BILBO
Yes, yes.

GANDALF

BILBO

GANDALF
I think you should leave the Ring behind, Bilbo. Is that so hard?

You did not seriously think a Hobbit could contend with the will of Sauron? There are none who can.

Gandalf slowly turns to Saruman...a look of dawning horror.

SARUMAN (CONT'D)
Against the power of Mordor, there can be

GANDALF
Sam has hardly left your side.

SAM
We were worried about you--weren't we,
Mr. Gandalf?

GANDALF
By the skills of Lord Elrond, you're
beginning to mend. ELROND, LORD OF THE
HIGH ELVES, steps up to Frodo's

FRODO

I miss the Shire...I spent all my childhood pretending I was off somewhere else...off with you, on one of your adventures...

But my own adventure, turned out to be quite different...I'm not like you, Bilbo.

BILBO

seeing as how you're on the mend, we'd be
off soon. Off home.

FRODO
You're right, Sam. Frodo looks at Sam...

FRODO (CONT'D)

ELROND
And yet to have come so far still bearing
the Ring...the hobbit has shown
extraordinary resilience to its evil.

GANDALF
It is a burden he should never have to
had to bear. We can ask no more of Frodo.

ELROND
Gandalf, the enemy is moving. Sauron's forces are massing in the east. His eye is fixed on Rivendell. And Saruman, you tell me, has betrayed us. Our list of allies grows thin.

GANDALF
His treachery runs deeper than you know. By foul craft, Saruman has crossed Orc with Goblin Men...he is breeding an army in the caverns of Isengard. An army that can move in Sunlight and cover great distance at speed. Saruman is coming for the Ring.

Elrond turns and walks away...

ELROND
This evil cannot be concealed by the power of the Elves...We do not have the strength to fight both Mordor and Isengard...Gandalf...the ring cannot stay here.

Gandalf turns and looks out the window. Sounds of arrivals...Gandalf watches as Boromir rides through Rivendell gate, followed by Legolas and Gimli.

ELROND (V.O.) (CONT'D)
This peril belongs to all Middle earth. They must decide how to end it. Not just for themselves but for those who come after. Elrond approaches Gandalf.

ELROND (CONT'D)
The time of the Elves is over. My people are leaving these shores. Who will you look to when we have gone? The dwarves? They hide in their mountains seeking riches. They care nothing for the troubles of others.

GANDALF
It is in Men that we must place our hope.

ELROND
Men? Men are weak. The race of Men is failing. The blood of Numenor is all but spent, its pride and dignity forgotten. It is because of men the Ring survives.

FLASH INSERT:
Sauron's finger. Elrond reacts.

A si i-duath u-orthor, Aragorn...u or le a u or nin. The shadow does not hold sway yet...not over you and not over me.

CUT TO:

EXT. RIVENDELL VALLEY -- NIGHT
Night falls upon the beautiful valley of Rivendell... still and quiet.

EXT. RIVENDELL WATERFALL -- NIGHT
Strider and Arwen stand upon a stone bridge...the Evenstar at Arwen's breast shines in the moonlight.

ARWEN
(Elvish: with subtitles)
Renech I lu I erui govannem? Do you remember when we first met?

STRIDER
(Elvish: with subtitles)
Nauthannim I ned ol reniannen. I thought I had strayed into a dream.

Arwen reaches up and gently touches the Grey at Strider's temples.

ARWEN
(Elvish: with subtitles)
Gwenin in enniath...u-arnech in naeth I se celich. Long years have passed...you did not have the care you carry now.

Arwen looks into Strider's eyes.

ARWEN (CONT'D)
(Elvish: with subtitles)
Renech I Beth I pennen? Do you remember what I told you? Arwen reaches for Strider's hand...
STRIDER

(quietly)
You said you'd bind yourself to me, 
forsaking the immortal life of your 
people.

(CONTINUED)

CONTINUED:

ARWEN

(whisper)
And to that I hold. I would rather share 
one lifetime with you than face all the 
ages of this world alone. Strider looks 
down. In his hand lies the Evenstar.

ARWEN (CONT'D)
I choose a mortal live.

STRIDER
You cannot give me this.

ARWEN
It is mine to give to whom I will, like 
my heart.

Arwen closes Strider's fingers around the jewel. 
Arwen leans towards Strider, gently kissing him.

CUT TO:

INT. COUNCIL CHAMBER, RIVENDELL -- DAY
Elrond addresses the council...

ELROND

Strangers from distant lands ... friends 
of old. You have been summoned here to 
answer the threat of Mordor. Middle-earth 
stands upon the brink of destruction. 
None can escape it. You will unite...or 
you will fall. Each race is bound to this 
fate...this one doom...

