Stop it, mom.

I'll sprain my neck.

Manveer...

Let's get ready.

Bro! Bro! Bro!

Dough?

How about giving me some dough?

How about tomorrow?

No. I need it today.

I need to pay rent.

You will show up tomorrow?

Of course. I am here to work.

- Be here on time.

- That's too less

You just got paid in

dollars instead of rupees.

And you say this is less? Be grateful.

Sorry, money brings

out the local in you.

But still, I worked for 13 hours.

Don't kill this poor soul.

This is too less.

Do one thing Remit it home.

It's 4000 Indian rupees.

4000 rupees!

For a day! For a labor job!

And you should talk softly

You don't know,

I have kept you here on my own risk

Don't get me killed.

- Don't call out after I leave.

- Okay.

Listen up!

- Yes?

- I need to talk to you.

It's not about the money.

Sorry.

Yes?

- When I become a resident.

- Okay?

If in your relationship.

Someone close or far-away"

Married or unmarried.

- A beautiful resident.
- Okay.
I will keep her well. With respect.
I'll give her no reason to complain.
I will keep her well.
- She should be beautiful and a resident..
- Yes.
- You stay hidden.
- What?

Ambulance's siren scares you to death.
You cannot carry heavy load.
And you say you want to get married.
I will find someone.
I will find someone for you.
Shall I find two for you?
Be here on time tomorrow.
Leave What are you waiting for now?
To kill me?

"Both her eyes are cunning thieves"

"Both her eyes are cunning thieves"

"Both her eyes are cunning thieves"

"That's why he refused
to get engaged to any."

"Both her eyes are cunning thieves"

"Both her eyes are cunning thieves"

"They embroidery on her
top stole hearts of many."

"She is a birdie who ruined many."

"They embroidery on her
top stole hearts of many."

"She is a little
birdie who ruined many."

"And she colors eyes with kohl,
pitch black."

"Both her eyes are cunning thieves"

"Both her eyes are cunning thieves"

How are you, Tuti?

How's my son? How are you doing?

Mom's cartoon!

You can stare at me later.

First, give me something to eat.

I am starving.

Payment due

I'll quit soon

- Papa, we are going.

- Where, son?

Finally!

Yes, Lakha?

No, I am already home.

You should have called
me five minutes ago.

No, I am already home.

- Parghat...

- Hold on.

What?

You know what will happen if I come.

Let's go.

Family is also important, bro.

You should give time to your family

Learn from me.

Hold on

'Where are you guys going?

What difference does it make to you?

Nothing. They are going somewhere.

So, what else?

Okay, I'll talk to you later.

'Where are you guys going?

What happened Manveer?

What's this?

Can I know what's happening?

If you don't know then

it's no use telling you.

How will I know? Am I a wizard?

Everything is fine

I just refused work in front of you.

I said I need to

give time to my family.

Can I know the reason at least?

Go! Don't come back!

Manveer! You are not going.

I am going.

Go. You too go away. Get lost.

Hold on!

At least tell me what's wrong.

I don't even remember if I did
anything wrong in the past few days.

I have brought the cheque too.

I have kept only as much

money in the bank account.

...as much as I had
when I left the job.

Electricity bill, insurance papers and
bank loan papers are on the fridge.

I will be sending you divorce papers
Please sign them.

Send them quickly.

Sent them today itself.

Sent them today itself.

- Bye, papa

- Go. Get lost.

- Go. Get lost.

- Bye.

You could have at
least told me the reason.

She will come back.

She has left earlier
as well a couple of times.

- Don't worry.

- Okay.

- Are you new here?

- Yes.

It's a good area
Peaceful.

I can see that.

Papa, wake up.

We will be late for school.

Give me just two minutes

Just two minutes.

Please. Please

Please. Just two minutes

We are already lame. Please wake up

Why you want to go to school so early?

To flirt with your teachers?

Give me a few minutes.

I will drop you off to school.

Please! Wake up

- Since how many days are you here?

- Seven days

I will have to tolerate
this for another eight days

I'll give your custody to your mother.

Because of you, I will

lose the divorce case on purpose.

Let's go.

- Keep the phone down.

- Okay.

Papa, we are late

I too am late

- Papa, fast.

- I couldn't fix your lunch.

I have kept sweets and snacks in this

Eat them

There's no life in Canada

If you go to work,

your wife leaves you.

If you go home to your wife,

you lose your work.

Here you go.

Papa, don't say bad

things about my country.

I didn't say bad things

about your country.

I said bad things about my wife.

What was I looking for?

Keys!

Hello? Let's make this quick, dad.

I am getting lame.

Jessica isn't home.

She has gone {or flog,.

She has gone for a run, dad.

Yes, Manveer is here.

But make it short.

We are already late.

Manveer...

I will talk to him today.

Please don't tell him about it.

- Keys! Where are they?

- Hello?

I hold your legs, grandpa

No. I seek your blessings.

- How many times do I have to tell you?

- I seek your blessings

Keys? Where is it?

- In the washroom!

- Yes Right.

Hurry UP-

Hurry UP!

Grandpa.

Yes, grandpa I will come there soon.

After I grow up.

Brother?

No, I need an aunt for my kids.

- But papa and mom are.

- Manveer, no! Don't!

- Talk to him about your teeth!

- Breaking news, grandpa!

My tooth on the upper
side about to fall.

Hurry up. Go, go, go-

We are so lame. We are so lame.

Okay. Bye, grandpa. Goodbye.

Give it to me.

Let's go. Let's go.

How are you, my bob'?

Whom do you love more?

Your mom or me?

Mom.

We are so late

Listen up..

Study well. Okay, son?

Don't touch my hair.

Really, attitude?

Oh hi, Julia!

Hi, Manveer.

He's my dad. Parghat.

- Hi, Parghat.

- Hi, Julia

Very confident.

- How old are you?

- Seven.

Papa, you shouldn't
ask girls their age

Fine. I understand what you are up to.

Bye, Parghat.

Bye, Julia

Get this straight.

She is okay as a friend.

But you will be marrying
into the Jat community.

I am so lame!

Your father seems very nice
Yeah, but my mom is
getting divorced from him
Oh, so you'll have
a new father then?
Yeah
Well, what kind of
a father do you want?
Depends on mom.
I hope he will be good
But I like Parghat.
Wait, dear. He'll be here soon.
- Hi, sir.
- Hello.
Hi.
Sorry, I am late
I have to drop off the kid.
What's new in that?
Hold on, I just came.
Let me at least settle.
We will fight in a while.
Sorry. Yes?
Well, these are petty tiffs.
Why don't you sit
together and resolve them?
You are absolutely right, sir.
Anyway, one person alone
cannot bring up a child.
What say?
I will manage
The child isn't as
troublesome as he is sir.
He is, sir.
One child is as troublesome
as six women are.
Tell me something.
What problem do you have with him?
Sir, this is what I keep
asking as well. What is the problem?
You try asking her.
Perhaps she might tell you.
Really?
You don't know?
I will know only if you tell me

Problem One:

I think you two don't
communicate with each other.
Unnecessary communication gap.
Exactly
After a few years of marriage,
ask him..
...did he ever spend
quality time with me?
It's not so, sir.
We talked a lot in the beginning.
But slowly we released
how each other is.
We ran out of topics
Now what should I talk about, sir?
I come home tired.
I just wish to have a
drink or two and go to bed.
I have to go to work the next day.
Hence, I go out to
spend time with my friends.
Then why don't you spend
that time with me instead?
Because of them,
you forgot my birthday this time.
I didn't forget, sir.
I came home lame by two hours
How can I forget her birthday?
I wouldn't have become
a resident if she wasn't born.
So, was our love a lie?
Was it because you wanted
to become a permanent resident?
It's not so, sir.
When I saw her for the first time,
I thought she is beautiful.
Okay? Then I learnt that
she is a permanent resident.
I thought I should give it a try.
What's the harm if we manage to click?
But I truly loved her after marriage.
I swear by plumbing, sir.
Let it be. It's done now.

