Lucky Luke

By Sonja Shillito

00:

Thanks, Ma.

2

00:

Who are they, Pa?

3

00:

Get inside, John.

4

00:

He's hurt. Let us in.

5

00:

- I'll tend to him.

- I'll tell the sheriff.

6

00:

The Cheaters' Gang is over with.

This time you lose.

7

00:

- Cheaters never lose. Never!

- Get out.

8

00:

Kill them!

It'll make for a nice memory!

9

00:

- Get your Colt.

- Never! Don't do it!

10

00:

Go, Molly!

11

00:

You were lucky, John Luke.

12

00:

You dodged the Cheaters' Gang.

13

00:

And no one ever dodges a Cheater.

14

00:

Believe me, you're...
very lucky, John Luke!

15

00:

You beat death!

16

00:

You're lucky! You're...

17

00:

You're... Lucky Luke!

18

00:

Got it already.

19

00:

Got it already.

20

00:

' 'American Hero' '...

21

00:

Got it already.

22

00:

Lucky Luke!

23

00:

Captain Mac Straggle, 20th Cavalry.

24

00:

Colonel Mac Straggle has a message
from the President of the USA.

25

00:

Thank the President
for checking in on me...

26

00:

but I'm on vacation.

27

00:

He says he's on vaca...

28

00:

There's no vacation
for heroes of the West.

29

00:

Kid, I know your father well.

30

00:

He knows I stick to my guns.

31

00:

He says I stick...

32

00:

I'm going to tease pike
out of the Klondike.

33

00:

Tell the President
I have an extra rod.

34

00:

You can tell him yourself,
boy scout!

35

00:

We lead in 2 states
and are neck and neck in the others.

36

00:

I won't lose the election!

37

00:

This transcontinental railroad
is the answer.

38

00:

With the coasts linked,

39

00:

America will exist.

40

00:

Shortly, sir.
The New York-San Francisco line

41

00:

will connect in Golden City
in 3 months.

42

00:

That's too long.

43

00:

We have to finish
before the elections next month.

44

00:

The tracks will join...
in Daisy Town.

45

00:

- Daisy Town?

-That's crazy!

46

00:

-Too dangerous.

- We should burn it down!

47

00:

Destroy Daisy Town!

48

00:

Whoever harms my pretty Daisy
answers to me.

49

00:

Don't get him wrong.

50

00:

The Daisy Town

which Luke remembers

51

00:

was heaven on Earth.

52

00:

Mr. Maurice Austin Cooper,

53

00:

Governor of Utah!

54

00:

President...

55

00:

gentlemen...

56

00:

Pardon my being sentimental, but...

57

00:

I'm recalling how

58

00:

on July 2, 1831 ,

59

00:

I came from Ireland

60

00:

on the same boat as his father.

61

00:

The Lukes tilled
the red soil of Daisy Town,
62

00:
where our cattle grazed in peace.
63

00:
But nowadays...
64

00:
the area is infested
65

00:
with desperados and Indians.
66

00:
You know me, Winston.
67

00:
If I were you...
68

00:
But you're not. Not yet.
69

00:
Let me finish this term
70

00:
and maybe even another.
71

00:
Here, Cooper.
72

00:

In 3 weeks I'll drive in this spike
to inaugurate the last section.

73

00:

- Mr. President, don't do it!
- It's insane.

74

00:

I want Mr. Luke to establish order
in Daisy Town.

75

00:

Do you accept this mission?

76

00:

Yep.

77

00:

How long will it take
to establish order?

78

00:

48 hours.

79

00:

Cigarette, anyone?

80

00:

Still not smoking?

81

00:

I have an Apatchi.

82

00:
Still not smoking!
83

00:
He quit!
84

00:
Take care, Coop.
85

00:
You're not obliged
to go back to Daisy Town.
86

00:
That place is full of ghosts
for you.
87

00:
I'll speak to the President.
88

00:
I gave him my word.
89

00:
Think it over.
90

00:
I'm not made for thinking.
91

00:
It's him, Miss! Lucky Luke!
92

00:
That's enough kids.

93

00:

Stay here. Be good.

94

00:

Here!

95

00:

I love you!

96

00:

You're too lucky, Lucky Luke!

97

00:

Way too lucky!

98

00:

You're lucky, John Luke.

99

00:

Very lucky!

100

00:

You dodged the Cheaters' Gang.

101

00:

You're lucky. You're...

102

00:

Lucky Luke!

103

00:

BIRTHPLACE OF LUCKY LUKE

104

00:

Boots, size 54.

105

00:

Andfor the horse?

106

00:

Rain coming.

107

00:

Up, you maggots!

And in single file!

108

00:

You never get sick
of filling up jails?

109

00:

Lucky Luke,
the man who never killed anyone.

110

00:

You never got over
seeing your parents die.

111

00:

That cod-face of yours
got a name?

112

00:

Pat Poker.

113

00:

Welcome to my town.

114

00:

Missed.

115

00:

Alas, you're unwelcome in mine.

116

00:

How did you do
the 5-dollar bill trick?

