Love to the End

By James Lee

What's your plan after graduation?

Nothing, you?

My mom wants me to go college, you want to come?

I'm not sure..

My mom wants me to work at the stall.

What? You will be stuck in that life.

I won't.

I'll wait for you here, you go ahead.

One pack?

What's your friend doing back there?

What's her name?

It's been awhile, yeah, boss have been asking for over time a lot.

I'm really tired.

Oh really?

One second Susan.

- Hi Auntie.

-Hi Sam...

Girl I won't be cooking tonight, can you manage?

Sorry about that.

Yeah, I have not seen him for a long time, how is he?

Oh really?

Poor thing.

Hey listen.

Ok.

You heard before?

Nope.

Let's dance.

I can't dance.

You look silly, this is how you dance?

Like this.

Follow him.

No.

I don't think I can face John.

Just go and say hi, how hard can that be?

What am I supposed to do if he doesn't want to talk to me?

Sometimes all you need is a little bit of courage.

He is always surrounded by girls.

In that case just forget about him and stop wasting your time.

Have you ever thought of getting a boyfriend?

No, who needs a boyfriend.

I think boys are dumb.

Why? Tell me.

They are just dumb, no reason.

Don't ever let me catch you dating with a guy.
Not a chance.
Babe, you are so pretty, why don't you want a boyfriend?
That's disgusting.
What are you doing?
Stop it.
Babe, come on, give me a kiss...
Are you blushing?
No, I'm not.
You are such a lousy kisser.
How do you know?
Of course I know.
Who had you kissed before?
I kissed you.
Come on, don't be shy.
I'm just fooling around.
Don't be shy...
How's it?
Anything you cook taste awesome.
Eat it while you can.
Sam, can you do me a favor?
What?
Can you pass a letter to John for me?
No.
Do it yourself.
Please, I beg you.
I'll be your best friend forever.
Who wants you to be my best friend forever?
Please...?
Why don't you give it to him yourself?
Because I'm afraid.
Hi?
What's this?
It's for you, take it.
I read your letter, are you free now?
Hey,
I'll go first.
You go first.
"Free to meet up today?"
"I can't, need to do some shopping with my mom"
Mom...
I want to go to college.
Your younger brother is graduating in two years,
I can only afford to pay for him.

If you want to study, you will have to work for it.

Sam, what brings you here?

Hi Auntie.

I'm here for Cassie.

She is not back yet.

Why don't you wait inside, I have to go out now.

Okay.

Bye.

You alone?

Is something bothering you?

What's the matter?

Want a smoke?

Here.

Where's your friend?

Don't look so upset.

Don't be upset.

My friend told me it's called Moscato.

Is there a Moscato here?

Moscato's are all here.

Which bottle is better?

Which one would you recommend?

This one is cheaper, that is more expensive, but it taste better.

Which one do you want?

"Sam, can we meet up?"

I'm pregnant.

Where is he?

He wants to break up with me

I don't know what to do.

What do you want to eat later?

Anything...

You are not hungry?

Nope.

Why don't I cook for you?

Sure, whatever you cook taste awesome.

I will cook your favorite ramen.

Sure, can I add egg, vegetable, and sausage?

And you said you're not hungry.

Is your turn.

You can't go in, wait here.

I'll wait for you here.
