Chan.

Chan.

Ken.

You've come.

I do not know.

You slept very soundly.

You know, like this if it is old.

Do not feel we are old, Chan.

It is old age

but we still have a long story.

Do you remember our story, Ken?

Ken, we send it to the village.

We like just expelled.

In a place where we felt in exile.

I still remember that time, Chan.

We both felt free.

And it's a story that is not forgotten.

We send it to a far-flung village.

Must use a boat to get there.

And when it arrives

I felt very strange at all.

Are you Chan?

Mistress is waiting for you.

Alright.

Are you Chan?

Are you Chan?

I'm very pleased.

Are you surprised I'm old?

Not too.

Although I am old,

I still remember everything.

And I also have all of your pictures.

Are you Chan?

You know the story about me?

Meyakitkan and very sad.

Filled with suffering.

Can not be expressed in words.

Used here is often held performances.

The story of the king and queen.

Very touching and romantic.

We are all fascinated by the role.

Starring his very handsome man.

And I start my story with him.

A very manly at all.

But in the end ...
Very painful and regret.
You have no shame!
How dare you do that!
I beg you.
Please, you let this once.
I want to explain all that happened here.
No need to.
Do not you want to know?
Everything was clear.
You already can not forgive.
I want you to get out of here.
And do not ever come back again.
You're cruel.
Doing all of this.
What next?
Do you really go from there?
And leave him?
I've been kicked out.
There is no chance anymore.
I start everything from scratch.
Everything from the starting point.
It all depends on me now.
And then I found a place.
A very peaceful place.
And that makes me comfortable.
Here, I found peace.
I end here with Ken.
In this remote place.
Very quiet and peaceful here once.
You do not need khawartir with me.
I'm fine here.
I remember when I had to part with you.
It pains me,
but I had to do it.
To avoid pertengkaranku with Dad.
It makes me have to part with you.
Here a lot of servants.
And a lot of activities as well.
With that we both live everything.
And I feel at peace here.
While Ken, every day having fun.
Joked with the maid.
And the servants also entertain him.

I want you to be patient to wait.
I'll be home soon.
And we will be together again.
Jan Dara.
Chan, why did you this?
No nothing, Ken.
Just being felt all this.
You're lying, Chan.
You always say that.
Listen, Chan.
I've got a great idea.
Let's go have fun in the city.
What do you want?
Do not want.
Why do not you like?
Ken Chan wanted to entertain.
So you do not like this pensive.
Now, Chan. What would join Ken?
Ken would like to ask you to have fun.
You go.
Good evening, may I help you?
You can choose as you please.
There are skinny, fat, tall, short.
- How much is it?
- Not expensive, man.
With little money
You can feel satisfaction.
You do not need to worry,
all very good ministry.
What about it?
Do you often come here?
No.
What you first came here?
True, I first came here.
Are you going to come here again?
it depends on your service
if satisfactory I will come again.
You'll see.
So many men are
saying things like that.
But I'm not that kind of guy.
I'm a faithful.
Faithful like what?
It's easy to say the word faithful.

but in reality ...
Why do you say that?
Back before I was here,
I never felt a violent.
Happened when I was in the woods.
I had been obstructed by a group of people.
And I can not do anything.
I am at the abducted persons.
And the servants also taken.
And I was raped by them.
Every night.
Every night another man.
And there was a man who helped me.
He is also very loyal.
I do not know what I'm feeling right now.
Ken suddenly return with haste.
And when he arrived at the house,
he wanted to tell me something.
Though I had gone to bed.
But still he woke me up.
And told me about
her experience that night.
With the woman.
Then me and him immediately conduct an investigation.
But we did not find any.
You are sure of that story, Ken?
Chan, have I ever lied to you?
Looks like he also said ...
something else.
Oh, I remember there was something she said.
All events the last 10 years here.
What is your purpose?
To find out what about it?
It does not concern you,
for what bother?
Actually nothing to do with me.
What to do with you?
I want to find out the origin suggested.
Actually ...
We all also want to know the origin of our rafters.
Then we place down
The officer said that.
Far away from the city center,
and we had to walk along the river.

