- Mommy, I want my mommy.

Please, I want my mommy.

Mommy.

Mommy, please, I want my mommy.

I want my mommy.

Mommy, mommy, mommy.

Mommy, mommy, I want my mommy.

Mommy please, mommy

please, I want my mommy.

- Mommy what if

we never find her?

- We'll find her, I know it.

We just have to look everywhere.

- I found her!

- Good job.

Please don't put her
on the ground anymore.

Hold her in your hand, play
with her, and put her back.

We may not be able to
find her next time.

You don't want that do you?

- I know, I know mommy, I'll
be more careful next time.

- Follow through,
follow through.

There you go,
alright, switch up.

- Hey baby.

- Hi baby.

- How are you?

- I'm good.

Thank god all this.

But they're so booked up
that there's no flexibility
with the timing, so I have to
get ready for that time slot
that they gave me.

- That's a big show.

- No, it's gonna be
tough but I can get it done.

- It's okay to ask
for help sometimes.

- With you I never
need to ask for help,
you're always there for me.

- Mommy, daddy open the door.
Open the door mommy, daddy.
Daddy!

- Hi Alex.

- How are you?

- Mommy!

- Thanks again for last night.

- Back up, go back, go back.
Beautiful, now come
all the way there,
and give me one of
those beautiful turns.
Beautiful, that's my girl.
Alex, will you put Mina to bed?

- Yeah baby, I'll
be right there.

- Aw, you're the good girl.
You're the one who takes
care of your mommy.
Good girl, daddy's
coming home tonight.
You're gonna see
your daddy tonight.

- You know, during the day,
when you're out at school,
I'm here, I'm here
sitting on a shelf.
Huh, that's crazy, that's why
I always feel like I miss you.

- Okay, now hug me the
biggest hug you can ever do,
and squeeze me.

- That's a good idea, I'd
actually love to do that.
You're so sweet.

- Harder, harder.

- Ahhh!

- Harder.

- No, not too hard, we
don't want to hurt you.

- No, you're not gonna hurt me.

- Is it yummy, Mina?
- Very yummy.
- Oh yea, if it's yummy then why don't you eat it like this?
- Oh my god daddy, not again.
- I just made her baby.
- She'll be alright.
Come grab her, come grab her.
- No, you guys are crazy.
- Daddy, is that mommy on TV?
What is this channel?
- That's the lobby channel, Mina.
It's so you can see who comes in and out of our building, so you don't open the door for strangers.
Come on, Mina.
- Are you done?
- Why can't I scare you?
- What do I gotta be scared of?
What is gonna be in tiny little condo with you two knuckleheads?
- Mina, please put that away, it's not play time.
Come and get ready for bed.
- It was really cool when I saw you on TV.
- When I was you're age, we didn't even have cell phones.
If my mommy went out and we wanted to reach her we couldn't even call her.
Never mind seeing her on TV.
- Can you sleep with me?
- Why?
- Because like sometimes it's really scary when it's dark.
- You know back then there was a war in my country, and then sometimes the electricity would go off completely,

in the whole city,
there would be no light.

- What, blackout?

- Yeah, just like blackout.
But we loved it because me,
and my mommy, and daddy,
and my brother, and sister,
we would all sit under the
candle light and then
my daddy read us poetry,
tell us a story.

- All in the dark?

- All in the dark,
dark can be really good.
Sometimes dark brings the
whole family together.
Sweet dreams Namaka.

- You fed Henry.

- Yeah, Hen was all good.
But fluffy just keeps
stinking up the place, huh.

- Don't say that,
you know how much Mina
loves that little rabbit.

- Alex, you're still hung
up on Peter and his family?
Baby, you have to let this go.

- Baby, I just can't believe it.
Do you know what
Peter went through
to get his family over here?
Now she's gotta take the kids
back to that fucking war torn
country.
Yeah, it's like it's not bad
enough that your husbands dead.

- I know,
but it's not your fault
baby, it was an accident.

- Yeah, it was an accident
but I was driving the car.

- Oh Alex, baby, you have to
stop blaming yourself, baby.

- Mina, Mina, Charlie!

Mina!

Mina, oh my god, Charlie!

Mina where are you?

Charlie, Mina, Mina.

- They're not in the basement.

Fucking hell.

- Charlie.

- Mina.

- Oh my god, what are you guys doing in here?

- We're playing hide and seek, I scared you for the first time didn't I?

- Everybody was really, really worried.

- I didn't do it, please believe me. I would never hurt them, they're my entire life. I'll do anything for them.