117

00:

Lousy.

118

00:

Leave my office.

119

00:

Daisy Town bodes ill for sheriffs.

120

00:

The soil is red with their blood.

121

00:

Before it gets red with yours,

122

00:

bet on black
and get lost before nightfall.

123

00:

Expect a gift from me tomorrow.

124

00:
You alright with death?
125

00:
Tomorrow I clean house.
126

00:
John!
127

00:
It's Flimsey.
128

00:
Remember?
129

00:
Down here, John.
130

00:
In the barrel.
131

00:
Flimsey?
132

00:
Flimsey the bug!
133

00:
What the heck?
134

00:
We're glad to see you!
135

00:

- Get out.

- You crazy?

136

00:

Want them to kill me?

137

00:

Tell everyone it's over now.

138

00:

Time to come out of hiding.

139

00:

Poker won't let his gang go to jail.

140

00:

He hired a bad-ass bandit
to smoke you.

141

00:

Who's the fat vat?

142

00:

My wife.

143

00:

No one's getting smoked, ma'am.

Pleased to meet you.

144

00:

Billy the Kid City! End of the line!

Time to die!

145

00:

Billy the Kid's in town!

146

00:

I'm worth 5000 dollars!

147

00:

Good lolly, Mr. Billy!

148

00:

Not Mister.

149

00:

Just Billy.

150

00:

Billy the Kid. Like you.

151

00:

So long, Lilly.

152

00:

Don't share with your brother!

153

00:

Thanks for the ride!

154

00:

Bam! Got the old hag!

155

00:

Don't move, you hear?

156

00:

You neither!

157

00:

Don't move!

158

00:

The boss is waiting.

159

00:

Drop the gun, Q-Tip.

160

00:

Start walking and keep them up.

161

00:

So?

162

00:

Got my money, wizard?

163

00:

Andthe bird's unharmed.

164

00:

So?

165

00:

How much did your hen
drop from its ass?

166

00:

- 15,000.

- Billy the Kid...

167

00:

kill Lucky Luke for 15,000 dollars?

168

00:

You're right.

169

00:

10,000.

170

00:

Lucky Luke sent me to reform school
when I was 7.

171

00:

And I'd done nothing wrong.

172

00:

I thought you'd killed your parents.

173

00:

Exactly.

174

00:

I'd done nothing wrong.

175

00:

So I came to kill Lucky Luke
for personal reasons.

176

00:

I'll pick up my money
once he's dead.

177

00:

You offendatedme
by implying I could be bought.

178

00:

And get me some cherry juice!

179

00:

Next time, I want cherry juice!

180

00:

He's coming! Barber Street!

181

00:

Gentlemen?

182

00:

I assume you know the way to jail.

183

00:

Yep...

184

00:

Sometimes life can get prickly.

185

00:

Fourteen...

186

00:

Pistol Pete.

187

00:

Go on...

188

00:

Fifteen...

189

00:

RattlesnakeJoe.

190

00:

So, Hank, what's up with you?

191

00:

Goldie.

192

00:

Digger's daughter?

193

00:

Pregnant with our 6th.

194

00:

You're not lonesome, cowboy.

195

00:

Stop by sometime!

196

00:

Next time, bud.

197

00:

Won't be no next time.

198

00:

I like you, Billy.
Don't make me hurt you.
199

00:
Pretty lousy last words...
for a guy of your stature.
200

00:
Out of luck.
201

00:
Farewell, Lucky Luke.
202

00:
This is my snack.
203

00:
It's my snack! It doesn't count.
204

00:
Farewell, Lucky Luke.
205

00:
That's your water gun.
206

00:
Nope.
207

00:
Yeah.
208

00:
I don't get it.
209

00:

It worked in front of the mirror!

210

00:

Poop! What's wrong?

211

00:

Shut your traps, retards!

212

00:

You're out of luck. So long.

213

00:

He killed me!

214

00:

I'm cold.

215

00:

I'm hot.

216

00:

Give me a snuggle...

217

00:

I'm a monkey's uncle!

218

00:

His bullets hit mine!

219

00:

Banana-chocolate.

220

00:

I wasn't hit.

221

00:

I wasn't hit.

222

00:

I'm not dead!

223

00:

It hurts. It stings.

224

00:

It stings a little.

225

00:

You missed the coach.

226

00:

In the meantime,
I'll read you a story.

227

00:

I don't want to go!

228

00:

Tomorrow...

229

00:

Luke will grow his blade of grass...
six feet under.

230

00:

It's between us now.

231

00:

Hey, guys!

232

00:

Barrels in the buff!

233

00:

This saloon is for denizens
of Daisy Town.

234

00:

So pay for your last whiskies.

235

00:

Hear that, friends?
Time to pack up and leave.

236

00:

No! Stay put, you idiots!

237

00:

Bet on 17, Lucky Luke.

238

00:

16 sheriffs await you
at the cemetery.

239

00:

Chips down.

240

00:

No more bets.

241

00:

Seventeen.

242

00:

Black, odd and pray to God.

