Jimmy And Judy

By Randall Rubin

Jimmy already speaks not of this this
allowed to record our conversations
Does your challenge make you feel but powerful?
To film people ago you
to not feel in control?
Maybe?
I can be seated here so much
time like your and you didn't force me
to participate of your game.
Jimmy, keeps the camera, please.
Of agreement, it was already enough.
Give me the camera, we go.
Give it to me.
We go, give it to me.
Give me the camera!
Give it to me Jimmy!
These crazy boy.
These crazy one? Give it to me.
Hello he/she suckles, I heard that your and potato
they were making filth last night.
Thank you for that reason.
Of by the way Who carajo in Nancy?
Pope, sends this to the telephone saying
that you make it as switch.
Pope, if, he/she wants to reach it
and he/she makes it, both balls.
That it bends play.
And one smelled to end up.
I live in a show of phenomena.
Do you like black of shit?
If, baby, likes me.
This well That pass for your
do mention when he/she calls you black?
You cost others 50.
You like to call me
black? Does he/she get excited to say it?
No.
Then because you make it?
It was about making the
inpensable in that moment.
He/she wanted to see if he/she could say it.
And that you found?
I believe that I want to die.
Judy, Judy first period in tracks.

Sra Sanburrows, the dog of dogs.
Give it to me.
Do you want it?
Curse.
May Crearlie.
Billy Ransend, damned imbecile.
That such boys?
Enough well.
As he/she goes you?
- Hello boys.
- For heaven's sake.
As he/she goes them?
Alone he/she loved them Happy anniversary.
- Jimmy, release you of here.
- Hello potato.
Happy anniversary!
- All, apologize.
- I sit down it.
You go.
Thank you to come,
we want to bend the bet.
Thank you affection, I am to arrive to the green and
I don't look to the cady and I thought that with the 7 it would rot.
Not the wise thing maybe achieved it,
but it fails as 6 times that Sunday.
So it happens to me the stick
and I not even thought it...
It is already sufficiently bad that
they force me to come like it stops
to support you with that stupid camera.
- I have something to show you.
- That?
Something that will want to make me vomit?
No, something beautiful.
Something that maybe changes you the life.
You are strange Jimmy.
At some time they told you things
alone because they didn't understand you?
Not I will speak with you until
that you turn off the camera.
Alone because this here, not
significa that me agreades.
Neither well finish this, I will leave.
That is the car of Sra Sanburrows.

And Billy Ransend, that idiot that
he/she decided to throw you above the soda.
I put marijuana in their pigeonhole
and it sends a note to the director.
May Crearlie also
I took myself charge of her.
For that made that?
I made it for you.
Turn off the damned camera!
The problem is that Tom wanted
that I stay until this hour.
I threaten myself with taking off the bill.
It is hour that you face the one.
We have already spoken.
They are same in the
company. Not it is your superior.
Not technically.
If it wins me another bill, not you that I will make.
I threaten to take off two bills.
This connected one.
As I could take off the bills?
that Bill says in this respect?
Their potato is owner of the company...
You have worked for 20 years for the one.
In this case it doesn't care.
In short, I already get tired. He/she would want
to renounce but I am not able to.
- Will we eat the salmon?
- If.
It is terrible, I don't want it
We will eat the salmon because it was
cheap, prepare it as you like it.
He/she knows past.
Not I can buy you underwear
and eaten and to make both well.
It is it less than you can make.
That small idiot tenses me.
You don't pay him/her attention.
Step enough time with the one.
They should leave one Saturday.
He doesn't want it, it is a strange bug.
- These list for my, dog?
- Not yet he am.
I don't like to wait. That you lack?

My make-up.
Your you are the one that wanted to make it.
Alone I need something of time
We go, vixen.
Tomato a cocktail.
You know that you also like.
Alone I say that you should face the one.
You don't listen to me, I tell you that
they are not taking advantage of my
Alone I make what I should
to make in the work.
Intent.
You should have the best office.
Hold.
Or maybe an increase.
Not you can get it?
I will no longer speak with her.
You could answer when I call you.
The whole time unemployment in the one
telephone, I cannot speak with you.
You always believe that I should
to pay you all my attention.
I am your wife.
This well.
So...
My God.
In that walk?
- That you make.
- I told you that he/she would find out.
Give it to me camera, imbecile.
Give me the damned camera.
Dog, dog.
Jodete.
Damned maricon.
Your you wanted to feel it.
Alone he/she wanted to see like it worked.
He/she calls Nancy to your potato.
Don't film me.
I swear you that I will leave.
This well.
It puts me nervous that record me.
To the devil the camera, speaks to me.
This well.
Say I eat up you felt

when you dressed the video.