I swear to god, I swear to god it wasn't me. I fucking love them so much, I would never hurt them. I will fucking fly Peter down to hell if he makes me hurt them.

Nobody can make me hurt them, nobody can make me hurt them, nobody can make me hurt them.

- Mommy look, it's the gift I've always wanted!

- What is it?

- It's a camera.

- Thank you so much, it was bugging us for a camera for weeks.

- Oh I couldn't help but over hear, that's why LeAnn and I got it for her.

- Thank you!

- You're welcome.

Wow, look at you, a

witch on your birthday.

- Is Mina asleep?

- She's out like a light.

Pocket full of poseys

Ashes, ashes,

we all fall down

- Hello?

- Daddy.

- Shhh, don't wake him up

He needs to rest.

- Is he ever gonna wake up?

- Of course, he just
needs a few more days.

He's gonna be okay.

He's gonna be alright.

- Mina ma ma, wake up.

It's time to go to school.

- Is daddy awake?

- Not yet.

- I needed to tell
him something.

His friend was here last night,
and he said that I have to
say hello to daddy for him.

- Which friend?

- I don't know which friend,
he just said that he was
daddy's friend.

- Weird dream, huh?

- No, he was actually there.

- Okay, okay, come
on, you'll be late.

- Can you wake up when
I come back from school?

- Oh no, I'm not
going back to work.

I still don't feel comfortable
leaving him at home.

Yeah, thank you.

The nurses still
comes once a day.

I don't need any help
here mom, I'm okay.

If you just get Mina from

school, that'd be fantastic.

- She was practicing karate
and punching the other day.
She said the next time
you take her for practice,
she doesn't want to be rusty.

- Can I kiss your mustache?
Moma, how do you spell airplane?

- Shhh, what is it?
- How do you spell airplane?
- Oh, a-i-r-p-l-a-n-e.
- Thanks.

Mommy, my mittens.

- Shhhh, daddy's sleeping.
Come, we are really late.

Come on, run.

Run, run, run.

- Ready or not, here I come.
- Gotcha!

Too much noise, let's play in
the hallway, grab a sweater.

- Mommy.

Mommy.

Mommy.

Mommy.

- Gotcha!

- You scared me!
- Now you know how it feels
when you scare somebody.

- You actually
scared me this time.

- Oh ma ma, I'm so sorry, I
didn't know you were gonna
actually get scared.

- But you said no
hiding in the staircase.

But what if you guys
just suddenly disappear,
and then I have to get sent
to the orphanage by somebody?

- Oh, Mina.

Always going to have
your mommy and daddy.

Always, always, mommy and

daddy are going to be with you.

- Of course baby, I'm
feeling a lot better now.
You've stayed home long enough.

- So baby please,
just a lot of rest.
No unnecessary walking around.
Yes?

- Of course.
- I love you so much.
- Hi baby.

Alex, are you okay?

You were supposed
to be resting today.

- Three, two, one, action.

Hi, this is my daddy,
and this is me,
and we're playing dress up,
and my daddy is filming it.
My daddy had a bad accident,
so I decided to dress him up
but he didn't look that pretty
when he had the accident.

So I decided to
make him handsome.

Daddy, go look at
yourself in the mirror.

- Okay.
- You're not even supposed
to be walking right now.
You totally forgot everything
that the doctor say,
you know the consequences if
you don't recover properly.

- Baby, I'm not suggesting.

- Don't baby me,
this is not a joke.

- I'm not joking,
I need to go back to work.
We have bills to pay and
there's no way you can pay
all of them up in time.

- You know that this
is just gonna put off your

recovery, not speed it up.
But it doesn't matter, as
soon as I leave the apartment
you're gonna do whatever
you want to anyways.

- What is that supposed to mean?

- Guys, don't fight anymore,
it's a really good part now.

Guys, wake up, you
guys are on camera.

- Mina, it's Saturday,
let's just sleep.

- You guys it's late,

it's already 7:

Get up, get up you guys, get up.

- Mina, again with the camera.

Not really sure how a video
blog is gonna help with my
head injury, even the doctors
say that it's just a pile of
project at the hospital.

I guess no real
results guaranteed.

Like as far as giving a brief
history as to what happened,
to tell you the truth, I
really don't remember much.

My health just sort of is
improving, some days are better,
some days are worse, I don't
really feel like myself
to tell you the truth.

- Oh my god, Mina, I'm here.

- Mommy.

- I'm here, I'm here.

Mommy's here, it's
okay, it's okay.

- Just don't talk to
anybody about my health.