I now know. All the problem is solved.
He got married to me to
become a permanent resident.
What problem do we have now?
What is the harm in that, sir?
Look, when people
get married in Punjab..
...elders get together
and discuss it through, right?
They see what the girl does.
The girl has a government job.
She is had done BEd. She's a teacher.
What does the boy do?
He is working in a bank
So, let's get them married.
Now my parents are not here
So here, I am going to decide
who I am going to marry, right?
So, I saw that she's a permanent
resident and got married to her.
What is the harm in that?
I didn't care if she
has a government job
There's a point in than, dear.
Oh please, that's enough.
Actually, it is my fault.
My mother told me that he is getting
married to me for permanent residence.
You will face trouble later in life.
Then why didn't you
listen to your mother?
I had fought with her.
Look at that, sir.
She fights with everyone
Just a few moments ago,
she said that's enough to you.
It's a different case
that you didn't mind it.
Moreover, your mother
isn't good in giving advices.
She comes up with
a new one every day, sir.
Everything that she
said turned out to be true

She had told me,
he would never take me to parties.
If he does
you'll be sitting with the ladies.
...and he will be sitting with the men
And if he ever takes you to shopping.
...then he will multiple
everything with 50.
Ask him. That's what he does
Listen to me, sir.
When my father sent me here, he had
multiplied by 50 and sent me, right?
Secondly as she spoke
about the party..
She doesn't fit into my social circle
The clothes she wears..
Sometimes they are so thin..
We use thicker clothes than
that to cover bread in our village.
Then why don't you get a better
understanding of your culture?
Why don't you go in your
Bhangra costume to fix the taps?
Conservative thinking
Conservative what?
- I am conservative?
- Yes, you are
He has stopped giving me time. Hence,
I too got busy in my friend circle.
If my friends come over to meet
me or if I go to meet my friends.
Oh God! He sulks for four days
Hold on, sir. You tell me
Wives don't need to have friends, sir.
My mother doesn't have a friend.
My mother never said..
"Your father doesn't
spare time for me."
"I went to my friend
Nazar Singh's house."
"Nichchar Singh showed up there."
"We kept chilling till 12:00am"
Listen, don't talk about your mother..
...forget about the past

and move forward.
If you keep talking about the past
then you won't be able go forward.
You are right.
You are absolutely right.
I'll let it go.
Let's go ahead. I am done.
I want a divorce.
Thank you. Bye
This is what I want as well, sir.
I came here just because of Manveer.
Tell him not to talk about Manveer.
Does he even know in
which grade Manveer is?
How much did he score
in his last exams?
Have you ever gone to
his parent-teacher meeting?
I have been looking
after Manveer so far.
And I will do so
in the future as well.
Giving birth doesn't
make anyone a father.
Don't use him and attempt a patch up.
I am done with him
What do you think,
sir, will she come back?
She will.
If she is angry,
it means she wants to come back.
But after teaching you a lesson.
But even if the wife leaves
what difference does it make?
Let her go.
The world doesn't come to an end.
If someone old leaves the world,
someone new enters.
Best of luck. God bless you.
Let it be
Let her do whatever she wants to.
She is no longer related to me anyway.
He might be just a friend.
There's no use asking

If I ask,
she will say he's her friend.
It's not like she will accept it.
Forget it. You can't be
bothered about the whole world.
You better live your own life
If I ask her whom she was with,
she says I am suspicious.
She wants a divorce.
I will give her 5-7 divorces.
You can divorce her later.
First, do the job in hand.
This is where I have
been going wrong so far.
I have been only concentrating
on work until now.
I kept working hard and slogging.
I kept paying the mortgages.
I kept paying the bills.
Why are you wearing the gloves
Whom are you going to operate on?
- Check the wiring.
- Okay.
Tell me something, sir.
If I couldn't give time at home because
of work then what is the problem?
I think one shouldn't
get married at all.
What say?
Don't cross wire the
fitting in your fit of anger.
Don't talk about work.
It is my bread and butter.
I survive because of this.
My job is always perfect.
Sharp. Very Sharp-
Amazing Great.
Do you want to check it, sir?
Yes
Let's go.
100 dollars, sir.
What? Can't you change it a little?
I can only change the flow.
Do you want me to change it?

Here you go.

- Let's go.

- Coming Let's go.

Bro! Bro! Bro!

You took money from

me just yesterday.

I don't want money.

What do I need for?

Then?

- Are you divorcing your wife?

- Yes.

Then she will be available, right?

What do you mean?

I mean, if you fix her up with me..

I will get permanent residency.

How?

She will stay in the family.

It will be your house.

You can do whatever you please.

There will be no problem from my end.

Whenever you want to meet Manveer.

Whenever you want.

You can do whatever you want.

- Just one condition.

- I want to take divorce from here..

...and not revenge.

You shouldn't be so courageous

The village is yet to set

up and the beggars are already here

- Bro! Bro!

- Yes.

At least pay me

You can take it tomorrow.

And then why do you

want to be permanent?

Getting married will

only make you impermanent.

She will keep insulting

you before others.

If you ever talk about this

again then I'll pull your ears.

Don't call out after I leave

How can he please anyone?

If his friend isn't happy

with him how will his wife be happy?
Leave What are you waiting for now?
To kill me?
Hey Julia,
why are you friends with him?
He's such a freak.
Why don't you go back to India?
Let's go, Julia
Why didn't you react?
I've seen lots of things in my life
But now these things do not affect me
Very mature.
Hey! What's up?
No, Facebook?
You are funny.
It's very cold today.
The weather here is unpredictable.
It keeps changing like a chameleon.
It was absolutely clear in
the morning And then it snowed.
I have been noticing
since the past few days.
You stay quite busy on the phone.
I don't have anyone else
Whom do I talk to?
You will know if you
lift your eyes off the phone.
There are many people you can talk to.
- Really?
- Yes.
- Are you from Pakistan?
- Yes. Lahore
I guessed it right.
I am from Amritsar.
We are neighbors.
I never knew.
We have been staying close
to each other from quite some time
Yes
Are you married?
Yes
Oh, sorry.
- Actually, I am a divorcee.
- Oh, wow.

I mean even I am
going through a divorce.

- Oh. So sorry.

- You are a divorcee

I too am a divorcee.

- Too many divorcees, don't you think?

- Yes.

Mr. Peter's whole family..

It's very common these days.

So what caused it?

I mean what was the reason?

Nothing much.

He was very conservative

It's the same with me.

- My wife was very conservative.

- Really?

She used to ask me to wear Bhangra
costume and go for plumbing jobs

I was kept busy with
marriage and work

- Okay.

- I never made friends

Oh.

What are you doing in the evening?

Nothing I am going for shopping

After that, I am free.

Then.

Dinner?

- Sure.

- Okay.

We will make it at my place.

- Your place?

- Yes.

Do you know how to cook?

Look Canada teaches you only two
things How to earn and how to cook

Really?

- See you later then.

- Yes.

- Bye.

- Bye.

Drive carefully

There's a lot of snow.

- Yes

- A lot of accidents happened today.

Okay.

Black ice.. I am sure you know.

- The car skids sometimes.

- Yes Okay. Sure.

- Bye.

- Bye.

Bye.

Keep driving.

Auntie, make a large one for me

I know, darling.

Come on, Jessica It's not a big deal.

It's a misunderstanding.

Such things keep

happening in every family.

Just get over it.

At least for Manveer's sake.

Look at him.

There is a vast difference in

the way he thinks and Parghat thinks

This is the difference

of basic education.

I had told you,

the guy should be a Canadian.

But you didn't get me.

You won't find anyone like Zora

I am sorry, Zora

I took your name without asking you.

Oh God, mom. Please

We are just friends

So what?

Can't friends become husband?

If a friend can become a husband..

...then it will end all

the enmity in the world.

Auntie, we went to school together'.

I never saw Jessica in that way.

Then grow up, man.

You can do that now.

Mom, please I am really sorry.

You have to stop this.

Anyway, I want to give

Parghat another chance

Chance? What is wrong with you,

Jessica?

Met take advantage
of this very weakness.

Look at me I too took a divorce.
Next day I was completely happy.
We haven't given birth to
them that we cannot leave them
Take a divorce and end the topic.

- Am I right, auntie?

- Absolutely.

You know it is not so easy for me

Fine, I don't know

whether he ever loved me.

But I loved him

Just.

Just a chance and..

I am sorry.

You are standing at the shore,

what sorrows hold you back?

Go on, I am still drowning.

I haven't drowned as yet.

Good.

Amazing

My sister is amazing.

My sister is a great poet.

Amazing

Superb. Fantastic.

She is wounded. She is hurt.

What do you mean?

- I mean the man she married..

- Yes.

Her husband wasn't permanent.

God bless my wife.

She said we will settle

ourselves in Beijing later.

First let us settle down sister.

We caught the next

flight and came here.

Brother; this might be a little personal

but what brought you two together?

Okay.

It's a very long story but

I will make it short and tell you.

One day I was wondering in the streets

of Beijing in the middle of the night.

- Ok.

- Four goons surrounded me.

I don't know from where she showed up.

She hit me black and blue

I said, don't hit me, save me.

You need to hit them

Then from the bottom

of my heart I said.

Oh What?

- Do you know what it means?

- No. Not at all.

I love you.

You need to say it to someone else.

Not to her.

Have some kebabs You look weak.

Your plane is also empty.

Take some

Someone is giving special

attention to someone.

Brother!

You cooked good food.

Whatever you say..

The food cooked by my

sister smells like Lahore.

Amazing

The food from Lahore and

Amritsar smell the same, brother.

Not just the smell.

People are also the same.

The same villages, the same streets.

The same language,

the same youth and the same childhood.

Brother, don't make

me recall my childhood.

Those sweet memories of my childhood.

Sour berries, sweet mangoes

Sweet breads.

- And a mother sweet scolding.

- Amazing.

Brother, too much sweet.

It causes worms.

Worms! What have

you just reminded me of!

Worms!
You guys too get them?
Of course
Worms don't have a religion,
caste or country.
She too must be getting them.
Eating sugar..
Everyone gets them
In the childhood kids get worms..
Everyone in the world worries
A mother worries the most.
She keeps trying to find a treatment.
Father will go behind
you with his slipper.
"Now dare you eat more sugar!"
So true, brother.
Now look,
there is so much happening in life.
..But there is no
one to worry about us
I have decided that I will make
some money and go back to my country.
I am not going anywhere.
I am Canadian.
Brother, loneliness kills one.
If you find the right
companion in such countries"
...then one starts enjoying the place.
Bro, you can look
at the photographs later.
Please give me a helping hand.
I am getting lame.
I need to go back and do the laundry.
Okay. I am coming after
sending this message
Do you know any emotional poetry?
The ones one sends
on anniversaries etc.
Whose it is?
Mine. I want to send
her a nice message.
You will send a message to your wife?
Where is that person who used
to say I don't care about anyone?