Frodo sits amongst a council of free-peoples of Middle earth, 
Elrond stands before them, addressing Gandalf, Strider, 
Legolas, and 20 other elves, Dwarves, and men.

ELROND (CONT'D)

Bring forth the ring, Frodo.

Frodo steps forward and moves towards a stone Plinth. He 
places the ring on the plinth and returns to his seat.

BOROMIR

(shocked)
Sauron's Ring! The ring of power!

CONTINUED:

GIMLI
(grim)
The doom of man!

BOROMIR
It is a gift...a gift to the foes of Mordor! Why not use this Ring? Long has my father, the Steward of Gondor, held the forces of Mordor at bay...by the blood of our people are your lands kept safe. Give Gondor the weapon of the enemy...let us use it against him!

STRIDER
You cannot wield it. None of us can. The one ring answers to Sauron alone...it has no other master. Boromir turns and looks at Strider, coolly.

BOROMIR
And what would a ranger know of this matter?

Strider says nothing and Boromir turns away dismissively.

LEGOLAS stands...

LEGOLAS
This is no mere Ranger. He is Aragorn, son of Arathorn. You owe him your allegiance.

Frodo looks at Strider questioningly...Boromir turns sharply.

BOROMIR
(quiet disbelief)
Aragorn? This is Isildur's heir?

LEGOLAS
And heir to the throne of Gondor.

ARAGORN
(Elvish: with subtitles)
Havo dad, Legolas...Sit down, Legolas...

BOROMIR
Gondor needs no king.
GANDALF
Aragorn is right...we cannot use it.

ELROND
You have only one choice...the ring must be destroyed.

(CONTINUED)

CONTINUED:
The HUM OF THE RING seems to grow louder in Frodo's ears.
Gimli suddenly stands, excited.

GIMLI
Then...what are we waiting for?
Gimli suddenly rushes forward! He swings his axe down on the ring. The axe shatters with a deafening crack! Gimli falls backwards, staring in disbelief at the ring...unharmed! Frodo winces as an angry image of the fiery eye hits him! He slumps in this chair, clutching his forehead. Gandalf looks at him with concern.

ELROND
The ring cannot be destroyed, Gimli, son of Gloin, by any craft that we here possess. The ring was made in the fires of Mount Doom...only there can it be unmade. It must be taken deep into Mordor, and cast back into the fiery chasm from whence it came. One of you must do this.

Stunned silence...the council sits with downcast eyes, as if a great dread has descended on them. Boromir addresses the council in a quiet voice

BOROMIR
One does not simply walk into Mordor. Its black gates are guarded by more than just Orcs. There is evil there that does not sleep and the Great Eye is ever watchful. It is a barren wasteland, riddled with fire and ash and dust...the very air you breathe is a poisonous fume. Not with ten thousand men could you do this. It is folly.

LEGOLAS
Have you heard nothing Lord Elrond has
said? The ring must be destroyed.

GIMLI
And I suppose you think you're the one to do it?

BOROMIR
And if we fail, what then? What happens when Sauron takes back what is his?

Gimli leaps to his feet!

(CONTINUED)

CONTINUED:

GIMLI
I will be dead before I see the Ring in the hands of an Elf! A STORM OF ARGUMENT erupts around the room. CLOSE ON:

FRODO...sound disappears as he watches in slow motion...the angry faces, the shaking fists, the accusatory fingers, his eyes move across to the ring...the hum grows louder in his head.

GIMLI (CONT'D)
(shouting)
Never trust an Elf!

CLOSE ON:

across the surface... flames flicker within the Gold Band.

GANDALF
Do you not understand? While we bicker among ourselves, Sauron's power grows! No one will escape it. You will all be destroyed, your homes burnt and your families put to the sword!

CLOSE ON:

his hideous vision. With a huge effort or will, Frodo tears his gaze upon the ring. Frodo suddenly stands...he speaks in a strong, clear voice.

FRODO
I will take it...I will take it...I will take the Ring to Mordor.

Sudden silence...Frodo looks around the room at the astounded faces.

FRODO (CONT'D)
(quietly)
Though...I do not know the way. Gandalf rises to his feet.

GANDALF
I will help you bear this burden, Frodo Baggins, as long as it is yours to bear.

ARAGORN
If, by my life or death, I can protect you, I will.

(kneels before Frodo)
...you have my sword. Aragorn steps forward...followed by Legolas and Gimli.

(CONTINUED)

CONTINUED:

LEGOLAS
And you have my bow.

GIMLI
And my axe.

Boromir looks at them all then walks towards Frodo.

BOROMIR
You carry the fate of us all, little one.

Boromir looks towards Elrond and Gandalf.

BOROMIR (CONT'D)
If this is indeed the will of the Council, then Gondor will see it done.

