Produced by LJ Film

Welcome to our show tonight!  
We invite many people  
with extra ordinary abilities  
from all over the country.  
I can't wait to see  
the special powers they will...  
show us tonight and that will  
bring pleasant surprises  
to our mundane life.

Let's welcome  
our first contestant.  
Here we have a good looking  
young man locked up in a box.  
Can you tell us  
a little about yourself?  
My name is Jung-ho Ryu  
from Nonhyun-dong.  
Well, that was simple.  
What kind of powers  
do you want to show us tonight?  
I... I can find out  
You can find out?  
What can he find out?  
Let's take a look  
at his power.  
Wow, that was incredible.  
I am more than surprised.  
I bet you earned yourself  
a nickname for your power.  
Do you have any?  
Like the ones your friends  
gave you...  
A monster...  
A monster.  
Missing Girl  
15 years later  
Yes, I just arrived  
at the airport.

Are you listening?  
... more concerned.  
Financial Supervisory Service  
said that the enterprise  
took out a loan twice.  
But there are 11 records  
that the enterprise asked for  
the credit history...  
What about Chang-bae?  
Can you wrap up the  
In-yeon Gang case any slower?  
All you gotta do is  
to bust his ass.  
You and your damn laziness.  
Fine, fine...  
Wanted  
I'm telling you  
I'm always with him.  
If I'm this desperate,  
I shall meet him soon.  
What the...  
An unidentified,  
jumped into the subway tracks  
earlier today.  
As a result,  
a lot of people had  
hard time getting to work.  
Look how cold-blooded she is...  
What a bitch!  
What do you mean?  
She looks pretty hot to me.  
Talking about subway delays  
when a man died?  
This news program  
is a trash!  
You expect her to weep, then?  
I'm not saying  
she has to feel sad.  
But she's not giving a damn  
when a man died.  
A public figure  
shouldn't be like that.  
Mind your own business.  
Just go get

Chang-bae for me.  
I have a pretty bad feeling  
about him.  
Fine, fine... I will soon.  
Come on, get moving!  
Can I help you?  
Professor said he's going on  
a business trip  
and told me to give the keys  
to his nephew.  
He was very worried  
and tried to contact you.  
Just what I expected!  
The photos have strong vibes  
As well as the artist.  
It surely is worth my effort  
spent to hire you.  
Thank you.  
Thankfully, this month's issue  
is right on track.  
When are you leaving  
the country?  
In about a month.  
Can you keep yourself  
available strictly for us?  
We could use your service  
for the next month's issue.  
What do you say?  
I feel drowsy again.  
Maybe it's  
some sort of disease.  
It sure is a disease.  
From living without any girl...  
and working for 5 years  
in the homicide squad.  
Up yours.  
Like your new car?  
What good am I  
without talking trash?  
Talking back is like  
automatic now?  
Cut back on junk food  
and get a proper meal with me.  
I'm fine, mom.

I'll catch you later.  
Hey!  
Whoa! Sorry about that.  
Wanted- Robbery and Assault  
Alright, now.  
Son of a...  
Come with us.  
Huh? Oh, crap!  
Who are you to interrupt  
our business?  
Look at his eyes.  
Do you not hear him asking?  
Huh?  
You dumbass.  
Are you  
some kind of bad ass?  
You can stop this now.  
Shall we?  
Want us to stop?  
Well, well, well...  
What are you  
gentlemen doing here?  
What's your business, sir?  
Detective Kim,  
What's the occasion?  
I got a few.  
'Hot! Sauna'  
Here, take it.  
'Hot Sauna? '  
Go on, take it.  
- Hey, you!  
- My nose is bleeding.  
That's my boy!  
Started a new business?  
Earned yourself some money?  
A sauna? That's nice.  
One at a time,  
I'll use my fist.  
OK.  
Two at a time,  
I'll pull the trigger.  
My ass!  
You should consider  
yourself lucky.

