everyone is enjoying?  
Forget about everyone...  
Look how happy 0111 son is!

**You:**

She will take good care of him.  
MI. Kapoor, it's true...  
behind every successful  
there has to be a woman.  
The two of us are  
living proof of that!  
Today he is VP, tomorrow  
he will be President...  
then CEO, Chairman.  
How can a man work fol  
16-1101115 a day...  
without a good support system?  
My daughter-in-law will  
5011 out this fool's life.  
Thank you!

Hey Kia.  
What axe you Going hem'?  
Go enjoy yourself.  
Hello? Hello?  
Hello?  
How can I enjoy myself?  
My best friend is dying!  
Today her happiness, dreams,  
identity, independence...  
Basically it's her last day  
of being alive.  
From tomorrow she will  
be a support...  
Like a pillar...  
Ya, ya pillar.  
Sure, that's important too.  
But the world will always say...  
Wow! What a building!  
Who talks about the poor pillar'?  
No, no I like marriage.  
It's a nice concept.  
But Why should I spend my  
life with someone  
who after 40 years will look  
into my eyes and say...  
Thank you fol being my pillar!  
Enjoy, enjoy.  
You ok?  
Sorry!  
Sorry!  
You Want something?  
Ma!  
I Want my mom!  
Yes Minn'!?  
Can you get this gentleman...  
- his Ma?  
- Excuse me?  
Mom?  
Kabir.  
Kia.  
Mom...  
would hold my hand really tight  
during take off & landing...  
Like this...

She was very scared of flying.

Was?

It's been 10 years

since she passed away.

Today is her birthday...

That's Why...

something happened,

something flashed,

something crashed...

and you received this gift.

What gift?

The gift of seeing a boy cry

live in flout of a gill.

You're happy light... -

that your mom was horn?

Then why cry on her birthday'?

Celebrate!

Happy birthday Aunty!

Dad's alive right?

Ya.

Are you sad that he is'?

No... he's OK.

Mama's boy!

Mama's boy does not

like his Daddy?

It's not that.

It's tough...

to like MI. Bhansal is tough.

My dad is Kumar Bansal

Bansal?

The builder'?

I'm already liking you!

You're the son of the man

who owns half of Delhi!

The most expensive scotch!

Double, on the locks

please!

This is the problem with

low cost airlines.

You can't tell the rich

from the poor.

Everyone travels economy.

So'?

MI. Kabir Bansal...

You were in Chandigarh  
to buy Chandigarh'?

No.

My friend had a break-up...  
I was there for moral support.  
Cheers!

**To you:**

So...  
Having issues with dad?  
You Want to transform his  
business with your new ideas...  
but he's not agreeing.  
Corn-wt?  
He Wants to show you  
he's still the boss.  
The usual problem with  
big business families.  
First produce a son  
to takeover the business.  
When the son is ready  
to takeover,  
the father is not ready  
to handover!  
The usual "father-son" friction  
I totally get it  
I have no interest in  
my dad's business.  
What?  
And before you order another  
double on the rocks...  
I Want to share a big  
truth with you.  
What?  
This expensive scotch  
of yours...  
I can't afford it.  
Are you Kumar Bausal's stepson?  
No, the one & only son.  
But if I have no interest in  
dad's business,  
to have interest in  
his money...  
not cool, right?

So What do you do than?  
Why?  
Do I have to do something?  
Yes of course!  
Why do you need to do anything?  
Whether you are interested  
in dad's money...  
or not...  
after he's gone R's  
all yams anyway.  
- What do you do?  
- I work at Marion.  
What do you do there' ?  
I'm a Marketing Manager.  
What plans after that?  
After that, in a couple of years  
I'll be Vice President.  
After that?  
I will be CEO.  
WOW!  
With such clarity...  
every dream comes true.  
- We should have a dream in life.  
- Correct!  
OI of coulee...  
a dad!  
Yes, I have a dad.  
But even I have a dream.  
- Don't tell me!  
- Okay I Won't tell you.  
Okay tell!  
Because actually I really  
want to know...  
When someone has everything...  
What would his dream be?  
Tell...  
I Want to be like my mom.  
Excuse me?  
I...  
want to be like my mother.  
My Plume!  
When-is my phone?  
Give me your number.  
I just called to say

I am not a "She", I am a "He".  
What?  
I'm not gay.  
I don't Want to change my sex...  
I hate pink...  
I like Women.  
I like Whiskey.  
You hid my phone so  
you could get my number, right?  
Cheap whiskey tomorrow night'?  
Can I be honest?  
I did find you a bit Weird.  
So why did you come to  
meet a weirdo'?  
Just like the hook at the  
end of a TV episode...  
which compels you to Watch  
the next episode  
Olll meeting also ended  
somewhat like that  
"I Want to be like my mom!"  
And than? And than?  
And than? And than?  
So just curiosity.  
If it's not a problem  
to be like your dad,  
then What's the problem  
with being like your mom?  
They both produced Inc...  
Haven't ever heard a man say...  
that he Wants to be like  
his Mommy.  
Didn't Rajiv become like  
Indira Gandhi'?  
Doesn't Rahul Want to  
be like Sonia?  
Who was your mom?  
Which country was she  
the PM of!  
She was an artist...  
Was she a singer, dancer,  
sculptor...  
Housewife.  
- What?

- She was a housewife.  
And than? And than?  
And than? And than?  
Today's episode...  
same time, same place?  
The shock has given me  
severe acidity...  
Can't drink tonight.  
Ma' am.  
What's this?  
Dont know.  
Came by courier.  
Dig one'?  
Gelusil?  
It's not the alcohol...  
it's the curiosity that's  
causing the acidity.  
Housewives are the  
world's greatest artists.  
- What's there to be curious'?  
- It's not that...  
I'm just curious to know  
why an INM(B) topper,  
instead of taking his  
dad's business forward...  
dreams to be a housewife  
like his mom?  
How do you know I'm  
from INM(B)'?  
Facebook.  
It's a small world you know.  
But my Facebook page hasn't  
been active for ages.

**I saw you:**

Facebook friend's page.  
Who?  
- Neha.  
- Dhupia?  
Dholakia.  
Forget about yesterday...  
Yesterday is old news...  
I didn't see any  
suggestive pictures.

