Ours is a killing batch.

We dont know convincing and compromising.

Brother, it is all dark.

Hey! Switch on the mobile torch.

He may try to run away; we need to catch him.
What is this brother? The light is on but there is no one around!
Brother, give me that axe.
I will stand like Dharma Bhai.
What for? - Pass it and I will tell you.
Let us play a game until Dharma Bhai comes in.
Imagine I am Dharma Bhai.
What? Imagine I am Dharma Bhai.
How will you hack me?
He is so funny!
Show him how we will axe him.
Hey!
Sattenna! Sattenna!
Brother, he is dead!
Hey, you said we will play a game and why did you kill him like that?
But isnt this what happens in films?
One guy comes running screaming. The other will give him a death blow.
That is what Ive done.
You said you will see the murder. But you committed one!
Brother, you come screaming this time. I feel he is Dharma Bhai brother.
Good boy! You made the correct guess.
I am BhaiDharma Bhai!
Hey..
Hey...
Brother, please leave me brother.
I will leave you.
Just tell me one good deed you have done in your life
I havent done any so far, brother.
But if you leave me, I will do it.
Really? What will you do?
I will...
You are not even able to think good.
You will never be able to do any good.
What happened brother?
All our men who went looking for the boy are dead.
Dharma Bhai sent a message he will kill us too.
What shall we do, brother?
Turn turn back.
My hearts pounding. - I feel the same!
You are Vicky Bhais men, right?
No, no...
Come, let us sit inside and talk.
No need...
You lost your father. So we just came to see you.

We heard you were not in the office. So we were going back.
You are anyway here. Have some coffee.
Why all these courtesies when we came to pay respects?
We will have it the next time. See you.
Take care. - See you, sister.
You manage it so well, brother. - Oho! Keep this aside.
First see whats happening with the guy who went to see the Collectors wife.
Call him up quickly. - Ok, brother.
We received some pictures on whatsapp. We are returning.
Madam is a very nice person.
She gave us coffee. She even took a selfie with us.
What about you?
We are already leaving.
Brother, I have a doubt.
Do you think he sent some photos to brother too
Let us find out. Come fast.
What is this?
We are here to inform him about the messages.
But whats wrong with brother?
What happened brother?
All his bank accounts, credit cards, ATM cards, passport, driving license
Everything is seized.
Thats why we shouldnt meddle with software and cinema people.
Good morning, sir.
Who are they?
The hackers we called from Delhi, sir.
He is a violent killer.
But he has an intelligent approach.
We are not able to do anything.
Do something.
We will trace him out in an hour and find the server he is following from.
Hey! Vicky Bhai seems to have got hackers from Delhi.
We may be traced in an hour.
Hey! How do you know all his details?
Thats not important.
We need four more days time.
Before his hackers are on to us,
We should divert them.
But how?
Hey, Rahul! I want the picture of hungry tiger hunting in a thick jungle.
Ok.
Same way the mane of a lion pouncing on to the elephant
The face of a fox hiding behind the bushes
A King Kong with extra large tummy.

Should we make a new animal using all these?

No. Make a man!

A man? Ok, I will try.

Hey, no one looks like this on earth!

That is what we want.

Send the photo to the hackers.

He will get busy searching for this fellow.

Meanwhile I will catch the idiots behind him.

I will make him transfer our Company back to us.

Its a terrific plan.

Super, bro. Super!

Carry on.

O cell phone! My hearts golden girl

Wouldnt I be your slave from now?

O ring tone! My crazy lover

I live by your thoughts

Shall be intoxicated caressing the sparkling shapes?

Shall I lock myself in the graceful touch screen keys?

Shall I become a jolt in my heart amidst the chit chat?

Shall I share a little amidst the sweet sounds?

O cell phone! My hearts golden girl

Wouldnt I be your slave from now?

Sharing sweet nothings on face book

And on twitter tea, coffee, something

Styling in twenty mega pixel

Teasing with temptation and taunting

Shall I send you my hearts teaser in 30 seconds?

If I get an instant reply, wont I appear there on 4G?

If you make me tense wont I become 2G buffer?