243

00:

He rode off into the smoldering sky

244

00:

He went off and let our kisses die

245

00:

He left me

with just two eyes to cry

246

00:

My lonesome cowboy...

247

00:

shot my heart

248

00:

like a bullet from his peacemaker

249

00:

Thanks, Sam.

250

00:

Rode in on his horse,

used all his force

251

00:

Took me for a ride

252

00:

Took his Belle with pride

253

00:

My lonesome cowboy shot my heart

254

00:

like a bullet from his peacemaker

255

00:

I await my lover, await my hero

256

00:

so that he and I
can start again from zero

257

00:

Abullet for Belle

258

00:

or ring your death knell

259

00:

Abullet for Belle

260

00:

or Belle will blast a bullet

261

00:

into your heart

262

00:

No, Pat!

263

00:

Losing hand, Poker.

264

00:

That hurts.

265

00:

It's too late to fight.

266

00:

Like my watch?

267

00:

Lucky Luke.

268

00:

The man who never killed anyone.

269

00:

Killing has its good sides.

270

00:

There's before the kill, and after.

271

00:

It's in your head, your skin,
your bones.

272

00:

It leaves traces.

273

00:

And memories.

274

00:

What will you do now?

275

00:

Shoot the chandelier
to knock me out?

276

00:

Poor little hero...
who never killed anyone.

277

00:

Outside!

278

00:

Get lost!

279

00:

He's dead.

280

00:

LUKE KILLS:

281

00:

I'll never kill anyone.

282

00:

Never!

283

00:

You never got over
seeing your parents killed.
284

00:

You're not obliged
to go back to Daisy Town.
285

00:

He's dead!
286

00:

Killing has its good sides.
Alright with death?
287

00:

Don't do it!
288

00:

Outside!
289

00:

Cowboy! Aren't you overdoing it?
290

00:

Use your head.
No trains come by here.
291

00:

Come on, kid. Let's go home.
292

00:

Was that you who...?
293

00:

Go on.

294

00:

Do it again.

295

00:

Are you done yet?

296

00:

You talk!

297

00:

You talk! Damn, he talks!

298

00:

Okay, I got it.

I can talk. No news to me.

299

00:

Now climb on me

and let's get going. Okay?

300

00:

My name is John Luke.

301

00:

I'm pacing around

and my horse can talk.

302

00:

You done? Start smoking again!

303

00:
I'm losing it.
304

00:
Don't sit back down!
305

00:
We have work, Lulu!
306

00:
Have you forgotten?
307

00:
The train, the President,
the mission, Daisy Town...
308

00:
Your horse and only friend,
JollyJumper.
309

00:
That true, unsung hero...
hidden under your butt.
310

00:
- Have you forgotten or...
- Will you shut up?
311

00:
What's ''shut up'' in Horse?
312

00:
In Horse?
In Horse it goes like this...
313

00:

We don't say it often
because it's a bit long.
314

00:

Why didn't you talk to me before?
315

00:

You never laid on the tracks before.
316

00:

You know, Jolly...
317

00:

- You're my only friend.
- True.
318

00:

I'd have been nothing without you.
319

00:

True too.
320

00:

Yeah...
321

00:

You got that right.
322

00:

Eleanor... Eleanor's in love!
323

00:

Too cute, Johnny-Johnny.

324

00:

I don't love you, Eleanor.

I love no one!

325

00:

He's hurt. Let us in.

326

00:

I'll tend to him.

327

00:

- I'll tell the sheriff.

- Don't do that.

328

00:

The Cheaters Gang is over with.

This time you lose.

329

00:

Cheaters never lose.

330

00:

Kill him.

Make for a nice memory.

331

00:

- Get your Colt.

- Never! Don't do it!

332

00:

I swear, Coop.

I always thought I was doing good.

333

00:

In fact I was seeking revenge.

334

00:

You were seeking justice.

335

00:

The West wouldn't be the West
without you.

336

00:

You're Lucky Luke...

337

00:

Astar in our flag.

338

00:

I killed a man.

339

00:

You rid the West of a scoundrel.

340

00:

And life goes on.

341

00:

As Governor,
I should tell you to continue.

342

00:

But if I weren't afraid
of betraying America,

343

00:

I'd tell you this death
is the chance of your life.

344

00:

Anew life,
without guns, without violence.

345

00:

In any case, a train
will soon run coast to coast.

346

00:

Cities will take over
the great outdoors.

347

00:

It's the end of our world, John.

348

00:

All these farmers, these families...

349

00:

They count on me.

350

00:

- Who'll defend them?

-They'll find someone else.

351

00:

Trust me. Change your life
before it's too late.

352

00:

I'm here for you.

353

00:

You realize what you're doing?

354

00:

No, cowboy, not your Colt!

355

00:

You realize what you're doing?

356

00:

Do you realize?

You can't hang it up for good!

357

00:

Cowboy... You're Lucky Luke!

358

00:

KILLED BY LUCKY LUKE

359

00:

I foundthat in the dust.

360

00:

That's why I'm here, Sam.