He/she felt as if me

they had read the mind.

And?

It was as if it felt

that somebody protected me.

And what you said of God?

I said that if God had sent to
somebody to take care, to protect me.

you are the only person that me

he/she has taken care this way in all my life.

I hate when they film me crying.

Do you like it? You would like it

that you the goal for the ass?

Do you maybe like it?

I generally put it but far from my face

but if you like this way I will have to adjust myself.

- Do you like this way it?

- To the carajo, I leave.

Judy, waits.

That?

Not you do want to wonder he/she swims? We go.

This well Because you

did they bounce of the school?

Me esoty taking a semester.

Listen that they threw away you because

somebody one commits suicide and you filmed it.

I didn't tell him/her that he/she made it

but neither that not.

If he/she wanted to die it was their decision.

And the camera was there,

me not. That is the true.

You can believe what you want.

And now I am here with my parents llendo

to therapy, reassessing my ambitions.

As he likes to say to my he/she suckles, me

I will take this semester and then I will go

to the community univeridad

and to forget that all that step.

Not it is so bad. Not it is so bad.

Maybe you should not film everything.

I don't film everything.

Alone the important thing.

For that me?

For that believe?
Hold.
Alone you tell it to me.
For that love me?
If, you understand it.
To where you take me?
- To a beautiful place.
- Where?
Chuckie Cheese.
We go, seriously.
I cannot tell you, it would ruin him.
Alone he/she trusts my.
This well.
Can I wonder something?
What is.
Do you hate your parents?
If, I make it, but I understand them.
That it is necessary to understand?
I understand that my youth
activate their crisis of half age.
When the only son leaves the nest
the parents re-evaluate their relationship
they come us like improve
versions of themselves.
They feel insecure because
we no longer look for their approval.
They are abandoned for
our necessity of privacy.
You already know, they used to take us to those
baseball games, to put on cures.
And once we don't need to our
he/she suckles so that it cures us the wounds
or to potato to admire put
their lists like person in doubt.
As you know these things?
I am a genius.
In fact, I suppose that when
you don't have with the one who to speak
And you don't play sports, neither you leave not
do you have nobody that listens to you you know?
Nobody to the one who to request advice,
you have to get ready them your alone one.
These well jodido.
Your you are hemosa.

Do you believe that I am beautiful?
Allow me to see, I believe that you are the
person but beautiful of the world.
In fact, I believe that you are the woman
but beautiful of the whole universe.
Nobody had told me before something like that.
Good, get used.
Do you believe that I am intelligent?
If.
- That I am fat?
- If.
As you can say that? I weigh 53 kilos.
He/she forgives, I thought that
you said page of the chest.
I am not it.
Prove it.
Not I have to prove it, you can see.
Not I can see well.
Full an entire glass B.
Become trained, it takes out your teats.
I won't take out them, it takes out yours.
Already this out baby.
Not I can believe that you made that.
- If, for that reason I made it.
- My God.
Teach you mine, it is your shift.
We go.
Go, If!, I will stop.
- No.
- If, I will make it.
We have to film your teats.
Of agreement Judy, become trained them.
- We go.
- He/she gives me shame.
Not he/she has because to give you
shame. He/she trusts my.
You can trust until your life.
Partner, really. We go.
Take off the you sustain.
If, they are very beautiful. Very pretty.
That it happens?
He/she teaches you my breasts and I saw your
punish I even stop neither we kiss each other.
Neither you asked me him to be your girlfriend.

- Serious my girlfriend?

- If.

- Would you give me a kiss?

- If.

- Did you turn off the camera?

- No.

Not I want to get lost the opportunity of

to document the best moment in my life

I want to see it other time.

