Luv Shuv Te Chicken Khurana

By Unknown

00:

Cigarette smoking
is injurious to health.

2

00:

Smoking causes cancer.

3

00:

Consumption of tobacco causes cancer,
heart and lung ailments, etc.

4

00:

The characters shown
in this film/programme..

5

00:

..do not endorse
or advocate the use of..

6

00:

..any tobacco product such as bidi,
cigarette, khaini, zarda, etc.

7

00:

Hi!

8

00:

Omi Khurana...

-Chang...

9

00:

Chang.

10

00:

Business or pleasure?

-Business...

11

00:

Business.

-Yeah!

12

00:

Nice girls... right?

13

00:

Yeah!

14

00:

You... you want to meet girls?

15

00:

No problem!

-Come on...

16

00:

Okay!

-Yeah come on!

17

00:

Come on buddy.

18

00:

That's enough, guys.

Have some drinks, on the house!

19

00:

Beat it, Jackson.

20

00:

Tell me...

21

00:

Trust me, Shanty...

22

00:

I'll pay back every penny...

-Not penny, its pounds!

23

00:

Pounds with the Queen's portrait.

Fifty grand!

24

00:

Give me a few days...

25

00:

A few days? Why?

26

00:

Struck another deal?

27

00:

Deal?

28

00:

I'll show you a bloody deal!

29

00:

Real estate... Stock market...

30

00:

you've blown up my money!

31

00:

How do you intend
to give it back?

32

00:

I could kill you and
sell your kidneys...

33

00:

Brother...

-Answer, Omi...

34

00:

I can't stop my finger
any longer...

35

00:

My home...

36

00:

I'll get my family
to send the money!

37

00:

You have a tree that sprouts
Pounds back in Punjab?

38

00:

Oh no, Shanty bro...

39

00:

my grandpa runs a renowned
eatery in Punjab...

40

00:

so it's Pounds all the way!

41

00:

Get them to transfer it tomorrow.

42

00:

It's quite a bit...

43

00:

wouldn't it be better to transfer
in smaller lots?

44

00:

Manty!

-Yes, brother?

45

00:

Meet my cousin Manty from
Jatanna new to UK.

46

00:

How's it going, man?

47

00:

All good, brother.

48

00:

Get him a return ticket to
Punjab and pack him off!

49

00:

Sure.

50

00:

He'll bring my Pounds.

51

00:

Oh no, Shanty bro I don't
need to go there!

52

00:

Unless you have my Pounds,
I won't let you come back.

53

00:

Don't do that...

54

00:

I've slogged hard for 10 years
to finally settle down...

55

00:

It's my dream, bro!

56

00:

It's a fair deal, Omi.

57

00:

I have your dream...

58

00:

you have my Pounds...

59

00:

Return my Pounds and
live your dream!

60

00:

Let's go, Manty.

61

00:

Get him on the plane.

62

00:

Let's go!

-Shanty bro...

63

00:

I said let's go!

64

00:

Shanty bro...

-Let's get his ticket to Punjab.

65

00:

Come on! We're getting late.

-Will you stop pulling me!

66

00:

Keep your voice down.

67

00:

Coming back from the UK?

68

00:

How can you tell?

69

00:

It's written all over your face!

70

00:

Every day it's a new guy
at the airport...

71

00:

One whiff and I can
name the country!

72

00:

I'm kidding!

73

00:

I saw the tag on your luggage.

74

00:

After how many years
are you back?

75

00:

About 10-12 years...

76

00:

Whoa!

77

00:

That's a very long time!

-Yes.

78

00:

Your parents live with
you in London?

79

00:

No,
they passed away 20 years ago.

80

00:

My grandpa lives in Lalton.

81

00:

Why don't you just
look at the road!

82

00:

Stop!

83

00:

The red house on the left.

84

00:

See you.

85

00:

Yes?

86

00:

Anyone home?

87

00:

No, sir. They're all out.

88

00:

How may I help you?

89

00:

Well, you could--

90

00:

Are you a relative?

91

00:

Yes...

92

00:

Make yourself comfortable.

93

00:

Let me take your things...

-No, it's alright.

94

00:

Grandpa around?

