# Like Sunday, Like Rain

By Frank Whaley

Good morning, Reggie.  
Good morning, Esa.  
It will be a day  
wonderful today.  
This woman was treated  
like family.  
Family!  
You know what it means?  
And it was very well paid.  
And now you're telling me ...  
Wait, I mean.  
And now you're telling me ...  
I said to wait!  
she is coming back  
to Panama?  
It has strawberries inside.  
Forgot one.  
This tiny?  
The Euler equation says  
dividing the surface  
a sphere faces,  
edges and vertices,  
and if "F" is  
the number of faces,  
"E" the number of edges,  
and "V" be the number of vertices  
always we arrive ...  
Reggie Kipper?  
 $V - E + F = 2$   
It's correct.  
The same applies to  
the pyramid with five sides,  
four triangles  
and a square,  
least eight edges  
five vertices.  
For any other combination  
sides, edges and vertices.  
Euler thought at all.  
Thank you, Mr. Kipper.  
Look forward,  
Mr. Kipper.  
As I was saying,  
consider the roles,

follow the rules and not go wrong.  
not fail Rules.  
The calculations shall be made  
for Friday.  
not beyond Friday.  
Janis? Hi.  
It Eleanor.  
Dennis is there?  
No, he has not returned  
last night.  
I'm not worried,  
only...  
I thought I could  
be with you.  
No, I looked in the hallway,  
it's not there.  
It's ok.  
Have a nice day.  
It's me.

**It's already 10:**

And he did not come home,  
last night.  
AND...  
Over, Dennis.  
Ended.  
It is best to talk with Gregg.  
- He is angry?  
- Here it is.  
Thank you. Excuse me.  
Excuses do not matter.  
Just arrive  
to work on time.  
"Standing on the mature breast  
my beloved, "  
"so I feel forever  
his calm breathing, "  
"and wake up one day  
a sweet unrest. "  
"Quiet, fixed, and I will hear  
his tender and breathing calmly, "  
"and thus live forever,  
or fail in death. "  
Did you call me last night?

I was in "Curbieju".  
Someone stole my  
phone, do you?  
Sure, you're a bitch.  
How do you think I feel?  
They stole my phone.  
J volto.  
Come with me, asshole.  
Relax before  
start a scene.  
They are about firing me.  
Please go away.  
Let me explain  
what happened.  
I do not want to hear.  
I've had enough of that.  
I'm a fucking musician.  
It's my way of life.  
- Bullshit.  
- It's what I am.  
- Only in your head.  
- What? No!  
He works at UPS.  
That's what you do.  
Yeah, smart-ass? So, as  
we have shows every week?  
He had to pay  
to let you play.  
This does not count as show.  
Fuck it, then.  
It's all right.  
- Eleanor, what is?  
- No.  
I played his guitar  
through the window.  
Did what?  
It is best that has not  
done that.  
Shit!  
Eleanor is better  
I have not done.  
Let's get out and talk  
about it a moment.  
Please,

We can talk?  
Do not.  
We can not talk.  
We can ...  
Come talk to me.  
- It's all right?  
- Everything's good.  
Let's go out and  
talk about it, right?  
- What happened?  
- Eleanor?  
Dennis, we can talk later  
Now, get out.  
- Not after. Now.  
- Go away, please.  
Talk to me!  
- Right. Get out!  
- Excuse me. Excuse me.  
Eleanor, I'm sorry.  
Excuse me.  
Eleanor.  
You too, Eleanor.  
Out.  
Great.  
Great.  
Time to eat.  
No time to read.  
The face of flowers called?  
No, ma'am.  
The house is full of  
dead flowers for three days.  
Reggie, drove  
to school today?  
- No.  
- What did I say?  
I'm crippled.  
I can walk.  
Reggie, use the car for  
get to and from school.  
I like air, right.  
Like breathing.  
Then open the window.  
We have a car with  
driver stopped here

as you go on foot  
to school.  
What is this sauce?  
Meat?  
Do not.  
Now eat.  
Tomorrow the entrevistare  
girls in the library.  
Let all  
take the shoes.  
Yes ma'am.  
What happened to Tula?  
- She returned to Panama.  
- Because?  
Because of the Green Card.  
Is none of your business.  
She did not say goodbye.  
She asked  
dismiss you for it.  
It was because of me?  
Guess what? The world does not revolve  
around you.  
Sometimes things just  
occur in this world.  
Whatever that means.  
This is not meat  
Also, Reggie.  
- With the.  
- Yup.  
But this brown sauce  
It is vegetarian, Esa?  
Yes, I already told you.  
Is it really necessary  
hiring a nanny?  
I'm 13 years old.  
You have 12 years.  
What will you do when I see  
dad? Live as a single?  
Esa is here.  
I will visit my daughter,  
for a month.  
- I know.  
- I warned you a long time.  
Yes Yes.