It turns off the camera, please.

Him these filming?

Here you did want to bring me?

If that happens?

I want to go home.

Not the jodas Jimmy. You normal.

Normal.

I go her to joder.

- Hello.

- Hello.

As you feel?

Not him you, very well.

My God, I envy you.

Not him you, lately

I have wished you a lot.

For that that is?

I won't say it, he/she gives me shame.

We go.

Now you have to tell it to me.

It was after yesterday.

- Yesterday?

- If.

After I saw you use that weapon.

Taenias much fear.

You were trembling, it was it but horrible

that I made, I thought that he/she would no longer see you.

At the beginning he/she scared me a lot.

Not wise that would make so much noise

But when it arrives home I thought it.

As your muscles they were seen. And

the dangerous thing that everything was seen.

Let us be moved and...

Did you get excited?

- It grabs this a moment.

- Where go?

I already go, he/she waits.
You are very burning.
My potato the guard in their closet.
It is heavy.
Now I see the attractiveness, give me the camera.
Do you like this?
If.
It is sensual.
Do you like it?
Shit my parents.
Hurry.
That is not...
Shit.
God.
Judy loved him/her something
to your fans before making this?
He/she gives me a lot of emotion to lose
my thief virginity.
And I also want
to teach these to my fans
Thank you for your breasts and thank you
for this behind cameras.
In your first crime / moment really.
You two stop That
do devils believe that they make?
Not they can walk in the
spread with the lit camera.
Turn off it and veto, we go.
That Jimmy spends? almost they catch us.
Always with the camera Because you make that?
For that have to film everything?
It seems that you have a
problem or something like that.
For that reason they believe that you are strange
for that reason they make fun all of you.
Do so all make fun of my?
If, give a rest to that thing.
Do you want him to tell it to you? That
you jordan them and your also.
I don't care what you/they think.
This is my life and I want to document it
and filming you is the reason for the one that
I wake up in the mornings.
As Jimmy he/she does feel?

As it is felt that they film you?
Not it cares that that
I sit down you don't understand it.
What it cares is it that
see inside my and you film it.
- Can you understand that?
- Not him you.
At least he/she attempts.
This well.
Never request me that not you
film or something of that makes.
It is the only thing that I will request of you Judy.
This well, I sit down it.
Do you swear him in camera?
Candle damned prostitute son.
Jimmy.
Carajo, dtente Jimmy.
My God, I love you Jimmy.
My God, Jimmy hold.
Jimmy!
My God.
I miss you, I will be
waiting when you leave.
You good and don't take a long time
he/she looks at what I put on for you.
Not I can wait to that see it.
Welcome Which their order is?
He/she gives me a double hamburger of cheese
without pickles, potatoes and a coca.
Eat quick! also an I number 2
Clearing pays in the following window.
That was it that but it misses.
That you made there the whole day?
Mostly to masturbate.
You deceived me.
I should be the only resposable
of making that you retaliate.
But it is worth that you are of
guard the 24 hours.
Seriously that you made As
was your day in the asylum?
- Apart from masturbating?
- If.
Good, speak and speak and then speak

but until they were satisfied
I told them what you/they wanted to hear, I said

sew as:

of my problems I realize that
my behavior was inappropriate.
And harmful toward others.
And then I realized
that taenia that to cry.
For that when somebody cries
they call it a revelation.
You have to begin very slow, this way...
I will put on in position.
Now you that the violence
it is not the answer.
And then you have to put on this way...
I was mistaken.
I was very equivocado.
I need help.
I never wanted to hurt anybody.
Especially to my parents...
After everything that made for my.
And then single languages but.
Then after a couple of
weeks they diagnose you and you ends up.
My God, you are a genius.
Him you.
That they gave you?
Some pills, not those
I take because I am not stopped.
That they said that you have?
Disorder challenge oposicional. DOD.
That suertudo, I want
that they diagnose me something.
That it means?
DOD?
It is characterized by an overwhelming feeling
of of negative hostility in the behavior
what causes the patient the impossibility
of distinguishing between reality and fantasy.
I love it.
Basically, I am crazy.
I am very hungry.
My God.

- Carajo!

- That?

Curse.

