Tiger
Where's Dragon Tiger Gate?
Xing, you snatched the Plaque
You better explain to the master yourself
Stop staring,
You can touch it
I got this scar when I was a kid
When I was at your age
I already knew kungfu well
Once I passed by someone wielding
his sword
And there went this scar
It's suck a big golden Plaque
I had to snatch it
Then this long-haired guy asked me for it
Of couse I wouldn't give it to he
So he beat us up

He punched me and I parried
Like what you taught us
And the rest is history
We're really not to blame!
Indeed, Master!
We're not to blame!
The Plaque you snatch is called
Luosha Plaque
It's the transation permit between
Luosha Gang and Kun
Luosha Gang is a crime organization
You snatched their stuff...
And claimed you're innocent?
Get out and squat for 3 hour!
Would someone gimme a hand?
I can't see!
Hold on!
Uncle
I saw my brother again
He's Kun's man now
So he's bed to Luosha Gang
But I don't believe he's a bad guy
Bring him back to the Gate
Master
I'm Turbo Shek from overseas
I was invincible in Chinatown
But I know
You're well versed in martial arts
I wanna aggregate the skills of all school
To manifest the spirits of Chinese Kungfu
I'd therefore like to be your disciple
I'll bve you disciple no matter what!
You still here?
Wait!

It's for Dad's safety
Let's do it together
Am I not good enough...
To protect you?
Come fight me!
No way! I don't wanno kill you!
Then I'll die sure
Better rely on yourself than on gods
I won't let anything happen to you...
Or your dad
If dad retired
You wouldn't need to protect us
We'd all be safe then
Where would you go if you could retire?
Take this one first
I'll go get another one
Mom, did Dragon's mom take
Dad away from us?
I hate them
You shouldn't hate any member of Gate
Dad and I separated not because of them
It's my own decision
Dragon...come out it's Tiger
Go away Don't come see me anymore
I don't wanna see anyone from
the Gate ever!
Get lost
Why you crying?
I'll beat you till you smile?
Stop! stop!
Stop him! Don't let him run away
Stop!
Still running,

Don't come back to this park again
Let's go!
Hurry up! Tiger
Okay, I'm coming!
Let me give you my slipper
Or your mom will yell at you
What about your mom?
It won't be a problem
Thanks
You don't wanna know why
I was in a fight?
Cos I know Dragon os a man of Justice
Unless they're in the wrong
You wouldn't have picked a fight
They were bullying Tiger
So I fought with them
Carry this jade pendant with you
You're a member of the Gate
wherever you go
You'll make it big in the future
Remember you're Wong Fuhu's son
Don't ever commit a crime
Your life
Will be fraught with frustrations
You will come back to the Gate
with your head up
Never give up however difficult
life will become
What you meant by make it big
You'll know when you grow up
Come
When will I make it big?
Dragon! your mom haven't come out yet!
Mom never came out
She was never seen again
It's lucky I meet Kun
Out of gratitude
I've done reluctant things for him

I know I can't leave here...
I'm ashamed to go back to the
Gate ever again
Dragon
I'm your baby brother!
I know,
so what?
Am I supposed to hug you with
tears in my eyes?
And you hug me and call me Bro?
Uncle and I want you back to the Gate
Don't work for this bad guy Kun anymore
So you're a good guy and I'm a bad guy
Go back to the Gate and play

They've been nothing but trouble lately.
You can always quit.
Not so simple!
What's so hard?
I've been in this biz forever
Xiaoling is my only worry.
I've taken you for my dad.
And xiaoling my sis
I won't let anything bad
happen to my folks

And you? Will you go back to the Gate?

Yes

But it's not the right time yet

I'll wait till you've retired

Wanna get rid of me?

Yes, the Plaque back to Luosha Gang

Nunchaku Stippers! Watch out!

You should be practicing

Playing with slippers?

No more slippers for a month.

Take them all off!

Take them all off!

You don't want to teach me

At least practice with me!

You are best at nunchaku?

Yes!

Please pick a weapon. Master!

You are clueless.

Worse than the kids.

You know nothing about nunchaku.

Come back when you know...

How to grasp a nunchaku.

I'm Turbo Shek.

Invincible in Chinatown.

You are clueless.

You know nothing nunchaku.

Come back when you know...

How to grasp a nunchaku.

I was always bullied

as I grew up abroad.

I didn't like that.

So I stashed a scar on my face.

I want to scare people off.

I learnt nunchaku

because it's fierce and powerful.

But today I was totally beaten.

I thought I had grasped it very hard

but he took it from me so easily!

After a long struggle.

I finally realized...

It's not a matter of strength...

but of the heart.

I can't scare people...

with a scar on my face.

I won't tell my scar story anymore.
But I will say...
Master Wong left a
slipper mark on my face.
I will keep it up.
Thanks!
Turbo!
You know how to do household chores?
I don't but I will learn!
Kun wants to return
the Plague and retire?
That's good news for you
I will arrange for
you to join Luosha Gang.
That way...we can be together.
Why you staring at me?
I want you to understand...
I can make Shabumi
let you take Kun's place.
You can be your own boss finally!
I shouldn't have rescued you that day.
Listen up.Dragon!
Whether you join Gang or not.
We ain't good guys.
We cannot change our fate.
Dragon,I...
Xiaoling.

Giving up the Plague is an insult to me!
Lousha

Everything is an illusion in
the mundane world.
Only your conviction is real.

Take this to save him.
He should die under my hands
Your intermal power might even increase
Don't move