It was tagged,  
"Me and my genius topper friend".  
So I assumed you guys  
were batch mates.  
But now I'm 011110115...  
Before more curiosity  
gives you more acidity...  
Eat!  
How do you know I  
like this pasta?

**You:**

thick like spaghetti...  
Eyes, black like olives...  
actually,  
eyes not so black...  
Nose pointed like  
baby corn.  
Cheeks flushed like  
cherry tomatoes.  
Lips made of sliced  
bell pepper.  
A spicy tongue like  
jalapeo.  
You are a full on pasta dish.  
You're not going to eat  
stuffed Indian bread.  
Wow Kabir!  
I'm floored.  
No one has ever seen me  
as a vegetable shop!  
So romantic.  
How can anyone be  
romantic with you'?'  
You Want to arrive fast...  
eat fast, talk fast, listen fast...  
move ahead fast...  
Romance...  
happens in slow motion.  
Now did you feel something?  
Neha...  
But somethings fishy.  
The pasta's veg,  
how can it be fishy'?

If you didn't Want to  
he in business,  
Why do an MBA?  
Before being against something...  
one should understand  
it fully.  
Why are you so  
against business?  
What is business?  
A man has a dream...  
To fulfill it he starts  
a company.  
He employs people to  
run the company...  
and gives them all a dream  
of "moving ahead".  
Working day and night,  
"moving ahead",  
earning millions,  
they become blind...  
and can't even see that their dreams  
Were fulfilled long ago.  
Instead of enjoying the  
fruits of their labour,  
they keep "moving ahead"  
like zombies!  
Acidity, stress,  
heart problems...  
Finally they end up in an expensive  
private hospital and say...  
"Thank God! I can afford  
World-class medical treatment."  
What? I'm serious!  
This mantra of moving ahead  
is the most dangerous.  
Who are you moving  
ahead of!  
Where are you going' ?  
Why are you going' ?  
In the housewife sector,  
there's no "moving ahead" madness.  
There's no ranking in  
this industry.  
So no insecurity,

no acidity  
only happiness.  
Oh great Saint Kabir.  
You're full of shit.  
Your goal is to avoid  
hard work all your life  
I've never heard such a rubbish  
philosophy in my life.  
Why?  
If someone like your dad  
does not dream of "moving ahead"...  
then how do you become a housewife  
and sit at home like your mom?  
Mom didn't sit at home  
I'm really sorry.  
I didn't mean it like that.  
How did you mean it than?  
What did you mean?  
Without a visiting card  
or designation...  
a person has no value?  
Is making a home lesser  
than any profession?  
It's the biggest bloody  
art in the World...  
The art of having  
no dreams for yourself.  
The art of being happy for others.  
The art of happily  
sacrificing your identity.  
Do you know What is  
Mrs.. Bansal's actual name?  
She was a pillar for my  
big builder dad.  
A building falls without support.  
Just because she was not  
famous or making millions...  
she "sat at home and did nothing"?  
She was creating a home.  
My mother was an artist...  
A great artist.  
And like every great artist...  
she was also very sensitive.  
She died early because...

just like you, one day my  
father told her...  
"What do you do except sit at home!"  
My goal is not to  
avoid hard work.  
But I work hard to avoid  
useless goals.  
Hey I'm sorry...  
I'm really sorry.  
I didn't mean it like that.  
Hello?  
Sorry man!  
What do you Want me to do?  
Come on now Kabir.  
Aren't you a topper?  
Please forgive lesser mortals.  
Enough Kabir.

**Even you:**

such behaviour towards a gill  
Sunday tomorrow.  
What are you doing'?'  
I have work in office.  
- Take the day off.  
- It's tough.  
Means you're not sorry.  
Hey, this is so cool!  
Shit man!  
This is the solution to  
global Warming!  
Why do people buy cats?  
Actually maybe fol Women  
not so good.  
Then-is a lot you don't know.  
Yes... Can't tell from that beard  
that you're a kid!  
Your (one does not sound  
like you are sorry.  
No, no...  
There's a child in everyone,  
so it's cool.  
You don't Want to go on  
the toy train?  
It's for ages under 12.

I love trains.  
Vintage steam engines,  
mini locomotives.  
Many late models are here.  
Even I have... a full train set!  
The world is into space travel.  
And you're stuck in  
steam engines'?  
The romance of trains...  
You Won't get it.  
You're a robot!  
Corporate robot.  
Your hardware has no  
soft feelings.  
You're a corporate psychopath.  
If it were up to you,  
you'd kill all office-goers.  
There is softness.  
Touch and see.  
Just stone.  
Did your mom and dad  
feed you granite?  
Not mom & dad.  
Just mom  
I was Z when I lost my dad  
in an accident.  
He died very young.  
So only mom after that.  
She married fast,  
had a baby fast  
became single fast.  
So now you know Why  
I am "fist-fast".  
Hereditary problem  
I'm so sorry.  
Happens.  
After dad died mom  
made herself busy.  
She became the queen  
of social work.  
Today she runs a few NGOs  
I've always missed having a home  
and a perfect family.  
I had some softness too...

But now this is me.  
Are you single?  
Why, do I look double to you?  
Don't you have a boyfriend?  
On and off...  
But no one permanent.  
- You scare them away?  
- Boys are chicken.  
They can't handle a woman  
more ambitious than them.  
So you're going  
to die single?  
In an expensive hospital.  
But Why are you so curious?  
Why? Do you hold the  
copyright to be curious?  
OK ask me.

**- When is you:**

- 15th April.  
What are you saying?  
Mine too! 15th April!!  
- What'? Don't lie.  
- Here look, my I.D.  
You think we are twins  
separated at birth?  
1988!  
And you?

