This will be easy for me,

Kick back to results immediately.
You're nothing more than a vile

I will never tolerate,

Their political machinations shadow operate
as then in Dresden!
The Zustnde in this Europe

Honest, upright men like you I need to realize my plan.

I must have that you take over position of the superiors.

Starting today you are, Mr. Lutz, my new Cabinet Secretary.

You have already repeatedly demonstrated how faithful you can serve the King

You will first have to ensure that from now on only ...

Positive messages about Wagner are to be read in the newspapers.

This education reform is a much better investment in the future ...

You're sitting on horseback

No, Louis, in the

For us, the political

You have to Franz-Josef

He is Austria

if he einlsst to a war with
Preuen.

Wait, Elisabeth,
I open his eyes?

Come on, your husband always thinks just
like a soldier.

Even Bismarck will not hesitate to make
to take up arms.

He wants to expel Austria from

the German Confederation.
If he succeeds,
is your Bavaria also be affected.
I do not understand
that you these singers from Vienna ...
In such a gefhrlichen time are so important.

Later, as the wind will carry the seeds into the

If you want to make your people happy,

And you, my dear cousin,

If Richard Wagner

Still vegetate in
your prisons?
(Music is

Elizabeth.
Come on
Elizabeth, look, will you?
In the whole world!

No, thank you, thank you, thank you.
That will not at all.
Ye shall not touch

Touch her knnt you at home.
LHR developed as a common vision.
A utopia eternal
togetherness.
You are willing to die for this idea.
This has auch'n abyss that is not only beautiful.
The whole thing is
A big breath.
And it inspires you. Mutually.
When thinking.
You look only forward.
Everyone in his parallel world.
Meet up at

(Wagner sings)
Without fear ...
(Sings)

Cross hail, thunder!
Damn you guy! Let go of me!
Thank God you were only

I have ordered police

He certainly will not

He can not arrest
his own people.
Majesty, do not ignore the
Malicious strength of my opponents.
Your art will disarm
Their enemies.
No, no, that's not
just about me.
This is a conspiracy
to Majesty ...
To prevent them from creating new Progressive
peaceful world.
And when I think about it further,
then I come to the conclusion that
there is only

ever one way:

Fire All Their
Prime!
- And above all of the Pfordten!
- Mr. Wagner,
I can understand
Their panic.
But wait only once from the premiere.
You will see

Majesty, I do not sleep.
Since no more days.
I know not

Wagner has won
my Bavaria.

I was sure from

No other music says so much about love.

Is not it the most beautiful
what you have ever heard?

I know myself with opera not so good,
but the music was impressive.

- Yes!

- Impressive, but also sad.

But why
sad?

Since so much joy lies in the last words of Isolde,
when it unites
with Tristan.

"Highest pleasure,"
she sings.

It is free
now.

Free of everything.

And they can finally
experience love.

The pure
love.

Stay close to me,
so that you can lead me.

Yes, Master.

If we have now received at last?

Or at least a piece

You are the first

You'll be the pioneer of an electricity
in Bavaria.
The premiere was wonderful,
Ludwig. Thank you.
But you httest your enchanted Mnchnern

You are fled

How to find your
people, who are you?
You are far but, shouting and cheering as

As a mild summer night

How it would be if

Wrden celebrate this success together
on Rose Island?

Without me. I gotta back

Urgent. Franz-Josef has
telegraphed to me.
It smells of war. I am worried.
Large worries.
Depart ye, depart,

He will not dare to escalate the conflict with Austria

In short, if Majesty

An absolute
disaster.
Majesty know
his duties.
Your tongue is

Take care
take care not to violate it.
If Majestätichste week

You're at a crossroads

Your power you'll can only claim
if you sttzen minister,

But it's not yet

If you now hltst your
speech from the throne,
then you can post your ideas

And then you callest a new ministry,
which you can use to prevent the war.
I told you here a few names
written by Mnnern,
I think ideally suited fr,
to replace your current ministers.
It's just a

Rich

festival theater possible.

It's not about music, it's about war.
To downfall.

(Ludwig)

I will not accept
that Austria is excluded from Prussia
from the German Confederation.
There will be no civil war in
Germany.

Not with
me!

I have been in contact with the peace party in
Berlin.

I'll support.

If not, with money.

The peace party to Bismarck
under pressure.

He must give up his
impertinent war intentions.

You, gentlemen

...

Who want to tell me
for the construction of this theater ...

Is no money
available.

The state treasury was empty,
you have complained.

For these disgusting war you are willing to spend huge sums

I tell
you, no!

(Murmur)

Under any circumstances I will grant the mobilization of our army.
It's that

For your world!

Peace!

Majesty have worked again all night. Hm?

- Yes. There is so much to.

Outside, at the Odeon Square
students demonstrate for peace.

You want the same

"Peace not only for Bayern,
also for the whole world," they cry.

Majesty just has a
lot of friends.

Thank

You want to force me to mobilize the army

All the courtiers

Why my mind is made up:

Richard Wagner must