Let's just be done with this.

Move it!

- Slow down, baby,
please, just slow down.

- I really sorry,
so sorry, baby.
I really don't know
what came over.
I'm sorry, I'm so
sorry, I got so upset.
- It's okay, baby, it's okay.
It's okay.
- No, this is just bull shit.
I mean fuck, can life
just become normal again?
Fuck!
It's not okay, that's
the whole point.
This is not okay, what the fuck!
- It's all gonna be okay baby,
we're gonna get through this.
- Now this is the
way I'm treating you?
- Wow she really listens.
Wow full trained.
- Yeah, I trained
her really well.
- I didn't bring them down.
- You sure?
- What the fuck kind
of question is that?
I'm not gonna remember
bringing down fucking 35
wine glasses, am I crazy?
What the hell stinks in here?
Your stupid rabbit stink
up the place again?
- Mommy.
- I don't know, no matter what
I do, I can't sleep at night.
No matter what I do I keep
falling asleep during the day,
I get up, I don't know how
long I've slept, go off like
a fucking shotgun, get
angry for no reason.
It's absolutely
not at all like me.

The pills are not working.
Now I'm hearing
sounds in the condo?
I don't know, maybe
they're in my head.

- Mina ma me, wake up,
it's time to go to school.

- Why mommy?

- Good morning Mina, I
will help you get dressed.
Go brush your teeth.

- Okay.
Mommy, come and skip with me.
Come on, let's go,
go skip together.

- Alex, I know
the rabbit has stunk.
He could have been
taken to the pet shop,
did he have to die?

- What are you talking about?
Is fluffy dead?

- In the closet.

- What the fuck, baby,
what are you talking about?
What the fuck is this?
What the fuck happened here?
Fuck it, I'm calling the police.

- Alex hold on, let's
talk about this.

- What the fuck is
there to talk about?
We had a fucking break in.
What the hell.

- How does that make
sense, somebody broke in?
We been home all night.

- Baby what are
you talking about?
God that's completely
unacceptable.

- Sir, at this
point, there's nothing more
that we can do.

- It's just completely unacceptable.

How much more evidence do you guys need about the break in?

- Sir, sir, you need to calm down.

- Oh my god, you know what officer?

Thank you, thank you officer.

I'm perfectly calm considering the situation.

- Baby.

- Yeah, now, so in your mind, I did this, no other possibilities, right? Husbands a lunatic.

- Alex, you just had a big trauma on the head. The doctors already told us. You might have times that you do things you can't remember.

Baby, that doesn't make you a lunatic. But we have to go to the doctor anyways, they have to do something, because we can't have incidents like this anymore.

I love you so much, baby.

We're gonna go through this together.

- He loved me, he would never escape.

You guys just sent him away on purpose.

- Minishka, you know that's not true.

We would never do such a thing.

- But daddy already said he stinks.

- Mommy, mommy.

Mommy!

- What is it Minishka?

What is it mama, did you have a nightmare, again?

- Uh uh, daddy woke me up.

- Daddy is asleep.

- Daddy!

- Daddy is sleeping

Mina, go back to bed.

- No, he was here,

he woke me up.

- Daddy was asleep.

You just go back to bed.

- I want to see daddy.

- See Minishka, daddy is asleep.

- Is Mina okay?

- Alex, where were you?

- I was in the wash room,

what are you guys doing up?

- She wanted to see you.

- To see me?

So after my daughter's pet rabbit was killed, which I was blamed for, I went to the doctor's office.

And what did they do?

They prescribed new medication, again.

Now they have this new theory about my condition. They think that the injury that I suffered might have been self inflicted, and now, since I'm doing these video blogs, they're recommending that I use different filters, so here I am in x-ray mode, because they think that if I play the videos back to myself it might help me to regain my memory about the incident.

They say that maybe it'll seem like I'm hearing information told back to me,

by someone else.

- Oh, what is this smell?

Mina, you're sleeping

on the floor mama.

Come on Minishka,

something's stinking.

Have to get up, I

don't know mama.

- Why do you keep

scrubbing so hard?

Do you think fluffy came?

I smell like him, right?

I think that fluffy came back.

- Look at all this shit.

- I don't know, the gallery

owner said they have never

seen such a thing happen.

40 prints coming down

at the same time.

- I know, that's so strange.

So how long does it take

you to put the show back on?

- Well, they closed down the

gallery right now for insurance

and renovation after all

that disaster that happened.

They don't even know

how long it's gonna take

and it's eating up into

my exhibition time.

I have to go get Mina.