Frodo stares in wonder as the Greatest Fighters in all Middle earth stand at his side.

SAM
(unseen)
Here!

A Sudden Noise...Sam pops up from behind a Bush!

SAM (CONT'D)
Mr. Frodo's not gong anywhere without me.

ELROND
No, Indeed...it is hardly possible to separate you...even when he is summoned to a secret council and you are not.

Merry and Pippin jump up from behind another bush!

MERRY
Oi! We're coming too! You'll have to send us home tied up in a sack to stop us.
PIPPIN
Anyway...you need people of intelligence
on this sort of
mission...quest...thing...

MERRY
Well, that rules you out, Pip.

ELROND SURVEYS THE GROUP
ELROND
(thoughtfully)
Nine companions ... so be it.
(announcing)
You shall be the "Fellowship of the ring"

PIPPIN
Great. Where are we going?

CUT TO:

INT. FRODO'S BEDROOM, RIVERDELL---DAWN

Close on:
Scabbard...its polished, well tendered Blade glitters cold
and bright.

BILBO
My old sword "Sting"...here, take it!

Bilbo offers Sting to Frodo.

FRODO
It's so light!

BILBO
Yes, yes, made by the Elves, you know.
The blade glows blue when Orcs are
close...and it's times like that, my lad,
when you have to be extra careful.

Bilbo unwraps a small shirt of close woven Mail.

BILBO (CONT'D)
Here's a pretty thing. Mithril, as light
as a feather, and as hard as dragon
scales. Let me see you put it on. Come on.

CLOSE ON:
the Chain around his neck.

BILBO (CONT'D)
(entranced)
Oh! My old Ring... Frodo frowns as Bilbo
moves toward him.
BILBO (CONT'D)
I should very much like to hold it again, one last time. Bilbo reaches forward, eyes locked on the ring.

(CONTINUED)

Suddenly! A shadow passes across Bilbo...for a split second he becomes a wrinkled creature with a hungry face and Bony, groping hands. Frodo pulls away, shocked...the shadow passes. Bilbo slumps into a chair, his head in his hands. Bilbo falters...his eyes filling with tears.

BILBO (CONT'D)
Oh!

BILBO (CONT'D)
(sad)
I'm sorry, that I brought this upon you, my boy...I'm sorry that you must carry this burden. I'm sorry for everything. Bilbo sobs and Frodo moves to comfort him.

CUT TO:

EXT. RIVENDELL VALLEY -- MORNING

The Fellowship climb the long steep path out of the cloven vale of Rivendell.

CUT TO:

EXT. ROUGH COUNTRY, SOUTH OF RIVENDELL -- DAY

The fellowship trekking through a land of Deep Valleys and turbulent waters...the misty mountains rise sharply to their left.

GANDALF (V.O.)
We must hold to his course west of the misty Mountains for forty days. If our luck holds, the Gap of Rohan will still be open to us. From there, our road turns east, to Mordor.

CUT TO:

EXT. EREGION HILLS--DAWN

BOROMIR
Get away from the blade, Pippin...on your toes...good, very good...I want you to react, not think.

SAM
Should not be too hard...

BOROMIR
Move your feet.

MERRY
Quite good, Pippin.

PIPPIN
Thanks.

CLOSE ON:

GIMLI
If anyone were to ask for my opinion, which I note they have not, I would say we are taking the long way round. Gandalf, we can pass through the Mines of Moria. My cousin, Balin, would give us a royal welcome. Gandalf clearly thinks that is a bad idea.

GANDALF
No, Gimli. I would not take the road through Moria unless I had no other choice.

Boromir thrusts, catching Pippin on the hand. Pippin throws down his sword, kicks and lunges at Boromir, tackling him to the ground. Much laughter. Legolas' eyes are fixed on a distant Dark Patch which darts about the sky, like flying smoke in the wind.

SAM
What is that?

GIMLI
Nothing...it's just a wisp of a cloud.

BOROMIR
(worried)
It's moving fast...against the wind.

LEGOLAS
Crebain from Dunland!
CONTINUED:

ARAGORN
(urgently)
Hide!

BOROMIR
Merry..Pippin...Sam...take cover! WIDE

ON:
little cover
there is...as a regiment of Large crows fly low overhead at
Great speed, wheeling and circling above. As their dark
shadow passes over the fellowship, a single harsh croak is
heard...and the crows suddenly wheel away, back towards the
south. Gandalf staggers to his feet.

GANDALF
(worried)
Spies of Saruman. The passage South is
being watched.

Gandalf looks at Aragorn, turns to the others...gesturing
towards a high mountain pass.

GANDALF (CONT'D)
We must take the pass of Caradhras!