All the time busy on viber everywhere happy on v chat

Lovely meeting on line and past fighting on whatsapp

Shall I greet you with sweet words on skype?

"Shall I capture the glistening feeling with my eyes?"

Shall I store it in the heart that quietly tells stories?

O cell phone! My hearts golden girl

Wouldnt I be your slave from now?

O cell phone!

Teja! This poor girl is differently abled.

Her parents left her as she cannot speak.

She will be in our ashram from now on.

You must consider her your sister and make sure she is free from all worries.

Yes, sir.

Take her with you. - Come.

Teja! Everything will be fine in another four days.
Nothing to worry.
Thank you, sir.
When you are a human being, you got to be good.
When this is a road, it has to be clean!
I hate this.
Jai Swachcha Bharat!
Hey! Dharma Bhai!
Do you want tea or coffee?
I want work.
I just got off the government bus.
I will first clean your shop.
Then, I will have your tea. Shall I do it?
Do it.
Hey, call up Brother.
Tell me.
Brother! Dharma Bhai is loitering here talking of cleaning.
Are you sure?
Yes, brother.
Dharma Bhai is in khaki knickers like the old police uniform
And going around with a broom.
Bring him here nowright now.
Ok brother.
Why are you pointing guns at me?
There is some other place you need to clean.
If they are carrying guns, this must be a very big Party.
I can settle down in life.
Ok!
Is this Dharma Bhai?
He looks like a comedian.
Is he going to give me work?
He looks like a villain. - Hey!
Wait.
Tell me why you called me.
Stop your cleaning and do as we say.
I wont. I wont stop.
Stopping is not in my blood.
My mother told me when I was five years olddont do this.
I didnt stop.
My father told me when I was ten I didnt stop.
My love told me when I was twenty
I left the girl I loved but not these knickers
Tell me what I should clean.
You do so much for the public. What do you get in return?

Happiness!

Public health is my happiness.

What else do you need?

Hey! - Hey!

Why do you take out the gun when you called me for work?

You hardly know me.

Dont look at my body. Look at my background!

Dont underestimate me because I wear knickers.

If I will it, even Pushkara will stop. Do you know that?

Twelve lakh forty two thousand three hundred and seventy nine people work under me on

From the CM camp office to Charminar surroundings in the city

Everything happens on my finger tips.

You wake up after I sweep. How would you know about the city?

You know only about the roads.

I know even the drainage under the roads.

What language does he speak?

He talks of garbage and drainage kill him.

Hey!

Sir! Leave him, sir.

He is Dharma Raju.

He is a worker in Rajahmundry Corporation.

He posted this picture within ten minutes of our tracing and diverted us.

Thats why what you two are speaking to each other does not tally.

Crap!

Send him away.

Your men brought me when I was having my tea.

Give me the money for tea and I will leave.

Take it.

I asked for money for tea

Not for buying a tea shop.

I just need ten rupees.

If you give me ten rupees, I will go my way.

Hey, give him ten rupees and send him.

Thanks, man!

He first opened the twitter account in Dharma Bhais name

Using your brothers ID sir.

But my brother died!

These are the IDs they used after that, sir.

But even these people are dead!

He must be an intelligent fellow, brother!

He is using dead peoples IDs to kill the living ones.

The server he is using right now

The Home Ministers son Akashs. And he is alive.

Akashs?

If our guess is right, he is going to kill him.

What did my son do to get killed?

Hey! Call up Akash.

Yes, sir. One minute sir.

Sir! I think he is already on the flight.

I am worried. At least send him a message asking him not to come.

Sir! The phone is not reachable. How will the message reach him sir?

Do something.

Sir! We got a message sir.

It says Dharma Bhai wont kill your son. He will only kidnap him sir.

Why are you giving me the kidnap news with a smile?

Sir, my face is such.

There are a lot of feelings inside. But it doesnt show sir.

Husband! What time is our son coming home?

Sweetheart! He will be here.

Meanwhile, listen to Mr Chaganti Koteswarar Raos sermon on Mahabharatha.

Ok, husband.