Esa, Jesus Christ!  
Take my wine to the room,  
please.  
I will watch "Masterchef"  
and sleep.  
Hi Mom.  
How are you?  
Yes, I'm on a  
public phone.  
I know.  
I do not know, Linden Street?  
How's Shelly?  
You are kidding with me?  
Because she...  
Do not let her do it, Mom.  
Should not work there,  
regardless of money.  
I'm fine, I was fired.  
It was a lot of things.  
And Dennis came and made a scene.  
I do not want to talk about it.  
I grabbed my stuff  
and leaves.  
I do not know.  
I did not plan any of this.  
It just happened.  
As a matter of fact,  
I was thinking of going back  
home for a while.  
Probably a few weeks,  
I] do not know for sure.  
No, I will not go back there.  
He would not let me in.  
I played his guitar out the window.  
I do not know  
How long, Mother.  
Enough time to  
join some money.  
I have only \$ 160  
on my account.  
I will not take many things.  
What do you think that'll take?  
All I have  
It fits into a briefcase.

Hello? I'm here, wait.  
Yes, I'm sorry.  
I did not decide yet.  
I'm just thinking.  
Can I have a girl from  
Work. She said okay.  
It's ok.  
I have to go. That link  
It will cost a fortune.  
Okay, I will.  
I'll. Do not worry.  
Tell that Shelly  
It should not work there.  
No matter how much  
is gaining.  
It's ok?  
I'll. Right.  
Bye.  
- Courtney!  
- Yup?  
Eleanor will  
spend the night here.  
- You'll sleep where?  
- On the couch. What's the problem?  
This is not a hotel.  
God. How annoying.  
Okay I stay here?  
Yes, do not worry.  
She was less annoying,  
I could stay longer,  
but the apartment is hers.  
It's all right.  
Tonight is great. I already have  
place for tomorrow.  
- Are you sure?  
- Yup.  
I will lie down and read a book.  
I need to wake up early  
and find work.  
Want to know?  
Here it is...  
call these people,  
my friend Abby recommended  
is kind of a

jobs agency.  
Temporary services?  
Yeah, like baby-sitting services.  
Has cared for children?  
Yes. My little sister.  
So that's, say  
It has babysitting experience  
and caring for children,  
or whatever ...  
My friend Abby managed  
work to care for the children  
what's the name ...?  
British girl,  
that program ...  
Dress well, come on,  
invent who is experienced ...  
I myself would go there, but  
they confer  
criminal record.  
Thanks.  
Right. See you later?  
Close after you leave.  
Due to lack of care.  
I can sue you so fast ...  
Forget Sal, mother.  
Sal does not interest me.  
Mom, I'm not  
interested in Sal.  
Mom, stop talking. Stop  
talk while I'm talking about.  
Stop talking, Mom.  
What the fuck!  
I've worked on  
bar, restaurant,  
and caring for children,  
most of the time.  
- Yup?  
- How nanny.  
- Babysitter?  
- Yup.  
I...  
worked babysitting  
for a family.  
Do you have references?

Not because they ...  
back to ...  
the Europe.  
They were from Belgium.  
Has somehow  
to contact them?  
Probably not. I can try  
get the new number,  
but probably not.  
I also took care  
my little sister.  
I took care of her since her birth  
to the second degree.  
My mother worked period  
full when we were kids.  
I practically raised her.  
I can call my mother,  
or my sister.  
For referrals.  
Right. I can see your  
driver's license?  
You can wait outside.  
Six letters to  
"nothing more".  
"Merest".  
"Merest"?  
M-E-R-E-S-T.  
Mere. Only, nothing  
or something besides specified.  
"Merest" is your answer.  
Yes what?  
Is none of your business  
where I slept.  
I ask you  
where you spend the night?  
It happens all the time, Dennis.  
And I said, eventually.  
And thank you for making me miss  
employment with his little theater.  
What did you think would happen?  
What? I will not go back,  
I already told you.  
Generally we do not move forward without  
check recommendations

but I have something perfect  
and you do not want to lose,  
To begin now,  
perhaps this afternoon. Can be?

Yes, I can start  
immediately.

- This afternoon?

- Yup.

- Must live in employment.

- It's ok.

Want someone temporary,  
a few months may be more,  
is it good for you?

It's ok.

It's a family on the Upper Side,  
essentially care

a boy of 12

and light duty, yes?

Yup.

Great.

This is the address.

They will be waiting for you  
for a brief interview  
with her mother.

On the way, stop at a pharmacy,  
buy a blush

and something to behold.

It is heavily loaded.

You better get going.

Hello.

- Barbara Kipper.

- Eleanor Logan.

Very good.

Let the library  
to talk.

You are from the north?

My nanny left me,  
unexpectedly.

My husband is in China,  
where your business is based,

I will find it at least

a week. You smoke?

- No.

- If smoke,

only on the balcony,  
we have 15 different balconies  
choose one, if you want to smoke.  
Right.  
I do not smoke.  
Reggie, what Claire said.  
Something?  
- Very little.  
- Twelve years old.  
basically  
lead and seek in school  
and make sure they eat.  
That's it.  
Anything you need,  
Esa will help her.  
- Esa?  
- Yes Madam  
Christ.  
He is sticking to me.  
Do not do that.  
Yes Madam.  
Helena will replace, Tula.  
- Eleanor.  
- Have a boyfriend?  
- No.  
- If you want to see her boyfriend,  
go to his house or  
wherever you want, because  
is strictly  
forbidden here, right?  
- Right.  
- This is important.  
He needs to eat.  
If not oblige,  
he shall not eat.  
He only likes some  
things and is very demanding.  
Meatless. As vegetables.  
He does not eat meat,  
fish or birds.  
He does not eat anything except tofu  
and vegetarian things.  
What time it comes out today?  
It has music until 16:30.

