Ghost Game

By Benjamin Oren

Watch up, or you'll be inhabited by Jium
Oh really? I would like to try as well.
Oh no! A filthy mouth cannot
utter decent language!
Will it really show up?!
You're only playing around.
Are you ready, in fact?
We've lots of time. Take your time.
After that... All of them were
gathering there.
They died without knowing
what was going on.
The cadavers all showed in frightening
facial expressions.
According to the police's report...
Besides this video tape,
no other evidence was found...
There's a rumor that
They are killed by the evil power
But no one can approve of that.
- Was it true or fake?
Our destination is that place
Who wants to learn more about this?
Whoever that is still interested
in this game,
you can ask Sing.
Or you may ask the champion for
last season, Aker too.
Now
Contestants from Thailand
have set off.
Case 1
The 11 contestants will be
competing each other here
To determine who's the most
daring person.
The most daring winner will be
awarded with 5 million baths.
Whoever is the last leaver
is then entitled to obtain this award.
Do you want some chewing gum?
To keep your breath fresh.
Thank you.
- Heey!

- Waaa!

Ann

You're a psycho. Get lost.

Hey, what are you looking at?

Idiot!

He asked us to sit back there nicely

Don't put your legs over there.

That's dangerous

You can understand his speaking dialect?

Just a little bit.

It's for you to see... Did you see it?

I did. Don't worry.

There we go.

This is Case 17.

Later we'll start with a ritual of homage

Please drop your things down

And take off your caps

Working crew!

Bro, is that funny?

- Bullshit!

What did he say?

He said we should leave.

It's dangerous here.

Is he crazy or what?

Alright... There's nothing serious.

Don't be afraid.

Later we still have to draw cuts

to determine our groups

We already prepared all the equipment

Including a map and the regulations

That everyone must follow

Besides, in order for you all

to get familiar with

the location as soon as possible.

We have prepared some amulets for you all

Together with some electronic devices.

- Oh no!

No way.

- The most important is...

You all must put on the clothes

that we prepared beforehand

The prisoner's costume.

And your personal code.

Ahh... So you're not going inside

there with us?
Welcome everybody
Every contestant of Case 17's mission
and every audience here
This place used to be the inner cage
of prisoners
Severe excruciation
Whipping
The place where the execution
was carried out
Please don't simply touch anything here
And also don't carry away anything
that's not your belonging
The room with red tag is
prohibited for any trespasses
What's wrong, Sing?
I...
What?
Is it Ann?
What's that?
Nothing.
Everyone please wait
in the resting room
Please enter according to the sequence
The resting room was the place for
encaging specific prisoners.
In fact, this was where
they were executed.
Beds and blankets provided were used by
those executed prisoners before.
Ann!
I hope everyone can pay respect to
their spirits
After entering there, we can't be
in touch anymore.
Until tomorrow.
Take care and good luck.
Good night.
Hey!
- Hey!
Hey! What the hell!
What's are you doing?
Do you want it?
It's alright. I'm not afraid.

You looked down on my good intention.
Now I'm at the investigation room.
The atmosphere is very frightening
I believe...
These are all created by
the working crew
They're some kinda deceits.
Oh, I go to sleep first. How about you?
Oh... You go to sleep first.
I will sleep later.
Hey, find me something to eat
Alright. Please wait for a while.
Hey, turn around and look at this.
What's that?
Sing...
What happened?
Nothing.
If nothing, please don't scream
like this anymore
Coffee
How's that? Did you sleep
well yesterday night?
Very well. I slept so well
with the spirits.
So... Today you sleep with me, huh
How's that? All of them woke up?
Yeah, they all woke up already.
Hey... Are you alright?
Hey... Jean... Jean
I was only joking with you
Hey, what's wrong?
Breakfast is here.
Sing, what was wrong with you
yesterday night? You cried so loud.
Nothing.
There was a mouse in my room
Alright, everybody
The activity for this afternoon is
to tell us what had happened
yesterday night
We heard somebody screamed loudly
in the middle of the night
Can anyone tell us what had happened
Ah... Did anyone see something?

Jean?

I saw it.

After all of us went inside their room,

We heard Sing cried loudly.

You know what did I see?

I saw Jean, standing in front of

the doorway of Sing's room

After that?

However...

I saw another woman

standing right behind of Jean

Who was that?

I don't know.

Enlarge and see.

It isn't the one amongst us

She... with short hair

Wore in dark color clothes

The most obvious part was her neck

Which was wrapped in cloth

Jean...

Is that so?

What?

They were the previous champions

Don't you think too much?

Perhaps.