I requested specifically without
pickles shitted my order.

As it would tolerate this
somebody with your illness?

Do rot to resist?

Not him you, seriously not him you.

Not him you, maybe look for
a gun. That I will make?

My God!

God that heats!

I burn the nipples with the pickles.

My God! Help me Mr.!

Esyou ruining my skin.

I love you Judy.

Not run so quick.

- Do you know that?

- That?

And if we could live here forever?

Here?

Not here, but you could buy a land
and to live there to get undressed when it is.

That you find?

I believe that these drunkard.

You are right, but it is seriously.

I never want that this ends up

I want to be this way forever.

I want the air in my body

nude and I want to feel he/she liberates.

And I want that follemos every day.

Do you know that? I know a place.

Seriously?

Where this?

In Arlinger.

It is seriously.

I tell you there is a beautiful place
when I was in the asylum.

It was everything of what you/they spoke.

It is supposed that in Arlinger there is a
type Uncle Rodney, you can get drunk

and to get undressed when

want. It is everything that they make

THE uncle Rodney?
Not it is joking.
This well, we will go it stops there.
If.
Make it.
Seriously you do mean that something?
Seriously that if.
Not one day I will pass without masturbating.
I want to live in my penis.
I want to calm down to be able to
to have a trio, and not to deceive you.
YY...
I want to scratch myself the balls
with a rayador of cheese.
That disgust.
YY.
I love you.
Since we were children.
Seriously?
I love you so much that it hurts.
God stabs my heart with
a thousand knives to the same puto time.
Your you are the only one that removes me that pain.
Your ones that for my?
I love you so much that he/she would prefer
to die to not being with you.
This well, then make me a promise.
As well as they make it the husbands.
To marry?
No, no, this is something but
powerful that that, is a knot.
It is our knot, it is momentous.
That?
It is momentous because
it transcends to everything.
I have loved people and things.
It transcends to the death
If you swear a knot it means that
you prefer to die that to break your promise.
That is very beautiful.
Judy...
Not I can be one day without you.
This well, let us swear the knot.
We will never leave that anything you

interpose among us.

Neither the death.

Not I will let that anything is interposed

not even the death, I swear him.

We will be together forever.

Forever.

Not you because but I love the ghetto

whenever I leave here it is where I want to come.

If, I love when

not these in the asylum.

Do you believe that you could not be in the one?

No, if I don't go there I will go to the jail.

It is seriously, you act as if not

it was great thing when you leave.

This well.

No, not this well.

When your these there me

I stay here all alone one.

In the real world Jimmy.

You enter and you leave as if everything

it was well but not him this.

Not I want to live another day

without you. Do you understand me?

He/she would prefer to die.

This well, I promise you not to return.

I promise it, I swear for our

I rope that will never return.

Do you swear him?

Now that?

It finishes it time that you came out the we made 5

times, neither well we saw each other the we made.

We got undressed and we made it and

today my parents were not and when

I wanted to make you you not sew

you seemed to be interested.

Not it was this way, I sit down it.

Is it because you spoke with your potato?

No.

Do you no longer like to have sex with me?

Do you no longer believe that I am attractive?

No, that doesn't have anything to see.

I will tell you, after I saw to my

Pope being whipped for my he suckles

as that blocks it, so when

I go to the asylum it is everything of that that
they want to speak, so now every time
that I say something, he/she repeats in my head
and I see to my potato whipping
to my potato in the ass.

It is quite unfortunate. It stinks.

That horrible, I sit down it.

If, but you know that,
neither you made an effort so much.

Alone you put me expensive of
sex and you grabbed me the piece.

Of agreement that such
this? do you like that?

To that I referred.

If...

- Woddy this leaving.

- Seriously?

Shit.

Partner, I believe that you gave him/her
to somebody. Stay here.

before somebody sees us

We have a dead in the maletera!

Alone you stay calmed,
don't say anything neither cry.

My God has a dead

and there this the police.

