- At 9 and 'perfect.
You will have a trial period of 3 days,
and then we'll talk.
Okay.
So until tomorrow.
It 'been a pleasure, Mrs. Pye.
It 'been a pleasure, Ray.
Thank you.
See you tomorrow!
- Have you fixed the problem at 11?
- It ', was a tampon in the bathroom.
I have to assume that those women
they own in the wild.
Raymond.
Carla can 'finish the job now.
So, what time you
be there 'tomorrow? / i
At 9 . / i
If I only knew
what you were going to do
and where you were going to do it ...
I know it 'your life.
But I would do anything
to deter.
That's enough ', Eddie.

Are you looking to get scared.

Gia ', indeed.

It 'just a job, Ed

I'll be able 'to get by.

Listen, the thing you can do with signposting Ray Pye,
and 'keep up more' away as you can.

They are also capable
to do this.

So much the better.

And then what can 'make me, kill me
in the laundry room in broad daylight?

You're a lovely man and a fool.

And you're mad at me.

- Hey, Sally, how are you?

- There is no 'bad.

I suppose it is certainly the
work more 'interesting to the world.

All development work
are already 'occupied.

Oh, well, you're right. Making the Deputy Director,
not 'exactly the best.

But need to pay my bills.

It allows me to get out a little '.

- Are you a student?

- Next to return.

Really?

I took a year of

break to work

and to pay for the School of Fine Arts

What do you want? / i

Photography, to get started.

Are you a photographer?

It 'great!

Listen, from time to time,

I mess with friends.

We are a good group, you may join us, clicking
some photos and get a bit 'of advertising'.

Do you think you would succeed?

Actually 'photographer only landscapes.

Then a landscape photographer

and put me inside.

Put the whole group

into the landscape.

It would be fun, right?

We'll think, 'OK?

Listen, I'm going 'on top of a hill
with some friends after work.

We'll drink a few beers, we will relax
and watch the sunset.

It 'really fantastic sunset, up there'.

Want to come?

I do not think is the case.

Come on, you'll enjoy a lot.

You are my boss, remember?

So what? There will be a
lot of people up there '.

And then his head and 'my mother. I am
only one employee, just like you.

You are the director, Ray.

I can not do.

But thanks for telling proposed.

You're welcome, Sally.

Oh, listen, think about it for the photos, ok?

We would really need.

Okay.

Ok.

- Hello, Ray.

- Inspector Schilling.

All quiet today, eh?

Hey, I was wondering if maybe you could
help me with something ... Ray.

Have you ever seen this man
before / i

No.

Never. Why '?

Well, 'interesting. / i

'wanted for murder

in Mountain View. / i

It appears that he shot out of boredom
and killed two girls

they were camped

in the park

overlooking the lake. / i

And I said 'interesting' cause

This is similar to that of a murder

that there 'was a few years ago,

Turner near the pool. / i

- You remember, right?

- Certainly.
She and I had the inspector Anderson
questioned several times about it.
Several times already ' .
Hey, do you think it is the same murderess?
What killed the two girls here?
Well, everything 'possible, but
not.
We do not think that it is
the same guy.
We think it is another.
In reality 'we are
pretty sure.
who else is there '
here besides you? / i
There are two waitresses.
- And your mother?
- No, she did the night shift.
Do you mind if I speak
the waiter?
Sure, no problem. / i
Give me their names, Ray.
Jeannie Robertshaw e. ..
Slow down.
I'm not fast.
- Robert Shaw?
- Robertshaw.
Excellent actor.
Do you remember the movie "Jaws"?
Goodbye beautiful ladies of Spain ... #
Remember him?
What 'the other name?
Sally Richmond. And 'new.
Well, then start 'with her. / i
Tell me where I can find it.
She wants him to show me?
It is not 'a problem.
No, no, no, you're sitting.
Sit down.
Well . / i
Good day, boy.
You know, your hairstyle and 'fantastic.
To stay dry, I would say.
- Sally Richmond?

- It '?

I am Inspector Charlie Schilling.

I am a friend of Ed

He spoke often of her.

- What is it? Are there any trouble?

- No, no, no, everything's fine.

However, and 'a little'

worried about her.

Refers to this work.

Because of Ray.

Gia '.

- He has already 'made a pass?

- Yesterday.

On my first day here.

Would you believe?

It ', when it comes to Ray Pye,

I believe everything.

What else has told you exactly?

Only it was suspected of murder

happened a few years ago. The main suspect.

Come on, sit down.

Ray was not our main

suspect, was the only suspect.

Now, the fact that she has said

that has made some advances, / i

makes me think that maybe

it has also made a few of

these girls, and this was refused.