**Where are you:**

Never ask a woman her  
year of birth!  
Did you see the 1983 World Cup,  
when India won'?'  
No. I Wasn't horn then.  
And the 1987 World Cup'?'  
When Australia won'?'  
- No. I was too young.  
- That means you are '84 horn  
- '85  
- You said it, I didn't ask!  
Do you like kids?  
Yes. But other's.  
Don't kids slit your

maternal instincts?  
There are so many  
kids around.  
Why produce one more?  
Afraid?  
Kids and marriage will hijack  
your flight to success?  
The idea of marriage is good.  
It's nice to have someone.  
To talk to...  
like a special friend...  
who you can  
cuddle and sleep with!  
Your own private happy space.  
But a Woman pays too heavy  
a price in marriage.  
No offense to you: morn, but  
the responsibility of a happy home,  
is always forced  
onto the woman.  
However evolved a man is...  
a woman's career somewhere  
gets compromised.  
Marriage is not for me.  
Why? So many Women  
manage both Well.  
They're super, super women.  
So aren't you a super, super,  
super woman?  
Not at all.  
So marry me then!  
If you Want to slap me,  
then on this cheek please...  
I have dental problems this side.  
The doctor said I have to  
extract my wisdom tooth.  
"You're too wise!"  
Now Who's fist-fast?  
Slow down!  
Why should I be the scapegoat  
for you to be a housewife?  
Scapegoat?  
You Want to move ahead fast,  
I don't Want to move ahead at all.

You Want marriage but  
you don't Want the domestic hassles  
I Want marriage too...  
but don't want the office,  
career, ambition hassles.  
Even out birthdays are the same.  
OK I'm three years younger,  
but big deal!  
We are 100% made for each other.  
Unless of coulee you're chicken...  
And can't handle  
a man without ambition  
I'm not in love with you.  
Neither am I.  
If you're not in love then  
why do you want to marry'?'  
We should get married first...  
If we fall in love before...  
what will we do after marriage'?'  
You're breathing is heavy...  
You're breaking into a sweat...  
You're body is trembling...  
You're not in love'?'  
With my one touch...  
your heart was pounding...  
You couldn't speak a Wold...  
Skipped work to hang  
with an aimless dude and...  
eat greasy food...  
You're not in love'?'  
Foolish love... Foolish love.  
This love of mus.  
Foolish love... Foolish love.  
All topsy-turvy... -  
Is there a dog in the house?  
Sorry about the mess!  
- Hi.  
- Hi!  
Mom, Kabir  
Kabir, mom.  
Hi Kabir.  
You are her mom?  
Are you married?  
Say the wold We can change

plans and slope right away!  
You only hit on women  
older than you'?

Excuse me?

Where are the older women'?

How old are you mister?

Mom We share the same birthday.  
But he's 1988.  
So he's hitting on you.  
No lines. Full circle.  
Crazy guy Wants to marry me!  
Kabir!

Why do you Want to  
commit suicide?  
Be single, he happy...  
Do something with your life.  
Life is too short.  
Why Waste it being  
someone's husband?  
Actually mom, not husband...  
he Wants to be my Wife.  
What?  
Interesting...  
Meaning you will eat fol flee?  
You Women think like men...  
and then call us chauvinists!  
If Kia was your son...  
and brought home a gill  
who Wants to marry and  
be a housewife...  
Would you ask that gill the  
same question?  
Point!  
But I would ask the  
same question even then.  
My daughter truly loves you.  
Wow mom!  
- You're Sherlock Holmes.  
- You're not getting it!  
What I mean is,  
when Women fall in love...  
foolish men think We  
love only them.  
But we love them,

their job, their position...  
financial security...  
We love the Whole package deal.  
But there is nothing to love  
about you...  
except yourself!  
You Won't even take  
your dad's money.  
Which means she really  
loves you for you.  
Which means...  
there must be surely something  
special about you.  
Oh, your's praising me!  
For a second,  
I was confused!  
But you're OK with this or  
not OK with this?  
Had sex?  
Important before commitment  
I'm very excited!  
Kia April 15th  
Kabir April 15th.  
Kia Weds Kabir, also April 15th?  
Titanic sank April 15th.  
You will never forget the date!  
Dad, Kia  
Kia, dad.  
Sit it's an honour meeting you.  
The honour is all mine.  
It is the first time he is  
introducing me to a friend.  
Please sit.  
What will you drink?  
No, nothing.  
I'm fine, thank you.  
We are getting married.  
What do you do my dear?  
- I work at Marion...  
- Drivel, peon...  
liftman, Watchman...  
Anything!  
First get him a job...  
then do whatever you

Want with him.  
How will he look after you?  
Just like mom did.  
Have you gone mad?  
You'll live off a Woman?  
You are a man!  
If you've forgotten go in, take off

**you:**

If you don't want to do anything

**with you:**

I'm dealing with it...  
It's my misfortune...  
Why are you ruining another life'?'  
A woman is a  
man's responsibility.  
You should take care of  
her, protect her,  
fulfill her every need.  
When a man becomes a  
woman's responsibility  
and stays with her as  
a househusband...  
people call him impotent.  
If you're impotent,  
quietly stay here.  
Why are you broadcasting  
this shame'?'  
MI. Bansal...  
Today I am truly proud  
of your son.  
Despite being horn in this house,  
he is the Way he is.  
If he had taken over you: business  
& made you proud in society,  
then you would call  
him a "man"...  
But fol a Woman...  
a real man is one...  
who knows he's a man.  
Not one who isn't confident of  
What's inside his underwear...  
and has to shout

from the rooftops...  
"I'm a man! I'm a man!  
I'm a man!"  
Today I consider myself the  
luckiest woman in the world.  
Because I have a real man  
by my side.  
Wish you would learn  
something from you: son.  
One minute...  
Didn't buy it with my dad's money...  
It's a gift from my uncle.  
Underwear check?  
Who's first?  
Get serious!  
We're getting married here!  
Congrats!  
Mom's...  
Happy birthday.  
Thank you  
I'll go and reheat the tea.  
So serious about you: duties  
from day one'?  
If I don't impress my wife  
with my service,  
she will kick me out!  
I don't drink tea.  
Then What do you drink  
first thing in the morning?  
Other than single malt.  
Coffee.  
Black, white, filter or instant'?  
I am already  
very impressed...  
you relax I'll make it.  
Black, white, filter or instant'?  
Black. Filter.  
Did you clean up?  
No, I opened the Window,  
a strong wind blew...  
- the place got cleaned up!  
- There is a maid to do all this...  
- She comes at noon.  
- No Women allowed in the kitchen.

This is my kitchen!

Coffee.

Thank you!

- **And you:**

- Tea. Already had two cups.

Bathroom done, jogging

done, shower done...

There! Done praying too.

How's the coffee?

Nice, nice!

Good, good...

All members of this

household are requested...

to always speak the

truth to each other.

This maintains peace and

happiness at home.

Too much milk!

Too bitter!

Good.

Feedback leads to improvement

I'm a tea drinker.

