When I was teenager,
I liked a boy.
He was my classmate.
He very good.
He goes wherever I go.
He eats whatever I eat.
We sleep together.
He takes a good care of me
and I take care of him as well.
We always take care like shadow of each other.
Until one day,
I collected all my brave to tell him.
How I feel with him.
Do you know what he said back to me?
He said, If was a girl,
he would have loved me.
Why?
Boys have to love only girls?
Do I look different than girls?
I have nobody
and I don't know why I need love.
So I have to live alone until nowadays.
Live to take care of nephew.
Oh, it's cold.

I'm also drunk.
I can't stay anymore
I have to go.

Zee
I don't know what is wrong with me.
It's like there is a sharp of knife gently slit it on
and get through my deepest central heart all the time.
Gump!
Is that because you love Nai?
Why?
I'm a human
I'm a ordinary human and also have heart like you.
Why?
Do I look different from you?
I just want to have love sometimes.
Why?
Boys
have to love only girls?
Can you tell me?
What I did wrong.
Tell me why?
Who can I love?
Gump!
I think, love.
Will happen with every persons, no matter what you are...
You know well.
When you love someone,
you just love the way that person is.
You don't understand me.

I'm alone
You are not alone.
Listen to me.
No matter who you are. You are still our friend.
Yes, moreover you also have your mother
who love you the most.
Don't worry.
Gump!
Listen!
Cry as hard as you can.
Cry to make you feel better.
Although you have nobody, you still have us.
Yeah!
So We have to hug you.
You stand in the middle of us when we hug you.
Very well
You're not sad, right?
Are you ok?
Have more fun, my friend. Don't be sad.
Gump.
I think you should talk to Nai to understand each other more.

I want to talk to you personally.
What?
Do you still really love me?
You don't have to answer it if you feel uncomfortable.
Soda...
I used to love you
But... t
but right now I don't know how I feel with you.
You just try to do what your feeling wants.
Can you hug me?
What are you looking at?
Hey!
Followed him.
No need to do that.
Why?
Leave him alone, believe me.
Ok
So let's go back to our tent.
Eh!

He run over there.

Nai, You should follow him.

Let's go.

Gump!

I am worried about you.

We are on the top of mountain.

Pid is crazy. I'm shy.

So what are they doing?

You know.

Fuck you, Pid.

He smiles.

I'm jealous all of you guys.

Wow, feel so jealous.

I don't know about it. I just do what Arm told me.

Alright, both of you are so mean.

How is it? It's my plan. Is it awesome?

Your plan? Fuck you, Zee.