The result, and 'that the two

girls are now dead.

I need this

work, Mr. Schilling.

No, instead.

There are others, Sally. / i

Well, I understand that

is trying to tell me e. ..

I'm not an idiot, so ...

I'll see 'what to do.

All right.

You know that Ed is 60 years old.

True / i

I know.

Then also like to

you this place, huh?

I find the food excellent, here.
Sally, I'm happy to have you met her.
I am organizing a
party tonight.
There will be 'a lot of people.
You must come, you have a great time. / I
I'm sorry, but I
already 'programs.
Bills.
I'm sorry, I can not.
Are you sure? Sara 'a
walk, I assure you.
As I said, I've already 'commitments.
Oh, and 'a real shame.
Maybe another time.
Hello, Ray.
Hey Dee Dee, I'm happy to see you.
- What do I bring?
- How about a Coke and a hamburger?
Want to also
french fries?
Better to avoid those.
I am very attentive to my line.
You do not need it.
- Can I get something else?
- In reality, 'no, I'm done.
Here. Keep the change.
Happy end of the day.
Have you ever seen this?
Ansel Adams' best.
All I do is look at these photos.
I relaxed and thought-provoking.
This book is not 'never
was opened, Ray.
Gia '.
The other copy I had
fell to pieces.
You're an idiot.
What?
Hello.
Let me go!
What 'your problem? Who do you think
to be, huh? No! Look at me!
And who do you think you, Ray? / i

You came to me, I felt my first day at work, and while believing that it was pretty clear that I was not interested, you return to the office with a bunch of tales of a book do not even know.

Do not insult me ??in public.

'Tell your mother will not return'
after lunch, tell her I quit.

If you do not immediately get out of my car,
I swear I'll put 'to scream.

- You're just a little bitch, Sally. Go fuck yourself!

- Let me go!

Hey, Charlie. Sally
just called.

Ah, yes' / i

He told me that
and is' fired.

Did you? Well! Well!

Good for her. / i

He told me that you have been
to convince you to do so. / i

I wanted to thank you for having done
open your eyes on the job. / i

It 'been a pleasure.

Oh, another thing, I also said that Pye
had invited him to a party tonight. / i

Never gives that little
bastard, right?

This made me think that
Pye's friends are all young. / i

There will be no doubt of
minors and drugs. / i

And I know how you hate that sort of thing.

It disgusts me even more 'of
taxes. Thank you, partner.

Six girls.

What?

In this place I fucked six
girls who are here tonight. / i

And they continue to turn over all around.

It seems that someone is giving / i
a big party here.

You ', this prevents me from sleeping.

I have some meetings tomorrow, very soon
and I really need to rest.

I thought maybe you could
here to send a patrol car.

Hello, Dee Dee,
welcome to the party. / i
Hello, Ray.

- Would you like to be the lucky seventh?

- What?

The cops!

Shit! Swallow your fucking pipes.

The beers ... Shit!

The beers in the fridge. Timmy, on the door.

The ashtrays in the bathroom once.

Oh, shit.

Christ.

I got burned.

Hey, Charlie.

I was nearby and I wondered
if the event could serve you a hand.

Come on.

Shit!

Throw it all away. / i

Boys, boys, boys, not lying!

Holy shit!

What a brothel! Outside, go, svignatevela.

Roger, give me your cock
cane and get out of here.

Sorry, son, we received a
complaints of too much noise. And 'your home?

No, 'a friend.

I could talk with your friend, then?

And really 'in the bathroom.

And 'to the bathroom, huh?

Gia '.

Would you go to look for me, please?

Sure.

Ray!

Lords agents!

There 'something wrong?

Hey, Ray.

Could you let us in
for a moment?

Do you have a warrant?

Well, we received a simple
complaints of too much noise, Ray. No.

We wanted to come just to chat,
as we did yesterday, you and me.
About the guy who
killed two young girls.
About the guy who looks like you.
Listen, Agent, and this'
only a small little party.
Turn the volume down, ok?
My personal apologies for the inconvenience.
You hear a strange smell, guys?
Now that you mention it, yes'.
You smoke grass, Ray?
No, you feel the smell
must be the cigarettes.
Also my friend here, cooks well,
but he burned a pan
- Making the popcorn.
- Oh, by the popcorn.
- He burned a pot?
- Exactly.
Okay guys, the party and 'over.
You know what?
You can not 'do this.
Sure I can, Ray.
You know, having a look around,
at first sight,
three quarters of the boys
are minors here. / i
I also saw cans
Empty beer, alcohol ...
Would you like to ask everyone a document?
And do the test of alcohol?
Of course, it should be a little 'for long,
but we have all the time, right guys?
For us that's fine.
They tend arms,
you touch the tip of the nose. / i
- Jesus' Christ.
- What did you say, Ray?
- Nothing.
- Are you religious?
Jesus'. See, said that tone,
it seems almost a curse.
And you inaccuracy in front of the police, Ray?