CUT TO:

EXT. SNOWY MOUNTAINSIDE -- DAY

The Fellowship clamber through Rock and Snow. CLOSE ON: Frodo
slips on some shale...as he scrambles to his feet, the Ring
falls on the ground... CLOSE ON: the ring gleaming in the
snow! Boromir's Hand picks it up by the chain...he stands,
the ring dangling before his eyes. He seems to grow in
stature, as if absorbing its power. Aragorn warily approaches
Boromir...Boromir is motionless...he stares at the ring, as
if transfixed.

ARAGORN
Boromir?

BOROMIR
It is a strange fate that we should
suffer so much fear and doubt over so
small a thing...such a little thing.

ARAGORN
(quietly)
Boromir...give the ring to Frodo.
ARAGORN'S HAND moves to his sword hilt.

(CONTINUED)

CONTINUED:
Ring's POV...looking up at Boromir's face. The strange hum vibrates on the soundtrack. CLOSE ON: a Weird beatific smile lights up Boromir's face...The HUM grows to a Deafening roar! Boromir suddenly snaps out of his trance and hands the ring back to Frodo.

BOROMIR
(lightly)
As you wish. I care not.
Boromir smiles at Frodo, ruffling his hair. CLOSE ON: ARAGON unhands his sword.

CUT TO:

EXT. ISENGARD -- DAY
Following the crows as they race deeper and deeper, passing a vista of Industry, Hundreds of Orcs and writhing Birthsacks...flying past Saruman, who stands upon a wooden Gantry. CLOSE ON: Saruman, listening to the Cries of the crows.

SARUMAN
So, Gandalf...you try to lead them over Caradhras. And if that fails...where then will you go? THE FELLOWSHIP struggles through the snow.

SARUMAN (V.O.) (CONT'D)
If the mountain defeats you, will you risk a more dangerous road?

CUT TO:

EXT. PASS OF CARADHRAS -- DAY
THE FELLOWSHIP are struggling through a blinding blizzard, up towards the PASS OF CARADHRAS. Legolas the Elf moves lightly across the top of the snow...he suddenly pauses. Saruman's voice sweeps by in the wind.

LEGOLAS
(urgent)
There is a fell voice in the air.

GANDALF
It's Saruman.

THUNDER RUMBLES...ROCK and Shale fall from above.

(CONTINUED)
CONTINUED:

ARAGORN
(urgently)
He's trying to bring down the mountain.
Gandalf! We must turn back!

GANDALF

No!
GANDALF RAISES HIS STAFF...HE CHANTS INTO THE WIND.

GANDALF
(YELLING)
Losto Caradhras, sedho, hodo, nuitho I ruith. Sleep Caradhras, be still, lie still, hold your wrath.

CUT TO:

EXT. ISENGARD -- DAY
CAMERA SWEEPS PAST SARUMAN...he stands on the summit of Orthanc, Chanting. CLOUDS ARE FLOWING FROM ALL DIRECTIONS... converging on the distant mountains in a stormy Malestrom.

EXT. PASS OF CARADHRAS -- DAY
Saruman's voice strengthens...rolling past the fellowship like thunder. A LIGHTNING CRACK explodes on the mountainside above them. Frodo looks up in horror as a huge snow avalanche thunders down towards them! The Fellowship throw themselves against the cliff face as snow crashes onto the narrow ledge. LEGOLAS pulls Gandalf to safety. Aragorn shields Frodo and Sam as snow piles around them. Within moments, the pass is blocked and the fellowship are enveloped in snow. Boromir and Aragorn frantically dig for the hobbits...who are pulled out Shivering and Fearful.

BOROMIR
(urgent)
We must get off the mountain! Make for the gap of Rohan and take the West road to my city.

ARAGORN
The Gap of Rohan takes us too close to Isengard.

GIMLI
We cannot pass over the mountain. Let us go under it. Let us go through the mines of Moria. Gandalf has a concerned look on his face.
CONTINUED:

SARUMAN (V.O.)
Moria. You fear to go into those mines, don't you? The dwarves delved too greedily and too deep.

SARUMAN (V.O.) (CONT'D)
You know what they awoke in, the darkness of Khazad-dum. Shadow and flame.

GANDALF
Let the ringbearer decide.

CLOSE ON:
upon him. CLOSE ON: MERRY and PIPPIN shivering in Boromir's arms.

GANDALF (CONT'D)
Frodo?
Frodo meets Gandalf's eye.

FRODO
We will go through the mines. Gandalf slowly nods.

GANDALF
So be it.

CUT TO:

EXT. MORIA GATE -- NIGHT
The Fellowship are walking along the far shore of dark lake...directly below great looming cliffs.