To get there.
And I hope, one thing.
I could find
I'm looking for answers.
This they want to ask something.
Can you help them?
What do you want to ask?
You want to know about?
Sorry.
I beg you to let me know.
It has to do with my mother
and origin suggested.
I'm begging you.
To tell them everything.
What happened at that time.
I beg of you.
I'll tell you, Chan.
At that time ...
I'm very happy.
At that time I was young and rich.
No one can touch me.
Everything wants to be friends with.
No exception to the police
and officials.
I'm very familiar with them.
Every day I always have fun.
Are accompanied with my friends.
And there is a policeman who is very close to me.
On one day,
he met a woman.
Beauty as an angel.
He instantly fell in love.
And at that moment
he promised in its own right.
I must have this woman
whatever happens.
And it turns out his love too
received by the woman.
And finally ...
The woman kidnapped by
group of people.
And do not know where it was taken.
Not heard the news about him anymore.
Until one day ...

He investigated the
carrying troops.
Finding their hideout.
And she found her hero.
With a sad state.
And finally she told me everything.
What happened to him and others.
And what they do.
Tells us that
she was raped many times.
Day and night with the men.
I'm very pleased.
Finally you can go back to my arms.
Whatever happens, forget it.
From now on, we will begin a new chapter.
No need to remember the past again.
We can start from scratch.
But what about me?
Not a problem.
I will forget everything.
I was dirty.
I feel not worthy anymore.
I do not want to be like this.
Chan ...
Will you accept me?
Although what happened to me.
I receive you.
And on that night,
on their first night.
One thing happens.
Those that do will be in the firing squad.
Because there is no mercy for them.
I'm here to punish you.
No need, I'll handle it.
It was embarrassing my family name.
No need to talk anymore.
You, bastard.
Embarrassing!
You do not know who your father.
Many men who never felt the body.
Illegitimate child.
Chan.
Chan.
Do not come closer.

Do not come closer.
Do not come closer.
Chan.
Control yourself.
You do not know what it's like.
Knowing that my mother had been raped.
Chan, you listen.
It all does not matter now.
Listen, Chan.
It was all over.
You do not like this.
Listen, Chan.
Illegitimate child!
Illegitimate child!
Illegitimate child!
Illegitimate child!
Chan.
Chan, do not worry there Ken.
I will always be with you.
We're going to face all this, Chan.
It's over.
You do not need to worry anymore.
It was all over.
All things have karma.
Everything will be beautiful in its time.
Omniscient God.
He knows which is right.
He knows what is wrong.
Remember that.
Karma applies to everyone.
No one can escape it.
No one exception.
You remember this, Chan.
Your name is Chan.
Descendant of a distinguished.
Chan someone respectable.
A dignified and magnanimous.
You should continue this legacy.
Like a child following his father footsteps.
Do the right thing.
Do not do bad things.
Everything will be beautiful in its time.
I understand.
Chan, how are you doing there?

Still remember me?
Been a long time do not you write a letter to me.
I miss you so much.
May you be healthy there.
And not any less.
I'm here too fine.
I was so expecting you.
Hopefully you can quickly return.
We'll be together again.
And I also want to
to tell you something.
But I'll keep it,
until you come back.
Every day I think about you.
I miss you so much.
I hope you missed me too.
And Ken find his soul mate.
Very beautiful, is not it?
Ken soon married.
Without waiting for a long time again.
On the day that Ken is very happy at all.
Right, Ken.
You're very lucky.
And soon a son is given.
Chan, what are you here for?
See this son.
Boy, there is Chan here to see you.

Want to see my son?
Chan, you're soon to follow.
This funny child.
Shooting star.
May you be a good boy.
So good sleep.
Ken is very happy in karuniaai a son.
Day by day more and more fleeting.
And everything is going well.
And his son is getting big.
And I was alone here,
waiting for something.
I'm waiting for someone who craved.
Someone who can relieve my feelings.
Mother. Welcome.
Mother, is my son.

I'm very pleased to meet you.
Wake up all of you.
Finally ...
Everything can come together.
Karma has been fruitful.
No need to wait any longer.
Happiness will soon come.
The wonderful thing is coming.
Not to worry.
I'm not worried about anything.
You listen carefully.
You want to say something?
Something ...
Which is very important.
Something else that is not in ketauhi, Chan.
A taboo truth
for in the describing.
Something very forbidden
for in the describing.
Something very erotic.
A great sex game.
And it happened when you were a kid.
Your father took one of Singapore.
And also from Europe.
A woman who is very beautiful.
Someone who has captivated his heart.
But this woman is very lonely.
He always imagined something.
Are you surprised to see me here?
Would you like to accompany me to drink?
Can not seem to.
Why? You're embarrassed?
Not so.
You never know.
You are my love.
At first glance.
You never know too.
You also love at first sight.
And when they come back.
One thing happens.
Things never terbanyangkan
will occur earlier.
My husband, lady.
Glad you two are back.