No, absolutely.
Ok, you've heard.
The party 'over.
- Ok, miss out.
- I sleep here.
- His parents are aware of this?
- I have twenty years.
I could see a
his document?
Ok.
My apologies, Miss Fitch.
Hey, Ray.
Friend, see you soon,
this and 'safe.
Take care, Don Giovanni.
Good evening.
Asshole!
Ray?
Ray?
Look, I know how you feel.
Really.
It was a great party,
those who arrived first.
Listen ...
Tell me, please.
Ok? And then ...
Then maybe more 'Later, we will
a bit 'in order, right?
More 'forward, we will organize a
evening even more 'big, ok?
The next weekend, maybe.
Ok? Is that okay?
Do you really think that it is
was a big party?
It '. We were all happy.
So why 'you stood on the sidelines
with Timmy taking a long face?
- I was just a little 'tired.
- Bullshit!
Ray, I was just depressed, ok? That's all.
All those girls that were here ...
That Dee Dee ...
I'm sorry,
I'm so sorry.

You know how I am.
All this 'I was a little' depressed
and 'more' stronger than me.
Ok? I know it 'stupid
because I love you
and I know you love me, okay?
Look, I'm sorry,
I'm sorry.
Take off your blouse,
I want to see your tits.
Jen, take off your shirt, I want to
see you my tits, come on!
my fly. / i
- Do you want me levi everything?
- I asked you to perhaps take my everything?
You know what? Forget it.
Go away.
Forget it.
Get your stuff and go back to your home.
Ray, come on, can 'happen.
Not to me. It does not happen to me!
Listen, and I 'got an idea.
I'll help you tidy up and then ...
When we have a moment,
try again.
No, right? No, Jen.
Do not fucking try again!
- You know, Jen?
- Ok ...
- You heard me, slut whore?
- Ray, you make me sick.
Have the intelligence to go.
Outside the fuck out!
Ok, hello.
Something wrong?
No.
They are simply
mood variable.
Do you think we could ...
What we could do it again?
Oh Jesus', let me finish
My first cigarette?
No, I mean ...
You think we could do it again

some other time?
I do not know.
Maybe.
I just wanted to see ...
I needed to know ...
Something. I do not know.
It ', of course.
You have the stuff here, Tim?
It '. / i
Try this.
Not bad!
Where did you find hashish?
Ray.
You do not have ever bought.
I did not.
Ray gave it to you?
It's not 'his style.
I am his messenger, ok?
I'll get the stuff
the post office.
And every time I scrape
one blade.
Ray falls for it.
Jesus', Timmy!
Have more 'balls
brain, you know?
Ray kill you if you should know.
I know.
So, we do it?
It is not 'change anything.
Been to Short Hills?
Before I lived here.
I can not say that I
never missed this place.
- The next right.
- Where are we going?
You'll see.
Kath, 'cause we're here?
To drink, silly.
See that oak tree over there '/ i
Once, my mother has covered the
of banana daiquiris.
- Why?
- I assume has not liked his cocktails.

- How are you doing tonight?
- Well.
- What do you drink?
- I'll have a Scotch and soda.
A banana daiquiris.
- Want to make a play?
- What kind of game?
The game of truth '
I have made you a question.
You must respond
absolutely true.
And then will 'your turn. / i
I put you in mind?
Please, go ahead.
So what do you think?
Ok, I groped at least.
You tricks?
It '
Sometimes.
When you are part of a band
need to know / i
of hairstyles and makeup.
In short, this means
means to be professionals.
I do the rest remain discreet
so 'often no one notices him.
It 'my turn, right?
What do you think of me?
First of all, I hardly know you.
You are fun.
Crazy, but that's okay.
A nice guy.
- Vanity.
- Vanity?
Ok, this game does not
has the right to terminate.
Ok.
You go around and hanging out with
a gang of losers, but that's okay ...
Sparta and 'made up to 90% losers,
you say.
Do you have any secrets. You talk a lot
but do not say anything.
I find this

quite interesting.

- It 's all?

- It ', for the moment.

It's my turn.

- Jennifer purposes you?

- No!

No?

Absolutely not!

- Never?

- That 'a second question.

Now it 'again

my turn, right?

Sure.

Are you attracted to me?

See? I told you

you're vain.