GIMLI
(in awe)
The walls of Moria!
Footing is treacherous on the narrow strip of green and greasy stones. Gandalf touches the smooth rock wall between the trees... slowly, faint lines appear like slender veins of luminous silver running through the stone.

GANDALF
Itidin...it mirrors only starlight and moonlight.
A large moon rises over the mountains... The lines grow broader and clearer, forming a glowing arch of interlacing ancient letters and symbols.
CONTINUED:

GANDALF (CONT'D)

It reads, "The door of Durin, Lord of Moria. Speak, friend, and enter."

MERRY
What do you suppose that means?

GANDALF
(confident)

It's quite simple. If you are a friend, speak the password and the doors will open.

Gandalf raises his arms...

GANDALF (CONT'D)

/incanting/ Annon edhellen, edro hi ammen!

The cliff towers into the night, the wind blows cold, Frodo shivers... and the door stands fast!

LATER:

GANDALF CONTINUES...

Mumbling spells in his efforts to open the door. Sam packs pots and pans at his feet...watching sadly as Aragorn unsaddles Bill the pony. CLOSE ON: ARAGORN whispering to Bill the Pony.

ARAGORN
(whispering)

Mines are no place for a Pony, even one so brave as Bill.

SAM
Bye, Bill.

ARAGORN
Go on, Bill, go on...don't worry, Sam...he knows his way home. Aragorn slaps Bill on the rump...Bill goes trotting off. CLOSE

ON:
darkness.

SAM
Goodbye, Bill.

SPLASH! Merry and Pippin are tossing stones into the lake. Black Rippling rings slowly fan out. Pippin is about to throw another stone, but Aragorn grabs his arm.

(CONTINUED)

86.
ARAGORN
(ominous)
Do not disturb the water.
Aragorn watches anxiously as the Ripples appear to grow....he exchanges a look with Boromir.
Aragorn's hand creeps towards his sword. Gandalf gives up in despair...he sits down beside Frodo. Close on: Frodo peers at the Elvish inscription...his face breaks into a smile of comprehension.

FRODO
(quietly)
It's a riddle...
Gandalf raises his eyebrows...

FRODO (CONT'D)
(explaining)
Speak, friend, and enter. What's the Elvish for friend?
GANDALF
Oh...mellon.

With that, the rock face silently divides in the middle and two great Doors swing outwards... revealing a blackness deeper than the night. As the Fellowship enter the Blackness, something in the water stirs....

INT. MORIA GATE -- NIGHT
The Fellowship step warily into the darkness of Moria...a Dank cavern, with winding steps leading deeper into the mountain.

GIMLI
So, master elf, you will enjoy the fabled hospitality of the dwarves; roaring fires, malt beer, red meat off the bone. This, my friend, is the home of my cousin, Balin...and they call this a Mine...
(snorting)
A mine!

A Glow from Gandalf's Staff suddenly lights the chamber...
The Fellowship recoil in Horror! Many dwarf Skeletons are strewn about, clearly the dead of some old battle...the rusting armor and shields are peppered with arrows and axes.

(CONTINUED)
CONTINUED:

BOROMIR
(grimly)
This is no mine...it's a tomb!

GIMLI
(in horror)
Oh...no...no..no... ! Legolas pulls a
crude arrow out of a skeleton.

LEGOLAS
Goblins!
The Fellowship draw swords and back away, towards the
Entrance.

BOROMIR
We make for the Gap of Rohan. We should
never have come here.

EXT. MORIA GATE -- NIGHT
Frodo is suddenly PULLED TO THE GROUND. A long sinuous
Tentacle is wrapped around Frodo's ankle and is dragging him
towards the lake. FRODO CRIES OUT as Aragorn and Boromir rush
forward! Aragorn severs the Tentacle holding Frodo, and pulls
him to safety...Boromir hacks at the other Writhing Limbs. 20
more tentacles ripple out of the Lake! The dark water Boils
as the hideous beast lashes out at the FELLOWSHIP! Again the
creature grabs Frodo and pulls him to the lake, Frodo is
flung in the air as the Fellowship battle the creature.
Aragorn hacks at a tentacle...Frodo is released, falling into
Boromir's arms.

GANDALF
Into the mines!

BOROMIR
Legolas!
Legolas shoots an Arrow into the creature's head, gaining a
few vital seconds for Aragorn and Boromir as they race out of
the water with Frodo. The FELLOWSHIP hurriedly back away from
the Creature...retreating into the Moria Chamber as many
Coiling arms seize the large doors.

INT. MORIA GATE -- NIGHT
With a shattering echo, the creature rips the doors away,
creating a rock slide that crashes down the Cliff Face.
Within seconds, tons of rock seal the doorway...throwing the
Fellowship into Pitch Blackness.