My mom called, they have

to leave the country.

My grandma is sick.

- Is she okay?

- I don't know she said

they have to go see

what's going on with her.

- Are you okay, baby.

- I don't know, I'm just

worried about so many things,

but most of all is Mina.

Who is going to take care of

her when I have to go to work?

- Don't worry about Mina.
- Can you keep her?
- I can keep her, baby, yes.
- Wake up sleepy head.

Mina mama, wake up.

Mina, Minishka?

Mina ma me, wake up.

Mina, oh my god, Mina.

Are you okay mama?

Mina, wake up mama.

Are you okay?

- Mommy somebody
was right there!

- Alex, don't bring
Mina into this.

She just had a little nightmare,
she had all the reasons
to have nightmares.

- And I have all the reason
to do all this shit and not
remember any of it?

- Fuck, what the hell.

- Hi baby, how are you?

- I'm okay baby,
how was your day?

- Not so good, I think I'm
gonna lose my biggest client.
For some reason, I took all my
pictures in the wrong format
to the printer.

And on top of that, today
is the last day of my show,
and I only sold one print.

- What the fuck.

- Baby, you are still watching
this stupid security channel?

- Ugh, fuck, ugh.

Snap out of it Alex.

Wake up.

- Are you okay Alex?

What are you trying to
figure out watching the
security channel, baby.

- I'm okay, baby.

- It's like you're waiting for something to happen.

- I'm okay, I'm okay.

- Can you turn it off?

I have to talk to you about something.

- Baby, why do I have to turn it off?

We can talk.

- Well Mina's principal called, she says that she's completely tired and keep falling asleep in the middle of the class.

I don't think she's sleeping properly at night.

- Yeah, baby, because there are things in this apartment that don't let her sleep.

Okay, wait, have you ever, in your professional life, ever prepped photos for your clients in the wrong format?

- Alex, so this thing inside of our apartment reformatted my pictures?

Come on baby.

- Baby, just no, seriously, have you ever done that in your life?

Fuck, shit.

Anybody there?

- Dinner is ready baby.

Tonight you are going to sleep like a baby.

You are going to think about good things, because it's very important mama, when you go to bed, you think about good, happy things, okay?

Think about how much mommy and daddy love you, think about how much fun

we are going to have at
school tomorrow.

Baby, what's going on?

- Baby, what's going on?

This apartment is fucked.

- What are you talking about?

- What am I talking about?

Baby, I'm not a fucking idiot.

Okay, we have to sell this
place, and get the fuck out
of here as soon as possible!

- Keep your voice down.

Mina doesn't need
to hear any of this.

She's traumatized enough.

- I saw him today, in
the building, it's Peter,
and he's fucking with us.

- Oh my god, so that's
our new story now?

After all these years, Peter
have come back for revenge.
Coincidentally, right after
you had a head trauma.

- You don't understand okay.

I'm telling you I saw him in
the building, looking exactly
the same way he did
on the day he died.

- Alex, this is insane.

- Saw him!

- I have no energy for this.

Alex, we've talked
about this before, baby.

You have to let this go,
it wasn't your fault.

You have to stop
blaming yourself.

You're allowing this
to fuck with you.

- I'm allowing this
to fuck with me.

- Yes.

- I'm allowing it

to fuck with me?

Is it a coincidence

that I'm not recovering?

Fuck.

Baby, I'm allowing

this to fuck with me.

Peter wants me to go

crazy, he wants me

to hurt you and Mina, the

way his family was hurt.

- Oh my god.

- I'm allowing it

to fuck with me?

- I cannot believe you're

saying these things.

I cannot believe it.

- You can't believe I'm

saying these things?

Baby, I don't understand

how it's not effecting you.

How is this not effecting you?

- What are you saying?

- Fuck.

- I'm not suffering

enough for you?

- It's just so obvious.

- What the hell

you want from me?

Have a good day baby.

Don't forget to pick

up Mina after school.

- I'm so cold, I wanna go home.

Daddy!

Daddy, daddy!

Daddy are you awake?

- Leave me alone, Mina.

- Ugh, I'm so cold,

I wanna go home.

I want my mommy!

Mommy!

Mommy, mommy!

- Oh, excuse me officer, I

think I hear them coming.

Just one second, excuse me.

- Minishka! Where
have you been Alex?
- I'm freezing, we
were in the park.
- The park, you took
your kid to the park
in the middle of winter?