It's the first time I'm making coffee.

How could you hide

such a big truth from me?

If I knew you didn't know

how to make coffee...

I would have never agreed to

this relationship.

Mom, We have been cheated!

Please forgive me.

It will never happen again!

Breakfast? Ornelette,

scrambled, half-fry, French toast?

We don't have breakfast.

Just coffee.

Which is Why you get acidity.

Ornelette, scrambled, half-fry,

French toast...

Gelucil or Digene'?

Stuffed potato parantha,

hot, flied puris...

can't you make?

You Were starving all these days.  
Quietly eat whatever I make.

**OK:**

Ornelette...  
But it should be fluffy.  
Just like in those  
French recipe books!  
Mummy for you?  
Not had!  
What do you know about good and bad'?  
It's the first time you're eating breakfast!  
Eat something?  
Ate long ago.  
You thought I'd Wait?  
Listen...  
This evening...  
come home late. No hurry.  
What kind of a husband are you?  
Aren't you ashamed of sending a woman  
alone into this cruel world to earn for her family?

**And where's you:**

wedding chain'?  
Now get lost.  
Sorry! I just got really late  
I'm surprised you  
got up at all today.  
Guys, Kia got  
married secretly yesterday.  
Congratulations!  
- Thank you.  
- Congratulations!  
- Thank you.  
- Congratulations!  
So Kia, how come  
you're at office today'?  
Where should I go'?  
You just got married yesterday. Don't you  
want to take a break? Spend some time at home'?  
Rahul, What did you tell me?  
You Were in meetings  
even on your Wedding day.  
So you're the Boss and

my inspiration is my Boss.  
Don't remind me! Sangeeta was waiting  
at home with a knife in her hand.  
On our first night together.  
How do we explain  
Oll work to Women?  
Same problem...  
How do we explain  
Oll work to men?  
Come over!  
Brother, I thought  
you were at work!  
I am at work.  
This is What goes on here?  
- I've recorded everything.  
- Sorry brother...  
This is the first time  
I've done this...  
Shut up! Stop acting.  
Now I'll call the police,  
show them a movie.  
Please forgive me brother...  
I made a mistake,  
I'll never do it again!  
I'll do whatever you say!  
Boyfriend, sex, love...  
all are important.  
But before using someone's  
bed at least ask them!  
- Changed the bed-sheet?  
- Yes.  
How much is your salary?  
Ten thousand.  
If you use the  
bedroom again...  
I'll deduct the  
Whole ten thousand...  
Room charge.  
Sorry brother!  
Please don't tell Madam...  
From tomorrow  
12 o'clock won't do...  
Sharp 9.  
Pick up the broom!

Let's drink cheap Whiskey.  
See you in 20 minutes  
I've found a new place that sells  
expensive Whiskey for cheap.  
Where'?

If you do all this in  
flout of me...  
I'll also have to find  
a lap to sit on.  
Some one's been shopping'?

I brought him home  
empty-handed...  
He'd he roaming naked!  
You have to spend some money.  
Housewives don't come for free.  
It's 10.30. Should we  
order some food'?

Black lentils, cottage  
cheese in butter,  
spicy ladyfinger,  
yogurt with fried chickpeas...  
Indian bread...  
And above all, cumin rice.  
What Kahit?  
Why all this?  
We could have ordered...  
Food is "ordered" in a hotel...  
at home food is "cooked".  
But since you are  
so fond of ordering...  
Ham's the hill...  
I need money...  
to run the house.  
There is nobody like him!  
There is nobody like him!  
He's got a thousand qualities...  
There is nobody like him!  
Every girl wishes she had  
a guy like.  
He's the most Wanted man!  
He's the most Wanted man!  
He's the most Wanted man!  
Kabir my whole office wants  
to meet you.

Tonight! Tonight! Tonight!  
What do you think?  
We should have a party everyday,  
at least then you'll come home early.  
What was the need for  
catering, Kia?  
I could have cooked.  
They are coming to meet you...  
and you'll be in the kitchen?  
And hey listen!  
Don't serve...  
Hang around, meet everyone...  
Chill.  
Just hang loose OK?  
Actually...  
What have you told  
them about me?  
What do they think I do?  
What do you mean?  
Has no one asked you...  
the first question everyone  
asks after marriage...  
What does your husband do?  
I said you work from home and...  
you're writing a book  
or something.  
Are you ashamed of me?  
Do I embarrass you'?'  
Kabir...  
It's very difficult for people to  
understand our trip.  
Sorry...  
I'm really sorry  
I'm so stupid.  
Sometimes explaining to  
people is such a pain...  
It's so difficult that...  
out of sheer laziness we just  
avoid the topic.  
But you know what?  
I'm so proud of you  
I'm so proud of what we are.  
Let's show them today...  
what we are.

Lovely house!  
You know, your Wife  
is going to go places!  
- Cheers to that!  
- Cheers!  
Kia was saying that  
you're writing a book?  
Hey guys"-  
I have an announcement  
to make...  
Before anyone else asks what  
my husband does...  
My husband is an artist.  
Cheers!  
My husband looks after 0111 home  
so that I can go places.  
My husband takes care of  
0111 home, so that...  
How do I translate  
go places...'?  
I can fly.  
And he isn't writing any hook...  
But someone will definitely write  
a hook on him some day.  
- So cheers to that guys!  
- Cheers!  
"I am not embarassed by you"...  
You could have whispered  
these words in my ear  
I didn't ask you for proof!  
Is this your mode  
of transport?  
I'm really sorry!  
I don't know how that fell...  
Relax.  
So Kahit...  
If Kia troubles you too much and  
you feel like running away...  
please come to my house!  
No. Not today...  
I have a headache.  
To hell with your headache!

anything to move ahead!

Next time We'll try Italian jealousy!  
Hey, hey!  
Wait wait!  
Hey!  
Wait Wait Wait!  
Happy birthday.  
What is this rubbish?  
Blood test report is here.  
Sugar high. Vitamin D low...

Less food is costlier  
than more food!  
It's all the magic of  
marketing!  
Actually they should be  
paying you more.  
To stay healthy you don't need to  
go on an extreme diet.

Seeing this macho side of  
yours for the first time...  
something is happening to me!  
One underwear check is equal to  
45 minutes of walking.  
Macho?  
Yes?  
- Is Kia home?  
- No she's at work.  
- And you are?  
- I'm her husband.  
And you?