Be quiet, calm.
Good night, it licenses and registration.
Clear.
Here he/she has.
It could take their keys out of the one
ignition and to come stops here please.
He/she comes here with me.
My God Jimmy.
Carajo!
That carajo step?
- Tell me what I happen...
- Be quiet carajo!
Tell it to me carajo.
That you make?
Filming.
It is dark you cannot see anything.
Does this in infrared want to see?
Not I want to see it.
Seriously? it is beautiful
This dead one, in my car and it stinks.
I want to go home.
Not I can make this. Not I am as your.
I want to leave home.

Jimmy doesn't make that.
Do you know to where we will go?
To where?
To Lincon to visit Dingo.
Who Dingo is?
He/she has their house and he/she speaks to him/her
of you he/she wants to know you.
He doesn't like this way policemen
that I don't believe that he/she invites them there.
Could you give me a small smile?
No, I am not able to, I sit down it.
Did you find the video?
If.
I remember that video of which you/they speak.
This well, likes me them to stay.
I have businesses so it is important
that when they knock on the door...
Don't assist her, neither neither
the damned telephone.
Outside of that we will have a good time
a lot because I have enough coca.
And that shit this
buenaza! do you want a touch?
No, maybe but late.
Friend tells you something, you have to leave
of filming because the fumones comes
and if they come something like that, they will become crazy.
So it is very important.
The jalones is a different race.
They are very impredecibles, never
you know what you/they will make.
Carajo!
There was a pendejo that you ascended
to their roof to make the excrement.
There being so many places to shit!
For that don't lend me attention to my?
I sit down it.
Am I sexy?
You are very sexy baby.
I have a work for

That well, I always wanted
to learn how to make methamphetamines.

You are a genius, partner.

- It is for you

- Thank you.

Friend...

Is she your girlfriend? or alone they throw?

If, he/she is my girlfriend, alone I have one
it never rules, never throw it to you.

that I never speak to you again but!
We will have a good time friend.
We go you take it.
Do you believe that he/she deserves to die?
- This maricon violator?
- If, it deserves it.

And for the drug.
As you feel baby?

- We will pull it.
And the cash?
We will make what you want
affection. That you find?
It sounds incredible.
And now only Elvis.
Of agreement.

I have understood that they have
their own votes. The votes?
Thank you, thank you, let us see.
Judy always promises to swallow it
never to intersect the hair
or that another man injects you his
do punish until one dies from you?
I promise it.
And Jimmy always Promises
follartela with estusiasmo
to take a bath once a day and not to inject
does your penis in another body until one die?
I promise it.
Now the rings.
It is the best part.
Now I declare them husband and
woman. You can kiss the girlfriend.
That can cut it.
Enter one it lines.

There are two suspects in the intent of
the officer's murder Frank Mitchell
who was hurt when stopping a suspect of
to run over a pedestrian two nights ago.
The two suspects are
James white Wright 22 years old
And the student of 18 years of the
secondary Judy Elizabethh Oaks Keller.
Don't tell me that...
He/she waits you are quiet.
And although there is not anything official him
they have considered in situation it criticizes.
The boys were filmed for
the camera inside the partrulla.
The sheriff's department

he/she has given to see the video
To be able to involve to the I publish
in the search of the suspects.
We want to notice to the televiewers
that the images that you/they will see
they are of graphic nature
and not appropriate for children.
Discretion is recommended.
Judy didn't want them to separate us.
I suppose that now they know who are.
In fact as that we are famous.
It is it but romantic that has heard.
I love you Judy.
Me also.
Jimmy your parents.
We are surprised for
the recent events.
Our son...
It was always a boy
sweet a little confused.
But we want him to know that
we love him a lot and we want...
Dog!
I found a rasuradora baby.
We go sits down, it is hour.
This well.
- He/she waits

Sacred God.
Put on but behind.