95

00:

No.

96

00:

It's been about 10 days his
condition got worse...

97

00:

Shit man!

98

00:

That's not what I meant.

99

00:

He was admitted to the hospital.

100

00:

Everyone's gone to bring him
back since he's fine now.

101

00:

Grandpa will outlive all of us!

102

00:

Have a seat, I'll get some water.

103

00:

Listen...

104

00:

What's your name?

105

00:

Dalidri.

106

00:

Dalidri!

107

00:

Sounds like a warrior's name.

108

00:

I'll get you some fresh lime.

109

00:

That would be great!

110

00:

Why don't you understand?

111

00:

All my friends are

going overseas...

112

00:

why can't I?

113

00:

Grandpa, all I'm asking for
is 600 thousand rupees!

114

00:

Give me one year.

115

00:

And if I don't quadruple
that in one year...

116

00:

I'm not worthy to
be your grandson.

117

00:

Our neighbour's son went to
Canada six months ago.

118

00:

He's got a job at
a petrol pump...

119

00:

110 dollars a month!

120

00:

It makes no difference if he
is in Canada or America!

121

00:

Listen, Omi...

122

00:

we are satisfied with
what we have.

123

00:

We don't want you to
go away from us.

124

00:

I think you should help grandpa
at the eatery...

125

00:

I don't want to eat dirt all day!

126

00:

Why don't you tell your
son the same thing?

127

00:

What are you trying to say?

128

00:

Are you not my son?

129

00:

Never mind...

130

00:

If he wants to go overseas,
let him.

131

00:

Destiny will take care
of the rest...

132

00:

You better not get into this.

133

00:

Don't pamper him so much
that he ruins his life.

134

00:

I'm afraid he'll fall into bad
company and throw away his life.

135

00:

So, it's decided!

136

00:

Omi,
you are not going away from us.

137

00:

To hell with your decision!

138

00:

You are not my dad!

139

00:

That's enough...

140

00:

that's enough!

141

00:

That's not how you talk
to your uncle.

142

00:

Dalidri...

143

00:

Who are you?

144

00:

He's a relative, Titu uncle.

145

00:

Relative?!

-Yeah!

146

00:

What do you mean relative!?!

147

00:

You let anyone walk in...

148

00:

...is this your pop's house?

-No...

149

00:

...not your pop's either!

150

00:

You will pay for this...

I'll peel your skin!

151

00:

Dalidri...

-Do you need help?

152

00:

No, go on we'll be there...

153

00:

Jeet, be careful...

154

00:

Yes, mom.

155

00:

Afew days away from home and it
doesn't look like home anymore.

156

00:

Grandpa... slowly...

157

00:

The chilli is where I left it...

158

00:

...the clothes are still on the
line wonder what he does!

159

00:

Slowly grandpa...

160

00:

Come dear.

161

00:

Afew more steps, grandpa...

-Take this inside...

162

00:

Yes..

-Here, grandpa...

163

00:

The medicines too...

-Here, grandpa...

164

00:

back home at last.

165

00:

You'll get well soon come.

166

00:

Careful, dear.

Take it, it's a small bundle.

167

00:

Slowly...

168

00:

Slowly... keep it here.

169

00:

Titu!

170

00:

You're never there when needed.

171

00:

Give Jeet a hand.

172

00:

Come here.

173

00:

At your service!

174

00:

Coming.

175

00:

Grandpa, you look handsome.

176

00:

A good home cooked meal and
grandpa will be fit in no time.

177

00:

He looks better now...

178

00:

Yes?

179

00:

Grandpa... sorry.

180

00:

I'll make you proud one day.

181

00:

Here, drink some water.

182

00:

You've got a visitor,
brother-in-law.

183

00:

I do have a name, you know?

184

00:

Brother... Omi!

185

00:

My brother!

186

00:

How have you been?

-You're back?!

187

00:

Omi is back...

188

00:

My brother is back!

189

00:

Where did you go?

190

00:

You had us worried.

191

00:

Give me a hug, my dear...

-I told you, Omi will come back!

192

00:

I can't believe it!

193

00:

You're all grown up.

194

00:

You ran away and look what happened to grandpa.