(CONTINUED)
CONTINUED:
A faint light rises from Gandalf's staff, throwing a Creepy
Glow across the old wizard's face.

GANDALF

(ominous)
We now have but one choice... we must face
the long dark of Moria. Be on your
guard... there are older and fouler things
than the Orcs in the deep places of the
world.

CUT TO:

INT. NEW CHAMBER, MORIA -- NIGHT

WIDE ON:
deep mine workings.

GANDALF

Quietly, now. It's a four day journey to
the other side. Let us hope that our
presence will go unnoticed.

INT. MORIA CEMETERY CAVERN -- NIGHT
They continue up a steep stair, passing through a dwarf
cemetery. The graves are despoiled...dwarf skeletons are
strewn about and Goblin Graffiti is scrawled on monuments in
dried Dwarf blood. The Atmosphere is very sinister.

CUT TO:

INT. MORIA TUNNEL FORK -- NIGHT
The path splits into three passages... each disappearing into
dark tunnels. Gandalf pauses, frowning.

GANDALF

I have no memory of this place.

LATER... The Fellowship are nervously waiting... while Gandalf
sits, staring intently at the 3 tunnel mouths in front of
him. He appears to be in some kind of trance.

CLOSE ON:
He turns at the sound of a faint noise down the tunnel behind
them.

PIPPIN

Are we lost?

(CONTINUED)
MERRY
No. I don't think we are. Shhhh, Gandalf's thinking.

PIPPIN
Merry!

MERRY
What?

PIPPIN
I'm hungry.

**Frodo's POV:**
darkness. Frodo is nervous...he approaches Gandalf.

FRODO
(whispers)
There's something down there.

GANDALF
(quietly)
It's Gollum.

FRODO
Gollum!

GANDALF
He's been following us for three days.

**TEASING SHOT:**

FRODO
(disbelieving)
He escaped the dungeons of Barad- dur?

GANDALF
Escaped...or was set loose. And now the Ring has drawn him here...he will never be rid of his need for it. He hates and loves the ring, as he hates and loves himself. Smeagol's life is a sad story. Gandalf catches Frodo's look of surprise.

GANDALF (CONT'D)
Yes...Smeagol he was once called...Before the ring came to him, before it drove him mad.

Gollum's withered fingers are gripping the cave wall...he is large, Luminous eyes blinking with malice.

(CONTINUED)

90.

**CONTINUED:**
FRODO

(grim)
It's a pity Bilbo didn't kill him when he had the chance.

GANDALF

Pity? It was pity that stayed Bilbo's hand. Many that live deserve death, and some that die deserve life. Can you give it to them, Frodo? Frodo frowns.

GANDALF (CONT'D)
Do not be too eager to deal out death in judgment...even the very wise cannot see all ends. My heart tells me that Gollum has some part to play yet, for good or ill, before this is over. The pity of Bilbo may rule the fate of many.

FRODO

I wish the ring had never come to me...I wish none of this had happened.

GANDALF

So do all who live to see such times, but that is not for them to decide. All we have to decide is what to do with the time that is given to us. There is a note of finality in Gandalf's voice.

GANDALF (CONT'D)

There are other forces at work in this world, Frodo, besides the will of evil. Bilbo was meant to find the ring. In which case, you also were meant to have it...and that is an encouraging thought,

(sudden brightness)
Ah! That it's that way! Gandalf points at the right hand tunnel...the Fellowship scramble to their feet.

MERRY

(relieved)
He's remembered!

GANDALF

No, but the air doesn't smell so foul down there. If in doubt, Meriadoc, always follow your nose!

(laughs)
Ye s...
INT. DWARROWDELF CHAMBER, MORIA -- DAY
The Fellowship pass under an arched doorway into a black and empty space. Gandalf pauses...

GALADRIEL
Let me risk a little more light. Gandalf taps his staff...for a brief moment a light blazes... like a silent Flash of Lightning. Great shadows spring up and flee...

GANDALF
Behold! The great realm and Dwarf city of Dwarrowdelf! Frodo gasps at the brief sight of a vast roof, far above their heads, upheld by many mighty pillars hewn of stone. Before them stretches a huge empty hall, with black walls, polished and smooth as glass.

SAM
Well, there's an eye opener and no mistake!

Ahead of them, a wooden door has been smashed. Black arrows are embedded in the timbers. Two goblin skeletons lie in the doorway. Gimli rushes ahead...

GANDALF
Gimli!!

CUT TO:

INT. BALIN'S TOMB, MORIA -- DAY
Gimli rushes into another vast empty chamber... lit with a narrow shaft of sunlight, beaming in from a small hole near the roof. Dwarf and Goblin skeletons are piled high. In the far corner sits a stone walled Well. A shaft of light falls directly onto a stone table in the middle of the room: a single oblong block, about 4 feet high, topped with a great slab of white stone. Gimli falls to his knees...