"She can do whatever she wants"
"She can go wherever she wants."
Beer has lost its fizz?
I sometimes say things I don't mean,
you know that.
Let me send her a message.
She will be angry if I don't send one
This is a little different,
a little emotional.
Read it.
Fill it the glow and
let's get out of her.
Okay, so you are messaging Parghat.
Why not? Continue. Go ahead.
Tell him,
"forgive me, I made a mistake"
"I will die without you"
"Who will take care of me"
I have another idea.
Write a letter to him in your blood
"I am your slave."
okay, okay, okay. Stop.
I was only asking about Manveer.
I know you are asking about Manveer.
Students, I have this exciting
project to announce today.
The family heritage project.
I always look forward
to this every year.
It gives us a chance to
talk about where we come from.
So, I will give you an example.
My father's from Canada, but my
mother actually comes from Scotland
Canada is a multicultural country.
And we have a lot of different people
come from a lot of different places.
So, I'd like for you to
include facts and photographs
Getting facts off the
internet is very easy.
Manveer,
your project is going to suck.
There is nothing

good about your country.

Thank you.

You are right, brother.

You are absolutely right.

Just kidding, brother.

Here you go.

Sister-in-law has made it.

This is my wife's favorite food.

- Only a little.

- Take it.

- That's enough.

- Try it.

Try it.

Eat it.

- What was this?

- This?

Cockroaches with onions.

- Sorry. Sorry.

- He must have got an onion.

It would have tasted delicious

if it were a cockroach.

- You too eat some.

- No, I don't eat it.

I don't touch such things.

I am into greens and bread.

I too am into greens and bread.

Greens and bread reminds me of Punjab.

Punjab reflects in everything you say.

You can remove someone from Punjab..

But you can never remove

Punjab from a person.

You are being so poetic.

Amazing

It will be quite a pair

when two poets will get together'.

Listen.

Manveer?

What happened to him?

Oh, history of Punjab.

Let's read it together.

- Punjab has a great history and..

- Kids said that Canada isn't my country.

I want to go to Punjab.

You got influenced by kids?

So many intelligent people
told me and yet I didn't believe them.
It is such a beautiful country.
We won't leave it just
because people ask us to.
This is the problem.
Those kids insulted me.
They said that my country is bad.
Okay. Insult.
You know son,
insult is just like cold.
The more you think about
it the more you feel it.
I want to go to Punjab That's it.
Fine, we will go in the morning.
Go to sleep now.
Now should I go to Punjab or
the counselor's office in the morning?
Or should I go get the
tissue as we ran out of them.
Oh. I need to also
fix a flush urgently.
Hey Tuti, you are not up as yet?
Who will switch off the alarm?
Why should I switch it off?
I don't want to go to school.
What?
I don't want to go to school.
Oh!
That's more like it!
Today I realized that you
are my son and I am your father.
You know I didn't
complete my education
I will take you to
school by your ears.
I don't want to go there.
- You will go there for sure.
- No, I don't want to go there.
Okay, bye.
Study well.
Your mother will come to pick you up.
Okay? Bye-bye.
Hi.

- Oh hi, how are you?

- I am very well.

I am sorry, I can't find Manveer.

Do you know where he is?

He didn't come to school today.

He.. he didn't come?

No. No. I haven't seen him.

Thank you.

No problem

- Everything okay?

- Yeah.

Manveer!

Manveer! What are you doing over here?

What are you doing over here?

You know how scared I was?

- You didn't go to school?

- No.

- Does your father know you are here?

- No.

Let's go.

He couldn't take care

of his child for 15 days

"Don't mix up love

with a fake friendship."

"If you don't wish to give

a hug then don't even shake hands."

Beautiful.

Very beautiful.

- It's very deep too.

- Not so much. Now your turn

I had brought a book

from the bus stand in India

There was a good one in it.

"I cannot tell my father,

mother, you cannot keep it hidden."

No, this wasn't in the book.

It was something else

I thought so.

"I cannot tell my father,

mother, you cannot keep it hidden."

"They say I am just a kid,

pampered by my parents."

"I wish to get married, mother.."

I won't be able to say it.

You go ahead with yours.

No. It's okay. Go ahead.

- No, you recite good ones. Go ahead.

- No.

- You.

- No, you recite one

- You.

- No, you recite one

You..

- No, you recite one

- You recite one.

Sorry, sorry.

I think I am interrupting

No, brother. No. Have a seat.

Brother;

your kitchen is in a bad state.

A house without a woman and

a woman without a house are useless.

Am I right?

If there is a bulb switch on at home..

...and there is no one to

switch it off, then it is not far.

Didn't I say wrong?

I think you two are feeling shy.

It's okay.

You carry on I will look away.

No brother, sit.

Why are you making

him feeling uncomfortable?

Just kidding, sister.

Tell me, did you recite that one..

"Don't look at me with

such passionate eyes."

"Otherwise, I am sure to die."

You are..

Who are you?

Didn't they teach you

to knock before entering?

- Are you new here?

- My wife.

You didn't tell me about her.

Sister, put your feet down.

Hello. Hi.

Do you know where Manveer was?

Yes he had gone to school. I dropped him off to school in the morning.

- Why?

- You don't need to pretend

I thought you are just not concerned about me.

But I didn't know that you aren't concerned about your child either

But I dropped him to school..

In your life, everything is about you. Your life, your happiness

You don't deserve a relationship, Parghat.

Enjoy your company.

She is my friend's sister.

They are my friends.

I have come to talk to you for the final time.

I know that you like Jessica

Then what is the problem is getting married with her?

Without sugar.

I love her.

But I don't want her family life to be disturbed.

Anyway, she considers me as her friend.

If I talk about the wedding, then it won't look good.

I have no problem.

I am ready to marry Zora

"I feel scared at night."

"My eyes seek light."

"I will be happy."

"I will be happy."

"Just look at me with a smile"

"Keep this apple of your eyes in your heart."

"Keep this apple of your eyes in your heart."

Okay, I'll do it.

Just get out of my whole life.

Manveer!

"Mom, I am used to

sleeping in your arms"

"Papa, I am used to
sitting on your knees"

"Mom, I am used to
sleeping in your arms"

"Papa, I am used to
sitting on your knees"

"I haven't seen God."

"I haven't seen God."

"You should side me."

Be brave, son.

India is a really good country.

And your parents
they are really nice

Right?

I think your child is
suffering from depression.

He thinks this isn't
his country anymore.

And after your divorce, his
father too will be separated from him.

Hence, he thinks he can no
longer look into his friends' eyes.

It happens.

Kids are sensitive
Hence, both of you will
need to take good care of him
Fine.

If you two cannot be
together then can you do this?
Take him to India and show him
that his country is a beautiful one.

He is a good boy.

You are right, doctor.

But do we show its beauty?

We can show beauty only
if it is beautiful, right?

Don't you see the news?

Or don't you have a Facebook account?

Look, you will have do it.

I can try.

Let it be. He is in depression
over here, so over there he'll..

No, India is indeed

a beautiful country.
It has its own beauty.
Yes, it is indeed
it has a lot of beauty
Like unemployment, bribery..
..Drugs, traffic,
bullets, farmers suicide..
Tell me honestly, doctor".
If India was better than Canada..
..Then would you have come to Canada?
Wouldn't you have opened
a clinic in your village?
Nothing is wrong with him.
he is absolutely fine
When I was small someone told
me that a lizard fell into eaten.
...and someone died
after drinking that water.
Fearing that I didn't
water for quite some time.
I was about to die from dehydration
Slowly everything went back to normal.
He too will be fine He doesn't
have much to worry about anyway.
My son will be fine, right?
Manveer, let's go.
Thank you, doctor.
- You are welcome.
- Let's go.
Look, don't lose hope.
At least make an attempt towards this.
Sure.
I'll talk to the prime minister.
I'll tell him,
my son needs to visit India
Please make India better
than Canada for a few days
Down with - This government.
Down with - This government.
We will destroy it!
Down with - This government.
Down with - This government.
Hello?
Hello, father.

Yes?

Hello, father.

Hello, dear. How are you?

Is everyone fine? Hale and hearty?

Yes yes. All is fine.

- How are you?

- Yes?

Father, Manveer wants

to come to Punjab.

My grandson is coming?

Brar's grandson is coming?

You have added four years
to my life by saying than.

Come quickly.

I say you just come quickly.

- But there is a small problem

- Yes?

Can we somehow show Manveer
that Punjab is better than Canada?

- Yes?

- Father?

Can we somehow show Manveer
that Punjab is better than Canada?

What's happening over there?

It's nothing. It's festive time.

People are bursting firecrackers.

At happened?

It hit my bum

I'll talk to you later. I need to run!

Run?

Like you run every day, dear.

Now I need to run. Bye.

Hit them! Hit them!

It is hurting me

You!

Leave!

- Watch out!

- It really hit me!

Stop scaring me like that!

Headman, why did you

have to do that protest?

I can't help it. I am helpless.