Great.

You seek to 16.30.

I absolutely do not want  
it to go or return  
walking school.

**A:**

**B:**

use the driver.

So, that's right.

Esa, forward Laura,  
show your accommodation  
and the rest,

I have my massage

15 minutes

I'll take a pill

and prepare.

Excuse?

I'm Eleanor.

I'm here to pick you up.

They warned you?

They not warned. It's all right.

The car is there.

In fact, I'd rather walk.

Well, your mom really  
you go by car.

Notwithstanding what my  
mother might have said,

I have a hit  
with the driver.

I refer to a  
financial agreement.

Now, the way home. IT IS  
my stuff. I do this every day,  
rain or shine,  
, period.

It's ok.

Great.

Hey.

Yup?

You can stop for a second?

I'm Eleanor.

Reggie.

Nice to meet you.

Equally.

That is not

a little heavy?

Yes, but I do not care.

It was amazing.

- How is it?

- You playing.

It was a composition

absolutely stunning.

Thank you.

The way

the viola and violin interacted

It was so sad and so beautiful.

- Who composed?

- I.

- You wrote that?

- Yup.

You really

You must love this.

You mean,

I would love to play.

It's just something to do.

It's what to do

when grow up?

- When I grow up?

- Yup.

- No.

- Why not?

Why not?

Let's see.

First, end

like a drunk lonely

is a bit much for me.

Not to mention, that art,

as a language, it is dead.

Does not matter

that has to say

or how well can

say it ...

He is dead.

- It is a dark vision.

- Yes it is.

"Douzeper".

- What is this?
- They are 120 points to me.
- It is not a word.
- It is a word, dumbass.

Noun, plural.

One of 12 legendary knights.

Should know, because

Dungeons & Dragons is nonsense .

Is being said.

I do not believe that

gostosinha is living here.

She's so hot.

Man, it's too much.

So it says to

every girl who knows.

No. Only for

super hot.

That's because you are confused,

strange and insecure.

Okay, Mr. Freud.

I am convinced that no

girl will have sex with you.

Yes right.

Looks delicious.

- What is this sauce?

- Just eat.

Gluten-free meat.

Eat, Reggie,

a vegetarian, right?

They always try to put

animal protein at all.

It looks excellent. I can not believe

he could as fast.

That's what scares me

this whole thing.

I spoke to the mother for 10 minutes

before hiring me

take care of 12 year old son.

When I was living there.

It seems he was lucky.

What's the problem?

They seem zillionrios.

The house has the size

Central Station,

and taking care of a boy  
12 years old?  
Home, food and payment.  
What more can you want?  
What's more, he lived with Dennis  
more than a year,  
letter strip  
a boy of 12 years.  
Yes it's true.  
Here's how to end your relationship  
He threw the window of the guitar.  
Yes, you're right.  
I did it.  
Fuck it.  
This was my end.  
Back to  
the land of the rich.  
- See you later.  
- Bye.  
Do not stop.  
- It is wonderful.  
- No, not really.  
I do not feel inspired  
for Cello these days.  
This is where rehearse?  
It's the best seat in the house.  
The acoustics are perfect.  
This place...  
you mean,  
this house is amazing.  
It was built by Captain  
Francis Fowke, in 1898.  
He also designed  
the Natural History Museum.  
He was a big fan  
huge pools.  
Why it is empty?  
My mother wanted tiles  
handmade of Mallorca,  
or something like that,  
I think she does not  
even asked.  
A lot of things in this  
house were not finished.

In the meantime,  
you could swim.  
No not me.  
I do not know how to swim.  
What? Because?  
I guess I never taught me.  
Do not mention it.  
I'll teach you.  
It is very tasty.  
I eat my dinner,  
now.  
Please advise if you need  
something.  
She should eat with us.  
She likes to eat there.  
Is weird.  
IT IS? She likes  
eating alone.  
She read the TV guide.  
Sometimes watches  
"Telemundo".  
And maybe you  
are designing  
their concerns and  
expectations on it.  
It was a brilliant  
and triumphal presentation.  
Thank you.  
So what's the plan?  
Making presentations  
of his quartet in the summer?  
I think I'm  
a little tired of the Cello.  
Maybe you need a break.  
Yes. Maybe I'll.  
I will take a break from Cello.  
I was suggesting only  
a week, or something.  
And then resume.  
No. You're right.  
Anyone under 75 years  
cares more  
this music  
dusty and antiquated.