195

00:

He's lost his memory.

196

00:

Omi, perhaps he might recognise you... -Come...

197

00:

Grandpa...

198

00:

It's me, Omi.

199

00:

Omi. -How do you like your chicken? Grilled or fried?

200

00:

No more butter, please!

201

00:

I'm stuffed!

202

00:

Dear!

-Here you go brother.

203

00:

That's enough...

204

00:

Omi, pinch me.

205

00:

What?

206

00:

- Pinch me.

-Go on, do it...

207

00:

This isn't a dream.

208

00:

You haven't changed, aunt Lata!

209

00:

We may not be your parents but...

210

00:

we love you just the
same as Jeet!

211

00:

My two princes!

212

00:

Right?

213

00:

My dear sister,
I'm no evil uncle either...

214

00:

just pass some butter so that
your food becomes edible!

215

00:

What nonsense, Titu!

216

00:

You've grown like a bull and
you're asking for butter!

217

00:

I get no respect at all!

218

00:

Come on, uncle... have my butter!

219

00:

Why can't she just give me some?!

220

00:

Mom, just give him some!

221

00:

Here... stuff yourself!

222

00:

Is this fresh?

223

00:

He has to complain...

224

00:

that ticks me off!

225

00:

Right!

As if you're a gourmet chef!

226

00:

Here you go... tea...

227

00:

Dalidri... did you heat the milk?

228

00:

Yes, it's been a while.

229

00:

I forgot.

-Listen...

230

00:

Dalidri, right?

-Yes, brother.

231

00:

You've got a kickass name!

-Isn't it?

232

00:

Yeah man!

233

00:

Dalidri's like a son.

-Let me get cookies, brother.

234

00:

Hey you...

235

00:

Yes?

-You didn't offer me any tea...

236

00:

Well, you don't have tea.

237

00:

Have you forgotten your manners?

238

00:

Come on, uncle...

239

00:

Don't patronize me.

240

00:

What would this young lad
from England think?

241

00:

This is how servants
behave in India...?

242

00:

Auntyji, are you on the terrace?

243

00:

Come here...

-I'm searching for you downstairs.

244

00:

Mom has sent these

sweets for you.

245

00:

Greetings.

-Bless you, my dear.

246

00:

That no-good tailor you suggested

ruined all my clothes.

247

00:

Never mind your clothes.

248

00:

Keep the sweets.

249

00:

Take a look guess who is here...

250

00:

Don't recognise?

251

00:

What about you, Omi?

252

00:

That's strange!

253

00:

Look at her this is Harman.

254

00:

Harman and you would go to school
in the rickshaw... remember?

255

00:

She's a doctor now.

256

00:

Oh... right... Hi!

257

00:

Why do you look so coy?

258

00:

No... not at all.

259

00:

Hello...

260

00:

Omi,
we've got a surprise for you...

261

00:

Harman and Jeet are
getting married.

262

00:

That's brilliant, Jeet!

263

00:

You didn't tell me about it...

264

00:

Well... it skipped my mind...

265

00:

It's been a year...

266

00:

since you planned their wedding.

267

00:

And your darling has
been putting it off.

268

00:

What nonsense, Titu!

269

00:

Jeet was busy with work.

270

00:

I'll make sure they get
married next month.

271

00:

Let's see...

272

00:

but I really doubt it.

273

00:

His nonsense never ends.

274

00:

Auntyji, it's getting late...

275

00:

please get me grandpa's
medicine box.

276

00:

Why are you in a hurry?

-Just get it, please.

277

00:

Okay...

278

00:

Grandpa...

279

00:

how are you feeling?

280

00:

Are you feeling good
after returning home? -Jeet...

281

00:

If I were part of Harman's
family...

282

00:

I would've checked your family
jewels before the marriage.

283

00:

Why can't you look around
before you talk?

284

00:

Just talk whatever you want.

285

00:

Here it is.

286

00:

Didn't the naturopath give
grandpa's digestive mix?

287

00:

Of course he did.

288

00:

It should be there.

289

00:

Here it is. Hold this, please...

290

00:

Grandpa, open your mouth.

291

00:

He's recovered quite a bit.

-Yes, he has.