- These two questions are about your you.

- No, not 'true.

I'm just trying to understand

as I see you, that's all.

You know, your personal perception.

And 'different, is not it?

Ok ...

I find you attractive.

But this does not necessarily mean
succumb to 'your charm.

However, even if in a strange way,
I'm already 'doing.

What 'the worst thing you've ever done?

Once I destroyed a shed.

I was 17 years.

Timmy and I were runaways.

There seemed to tough idea.

Escaping, I mean.

Cut the rope.

Timmy knew this place / i

where his father was a carpenter. / i

It was in the country.

Served only in summer. / I

But it was winter, so 'we have entered. / i

All this' we had was the canned pasta
to eat, but we were full of alcohol.

In addition, we found a

case of beer in the cellar.

I found a 38-caliber
in a cabinet, / i
and a 22 gauge shotgun under the bed.
We practiced shooting
in the house. / i
That would take the target or not, / i
must avoid taking
the rebound of the projectile. / i
Imagine that the bullet t'insegue.
was something stupid.
We could kill us. / I
But it 'was great fun. / i
We were made, we give a shit. / i
I completely
pulverized TV.
I must admit that I
really let go. / i
The next morning, you wake up.
And the whole house
and 'a total disaster.
ruined furniture,
stains everywhere. / i
We were there the rest broken cock. / i
We said shit, / i
and 'cut and run now.
And you? What 'was the thing
worst thing you've done?
I would say ...
- Lying to my mother.
- Lying to your mother?
Gia '.
And 'the worst thing that
you've ever done?
One lie in particular.
The truth 'frank and full, OK?
It '.
My mother and 'become
paranoid-schizophrenic,
a couple of years ago.
She was
a brilliant painter of abstract art
that exhibited in New York.
But she became convinced that the whole world
art had coalesced against her.

And not only that, but the cops.
One Saturday afternoon, / i
my mother was in one of its states. / i
He was suspended again
its treatment. / i
was a beautiful day,
she was tearing / i
of flowers from the garden.
He wanted to help her. / I
Suddenly he said: "Go find
a shovel, and some 'buried here! "
Eventually, I was tired
the delusions of his cock.
Then I told a lie.
I told her that my father / i
came to me just before / i
preparing to leave to tell me that / i
and my being fucked
of its corpses. / i
could dissotterrarseli
even alone. / i
That 'was the straw that
broke the vase.
Losing confidence in my father.
So 'one night,
My mother went 'in the kitchen. / i
turned on the heating pad / i
waiting burned. / i
He was trying to burn
his prints. / i
My father did not
the right to touch it. / i
ego ', but I did not know
what the fuck to do. / i
From that day did not
more 'touched a brush. / i
Shit.
Let's get out of here.
Good night, Ray.
See you tomorrow night?
Ok.
- On one condition
- What?
This time choose

you what to do.

- And that is something interesting.

- Can I do it.

Hey, Tommy, how are we going? I could have a large box of condoms?

Hey! And!

How are you? It 'a
some 'no see.

Pretty good. Though

I have a summer cold

- Who does not want to pass me.

- You too?

Apart from that, everything's fine.

Even Sally and 'cool.

I hope not

I beak.

Do you remember Sally?

Oh, yes'.

Oh yes', is growing too fast.

Want to play

mini-golf?

No.

All right.

- Let's take a ride?

- Okay.

- Where?

- You'll see.

Let's go camping?

No swimming.

Over there 'there' pool

fantastic. You'll see.

Want to swim?

Sure. Not too cold.

We do not have costumes.

You will always carry one?

- There are leeches?

- It 'possible.

- Are you worried?

- Not what should worry you.

Imagine if a leech

to attack your cock.

My cock and 'ready

to take the risk.

Shit, and 'ice!

- What's', I beat you by leeches?

- It's not 'for the leeches, Ray.

\$ 20

that you are not able

to go first

and to face all alone

bad leeches.

There will be 'perhaps

some snake them 'inside.

It 'was your idea.

- A bath in a quiet area.

- I will follow 'soon after.

Want to see me naked, huh?

I?

Not at all.

For \$ 100,

you can light your torch.

Would you like to?

Next, Ray.

Move a little 'your torch.

My face already 'know him, right?

You know, I do not want more 'time to do so.

Why 'do not fuck me instead?

- What?

- Fuck me and that's it.

Are you serious?

You kidding me?

I'm sorry.

Why '?

It 'been a little' fast.

I have met a more 'fast.

I should not have brought you here.

Why '?

Remember last night?

You asked me what the

worst I've ever done.

And I've told you about that house.

- I lied.

- You did?