Not I can see.
We should leave it there.
No, I don't want to seem bald.
To comb this way me it.
I like this way it.
We go, seriously.
- He/she feels well something.
- If?
He/she waits...
If
My God, you are a pig when you eat.
That is very disgusting.
I won't take you to the field club.
He/she hears.
Do I sit down it, do Hurt your feelings?
This well, I promise you to take you.
Seriously? when?
Not him you.
Thank you to marry
with me. You are my prince.
And some day, we will have a fence and
a great house and a beautiful bebito.
As we will call it?
That it happens?
Anything.
That I happen?
Shit, lowers the camera.
- My God.
- Van to our room.
Shit.
They know where we are, they caught us.
Of agreement vamonos.
Enter!
- Did they see each other?
- I don't believe it.
I have to think one second.
Not I believe that they saw each other we are safe.
My God... that was close.
Good morning.
Wake up dog.
As he/she feels this morning Sra Wright?
Where we are?
It is a surprise.
I want that your you manage because I want

that me to film you when we arrive.
This well.
Get up.
That I will see?
I hate when me
you make this alone you tell it to me.
It continues looking for.
I want to know.
Alone it continues managing.
My God, is This?
If.
Is it where your friend lives?
It is where we live.
Seriously?
For a while if we want it.
My God that I abut
All they live here?
If.
- It is astonishing.
- It is as a rock concert.
He/she looks at all...
We will intoxicate ourselves and
we will undress the whole time.
- You go over there.
- There?
If beside those types.
- Take it.
- This well.
- Is the uncle Rodney?
- No, it is Buddy.
But Rodney wants to know us.
Seriously?
If, we are as celebrities.
My God.
We will celebrate.
We have here as 35 trailers.
If they are open they can sleep there.
Maybe arrive some types and...
Judy looks! they have hairy vaginas here.
Not my girl, I make him to clip it to him.
I don't like it.
Maybe arrive some types to the devil!
All are kind here, always
he/she is where to sleep.

You that it doesn't seem a lot
but here it is the maximum thing.
We make many parties
and you puden to be.
They can stay forever.
If they stay they know the rules
There it is the laboratory...
don't enter there.
Don't film it.
Rodney puts on as crazy.
Which the rule is 2?
Anything of policemen but not
I have to worry about UYds.
But outside of that they can make
all that gives them the desire.
What you/they want carajo.
Do you want to stay to the parties you know?
Jimmy, most of the time pleases me
I have go to sell but the uncle Rodney
he/she told me that you were brilliant and to the one
to look like each other won't go for a while.
That maybe a couple of months takes.
Maybe a couple of years, but
are not we hurried truth?
Clever? one, two three.
Now, he/she looks that I abut
they enter to their new house.
They are very tender.
As he/she fades this shit?
If you give your love to the uncle Rodney
he/she returned him to you as 10 times.
But be not afraid of loving him
because you will learn how to love you to yourself.
He taught you of everything.
As we are connected.
The uncle Rodney respects us,
he/she can be your savior.
Or your executioner, your you choose.
I have seen it get angry enough
with people that steals him/her.
We make it different, we take charge
we, don't call to the law.
We solve it internally.
This type with which Matt was

or something had just come out of jail.
and I am on a place where
you could make what you want.
Without having to worry
for all those shits.
And the world of out.
And I told him/her: friend that well, this way
that I came to look at it and I thought that if.
It is this way like it should be the life.
Hello baby.
- They come this warm one.
- Seriously?
If, we go.
No, I will film you for a while.
- As I see myself?
- Beautiful.
As I see myself now?
Sexy.
Let us go!
Hello another time.
Do you like it here?
Can we stay?
It Depends on Rodney.
As the one it is?
Not him you, is supposed that it is strange in
reality, listen that it is very strange.
Good if it is strange or very strange.
If we can stay
always like Buddy says.
Not we would need anything but.
Won't the police come truth?
This of the camera is amusing.
Does he/she hear These nervous one?
No.
I he would be.
It is supposed that it is brilliant.
If it is it, but don't you have he/she devises truth?
Judy wants to know it, not
does it care if I ask him/her truth?
Not you have to make it, if they come
small the he/she wants to know them.
That carajo that means?
Relax you friend, it is as if
you were one of their boys.