361

00:

For Daisy and her kids.

362

00:

You have 280 years to go.

363

00:

Geezer! Give us two cherry juices.

364

00:

Your jail is full of drafts.

365

00:

And soon your body will be,
Lucky Luke.

366

00:

Have a lolly. I'll be a minute.

367

00:

Thanks, Lucky.

368

00:

You're the best triggers
in the county.

369

00:

This town needs a sheriff.

370

00:

Doesn't anyone want a clean slate?

371

00:

To stop being a loner?

372

00:

Being on the run?

373

00:

To be respected and loved?

374

00:

I don't know... to start a family.

375

00:

Haven't we all dreamt of it?

376

00:

Where's your Colt?

377

00:

He has no gun!

378

00:

Kill him!

379

00:

You sent me to jail!

380

00:

- Our fate is for us to decide.

- My fate wasn't 15 years in jail.

381

00:

Kill him nice and slow!

382

00:

Go on, you retards!

383

00:

This will keep your mouth shut!

384

00:

Nineteen...

385

00:

Twenty.

386

00:

Thanks, gentlemen.

387

00:

I'm Billy the Kid!

388

00:

And I'll ridthe West of Lucky Luke!

389

00:

Out of my way, bowling ball!

390

00:

Beautiful.

391

00:

If any of you hyenas touches him,
you won't see the sun set.

392

00:

Calamity!

393

00:

Jane...

394

00:

Hats off for a lady!

Lily-livered, snot-nosed lowlifes!

395

00:
1 against 100.
396

00:
You think you really got a chance,
397

00:
Calamity Jane?
398

00:
Two...
399

00:
against 100.
400

00:
Jesse James...
401

00:
'To be great...
402

00:
'is not to stir...
403

00:
'without great...
404

00:
'argument!'
405

00:
Hamlet.
406

00:

Act IV, scene 4.

407

00:

Is what I hear true?

408

00:

You hung up your Colt, Luke?

409

00:

Jesse...

410

00:

'The evil...

411

00:

'men do...

412

00:

'lives after them!

413

00:

'The good, O the good...

414

00:

'is oft interred...

415

00:

'with their bones.'

416

00:

Julius Caesar.

417

00:

Act III, scene 3.

418

00:

Luke is a legend.

419

00:

He deserves to die in a duel.

420

00:

And I won't let anyone

421

00:

kill him, besides me.

422

00:

I don't like your reason.

423

00:

But my choices are limited.

424

00:

You're deputy sheriff, JesseJames.

425

00:

Where are you taking my Lucky?

426

00:

And why a duel? Let's kill him now!

427

00:

What matters is not
the blood spilled, but the ink.

428

00:

In 100 years,
kids will read in history books
429

00:

thatJesseJames,
the greatest outlaw ever,
430

00:

killed Luke in a duel.
431

00:

That's how it is.
432

00:

Load of crap,
your greatest outlaw routine.
433

00:

I'm the greatest outlaw ever!
434

00:

I should kill Lucky Luke!
And I will kill Lucky Luke!
435

00:

Give me that!
436

00:

And in 100 years,
437

00:

kids will read
438

00:
that the Kid
was the greatest outlaw ever!
439

00:
Billy the Kid,
the greatest outlaw ever,
440

00:
killed Lucky Luke.
441

00:
And Jesse James!
442

00:
Catchy, isn't it?
443

00:
Find another one.
444

00:
I need your carriage, Doc.
Move.
445

00:
I'll watch him.
Watch over the town.
446

00:
You have 48 hours
to walk tall in your boots, Luke.
447

00:
Become a legend again.

448

00:

From hitherto forward, I'm sheriff.
Everyone in the saloon!

449

00:

Hot cocoa for everyone.

450

00:

And if you don't drink it,

451

00:

straight to jail. That clear?

452

00:

There's one left.

453

00:

Is someone not thirsty?

454

00:

That's better.

455

00:

- What do we do?

- Put bad guys in jail.

456

00:

Why?

457

00:

To protect Lucky Luke. Get it?

458

00:

Because he has no gun?

459

00:

- Because I'm killing him.

- No, I am!

460

00:

Where can we get badges?

461

00:

- In the sheriff's office.

- So let's go there.

462

00:

I'm a poor lonesome cowboy,

463

00:

and a long, long way from home...

464

00:

Let's get you comfortable.

465

00:

Take off these pants.

466

00:

I'll take care of that.

467

00:

He needs the help of a real woman.

468

00:

Let's see if I'm real or not.

469

00:

Sweetie-pie!

470

00:

I'll keep guard.

471

00:

I'm dead.

472

00:

You're the angel
of lonesome cowboys.

473

00:

Good night, Jolly.

474

00:

What the hell?

475

00:

I'm sorry.

I thought you were my horse.

476

00:

- Force of habit.

- Sorry.

477

00:

It's called water, cowboy.

478

00:

Feel any better?

479

00:

Nothing to see here.

480

00:

What are you doing?

481

00:

Removing your boots.

482

00:

What for?

483

00:

It's better.

484

00:

Boots never come off!