GIMLI
No...no...oh, no!

Gimli sobs.
Gandalf quietly reads an inscription of runes, carved onto the white stone slab.

(CONTINUED)
"Here lies Balin, son of Fudin, Lord of Moria." He is dead, then. It's as I had feared. Gandalf carefully lifts the rotting remains of a book from the white stone slab. It has been slashed and stabbed...and appears to be covered in Dried Blood. The pages crack and break as he opens it...

LEGOLAS
(urgent whisper to Argorn)
We must move on, we cannot linger.

GANDALF
(reading)
"They have taken the Bridge and the second hall: we have barred the gates...but cannot hold them for long...the ground shakes...drums in the deep...we cannot get out. A shadow moves in the dark. Will no-one save us? They are coming."

Unnerved, Pippin backs away nervously...He stumbles against the well, sending a precariously balanced Armored skeleton tumbling in! Merry reaches out, Grabbing hold of Pippin before he falls. The Fellowship freeze in stunned silence as the armored skeleton clatters down the deep well...echoing loudly!

INT. MORIA CAVERNS -- DAY
Gandalf turns angrily on Pippin.

GANDALF
(angry)
Fool of a Took! Throw yourself in next time and rid us of your stupidity!

ANGLE ON:
They fall silent. A low rolling boom rises from the depths below...growing louder...BOOM...BOOM...as if the caverns of Moria were turned into a vast drum. A great horn blasts nearby...Answering horns...running feet...harsh cries...Sam's eyes glance at Frodo's belt...

SAM
(worried)
Mr. Frodo!

(CONTINUED)
CONTINUED:
Frodo looks down. A cold blue glow is emanating from Sting's Scabbard! Frodo draws the Sword...and stares at its glowing blade!

LEGOLAS
Orcs!

ARAGORN
(to the hobbits)
Get back! Stay close to Gandalf.

Aragorn and Boromir slam and wedge the doors. Boromir catches sight of something; he turns to Aragorn with shock in his eyes.

BOROMIR
They have a cave troll!

Gimli snatches up two rusty dwarf axes and leaps onto the tomb.

GIMLI
(yelling)
Let them come! There is one Dwarf yet in Moria who still draws breath!

BOOM! The Door bursts open in a shower of wood fragments, and 20 Goblins charge into the tomb, followed by a huge cave troll! Gimli ducks a blow and immediately buries his Axes in 2 Goblin helmets. Aragorn and Boromir wade into the mass of Goblins with their swords. Legolas fires deadly arrows into Goblin throats, desperately trying to Shield the Hobbits! Gandalf is clutching his sword and joins in the battle! The cave troll is sweeping his sword at Aragorn...who stumbles backwards...the huge club descends for the killing blow...suddenly, in a flash of steel, Boromir's long sword slices into the Scaly arm of the troll; it rears back, spewing green blood! Sam is backing up against a wall...a sword in one hand, a saucepan in the other. In desperation he swings wildly at a Goblin with a saucepan! It keels over...Sam looks surprised. He wallops another Goblin and it too, drops.

SAM
I think I'm getting the hang of this.

The Cave Troll lunges forward, thrusting at Frodo's chest with his spear.

FRODO
Aragorn! Aragorn!

(CONTINUED)

94.
Sam screams as Frodo is lifted off his feet by the spear tip and slammed against the wall.

ARAGORN
(shocked yell)

Frodo!!

The hobbits go crazy. Sam slashes at the cave troll's knee, bringing him down...Merry and Pippin jump on him...Legolas fires an arrow...and the cave troll topples, dead. Aragorn rushes to Frodo's side as he slumps to the floor...Frodo appears to be dead. Close on: Gandalf, Aragorn, Hobbits looking horrified... Suddenly Frodo coughs...takes a huge breath.

SAM
He's alive!

FRODO
I'm alright. I'm not hurt.

ARAGORN
You should be dead. That spear would've skewered a wild boar!

LEGOLAS
I have not the heart to tell you. For me, the grief is still too near. Boromir is sitting alone...Aragorn approaches him.

ARAGORN
Take some rest...these borders are well protected.

Moonlight catches the trace of tears on Boromir's face. Aragorn kneels down beside him.

BOROMIR

GALADRIEL
Will you look into the mirror? Frodo looks with apprehension at the silver basin.

FRODO
(warily)
What will I see?

Galadriel pours water into the basin from a silver jug...a glow rises from the water.

GALADRIEL
Even the wisest cannot tell for the mirror shows many things...things that were ..things that are...and some things that have not yet come to pass.