I need to be with the people

lf I don't then they said

that I don't support them.
He made my bum hurt.
What can I say? We too are helpless.
We get strict orders
from the headquarters
Otherwise, would we want
to hit people like you with sticks?
Our helplessness always
gets the better of us
- Here, sign over here.
- Give. Where do I need to sign?
Take this.
Yes, dear?
Did you finish your run, father?
Yes I am very tired. Don't ask.
What were you saying?
Punjab what than Canada?
We need to show its better.
What is wrong with you?
54 rupees is equal
to one Canadian dollar.
If the rupees keeps
rising every year..
...then we won't be able to
compete with it for another 54 years.
What are you talking about?
No, no, no. This is impossible.
I know it is difficult.
But Manveer isn't well.
We don't know what's wrong
They said, he has depression.
Someone told him something in school..
He isn't talking to anyone
He isn't eating anything.
He isn't saying anything.
They said that.
We will have to take him to Punjab
They say that if he
doesn't come out of it..
...then he will face more
problems once he grows up.
It's okay. It's okay, dear. Don't cry.
Don't cry, my child. Don't cry.
You shouldn't cry, dear.

I will do something
I will do something about it.
Don't worry.
Don't worry. I will do something.
Thank you, father.
Please try.
So, this is what it is in brief.
We need to change
for good for 15 days.
Okay?
I shouldn't be saying this
I don't want to say it either.
No more local brewing.
And there will be no loitering around
in the streets in a drunkard state.
This is my only request.
Oh great headman!
Just because your
grandson is visiting you..
...you want all the
villagers to stop drinking?
Is your grandson visiting u;
or some prince?
You are right.
I didn't want to say it but"
If it would be great
if you can do that.
What are you doing, uncle?
According to Canada's list,
spitting is prohibited.
No spitting?
Where do I spit then? In his pocket?
Or should I sell it in the bank?
They can use it to count money.
Today you say that I should spit.
Next, you will say
that I cannot sneeze
Then, you will say that I cannot burp
Then, you will say that I cannot fan.
In this manner,
you will stop our innate reflexes
He is right as well.
Do we wish to stop
his innate reflexes?

It is a very natural thing
Right.
He is right.
But his manners are wrong.
Listen to me.
Whatever we do we in front
of that kid, we need to be polite.
Don't spitting in
your fists repeatedly.
One more thing
Whenever you pass each other,
without differentiating..
..between male and female,
you will smile at each other.
How can anyone do that!
I will behead the one
who even looks at my wife!
He is right as well.
We should behead anyone who looks
at anyone's wife, sister daughter'.
- He is absolutely right.
- Yes.
I am your headman
I help you when you are in need.
Now it is your turn, right?
What have you done for us, headman?
You have always only
stolen from our village
You had said that you would
install computer in our village
Tell me, where are they?
- I had said so?
- Yes.
- When?
- Hey,
I must have said
so in a drunkard state.
You are unnecessarily
bringing up ghosts of the past.
Tell me,
what will you do with a computer?
Have you seen your
face in the mirror, uncle?
Do you think you can run a computer?

You should be running
a bar or something
What if you run your
computer into someone?
Mind your language.
I can even make you run,
that too without any gears
We can no longer be fooled, headman.
We won't be fooled by you anymore.
We voted for you.
What did you do?
Tell us.
You are just acting stubborn now.
What if I say that you took Rs.
1000 to vote for me?
Look at me
I have noted in my diary.
You can ask him.
I think none of you
are going to listen to me.
Let it be. I will talk to Parghat.
How can you do that?
Listen to me, villagers.
If my grandson doesn't
come here because of all of you..
...then I will be your worst enemy.
Look into my stomach.
I have so many desires! When he
will come, he will bite my stomach.
If my grandson doesn't come here..
...then you will find my dead
body in front one of your fields.
It is also possible that
I tear my veil before I die
Then don't say that the
old hag got two cases on you
Have some shame
These people respect me.
I just saw how much they respect you
None of them listened to you
If you don't listen to me,
how will they listen to me?
Be grateful that I stayed with you.
You should be grateful

that I stayed with you
You tell us not to fight
when your grandson comes over.
But both of you aren't
stopping either.
Let's go, villagers.
Hold on
You guys have stooped so low now?
Can't you change
for good for a few days?
You forgot your history.
When did you blood turn white?
When did your conscience die?
You need to wake up conscience.
Whenever Punjabis
have been in trouble.
...they have come together
and fought against it.
When warriors and the braves one
used to fight, a poet had written"
People have the illusion
that we are just a handful.
Even dead won't be an end to us,
we are so many in number.
Get together once again.
Tell the world that we are no less.
Long live.
Long live.
Lambardar.. get up Let's go.
Wait.
When I won, I had paid some Rs.
500, some Rs 1000 to vote for me.
And in exchange,
I had asked for five years from you.
Now I ask you for 15 days.
And I will pay double the money.
From Rs. 2000 to Rs. 5000.
Long live Revolution!
Long live Revolution!
Long live Revolution!
Long live Revolution!
Yes, we have made our
village better than Canada
That's great, father. Thanks

Just ask Parghat to send
me a grant of 25,00,000 or so.

Grant?

I am the headman here, dear.

I am used to asking for grants.

Tell him to send me Rs. 25,00,000.

I need it.

Oh Okay. Okay, father.

It's not a problem. We will send it.

But try to use it

for the village itself.

What are you saying, dear?

I am the headman for villagers,
and not for the family members.

Thank you, father.

Bye. I will see you soon

- Guess what?

- What?

We are going to Punjab!

Oh really?

"It is different from all!"

"It is different from all!"

"Jams hold their pride high."

"Young males are going to the fair!"

"The sticks on the shoulders clashed."

"The sticks on the shoulders clashed."

"Now it will cause a storm"

"The girls are wearing
cleaned slippers"

"The girls are wearing
cleaned slippers"

"And they have a
smile on their faces.."

"Now the girls dance
in a carefree manner!"

"Look the chief is on his knees."

"Sister-in-law, look Baba Bishana."

"Sister-in-law, look Baba
Bishana the devil has changed."

"Now everyone gets
together at the square."

"Now everyone gets
together at the square."

"And everyone is heard."

"Now the girls dance
in a carefree manner!"

- Hello?

- Hello, father.

Hi, son. How are you?

Why do you sound so sad?

No, just..

I just felt like talking to you.

Oh really?

You are really missing me today.

Usually whenever I call you,
you seem to be in a hurry.

What is wrong?

Anyway, you are coming
day after tomorrow..

Then we will get together and talk

- We?

- Yes, we

I cannot say Canada

But we have made something out of it.

You can come and take a look at it.

Once he meets his grandpa,
he will forget Canada and America!

Be strong See you. Bye.

Let's go, Manveer.

Okay, bye-

I am doubtful Manveer

will get well over there.

But you can make an attempt.

- Take care of his health

- Okay.

Your ex-wife

Oh wow. What brings you here?

Are you too going to India?

You too?

- No.

- Thank God.

- You?

- Oh God!

- Hello, brother.

- Hi!

Business or economy?

It has to be business After all,
his uncle is going with him.

- I am flying economy.
- Are you too going, papa?
Yes son. I too am going there.
What a co-incidence, isn't it?
But brother, you already
knew that they were going to India
You are going after
doing all the planning
Planning?
Now what is this drama?
Jessica, you are not going
Mother, I am not going there for fun.
You know how many
flushes I have to repair?
I am going for Manveer.
These two won't be able
to take care of him.
You don't need to worry.
I will take care of everything
Look, we too don't
want him to go with you
But I advise you to take him with you
God forbid if anything goes bad,
he will make it worse
I mean he will make it good
It's okay, Jessica Don't worry.
Moreover, there is one more condition.
Actually, it's a request.
My family doesn't know
that we are taking a divorce
Please don't tell them
You should be all
smiles in front of them
- Just a little, not too much.
- No.
Just sometime;
when they are in front of you.
Smile a little
Brother, if she has your
permission she will laugh sometimes.
That's okay.
But tell them about the divorce
Thank you, I will tell them as
soon as I get an opportunity

Okay, that's enough.
We are leaving.
Manveer, let's go. Bye.
Manveer, I am coming.
Balkar Singh's grandson is coming
I will expose the
drama he has been doing.
If I don't expose the truth in front
of him then don't call me Gajjan.
I don't understand these people.
They will keep slogging
to death for five years.
But during elections
as soon as they see the money..
...they will pee on the spot.
Bloody double-tongued scoundrels.
I don't trust you guys either.
Drink some tea
No. After all he is
your brother's grandson.
What brother?
He has always only
stolen from our village
His grandson is coming here
But what about our grandsons?
We have kept our grandsons
away from our village
They have come from the city.
Look, there is no
charm on their faces
Take your tea
- Take it, Gurdev Singh.
- Give it to me
"Come soon, oh my beloved."
"My eyes are getting
tired of waiting.."
"Come back soon."
"Come back,
my heart eagerly awaits you."
"I cannot stay alone anymore."
"Alone.."
"Waiting for you is killing me"
"Waiting for you is killing me"
"Waiting for you is killing me"

"You have turned my face into stone."
"You have turned my face into stone."
"Let the eyes shed tears,
oh my beloved."
"Let the eyes shed tears,
oh my beloved."
"Oh my beloved!"
"Oh my beloved!"
"Oh my beloved!"
"Oh my beloved!"
"My sightseeing is going weak,
but the wait isn't over."
"Come back at least now."
"Come back, I plead to you."
"You should know, I am dying."
"I am dying."
"But this period of separation
doesn't seem to come to an end."
"But this period of separation
doesn't seem to come to an end."
"But this period of separation
doesn't seem to come to an end."
So my brave son,
how did you like our Punjab?
Amazing
- Isn't it better than Canada?
This new trend of
dancing in the fields.
It is absolutely amazing
The happy farming of Punjab.
- I am sure Obama will hear about this.
- Yes.
I am sure it must have been your idea
Yes brother. It has all been my idea.
So Manveer, did you like it?
Yes, I really like it.
- Like it.
- He likes it.
How did you like Punjab, dear?
I thought it is amazing
It's beautiful.
I wonder why do people
leave this place to go to Canada!
Why don't they permanently stay here?