292

00:

Here are the medicines,

Let me show you.

293

00:
Give this before his bed time.
294

00:
I'll take your leave now.
295

00:
Alright, eat something..
-No!
296

00:
What's wrong with you?
Why are you running? -I've work..
297

00:
You can eat it.
-What's wrong with her today?
298

00:
That's enough!
299

00:
Omi has come back after 10 years.
300

00:
Are you telling me,
I can't even feed him?
301

00:
I can't believe it!
302

00:
You have a way of twisting
my words!
303

00:

He didn't do us a favour...
he stole from his family...
304

00:

Trust me, people never change...
305

00:

some day he will get
us into trouble.
306

00:

Please, that's enough!
307

00:

Don't poison my mind.
308

00:

He didn't even say 'hello'...
309

00:

but that makes no difference
to you.
310

00:

Not at all...
311

00:

and you welcomed him with
open arms, right?
312

00:

Tell me?!
313

00:

Keep an eye on the jewellery
and money...

314

00:

Not another word!

315

00:

All I said is keep an eye...

316

00:

Listen to me.

317

00:

I have your dream...

318

00:

you have my Pounds...

319

00:

Return my Pounds and
live your dream!

320

00:

Bloody crow!

321

00:

No, no...

322

00:

don't you swear, he-man!

323

00:

That's your grandma!

324

00:

Grandma?

325

00:

Very funny, unCie!

326

00:

Your grandpa says that
she is his wife.

327

00:

Don't shoo her away...

328

00:

That's what your grandpa says.

329

00:

He believes the crow is your
grandma's reincarnation.

330

00:

Oh please! Stop!

331

00:

Scoot!

332

00:

He-man!

-Yeah?

333

00:

How about a duel...

334

00:

They've all gone nuts!

335

00:

Hey!

-Bloody crazy!

336

00:

Dalidri... come here!

337

00:

Yes?

338

00:

My underwear is wet...

and I want it dried soon...

339

00:

I'll see what I can do.

340

00:

Thanks.

341

00:

This is all you have?

342

00:

I forgot to pack more.

343

00:

My Omi won't wear the
same underwear.

344

00:

What size do you wear?

345

00:

I'll manage... don't bother...

346

00:

How can I not bother!

347

00:

There's plenty of underwear...

348

00:

Jeet!

-Why are you calling Jeet?

349

00:

The label is worn out...

350

00:

What's wrong?

351

00:

What's your underwear size?

I don't remember.

352

00:

Well,

it changes with the season...

353

00:

What's going on?

354

00:

Looks like parliament
is in session.

355

00:

He forgot to get underwear.

356

00:

Wear mine... problem solved!

357

00:

What nonsense, Titu!

358

00:

As if you've ever worn any...

359

00:

...or ever will!

-What's the matter?

360

00:

At least I have a big heart!

361

00:

How about uncle's underwear?

362

00:

Shut up!

-You shut up, Titu!

363

00:

You could cover a truck
with his underwear!

364

00:

But he doesn't wear
these 'V' shaped...

365

00:

He can go commando today.

366

00:

Have you lost your mind?

367

00:

I'll give him mine.

368

00:

Omi just wear mine.

369

00:

Jeet, hurry up!

370

00:

Jeet, come back.

371

00:

Look at that... it's dry.

372

00:

I know it's dry...

373

00:

but I'll get new ones
for you today.

374

00:

Wait, why are you in a hurry?

375

00:

Titu! Help him buy underwear.

376

00:

Come on.

377

00:

Hey hotties!

-Get lost, you sleazebag!

378

00:

They'll thrash us!

379

00:

Relax, we go back a long way!

380

00:

Lovely,

where are the latest designs?

381

00:

Dad, they are all around you.

382

00:

Take a look.

383

00:

Position them right,

position is everything.

384

00:

Uncle, is there no other store?

385

00:

Why? You get the best here.

Let's go.

386

00:

Titu... welcome...

387

00:

Show him some fancy undies.

388

00:

Go on...

389

00:

Omi Khurana!

390

00:

How're you doing, Lovely?

391

00:

Very well... it's been ages, man!

392

00:

Haven't seen you since school...

Where have you been?