**faster than you:**

Need money! Need money!

Need money!

If I work for 2-3 years it will

solve the problem.

Should I work or not'?

Work or not'? Work or not'? Work or not'?

If I work I'll dive straight get caught up

in the rat race... become a robot...

go crazy like the rest...

become like dad...  
fight everyday with Kia, 0111 home  
will he destroyed... Both will die!  
Need extra money but everything  
should remain the same.  
Money money money but  
how how how?  
How?  
To buy the house  
We'll have to...  
change tracks a little.  
And than? And than?  
And than? And than?  
Monthly installment is equal to  
Kia's salary. But...  
What is monthly expense?  
Maintenance...  
10,000  
Electricity...  
3,000...  
2,500  
Maid... 10,000.  
But We need her!  
Whiskey 5,000  
4,500  
Grocery, house expenses...  
Kia's shopping, Tam sky...  
Entertainment...  
Medical emergency.  
Credit card, etc...  
If we buy the house,  
then to run it...  
We need 95,000 more  
per month.  
Who's winning?  
Kabir?  
It's the first time you're hosting  
a kitty party at home...  
And so stingy?  
Sprouts, soya sticks...  
Even the flesh limewater  
has no sugar.  
Give us samosas, kebabs...

chocolate man?  
Why?  
Can't I have  
handsome friends?  
If you feel awkward  
around your daughter...  
my friend's apartment  
is empty...  
in case you need some privacy

with your handsome friend.  
Handsome friend has an  
empty apartment too!  
After Kia's dad and...  
before this handsome friend,  
how many handsome...  
- Welcome hack!  
- Welcome hack!  
Right in time!  
Beans and rice is ready.  
Kia!  
Kia What's happened?  
Kia!  
We'll have to sell the house!  
We just bought it!  
Some problem at work?  
I'm finished! I'm finished!  
Everything's over.  
My dreams, my plans...  
my life...  
Everything's over!  
My career is over!  
I don't want to live anymore!  
What has happened?  
I'm pregnant.  
It's all your fault!  
- What did I do?  
- Who did than?  
You should have  
been careful!  
I'm always careful!  
Useless!  
- Chill Kia.  
- What chill?

**It's not you:**

The baby is in my stomach!  
My life is getting over!  
- Calm down! We'll handle this...  
- Handle?  
What will you handle?  
Because you've earned some money,  
you can handle anything?  
Why should your Wife have any dreams?

Get her pregnant and make her sit at home!

A man's ultimate revenge!

- Took your revenge?

- Shut up Kia!

Bloody useless!

Get lost!

Kia...

What is it?

Pregnancy tests are not

100% accurate...

How accurate are they'?

99%

Ass!

Kia hear me out! Let's try  
a few brands. If we Sorry...

If we pass, then we'll go to the  
hospital and get properly tested.

If you're definitely pregnant  
we'll get an abortion done.

You'll have the abortion?

Is the baby in you: stomach?

Sorry! Sorry!

Take this.

What's this?

All different brands...

Let's test with all.

So many?

Are you mad?

Best of five...

Positive!

**1-0:**

2-0!

I've already done one!

Chill! Chill!

Next...

There's some problem...

- It's showing negative.

- This is the right one! Yes!

I knew it...

You're not pregnant!

This is the right one.

- This is also negative.

- Z-Z! Yes!

I knew it! I knew you're  
not pregnant!

Hey Kia!

Negative! Negative!

3-2!

How can you ever think

I'll stop your life?

- Now why'?

- What if it's 3-3'?

4-2 a

Negative!

I can't believe this!

Whatever the problem...

it's not Your's or Mine...

it's Ours.

We're in this together.

Don't take off on me

like that...

Ever!

I'm sorry baby!

Then-is a product launch

next Week...

so I just panicked!

Forget that product.

If this product had launched...

who would pay the

monthly installment?

My problem is bigger than

**you:**

Now come. There's you: favourite  
beans and rice for dinner. Come on.

You marketing guys

don't understand.

**You:**

won't do!

The pressure of sales  
is on me.

We need an offer.

To boost the sales,

Rs. 20 off immediately!

You made an offer of

Rs. 10 off just 4 months ago!

You sales guys will  
kill the brand!  
- There will be no brand without buyers...  
- Sit!  
This is short term thinking!  
Rs. 20 off is less.  
We should give 50% off.  
What?  
- But not for Women.  
- Meaning?  
50% off...  
if the men come to buy.  
Kia!  
You've lost it?  
Which man buys  
cooking oil?  
Maybe in your house...  
If We tell Women...  
this offer is only for men...  
all of them will force their  
men to go to the stores.  
Their love for the brand  
will increase...  
because thanks to the brand, their  
lifelong dream is being fulfilled...  
of getting men to share the  
responsibility of running the house.  
Why should caring for the  
health of the family...  
only be the wife's duty'? Men must  
share that responsibility too.  
The house is in his name...  
so shouldn't he be doing  
some housework too'?  
And one more thing,  
maybe because of this...  
your Wife also will start  
liking you more!  
Brilliant!  
Kia this is a  
breakthrough idea!  
The whole Saffola range  
should have this offer!  
Kabir...

I got promoted to  
Vice President Marketing!  
Here he is!  
From today onwards  
training...  
- stops!  
- What?  
Take care of you:  
own bodies.  
- What do you mean?  
- Why?  
Wife's status is rising.  
Mother-in-laws status is changing.  
Too many responsibilities now...  
no time!  
Don't do this Kabir,  
you're my life!  
We had a target of 15 kilos,  
only 6 has been achieved!  
We need you Kabir!  
But I don't need the money!  
- My god! You can't do this!  
- Please!  
But... I Won't take money.  
- So no then.  
- OK, OK!  
- Bye.  
- Kia Wait!  
So late!  
Have you eaten?  
Too tiled.  
How was your day?  
- It's Sunday.  
- So?  
Don't you know What  
Sunday means?  
Big review meeting tomorrow.  
I'll have to go to office.  
Miss it!  
' Can't!  
' can!  
Can't!  
For a woman to make a name in the  
corporate world at such a young age...

is still very rare Kia.  
It's a big achievement  
I think it's equally  
difficult for the men.  
Come on it's much  
tougher on us.  
We have to excel both at  
the office and at home.  
I only focus on my work...  
My husband takes  
care of the house.