Now tell me, how can you stay
where you are not destined to stay.
- So true.
- So true.
Parghat, did you miss us over there?
You ask if I miss you guys uncle?
Only my body has gone there.
My heart is still here.
Yes he is absolutely right.
His heart is still over here.
He didn't take it to Canada
Stop it now.
You are so sweet!
They make such a cute couple.
They look good together.
They make a beautiful couple.
My grandson is also very beautiful.
He is my grandson.
He smells like me. Let me tell you.
Hey, as if you smell good.
You always stink.
She is just joking, son
Here son, this is your
wedding reception's invite.
Wedding reception?
Reception? It was not needed, mother.
You should give the
money to the poor instead.
Or you could have gotten
group weddings done.
You don't want a reception?
You got married and settled in Canada
I have given around Rs.
2.5 lakhs as gifts.
Don't I have a right to recover it?
It's a desire, dear.
Of the villagers as
well as the relatives
Yes. Now if everyone is insisting
then for how long can we refuse?
And then, Manveer is also here
He will get a chance to attend
his parents' wedding reception.
You also complete you wish.

What is wrong with her?

I think she felt shy after hearing
us talk about the wedding reception

But the way she got up,
she didn't look shy.

Now in what proper manner
should she feel shy for you?

- This is how a tired person feels shy.

- True.

Let's go home now.

Bye.

Let's go to the bar then

No, I mean the fields.

- Let's go. Let's go.

- Hurry up

Drink it, there's a sip left.

Let's go.

Stan moving now.

Finally.

What is this function?

It's just like a wedding reception

Villagers just eat

and have a gala time.

I didn't ask for a definition.

I am asking for the reason.

Why did they keep this party, Parghat?

I don't know.

I too was surprised

to hear about it, Jessica

My meal came up from my stomach

Oh God.

One lentil's dish..

Two dry veggies and chicken

That's all people would like to eat.

It's no use telling this idiot

anything I am going to meet the cook.

Okay, okay. You have to stop them.

Please Please, Parghat.

Just stop them.

Well, I will try.

But it's not in my hands.

It is all your fault.

If you wouldn't have

insisted on coming here..

...then they wouldn't have
printed the wedding invites
It is so difficult for me too.
Think about it.
I will be sitting with
someone's future wife
It's okay.
We will somehow manage this difficult
situation with a smile on our face.
Oh please
I don't know what have
I gotten myself into.
She says I felt shy. Don't feel shy,
this is your own house
She loves me a lot.
Look, how much your
parents love each other.
- Don't they, son?
- Yes.
The dinner was so tasty, mother.
I swear, I was yearning to
eat the food cooked by my mother.
Yes
I didn't cook it, son.
My daughter-in-law cooked it.
Oh really? But you must have
been standing next to her, right?
Even a mother's shadow
makes the food tasty
Yes, son. I was standing close to her.
- She is very nice.
- Yes.
When she came, she said I
will do all the household chores.
Cooking, handling the dung cakes.
Cleaning the utensils.
She is very affectionate.
- Let's go to bed, son.
- Yes.
Okay?
But we won't let her do it,
will we, mother?
We will handle it on our own
- We won't let her work

- No.

- And son..

- Yes?

I am not like my mother-in-law.

Two days after my marriage,

she tied her veil on her head

She said she is an asthma patient.

She stayed alive for another 10 years.

Nothing happened to her.

She was as healthy as a horse.

She was waiting for my mother to die.

When we got her eyes operated.

...she had kept the stove

right next to her bed.

The smoke gave her

eyes an asthma attack

Oh my mother!

Don't teach him bad things.

As if she was a good human being.

It was only me how managed

to survive living with her.

And plus you and your family.

And plus you and your family.

- Shut up. You better shut up

- Crazy guy.

She was good for nothing

and she is finding faults in others.

Stop it, father.

You are the smart one.

Dear, is this how you fight with him?

Tell me

No.

- No.

- No. No..

We don't fight.

Why will we fight? She is very good.

Only fortunate ones get such wives.

She doesn't eat till

I don't come home

Really?

- Yes. Yes.

- And what about him? Tell me

Do you have any

complaints against him?

Tell him that I too am good.
Yes. He is very good
He does much more than what
a wife expects her husband to do.
My son is very nice.
But let me tell you something.
There are many people
here who marry Canadian girls..
...to get permanent residency.
Let me tell you
They are very selfish.
You are absolutely right, father.
- Enough, Jessica
- Such boys are very..
What are you guys talking about?
Tell him about the time.
...in the zoo when the
monkey snatched your ice cream
I had scolded the monkey.
Talk about good things
Happy couples are those who have
done good deeds in their past lives.
- Enough, enough.
- Look at them.
Learn something from them
Here, garbage down your medicines
What do you mean by garbage down?
I mean, please have your medicines.
Oh so sweet.
Such sweetness,
I hope you are not offering me poison.
Poison won't kill you.
- Oh no.
- Lovely. You are amazing.
What are you saying
in front of the kids?
Have some shame
You have one leg in the grave
The legs are in the grave,
but my head it still out.
You think you are very smart?
Drama
Papa.
I want to go to school.

We came to India but
you don't go to school.
Now you say that you
want to go to school.
Now do you want me to go
to Canada to drop you off to school?
Go to sleep.
I want to see the
school of this village.
What?
Let me teach a few of
them a lesson until they come
No, sir.
Listen to me..
Let me hit one of
them until they come.
Both of us will feel better.
Use your brains sir.
We have to do a drama
According to Canadian schooling.
...beaming them up makes
them lose their confidence.
They are the future of our country.
If you teach them properly, our
country won't move towards darkness.
- They are the future of our country?
- Yes. Then what!
Think about yourself as well.
We have got the grant.
You can get a transfer.
Country's future, no.
They are our future.
Right.
Stand up, Futures.
Today the present saved you.
Go on, boys.
But how will I teach
them without beating them up?
No, you cannot beat them up
Make them your friends.
- WhatsApp madam.
- Yes?
Listen to him
He says make these

kids your friends Friends.

Yes, of course. They are our friends.

This means madam is also our friend?

- Your friend...!

- Oh it hurts!

It's only for a matter of minutes

Then it's back to your

stick and their hands.

- Right.

- Okay.

Yes

Uncle, he has arrived. Let's start.

Today's news

The government will pardon

all the dues of the farmers

Punjab overnight become

the world's No. 1 state.

Peoples from America, Canada and

Uganda wants to get settled in Punjab.

Wi-Fi free in the whole of Punjab.

Wow, they keep the place so clean.

They give us a bad

name for no reason at all.

Everyone reads newspapers and books

Good riddance.

They are here They are here

- WhatsApp madam they are here.

- Stan teaching Hurry up.

Hurry up. Stan reciting the poetry

He should feel it's Canadas school.

- One two..

- One two..

- Buckle my shoe

- Buckle my shoe.

- Three four..

- Three four..

- Shut the door.

- Shut the door..

Welcome.

Hello, Mr. Parghat Singh.

- How are you?

- Hello, son.

Hello, sir. Nice to meet you.

I hope you teach them good

lessons for their whole life.

He knows better English
than our teacher.

Yes

I like Canada school.

Very intelligent.

Yes

How many kids know about computers?

What do you know about it?

- I know.

- Ghudda, stand up. Tell us

In a computer apart from

Facebook there is YouTube as well.

In YouTube we can listen to songs.

If we find a singer's

song to be offensive..

..Then we came curse them as well.

By making a fake profile.

I too have a profile. Jinda Jat.

- Enough Sit down.

- Thank you.

Before our friendship take
a painful turn, sit down.

Okay.

So, this is the computer class.

Do you wish to ask anything?

I think that's enough.

Am I right, son?

Let's go. Very good Well done, sir.

Come on, say bye to him

I will come back again tomorrow.

This school is very nice

- Let it be. Tomorrow..

- He is coming back tomorrow?

- Bye.

- Fine. Try not to come tomorrow.

Carry on, What sap ma'am.

So.. YouTube.

Stand up, Jinda Jat.

I will change your profile.

What is this nonsense!

Earlier we used find faults in
the headman while sitting over here.

Look at the politics now.

Now that same headman
is finding faults in us.
He says you should change,
yourself for the good.
Only then will your
village get better.
Now did we change the whole village?
The headman changed it, didn't he?
It is headman's fault.
I am yearning to
get my hands on a drink
What's that, Papa?
Hurry up! Hurry up! Get up! Get up!
- What is it?
- The square.
- Quickly start the drama
- So as I was saying..
Why is our country
ahead of other countries?
Is everything set?
The reason is that
we love our country.
We stay together like a family.
America, Uganda, Turkmenia
all are feel jealousy.
It is not what the government
will do something for us
No. No.
We too have some duty.
We have to do something for ourselves.
If we are hungry then we
are the ones who will have to eat.
If someone else eats
we don't feel sated.
Will we feel sated? Am I right, Happy?
So, while talking about food.
We will have a look at the moon
Am I right. Moon is round,
just like a circular flat bread.
Hey scientist uncle, how you doing?
I want to see the Milky Way.
Look, we don't talk
in English while working.
No, son.