It ', we destroyed the cabin.

But not 'the worst

I've never done.

I do not know what to tell you. / i

I do not know

if I have to believe you.
In any case,
and 'found an idiot. / i
I am an idiot.
And 'all happened in an instant. / I
I was not even told you.
How did you feel?
I've already 'said.
No.
Tell me what
After you've tried.
Not at the moment.
Not when
kill those people.
Jesus'!
You want ...
You really want to know?
Sure.
I asked you, right?
Ok.
It 'was scary.
Risky and scary.
But you have to tell you.
I want to be totally
honest with you.
I suddenly felt
very powerful.
I could make them afraid,
hurt, no matter what.
Even when I started shooting.
I could decide whether to let them live
or continue what I was doing.
It was like being on a roller coaster
e. ..
I do not know, 'something that
hold of you.
It must just be crazy.
Sorry, sorry.
Have you no answer?
Have you seen the time?
Will probably wrong.
Not like an hour.
Hello?
Immediately.

Ok, I take the first flight
tomorrow morning.
It 'been better for her.
You know how he suffered.
Me too.
I loved her truly.
It 'true.
I love you.
I love you, Daddy ' .
We'll see.
Your mother?
Jesus', I'm sorry.
Now you should go, Ray.
I have things to do.
I leave for San Francisco at dawn.
Ok. Certainly.
I'm really shocked, Katherine.
Whatever you need, I'm here.
It ', Ray.
Hello.
I do not know.
I feel a bit '
too exposed.
Wherever he goes,
I like the feeling of being watched.
"Here the old disgusting pervert!"
- You know it's not.
- In any case, and 'so' that I feel.
I do not care who would know.
So you've saved your ass.
- Christ, I could be your grandfather.
- It's not 'true.
You are just more 'older than my father.
I do not see much of a problem.
Well, it would be for the people.
And even for parents.
What's up ', are you drunk now?
You have a reputation to think about.
My reputation?
In a month, will leave 'and I'll bring the' behind.
You 'but I have to continue
to live here.
What are you trying to say?
Try not to play with me, Ed

The situation forces me
to act in this way.
I wonder if it is not the case ...
Do away with all this.
Maybe I should stop.
So you want to break?
- Jesus', Ed!
- Listen, Sally.
- You are so 'young.
- Do not tell me this.
You do it for your reputation,
not for mine.
And put this before us.
Do not believe so 'coward, Ed
- Close your eyes.
- Why '?
Close your eyes.
You'll see.
Oh, my God, Ray.
It 'great!
It 'a diamond.
A diamond?
Oh, my God, Ray.
I have chosen for you.
Listen, I know that often
not prove it,
but you'll always be the
My number one, Jen, ok?
Oh, my God, Ray.
I love you so 'much!
Sorry. I know you are not nice
My jealous.
The worst thing you've ever done. / i
- How much?
- \$ 30.
- Quantity '?
- There 'to do a big party.
There are 4 grams.
A half a gram
should be enough to
it rocks.
Take it easy, man. We
already taken 'three tonight.
I'm fine. I do not do anything.

You are already 'been in jail, man?
It ' .
How 'been?
Honestly,
I do not like to talk a lot.
Does not annoys you, Ray?
No, do as you wish.
Gia ' .
I should think so.
Why 'limp dick
that way, Ray?
Shit, man.
I was a kid,
I have 12 years.
A deal gone bad grass,
totally wrong.
Those patients in uniform
mafiosi,
I shoot on my knees.
I had to go.
I've already 'told this story.
There were 5 km up to my house.
This has destroyed my legs.
I run balls, but still
Today hurt.
However depending on the weather.
Hey, since you sell this other stuff? At 60?
- You think you can pay 80?
- Of course I can pay 80.
Got a problem? / i
What?
Got a problem? / i
No.
Ok, take care.
It ' ?
Tim, come on.
Have a visit. / I
Arrival . / i
- No problem, right?
- No, no problem.
- A beer?
- No Thanks, Len.
How you doing, Tim?
Ok.

Work for your father?

When you need
of a hand.

- Lenny, can I ask a favor?

- Sure.

I only left for
few minutes with Tim?

Well, I do not know, Charlie.

What is it?

Trust.

I think s'aprira '

more 'happy

without her father's side.

Are you sure that there is trouble?

'Cause ...

No. No.

This is someone else.

- Ray Pye.

- Lenny, please, just a couple of minutes.

It 'really important.

You go to bed with Jennifer, is not it?

I do not think are his business.

I guess I had

already 'my answer.

So the next question '...

As Ray took it?

And 'aware of you?

- Mr. Schilling.