Wow!

Is he for real?  
Wish everyone had a  
husband like yours  
I'd really like to  
meet him!

Kia What is this? Why did  
you give them my number?

- It's a small interview. No big deal.  
- I don't like all this! Why are we doing this?

I will benefit. Your interview  
will give me more publicity.

OK bye now I have to go!

Kabir thank you for  
letting us into your life.  
You have a beautiful home!

- Thank you.

- When did you decide...  
that you would take care  
of the house full time?

The first time I came to this  
house and saw its condition...

I decided that the "men" in  
this house needed a "Woman".

So can we say that in your  
relationship, Kia is the man'?

No...

Kia is a Woman,  
and I am a  
but I understand

**you:**

Homemaker means you're a "she",

having a career means you're a "he"...  
According to "Indian tradition".  
True, hut Kia is a very successful Woman  
& you are dependent on her financially...

**Does you:**

Do you feel jealous?  
So you're saying that...  
all those women who are homemakers are  
jealous of their husband's success?  
Using their money to run  
the house hurts their ego'?  
If Women don't feel it,  
Why do you think men will feel...  
jealous... have an ego?  
Maybe men's upbringing,  
genetic difference...  
Of course.  
We are different...  
Which is why I don't wear a bra &  
she doesn't have a beard.  
But genes don't say that  
a bra can't go to work...  
or that a beard can't  
run the house.  
My "she" is proving  
to the world...  
that she's no less  
than a "he"...  
And this "he" is proving  
to the world...  
that he's no less  
than a "she"!  
The Constitution of India gives  
every citizen the freedom of choice.  
She and he have the freedom  
to choose what they want to do.  
We chose this life. Why is it  
breaking news to you'?  
Kia!  
I saw your husband's  
"He-She" interview...  
Damn cool!  
What a dude your

husband is!

For a minute even I was  
influenced by his words!  
You're a very  
lucky gill!

**You:**

progressive man.

Yes. All companies should  
recruit more women

I wish more of our men were like him.

He's from INM(B), right'?

Kia, your husband's trending!

Let's get back to work guys.

Hi Ma'am...

I saw your interview...

- Thank you!

- I loved What you Were Wearing!

You've become an  
overnight star!

Saw the interview?

I gave you so much publicity!

Me? You Were

praising yourself!

Anyway you looked hot!

It was a question of your reputation!

I did the make-up and lighting myself.

What did you mean "condition  
of the house" before you came?

Did we live in the  
gutter before'?

That was a joke...

A true joke.

And What was that...

"She" is proving to the world that  
she's no less than a "he"...

That was a compliment!

What do you think?

That my life's

is to show people that

I'm no less than a man?

I'm not proving anything  
to anyone, OK?

I just Want to be the best

at What I do.  
She finds faults  
even in compliments!  
You said something?  
I saw your son on T.V.  
But Women's Day is  
next month...  
What was he  
doing on T.V.'7.  
Sit, he speaks very Well.  
- Did he say anything about me?  
- No sit...  
He didn't even take  
your name.  
Thank God...  
else 0111 apartment  
prices would fall!  
- Hello?  
- Hi, is this MI. Kabir Bansal?  
Yes, speaking.  
Sit We would like you to talk in  
0111 Ted X Program.  
- What is this? I'm starving!  
- Sorry!  
What will you have?  
Just order anything!  
Hello?  
Sit, we're doing a cookery show...  
- Don't you think'?'  
- Clutter-breaking idea, sit!  
Sit I know it's  
very interesting...  
but I don't think he'll do it.  
Television is going to die.  
Who will Watch T.V. with  
so many ads?  
They should ban ads!  
When-is mom?  
Some NGO seminar  
or something.  
Drink?  
You Won't believe it...  
my boss Wants to  
cast you in an ad.

Excuse me?  
Don't Worry...  
I said no.  
Which ad?  
Saffola!  
Saffola?  
Saffola...  
Actually Kia it's  
a good idea.

**You:**

was such a hit...  
Actually...  
it's a great idea!  
How long will we  
stereotype women in ads'?  
Ads influence society, right?  
Change ads,  
change society!  
You'll do an ad?  
Kia, I Want Kabir to give 0111  
Marketing & Sales team...  
an inspirational talk. Just  
an informal evening session.  
He's such an interesting man.  
I'm sure people will love it!  
Kabir?  
Hale'!?  
You're really enjoying you:  
new life, aren't you'?  
I really enjoyed

**coming to you:**

But how do you  
work there'?  
I Wasn't talking about  
this evening.  
What do you mean?  
I mean...  
all these talks and speeches...  
At first I found these interviews &  
talks on gender equality very irritating.  
But after seeing the initial  
Response, I started.

If I can do some good,  
then Why not?  
What good are you doing?  
By sharing out lives...  
if someone else's life  
gets better, then why not'?

I thought I was the marketing person,  
and you didn't like marketing...  
You are marketing  
your life!  
Olll life!  
Not my life.  
My life is not so different.  
So many women work...  
You're the different animal!  
And anyway who are  
you helping?  
You think that centuries of  
injustice done to Women...  
can be wiped clean in a  
second by your example?  
It's the men, not the Women  
who are benefiting from this.  
Inspired by you, men think they can  
sit at home & become stats!  
If you don't want to work...  
why encourage others  
to be useless.  
That you find happiness  
in my happiness.  
Is not necessary in love...  
If Olll paths don't meet...  
does not mean We are apart...  
This is love, not duty...  
I have some good news.  
We Want to send you to New York  
for a management programme.  
It's a fabulous one month  
programme.  
Would you like to go'?

Everything OK?

Yes sit. I'll go  
I'm already depressed!  
How can you both leave  
me all alone...  
and go to the U.S.  
for a month?  
Very mean!  
What alone? I'm not going  
I'm just joking...  
What's happened to you Kabir?  
He's become famous now...  
- He doesn't have dates.  
- What?  
Everything stops from today.  
What?  
Anyway...  
the country's youth is watching  
this useless example...  
and getting corrupted!  
What?  
How can I leave you in  
this condition?  
What's happened to me?  
Anything can happen. Anyway my job  
is to take care of the house...  
not to travel the world!  
I'm sorry...  
For what?  
Why won't you come?  
What will I come and  
do there for a month?  
You'll be able to  
stay without me?  
You'll be busy...  
Instead of living there without you  
it's better if I stay here without you.  
At least I can look  
after mom.  
I want to be useful.  
Then I won't go too.  
Don't go!  
But I've already accepted...  
and it's a great  
opportunity to learn.

