Hi!
Oh! My God!
I was worried for you, sweet heart.
I was worried for you,
Are you all right? Sonali,
Why did you do that?
Why?
What are you talking about?
What am I talking about?
Why I didn`t understand?
that only my husband was known.
that I am going to clinic in the
morning.
Then he sent me there,
To pick up the papers.
Then why it didn`t come in my mind?
that...
you...
May be I love you a lot.
Sonali!
I was in trouble.
That`s why you used me.
whatever I`ve done,
I am really very sorry for that.
I am not crazy.
Why you`re taking my snaps?
We have to take criminal`s picture
from every angle.
That people remember his face
very well.
What do you mean?
I am a Criminal?
You can see, DCP Shrivastav is

standing behind me.
Who kidnaps Dr. Sonali.
What are you saying?
He`s a criminal in police uniform.
Criminal?
Me?
Yes!
What rubbish?
Who says that I am a criminal.
Yes!
Me!
I saw...
Kidnap,
To kidnap Dr. Sonali.
He`s crazy.
He`s crazy.
Who will believe crazy?
Yes we are crazy.
We are crazy because we don`t know
the rules of society.
where four people call crazy one
person then he`s crazy.
And a normal man..
who is dangerous criminal.
there is only a need of four
signatures to make him crazy.
Who is signing.
A crazy decided that how much
he is in senses,
We are, who give him vote and
sit him on the position.
We are biggest crazy of him.
We four are curing to ourselves.
that we should enter in your society.
Society where...
where we have to pay fine to
break signal.
but there is no fine to break some
one`s heart.
If you broke some one`s head
then you`ll be punish.
To brake some one`s trust.
there is no punishment of that.
We are crazy that we need a clean

society.
society won't clean to clean streets.
Who will clean the mess in the mind?
I'll clean the mess in your mind.
It is the problem.
We know.
and may be it is wrong to know
that smuttiness is in our mind.
Bhagat Singh was also crazy.
Because he was known that we have
to free our country.
What he would?
He was mad.
Somebody should hang on death
in age of twenty three.
If you shut your ears then intelligent
and if you won't then crazy
I will tell Gandhi Jee if he will
meet me.
How many childrens crying here?
We want to go back to hospital.
Take us back to hospital.
We are not able for this society,
No. Raja!
This society is not able for you.
Today, a honest and true men like you
are not in society.
Here, every human lives for himself.
And he kills his owns.