Your time has come  
and has passed.  
Is not true.  
I did not say a long pause.  
I do not suggest this.  
No. I think  
a break will be good.  
This is old-fashioned and obsolete.  
Anyway,  
I do not want to talk about it.  
Where are you from?  
Oneida, New York.  
Town near Syracuse.  
Of course, I have heard.  
I researched in the newspapers about  
the pre-war architecture.  
which involved reading enough  
on this particular area.  
It was nice growing up there?  
It was cool,  
when I was little.  
Maybe it's the way  
as I remember.  
Now they are all broken  
and unemployed.  
Everything is closing.  
You have relatives? Mentioned  
an older brother.  
I have a younger sister.  
What does she do?  
It works in a bar.  
Is your brother?  
It is in the Army.  
In Afghanistan.  
And your parents?  
Finish your ice cream  
before it melts.  
Put down your pens.  
This will to  
your final grade.  
The calculus books are  
be delivered on Friday.  
Not after Friday.  
Not the second; on Friday.

Hi. How was it?  
I'm glad it's over.  
I hate physics.  
Damn physics!  
How was the exam  
of math?  
- Great  
- This guy...  
how can  
stay so calm?  
I am not so  
incompetent as you.  
It's ok. Who wants  
taking a juice?  
We have to go.  
His mother travels today.  
Where does it go this time?  
Take care of your life.  
Hey, calm down.  
I ask every time your  
mother goes somewhere?  
I'm sorry.  
It's all right. I'm sorry,  
I did not want to be rude.  
We need to drive.  
Her mother goes to the airport  
in an hour.  
More raisins, honey?  
No, thanks.  
Would I like a coffee.  
A coffee? No chance.  
Sorry for the delay.  
The alarm clock did not ring.  
Good morning lady.  
We have to go to the  
camp? What time?  
Sit down and have a coffee.  
Yes, the camp starts today  
but he said he will not.  
He has to go.  
Why will not you go?  
He said he will not.  
Okay, let's,  
we'll be late,

I do not know where to take you.  
Where should I take him?  
Relax, I will not.  
It does not depend on you.  
No? Who else?  
His mother gave me  
specific instructions.  
He gave?  
Yup.  
Do not be a smartass.  
Outsmart?  
I'm not being smart.  
I'm sitting here  
solving crossword puzzles.  
I'll go out.  
I do not know any of that.  
It seems to me,  
the instructions left  
by my mother  
They were not as specific,  
because you do not know where  
or when I must go.  
You go to the camp.  
It does not seem so bad.  
This will not happen.  
What's so bad about that?  
You are going camping.  
In the field,  
in a lake, by God.  
I wish I could go.  
Really?  
Camp songs,  
banal debates  
and useless conversations  
Sports,  
heroes and action movies.  
All this still on the bus.  
Not to mention canoeing,  
obstacle race,  
campfire and  
Teen camaraderie.  
Teen camaraderie is good.  
You are a teenager.  
This is a bad idea

my mother, not mine.  
Perhaps we should call her.  
I strongly recommend  
that do not.  
Let me handle it  
my way  
and we avoid complications.  
I am responsible  
by you.  
So be responsible.  
J volto.  
Right.  
Resolved.  
As well, solved?  
I know that guy.  
Will take care of everything.  
Hang on...  
It marks my presence and you  
send a check. No questions.  
Hang on.  
Send a check to him?  
All right. I have an agreement  
with that guy.  
Try to understand.  
Simply camps  
It is not my place.  
Are you hungry?  
I bet it is.  
I know a great place,  
near here.  
Like eggs benedict?  
It's all organic. Come on.  
Hang on.  
Wait a minute.  
52 sticks by  
spinach salad?  
This salad is great.  
Can believe.  
Everything here is top.  
Usually I ask  
mushroom risotto.  
Ask whatever you want.  
I pay.  
We have an account here.

I just want green salad.  
Only that? With the. The chef  
It is known worldwide.  
What will we do  
the next six weeks?  
This is New York, girl.  
The options are endless,  
can believe.  
That's not right.  
He should be in camp.  
Camp is not  
an option, right?  
And it never was. I do not want anymore  
Know camp.  
It does not depend on you.  
Yes, it depends.  
Nobody cares.  
- I do not care where I am.  
- Is not true.  
I do not think that way,  
it's a fact.  
The operation continues, is in  
camp or at home, reading.  
Personally,  
I prefer to read at home,  
and I say it's the same thing,  
It believes it is the same thing.  
- And Esa?  
- What about her?  
It is legal,  
but you think that cares  
where I am or  
I'm doing?  
She looks after the house.  
This is weird,  
very strange, Reggie.  
Well, this is my life.  
Welcome to the strangeness.  
Just try to navigate keeping  
health and sanity  
the best I can.  
It's ok.  
I was about to give up.  
What the fuck are you doing?

Clearly, trying to  
to talk to you.  
I'm not doing little game  
or shit like that, right?  
I'm serious.  
I ended that relationship.  
Maybe we could talk.  
You did shit  
thousands of times.  
was always drunk,  
He treated me like shit,  
forget, forget  
and go home.  
I made a mistake,  
I realize now.  
Just want to talk.  
We talked.  
Stop sending messages.  
Eleanor?  
Since leaving me,  
I was desperate.  
Sorry I am wrong,  
I should have thought of that before.  
I wrote several songs for you.  
I want you to listen.  
- Jesus Christ.  
- Let's have a drink.  
Let the "scratcher".  
Bill is a DJ there.  
What are you talking about?  
Only a drink.  
Just talk.  
Are you listening to me?  
I'm working, I idiot.  
I am very ill,  
I can not sleep, eat ...  
If you think this  
sickening whine,  
this despair,  
It is somehow  
attractive or friendly,  
it's wrong.  
So goodbye.  
Bye?