- Inspector Schilling.

You see, Tim, I know that

killed those girls.

I know.

But there is' something I

main concern.

What would be capable of

make a guy like that

if discovered to have been betrayed?

What would happen if

someone tell him?

Four years ago, my colleague

And I questioned Anderson / i

the potential role of Ray Pye / i

murder of Elise Hanlon

and Lisa Steiner. / i

She said
Ray was a friend of his,
but did not know him
very well.
Do you remember?
More 'or less. It 'been a long time.
He also said
she spent the night
alone with him at his house, watching TV.
It ', I remember that.
Why '?
Why 'do you remember?
I do not know, just remember it.
Ok. Put it this way '
Why 'lied
the other thing?
What else?
Well, she was
already 'in bed with Ray.
Not 'true.
- Of course you '
- No, 'absurd.
Well, not Tim Bess' of this opinion.
He says that she did.
No, this is not 'true.
Tim would never say that.
- He says that now goes to bed with him.
- Jesus ', and' only happened once!
Well, it has also
only once, right?
Think about it, Jennifer. When Tim told me
going to bed with her,
because 'should never lie
about you and Ray?
It is not 'some good
for his person,
divided between Ray and his friend.
Listen, Jennifer.
I know all of this Ray Pye.
It 'a piece of shit.
This' my business card.
Think about it and call me.
It 'a beautiful crystal. A gift of Ray?
It 'a diamond.

No, baby. It is not 'a diamond.

No, 'an Austrian crystal. / i

If you beat him with a hammer,
andra 'shattered. But it 'better
avoid, not 'really that' bad
as a fake diamond.

My name is Ray Pye, Mr. Wallace.

I am a friend of Katherine.

I make my condolences, sir.

Thank you.

Kath and 'busy?

-I just wanted to her condolences.

- Sure.

- Enter.

- Thanks.

Have a visit, Kath.

Hello, Kath.

Hello, Ray.

What are you doing here?

We have just returned.

Adiamo. Come out with me.

I bought these.

Thank you.

- Are you okay?

- It ', I'm fine.

I missed you so much.

Not even the extent to which images.

Why 'do not you call me?

I could not call you, Ray.

Why 'no? A simple phone call?

Listen, Ray. We'll talk, okay?

I'll call you tomorrow.

Christ, Kath. Tomorrow? It 'a
week that you left!

Tomorrow?

I'll call you tonight.

Hello?

Hello, Ray. / i

Kath! Great!

How are you?

- Well.

- And your father? / i

is better. / i

We had dinner and watched TV.

A normal night.
Andra 'better, but it takes time.
I have a present for you. / i
I thought that if steps
to me, we ...
We are no longer 'go on.
I mean, I like you so much and we
had a great time together. / i
But I think the case that
we do not see more '.
Christ, Kath! I love you!
Put yourself in my place . / i
I'll start 'the last year,
a new high school,
in a new town '.
I want to ...
- Saddle other guys?
- Sorry?
Want to fuck other guys?
You do not understand a shit what I'm saying.
Or you know just what 'you want?
And 'the university', then?
Your father and 'full of money
and in a year you go to university ',
like that slut Sally Richmond?
But no, forget that Ray!
Ray and 'a loser!
- I do not know what you're talking, Ray.
- Shit!
I do not want to commit, and that 'everything.
Nothing more ', nothing less.
You at least owe me the truth '!
You got a guy in San Francisco?
This discussion and 'over.
Now I go to bed, Ray.
You can not hang
in the middle of ...
In the middle of nothing. I have already '
said all I had to say.
- Wait! Listen to me, dammit!
- I go to sleep. Good night, Ray. Goodbye.
- What the fuck is wrong with you, Jen?
- Should I be the one to ask.
I came to tell you that it 'over.

- I'm sick 'of your bullshit, Ray.
- What the fuck are you talking about?
That 'was the last time
I've taken the piss.
E 'over. Do you understand?
I'm with Tim, now,
asshole!
And I assure you that you may not be
never like him to bed.
Moreover, he did not even need to get
inside the shoes of crushed beer cans,
to make believe
have a big cock!
So go fuck yourself!
You and your sham of a ring, asshole!
You are a fucking bitch!
Leave her, Ray.
Immediately.
Hello, Ray. How are you?
Pesi.
- It 'already' been done.
- Do it again.
It is missing.
You scrape the block, is not it, Timmy?
I imagined him fucking.
This morning I received a
visit really weird, man.
- Who?
- Jennifer.
See this scratch right here?
He gave me my cock
ring in the face.
You said that you screw her and then
gave me the ring on him.
If it were not for them was my mother ',
I would kill that bitch
directly into the parking lot!
I impallinato his big
all flabby ass.
Do you understand?
I've got full balls
damn all these sluts!
- Hello, Ed
- Hey, I was going to call you. / i