Go on, let it go now.  
There we go.  
Are you okay?  
It hurts... so much.  
Not talking to you!  
Catch me if you can!  
Quite a nice brand...  
Can you watch these guys?  
Chang-bae!  
Come here.  
Come here, son of a bitch!  
Why are you  
wearing my coat?  
Give it back.  
Oh, this?  
- Fits me perfectly.  
- Looks big on you.  
Never had anything  
this expensive.  
Hey, Chang-bae.  
Come with me,  
I'll be gentle.  
- No thanks.  
- You piece of shit.  
See? Captain  
knows right away.  
Bitch...  
Yes, captain.  
Guess who I'm with right now.  
- What?  
- Got all the time in the world?  
Detective Choi is on him,  
so get here quickly!  
Yes, sir.  
I'll be right there.  
Chang-bae.  
What?  
Maybe today's not the day.  
Huh?  
That's it?  
A girl... about 9 years old.  
No external wound,  
drowned in  
the laundry machine.

Was she kidnapped?  
We're working on it.  
No witness, no fingerprint.  
I knew it.  
So much for  
good peaceful days...  
Gotta get through an autopsy.  
So let's go back for now.  
Yes, sir.  
Go ahead and wrap it up.  
Yes, sir.  
I'll pay a visit to  
the bureau of investigation.  
Chilly, huh?  
Thank you.  
Personal Profile  
Soo-yeon Park  
Child Custody Agreement  
Her father died  
from a car accident.  
And her mother has been in hospital  
for 2 years now.  
So we applied for a foster care  
and thankfully you guys...  
I'm not who you are  
looking for.  
Come back  
in about 2 weeks...  
That would be a problem.  
The orphanage where  
she was staying at...  
Recently shut down  
and she has nowhere to go.  
Please understand  
the situation.  
She is very smart  
and very disciplined.  
She won't make any troubles.  
They will be back soon  
So make yourself at home.  
Thank you.  
It's hard to estimate  
the time, but...  
She died roughly about

Unidentified,  
No external wounds.  
No evidence of sexual assault.  
The time of kidnapping was  
less than 24 hours ago.  
The thing is, we found drug  
from the blood test.  
Drug?  
Yes, seems to be a hypher...  
Called magic mushroom,  
it's a substitute for drugs.  
Very popular in America.  
We don't have that  
magic shit in Korea.  
Not in Korea,  
but there's a similar kind.  
That might be it...  
What is this?  
Is it smiling? Or crying?  
That's one freaky face.  
I don't know.  
Might belong to the kid  
Might be the kidnapper's.  
Looks handmade but...  
we're looking for the source.  
- Hey, kid!  
- Yes?  
What kind of  
report is that?  
Captain.  
It feels like  
there's another coming.  
Another one coming?  
You want another one  
to happen?  
You wanna see me get fired?  
Son of a bitch...  
Go find out more about  
the magic mushroom.  
Yes, sir.  
Oh crap!  
The In-yeon Gang case!  
Suspect's Statement  
Alright, let's see.

What the hell is this?  
Just as written.  
Soon as we got moving  
after planning our moves,  
Mr. Anonymous suddenly  
approached to us...  
and told us  
the money was for surgery  
for the lady's son.  
Feeling perplexed,  
we headed to the restroom  
to have a talk.  
Then Mr. Anonymous suddenly  
turned aggressive and...  
Who are you  
trying to fool here?  
Is Mr. Anonymous  
the lady's son?  
Does he know you guys?  
Then did he hear  
you guys whispering?  
Is he the  
Six Million Dollar Man?  
It doesn't make any sense!  
I know, isn't it weird?  
Who are you  
trying to fool?  
The Six Million Dollar Man.  
I know.  
This is Min-hee,  
she is a transfer student.  
Let's make her  
feel welcomed here.  
Anybody sitting  
next to Jung-ho?  
Go on, take a seat.  
Now, today we are  
going to learn...  
I'm Jung-ho,  
Jung-ho Ryu.  
That's a snack.  
You should get a proper meal.  
Hello.  
This is the chief editor

of National Geographic.

We're done with the plan now.

- I'll e-mail you the details.

- You got a phone call?

See you at the gallery tomorrow.

We can talk about next month's issue.

Check your e-mail.

Autopsy in progress

It looks just like the

last one.

The age, gender,

even the drugs are similar.

Time of death?

It's a drowned body

so it's hard to find out.

But it seems to be

before the last one.

Before?