Eleanor, come on, please!  
Going to be like now?  
No more words?  
Just end?  
There is in other words.  
Exactly those words.  
Right, but you will have to pay  
that guitar.  
Do not fool yourself.  
Bitch.  
Why are you here?  
- What happened?  
- Anything. Come in.  
Will pay my stuff.  
Bitch!  
- Are you alright?  
- Yes I am.  
- Sorry about that.  
- Want a snack?  
I can make vegetable soup  
with Miojo, quickly.  
Or tofu in curry sauce.  
No problem.  
I should eat something.  
Of course.  
Great.  
And we can finish the movie.  
Sorry to ask, but he  
usually explode like that?  
Do not.  
At least,  
not that I know.  
A monstrous mistake.  
Life is a series  
of monstrous mistakes.  
I'm doing a job  
horrible to look after you.  
Why that?  
It's going really well.  
Do not.  
I do not want from it.  
Sign in to what?  
My rolls.  
These horrible details

my link.

Things that happen  
in my personal life.

We do not know each other  
much.

- And it's too young to understand.

- Do not be so sure.

I'm very  
ability to understand.

- Oh God.

- Much more than my age.

I do not want  
to worry about it.

Do not even think about it, right?

Right. I will not worry.

Do not worry about me.

Right.

But I can not guarantee  
I will not think about it.

That's what I do:

I think about things.

It's my nature.

Right.

- Can you think.

- It's fair.

- Oh really?

- What?

A master giving a  
carelessness like that?

Missed the chance  
to take down my queen.

There goes your horse.

Does not matter.

I'll still win.

I remember that my family was going to  
Sydney, Australia, on holiday?

- Yup.

- No more.

No?

My father lost a business  
with a face Stanford  
or calling Stanford,  
who knows?

Now I have to go

in karate camp.  
It seems boring.  
Why do they think  
I have to learn karate?  
Perhaps because we live  
picking up the big boys?  
I really want is to go  
hip hop camp.  
It would be great pro your resume.  
They play hip hop, dance  
style hip hop and stuff.  
I know what it is.  
It's horrible. Do not go.  
For you it's easy. Is every day  
in the park with her sexy nanny.  
Yes, that's what  
I do all day.  
See these super women  
sexy in the camp brochure.  
And I think all these women  
beautiful are waiting for you there?  
- Have to see it to believe it.  
- Good luck, man.  
- But my father banned.  
- A smart man.  
He said some racist things  
and threw it in the trash.  
Checkmate.  
You have to stop  
to dream like that.  
Sugarless gum?  
I love this painting.  
It looks a bit like you.  
- What?  
- The eyes.  
And yet,  
because it is plump half.  
Modigliani know something?  
No. But I bet  
I know that now.  
He died penniless  
in 1920, with 35 years.  
- What is very poor?  
- Extremely poor.

The found in the final stage  
tuberculous meningitis.

At death,

her bed was full

alcohol bottles

and cans of sardines.

Your girlfriend,

Jeanne Hbuterne, took care of him.

She could have taken

cans of sardines.

She was 9 months pregnant

with her second child.

Two days after his death,

she threw herself from the fifth floor.

- Can I ask you something?

- Of course.

When you became so smart?

I do not know if I was smart.

For example,

- When you learned to read?

- I read already 18 months old.

I think after that

I was intelligent.

What you read

18 months?

My mother found me reading

"All you can think"

- Dr. Seuss.

- Out loud?

- Yup.

- She must have flown.

She liked.

I took at parties.

- It's crazy.

- Yes. It's crazy.

It's crazy lead

a child 2 years

and put it in

means for reading the table

"All you can think"

for a lot of drunks.

My God!

Then lets see ...

with a 4 found that

was a prodigy in mathematics,  
solving problems  
complex mathematical.

What kind?

Multiplying numbers  
seven to ten digits head.

I can give you the cube  
any number.

- As the face of the Rain Man.

- Nope. I was autistic.

As for me, I concentrate,  
outgoing and articulate.

- Of course.

- Not to mention absolutely gorgeous.

At least...

For me,

all this is like talking.

Do math, play or compose  
music is natural. Thus was born.

My father, to my knowledge,  
She was extremely intelligent.

What it is  
doing in China?

- Who?

- Your father.

Not doing anything in China.

He died.

Mother remarried.

I'm sorry.

Thank you. A long time ago.

I was three.

- How did he die?

- Run over.

In Zurich.

There, they drive like crazy.

Really.

It was concert pianist.

I traveled a lot.

And graduated in

Physics at MIT.

It looks amazing.

Of course I had problems,  
like everyone else.

But I love idealize it

as a mythical figure.  
It does me good.  
It also appears that drank too much.  
A lot of people do it.  
Are you hungry? Come on.  
I had forgotten  
as Bolia cooked badly.  
It tastes like clay.  
I will ask if  
You can do something else.  
No. She's nice.  
Let's get out of here?  
Chinese food fix?  
It is a great place  
near where he lived.  
I'll distract her.  
Throw it away.  
Delicious.  
Let's go for a walk.  
- And the rest of the dinner?  
- No, thanks. Let's walk.  
- A dessert?  
- No, thanks. You can go to sleep.  
- Are you sure?  
- Yes thank you.  
Yes, thank you Bolia.  
- Sure?  
- Yup.  
Madness use the subway  
when have a car with driver.  
- Yes well...  
- Thanks.  
Why not dispense  
and save money?  
He's cool.  
But never takes anyone.  
Practically lives in that car.  
Indeed,  
he lives in Crown Heights  
with his wife and 7 year old daughter  
having cerebral palsy.  
I am moved with it.  
And still saves me,  
if you understand me.

I did not understand.  
I did not tell you? Well, is not it?  
Amazing.  
Can you feel the glutamate  
with your toes.  
- It will give us sleep.  
- I agree.  
And another thing Gerard,  
he worked  
for John Gotti.  
- Who?  
- Gerard, my driver.  
He was  
security pro Gotti.  
Was it?  
And if you can help it  
hit something with someone.  
I was thinking  
it can help you.  
- With what?  
- Your situation.  
I did not understand.  
Your situation  
with her boyfriend.  
Oh God!  
He goes out of your life  
after that. Believe.  
You crazy?  
It was his job,  
this kind of thing.  
You can change the subject,  
please?  
Only talk to him.  
I appreciate your concern.  
- It was only a suggestion.  
- I told you not to worry.  
It's ok.  
Jesus!  
Okay, come on.  
Where?  
The day is beautiful.  
Let's walk in the park.  
You know who was Lo Hoi-Sing?  
Why not

Training Your Cello?

Can sit on

balcony to play.

It was the first

Chinese immigrant in New York.

Arrived in 1862. He married a

Irish and had two daughters.

Take the Cello.

I do not train for weeks.

I do not want to Cello.

He tired me too.

Do not say that.

I have no more

interest in Cello.

It's all right.

We go to the park.

Let that stinking park

every single day.

So we go

a different smelly park.

You should call your friends,

and make a day of music.

- Music Day?

- Yup.

I think you're tired

to stay with me.

No not a bit.

And you're tired of me?

No. Just thought I would

to see his musician friends.

- Is playing?

- Because?

They are not my friends.

- I have no friends, I said.

- Which is?

They hardly talk to me.

I bet if you give a chance,

They will like you.

May need

try harder.

At least call the Raj.

I know it's your friend.

He is on

Karate camp.

Want to play "foursquare"?

No, thanks.

Come on, Ben!

Damn it,  
this is horrible.

We have to leave it  
away from the kitchen.

Only lock the door ...

You are enjoying the soup?

We loved it.

We were discussing  
about the delicious taste.

That's good,  
It is my specialty.

It may be best  
change your number.

I'm glad you liked it,  
so I will do it again.

God help us!

Yeah, whatever, Dale?

I'm working.

Yup.

Since when is there?

You have someone with him?

Yes I will.

Why did not you call me before?

Can I talk to my mother?

Sure, but do not know why  
not called me before.

OK thank you.

Who was?

My Uncle Dale.

It's all right?

Yup.

My father is in the hospital.

What does he has?

He's very sick.

Is sick  
long ago, but ...

I think now is more serious.

What does he has?

He's very sick.

It is a result of alcoholism.  
Cirrhosis of the liver?

I have to go there.  
To Oneida?  
I can help with something?  
No it's okay.  
I'm going to call Sylvia,  
it stays with you until I get back.  
Of course.  
I do not want to call his mother  
not to worry her.  
Of course.  
It's okay like that?  
I do not see a problem.  
I mean, I do not know.  
I know Sylvia.  
She's great.  
I mean, it's cool.  
I'll be back in 48 hours.  
Right.  
Can I call to send Agency  
a substitute but did not think good.  
No. I would not.  
It's all right,  
do not worry.  
I do not want to go.  
But I think he will die.  
Do you know what I think?  
I think you and I ...  
Oneida must go together.  
I company for you.  
Like M & M's?  
We have M & M's.  
He does not eat those things.  
No, thanks.  
Like cookies?  
Have Cookies,  
or groundnuts,  
such peanuts?  
No, thanks.  
I can go on  
supermarket tomorrow,  
but now must  
be closed.  
What you like to do,  
little boy?

He likes to read.  
It's very clever.  
That number is?  
Fourth? Fifth?  
That's kind of complicated.  
He is very smart.  
It's all right.  
Why not take the jacket  
and stay here?  
Because it is cold here.  
How about turn on the heat?  
- Do you want to pay my bill?  
- It's summer, dammit!  
Is about four degrees here!  
How long  
You are planning on staying?  
Is playing?  
Just arrived.  
Calm down guys.  
I will see my father in the morning  
and turn on the first bus.  
Good well?  
You can stay as long as you want,  
just do not touch the heater.  
It's summer!  
Jesus, Eleanor,  
you just complain!  
I will see my father,  
and let's go.  
Like roast beef, kid?  
I have a huge  
in the freezer.  
No, thanks.  
It looks like my sister  
It is relaxed.  
It has a lot of stuff.  
You can not sleep here.  
I will be fine.  
Would be more comfortable  
to sleep in a hotel?  
Yes, but I can not afford.  
Yes, but would  
more comfortable?  
I need the car

borrowed.

- Where are going?
- To a hotel.
- Jesus, Eleanor!
- I bring from the hospital.
- What time? Where are going?
- St. 9 pm,

that will do?

Go around with this kid?

I have no petrol in it.

Where do you think you're going?

I supply. You can not  
to sleep in that room.

If warn coming and bring  
guests would have cleaned up.

Can you borrow the car  
or not?

Has no petrol in it.

Bring back the morning.

You are welcome...

They have swimming pool.

Closed for renovations.

What a pity...

Dale is his mother's brother?

No, I'm my father's brother.

They married

after the divorce of my parents.

They were all friends at school.

My father was in the army,

He fought in the Gulf War.

Dale stayed with her,

I guess.

My father came home,

it was strange,

He started making

bad things.

they divorced and

Dale moved in with her.

I'm tired.

Let's sleep.

When I close my eyes it seems

I'm still on the bus.

Why did you leave?

Your whole family

live here.

I think I answered

his own question.

I wanted to go to Juilliard.

Be an actress?

No. God, no ...

By music.

Music?

Yes, I played trumpet.

- What?

- Horn.

As a small trumpet.

I know what a horn.

- Then you play music?

- Yup.

Why did not you tell me before?

I did not tell you.

Since when do you play?

Since the fourth grade.

I made a test of skill,  
and took top marks.

I won a free tool.

He won it?

Was when

He began playing the trumpet?

Actually I wanted to trumpet  
but they did not and

They gave a horn.

I thought it best because it is  
easier to play  
and carry around.

- Any luck.

- Yup.

He played in a  
band at school.

I loved.

I was chosen

to make a presentation,  
one band with the best.

For the inauguration of  
War Memorial in Syracuse.

It looks like it was important.

Was Hillary Clinton  
to cut the ribbon.

I played a solo.  
And what happened  
with Juilliard?  
I was invited to study there.  
But they could not give me  
a full scholarship.  
I could not afford.  
Terrible.  
Not so much.  
I was not sure  
He was what he wanted.  
What did you do then?  
I got a job  
as a waitress.  
I started playing in the subway.  
I can not believe.  
Yup.  
He played old  
Beatles and ...  
He is earning a few bucks.  
There met Dennis.  
- In the subway?  
- Yup.  
He saw me and  
He began to appear forever.  
On the platform,  
trains came and went  
and I was there, sitting.  
He gave her money?  
Yup.  
Soon after, she brought me coffee  
and other things.  
Once again, he gave chocolate  
instead of coins.  
It was cute.  
Then finally I said:  
Hey, you will say "hi"?  
What he said?  
Said that  
I did not want to bother me.  
Who loved the sound  
my trumpet.  
What did you say?  
I said...

"is not a trumpet,  
idiot, is a horn. "  
It's him?  
I do not remember.  
It took me to a restaurant  
Korean barbecue.  
It was very tasty.  
And we began to leave.  
Like lovers?  
No. That was after.  
He had a band.  
Invited me  
to play with them.  
He plays guitar.  
I do not play anymore.  
You threw it out the window.  
Yeah, but  
I'm not proud of it.  
I let my emotions  
control me.  
Where's your horn?  
I have no more.  
Why not?  
It's a long story.  
I had some financial problems.  
You sold?  
I sold, yes.  
And a good Horn also.  
It was beautiful.  
My father gave me  
when I graduated from school.  
It was a good surprise.  
Not even know he was there.  
I had long not seen.  
Once  
ended the ceremony, he ...  
was waiting  
in the parking  
holding a box with  
a big red bow.  
Good evening.  
Good evening.  
What is the name of the piece  
Composed for the recital?

"A Sunday rain."  
Is beautiful.  
I will compose a track  
for horn.  
- Hi, Shelly.  
- Hello, Eleanor.  
This is Reggie.  
She dyed her hair.  
I knew they were going to sleep here  
last night.  
Sorry the mess.  
I could take a cleaned.  
It's kind of hard working  
40 hours per week.  
And why are you working there?  
There are many places  
to work beyond there.  
Want to know?  
The place I work  
is my problem.  
You will pay my bills?  
Come on.  
Yeah, I thought not.  
Right.  
Banque the good girl  
in front of his friend.  
Where to stay?  
Do not say you were in "Days inn".  
You can delete the cigarette  
because of the child?  
- Where's Dale?  
- Sleeping.  
Like cereal?  
We cereals.  
He is fine.  
Here are the keys.  
I'll call a cab.  
Where are you going now?  
Road.  
Road?  
I thought I had come  
to see his father.  
Yes I went.  
And you? It was in the hospital?

Bother going there?  
Do not scream. He is mad  
since coming here.  
I want a taxi in  
Penvik street, 59.  
Yes, to the bus station.  
Thanks.  
What is this uproar?  
He is in a coma, Dale.  
Yes I know.  
They said you  
They called and never returned!  
You know the coverage  
military covenant? Almost anything.  
That's why we called.  
Just do not understand why?  
It would have been so hard for you  
go and sit next to him?  
He's your brother!  
And he is alone.  
I have not seen you around here,  
when he was bedridden.  
So do not come with sermon.  
Let's hope the corner.  
Come back here, Eleanor.  
Go to hell!  
Hey, Eleanor, calm.  
Can be?  
I never come back here.  
From here, Eleanor?  
Eleanor?  
I'm sorry,  
just had it in the cafeteria.  
Okay thank you.  
Tasty.  
Never go back there,  
for real?  
- At where?  
- Your home.  
He said he was never going back.  
Who knows?  
Maybe one day,  
if my brother back.  
Who knows?

I worry about my sister,  
but sometimes  
I want to strangle her.  
She could come with you  
in New York.  
Of course.  
I'm thinking  
to go to the west.  
To the west?  
I have a friend in Idaho.  
Earn good money  
on the ski slopes.  
Always says you can  
I get a job there.  
- Looks cool.  
- Is very beautiful.  
I saw some pictures.  
It is not always so cold.  
So that's what going to do?  
Yes, I think so.  
- And the horn?  
- What have?  
Someday I come back to play.  
Back yes.  
Why not read your book?  
I'm done.  
"Grapes of Wrath".  
A story  
joyful for you.  
You have a gift  
and the obligation to use it.  
What you mean?  
You do not even know if I am  
the worst Songwriter the world.  
I think not.  
It would not have been chosen  
for the band of the best,  
if so.  
And it would not have been  
invited to Juilliard.  
It is a crime to deprive the world  
of his art.  
I did not say that art is dead?  
Yes. And still dead

if the great artists  
leave the horn  
and move to Idaho.  
Promise me  
I will return to play.  
Promise me you'll come back  
for your music.  
I come back, if you go back.  
Combined.  
I think I dozed off.  
His breathing is deep  
when sleeping.  
I was dreaming.  
We were in a lake  
I went when I was little.  
Dennis was there.  
Did you love him?  
I think so.  
Or at least I thought.  
He loved you?  
He said yes.  
He said he loved her,  
but who knows?  
At first it was cool,  
but then began  
to mistreat me  
and lie a lot.  
I think  
We never know.  
Think will  
marry and have children?  
Many questions.  
Excuse me. I am curious.  
I think not.  
I think these things have not  
the importance they say.  
- Never seen it work.  
- I do not agree.  
- Is sentimental.  
- It might work.  
If a surrender to another.  
As if they were one,  
can function.  
The problem is finding

someone who delivered to you,  
and that deserves its delivery.  
Think that  
You will see him again?  
Do not.  
If someone does not treat you  
as it deserves,  
then you do not deserve to have you.  
My father always said that.  
And I?  
You what?  
I will see you?  
I'm right here.  
After it leaves.  
You're leaving, right?  
So back  
to see you again?  
If you want to.  
We can write  
and so on.  
Contact.  
Something tells me that a year from now  
will not even remember my name.  
Is not true.  
I wonder  
if someone will love me.  
Chances are pretty good.  
- How old is he?  
- Twelve.  
He's great,  
you will love it.  
Hello, Reg.  
Come to Korina.  
Hey, Reggie. Pleasure.  
She has a beautiful home.  
Thank you. It was built by  
Captain Francis Fowk in 1898.  
He also designed  
the Natural History Museum.  
- Very interesting.  
- Not so much.  
He designed  
a lot of buildings,  
Come help me

to show the house.  
No, thanks. I will  
back to my room  
complete biography  
Groucho Marx.  
It was a pleasure to meet you.  
My pleasure.  
Good day.  
Black coffee  
French press.  
How do you like.  
Impressive.  
I hope you're hungry.  
Made vegetable dumplings  
and pancakes without flour.  
Let's go down.  
More coffee?  
No, thank you.  
It's delicious.  
Esa will come back tomorrow at eight.  
So will Korina  
make your dinner tonight.  
And lunch.  
I can manage alone.  
- Do not forget your vitamins.  
- Why do you have to go?  
Should be Korina.  
You are unpacking.  
You want a ride?  
I think I should have to leave.  
Right.  
I did it for you.  
What is it?  
Pasta with fresh pesto  
and some potato chips.  
The way you like it.  
To go.  
Thanks, Reg.  
So...  
Yup.  
Korina is very good.  
Yes, it looks cool.  
She said that  
like chess.

Great.

Her mother around 27.

It must now turn the night.

Esa back tomorrow morning.

Yes I know.

Do not worry.

Straight to Idaho?

I'm not so sure.

I think I have to go

home, a little,

reorganize the head.

I rediscover.

Sometimes it's the best thing.

Reorganize life.

It was nice to meet you.

You too.

Were certainly only

a few months but I feel that ...

I have so many things,

many phrases ...

I feel the need

to say to you.

But now...

suddenly I have

ability to speak.

I could not stay

forever, right?

It has always been a temporary thing.

It's all right.

Be a good boy.

Like Sunday, Like Rain