393

00:

In London, these days.

394

00:

London!

395

00:

I'd like to see those...

396

00:

Hunk.

-Titu, something for you perhaps?

397

00:

When did you arrive?

398

00:

Dad, mom has sent tea.

399

00:

Give it, dear.

400

00:

Be careful, the flask is hot.

401

00:

Harman, you didn't tell
us that Omi is back.

402

00:

I guess I forgot...

-How can you forget?

403

00:

Everything we have is because
of your grandpa.

404

00:

Give me a 420.

405

00:

We are grateful to him.

406

00:

It's our good fortune that she
is marrying your brother.

407

00:

Dad, I've to rush to the
hospital. See you.

408

00:

As if the patients will
die without her!

409

00:

Shut up!
-Watch out, Lovely!

410

00:

Have some tea.

411

00:

Sorry! All I have is pounds...

412

00:

No big deal,
we'll figure it later.

413

00:

I don't advise people to
go to the temple...

414

00:

In fact, I myself don't go...

415

00:

because,
my temple exists in my mind.
416

00:

With a temple in your mind, you'll
hear the bells ringing in your heart.
417

00:

Turn down the volume.
418

00:

Let it be.
419

00:

Omi!
420

00:

She is your uncle's aunt!
421

00:

Your grandpa's cousin.
422

00:

She ran away in her youth,
now look at her...
423

00:

Wow!
424

00:

See the plight of the saints!
425

00:

Auntyji, grandpa's blood
pressure is normal.

426

00:

Thank god! Omi...

427

00:

Yes, aunty. -I think it's time to
change your bandage.

428

00:

It's fine... I'll manage.

429

00:

Relax... the doctor is
practically family...

430

00:

Harman,
please change his bandage.

431

00:

If you insist.

432

00:

How do you do?

433

00:

What's wrong?

Lost your tongue since I left?

434

00:

Auntyji, he's been cured.

435

00:

Omi, I missed you a lot.

436

00:

Bro...

437

00:

Sorry, Jeet.

438

00:

I broke your eye.

439

00:

I was aiming at that
scoundrel Haddi...

440

00:

and you got in the way.

441

00:

Forget it, Omi.

442

00:

It's an old issue now.

443

00:

Easy for you to say.

444

00:

I know you always cared for me.

445

00:

I know it.

446

00:

Let me take a look...

447

00:

Can you...

448

00:

get tears in this eye?

449

00:

Never mind me...

let's talk about England...

450

00:

Everything good for you?

451

00:

Of course it's good.

452

00:

So, what do you do?

453

00:

Well... you see...

454

00:

I'm a lawyer.

455

00:

Lawyer?!

456

00:

What the--

457

00:

Lawyer?!

458

00:

WeII...

do you have a house there?

459

00:

House?!

I've had a mansion for ages.

460

00:

And... how far is it...

from the Queen's house?

461

00:

Queen?

462

00:

Queen of Elizabeth...

Monarch of London...

463

00:

You mean, Buckingham?

-From Buckingham!

464

00:

Say this is the queen's house...

465

00:

I got the queen.

466

00:
and here is a big park.
467

00:
Of course, the big park!
468

00:
Two blocks after the park...
469

00:
One... two...
470

00:
Yes, this..
471

00:
Not that lane, man.
472

00:
That lane is where...
473

00:
the steel magnate, Mittal Iives.
474

00:
We'll get to him later.
475

00:
Hold on.
476

00:
You see the mansion
in the corner?
477

00:

This?

478

00:

With a Ferrari parked
in the front...

479

00:

The red Ferrari?

480

00:

That's my mansion!

481

00:

That's as close as our house
is from the animal clinic!

482

00:

Bingo!

483

00:

That's wonderful, Omi!

484

00:

You've become a lawyer...

485

00:

you have a mansion...

486

00:

and have a Ferrari
which is red...

487

00:
you must be a millionaire!
488

00:
Well, I don't keep track anymore!
489

00:
I pretty much control
the stock exchange.
490

00:
If you ever want to invest,
just let me know...
491

00:
and soon you too will have
a mansion in London.
492

00:
Times are tough these days...
493

00:
but let me have a
word with dad...
494

00:
No, don't do that...
495

00:
why do you always have to
get uncle involved?!
496

00:
You're just a--
497

00:

So, what's going on in your life?