485

00:

Relax, tenderfoot.

486

00:

Nails like that
keep you on your toes.

487

00:

They'll skin your hide.

488

00:

At least it'll be clean.

489

00:

Got any dreams?

490

00:

To walk on the moon.

491

00:

Walk on the moon?

492

00:

Why not?

493

00:

Some man will do it
before I even see Paris.

494

00:

Traveling is my dream.

495

00:

For it to come true.
An old family custom.

496

00:

Thanks.

497

00:

Never say thanks.

498

00:

Never!

499

00:

Had any adventures?

500

00:

Yeah, lots.

501

00:

I'm Lucky Luke.

502

00:

'Lucky Luke vs. the Daltons'...

503

00:

I meant...

504

00:

adventures...

505

00:

in love.

506

00:

Hold on.

507

00:

What?

508

00:

We squashed a snail.

509

00:

Like my dad's hand.

510

00:

The hand of a farmer.

511

00:

Damn!

512

00:

Farming is a pain.

513

00:

This is no life for you.

514

00:

Look at yourself.

515

00:

You've even lost your luck.

516

00:

You've become unlucky, Luke.

517

00:

You're right.

518

00:

You hit the nail on the head.

519

00:

You okay, man?

520

00:

Want some more?

521

00:

Dumb ass!

522

00:

Night, man.

523

00:

Thanks.

524

00:

Don't even try to change.

525

00:

Some hero!

526

00:

Goodnight!

527

00:

I love you Belle. You're so soft.

528

00:

So pretty.

529

00:

But so damn hairy!

530

00:

I love you Belle. You're so pretty.

531

00:

Chill out, Lulu! Cowboy, wake up!

532

00:

- Come closer.

- He's petting me!

533

00:

- What is this?

- No touching!

534

00:

Are you out of your mind?

535

00:

Sorry, man! Come back!

536

00:

Come back, Jolly!

537

00:

BARE HAND LUKE:

538

00:

Bad guys:

Good guys:

539

00:

Billy, we said no killing.

540

00:

It wasn't me. I didn't kill him!

541

00:

It wasn't me!

542

00:

He's telling the truth.

543

00:

McGriddle died of fright
just before the gunfight.

544

00:

You see?

545

00:

Okay... Jail.

546

00:

- Jail!

- I just told them.

547

00:

Oh yeah.

548

00:

Sorry, Phil Defer.

549

00:

Where is Luke?

550

00:

You'll have to kill
Billy and Jesse first.

551

00:

67 customers,
that makes 8200 dollars.

552

00:

So long, sheriffs.

553

00:

Honest money...

554

00:

If the Daltons ever found out,

555

00:

we'd be like a joke
on a lollypop stick.

556

00:

Us! The baddest bandits in the West!

557

00:

His blade of grass is stronger
than a cigarette!

558

00:

What if the cowboy
is taking us for a ride?

559

00:

What if he's trying to escape?

560

00:

No one can escape his fate, Billy.

561

00:

Luke will take up arms again.

562

00:

Fate tells me he'll take up arms...

563

00:
starting right now!
564

00:
' 'How poor they are,
565

00:
those bereft of patience.' '
566

00:
Hamlet...
567

00:
Act...
568

00:
I'm sick of your ham!
I've eaten it for 3 days!
569

00:
I already shot a teacher
because I hated her rhymes!
570

00:
Yeah, keep on laughing!
571

00:
It's the redhead
they'll read about instead.
572

00:
I'll make history
and I'm starting now!
573

00:

Damned right, flea-bite!

574

00:

Jesse James.

Act I, scene 1 .

575

00:

You okay, Jesse?

576

00:

Night falls fast on El Paso...

577

00:

This grass ain't made for smoking.

578

00:

Sure ain't.

579

00:

- Don't be stupid, Defer.

- You owe me for 5 years in prison!

580

00:

You stand no prayer

581

00:

with Phil Defer!

582

00:

Don't move!

583

00:

I'll be fine...

584

00:

Sure, you will be.

It's a shoulder wound.

585

01:

I'll have your lambkins

up and walking.

586

01:

I'm sorry.

587

01:

Never say sorry.

588

01:

Cowboy!

589

01:

Lucky Luke!

590

01:

Where are you off to?

591

01:

Saying bye to a pal.

592

01:

- You want to leave?

- Yes. The two of us.

593

01:

I won't follow you to kingdom come!

594

01:

It's not that far.

595

01:

I know a lake, with a log cabin.

596

01:

Fish and clovers...

597

01:

Jolly loves clovers.

A good place to raise horses.

598

01:

And kids.

599

01:

Kids?

600

01:

I meant to tell you some day...

601

01:

I think it's about time...

to get married.

602

01:

And have kids.

603

01:

Thanks, I...

604

01:

It may not mean much to you, man...

605

01:

But Belle's the girl for me.

606

01:

And don't feel

you have to come along.

607

01:

First of all:

608

01:

Second:

isn't worth a coyote fart!

609

01:

Don't tell me you thought...

610

01:

What?