So go...  
I didn't mean What I  
said in the cat  
I mean What I'm  
saying now.  
You do your work,  
I'll do mine.  
Anyway you feel that  
I don't do anything.  
If I come to America  
with you and enjoy...  
even I'll feel that  
I'm useless!  
I don't know how to convince you...  
This is love, not duty...  
Does not mean I desire you any less.  
This is love, not duty...  
Times have changed a bit,  
But I'm the same, my love...  
How do I make you understand  
I don't know how to make you happy  
But I Want to see a smile on your face.  
This is love, not duty...  
That you find happiness  
in my happiness.  
Is not necessary in love...  
That you find happiness  
in my happiness.  
Is not necessary in love...  
If 0111 paths don't meet...  
does not mean We are apart...  
Where are you going all  
dressed up like a stud?  
To focus on my  
present life...  
I had made my past  
out of focus...  
But now my past is  
calling out to me.  
After many years then-is a  
reunion of all the MBA robots.

Shall I go?

If you come home early  
sleep outside!

So you learned  
how to cook?

Yes, completely!

- Hi Kabir!

- Hi Neha.

- How's Kia?

- She's good. Very good.

When Z people have  
a scene in college...  
and they lose touch...  
and meet after  
many years...

that moment guys...

is pule sex!

Here! Sex done'?

- What are you drinking?

- I Want to get drunk!

I Want to have shots!

Kabir...

You gave me a big  
complex in college...

Now that I'm Worth  
400 million dollars, and single...

you still make me  
feel like a loser!

What did I do?

You're the one who is in every  
Woman's dream even after marriage!  
You've become a film director but  
still didn't bring an actress along.

Your life is no less than a film.

How much fol the copyrights?

- Kahit?

- Yes?

Will you come to  
Mumbai fol me?

Why is your husband  
in Delhi?

No in Paris. Ass!

My channel is doing a big  
pro gramme for Women's Day...

I stopped doing all that...  
Please do it for me?  
Just one day! Please?  
How many times can I say the  
same thing? Anyway it's Women's Day...  
Women should speak for  
the benefit of Women to Women!  
For Women to benefit  
men should speak to men.  
No, you find yourself  
another man  
I've committed...  
I'll be badly screwed!  
Just one day...  
Please!  
Please!  
Please!

**(Kabir:**

men hunted and Women in caves cooked...)  
No one checked how  
many men cooked...  
and how many Women hunted!  
If you miss 1 match out of 121  
it won't make any difference...  
Today's Women's Day, sit with your  
Woman and listen to this boy!  
If we reversed the roles,  
then what?  
The Woman's job would be hunting...  
the man's job, cooking!  
Only their responsibilities  
would have been swapped.  
Men would have remained men...  
Women would have remained Women...  
Sex would have been just as good!  
Yes, but today we...  
would not be celebrating  
Women's Day...  
but Men's Day instead!  
History must have been written  
by a man!  
His-tory...  
The clue is in the world itself,

His Story!  
Does anyone know  
Her Story?  
- Who's this fellow?  
- He's a man!  
I can see that.  
The men who discovered the Hindi language  
knew this about this mistake...  
In Hindi grammar,  
"cooking" is a masculine gender...  
So cooking is  
male territory.  
"Working" is a feminine gender...  
Female territory!  
Fact is...  
we are speaking one language,  
and living another.  
He takes care of his home  
so his Wife can fulfill her dreams.  
Good!  
Good? Could you have  
ever done this?  
Yes, Why not?  
Rubbish! If I had  
continued my acting work...  
would you have taken  
care of the house?  
Absolutely. If that was  
your dream.  
You can't boil a glass of

**water on you:**

We would have got a cook.  
Does he have kids?  
- That's not the point!  
- That's the point...  
That's the big point Jaya!  
When did I stop you  
from Working?  
It was your choice!  
Exactly. It was my choice  
because I had no other choice!  
What are you saying!  
I would have happily

looked after the house!  
sure!  
Amitahh Bachchan cooking  
in the kitchen...  
and Jaya Bachchan happily  
Waving to her fans every Sunday!  
You would have  
been OK with it?  
Yeah.  
Why not?  
So easy to say it.  
Can't rewind life!  
What do I do?  
What do you Want  
me to do?  
- I Want to meet this boy.  
- Who? This guy?  
- Yeah.  
- Why?  
I like him.  
Just look at him!  
At this age a new threat!  
Hi. You coming?  
Corning where?  
So Why did you call?  
I just called to say...  
I called to say I'm meeting  
Amitahh Bachchan & Jaya Bachchan!  
What?  
I'm in Mumbai.  
What are you doing  
in Mumbai?  
Then-is a Women's Day  
seminar...  
Another speech...  
Started again?  
I thought you Wasn't going  
to do all this!  
This is Why you didn't  
come with me, right?  
Anyway. Good...  
meet mole people.  
Kia I'm meeting Ami...  
Yeah flue.

Take care.  
This is fol Kia.  
Thank you!  
What wrong did I  
do to you'?

I'll have to heat her  
lectures fol days!  
Kia, 20 missed calls?  
Mom...!  
What happened?  
Her BP was very low.  
She collapsed.  
She was trying to  
call you.  
She called Kia,  
Kia called me...  
We had to rush her here.  
Kia was saying...  
she'll catch some flight via  
Zurich and leach by tonight.  
- Hello?  
- Where are you'?

Kia you've landed...  
I'm almost there!  
I'm already in the  
bloody hospital!  
Flight arrived early?  
- Swiss air was supposed to...  
- I came by Lufthansa.  
- Why didn't you call me?  
- Call you?

The whole world was  
trying to call you!  
Why did you come hack?  
Go give mole speeches!  
Nothings happened. Mom is flue. You  
didn't have to leave work & rush here  
I came. I'm here!  
You Were not here!  
What is this sudden trip  
to become famous'?

Why do you suddenly want to  
show the world how great you are'?