498

00:

You're getting married...

499

00:

I'll get drunk and do the
bhangra at your wedding!

500

00:

Omi...

501

00:

Tell me something...

502

00:

If someone...

503

00:

Falls into the river...

504

00:

What are you doing?

505

00:

What if someone falls...
-Time to head home, Jeet.

506

00:

What if someone falls
into the river?

507

00:
Stop doing that!
508

00:
Will they remain in India
or flow away to Pakistan?
509

00:
Jeet.
510

00:
Hey! What are you doing?!
511

00:
A damp wind is blowing...
512

00:
Silence, Jeet.
513

00:
Or you'll wake everyone up.
514

00:
Go to sleep... please!
515

00:
It's a fair deal, Omi.
516

00:
I have your dream...
517

00:
you have my Pounds...
518

00:

Return my Pounds and
live your dream!
519

00:

Grandpa...
520

00:

I don't like to complain but...
521

00:

Omi has left me with no choice.
522

00:

What did you do?
523

00:

Nothing at all, grandpa.
524

00:

She's just making up things.
525

00:

I don't believe this...
526

00:

he's accusing me!
527

00:

In the presence of the whole
class, he asked my daughter...
528

00:

'Will you kiss me?'

-Don't lie!

529

00:

Silence!

530

00:

She is right.

531

00:

Why did you ask when other
students were around?

532

00:

You should've asked when
you and her were alone.

533

00:

Grandpa,
that's not what I'm saying.

534

00:

Why did he have to ask?

535

00:

Of course! I agree...

536

00:

Why did you ask...

537

00:

you should've just kissed her.

538

00:

Grandpa,
that's not what I'm saying.

539

00:

I mean,
it's wrong to ask for a kiss.

540

00:

Omi, you better remember that!

541

00:

Never ask for one...
just go for it.

542

00:

Am I right?

543

00:

Never mind... it doesn't matter.

544

00:

Let's go home...
and stop grinning!

545

00:

C'mon..
-What happened?

546

00:

You rascal!

547

00:

Very smart, are you?

548

00:

Grandpa, it hurts...

549

00:

Please, grandpa...

let it go... please!

550

00:

There... how's that?

551

00:

Stop farting, grandpa...

it's embarrassing!

552

00:

When you fart among your dear
ones, you spread Iove!

553

00:

My ear hurts!

554

00:

I hope that Iady won't
complain again.

555

00:

Perhaps not...

556

00:

but some other lady might!

557

00:

You scoundrel!

558

00:

Let me get home,
I'll give you a hiding...
559

00:

Oh god... my legs!
560

00:

How I've yearned for you,
561

00:

Our love was so true,
562

00:

We'll be together until
the end of time,
563

00:

My soul cries out for you,
as for you I pine.
564

00:

Move your hands fast...
565

00:

we've come for breakfast,
don't make us wait until dinner!
566

00:

What nonsense, Titu!
567

00:

Mom... did I tell you?
568

00:

Omi is now a renowned
lawyer in London.

569

00:

He has a mansion and
a red Ferrari.

570

00:

I knew Omi would make it big...

571

00:

I always believed in
his brilliance.

572

00:

It's all because of
your faith in me.

573

00:

Did you hear that grandpa...
Omi is a lawyer.

574

00:

Chicken tandoori or with butter?

575

00:

Shift...

576

00:

Do you always have to barge in?

577

00:

Listen...

578

00:

do you handle rape cases?

579

00:

Of course!

580

00:

Omi, what about marriage?

581

00:

Not right now...

582

00:

I'm working on some important cases and there's a lot to do...

583

00:

Are you seeing someone?

584

00:

Let's focus on Jeet for now!

585

00:

Mom, I'm off to work.

586

00:

I'll be late tonight,
I'm going to the shrine.

587

00:

Okay.

588

00:

No god can help him...

589

00:

He is useless... get it?

590

00:

Poor girl... so unfair...

591

00:

What are you trying to say?

592

00:

There's something wrong
with his piston!

593

00:

You understand piston?