611

01:

Sorry, man... Calamity.

I apologize.

612

01:

I'm not saying

you can't settle down.

613

01:

It's that... You understand!

614

01:

You need a girl who's a legend too.

615

01:

A girl...

616

01:

like you!

617

01:

Exactly.

I wasn't meant to be a legend.

618

01:

Me neither.

619

01:

I used to want to run
a Ladies Saloon.

620

01:

Drink tea.

621

01:

Bake cakes...

622

01:

It's my right!

623

01:

You barely know her!

How do you know she loves you?

624

01:

How do I know?
She risked her life for me!
625

01:

Risked her life?
626

01:

What do you think I do?
Sit around plucking my raccoon?
627

01:

I'll tear every bone
from his stinking carcass,
628

01:

use his ribs for a ladder
and piss on his face!
629

01:

Son of a hyena!
630

01:

Strange guy, that gal.
631

01:

Mr. Cooper
is waiting in the sun room.
632

01:

Thanks. Can you feed Jolly?
633

01:

It's taken care of, Mr. Luke.

634

01:

Very nice. Fit for a horse!

635

01:

Come in, John.

636

01:

Coop...

637

01:

How is she doing?

638

01:

You know already?

639

01:

In the West
news travels fast as a bullet.

640

01:

I can't surprise you.

641

01:

Have you forgotten
I think faster than my shadow?

642

01:

Goose deuce,
codfish flush, ace-in-the-sole.

643

01:

That.

644

01:

Very well, sir.

645

01:

Open it.

646

01:

You set sail from Baltimore
in a week.

647

01:

First stop, Dublin.

648

01:

You can meet your cousins.

649

01:

I didn't intend to go so far.

650

01:

Without your gun,
how will you protect your wife?

651

01:

You've sent half the country
to jail.

652

01:

You'll never be safe here.

653

01:

If I were you, I'd move to France.

654

01:

Or Belgium.

655

01:

You could do a show.

656

01:

Or sell your sketches,
if you still can draw.

657

01:

Take the tickets.

658

01:

You can't live in the West
without a gun.

659

01:

If he'd understood this,

660

01:

your father
would have done the same.

661

01:

I owe you one.

662

01:

Be happy with your wife.
Have lots of kids.

663

01:

That's enough for me.

664

01:
I'll miss you, John.
665

01:
'He that ceases to be a friend
never was one.'
666

01:
Act III, scene 4. Othello.
667

01:
Shakespeare.
668

01:
You left this
on your parents' gravestone.
669

01:
I want what I'm owed.
670

01:
Aduel, to fuel the history books.
671

01:
Forget it, Jesse.
672

01:
You know it's over.
673

01:
Get your gun
or I'll widen her a-hole.
674

01:

I mean the hole in her arm.

675

01:

'A' as in arm. You understood.

676

01:

The hole in her arm. Her arm-hole.

677

01:

I'll make it bigger.

678

01:

I'll give her another a-hole.

Asecond one. Bigger.

679

01:

I see why you need Shakespeare.

680

01:

Get your Colt.

681

01:

You know that I won't.

682

01:

You have no reason to shoot Belle.

683

01:

It's raining.

684

01:

Yep.

685

01:
You're still in the West.
686

01:
To lay down the law,
you have to carry a gun.
687

01:
Pick up your Colt.
688

01:
Or die.
689

01:
If I end up with lead in me,
690

01:
at least it'll be from you.
691

01:
No, John!
692

01:
Say farewell to your cowboy, lady.
693

01:
No way, Jos!
694

01:
You sure shut up the poet!
695

01:
Finally a fair duel!
696

01:
Give him a gun!
697

01:
' 'Give him a gun!''
698

01:
Want a gun?
699

01:
- Don't get wet.
- No more games, Billy.
700

01:
You stole my childhood, Luke.
701

01:
I'll steal your old age.
702

01:
With your Colt.
703

01:
Blanks...
704

01:
Wait!
705

01:
You said
you'd never shoot your gun again!
706

01:

It's not mine.

707

01:

Hold on, Lulu!

708

01:

It was just a joke!

709

01:

To impair you.

No, to scare you!

710

01:

- Who put in blanks?

- No one.

711

01:

- Who?

- No one!

712

01:

I've had my eyes on your gun
since Jesse took it from the grave!

713

01:

I had no choice.

It was that or be killed.

714

01:

Poker promised me

I could leave with you.

715

01:

John, please forgive me!

716

01:

We'll have a family... kids...

717

01:

The boat's waiting for us!

718

01:

John, don't go, please!

719

01:

Stop calling me John.

I'm Lucky Luke!

720

01:

Holy guacamole!

What's going on?

721

01:

- Sorry, Sam.

- Lucky Luke!

722

01:

Your gun!

723

01:

You alone?

724

01:

The bandits left at dawn.

725

01:

The others are at the station,

waiting for the President.

726

01:

The train...

727

01:

It's over 4 hours late now.

728

01:

The President...

729

01:

Right. The tracks were wiped clean.

730

01:

The arrows smell of sequoia sap
and whiskey.