Actually only those
who are above 18 years old..

...can see through
that telescope. Sorry.

- Prasabh..

- Yes?

- You cannot grow grams on moon.

- Why?

I heard that there is no..

I have seen. There is no water there

If there is no water,

then we can grow cotton, right?

No, we cannot even grow cotton

Because the Americans have already
reached there. Come, have a look.

Son, I think they will
soon shift to the moon.

We shouldn't disturb them

Let's go, shall we?

- Let's hurry up.

- Hold on Stop this drama

This one who is looking at the moon
has never even looked at his uncle.

Hello, uncle.

Your hello won't stop me from telling
the truth, Parghat. Let me tell you.

This isn't the real image of Punjab.

This is your grandpa's drama

What do I tell you, son?

Farmers are in a bad state.

Groundwater levels are
getting lower by the day.

Medicines have become expensive.

If a man goes out
with a rope in his hand..

His wife makes a boy follow him.

To know where is he actually going

You didn't recognize him, son?

He is my uncle who does drama

He does street plays
to make people aware.

...so that no problem
arises in the system

You heard his speech?

I thought that it was true
Look, he thought it was true
Your acting is a hit.
Amazing Let's go, son.
- Let's go. Let's go.
- Son, your grandpa is fooling you.
All this is a drama
He has gathered all idlers at a wage
Well done, oh great artist. Well done
Did you aunt just danced
that you are applauding? Stop it.
Show me a nice dress, son.
Here auntie
This is a very good dress.
It is in fashion.
Let it be. This looks like a blanket.
Show me something nice.
Listen show me something
that makes the villagers say..
..Than there is no one
like the Brar's daughter-in-law.
Okay wait, I'll find one for you.
Watch out brother, don't
increase the rate after this
Don't try to fool us
just because we are women.
Mother..
Mother, all this is not needed.
I will fulfill all my desires.
Whenever a boy used to
get married in our village.
...I used to feel like throwing
myself in front of the car.
Now, I will dance
in front of your car.
"She flew away."
"She flew away."
Mother!
Hold on.
Sorry, mother.
It's okay.
Hi.
Hey Jessica, how are you?
I am good.

How is Manveer?
Thankfully Manveer is happy.
Okay, that's good.
Is everyone fine in Punjab?
Oh, Punjab is beautiful.
These people are also very nice
Listen, your mom is here.
'We all have got together..
I am making plans for my future Yeah.
Are you liking it in Punjab?
Now don't say that and
make her like it. Give it to me
Hello Jessica
Hello? Hi!
Keep Manveer away from
the dust and the grim.
And stay away from
all the black magic
They start asking
money from foreigners.
Keep your fists closed.
Anyway, I have blocked
your credit card.
Come soon.
We have a big surprise for you.
One more thing
Get me a Punjabi
sandal on your way back.
- Sister, do you want something?
- No, thank you.
Okay, dear.
Okay.
Take care.
- Come on..
- No. No.
- No..
- No, now don't run away.
- Drink it.
- No, no.
You have tired me.
Here, drink it.
- He won't drink it that easily, mother.
- Okay.
This generation

eats chocolates and ice creams.
I will have to force him to drink it.
Come on, finish it.
- Give birth to another one like him
- Finish it.
I will go crazy playing with them
She keeps saying, mother.
She also has a child's
photo in our room
But I refuse.
Why, Son?
It's not easy to bring up two kids
It's more than enough
if we bring one up together'.
Of Course.
You can leave him with us.
Son, you should ask
God to give you a brother.
God answers kids' prayers quickly.
No, grandma I want a sister.
I want an aunt for my children.
- Hey, come here.
- Oh God.
Hear him talk.
He says he wants an aunt for his kids.
Don't listen to your father.
Take after your mother.
- No, no one can be like his mother.
- Really?
Such people are not born every day.
She is better than
ten angels put together'.
If she wasn't born then I would.
How would I become
a permanent resident?
Let it be, mother.
How do I praise her in front of her?
When we will sit alone,
I will tell you how good she is.
- Really?
- It is true, mother.
I too will tell you
how good he really is.
Okay, dear.

So sweet! They love each other a lot.

A lot.

Keeping love aside,

you shouldn't pamper him

Such people end up troubling you.

Take his father for example

I was newly married.

I loved him a lot.

I did everything for him.

He used to come home drunk at night.

And he used to ask me to

serve him fresh hot flam breads

I used to serve him

fresh hot flat breads.

Once, late in the night

he came home sloshed.

He kept roaring.

He asked me to serve him

fresh hot flat breads.

- Then?

- I got angry.

I don't know what happened to me

I think I was possessed.

I picked up a small bat, covered

my face and started beaming him up

I hit him black and blue.

Really?

From that day onwards.

...he never ever mentioned them.

Now when I serve hot flat breads.

...he cools them down

and then eats them.

- Stop it now.

- Great.

The Brar family seems

very happy today.

What's happening?

Laughter is echoing

in the Brar household today.

The whole family is

sitting together, father.

Tell me what's the reason, dear.

I..

Nothing.

Why are you laughing? Tell me.

Females have so many
things to talk about.

Now we won't be telling
you everything, will we?

Let it be father.

It won't be anything
meaningful anyway.

They must be making fun of someone

- I know everything.

- Quiet.

Oh God.

Aren't you ashamed of
insulting me in this old age..

...in front of my son
and my daughter-in-law?

Look dear,

how he is threatening me with the bat.

Grandma, you two always keep fighting.

Why don't you take
a divorce from grandpa?

He never gives me anything

He sold the instruments
to buy machinery.

He still hasn't returned them.

He is a miser.

Try me and then you will know.

Go and get my medicines.

I won't. Live or die, I don't care.

Oh my Zeenat Aman, go and get it.

Damn you.

You flirt with me
in front of the kids.

- He thinks he is Rajesh Khanna

- Get lost.

Look son, this is how you
can sweetly make woman do your work.

Yes

Drama

My son will sleep with me?

Let's go.

Okay.

So that boys knows better
English than your teacher.

Lift your bum, son

Higher.

Sir, if you don't stop
punishing us like this..

...then I will come about
you to the headman's grandson.

Threats?

I will beat your friendship
until it is red. Let me tell you

Sir, don't punish them
till his grandson is here.

I cannot eat until
I see them punished.

So what do you mean now,
that I should stay hungry for 15 days?

I am going on a leave.

Approve my 15 days' leave.

I cannot do this drama

Friend, get back to your seam.

Go and sit down.

- Hey teacher; how you doing?

- Well.

- How's schooling, teacher?

- Good.

Will anyone of them

become the prime minister?

Mum do you say?

- I..

- I..

- Am.

- Am.

- Not..

- Not..

- Going..

- Going..

- On a..

- On a..

- Leave!

- Leave!

That's great, teacher.

You framed an English
sentence perfectly

- Really?

- Yes.

This means it was just fear.

Take this, dear. You will get twins.

- Twins

- Hail the great sage.

Go.

Yes dear? One or two?

One Already have one

Yes, according to your age,

only one is fine

Not me, I want it

for my daughter-in-law.

Oh. Okay. Okay. Okay.

Here, dear. Feed it to your husband.

Take it.

But remember, tell him not to

think about monkeys while eating it.

What?

Well, dear,

only he knows what he talks about.

- Go.

- I praise the sage.

- Twins

- I praise the sage.

- Twins

- I praise the sage.

Go.

Good.

This is making all the villagers play.

Manveer is also very happy here.

He is much better than before.

Father..

You have always fought with mother.

But from the time I have come back..

...I have been noticing

that you fight with her a lot.

Do you ever feel that you made

a mistake by getting married to her?

What do you think,

I don't know the truth?

Have you lost your mind?

All the old women are the same.

You shouldn't get angry with them,

let me tell you.

No man can be ever happy with them.

Don't tell your father
about this sweet.
He will start lecturing
for no good reason.
You know he has already lost his mind.
I don't get it, mother.
You fight with him all day long.
How did you spend
so many years with him?
This is life
What's so special with life otherwise?
My aunt's daughter's
husband hits her every day.
- Oh my God!
- She still lived a good life.
This means what those sweet
talks about love are also fake?
What love? Have you lost your mind?
Love? That too with that old hag?
You should love your friends.
- You love your children.
- True.
But still, even if they
have a snake instead of a tongue.
They are better off at home
All men are worthy of being killed.
- Yes. So true
- Absolutely.
Help me up, dear.
My knees
I think he is a quack
Wow.
You were the smart one, weren't you?
I am very smart,
but everyone makes mistakes, Parbo.
Yes, like Zora..
Who is Zora, son?
Mother, Zora is her
eldest uncle's son
- Is he your real uncle's...?
- No. He isn't.
Why do you talk about
things you know nothing about?
- Let it be, you liar.

- He is just.

I want to discuss
something with you two.

- Yes?

- Yes?

I am having doubts on you two.

Did you two have a
disagreement or something?