594

00:

I understand that and a lot more!

595

00:

Uncle,
what are you trying to say?

596

00:

See how delicious she is...

597

00:

how can a real man resist her?

598

00:

You look like a hunter.

599

00:

I'm sure you've hunted some
white tigresses in London!

600

00:

This scoundrel is still
in business?

601

00:

Of course!

602

00:

He would send his son to spy
on grandpa, remember?

603

00:

That scoundrel Haddi!

604

00:

The local crowd doesn't
go there...

605

00:

but he controls the
highway business.

606

00:

All the truckers eat here.

607

00:

Oh come on...

608

00:

he is nothing compared

to our eatery.

609

00:

What's wrong?

610

00:

No one told you?

611

00:

Told me what?

612

00:

Cut the suspense!

613

00:

Our eatery is no more.

614

00:

What?

615

00:

You know grandpa alone knew how
to prepare Chicken Khurana...

616

00:

You mean, grandpa didn't share
the recipe with anyone?!

617

00:

No...

618

00:

Grandpa's health wasn't
the same...

619

00:

Dad tried to manage
the place but...

620

00:

it wasn't the same without
Chicken Khurana.

621

00:

We were forced to shut down...

622

00:

Grandpa would often say...

623

00:

'Omi will manage Chicken
Khurana'.

624

00:

But you became a lawyer instead.

625

00:

See how it's falling apart...

626

00:

So, what do you think?

627

00:

It's mind blowing!

628

00:

I'm proud of you, Jeet.

629

00:

All thanks to grandpa.

630

00:

This is nothing...

you've really made it.

631

00:

And aII on your own.

632

00:

Omi...

633

00:

to be honest,

I always looked up to you.

634

00:

You were cool, confident, hip...

635

00:

Leave it!

636

00:

Khushi...

637

00:

Khushi... come here...

638

00:

come here...

-Very cute.

639

00:

Good morning, Jeet.

-Good morning.

640

00:

This is my brother, Omi.

641

00:

Hello... Omi, from London.

642

00:

Shama... Shama Singh Chatterjee,
pleased to meet you.

643

00:

Khushi, stand properly.

-Sweet kid...

644

00:

Dad!

-Khushi!

645

00:

That's uncle Omi... not dad.

646

00:

I am sorry.

-It's alright.

647

00:

I'll see you...

648

00:

Do I look like her father?

649

00:

Shama's husband was
in the army...

650

00:

he passed away a few years ago.

651

00:

Oh! That's tragic.

652

00:

The goddess who rides the lions
fearlessly, I bow in front of thee!

653

00:

Please stay quite, goddess!

654

00:

That was great... superb!

655

00:

Brother...

656

00:

Everything okay?

657

00:

Of course... everything's good.

658

00:

You look worried?

659

00:

Me?

660

00:

Last night you were acting
funny after getting drunk.

661

00:

Trust me, I'm fine.

662

00:

'You're fine.'

663

00:

I don't think so.

664

00:

If something's bothering you...

665

00:

Bloody hell... my finger!

666

00:

Harman...

-Yes?

667

00:

Will his finger be alright?

-Yes.

668

00:

It's nothing... just a scratch.

669

00:

Thank the goddess!

670

00:

Hello...

671

00:

yes, sir, hello...

672

00:

Hold on... please...

673

00:

Omi, I'll be right back.

674

00:

Yes.

- Hello!

675

00:

probably the network...

676

00:

Let it go now. Sorry.

677

00:

Burn in hell!

678

00:

Omi...

-Yes?

679

00:

Let me drop you home.

680

00:
Something important has come up.
681

00:
Relax, I'll take a rickshaw.
682

00:
A rickshaw will take hours.
683

00:
Harman...
-Yes?
684

00:
Aren't you going home
to see grandpa? -Yes.
685

00:
Perfect...
you can take Omi along.
686

00:
Jeet, I'll come to your showroom.
687

00:
Hello...
-Jeet...
688

00:
Yes, sir, I'm on the way...
I'll be there soon.
689

00:
Shall we?
690

00:

I really miss the fields
in London...

691

00:

So, a doctor now, eh?

692

00:

You've lost weight too.