I'm here to ask for the blessing of you.
Me and him are getting married.
We love each other,
can not be separated.
And she's pregnant with my child.
I beg ...
You can approve of our relationship.
Nice.
Why? Are you not happy
heard this news?
Unfortunately, it turns out our way
Singapore to bring happiness.
We will soon be having a party
for both of you.
What is it, dear?
That's all right.
I do not condone them.
Why?
What's the matter, aunt?
You say, dear.
Dear ...
I'm actually doing something.
Something shameful.
Thing else that you can not forgive.
I've done an illicit relationship
with your son.
Honey, why did you do it?
At that time I was very lonely.
You always have to work until late at night.
Why?
Why do you say that?
Very disappointing.
You do not want me to be happy?
- Not so.
- Then why did you tell me?
I really respect you for it.
Now you unload everything.
When I'm happy.
How could you do that.

Why do you have to singapore?

To what do you get there?

You're just going to bring disaster on this family.

When I was in Singapore.

I realized one thing

That a person, can not leave it alone.

And should be given a lesson, told
who's in charge.

So there is no problem anymore.

Called the head of the family, was a
excessive.

But I prefer something that respect.

Should not be said.

I am so happy.

You should be aware of it.

again and beat your ass.

I will miss this house.

But there are too many bitter memories in it.

Send me a letter, I will visit you
sometime.

- I wish you all happy.

- I also hope you find happiness.

Whenever you want to come,

This house will always accept you.

I know in January but I guess I do not
will come back again.

Too much sadness, I want to go
and forget about it.

I love you.

Keep that feeling.

Forever.

Road.

Have a good trip.

Ping Well, I hope you'll help me.

- Of course.

- You're my best friend.
You must be sad, what if
we have a drink?
Only drink it, do not have a woman.
Jan, son of a bitch,
have you forgotten what you did to me?
Just wait, I'll die in front of you!
What happened to him?
I ... I never raped her.
What are you doing Jan?
It's all my fault.
I'm sorry.
I'm sorry.
My mouth was dry, my heart hurts.
My tears out.
I will never forget that incident.
- Until forever.
- Everyone learns from experience.
That's what makes us all grow up.
But this burden I will always carry
my life.
The past is the past and
our future who knows.
Ping you're a true friend,
do you always accompany me in my life.
- I'm thankful.
- We're friends, you're going to do the same thing.
Friends should help each other.
- Ping, I still keep your picture.
- Really?
This, I myself made,
think of it as my gratitude to you.
I hope you like it, I pick your picture
the most good.
And this home and other certificates,
Accept friend.
- I leave this to you.
- For what I received?
- I'm old, for what?
- Accept Ping.
- I sincerely give you.
- I do not want.
Accept Ping, this is all I can give.
- Soon I will also die.

- Give it to your son.

- I do not want.

- Accept.

I do not want to, why did you make me.

You want to fight it?

We are old, which could fight again.

I beg you to accept it.

Come Jan, stay in the house.

Keep only the certificate.

- There is still the care of my son.

- Father I come pick you up.

- Ting, you've come.

- Uncle.

- So is your son?

- Correct Jan, he's handsome like me.

- Berbaktilah on your father.

- Of course, I would take him to America.

I will go to America again 3 days.

True, we should be the father.

You want to go Ping?

Maybe we will not see each other again?

Well, Help me wake up.

- Be careful father.

- I would feel lonely.

Jan, Why do not you sell it and

around the world?

- I do not intend to be without you.

- Do it for yourself.

- I do not want.

- Look for your own happiness.

- Can I get that?

- Everyone will be in January

Ping What's so funny?

You're making fun of me.

Our uncle went first.

- Hope you survived the trip.

- Thank you.

Take care of yourself Jan, do not drink too much.

When drinking, I could not stop.

- Do not play her well in January

- If women especially.

You're a flirt. I went.