You're saying...

there could be more?

Detective Choi.

No right order,

no witness...

So complicated.

Detective Choi,

where was it found?

In Hooam-dong,

she was in a water tank.

So it is similar to

the last case.

Right?

Both of them were drowned...

What is this world

turning into...

Give this to your parents

and tell them to come.

Yes ma'am.

Talent Show

Invitation

Soo Yeon.

Hey.

I'm sorry

I had a load of work to do.

I should've gone with you.

So? How is it?  
Does he treat you well?  
- He is...  
- Yeah?  
He's so scary.  
He doesn't smile.  
He doesn't answer me.  
He's probably  
feeling awkward.  
You promised you'll smile  
no matter what.  
Gonna see your mom  
with that long face?  
Come on, smile.  
A suspect?  
He's holding a kid hostage  
And we found another body.  
It's been 30 minutes now,  
and he's speaking gibberish.  
Yeah? Then it's similar.  
Nothing is ever that easy.  
Oh, you're here.  
Stay here for a minute.  
Alright.  
What the...  
The Six Million Dollar Man?  
Leave us alone!  
Get out of my house!  
Put down the knife.  
None of your business!  
I've got nothing!  
My child's life is up to  
my own will!  
All of you!  
Get out of my house!  
Then kill him.  
- What?  
- Go on, kill him!  
Yes, kill him.  
He's better off dead  
then living with you.  
You know  
what he was eating?  
Garbage.

God damn garbage  
off the street!  
Take a look at yourself.  
What has he done wrong?  
He's so young and innocent.  
Get the kid!  
We'll take him,  
close the scene  
and wrap it up.  
Go ahead,  
you can tell me everything.  
What is it  
you want to know?  
I can find out.  
You know I can!  
Fine!  
My stepfather touched me!  
Did you really  
have to hear that?  
Are you happy now?  
What can you do for me?  
I'm going crazy...  
It's so filthy  
I can't stand it!  
Min-hee.  
Let's make  
this world beautiful  
So who is that guy?  
Six million dollar?  
Is he rich?  
I saw him yesterday.  
He's quite mysterious.  
Mysterious? How?  
I don't know...  
He's got some special eyes.  
Eyes?  
You!  
Yes?  
Look at my eyes.  
What am I thinking  
right now?  
I don't know... Women?  
Nevermind.  
Forget about it.

Damn, kids are dying,  
I keep bumping into a freak.  
What do you think  
the kids were like?  
No missing report...  
Wouldn't their family  
be worried?  
Maybe they don't  
have family.  
What? I was just joking.  
Yes! They don't have family.  
No family,  
therefore, no report, right?  
- Orphans?  
- Okay.  
Let's look into it.  
It's delicious.  
The soup is great.  
Child Care Report  
I worked on it  
all night long.  
Are there usually  
this many?  
These are the families  
that are confirmed.  
These are the three  
who says the kids are missing.  
Name/ Kim Joo-mi  
Any reason they don't  
file a missing report?  
Well, the kids  
sometimes run away.  
They probably think the kids  
went to where they came from.  
Here...  
You can see them  
having hard time  
adjusting to new home.  
A house without a door  
or people drawn only with lines.  
Tells you they are  
mentally unstable.  
So we were doubling  
the meetings,

and making more visits...

This one is

a little different.

Yes.

It's a girl at an orphanage

that I volunteered before.

She was so bright then...

Thanks for your help.

Thank you very much.

Thank you.

Did you see that girl?

What a prude face

with a smoking body.

Dumbass...

Child Care Report

There's a family

I couldn't contact.

There was a small mistake

during the procedure.

The parents we signed

weren't available.

We had to leave her

under a certain situation.

A situation?

It was a mistake.

She used to like me a lot...

I'm a bit worried.

Thank you.

Oh, and I forgot...

Can I have the profiles

of the employees?

It's not a big deal,

just for reference.

It's a part of procedure.

Take care.

Can I take a look around?

Yes, officer.

Park Soo-yeon.

Did you look into it?

Current guardian's name is

Ryu Jung-ho.

32-year-old male,

his parents died from

a car accident

His uncle, who adopted him,  
owns the house.

Yeah?