Frodo slowly steps up to the pedestal...he peers into the glossy surface. The night sky is reflected into the water...suddenly a figure takes form...the bowed figure of an old man, clad in white robes. He walks down a long road. Frodo leans closer to the mirror's surface...
CLOSE ON:
FRODO gasps, his face lighting up with hope.

FRODO
(joyous)
Gandalf!

Gandalf looks at Frodo with a fierce intensity. Frodo reaches out his hand toward the surface of the mirror. Suddenly the image flares, burning out to white. The vision shifts...Frodo gasps in horror! The Shire is in ruins! The image suddenly widens to fill the screen...buildings burning...bodies strewn about...Dark Shapes of ORCS looting and destroying...Bag End, billowing in flames! The Party tree is hacked down. Frodo reverts as the mirror seems to grow...the nightmarish image sweeps past his head, engulfing him entirely.

IMAGE:

Factories! We see Sam...Merry... and Rosie Cotton. Soot-stained and sobbing, they disappear into the factory hell-hole! Suddenly, the mirror goes dark...and out of the black abyss a single eye grows. CLOSE ON: FRODO IS FROZEN. Unable to move or cry out. The ring dangles from his neck, inches above the water...not shimmering with curls of steam. Fire erupts around the eye... With a Yell, Frodo pushes himself away from the pedestal and collapses on the ground. Light instantly fades from the mirror. Frodo comes to his senses...he is shocked. Galadriel stands still as a statue, unmoved, untouched by the horror.

GALADRIEL
I know what it is you saw...for it is also in my mind. It is the future, Frodo. It is what will come to pass if you should fail.

Galadriel looks at Frodo intensely...Frodo looks down...in his hand he is clutching the ring. Frodo looks up at Galadriel.

GALADRIEL (CONT'D)
The fellowship is breaking. It has already begun. He will try to take the ring. You know of whom I speak. One by

FRODO (V.O.)

In place of the Dark Lord, you would have a Queen, not dark, but beautiful and terrible as the Dawn. Treacherous as the Sea! Stronger than the foundations of the earth...all shall love me and despair! Frodo takes a step away from Galadriel...

Galadriel suddenly laughs...a slender Elf-woman once more, clad in simple white, her voice soft and sad.

GALADRIEL (CONT'D)
(gently)
I pass the test.
(laughs)
I will diminish and go into the west and remain Galadriel. Frodo's confidence drains away.

FRODO
I cannot do this alone...

GALADRIEL
You are the ring-bearer, Frodo...to bear a ring of power is to be alone. This task was appointed to you, and if you do not find a way, no one will.

Frodo realizes what her message is.

FRODO
Then I know what I must do. It's just...I'm afraid to do it. Galadriel kneels down to Frodo's height, staring at him intently.

GALADRIEL
Even the smallest person can change the course of the future.
The Ring lies in the palm of Frodo's hand...his fingers close over it.

GIMLI

EXT. SEEING SEAT -- DAY

IN THE TWILIGHT WORLD:

FRODO races through the misty twilight world, past the foggy
shapes of twisted trees. Somewhere behind him, Boromir's
distraught voice carries from another dimension:

BOROMIR (O.S.)
I'm sorry, Frodo...Frodo...

Frodo suddenly finds himself on the stone steps...he clambers
up the stairs, onto a high seat, perched on four stone
pillars. Frodo cowers on the seat, like a lost child upon the
throne of mountain kings. The world of mist swirls around
him. Frodo peers out from the seat...the world seems to
shrink. In all directions, Views of far off lands telescope
towards him through the mist. IMAGES: ORCS spilling out of
holes in the misty mountains... flames rising from
Mirkwood...grim faced easterlings march to war...black ships
sailing into the south. All the power of the Dark Lord is in
motion. Frodo moves his gaze towards the east...fire explodes
against the smoke, as a huge mass of black battlements fills
Frodo's vision. A mountain of iron, immeasurably strong,
tower of adamant: Barad-dur, FORTRESS OF SAURON!
SUDDENLY!  SAURON'S EYE LEAPS TOWARD FRODO LIKE A FINGER OF
LIGHT.

SAURON (V.O.)

They will fall! Frodo leaps off the seat, and tumbles down
the stairs! The eye sweeps Amon Hen like a searchlight, seeking its ring! With a huge effort, Frodo wrenches the ring off his finger...

FRODO (CONT'D)
Would you destroy it?

ARAGORN

Lurtz aims his bow at Boromir's heart... suddenly Aragorn charges at him, smashing the Bow with his sword. They lock into a deadly battle. Aragorn cuts Lurtz down and races towards Boromir, who lies slumped against a tree...URUK-HAI arrows sticking out of his chest. At least 20 dead URUK-HAI lie heaped around Boromir.