731

01:

They want to frame the Indians.

732

01:

Poker to a tee!

733

01:

You were right.

734

01:

Saloon dancers
aren't worth a coyote fart!

735

01:

You're a real pal.

736

01:

The President pardoned me once.

737

01:

I owe him one.

738

01:

Wait for me!

739

01:

I want to come too!

740

01:

History is me!

741

01:

- What's that horse?

- It's a rental.

742

01:

I promised to return it
to its owner

743

01:

before I shot him!

744

01:

Where are we going?

745

01:

There's nothing this way.

746

01:

Except sure-fire death.

747

01:

Yep.

748

01:

'He who dies this year
is all square

749

01:

with next year!''

750

01:

Hot diggity dead dog!

751

01:

I'll be a monkey's uncle!

752

01:

It's a mirage.

753

01:

It was hidden behind a mirage.

754

01:

Aone-armed bandit!

755

01:

Looks more like a gigantic
slot machine...

756

01:

Aone-armed bandit, that is.

757

01:

How do we get in?

758

01:

Looks like your luck's back.

759

01:

Billy, Jesse, try the back.

I'll try the front.

760

01:

Exactly what I had planned.

761

01:

But I don't like
getting orders from you.

762

01:

Want a boost?

763

01:

Thanks, man.

764

01:

' 'To be...

765

01:

' 'or not to be.

766

01:

' 'That is the question.'

767

01:

I was good, huh? I acted well!

768

01:

You're an outlaw, not an actor.

Let's go.

769

01:

I'm not an actor?

770

01:

Say that again.

771

01:

You're an actor.

An amazing actor, Jesse.

772

01:

Best actor in the West.

773

01:

You're Sarah Bernhardt,
only hairier.

774

01:

You're a shitty actor!

775

01:

What do I do? Watch the ponies?

776

01:

I'll play solitaire.

777

01:

Two cards.

778

01:
Lucky Luke vs. Pat Poker.
779

01:
Doesn't it feel like dj vu
from another life?
780

01:
I'm all in.
781

01:
Careful, President.
782

01:
Your life's at stake.
783

01:
Set him free or...
784

01:
Or what?
785

01:
You'll kill me?
786

01:
You've forgotten.
787

01:
I'm already dead.
788

01:
That's magic!
789

01:

Poker... I think I've won.

790

01:

I call you.

791

01:

Straight flush, hearts.

792

01:

Good going!

793

01:

Full house.

794

01:

Aces high.

795

01:

Pathetic.

796

01:

Kill them!

797

01:

I'm counting on Luke
and his lucky star.

798

01:

It better be a shooting star.

799

01:

Hey, girls!

800

01:

Billy, trying to look taller?

801

01:

At least I don't walk on my coat!

802

01:

- Done reloading?

- Relax. I have 2 guns.

803

01:

Those morons

won't even see us come in.

804

01:

One, two...

805

01:

Five!

806

01:

You're right, Billy.

They all fell for it.

807

01:

The stage door's always in the back.

808

01:

You ugly mugs...

809

01:

no more slugs?

810

01:

Quad aces, Poker.

811

01:

In a dead end,
nothing like a friend.

812

01:

That's us!

813

01:

Kill the President!

814

01:

Jesse, the President!

815

01:

You okay?

816

01:

'My will is my body's gardener.'

817

01:

Othello. Act I, scene 3.

818

01:

Kill the President!

819

01:

Behind you, Caca!

820

01:

Stop calling me Caca!

821

01:

Thanks, Kyky!

822

01:

Kill the President!

823

01:

It's not my fault!

824

01:

I swear on the life of...

825

01:

On whose life?

826

01:

On Belle's life, how's that?

Honestly, it should do.

827

01:

On Belle's life...

828

01:

You wait here.

829

01:

Watch out, John!

830

01:

Why didn't you take that boat, John?

831

01:

Coop?

832

01:

You can't be behind this!

833

01:

You should have left!

834

01:

How could you? This is crazy!

835

01:

I'll be President!

836

01:

A great President!

837

01:

I knew no bullet could kill you!

838

01:

I had to destroy you from within!

839

01:

From within!

840

01:

I knew it! I knew it!

841

01:

I knew killing a man would kill you!

842

01:

I knew it!

843

01:

Give up, Cooper.

844

01:

- You've lost.

- Remember, John.

845

01:

Cheaters never lose... Never!

846

01:

The Cheaters' Gang.

847

01:

You were one of them.

848

01:

It's you.

849

01:

You killed my parents.

850

01:

It's you.

851

01:

Your father...

852

01:

was a brother to me.

853

01:

Until he met that...

854

01:

that filthy Indian squaw!

855

01:

Who became your mother.

856

01:

He wanted to turn us in.

857

01:

He left me no choice.

858

01:

Like you, today.

859

01:

Don't deceive yourself.

860

01:

I won't think twice.

861

01:

I didn't hesitate either...

862

01:

To kill your mother...

to kill your father.

863

01:

So do it, John.

864

01:

Kill me!