It's 10:

you answer the phone.
- I'm sorry.
- Oh my god, I'm so sorry
officer, they came home.
They were in the park.
Yeah, they're all
okay, they're all okay.
Yes officer I know.
Absolutely, I'm so
sorry to bother you.
What are you doing?
Baby, please pull
over, pull over, baby.
- Did you see that,
did you see that?
- Yes, yes we got all his new
medications and I understand
what you're saying doctor, I
agree with everything that you
say, but I just feel a lot more
comfortable if we could get
a psychiatrist opinion on this.
So if you know somebody
that can refer us to.
Yeah, that would be great.
- And you sleepy head.
- Minishka get ready,
we are going to go out.
- I'm not going anywhere.
- But we are going
to John and LeAnn's.
- Is daddy coming?
- No, just you and I,
daddy's not feeling well.
- Ugh, daddy's always

not feeling well!

- Watch your attitude.

- Hey don't touch my camera!

- Just putting it here,
get ready, we're leaving.

- Is Alex at home?

- He is, but sometimes
he's not feeling so well.

I don't feel comfortable
leaving her alone with him
for extended hours.

- I'm sorry, I didn't know that.

- It's okay.

- But yeah, sure,
bring her up any time.

- Really?

- Oh we love that little kid.

- Just leave me alone, why
doesn't he leave me alone?

- Baby, it's okay,
you're gonna be okay.

We are going to get you help.

- Mommy, it hurts!

Ow! it hurts!

Help me mommy, it hurts!

- Oh my god, Mina,
what happened?

Let me see.

Let me just see what happened.

- It hurts!

You stay right here,
I'll be right back.

You too?

I know, I know.

- Exactly what I'm
talking about, seriously.

We're complete idiots if we
don't believe that he's the one
that's actually
doing this to us.

- Oh my god, Alex,
don't start this again.

You're all distressed,
people crunch their teeth

when they're stressed.

- Yeah, all of us in one night?

- Shhh! I know, I
know it's fucked up.

But it has nothing
to do with ghosts.

- Baby, think this
fever is back again.

I'm just gonna go to bed, okay?

- Okay, baby.

- Goodnight.

- Goodnight, baby.

- Mommy, daddy, mommy!

- Mommy, mommy,
daddy, mommy, daddy!

Mommy, mommy, daddy!

Mommy, daddy!

Mommy, mommy, daddy!

Mommy!

Mommy, mommy daddy!

Mommy!

Mommy, mommy, daddy!

Help my daddy!

Mommy, mommy!

Mommy, mommy!

Mommy, mommy!

Mommy, mommy!

- Mina, Mina, Mina!

- Mommy, mommy!

- Oh my god, Mina!

What's going on?

- I was on the staircase,
all of the doors were locked.

You are my sunshine

My only sunshine

You make me happy

When skies are Grey

You'll never know dear

How much I love you

Please don't take

my sunshine away

- Thank you so much doctor.

- Nice to meet you, Alex.

- Baby, I'm gonna go home.

- Don't worry so much,
I see this a lot.

- You stay here with mommy.

- This prescription
is for six bottles,
one bottle per week.
Just make sure he takes
the pills in the order
as directed on the bottles.
If he takes the whole
regimen, it will help.

- Thank you so much doctor.

- Then just try to provide a
comforting environment for him.

- Mina, stop filming.

- Hi baby.

What, she didn't get on the bus?
No, no, just stay,
baby just stay there.
I'll be right there,
just stay down there.

- I didn't know that, mommy.
I didn't think about it,
but thank you for coming
and getting me.
Are you mad at me?

- No, Mina, I'm not mad at you.
Just when, baby slow down.
Slow down baby.
I just wanna make
sure you're safe.
You can't get, you have
to get on that bus.
And why do you get into fight
with these kids these days?

- I don't know, mommy, but
the principal said that you
have to come to school
and talk to him on Friday.

- Really, when did he say that?

- Would you two just shut up!

- May I please have a cup of tea
and a blueberry cookie please?
Sure.

Sure you can, because
you're my friend.

- What the hell is
that supposed to mean?
Are you suggesting we don't go?

- Alex, not use explaining
our problems to the principal.
What are we going to tell her?
That we killed her pet rabbit
and put it in a closet?

Or we took her out
in minus 20 degrees
to the park to freeze?

- Oh ok, we or me?

- It's not about
finger pointing, Alex.

I know shit is going on and
we are trying to fix it,
but it's not so easy to
explain it to other people.
What are we supposed to
tell to the principal?

- Baby, we need to
keep some normalcy,
some normalcy in our lives.

- I'm not saying to stop
a normal life, just things
that are gonna cause
problems that we can't fix,
like her going back to school.