You left home to tell the world

how well you run a home'?  
You're a bloody fraud!  
This is a hospital.  
Please go outside.  
Kia! I Went to meet  
Amitahh Bachchan...  
Did mom's blood pressure know that  
you Were with Amitahh Bachchan?  
If Amitahh Bachchan knew  
that my mom was dying...  
and you Were telling stories of  
being a "cool husband"...  
he would have thrown you out!  
My phone was on silent...  
there Were no flights out.  
I took the first...  
You're living off my money and you  
want to show the world how great you are'?  
OI is it that because  
I'm older than you...  
you're doing me a favour  
by living with me.  
Kia listen...  
Now that you're on T.V. and  
a social celebrity...

**you:**

move ahead" act is over'?  
Kia...  
You don't want to progress!  
The joke of the century!  
You are the cheapest, slimiest...  
most manipulative  
man in this world.  
Why are you living off Inc...  
when you are the heir  
to millions?  
Why? Why? Why?  
You used me!  
I'm such a fool!  
It was pule strategy!  
You plotted this hit by hit!  
It was all a set-up!  
Nothing was a coincidence...

from the Chandigarh-Delhi  
flight until now...  
Was it really you: dead  
mother's birthday that day'?  
Brilliant game, brilliant  
bloody game!  
You proved that you're an  
MBA topper.  
What a business plan!  
I'll become a hero not by  
inventing anything...  
not by becoming yet another  
millionaire, not by anything. Just...  
by doing nothing!  
Without doing anything I will  
leave my mark in the world.  
You are an artist...  
The World's biggest  
con artist!  
You used me to laugh at your dad...  
to laugh at the whole bloody world...  
Kia...  
Kia, let's go back.  
Mom is alone.  
My mom. My home  
I'll take care of it.  
Dear Kia...  
We really missed you.  
Kabir told us a lot about you  
I'm truly, truly proud of you.  
I know the world is  
celebrating Kabir today...  
but without a Kia,  
a Kabir cannot exist.  
Every Woman Wishes for  
a husband like this...  
but very few have the courage  
to love such a man.  
It takes a lot for a  
man to be a Kahit...  
But it takes a lot more for  
a Woman to be happy...  
with a man like Kabir.  
You are a big inspiration!

I wish the world would  
have more women like you, Kia.  
God bless you!  
That you find happiness...  
in my happiness.  
Is not necessary in love...  
If 0111 paths don't meet...  
does not mean We are apart...  
When-is Kabir?  
Kia!  
I'm so cheap mom!  
I hate myself I.  
I felt jealous of him!  
How can I be jealous  
of Kabir mom?  
I love him, I love him  
more than my life!  
Calm down Kia!  
He got a little attention...  
and I couldn't handle it!  
I feel so small mom!  
I'm feeling so small.  
How can I be  
insecure of him?  
Kabir loves you too.  
Not once did he say that  
I wasn't at home either.  
And I abused him for not  
being there for just one night!  
What happened Kia?  
This is love, not duty...  
I really didn't mean what I said!  
I didn't mean what I said mom...  
Of course you meant it.  
Else you wouldn't have said it.  
I didn't mean what I said  
I really love Kabir!  
Love is not the problem...  
There is no problem  
between Kabir and you.  
Infant, this is not a  
husband-Wife, man-Woman...  
or... What is that...  
not even a "he-she" problem...

This is a basic issue between a  
homemaker and the person who earns...  
Whether it's a "she" or a "he"...  
Unfortunately, the world only sees the  
person who earns in the relationship  
because of which the person  
gets used to the attention.  
It's natural!  
No one notices the homemaker...  
Slowly, even the earning member  
stops noticing the homemaker.  
When the world by chance  
notices the homemaker...  
then natal-ally, the  
homemaker feels a bit nice...  
and the earning member  
feels a bit shaken.  
Hey! I'm the hem!  
How can the supporting actor  
equal to me!  
But I'm not like that mom!  
You are exactly like that!  
We are all I'.ike that.  
W eke human beings'..!  
But you know What is so  
beautiful about you?  
You don't Want to he like that.  
Credit card used for  
Vistara Airlines... 5,000'?  
Kahit!  
Hello? Yes?  
Can you tell me if MI. Kabir Bansal  
is traveling on any of your flights today?  
His Wife is dying!  
It's an emergency!  
If I knew the flight number  
Why would I he calling you?  
What is UK246?  
Chandigarh?  
You Were in Chandigarh  
to buy Chandigarh?  
No.  
My friend had a break-up...  
I was there for rnorol support

I'm sorry!  
I'm really sorry.  
I was just missing  
my husband.  
But I'm OK now...  
He loved his mom a lot.  
During take off and landing...  
he would hold her hand  
tightly like this.  
Yes sit?  
Ma'am can you get this  
lady her husband please?  
I lost him somewhere!  
Found him!  
Over!  
What's over?  
Murder.  
- Whose?  
- Yours!  
I smashed you, bashed you,  
chopped your body into pieces...  
and took my revenge.  
Peace!  
Folded my hands, pleaded, got down  
on my knees, asked for forgiveness.  
Got it!  
Peace!  
But Why did you come  
after me so quickly?  
I can understand if my  
friend was a "she"...

**If you:**

this plane Wouldn't have  
lauded in Chandigarh.  
You could have shown up  
before hoarding...  
We could have saved money  
on the return ticket!  
We will come hack by train.  
I Want to feel...  
the romance of trains!  
Happy birthday m you!  
Happy birthday m you!

Today on your birthday...  
- a gift...  
- I don't Want anything dad.  
Thank you fol coming.  
Just enjoy a meal  
cooked by your son.  
Who's giving you anything?  
On the occasion of my  
daughter-in-law's birthday...  
I've come to ask her fol a gift.  
To take my company forward...  
I need a CEO.  
A CEO...  
who after I'm gone...  
can take over my company.  
Me?  
I think I'm too  
small fol this...  
You're very talented.  
I keep track of all your work!  
Cheers!  
Is he offering me dowry  
in the middle of the night?  
He's making sure  
the family business...  
is being handed over  
to the right family member.  
Are you interested in  
charity work?  
Charity? What charity?  
Till today I thought that behind  
every successful  
there is a Woman.

**And you:**

behind a successful  
Woman there is a man.  
No, no...  
You daughter has  
proved that...  
there needs to be a  
successful Woman...  
in flout of every  
unsuccessful man!

When did you last do an  
underwear cheek?

What's that?
