Of course what happens?
- I was in... was on the plane
- If you were on the plane?
I should not board the plane but I was
and had a boy
That was a secret agent
or something like that and...
Kill everyone on board and landed the plane
Then I woke up in my room
without knowing how to reach
And then I went for the dress of April

I'm not saying rates
I told te But I warned you
When?
When I said that sometimes things
happen for a reason
That's not a warning
It is an expression of glue stick
Next time tell me: June, if you get
the plane you will die, dammit
They did mean that
be safe
- Do you really think so?
- If
- Did you feel safe with him?
- But now
It's okay
Just so you understand,
be alone now
Your life expectancy here

Me.. without my
Me.. without my
But just wanted you to live
depends on you
I need another car
to keep moving
Trust me, every second that passes
risk death chasing me
What were you thinking Rodney
with your heroic actions?
I did not think, just acted
It is the work

- You must be proud

It did not hurt, it was like
a bee sting
That brave fireman, doctors
estabien say
A true hero...
That is,
that's what everyone wants
A toy?
Open it
- This hot what is it?
- A battery
A battery?
It is a common battery
It is unique,
never runs
How do they ever?
That little thing is the first source
perpetual energy
So, your flashlight
never goes out?
- Allows for much more than that
- Really?
How much more?
A small town.
It's great
When he had just invented
out of high school
Simon feck
Was attached with another agent
to monitor the lab setup
and the other guy picked up this morning.
Fitzgerald
A few weeks ago I found out that
going to sell the battery
and to kill Simon
So kick to Simon and put him
in a safe place
Come back in the battery
Fitz betrayed me
He seems to me rebel
Then I met you
So...

What happens next?
What is the plan?
Rest, we pick Simon
and take you to your sister
I am good at what I do
Tonight we will be safe
"Safe and secure?
Good night, Roy
Are you a boy scout? "
So
- So was I
- It's great
Good night, Roy
All will receive cake...
What do you think?
Is it another player?
It's a pawn
The investigation, has a workshop
no passport
ever traveled anywhere,
she is not nobody
You've been two steps back
since the beginning, Fitz
Are you sure you do not this school?
Clean that shit
This is the safe house
Simon!
Simon?
Stay close
Simon!
No time to play
What is all this?
Simon, makes
Late, making the weapon
It's cute
Who are these people?
Are with Fitz?
- There are other types
- Are they evil?
- In the worst, grab it
- Worse?
Now listen and do what you say,
at 3 I'll bow
- And you're going to run beyond

You did it again, no?
Yes.
You can not do that!
If I can do it.
I bet you will get used.
What do you mean?
In that.
You know.

Well, I want pancakes.
Scrambled eggs y... refreshments.
Excellent.
To me a glass of water please.
You know, most people die in train
more than in any other form of transportation.
Simon?
Simon Filk?
Yes.
My name is June, I
friend of Roy Miller.
What have you found? Have you seen it?
No, not yet.
I'm not sure..
Sure.
But I can not, I...
It may be Roy.
If he said he did not answer the
phone, because they could crawl.
Sure.
Stay in the room.
I'm with Simon.
And as you get here?
You're supposed to be here?
Like you said his name was
that drink... Harvey..?
Harvey Wallman.
Do you want to sort

I now return.
One moment, and return.
Something estmal.
Takes too long.
No answer his phone..
I told him I did not.
- Does what I say.

- What is the problem here?
- Still do not know.

This is estcalentando

Where Estala battery?
Sorry... I was looking a...
There you are...
Quiet.
You know him?
Let's say that if... Simon comes.
And kill you.
Simon?
June, it is Simon.
Simon, she is Jume.
I'm fine, I got it.
Move out!
Now, who's the boss?
You do not!
I'm sorry...
But do not let me go.
That's disgusting.
You die!
Devils...
Better take them to safety...
It is not the train.
Oh yeah?
The cameras at the station show
is low before the train stopped.
Always.
So estmuy well.
. No, just arrived.
What were they talking?
No, but it is good to hear your voice. You
See you in Caprise as soon arrives.
It is a beautiful city.
Yes.
I never saw anything like that.
Neither do I.

You'll go to sleep..
If... I was thinking
ask something to the room.
Maybe then we can have dinner.
Sounds good.
I agree.
Sounds good.
Jume...
Can you do me a favor?
Just stay here... That's better.
Yeah, but where would you go?
See you in a while.
And remember, you are very valuable to them.
Breathe and feel music.
This is something special for you.
I know you like it.
Cheers!
Now, ask what you want the room,
but do not leave the room.,
It's okay.
We must talk about it in then..
And we will.

Immediately.
You look different.
Oh yeah?
I saw your company..
She is beautiful.
A lot. It's good.
The new acquaintance.
She is a nobody.
Is someone who picked on a trip.
Too bad.
This estponiendo boring.
We'll do the deal or not?
I do not talk like that..
I want to speak as Tony...
Both know that you
So that is here.
I have the battery, I'm
within the schedule.
The world of isFull
chasing bad guys.

CuI price?

We..

CuI is your price?

I had not thought...

How much does it worth to you?

You're playing with your luck...

You run out of time.

I'm Elizabeth Joy, director
representative of the CIA.

Yeah right.

Disclpeme but...