- Oh my god.

Fuck!

- May I please have
a cup of tea, too?

Not you, you are
a very bad doll!

- That is the most ridiculous
thing I've ever heard.

- Shhh, oh my god, shhh.

- Baby, every kid has
problems at school.

We can't just keep her at home.

- Alex, keep your voice down.

- Oh my god.

- It's not forever, but
right now school is not safe.

- Oh, school is not safe.

- Today, she didn't
get into the bus.

Tomorrow she's gonna
get into a fight.

The following, she's going
to run into the street,
get hit by car.

- Okay, so schools not safe?

This apartments not safe.

- Shhh.

- Hey man.

- Hi John, come on in.

- Is this a bad time?

- No, no, no, no, no.

- No of course not
buddy, it's a perfect time.

Yeah, couldn't be better.

So they tell me that all
of my symptoms are because
of the pills I'm taking.

Meanwhile, they prescribe
new pills for me to take.

This time for crazy people.

Pills for crazy people, so
pills that make you crazy, and
pills because you're crazy,
pills that make you crazy,
because you're crazy.

- Mina, Mina, Mina.

- Mommy I'm here, I'm here.

- Masa, are you okay baby?

- Stay somewhere I can see you.

- Baby, baby, Mina's asleep.

Masa.

- Yeah, I know.

You should be, too, go to bed.

Baby, it's not that
easy, and I don't think
it's a great time right now.

- Baby, I know money is
tight right now, it's just a

short trip, just for a few days.

We all need the rest.

We all just get away
and live together,
just have some time off.

- Time to go.

- Coming.

- Come on kiddie.

- Thank you dad.

- That was fun, just
nice to be back home.

- The trip was good,
looks like the pills
are finally working.

I feel a lot better,
we all do actually.

If this apartment could
just leave us alone.

What are you doing here?

What are people doing here?

- Hi baby.

Alex?

Alex, baby?

Alex, oh my god,
you're sleeping?

Alex, Alex, Alex, wake up baby.

Alex, are you okay?

Oh my god, are you breathing?

- They were here.

They were here.

- What, baby, you got
into fight with somebody?

- They were here in the house.

- It's today's footage
that is all like this.

The live feed was
fine, cameras fine.

Today's is all almost like this.

- Yeah, that's bullshit.

- Baby, are you taking
your medication?

Baby where have you been?

I got really worried.

- It hurts.

- Mina has this
weird fever, again.
Did you bring the groceries up?
- Groceries?
- You didn't go shopping?
- Woah.
What the, ugh.
Just leave us alone!
Hell, leave us alone!
- Alex.
- If I tell you that I
didn't do any of this,
you're not gonna
believe me anyway.
Just say that I moved
the furniture around.
- Alex.
- Don't bother with the
surveillance camera, either.
It's fucked.
Is that supposed to happen
at fucking 4 P.M. in the
middle of the day?
No, not under any
normal circumstance.
- Baby, are you hungry?
- I'm in the middle of a
fucking recording is what I am.
Can I just have some
fucking privacy?
- Okay.
- You know what?
I should really say this for
the record, because I seem to
be the only one here that
sees this fucking shitty
situation for what it is.
There is an entity in
our fucking apartment,
who's messing with all of
us, and who's not gonna stop
until our whole fucking
family is destroyed.
Taking over all of

our fucking lives.
But me, oh, but I'm gonna
keep taking your pills.
Yeah the pills are the answer.
Fucking pills are
the answer, right?
Keep taking the crazy pills.
- Mommy, mommy.
Why did you leave, why
did you sleep here?
- Are you okay?
- No, I'm really cold.
- Okay, come on, we'll go.
It's okay, mommy, it's okay.
You go back to bed, I'll
be there in a second.
They keep telling to
keep the fever in check.
How long am I supposed
to do that for?
She's so sick.
My whole body is in pain, what
the hell is wrong with me?
- Oh my god, baby, I know
you don't believe me.
No baby, I'm telling
you, okay, it's Peter.
Baby, Masa, it's Peter,
I saw my blog last night,
I can't even recognize myself.
Okay, he's gonna make
me hurt you and Mina.
- Oh my god, Alex, we talked
about this nonsense enough.
You know these are
hallucinations, and you know
your pills are causing them.
- Hallucinations?
- We'll maybe it's not just
your pills, I know there's
something definitely
wrong with us.
I woke up in the middle
of the night on the couch.

I have no idea how I got there.

We have to ourselves a
reality check to really figure
out what the hell is wrong.