We are always smiling and laughing.

- Did you?

- No.

- Oh mother...!

- I have never seen you two fighting.

Come again?

You want me to buy a dress worth Rs.
20000 for the reception?

You want two dresses worth Rs. 40,000!

I've been going bankrupt
from the time I have married you.

Talk to me and stop punching me...!

Stop punching me!

Mother, you better come
here and save your son!

What are you saying? Please don't
ruin my image in front of everyone
I don't like this drama.

Mother, save your son!

- Please! Shut up! Please!

- They are fighting!

Mother, save your son!

Now I am assured
that everything is fine

- They will make a good couple.

- Mother, save your son!

Mother!

Now I will tell you who is good. No!

- She might hit him

- They will handle it on their own

- Mother, save your son!

- Oh God!

Smile

"I had got matches from
big shots near and fan"

Your earrings are beautiful.

"The middleman had lured
me with promises of cars."
You perhaps never noticed before.
I have worn them earlier as well.
"I had got matches from
big shots near and far"
"The middleman had lured
me with promises of cars."
"Sisters-in-law too tried
to cajole me but I didn't give in"
"Take me into your fair arms,
I belong to you."
"Take me into your fair arms,
I belong to you."
"Take me into your fair arms,
I belong to you."
"Take me into your fair arms,
I belong to you."
"There is no more beautiful
in this world other than you"
"Boys look for excuses
to befriend you."
"There is no more beautiful
in this world other than you"
"Boys look for excuses
to befriend you."
"I am known as the
example of loyalty."
"I only chant your name."
"Take me into your fair arms,
I belong to you."
"Take me into your fair arms,
I belong to you."
"Take me into your fair arms,
I belong to you."
"Take me into your fair arms,
I belong to you."
Uncle Rajvinder Singh.. Rs 2000.
Uncle Amarjit Singh. Rs. 500.
- Listen..
- Yes?
Come here, please.
What is it? You called out to me?
Yes, I called you.

You used to say that your brothers.
...build you a bungalow,
bought land for you etc., etc.
Your darling eldest
brother gave just Rs 500.
You shouldn't be so greedy.
What about the Rs.
5100 which was given separately?
Show it to me?
You show me what
did your brother give?
Forget my brother.
- Stop talking about my brother.
- Why are you two fighting, uncle?
How about spending some time with us?
- Come outside.
- Coming.
Find me a permanent resident like you
Have you seen your face in the mirror?
She is an angel.
Don't cast an evil
eye on my daughter-in-law.
Come with me, dear.
I wanted to talk to you.
She is so beautiful.
This is our treasure
And this trunk..
This belongs to my mother-in-law.
And this box belongs to me.
From now onwards,
these two belong to you.
- No, mother.
- Don't say no, dear.
Men have land and women
have such boxes and trunks.
This is how we transfer our heritage.
Look, from today this
house belongs to you
And after we are gone,
you can come here if you want.
You can sell it or distribute it.
Do whatever you want.
Okay, dear?
Here you go, my child.

What happened?

Keys?

Did.

Mother!

Please Parghat.

I cannot do this anymore.

I cannot play with

their emotions anymore.

I cannot deceive them anymore. l..

Please tell them the truth

l will try.

I will tell mother..

Shall I talk to her

tomorrow or in a few days?

Keep these keys safe.

There is jewelry in them.

Manveer!

- Manveer!

- No.

- Give it here.

- No.

- Oh mom, my game!

- Manveer!

What is wrong, son? You look wistful.

You seem sad over something.

It's nothing, mother.

Something is wrong for sure.

No. It's nothing important. Actually"

You know my friend Sunny.

He just called me.

He is upset.

He has been fighting

a lot with his wife.

She says that she wants a divorce.

He too is very stubborn.

He said whenever you want.

You can take a divorce

right away if you want.

What caused this son?

It's nothing big.

She says you don't talk to me.

He says there is

nothing to talk about.

Just like that.

Why don't they just talk it out?
What will they gain from a divorce?
No, they will benefit.

Yes!

The girl will benefit a little more
- The girl will get half the property
- Okay.

Money and wealth will also
be distributed equally.

Okay.

And he will have to pay
monthly alimony to her as well.

- Really?

- Like a salary.

What kind of a boy
is your friend Sunny?

Sunny, is like.

You can say he is like father.

That girl is doomed.

Then she should leave him.

Oh really?

First of all,
she will get monthly alimony.
She will also get property
If you ask me, I will suggest
that she should divorce him.

You are right, mother.

It is better to take a divorce
Instead of fighting all the time.

If Jessica and I fight in near future,
I will divorce her.

Don't make me hit you.

He will take a divorce!

I'll hit you ten times
and count it as one.

Why?

She is a gem of a girl.

Don't you dare talk
about such a thing again!

- Now what are you staring at me?

- Nothing. l..

Mother, are you making corn
bread or wheat bread with the greens?

Corn bread, son

These people don't understand
but being separated or being together.
I will try again
It's difficult but.
I know.
Please keep trying.
Yes
But you too should reduce
your love towards them.
Make them hate you a little.
You should refuse to do any work.
Back answer them.
One more thing..
Come and help me, dear.
Say no.
Tell her no. Be firm.
Tell her that I am not free
- Say no.
- Come here.
Come here, dear.
I told you, don't go.
Oh, sorry.
Thank you.
By the way, you are looking beautiful.
I know your brothers,
your parents and your family
What are you blabbering?
Now if you argue with me,
I will divorce you.
I will take half your house, half of
your land, plus monthly maintenance.
I say hurry up.
I have 20 acres of land.
Even after give you 10 acres
I will be left with 10 acres.
Anyone will be ready
to marry their daughter..
...to someone who
owns 10 acres of land.
Do you understand?
What are you telling me?
Won't anyone accept
me if I have 10 acres?
Only God will accept you

Stop blabbering.
If the lentils don't turn
out to be tasty then I will tell you
Nice book
Isn't this the one in
which the hero dies in the end?
Or was it the other one?
Papa, if your parents take a divorce,
whom will you stay with?
Their divorce?
They won't get divorced.
They are conservative.
You tell me, when we get divorced,
whom will you stay with?
I haven't decided as yet.
Keep the divorce papers ready,
let me tell you.
I will be right back.
- Come with me
- Yes!
Of course, with me.
Hi.
Manveer is calling you.
He isn't ready to sleep without you.
Okay.
The moon of our country
looks beautiful, doesn't it?
It's the same moon there as well.
It is possible that
you never looked at it.
I don't know.
I know this moon very well.
I have had many conversations with it.
It knows me well.
I know it well.
If you would've had
conversations with that moon.
..Then maybe you would've
know it well too.
Maybe.
But there is a difference.
Of language and level..
Yes
Manveer is calling

Okay, tell me something..

The moon's light. it is its own
or does it reflects the sun's light?

What does that mean?

I just asked

There can be some things without
any hidden meaning behind them, right?

Sorry.

Good night.

"I shall take the light from
the sun and make an ornament."

"Instead of a diamond, I'll
embed the moon in it and beautify it."

"I seek a treasure
to place on your forehead."

"The stars from the sky.."

"The stars from the sky.."

"I pluck the stars from the sky.."

"To decorate your veil."

"I pluck the stars from the sky.."

"To decorate your veil."

"I'll steal the darkness from the
night, to apply kohl in your eyes."

"I'll use flower seeds
to apply on your forehead."

"I'll steal the color from
the sunset and apply on your hands."

"I keep gathering precious
gems to grow them in your garden"

"I keep gathering precious
gems to grow them in your garden"

"The stars from the sky.."

"The stars from the sky.."

"I pluck the stars from the sky.."

"To decorate your veil."

"I flow with the water."

"I keep burning with the lamps."

"I keep looking like a fool
after falling in love with you."

"I keep searching
for you in my dreams."

"I always seeking your presence."

"To wake up my sleepy destiny."

"I always seeking your presence."

"To wake up my sleepy destiny."
"The stars from the sky.."
"The stars from the sky.."
"I pluck the stars from the sky.."
"To decorate your veil."
"To decorate your veil."
Inspector..
Very good.
We will gather every single penny.
I had taken Rs. 2500 from the headman
I am not lying.
I am left with only Rs
500. Why return it?
- Let it be.
- Give it to me
You won't change so quickly.
Stop loving this.
Learn to love your conscience
Papa, looking the uncle
who does drama
Yes, son
What's happening out here?
Cops are also in the drama?
What accounts are you balancing?
You have so much money in your hand
Are you selling drugs?
- Take them money. Seal it.
- What drugs?
Why did you have that money with you?
He acts smarts.
The headman keeps calling me.
- What is wrong with you?
- Inspector.. listen to me.
Hold on
Don't touch my uncle.
Who are you?
- I..
- I what?
I am the headman's son.
We will settle it between ourselves.
You know, we are trying to show the
child that our village is nice
Say that it is a drama
We are just acting, son.