How come you ask madam to listen to sermons without telling her about the message?

Hey, if she hears about it her heart will break.

She is surviving on medicines not on love.

You shut up. Shut up!

Venkateswar Rao! What is this injustice?

Sir, it is common to abduct the children of VIPs and WVIPs and ask for money.

I will bring your son home safe.

I will arrest Dharma Bhai at the airport itself and present him before you.

Look!

Dont leave a single suspicious looking man.

Take out the airport cc tv footage.

Search inch by inch.

Move! - Come on, come on, fast!

What happened sir? Why are you checking?

Sir! You get so many fake messages. Do you react to each one?

There are cc tv all over the airport.

There is total security.

How is it possible sir?

Look Kumar!

A word by the man, a man by his deed,

And a message by its sender vary in importance.

Its Dharma Bhai. We must be careful.

UK Boeing 747 landing in Rajiv Gandhi International Airport,
Shamshabad.

What's that? That looks like a drone.
Go around flaps.
Shamshabad tower we had a near miss with the drone.
What's happening?
Captain something is wrong...
Just land the flight in Begumpet airport.
Captain pull out the Begumpet charts.
Ok sir.
Yes.
Come on. Start the vehicle.
Listen!
If the flight lands in Begumpet Home Ministers son will be in trouble.
Sir! If the flight lands here, many passengers will be in trouble.
Please try to understand me. - Dont worry.
My department will take care of their safety.
Sir! We cannot follow police instructions here.
The orders from the Airport Authority of India. Landing is confirmed in
Begumpet.
What a twist he has given!
It takes him three minutes to land in Begumpet.
It will take us an hour to reach there.
Tell the Home Minister it is not possible sir.
He will speak to the new Commissioner there.
Good idea!
Its better we do that.
Hello! Sir!
Hello!
Hey, Commissioner!
Sir!
If he could divert the flight,
I am worried what he would do to my son.
Sir, dont worry.
If you think of the enemy he will become stronger.
Forget about him.
I will make your son talk to you in five minutes.
Hello!
Boy! I hope you are ok!
I am fine dad!
The flight had a technical problem. So it landed at Begumpet instead of
Shamshabad.
Its not a technical problem. Its Dharma Bhai problem.
He sent me a message he would kidnap you.
Who is Dharma Bhai?
Why would he kidnap me?

I will tell you all that later.
Come home in the police vehicle.
Ok, dad.
Hi! I am Teja.
I am Akash.
Your vehicle is parked there. Lets go through the other gate.
Lets go.
Dharma Bhai seems to have threatened to kidnap me?
Who the hell is he? - Its me.
Good joke!
I am not your brother-in-law to crack jokes with you.
Hey! Who are you man?
Sir! Our boy is kidnapped, sir.
The boy is yet to come out, sir.
How will he come when he is already kidnapped?
What?!
How will he be kidnapped without even coming out?
What happened sir?
Who gave you the police job?
Do you expect me to tell you what happened?
You were showing off calling yourself a special officer and a fire brand.
I dont know what you will do.
My son should come home.
Otherwise I will first kill you.
What happened sir?
He told me what happened actually. Should I tell you?
Hey, Dharma Bhai!
You fooled me and took him away.
I will not leave you wherever you are.
I'm scared the way you are doing things...
Leave everything right now. - Why should I leave mom?
He orphaned many people and now his family is an orphan.
Because of them Nandini is in hospital.
If he was your brother, would you ask me to spare him?
If Nandini was your daughter would you spare them?
if someone offers us a seat while we stand in the bus...
We show them lot of gratitude till they get down the bus.
And even a person who is responsible for my success is gone.
Do you want me to be silent?
Unless his company and Nandini get justice, this struggle will not stop.