- A reality check?

Check for what, baby?

So they can prescribe
the same fucking pills
I've been taking?

- No, to see exactly medically
what's wrong with us.

- Medically.

Mina, Mina, Mina, Mina!

Mina, oh, Mina, Mina!

Oh, Minishka!

Thank god, thank god.

We have to go to the hospital!

- What are you doing?

- We're not well,
we're not well.

- What are you doing?

- What happened to you,

Masa, what happened to you?

- Mommy, mommy, it's hurting me.

How many more tubes?

- Minishka, hang in there.

It's almost done,
it's almost done.

- Just hang in there, baby.

Just three more days.

We'll get the result on
the blood work, then we'll
know what the hell is wrong.

No, no, no, no, I
have all the prints.

Just make sure that
the clients stay there.

Don't let them leave,
I'll be there in 15.

- Don't make me do this,
don't make me do this.

Don't make me do this.

Mina, you're back,

Minishka, Minishka.

Hey John, is she okay?

- Yeah, yeah, yeah,
no, no, she's okay.

Look, sorry dude, I know I'm
supposed to look after her
today, but something came up,
and Le and I, it's an
emergency, we gotta run.

Can you look after Mina
for the rest of the day?

- Yeah, oh course man, yeah,
we'll get through the day.

- You sure, you're okay?

- Yeah.

- Okay, look, if anything
comes up, just give me a call,
I've got my phone, okay?

- Thank you John.

Thank you, man.

I have an idea, Mina,
why don't we go swimming?

- Uh, okay.

- Mina!

Mina, Mina, Mina, wake up.

Mina, baby, Mina, come
on, come on, baby.

Mina, baby, Mina,

Mina, Minishka.

Mina, wake up, Mina!

Stay with me, Mina, please!

You're gonna be
okay, Mina, okay?

Gonna call mommy,
she's gonna come home.

I'm gonna run you a bath, okay?

Hang in there, Mina.

- Daddy open the door!

Masa, Masa, Mina,

Mina, get away.

- Daddy!

Mommy, mommy, mommy

pick up the phone!

Mommy, please!

Please, pick up the phone!

Something's happening to daddy!

- We're not home
right now, but if you leave
us a message, we'll
all call you back.

- Mina!

- Mommy, Mommy!

- Minishka, it's
fine, mommy's here.

Why are you still in
your bathing suit?

- It was daddy, I called
you, why didn't you come?

- Daddy's okay, he's okay mama.

- No, it's not okay.

Daddy, something was
happening to daddy,
and I drowned.

- Minishka, what do you mean?

- Alex, Alex, oh my god,
what's going on, baby?

Oh my god, Alex, oh
my god, oh my god.

Oh my god, baby, oh my god.

Wake up baby.

Hello, yes,

No he's never had that
before, I don't know.

Baby, baby.

Mina, Minishka, are you okay?

Oh my god, you're
nose is bleeding.

Get up, get up, come on, baby.

Get your head back,
get your head back.

Oh my god.

It's okay mommy,
you're gonna be okay.

You're gonna be okay,
the doctor called.

He said daddy's gonna be
home in a couple of hours.

That's good huh?

It's good news, it's good news.

Hello?

Yeah, this is she.

What, died?

What are you talking about?

I just talked to his nurse, she
said that he's feeling a lot
better, and is coming
home in couple hours.

No, no, no, no, no, no,
no, should be a mistake.

They said he's coming
home in couple hours.

Okay.

Minishka, Mina, get
up, we have to go.

Put it on.

- Mommy.

- We have to go, we have to go.

- Where are we going?

Where are we going?

Masa, Masa, Mina,
baby open the door.

Baby!

Baby, Masa, Baby.

Baby, baby what's
wrong with you?

Baby wake up.

Masa, just wake up, baby.

Mina, wake up, wake up, Mina.

What the fuck!

Baby!

Baby, wake up, baby, wake up!

Baby.

The hospital has no record
of anybody calling you
to say I was dead.

Masa, my god, you
still don't believe me.

Oh my god, do you realize
if I hadn't gotten to you
guys in the car when I
did, you'd both be dead?

He hasn't been able
to kill me yet, huh?