865

01:

Kill me if you're a man.

866

01:

I can draw,

867

01:

sing... collect medals...

868

01:

I can even speak a little Horse.

869

01:

But I can't kill.

870

01:

Farewell then!

871

01:

You had it all built backwards.

872

01:

Everything but the ''C''

on your hat.

873

01:

The hat...

874

01:

500 feet, John.

875

01:

Fantastic!

876

01:

Here, John.

877

01:

Try this now.

878

01:

With this...

879

01:

you'll be a man.

880

01:

Squeeze... tight!

881

01:

The badge looked good on you.

882

01:

But it made holes in my outfit, sir.

883

01:

The cripple meant me!

884

01:

The United States
needs men like you,

885

01:

courageous and honest.

886

01:

I don't like this.

What flavor is it?

887

01:

The flavor

of a change of profession.

888

01:

Gentlemen, I can offer you

150 dollars pay

889

01:

and no job security,

but the prestige of the badge.

890

01:

Like you, my face belongs on posters,

my name in books.

891

01:

Me too.

But my name in bigger letters.

892

01:

In that case, gentlemen...

893

01:

I suggest you be

as far away as possible

894

01:

when these cigars go out.

895

01:

'Mercy is not strained.

It drops from heaven

896

01:

'as a gentle rain.

It blesses him that gives

897

01:

'and him that takes.'

898

01:

The Merchant of Venice. Act IV.

899

01:

Scene 1 .

900

01:

Beginner's luck.

901

01:

Lolly, Pops?

902

01:

There they are! Goddamn scumbags!

903

01:

- Game of poker?

- Get in!

904

01:

10 blind, and flush beats straight!

905

01:

Shut up!

906

01:

Shut up, you oldfart!

907

01:

Shut up, you very oldfart!

908

01:

I knew it!

909

01:

Go to hell! Filthy lout!

910

01:

I swear I didn't know.

911

01:

Poker said you'd change.

I wantedto give you a family.

912

01:

-To give us a chance.

- Achange for what?

913

01:

When you put in the blanks,

we hadn't even met.

914

01:

I always loved you, Johnny Johnny.

915

01:
Eleanor! Eleanor's in love!
916

01:
Someday I'll marry you,
Johnny Johnny.
917

01:
I don't love you, Eleanor!
I love no one!
918

01:
Eleanor?
919

01:
But you were so...
920

01:
I was awful with you. I'm sorry.
921

01:
I'm leaving, John.
922

01:
Paris, London, Rome...
My dream awaits me.
923

01:
I wish you the best.
924

01:
An old family custom.
925

01:

They're kissing!

926

01:

I'll always love you.

927

01:

Save your death for me, Luke Lucky.

Jesse James, end of Act I.

928

01:

But it'll be me

who smokes your hide!

929

01:

Lollypop?

930

01:

Farewell, Lucky Luke.

Or rather...

931

01:

See you around!

932

01:

Real friends, huh?

933

01:

We're all wild brats

of the Wild West.

934

01:

Your steam horse

won't change a thing.

935

01:

My dear friends,

936

01:

dear friends of Daisy Town...

937

01:

What have you done with my gifts?

938

01:

On Judgment Day

one of us can hold his head high.

939

01:

Thanks to him... your town is free!

940

01:

The railroad

will span the United States.

941

01:

And I'm alive to see it happen!

942

01:

Thank you... Lucky.

943

01:

Don't mention it.

944

01:

So...

945

01:

So I solemnly do bestow upon him

946

01:

the Hero's Star.

947

01:

The twenty-first of our great flag.

948

01:

Where is he?

949

01:

He has that medal already.

I'll hang it over my bar.

950

01:

It's tea time!

951

01:

Drinks for everyone!

952

01:

Earl Grey, Indian Breakfast,
Ceylan and cookies!

953

01:

There's whisky too.

954

01:

Miss, do you need a pianist
in your tea room?

955

01:

Maybe I do.

Can you make cookies?

956

01:

I do wicked apple strudel.

957

01:

Change your clothes
and call me Jane.

958

01:

Can't you finish the song someday?

959

01:

Yep.

960

01:

Go ahead!

961

01:

Let's not start bickering now!

962

01:

I don't know how the song ends.

963

01:

I'll tell you how it goes.

964

01:

I got a gorgeous, handsome horsey!

965

01:

- Know that part?

- No, I don't.

966

01:

Yes, you do.

967

01:

Then I have
another possibility.

968

01:

The real hero
is the mustang...

969

01:

Whose hum-hum
goes bang-bang!

970

01:

I have an idea.
Just shut up.

971

01:

Excellent.

972

01:

Like the man says:
me hero, you horse.

973

01:

Enjoy the scenery.

974

01:

Look at that sunset.

975

01:

It's pretty pretty.

976

01:

By golly, Jolly!

977

01:

Jolly?

978

01:

- Try to act jolly, Jolly.

- Okay.

979

01:

Hey!

980

01:

My name's Lucky Luke.

I quit smoking in 1983.

981

01:

I'm much better now.

982

01:

983

01:
