First Love

By Fran Derham

Siam Museum

Why do you like to take this kind of photos?

I like close-up photos because

They lead us to see something...

that we cannot see if we look widely

So When you shoot face close-up picture...

Where is your focal point?

They maybe eyes

Excuse me, my little baby is crying

So handsome

Too bad he's already had a baby

How are you my son? Why are you crying?

You must have been hungry

You look so angry

Haaeee Don't be mad at me

"All of us"

"have someone who is hidden in the bottom of the heart"

"When we think of him, we will feel like umm.."

"Always feel a little pain inside"

"But we still want to keep him"

"Even though I don't know where he is today.."

"What is he doing"

"But he is the one who makes me know this"

"A little thing called LOVE"

Mario Maurer

Pimchanok Luevisedpibool

I get it, why you ask us to visit this shop everyday is because of this

Because of what!!!

His motorbike is so strange

Don't meddle with him
You know? You know?

(Women's Bathroom)
Karin
Do this question
Who did this?
"It's because of you that come to me"
"To stay in my heart every night and day"
"The world has pathway"
"This world has stairs"
"Has love and heart"
"That lead us to meet each other"
"In this world"
"Has two of us"
You're good

You dad couldn't kick the penalty goal successfully
Hey you guys know what...
our province didn't get the national trophy

We couldn't find the opportunity like this anymore
Damn his father
Unfortunately they're gone, I want to see P'ding get punched
Let's go back
Will you drink this pepsi that P'shone give you?
Why not throw away if you won't drink
(Don't Drink!!)
If that so, why put it in the refrigerator
Ok students, today I have two things to announce

P'.....I umm
Yesterday..
I'm sorry
It's ok
It's not because of you
Plaster...
Get well soon
Nam
Thank you
Hey, P'Shone know my name
He know my name
He know my name
Hey look at this
This shop has this kind of book?
20 Methods
Get senior to be your 'boy friend'
There they go, white ribbon gang
I'll be back
Look at her
When does she be friends with that gang?
(Get to the 1st in exam)
Are you for real?
Yes

I miss my dad
Never seen him for 5 years
Earn
P'Kai has confessed love to me
Because of this book!
Is it true?
This book works?
Yes
before Pooh becomes P'Tor girlfriend
she also bought this book
"9 recipe of love (for students)"
It really worked for her
Aww, don't you go with that gang?
No
I walked with them
but they blamed me that I stole the scene
The 1st method
win his heart by The Greek's belief
Go to the place where you can see many stars on the sky
Then, use your finger draw the line connecting stars
as the abbreviation of your man
Get out of my way
Look at them, wow
I won't step there then, the area is full!!
Hey, Nam
Don't you want to draw with us?
No, I won't
I think, it looks non-sense
Um, they are clearly seen
I will go to draw it at my home
I'll go, Nam
See you
"The only star"
"that I always wait to see everyday"
"I want it to be the same star..."
"that you also keep an eye on"
"that only star"
Oh! You guys are diligent
Where are you going to compete?
compete around here
You catch it!
Hey, my hands are not free
I told you, my hands not free
kick for what(E-san's accent)

You are Chinese?
Uh, I'm sorry
When I'm angry, I think about my ancestors
Hey, look at this
Look at this
come on Shone
The poster for the 3rd photo contest that you asking for
Look at him
He always Play
Play can play all day
But he doesn't dare to play for the school
He plays for fun, he's not serious
If he's serious, He will not dare
If only I could score that penalty kick
Again, you blame yourself again
Our son may not afraid of taking penalty kick
even though, his friends tease him about it
Or, if he's really afraid
He will pass the fear one day
Look at the real person who missed the kick
He can pass that bad time till today
Why you look strange today?
This
My doctor suggested me
He want me to use this new dental brace
Beautiful right?
Eh You think it's beautiful?
It's not beautiful at all
Hey, look at it again
I don't see it's beautiful
Hey, you intend to do it with P'Ken
Yes
YOU HAVE TO EAT, EA EAT,EAT,EA Yeah, P'Ken has eaten the rice
You're crazy
It's because he's eating
How can you call it hypnotization
What are you two doing?
This, The 2nd method
It's the old method from Mayan
we have to concentrate our mind
Then, look at our beloved
Try to control his mind
Tell him to do things we want
If he follows our command

it means that he is our soul mate
(Turn this way, Turn this way)
(Turn, Turn)
Hey, P' has turned to me
Who? Who's turned? Nam?
No, It's nothing
Did you hypnotize P'Shone?
Hey No, are you crazy?
I didn't
So, why did you tell us
This book is non-sense?
because, it takes beliefs from
many countries, that island, this island
It surely cannot be trusted
Then, did you follow the methods?
Yes, I did
Eyy
You shouldn't disclose this little matter
I'm afraid that I will be teased
You don't have to worry about being tease
Because We...
Will definitely tease you
The 3rd method
This comes from Scotland
sneaking to bring things
that have the meaning of heart to him
and he must not know who gives the gifts
so the target will know that
there's somebody who interested in him
that's My jelly, be careful
How could you make it fall?
thank you very much teacher Pon
sated egg for you
Yes
It means that when you're traveling
you thought of me all the time
I will eat them till they're all gone
Thank you very much
thank
Teacher Pon's salted egg, Eh
Pon's egg, Salted teacher, Eh!!
Teacher Pon's salted egg, Eh!!
That right
Teacher Pon's gives me ka

Teacher's Pon's salted egg
You're not going to tell me that....
Yes, Teacher Pon bought these from the trip
How many of the boxes?
4 ka
4 boxes?
Damn it, Salted egg!!
Maybe, you cannot finish all of them, be careful then
We forgot one thing
our country is tropical
Mangoes?
Yes
Other people give flower or handkerchief
but you would give him mangoes?
How is it romantic?
Hey, Hey
That's him
Oh!! He's so handsome haha
Let's go, go, go
Mango cake ka
I did it myself
Thank you
It looks delicious
Are you ok?
I'm ok
It's The end
We totally lost
She only did a little
but it works
yes
She's cute
good future housewife
How can we compete with?
Change the one you love, then
Actually
I have another appointment
But teacher Pon invites me to your house for dinner
Importantly, It's the first time
Umm.....
If you are really not free, it's ok
We can meet next term
Ohhhh, wait wait ka
Actually, In is free Ka
I can go

Teacher Pon Ka
See you this evening
But, teacher Pon
This dinner is not for the two of us?
Oyy, please don't call it dinner
It's better to call it summer celebration party
Many teachers will come to the party
I guarantee it will be fun
Uhh, ok
Teacher Orn!!!
Teacher In....
I've never surrendered to whoever
This war..
is very important!!!
Teacher!! That's my answer sheet
Ouyy!
Higher, Higher
Teacher
Lift it more, more, Nam
I get an idea
P'Shone must ride Nam to home
Yes
Nam must have dreamed about it
for once in a lifetime
It is right?
When P'Shone ride Nam to home
When getting off the motorbike
When giving mangoes
So romantic
Eyyyyy!!!
Try to look like your motorbike is breaking down
How can it break?
When he try to start...
He will know it
Uh yes
How about losing the key?
How comes it will be missing?
It's here
Hey
It has lost
Hey

See you at M.2 class
Mom, Mom
Look at this mom
Pang, stop, Pang!!
Mommy, P'Nam has a boy friend
Nam
If that so, how can you go to see dad?
For this matter, I think you should grow up more before you can involve
with it
For today
You should think about studying only
Owww
Cheer, you come here?
Pang called me that her sis is being heart-broken
Have been listening to music for a weak
I think you can forget about P'Shone
Ha Ha Ha
Lower the voice!
My mom will hear
Your mom's not home, she went to the market
Cheer, it's crowd
Nam, when will your mom broaden out the stairs?
Hey Nam, Let's look at another method?
Listen carefully
The 7th method
It's the Gypsy's method
The love must build up our self
Use the power of love to make us smarter
More beautiful
and be better in everything
He will look back at us finally
Ehh, What're you doing?

P'Shone is handsome
So Nam must be beautiful
Awww!!!
Umm, her skin is almost strip out
"Monday, I'm waiting"
"Tuesday, I'm still waiting to see"
"see..see...if you are fine"
"Wednesday, you're still not here"
"Neither in the morning, nor later"
"Thursday is also empty"
"Friday or Saturday or even Sunday"
"None of the day that I don't miss you"
"None of the day that you will come back"
"To be in our old days"
"How long it will be like this? I don't know"
"How many months or years?"
"How many billions of our past memory?"
-Eh what is it?
It's Kamin (wipe for brighter skin)
"I never don't miss you"
Heyyy

Bug face

I will make those girls see that
Teacher In students are not terrible

It's because of his dad, our province couldn't get the national trophy
Hey, I will let you kick the penalty again
The previous kick was just a warm up
Your aunt's house set this rule?
Yes, it's from my aunt's house
My uncle's house also has this rule

Once upon a time
There were two squids
They had traveled till they met each other
Then, they fell in love
They became a couple
Finally
They got married
On the day of marriage
Squid priest told them to hold hands
So, they held each other hands
held the hands
held hands
held hands
held hands, held hands
Ha, P'Shone
Crazy
But cute
The teller or the squids?
The teller
Eh the squids
Umm, I'm confused
I kinda don't want to eat them
I've never eaten squids for so long
Since I heard this story
So...
Did you use to hold someone hand like the squids?
Once
An awkward-face girl
was falling down from the stage
So, I held her hand
Nam!
Why don't you eat squids?
I prepared it myself, it looks delicious
No!!

My mom stayed in the hospital
Which day?
The day that my dad missed the penalty kick
I was born that day
So, my dad gave a birth day gift to me
by quitting playing football his entire life
I'm the one who brings bad luck
Look at it
The province had never come that far till that day

Are you ok?
For me being teased?
I'm ok
I'm used to it
It becomes my surname
Shone
whose dad couldn't score penalty kick
But it's ok

Love you but you don't know
Love you, only if you know
Love you but you don't know
It's the time for our special show tonight
It happened when we studied grade 5
That time, both of us
secretly loved the same girl
Her name is Boe, a grade 4
We tried to compete each other by practicing dancing
So one of us could dance with her in the school party
But when the real day came
Our P'Shone had chickenpox
So the right to dance with her was mine
But finally...
Khun Top gave up his right
So, we both failed
Aww, That's because our P'Shone
Intimidated that he would break up with me
After that, we promised each other...
We will not like the same girl
That's right
Come on

Islander's dance
Happy birthday to you
Nam, tomorrow I will come here the same time
Let's watch P'Shone play football
P'Top doesn't need to pick me up anymore
Why? You will not be free?
No, I mean that....
Don't involve with me anymore