To say what?
Is that you called, remember?
I'm listening.
- I wanted to apologize. / i
- It 's all?
Ok. This, then ...
I'd like to go
the time you have left,
here with you.
And .../ i
And also that I miss you.
I do not care what people say.
Heck, that's 'already' a lot.
I just wanted to say ...
I forgive you.
Hey, 'great! / i
Tonianne I found a place
as a nanny. I start tomorrow.
Fantastic! We must
celebrate then. I'm cooking. / I
No, you do not cook.
You bring us to the restaurant
eat a couple of steaks.
But not tonight,
'cause I offer Tonianne cinema.
Tomorrow / i
Okay.
- 19.30?
- Perfect. / i
- Hello, Ed
- Until tomorrow then. / i
Do not make a move.
Climb inside.
The slipper.
All right. We close with a key.
Where to go, Jen?
Come on, Jen.
Let's go!
Stay there '.
You enter, Jen.
Shit, but you do not know, right?
Hello?
Sally, Jennifer.
Jennifer, Sally.

Go inside, Jen
or I'll kill you in front of the neighbors.
We'll talk soon, ok?
Be strong.
Strong.
Jack!
Pope ' / i
Our daughter and 'was kidnapped and
you are not doing anything?
Why 'you are not doing anything / i
You!
Son of a bitch!
I knew it was you!
I love her and are very
worried about her.
You are a fucking pervert!
- I will make you 'stop!
- Calm down!
She and 'age.
- That 'intolerable, ok?
- You know what I mean.
This son of a bitch dares to present itself here?
Dares to come here at this time?
To throw me in the face
thing as if nothing had happened?
You heard. And 'worried.
And so am I..
What?
What do you mean, Charlie?
What do you screw her too?
- Get behind the wheel.
- Fuck.
Have you had this morning
a lot of trouble for the head.
You want maybe another?
Good girl.
Where you go, Ray?
At the camp to bury the body?
Which body?
My.
No camping.
You'll see. Help.
We have not done anything.
And 'Ray was crazy.

He pointed out the two girls.
We could not tell anyone.
Listen to me. Concentrated.
Where would bring Sally and Jen, now?
Where is it going?
- At his home?
- No, we already 'a flying them' in front.
There 'no.
Where is it going?
Stupid bitch!
Not on my boots!
Hurry, get out!
Do you remember our meeting, Kath?
In this stupid country club?
When you told me
that crazy about your mother?
And when I said the thing
worst I've ever done?
Guess.
It 'happened right here.
Over there '
And 'over there' that I found
my power.
The scene of the crime, doll.
Oh, I'm dead tired.
Ok, I only have a couple.
And I imagine that Kath
will try 'to do the difficult.
So ...
Why 'do not you care
you to handcuff him?
They must put them to her.
By now, fuck!
Immediately.
Put this shit
of handcuffs, Sally!
Want to make me angry?
Look at me. Are you sure?
I put them away.
No.
You've never seen one in the movies
cop puts the handcuffs?
What have you got in that little head? Huh?
The cuffs are made with

hands behind his back, not ahead.

Jesus' Christ!

It is usually 'what it' happens in the movies, right?

Although in this case, handcuffs or
no handcuffs, I could kill you the same.

These are fucking flies from the lake ...

haunt me in my appartamanento.

Come on, now.

- I'm sorry.

- No, no, no, everything's fine.

You are Katherine, right?

I'm Sally.

I'd hug you.

You're so 'nice.

Your hair is beautiful.

And 'fucking moving!

I'm the blast.

But I would prefer us to go up there '.

So if you're ready

both, you go.

Now. Come on.

Oh, you too.

Not 'the time to play

with me, now!

What the fuck ...?

Shit! This and 'the

my fucking place!

I am a 'more' pissed!

Let's go!

In the corner!

Piss off!

Who the hell are you?

Do not make a move, man!

Who the hell are you?

My father sold the house.

Insiders are moving tomorrow.

- We are making the boxes.

- Sorry?

We are making the boxes.

Do not move.

What are your names?

Ken.

Ken Wellman.

- That 'my wife.