It's possible that at the end
of the scene they might take me away.
They might even beat me up.
- Acting.
- Look over here.
Listen, fulfill what you have promise.
Make sure it all reaches me
I didn't even spare your father.
It's just acting, son
Look, I will poke him. Just wind.
He doesn't say anything No.
I will settle the accounts at night.
- Let's go.
- Bye.
Acting. Acting.
It's not me, it's your
uncle who is being impossible
You are being impossible.
He is trying to make
this village better.
...and you are sending
cops to arrest him.
Let this village get better, headman.
Okay, so you will teach me sense,
Mr. Parghat.
Why are you ruining his mood?
He is leaving tomorrow.
Shut up. Stop blabbering
First of all,
you should talk properly with mother.
She got married and came
to your house with a lot desires.
Have you ever spoken to her with love?
You take your Bullet
and go to your friends.
You take your Jeep
and go to your friends.
Friends are important
but not more than your family.
Mother has looked after your family.
When I was a kid, did you
know where I was what I was doing?
Just giving birth,
don't make you a father.

Did you ever take us shopping..
First of all sell your Bullet
and Jeep and buy a family car.
Something like a Maruti.
Take a newspaper subscription
and read it early in the morning.
It's never too late to improve.
A person can change anytime in life
He should just get an opportunity
Have you packed my clothes?
I would have beaten him
up if he wasn't to leave tomorrow.
Calm down now.
Son, the black-underwear
thieves are out these days.
What are you doing here alone?
Is this a way to talk to your father?
Yes, I said a little too much
Sit down.
Now you will see, father
will stay upset with me tomorrow.
He will show that it doesn't
make a difference to him.
But after I leave,
he will cry when he is alone
Some people are like that.
He cannot say it, but.
..They feel hurt when
someone leaves them.
People get attached.
Yes.
Even Manveer is attached
with all of them
Yes
He too won't feel
like leaving tomorrow.
But thank God, he is all better now.
Father had made the village look good
My favorite song
You love old songs don't you?
A lot.
I have heard them
a lot when I was small.
Manik, Sadiq..

I used to spend the
whole day at the pumping station..

Listening to Chamkila's
songs and playing cards.

No worries or tensions

Those were some good times

You had sent me a song as well,
hadn't you?

Of Chamkila.

- Before we got married.

- Yes.

What was that song?

"I wish to get married.

But my mother doesn't agree"

Your mother didn't agree.

But we still got married.

I understood.

You had sent another one

Yes, I had sent you one more.

The second one..

- What was that song?

- What was that song?

"The moon rises early in love.."

"The moon rises early in love,
but it is.."

Dear! Hurry up. You are getting lame.
Also, make sure you
take your passports and all.
Also, get that smarty pants'. Yes.
What is it? You look sad.
Listen.
Don't cry in front
of your grandparents
If you really want to cry.
Cry once you are in the car.
You don't feel like
going back to Canada?
- You think Punjab is that beautiful?
- Yes.
My family heritage project
will be even better than John's.
Did you give the keys back to mother?
What do you think..
...will she give the keys back?
Yes
Okay, I'll for a bath
Or else we will get lame. Okay?
Okay.
Daughters take care of the house.
Where are you, mother?
Coming, son Wait.
- God bless you.
- Here, I forgot about this
Take this son.
It is our buffalo's clarified butter.
You look weak.
Next time you come,
you better be healthy
He looks weak to you
Stop it. They are getting late.

Come on. Hurry up. Let's go.
Stop it.
Let me love him to my heart's content.
Who knows whether I am
alive the next time he visits
Nothing will happen to you.
The flexible branches
don't fall so easily.
Understood? Yes.
Stop it. You should stop it.
Bye, dear.
Good that you paid us a visit.
You have made us so happy.
I too am pleased to meet you, mother.
I will miss you and father a lot.
Did you eat that sweet?
Next time come with a pair of kids
Do you want them to
give you a pair right away?
Listen to me, dear.
You and my son will come
and meet us every year. Understood?
I won't say anything to him.
Mr. New-Turned-Smartypants. Okay?
I thought the kids are leaving.
You might feel lonely.
Come in now that you
have come here by mistake
One has to make mistakes sometimes
Take this, my child.
This is a gift, dear.
Take this, kiddo.
- Here, you too take it.
- How are you?
Take it.
Saw that?
Your eldest brother gave just Rs. 500.
And look at my brother, he gave Rs
1000 to everyone
You ran after the headman's
post all your life..
...and never tried to find
out how your brother is doing.
And now he is your brother.

Is it so?
Fine then, next time you
can be the headman I won't contest.
Let me see how you improve
the village by becoming the headman.
If my NRI nephew will support me..
...we will together turn
our village into heaven
lam with you, uncle
Moreover, if we keep
our villages maintained.
...then grandsons will
keep visiting the village.
Well done, Mr. Smarty pants. Come here.
You have started saying
such smart things
Come on now. God bless you.
Let's go now.
- Let's go. Let's go.
- No. Don't go.
And stop crying
Let's go. Get in
Come on, everyone. They have left now.
Let's go inside.
Okay, boys and girls
Listen up for a second.
I just got back Manveer's
family heritage project.
And he did such a fantastic job.
And I want everybody to
come over here congratulate him
Really great job, Manveer.
- Really great job
- Thank you so much.
Wow.
My village!
Folk dance!
Field.
It's our fields.
Mud house!
The mother will take
custody of the child.
And you will be allowed
weekend visitations.

And special visits at her discretion.

Please sign.

Can I keep Manveer
till your engagement?

Thank you.

'We got together
with such difficulty.'

'What complaints did
you have against me?'

you have against me?'

'You couldn't trust the
one hanging by the noose'

'I lost my life and
you didn't even love me.'

you didn't even love me.'

'You didn't even love me'

'Than affection and loyalties.'

'Those yearnings and emotions.'

'My share of love.'

'Look what happened to them.'

Whom do you love more?

Your mom or your dad?

Mom.

'Than affection and loyalties.'

'Those yearnings and emotions.'

'My share of love.'

'Look what happened to them.'

'Look what happened to them.'

God has made such a nice pair.

Zora, who are you waiting for?

Isn't he the boy she

was married to earlier?

Yes, mother.

I think he used to hit her.

I think so too.

It ruined my clothes.

The tap in the bathroom is broken

Oh.

I will go and check.

Please.

Thank God he was here

He is at least being
useful for something.

Mom, stop.

Wait for him, please

Fine.

- I repaired it. Check it.

- Thank you.

So shall we begin

the ring ceremony now?

- Of course

- Thank you.

Zora, exchange the rings.

Where is the ring?

- Ring?

- Yes.

Where it is?

Did you keep it somewhere?

Don't no.

Sorry.

- Thanks

- Thank God.

Yes, father?

Hello. Sorry..

Yes, yes

She isn't with me

She has gone for a run

- You still didn't tell them?

- No.

Why?

When were you planning to tell them?

I don't know.

Yes?

- Give me the phone, I will tell him.

- l..

Here, talk to her.
One second.
One second.
Hello, father.
Hello.
Hello? Father?
Hello? Can you hear me?
- What?
- I think the network is weak.
Just one second. I am sorry.
- Jessica!
- Yes, I am going outside
- Network issue?
- Speak louder, father.
Yes I am going outside.
Hello?
Hello, father?
Let's go.
I think this girl is out of network.
Where did she go?
I think she has gone for a run.
- Shall I go and get her.
- Let's go.
Let's go, Tuti.
Zora, get your car.
Papa, fast.
Papa, fast.
Hurry up, Papa!
You drive.
You drove really fast.
I had to jump a red
signal to come after you
Okay.
I just took a chance and
lied that it was father's call.
But you understood everything..
As to why I lied.
Really?
Why did you lie?
Because I don't want you
to get engaged to anyone else.
I tried living without you
I have learned a lesson.
A snake cannot survive without poison.

I am poison
No, I am poison.
So I am a snake.
I am the snake and I am the poison.
Okay, I love you.
'Okay, I love you.'
After all this?
Is this how you will tell me?
Then how else should I say it?
I mean..
I love you.
Okay?
Let it be
No, you should let it be.
Just.
Manveer...
I love you.
I don't want you to be
'X'ed' from my life's ABC.
I cannot do better than this
You can leave if you want to.
But it's no use going there now.
Even the cooks must have left by now.
When you two feel like,
you guys get together'.
When you two feel like,
you guys start fighting.
Have you ever thought about me,
you scoundrels?
- Manveer.
- Hit him Hit him hard!
Wife.. she is back
Manveer...
- Who taught you all this?
- Grandpa
Let's go, home
- Okay?
- Mom.
They look happy together.
Let's go.
She is your daughter?
She is the first girl in the
world who ran away with her husband.
I feel so sad, brother.

By the way, do you like chicken?

- Are you are permanent resident?

- Yes.

Brother,

please stay true to your word.

My sister will take good care of you.

Brother?

Sister, make chicken!

Yes, Lakha?

You should have called sooner.

I have made plans with my family.

Otherwise we would've got

together for a drink or two.

Yes, Lakha. No, I cannot make it.

I am going out with my family

I will be away for two days.

We will tour around

and catch some fishes

Family is also important, brother.

See you Okay, bye..

- Let's go.

- You said no to Lakha again?

- It's okay.

- Friends are also important, right?

- I love you.

- I love you.

Let's go.

Be careful with Tuti's

children's aunt.

Hello? Hi, mother. How are you?

Yes All of us are doing well.

Yes, Tejo is also doing well.

She will come there to meet you soon.

I have already booked the tickets.

Yes, yes 29th July.

You booked them so well in advance?

We don't even know

if we will be able to make it.

Mother, did uncle do

anything good for our village?

Or was father better than them?

Here, talk to Tejo.

Tejo, say hello to your grandma