Yesterday night, we also observed that

Sing's behavior was a bit weird

Just now Aker said it too

And Jean...

This may be related to the prize.

So what are we gonna do?

Be more careful.

The most important is...

Don't believe in what you see.

Hey.

Do you believe in what Aker told.

We better believe it first.

I think Sing doesn't think that so.

But Aker wasn't sure too.

Now is 10 in the night, game's on!

All of us, according to

the groups divided

The first group

Katie, Gong and Gang

Please follow the left side.
Group two
Koon and Sing
And Aker
Please stay at the right side
The rest of people is group three
Hold on
What's going on?

Even wear also
Be patience

Evocation of spirit

What's going on?
It's OK
But Agu wanna home
Because the crew know Agu feel not well
And how about you?
We will go back when it over
Sing, said to Jen for me
No
Jen wanna home with Agu
But we feel that you
should continue the match
No
I don't like the way

they use to join match
Jen feel that spirit here
We might do something
wrong but can't say no
So we all become like this
I don't think so
It's just hallucination cause too scary
But didn't say no also
Might someone play tricks on us
We don't have
But I feel...
There are no soul in this world
Even if exist
That's none of our business too
With this condition
You say it's none of our business?
Of course no
We just participate this game only
Who wanna win the game

In spite of true
Or not
Koon is right

Nothing
Tell me

They thought you're behind
all that happened
Because you wanna let them go
Ben
Ben, Ben
Have you decided yet?
Same old, nothing's changed
Where is Nakemi?
How is that,
I'm gonna look for Mika later
Why don't you go finish your job 1st
Got crazy
Kate?
Huh
Will you believe of what I'm saying?
What's the matter
I think there's something odd
is over here
This lady
I saw her before
What are you talking about... Sing
Since the day moved in here

I didn't know who she was
And didn't know what she wanted
She held my arm
Her name is Lin
She was the only survived female
convict over here
But she was arrested after that
Because the army knows
She was a spy here
Her death was terrible
She was strangled
Her word was graved here
What did she write?
It's almost 9th now
Just like the others,
today might be my last day
Jium will kill all of us
Sing
Sing
Look
Mika was here I'm sure
Impossible
But I think she might be
Do you think she ever entered here?
Impossible
The door is still locked
Locked
Maybe it was just your
imagination, Sing
Mika might never be here
You're right, Kate
But I saw Mika's gum
It might be someone else's
You can't even sure if it's Mika's
Don't worry
You can get in there and have
a look, tonight...
We're gonna compete down there
I say, why don't you go to
have some rest now?
Then we'll see by 10 o'clock
They say a storm is coming
Do we've enough bags?
Enough

The competition starts after 5 minutes
Now let's don't bother where Mika's
Someone's gone down
Or has been hiding somewhere else
The games gotta keep going
We can't keep waiting for Mika
Would everyone come down here
With all of your equipments
This's the key for the main gate
of the prison
Place on the edge of the door on
the left side
Jit, go grab the key
Welcome to the basement of K17
This is the basement
We found it after convicts executed
According to data
Those special convicts were
locked in here
Based on it's complicated structure
This's a safety exit for Jiumu
Now you're in the lobby of the basement
Here's for rituals
Special convicts were put on trial here
The image below is Jiumu
Chief of K17
Everyone on your kneels
Grab your lot pot
Let's pick our spots
What's that
What's that
What's that
After you've got your room number
Do what you're told in the instruction
Be in the room you're assigned to
By the midnight,
hope to see you again here
What's happening, Sing
Lin...
My room is rite opposite
That gal is looking for me

It was written:

Today is 9th
My birthday
Today I'm gonna kill someone
Nobody gets in here
Everything is mine
Including your lives
The last day
He killed all the convicts and armies
And buried the bodies in the basement
And he killed himself finally
Today is another day of 9th
It's almost there

Do you mean it
You're just wasting our time
Light the candles and joss sticks,
let's begin our game
I quit
Quit means lose
I don't care
I give up
Me too
Terrible
Make a call to Bangkok
Ask them ready for the performances,
what should we broadcast now?
I'm here for the contest too.
Don't you complain again.
If there has any ghost,
that's your own imagination.
You can't cheap us.
Who knows?
Maybe it's true.
Maybe it's their plan.

Aker.

You knew it, right?

And I would like to prove my ability.
I don't know if I could outrun myself.

I'm familiar with them, I know
how to get along with them.
If saw them.
Just know how to deal it.
This event will let more people

know about me.

You must encourage me.

It's because of this game so
we can be together.

I can go back after the contest.