I will give you two weeks and you will want
that she experiences it with the one.
Your will also want it.
Alone he/she walks to see it. He/she wants to know you.
He/she takes your camera.
He/she walks, they are waiting for you.
Carajo.
These filming?
If.
Where I put on?
You can sit down where you want.
This well.
Then...
I want you to feel comfortable.
Do you feel comfortable?
That believes.
The important thing is to understand each other.
Please, please.
One second, I have to take care to my he/she drinks.
Don't put on this way.
There are people that comes here and
they are very you leave here as Connie.
When they arrive here no longer
there is anything that he/she can make.
Except alleviating them the pain.
Certain affection?
A probadita that you say?
If, if.
This way?
The addiction takes out something
beautiful in people.
The addiction is pure.
The addiction reduces to
people to infants.
And there is not anything so beautiful,
innocent and pure as an infant.
Connie is no longer one
adult, is my adoptive daughter.
And I should provide him/her the milk
necessary from time to time.
It is an arrangement that both
we end up accepting and to understand.
I love you.
- Clever?

- If.

Thank you.

These list?

Well, affection walks.

Pope has to work.

Before please beginning.

Ysare this tape for my fans.,

and there is a good one I number, this way
that we try not to shit it.

I want to apologize before beginning
if what I say gets scared or it inconveniences you.
I will be well.

No, you won't be well.

What I have that

to become trained will be terrifying.

The truth is an acquired pleasure.

But once you arrive to it.

It is all that you will want.

It is everything.

Those boys there, those

undesirable. Maybe you call this way us.

Your, me, we know the truth.

We know it, your you know that

the society doesn't love you.

Your parents don't love you.

The corporate norteamerica seriously

that he/she doesn't love you, but you would not be here.

If this government had the opportunity.

They would exterminate us without thinking it.

The same as the Jews

or they would make us slaves.

As the black ones, because you don't made a mistake

we are the new ones black of this country.

Nobody respects us, nobody goes

what we have to offer.

Nobody has compassion for us.

They don't care or they are very frank

to see that we are the column of this.

of a society that has failed us.

To educate or to fill.

To inspire none of us

we are the garbage of the society.

Not there is against culture. There is no longer her.

He/she left, he/she died and it was

replaced by us.
The culture garbage.
They made us to a side.
We have been prisionados, contained.
Systematically abused.
Executed, they enlisted us
armies for government's pendejos
with the purpose of killing us.
That is everything, to kill us.
And every week somebody appears
in my door and they are addicted.
And they are angry, because
they took advantage of them.
They threw them to the garbage.
I will tell you something, every time that somebody this way
he/she comes to unite to the society garbage
this society is made but strong.
And they weaken a little.
Until the days and the convicts
of this country they are left without place
where to put the garbage.
Don't rot it to put in none
it leaves and it will be put in their cities
it was dammed of the places where
they put it to control.
And we will burn their world!
Him prederemos fire!
And we won't rest until one
fire rain falls in its heads.
And then we will fornicate in their ashes.
That is what you have here.
That is here.
I am glad so much you to come.
You these having a good time?
We love it here.
I am glad to hear it, him him
that you made to Dingo.

Do remain silent it, now you do like?
I will violate your girlfriend. I will violate it son.
As you feel damned?

You have to be awake.

Am I with you?

Jimmy.
The camera not now if?
No, he/she remembers when us
we knew with the camera.
I remember that scared me.
Do you know as much as money has?
Not him you, Because?
He/she planned to go to Canada.
This but it fences that Mexico.
This well, whenever this
with you, all this well.
In fact he/she thought of taking you to house.
That?
He/she thought...
In to write you or to send you a video.
You have to tell them that you
force they will believe you.
No, I don't want that.
He/she listens, it will be well, me
I will be well, I will go to Canada

and your you can leave to Mexico.

Not I want to be without you.

You that we swear for the knot

that we would never separate.

But...

I allow to leave, I won't get angry.

No, Jimmy, I will stay

with you and your with me.

This well.

Are you very handsome the wise ones?

Jimmy for, these very bad one to manage.

This well.

Did you want to wonder something?

- Does Judy love me?

- You know that if.

Do you know that me to you truth?

- Affection.

- That?

- Us jodimos.

- As this way?

He/she looks at the rear-view one.

You finishes affection.

Stop, it is not worthwhile

Judy, my God, this blocked.

He/she listens...

Jimmy is quiet, Because suddenly

did you put on like a dog?

I will tell them what I told you before

that he/she forces you to make all that.

We will stay together!

Not we can be together!

If we can, I won't give you, I am not able to.

- Judy, I love you.

- Me also.

Do you listen that?

My God.

It is a barricade, dtente.
