# Love at First Sight

By Ted Travelstead

Always mess  
that part up.  
Whoa! Are you all right?  
Oh, it's that song, Johnny.  
Takes me back to  
dancing and romancing.  
Oh, to be young again.  
Oh! Come on, Miss Crawly, it's  
never too late for romance.  
Have you heard of  
online dating?  
Online...  
No, what's that?  
First, we've got to make your profile.  
What are your hobbies?  
Oh, let's see now.  
I look after the plants and...  
I like bowling.  
Cool.  
I like sandwiches and...  
Okay.  
Oh! Moonbathing.  
Moonbathing?  
Oh, yes, it's like  
sunbathing, but at night.  
Wonderful for the skin.  
Okay. We're gonna  
need a profile photo.  
Okay.  
Don't worry if it takes, you know, a  
little while for someone to respond.  
What?  
Wow! Look.  
Oh, my!  
Looks like  
the old gal's still got it.  
Oh!  
Wha...  
I think this belongs to you.  
Oh, yes, thank you.  
Beautiful night for  
moonbathing, don't you think?  
Oh. Yes.  
It's wonderful.