- But do not tell me.
And 'Barbie, your name?
Her name is Elizabeth.
Do not approach me, fuck.
Really?
Great, I guess.
I hope you're all having fun.
The truck arrives tomorrow?
It ' .
- What time?
- At 8.
Listen, I do not know what you want,
but for pity '...
For pity 'what the fuck?
Listen, stay calm, ok?
You do not like you, man.
You do this 'I say and will go' all right.
To you and Lizzy.
I have some unfinished business with them.
They are personal affairs, fuck.
These are all
my girls.
Do not move!
Lizzy, where's' grip?
Do not move!
I do not see what I do.
I do not see anything without light!
Light!
Sit here and stay there!
Your beautiful woman
and 'pregnant, right?
'fantastic. / i
Good for you, friend.
Good for you.
You know why 'boys
like pregnant women?
I thought about it. It 'easy.
A pregnant woman
or with a young son
has a lot more 'want to be fucked.
Want to see? The fucking goes.
It would be foolish not to take advantage.
- In what month and ' ?
- The third.

And you want a boy, right?
We do not care.
That's okay.
However,
you'll be happy.
Why 'do not give me a hand?
I just need a little 'of string.
Help me with the girls.
I have to talk to him.
And I want to be careful.
As you now.
As you now!
I want your attention!
Think you can help me, Kenny?
What do you think? / I
Brother, my friend ... Kenny
What do you think?
You know ...
Remember that even Sharon
Tate was pregnant, Kenny?
You know Sharon Tate?
The actress that Manson made out of?
A Job competition. Magnificent.
But she 'was not to the same month
Lizzy of pregnancy, right?
I do not remember. But no
importance. And 'dead.
And 'Dead, fuck.
Kenny, I'm losing patience.
What do you think?
Okay. Faro 'what you want.
Lizzy?
Okay.
Okay?
With the other two, perhaps
this was predictable.
But Jennifer / i
Shit / i
They have been together forever.
Listen to me, where is' gone?
There 'a drummer, Roger.
Ma and 'caught in the drug business.
I guess that might
to receive the Ray Gun.

The only other guy, the only
and 'Sammy Nardone.
And 'he who passes the drug.
Ok, you have the addresses of these people?
Not here, but I have it at home.
Get the phone,
call your parents
and facts to those addresses.
Lieutenant Anderson and I,
we leave you a minute.
But once we return.
- Lieutenant Anderson?
- And 'the habit. I'm sorry.
I do not like. Bess is right.
Who hosts a friend reinforced
and three terrified girls?
You have to be sick.
Unless this Nardone
is not a real criminal.
In that case, you '.
If and 'still in his Buick,
'll take it.
The question, and 'when.
I think I have an idea
of where it can be.
- Ok, she and 'the next.
- What?
Lizzy, Lezzy, Elizabeth.
She and 'the next.
Bring your ass here.
I'm sick of repeating his balls.
Your woman and 'too busy.
He seems to be ready to cut
the rope at the slightest opportunity.
Do not run away '. Promised.
Ah yes'? You swear?
Take your fucking ass here!
When you want to fuck.
Why 'do not you? 'Cause I?
Well, you know, I already have 'the
projects for Sally.
Lizzy And in all fairness',
I do not think you'd like.
You should probably sit back, Lizzy.

I will not 'hurt.
Legal!
Kenneth?
You do not want to play Charles Bronson
cowboy?
Do not move, little shitty!
You know what? Saro 'honest brother.
I do not like.
Just like Sharon.
Troy!
You ruined the look.
You did indeed.
Shit! Hurts like hell!
But I have excellent taste.
I immediately saw
you had something.
Not like the others.
As Kath.
But you, I saw you naked.
You're the only one of my girls
I have not seen her naked.
I'm not your girlfriend, Ray.
Now you ', damn bitch!
Take off your clothes!
Come on, if you do not want your brains splattered
on the ground, take off that stuff you're wearing!
- You ...
- What?
- You do not need the gun, Ray.
- What's', now want to collaborate?
Ah yes'?
- Lighthouse 'what you want.
- Really?
Show me your tits?
If you want to.
- And your mussel?
- What?
"I'll show 'my mussels to Ray."
Repeat.
I'll show 'my mussels to Ray.
"I'll show 'my tits to Ray."
Tell.
Well!
I will not even have sex, right?

But because 'cock still moving?
I just shot.
I am more 'late.
We were talking about?
I do not remember more '
I'm sorry.
You're a good randy or not?
Brava.
Oh yeah? Says who?
- My partner.
- Do you have one?
- And how the hell is it called?
- Ed
Like Mr. Ed?
E 'with a horse?
The horse, Ed!
I do not know what you're talking about.
Take off those fucking clothes,
or I'll kill you as you
kill the horses.
As I knocked
suck my mother.
I do not have all night.
Come on, come on. / I
Take off your clothes!
Not bad.
Really nice, I guess.
Look at me.
I feel good.
On the ground!