Husband!
Our sons phone is switched off.
When is he coming?
Madam! His coming is not in our hands.
It is in Dharma Bhais hands.
Who is Dharma Bhai?
He is blabbering about Dharmaraju, Duryodhana, Bheema from Bharashtra.
Go and listen to your sermon.
Ok
Sir! If he kidnapped Akash and did not kill him

He is expecting something from us.
Sir, there is a call from your sons phone.
Put on the speaker.put on the speaker.
Hello!
Dharma Bhai!
Dont harm Akash.
We will arrange anything you want.
If you want me to leave him,
I want snakes.
Hey! He wants some snacks.snacks!
I didnt ask you for snacks! Snakes!
Snakes?
Snakes?
Snakes?
Yes.
Hey! If you try to trace me out
if the police over react your son will die.
The time I give you, is just two hours.
Hey! All of you go and get a snake each!
Sir, if it were milk or eggs we would get from the groceries.
Where to get the snakes from?
I am scared of snakes, sir.
I dont even go home when Nagin serial is telecast sir.
After all snakes! Cant you catch them?
Find out where they are available.
Sir! Dont worry, sir. I will take care.
Put on the speaker. Put on the speaker.
Hey, Dasu!
Tell me Master!
I need two snakes within two hours.
Forget about snakes, we cant even find its prints in two hours master.
We have to go the forest for snakes. We got to look for their burrows and
pits.
We got to wait and use smoke rats and what not.
No one can tell the coming of rains or the going of snakes.
Sir, by his calculation it would take two months.
Let us call our snake Satti.
Hello, Satti!
I need two snakes, man - You need snakes?
Yes, snakes. Catch them immediately.
Sir! My wife has been after me to give up snake catching.
So I stopped doing that.
Hey! Leave your wife!
I will find another girl for you.

But catch the snakes first.
Hey! Bloody idiot
I am just returning from snake worship
You ask my husband to catch snakes?
I will sever your nerves!
Its not that.
Our Home minister needs them.
Understand our situation.
You bloody!
If the minister wants them, let him go catch them.
Ask his wife to catch them. Ask his son to catch them.
Someone already caught his son. Thats why we are begging for the snakes.
Hey! That minister is a useless fellow.
Ask that loser, stupid, idiot and fool to catch them himself.
Hang up!
Hey, why are they abusing me like this?
They abuse you much worse, sir.
We never tell you. - Hey!
Brother! Let us do this.
There is a guy called Snake Raja. He supplies snakes to the film people.
Call him.
Hello! - Snake Raja!
I heard you supply snakes to film shoots.
Send two snakes immediately to Home Ministers house.
We will pay you as per call sheets.
They are asking for father name and mother name to use them in shooting
sir.
What do you mean father name and mother name for snakes?
There are also new rules for resume.
What they use in films now are graphic snakes not originals.
I left the snakes as I couldnt maintain them.
I have a mongoose. I can send it if you want.
Mongoose?
Sir, he has a mongoose. Shall we send it?
Hey, snakes and mongoose are enemies.
Why do you want a new controversy?
Its not possible if you insist on snakes.
You can only see them in the zoo.
Perfect idea!
Let us send the snakes from the zoo.
Lets go.
He has planned it very cleverly.
We cannot follow it.
What shall we do? - There is something he doesnt know.

I attached a chip to the snake basket.
We will know his whereabouts via GPS.
Sir, sir, sir.
If he comes to know this, it will be very dangerous sir.
If you are scared, stop here.
I am more dangerous than him.
We will see who wins today.
Sir!
Sir, listen to me.
Sir. Sir!
Fast! Fast!
Fast! Fast!
I wont let you go in, sir.
Why?
The Home Ministers son should die.
What did he do to deserve that?
Hey!
Lakshmi...
Chanti.
Hey... Chanti
Chanti.
Hey, what will you do in Delhi?
Do you want to see Andhra Bhavan or the Parliament?
The children of your Trust died of snake bite.
India should shine and the poor should become the rich, That's your
concept.
Our concept is only we should shine; only we should develop.
I am a minister on Vickys fund.
Tomorrow, my son will be the Chief Minister.
Hand over the Company he asked for.
Otherwise even that surviving girl will be dead.
Nandini Dear!
Nandini dear! Nandini!
Nandini Dear!
Hey...
My son is inside.
and he has a snake in his hands.
She is young.
Think about it.
She is a dumb girl. Please leave her alone.
He is a psycho.
It is his habit to hurt and frighten girls and enjoy.
Put your signature. He will leave her.
Remove. Remove your dress.