Went to the U.S.

At the age of 17,  
no criminal record.

And the child?

She's in class.

One of my guy's on her.

I made a visit to his house.

Then you should come here.

You'll be

very surprised.

I can't wait

to see that face.

- What do you mean?

- Quickly.

- What?

- Get here quickly.

Fine, nothing special here.

I'll get there soon.

- Okay.

- Alright.

What the... Lolita?

Third time, huh?

They say a series of  
coincidence means a destiny.

Third time already.

Crazy...

I'm falling under  
a suspicion, right?

You can tell?

Well, I can't wait when

I'm curious about something.

The subway incident,  
and the hostage incident...

How you knew it,

why you did it

I wanted to find out.

What can you tell  
from that couple?

Well...

They seem happy  
to death to me.

We often miss  
even the things we see.  
The girl is  
wishing him a happiness.  
And wants him  
to remember her.  
You can tell what and how  
someone is feeling.  
From looking at his actions.  
I just...  
happen to know more.  
Mr. Jung-ho,  
when did you arrive in Korea?  
You have no parents,  
went to the U.S. To study.  
Working as a photographer.  
What do you want?  
Your darkroom is filled with  
pictures of girls.  
Quite an unusual taste,  
I see.  
Seen anything like this?  
You like dolls, too?  
Do you know Soo-yeon?  
I'm so glad  
he likes the soup  
I made for him.  
I'll cook you one  
when you wake up.  
Mom, you want to hear  
the song for talent show?  
# You are born to be loved  
# Within your life,  
you are being loved  
# You are born to be...  
Mom... I don't feel well  
He's going for  
only the orphan girls.  
And Soo-yeon could be  
his next target.  
It's an instant shock.  
A shock?  
You didn't know?  
She had an internal bleeding

in her eyes 2 years ago.  
It's a minor cataract  
It wasn't hard to cure then.  
But her cornea is infected,  
and it's now incurable.  
Only if we stopped  
the infection...  
If she doesn't get  
a cornea transplant,  
she'll permanently  
lose her sight.  
It was a car accident.  
Her father died,  
and her mother  
became a vegetable.  
Poor little girl...  
So young and innocent.  
I will take the MRI,  
but it will be the same.  
It's now incurable.  
Don't worry,  
it's just a bad cold.  
You should be proud of her.  
Get well soon.  
So you can finally see her.  
Yes, thank you.  
The first case happened  
And he arrived 4 days ago.  
He's not the one.  
Is that so?  
We often miss...  
even the things we see.  
What?  
Is that  
some fortune cookie?  
What's wrong with you?  
The breakfast!  
What happened to me?  
You have a cold.  
The doctor said you should  
eat well to get healthy.  
Do you eat like this  
every morning?  
But her clothes

is different.  
Right?  
We never bought her this.  
Since when  
have you even cared?  
Have you ever seen  
this guy?  
So you think he's the one?  
Well, he seems  
ordinary, but...  
His daughter died last year  
from pneumonia.  
She was 10 years old.  
That's about 3rd grade  
which is similar  
to other victims.  
How about his family?  
Only had one daughter.  
He got divorced  
and is living by himself.  
And Detective Choi?  
He's looking after  
the next potential victim.  
He was in charge of  
this guy.  
The kid wouldn't  
open her mind.  
So he often visited us.  
We really liked her...  
It's my first time  
seeing her smiling.  
That... Jung-ho is not  
the one for sure?  
His arrival record says so.  
But what's with the drugs?  
Just to make them  
feel good?  
Good nutritive conditions  
Weird clothing...  
Then suddenly  
changes his mind  
and kills them?  
- Weird, right?  
- Yes.