But he gave you a taste
of what it would feel like
if I had died, Masa!
Like that is the exact same
shit that his wife went through.
Okay, enough already,
enough already.
I can't wait for you
anymore to agree with me.
We just have to leave.
We'll figure the
shit out later, Masa.
Oh my god, Masa, it's okay.
- Mommy!
- Mina, go back to your room.
Masa, just, it's gonna be okay.
It's okay, it's okay.
It's okay.
- Mommy, fluffy's in the closet.
- It's all like this?
- Yeah.
- I can't believe this.
- I fucking believe it.
Fuck, shit.
This is bull shit, I don't
remember any of this.
Oh, fuck, oh my god.
Oh my god!
Baby, there he is,
fuck, do you see him?
Oh my god.
- Mina, Mina!
Oh my baby, oh my baby.
Mommy's here, mommy's here.
Alex!
- We're not home
right now, but if you leave
us a message, we'll
all call you back.
- Hello, this
is Dr. Anderson calling.
I'm sorry, I have to explain
the results of your blood work
to you like this,

over the phone.

Although we still need to do more tests, at this time it appears your all suffering from extreme chemical and hormonal imbalances in the body.

Unfortunately, the results are still very confusing.

Your symptoms might be caused by a number of invasive factors.

That's why we really need all of you to come back to hospital as soon as possible.

And the conditions are extremely life threatening, especially for your daughter, at such a young age.

In this circumstance, hospital policy has required us to contact social services, and the representative is here to speak with you about how this could happen to a seven year old.

I'm really sorry to inform you about this like this, but if you don't contact us within the next 24 hours, we will be forced to take further action.

We have to make sure that Mina is brought to the hospital for immediate attention.

- Mommy, what's he talking about?

Where do I have to go?

- No, no, no, Mina, don't worry.

You don't have to go anywhere.

He wasn't talking about you,

he wasn't talking about you.

Come on, come on, we have to go.

Come on.

- Masa.

- Hi John, I'm sorry, I have to leave Mina with you for couple of hours, is that okay?

- Yeah, is everything okay?

- Mommy, I want my mommy.

I want my mommy, mommy.

Mommy, I want my mommy,

mommy, I want my mommy.

Mommy!

What did you think of my little film, or well come on, let's give credit where credit is due, I should say our film.

I certainly couldn't

have done it without you.

I wish you had time

to watch all of it.

- Mommy where are you?

- I mean, you guys have really done a fantastic job.

I mean exactly what

I wanted you to.

Hopefully, people will enjoy watching it.

A horror film is a

horror film after all.

Always fun to watch.

So interesting, we create

all this technology,

social media, drugs,

so easy to prescribe.

- I want my mommy.

- And for what?

- Mommy!

- Only to have them used to manipulate us.

What I did, what I did, Masa, wasn't so difficult to accomplish.

Rent an apartment on

your floor, convenient,

high end surveillance cameras,

and people, you would

be surprised what people
will do for money,
they will do anything.
That was all I needed, to
be able to watch you 24/7.
To have you act, and react,
exactly as I wanted you to.

- I want you, I want you!

- We talked about this.

Be quiet!

It's really quite
unbelievable how often
I can be inside of your
happy, little home.

- Mommy, mommy!

- All these things, they're
just technicalities.

The essential ingredient
that makes my job possible,
is how easy you
were to manipulate.

You're filled with the
notions, that can be used
to control you.

Like poor Peter's ghost,
give me a fucking break Alex!

Ghost and demons, are
you fucking insane?

What can they do, possess you,
make you do wicked things?

But you're not in control
when you're doing them.

- Mommy, when are you coming?

- Now human beings, they
can get you to do wicked
things willingly.

- Mommy, I want you, mommy.

- See what I did?

And I'm only one man,
isn't that so much more
horrifying?

- Mommy, I want my mommy!

- Please don't disappoint
our audience, Alex.

Let's just put our differences
aside, and finish the
last show to my film.
Everybody already knows
how it's going to end.

Ready.

- Mommy, mommy!

- Mommy, mommy, I want my mommy!

I want my mommy!

Mommy!

Mommy!

I want my mommy!

I want my mommy!

I want my mommy!

Mommy, mommy!

I want my mommy!

- She's not here,

she's not here!

She's not here!

- What are you talking about?

- Mommy, mommy, I want my mommy!

Mommy, mommy, I want my mommy!

Mommy, mommy, I want my mommy!

Mommy, mommy, I want my mommy!

Mommy, mommy, I want my mommy!

- He's dead, what have you done!

Amazing grace

How sweet the sound

That saved a wretch

Like me

I once was lost

But now I'm found

Was blind but now

I see

Twas grace that

taught my heart to fear

And grace my fears relieved

How precious did

that grace appear

The hour I first believed

Through many dangers,

toils, and snares

I have already come

Tis grace has brought

me safe thus far
And grace will lead me home