Nandini Nandini

Nandini

She looked very scared.

Nandini!

Nandini... Nandini...

Nandini...

Nandini...

Don't be scared dear...

You'll survive.

Nandini... Nandini...

Is she dead?

Hey!

I won't spare anyone of you!

We killed so many people, why will we spare you?

Kill him!

Venkateswar Rao! You have come very late.

These people sacrificed for each other, transferred the property and killed themselves.

This is very unfair, sir. - Dont be too emotional.

You will find your family in the same situation.

Do you get it?

Sir.

Bodies should disappear.

Tell them he committed suicide as he couldnt take the death of the kids.

Hand over his body at home.

The girl was not dead like everyone thought.

She was in her last breath when I admitted her in the hospital.

I informed Teja about it.

He has been taking care of her ever since.

Tell me now, sir.

This psycho frightens girls with snakes and rapes them.

Is it necessary to let him live in this society?

Every man holding a sickle has a reason.

But if each one goes on a killing spree, where is the place for law, justice and police?

Move aside. - Sir sir please, sir.

Sir, don't do it.

Hey!

Please leave me.

These snakes will kill me!

Leave me!

Did you spare Nandini when she asked?

Did you spare Mr Nanda Kishore?

Why should I spare you?

Hey!

If something happens to me my dad will kill you.

He will not spare you.

Scream! Scream louder!

So loud that your dad who encourages all that you do should come running.

All your atrocities should come out.

Shout!

Shout!

Give me half an hours time.

I will give you all the proofs of their misdoings. Please sir.

I need not know. The court should know.

Hand over Nandini too.

We will present her in the court.

Take him away.

Sir, sir, please listen to me...

Nandini is alive?

What are you saying?!

Yes, dad. Nandini is alive.

They will bring her to the court tomorrow.

How can that dead girl be alive?

She survived!

If we catch hold of Venkateswara Rao, we will know everything.

Go that side.

Sir.

Venkateswara Rao!

What are all these bruises?

You made a mistake sending Teja to jail, sir.

What happened?

Who are you? - Move aside!

Who are you?

Tell me where Nandini is and I will free you.

We dont know where she is sir.

You dont know!!

Move!

Dont you hack accounts from any location?

You can vouch for your friend but not for murders.

Tell me where Nandini is.

We honestly dont know anything sir.

Even you would say you dont know, right?

I really don't know.

Even Venkateswara Rao says\ he doesnt know.

But he does know.

What do you say, Venkateaswara Rao?

Venkateaswara Rao...

You handed over our programs and benami details to him.
We asked you to be our watch dog but you became his covert
and made him Dharma Bhai.
Tell me where Nandini is...
Or all these people will die.
I dont know, Sir.
Hey! Dont.
Tell me.
Or I will kill them all.
No, dont kill them.
I'll tell you.
Sunshine Hospital
Room no. 105.
Hey, Akash!
Dad.
Go to the hospital and kill her.
Ok, dad.
Vicky...
Go to the jail and kill him.
Hey, take them all and lock them in a room.
- Hey, move! - Hey, drag them here
I will kill this best policeman with my own hands.
Hey, give me the knife.
You must save the girl in the hospital
and Teja in the jail.
You must save them and do justice.
I am allowing you because the minister recommended.
Please complete within ten minutes and come out.
Hey, Dharma Bhai!
You have played with me so long.
We found you now!
You wont go to the court tomorrow.
I will kill you here.
Get up!
Hey!
Why are you here?
Why did you come here?
Who is this guy?
He is stuck with me!
You are the one who sticks and gets stuck.
I am the one who is free and frees myself.
He created and you got connected.
If you are here, where is he?
I answer out of gratitude for the money you gave for tea.

I came here to clean the jail.

He said Dharma Raju, be here; I will kill three people outside and get back.

I didnt ask him which three and he didnt tell me either.

But he gave me this gun and asked me to shoot anyone who disturbs me.

Hey! Dharma Raju!!

Tell me where he is.