Took a good care of them,  
and no sign of  
external wounds.  
That means  
it wasn't intentional.  
Exactly.  
The doll...  
and the mushroom.  
He wants the kid to smile.  
Therefore take a good care of her.  
Hide them.  
Hide and protect?  
Okay.  
Let's see.  
What is this for... huh?  
They are all so useless.  
God...  
Video tape?  
A pervert?  
Whoa... a mushroom soup...  
Alright.  
Yummy.  
What?  
Pretty.  
Little pig,  
Please open the door.  
Let me come in.  
Yes? Oh!  
It's a big bad wolf.  
Please open the door.  
Invitation  
# You are born to be loved  
# Within your life,  
you are being loved  
# You are born to be loved  
# Within your life,  
you are being loved  
# God's love that has been  
from the beginning  
# Comes to bear fruits  
Through our meeting  
# How great is our joy  
# Because of you  
in this world

# You are born to be loved  
# You are being loved now  
# You are born to be loved  
# you are being loved now  
You two should get closer.  
You are the first one  
who visited me at school.  
My mom...  
My mom...  
Doctor said  
she's sick and  
taking a long nap.  
She couldn't make it today  
but she will next time.  
Your mom is...  
very proud to see you  
being very courageous.  
You've talked to her?  
How?  
You wanna know a secret?  
What place do you  
want to go the most?  
You must be this tall to ride  
Hey...  
Can you teach me  
how to take pictures?  
Give me a smile.  
Smile!  
You...  
You should've helped!  
It was going to  
die anyways.  
But, but...  
You shouldn't interfere  
something you can't change.  
It only leaves pain.  
You still  
should've helped her!  
Everyone dies some day.  
The mommy bird,  
the baby bird.  
My mom is not gonna die!  
I... I hate you!  
Mystery of

supernatural powers...  
He was pick pocketing  
at the crosswalk nearby.  
And got hit by a car.  
Nice going.  
I looked into the bags  
for any IDs...  
But he had so  
many wallets.  
And we found hallucinant  
in the blood test.  
What the hell,  
he does drugs, too now?  
He does every  
filthy thing.  
Tell Detective Yang  
to file a report for him.  
Yes, sir.  
You shouldn't smile...  
Mom.  
You're gonna get up,  
right?  
That's a pretty flower.  
What's your name?  
The flower? Or me?  
Get off and say goodbye.  
There we go.  
What happened?  
Are you okay?  
Are you alright?  
Soo-yeon... Where is she?  
Why is he not answering?  
Maybe something happened  
to Detective Choi, too  
Damn it!  
Where the hell is he?  
Damn...  
Who is this guy?  
Wait, that guy?  
Where's Soo-yeon?  
I know she was with you  
Where is she?  
I went to your home  
and tried to contact you.

But I couldn't.  
And I lost contact with  
the guy keeping eye on her.  
And I ended up like this...  
We know you're very worried.  
But you should wait  
at home.  
It's all my fault...  
I disappointed her.  
Poor little girl...  
Homicide squad.  
Yes... what?  
What time was it found?  
Detective Kim,  
it's that way.  
Jung-ho.  
Let me go check myself.  
Don't worry too much.  
Hello?  
It's me.  
You, piece of shit  
Where the hell are you!  
I left my cellphone  
in my car in a rush.  
You still  
should've contacted me.  
Where are you?  
Are you okay?  
My legs are so sore from  
walking around all day.  
- All day?  
- Yes.  
Were you with him  
the whole time?  
Of course!  
To the orphanage,  
kindergarten.  
My car probably got towed, too.  
Nevermind your fucking car.  
Just get back here!  
Tonight another girl was  
found to be dead  
at the recycle centre  
in Gangnam-gu.

That is the third victim,  
and the police is investigating...  
It's getting  
so complicated.  
- Should we eat?  
- Watch it, watch it...  
Take it easy man,  
I'm a patient now.  
Man, that hurts!  
Captain!  
You left hospital now?  
Yes.  
God, that bastard...  
Come on, move, move!  
I heard you got promoted.  
Wow, congratulations!  
Can you go to jail now?  
What are you talking about?  
I just got out.  
It's been so long,  
I should go around.  
And say hi to everyone.  
Is that so?  
Then get something to eat.  
Keep it quiet!  
I'm losing my appetite!  
Sense the damn mood!  
What's wrong with  
Detective Kim?  
None of your business.  
Do you do drugs, too now?  
Who did you get it from?  
What do you mean?  
I don't do drugs.  
This shit right here.  
I'm never having  
any mushroom ever again.  
The soup with this thing  
really screwed me over.  
That's right.  
It felt so weird and all  
Did you say mushrooms?  
Getting ready for  
talent show