I do not know exactly what to believe.

That is understandable considering that
the ltimos five days has been bombed
of bad information and fantasies
agents who stole what we want.

He said you are the
who want to steal the battery
Well, actually... Miller said
protected him from the use of people.

But now I sell estintentando
an international arms trafficker.

Antonio Guantanamo...

One of the former manufacturers
arms leaders.

Ask yourself this question...

Roy Miller has said anything
evidence that is true?

Sorry, I did not...

He used as a mule to carry the
battery security centers.

He has played with you.

It is a spy, is what
ago. Lie or die.

Any law does not go with IE.

Now just imagine it, both move
from one place to another, feel persecuted?

They can not live well, that's fantasy.

But it can get even...

You're right.

You have to return to
hotel before Miller.

What should I do?

This pen is a transmitter.

Once you have confirmation
Miller is not hidden and is close...
And yes, beautiful button.
Sorry for the delay.
Everything went well?
So it seems.
Estponiendo is hot.
Did you get a good price?
I followed you tonight.
You have nothing to say.
This is Wichita..
Where was the first time...
...We collide?
Do you think Roy was the destination?
I do not believe in destiny.
But if you believe in luck.
I do not know what to believe.
This was not what I thought..
I'm going home.
He promises that if you put
this evil. Will protect you.
I like your optimism.
Bend over.
Get him.
Get her out of here.
Not estacSeor.
What estpasando?
You see I want to take it?
You can not go home.
Shit!
Close the door!
The car!
Do not let escape.
Him! Has the battery!
Cease fire! He has the battery!
They said the area?
Yes.
Roy found?
You will find the body.
We have to.
There is no other way.
Thanks guys...
Fitz...
I think we turned bad...

Ramsey estal West...
And I think we're going south.
You know what, you're right.
Tell him I'm on my way.
I have no battery, but
tendrahora anyone.
Yes, I have the prisoner.
See you in Spain in a few days.
Hola!
How was the party?
Good.
- Did you have fun there?
- Yes.
I thought you liked more.
So it was, but...
I think he thought he wanted
more than she loved him.
Well...
She will come?
So, I would not miss.
Let's see...
Putting the coordinates...
Found here.
There you are...
You'll see.
Halt!
I am not afraid to use it.
Look at it..
What are you doing in my garden
in the middle of the night?
I have an order.
What?
For the 867 Grand Prix.
Molly, I do not...
You're all wet, better passes,
From what I see is a classic.
She has always loved, so,
And they know it? The game?
Are you talking about?
Sit down, honey.
Frank does not mention
but estalgo uncomfortable.
We could not afford to follow here...
But we won the lottery.

"They won the lottery?
We won two times, two tickets and
Frank does not remember or buy.
If you bought them.
Do not know or place an order
Internet and want to come with it...
In a couple of minutes
estartu baby clothes.
Well...
Why Miller?
This was one of the
houses of refuge, right?
What the hell are you talking about?
Honey, what's this about?
I'm sorry, I thought...
Maybe I misunderstood this.
The thing is... looking for something
information about my friend Roy.
There is room for change there.
This is our son Mathew. It
lost in Kuwait, in an attack.
The saved lives of two of his companions.
Always took care of everyone.
He was an eagle scout. Until
swimming medal.
He could swim like none for
minutes with one breath.
I...
I wish... I Haydens June.
I'm Molly Knigt.
I Haydens June and sent a message to
own machine for those who hear this call
I have the battery..
I have it and I'm ready
to make a deal.
I'm on Route 28 in
outskirts of New Hampshire
And if you want it, better come through it.
Duck!
Hello friends.
Well...
Do you want the jumper?
I have it here, come to the U.S..
Welcome to Spain.

We need a bit
for it to take effect.
Today is the Festival of San Fermin.
Have you ever seen
Miss a bullfight?
My name is Antonio Quintana.
Be who you are.
I put it?
It is something developed by my company.
A new drug from the truth.
Oh yeah?
I have some questions for you
on the battery as we
what gave my
men was nonsense.
This estmuy well...
The truth?
Good.
It worked.
You know, this makes me think...
I knew that I was wrong
with IE in Salzburg?
He wanted to listen to that conversation
to follow, and give it to me
take home safe.
he tried to protect me.
Silence..
It's crazy how powerful
I sit beside him.
Silence...
- The care of me.
- Silence!
Where do Estala battery? Where is it?
I bet you never conquered
a woman with that question.
Do not play Jume.
For if it is a waste of time, are
the little things that count.
Tell me!
Well!
Miller estmuerto! Roy estmuerto!
No, it is not.
He can endure
breath for a long time.

If estmuerto!
I'll ask again.
If not tell me I have to know...
I'll kill you.
I do not know where Estala battery?
Then why did you say
everyone that if wise?
By trying to find Roy.
This gringa estvolviendo me crazy.
Antonio, when there are bad guys
as your fence, Roy estlejos.
You heard?
Statesman.
You asked for it.
Finally.
Nice.
- John..
- Antonio.
to bad you could not bring the battery.
Where estsu body?
I thought you would not?
Because you will not see the river?
Well...
Esttodo so clear.
We have to finish it.
The colors are like that, or am I?
Gardens... They like the gardens, no?
This is a happy place...
Look how many flowers..