Or I will kill you.

This is a sacred place where people wrote biographies and autobiographies. dont want any bloodshed here.

Dont annoy me. Get out!

Leave immediately.

Hey! - Hey, hey, hey!

I'm like a baby sleeping in a mother's lap.

Never disturb a silent bullet in a gun.

I will shoot you!

I will shoot you even if you close your eyes. I wont spare.

Its not enough to have the gun with bullets.

We should also know to trigger.

Why doesnt this go off?

What are you saying?

Is he not in the jail?

Could he have gone to the hospital?

My son!

Son!

Son, what happened?

Get up. What happened?

Hey, what happened to him?

Sir, we went to the hospital for the girl, sir.

Dont fear.

I will kill you this time.

Who are you? Leave him!

Leave him! - Leave him!

He injected poison without killing him, brother.

He said your son will not survive beyond half an hour

For your son to survive, He also has the remedy for it.

Where is he?

He is in the car, brother.

Look, son! I will give you anything you want.

Help my son live.

I will free your parents and everyone else.

I will write the company that Vicky Bhai has taken in the girls name.

Dont lag the matter saying I will transfer

Our boys life is in danger. First complete the writing and signing.

How can we get the documents right now?
There sir.
Vicky Bhai! Sign the papers.
My son should survive.
Sign what?
Should I get scared of him and sign the papers and surrender?
I will kill the man who killed my younger brother.
I will help your son survive.
Hey, Guna!
Teja! Dont think about me.
Dont give up your ideals because of your mom.
Great mother!
I heard your mother sings well.
If you don't save him...
forget about her songs,
you wont even hear her words.
Son... He is alive.
Sir! Dont smile.
We are on a path of compromise.
He is on challenge.
Here, his pulse is going slow like an erratic train.
If he doesnt stop there, your son will die here.
Stop it, Vicky!
My son is dying!
They didnt stop their fight sir.
No matter who dies, your sons life will be in danger, sir.
Hey! I beg you. Dont talk negative.
My heart may stop. - Ok, sir. Ok.
He is hitting him solid.
If brother dies, all his property will be ours. Right, brother?
Let him die first, we can think later.
Why dont they stop?
Sir, slowly
Wait wait
Wait.
Put your signature.
He will kill me whether I sign it or not.
I wont sign.
My younger brother is dead.
Let your son die.
You and I let all of us die.
Otherwise,
let us kill him.
Is this a strike for all of us to do together? This is death.

Do you know something?
Your younger brother is not dead.
He is right in my outhouse. - Really?
My brother is alive?
Sign the papers and I will let you talk to your brother.
You can talk to him right now!
Let me talk to my brother.
How can your dead brother talk?
Politics is all about telling the right thing to the right people.
Hey!
Here.
You killed Vicky.
Save my son.
If Nandini says so, I will.
For all the twists you give, not his son but he may die first.
Hey! - Sorry sir.
I have no idea where the girl is.
Only Venkateshwara Rao knows it.
But you got Venkateshwara Rao killed.
Don't remind him! Psycho Secretary!
Come dear...
Oh dear... Nandini!
Please tell him to save my son.
He has done a great mistake. Forgive him with a large heart.
He will become the CM if he is alive.
I will make you the Deputy CM.
I will perform your marriage with great pomp.
I will make you my daughter-in-law. Tell him.
There she asked you to save her husband.
Give him the remedy.
That's not what she said.
She said if every rapist is pardoned through marriage
There will be no security for girls in India.
She said such rogues should be killed.
Son! Son!
You have promised to save. Why did you kill him?
Didn't you call in the name of talks and kill?
It's the same.
Don't leave him.
If you spare them,
Goodness will disappear not only from people but even from words.
Kill him!
Sir! Some of them went up and some of them ran away.
What about me sir?

Home Minister, his son and Vicky Bhai...
shot one another because of property disputes and died.
You must give a statement.
Teja!
The one who wrongs should have fear.
The public should have the courage.
Keep the name of Dharma Bhai alive.
Sure sir.
Dad, you will be fine,
Don't be scared. Come, let's go to the hospital.