The talent show  
You know it, too.  
There's nothing you can do.  
That's not true.  
Not true!  
These are the victims,  
right?  
Yes, sir.  
Where did you get these?  
Yangjae-dong residence,  
next to the Green Villa...  
- Wait for me!  
- The closet in the room!  
There's a box  
in the closet!  
- Call for a backup!  
- Right away, sir.  
- Hello?  
- Answer the phone.  
This is detective Choi.  
I have a favour...  
Huh?  
We tried to contact you  
but you didn't answer.  
We found another evidence  
We're on our way.  
Evidence?  
Yay!  
Getting ready for talent show  
The talent show  
Hey...  
Where am I?  
What's wrong?  
No, I have to  
take care of you.  
It's okay, it's okay.  
Once you get in,  
get the kid first,  
- Yes, sir.  
- OK?  
- Captain!  
- Did you find out?  
It's Jung Yoo-jin,  
from child care services.

What?

Who?

- Come this way.
- Look closely.
- Did you find anything?
- We got the mushrooms!

Nothing in here.

Where's

the investigation team?

- Get moving.
- Yes, sir.

Orphanage

You'll get drowsy.

Don't worry about anything.

You should go to heaven.

Soo-yeon!

No... not here!

Jung Yoo-jin herself  
is from an orphanage.

Adopted at 17,  
and was in a forensic  
psychiatry for 2 years.

Forensic Psychiatry?

For what?

She's got a diagnosis from  
a psychiatrist.

She was sexually abused  
in her foster home.

Then she stabbed her  
foster father.

I tried to look deeper about it.

The foster parents refused  
to discuss about it.

Let me see that.

Be extra careful.

We're on our way,  
so don't make any stupid moves.

Get it? Hello?

Hello? Hello?

Detective Kim!

Soo-yeon!

Soo-yeon, wake up!

Mr. Ryu...

Yes, it's me

Are you okay?  
Get that filthy hands  
off of her!  
Soo-yeon!  
Are you okay?  
I feel dizzy...  
Soo-yeon, come on.  
Let's move.  
This way.  
No!  
Yoo-jin...  
Come on, you gotta hide.  
Come here!  
You shouldn't be with him.  
No... Come this way.  
Don't do this!  
She's not your child!  
Dad... give me the baby back.  
Please don't.  
Filthy...  
Filthy...  
Filthy...  
You filthy bastard!  
My baby!  
Mr. Ryu!  
Soo-yeon, run!  
Let me go!  
- Don't!  
- Go, quick!  
You should come with mom.  
Don't go!  
Don't go!  
Filthy.  
I'll clean you up.  
I'll clean you up myself.  
It's over now.  
What?  
Everything is over.  
No way.  
Nothing is over yet.  
I can't see anything.  
I'm so scared.  
Soo-yeon, Soo-yeon!  
Wake up!

Soo-yeon.  
Don't ever fall asleep,  
okay?  
I'm scared...  
Soo-yeon! Soo-yeon!  
Jung-ho!  
Are you okay?  
I'm fine  
Just get Soo-yeon.  
What do you mean!  
Suck it up!  
Detective Kim,  
there's no time.  
I'll be right back,  
hang in there.  
Mr. Ryu...  
I've never seen anybody  
who died like him before.  
Covering  
his eyes like that...  
Unfortunately...  
If she doesn't get  
a cornea transplant,  
she'll permanently  
lose her sight.  
Ryu Jung-ho lies here  
He must be glad  
to see you visit him.  
The sound of birds, winds.  
They're beautiful, huh?  
I bet he's listening to  
those, too, right?  
He can't hear.  
He got in a car accident.  
Since then,  
he lost his hearing.  
You wanna know  
a little secret?  
But he said  
he can communicate  
with his eyes,  
and his heart.  
We often miss  
even the things we see.

The girl is  
wishing him a happiness.  
I feel like I know  
what he was talking about.  
That he will be fine now.  
Right?  
Why are you smiling?  
I just...  
feel so comfortable  
around you.  
I don't think about anything.  
I don't worry about anything.  
That's because...  
You like me so much.  
How do you know that?  
You can't even hear me.  
I can...  
listen to your heart.