693

00:

Say something, my lady.

694

00:

Get off!

695

00:

I was just trying to break
the tension, Harman.

696

00:

Enough with the Queen's English!

697

00:

You think you're great?

698

00:

Who the hell do you
think you are...

699

00:

you think your sad jokes
will set things right?

700

00:

But, nothing will ever
be the same again!

701

00:

I said I am sorry...

702

00:

Sorry?

703

00:

That's all you've got?

704

00:

Sorry is all you had
ten years ago, too.

705

00:

Here's your bloody letter...

706

00:

Sorry, honey...

I'm gonna make money...'

707

00:

This is what you wrote!

708

00:

Relax...

there's no need to over-react.

709

00:

I'm not over-reacting... got it?

710

00:

Hold on...

711

00:

I didn't ask you out...

712

00:

you came with a box of 'Fruit
and Nuts' for me. -So?

713

00:

I mean, I didn't want
to break your heart.

714

00:

We were good friends but then
you got aII emotionaI...

715

00:

Listen... I didn't get emotionaI.

716

00:

You would hang outside
my place...

717

00:

like a loser.

718

00:

'Harman, you complete me.'

719

00:

You said that.

720

00:

Probably one of your
other admirers.

721

00:

You're right, I was a fool.

722

00:

But didn't you ever feel
like calling me?

723

00:

At least tell me you are alive?

724

00:

Omi...

725

00:

I deserved that, at least.

726

00:

It makes no difference to you.

727

00:

Let's talk on the way.

728

00:

Get off my scooter!

729

00:

Okay.

730

00:

Shameless!

731

00:

Harman...

732

00:

Harman, how do I get home now?

733

00:

Hi folks,

on this enchanting evening...

734

00:

I bring you this age old classic,
from a time gone by...

735

00:

gladden your hearts...

736

00:

"They elude..."

737

00:

"Moving past breezily..."

738

00:

"Eagerness keeps rising..."

739

00:

"..hear it, or know it for yourself."

740

00:

"Eagerness keeps rising..."

741

00:

"..hear it, or know it for yourself."

742

00:

"The heartbeat.."

743

00:

"..pace swiftly."

744

00:

"Eagerness keeps rising.."

745

00:

"..hear it, or know it for yourself."

746

00:

Old fellow,

you think this is edible?

747

00:

daughter-in-law calls food.

748

00:

Isn't there something

you remember...

749

00:

Think my lovely..

750

00:

chicken, tomatoes, onions and...?

751

00:

Tell me you wizard, what was your
secret ingredient in Chicken Khurana?

752

00:

Aren't you fed up of eating this?

753

00:

Of course, you are helpless...

754

00:

but have you no pity on me?

755

00:

Don't you wish you could
tell me the secret?

756

00:

You know how I loved
Chicken Khurana...

757

00:

but you are happy
to see me suffer.

758

00:

Enough nonsense, Titu!

759

00:

Be grateful that I cook.

760

00:

Dad had a piles attack
last year...

761

00:

Oh the bleeding!

762

00:

The doctor couldn't
figure it out.

763

00:

I gave an offering at the shrine
and the bleeding stopped.

764

00:

Jeet... I'm eating here.

765

00:

Of course, carry on.

766

00:

Hello?

767

00:

You have a call, Omi brother.

768

00:

For me?

-Yes.

769

00:

Hello?

-Enjoying the vacation?

770

00:

Hello?

771

00:

Cat got your tongue?

772

00:

Hello...

773

00:

I can't hear you...

774

00:

And now your ears have given up!

775

00:

Hello... -He is just fooling
around with us!

776

00:

Hello?

777

00:

Omi, now you are screwed!

778

00:

Have you forgotten the beating?

Don't test my patience...

779

00:

You'll wish you were dead!

780

00:

He hung up on you!

781

00:

Now he's gone too far...

trust me.

782

00:

Who was it?

783

00:

A wrong number...

784

00:

This happens quite often, dad...

785

00:

I am done!

786

00:

You hardly ate!

-I'm stuffed.

787

00:

What?

-Acidity, I guess.

788

00:

Omi...

789

00:

Uncle, I'm busy right now.

790

00:

You've got nothing to fear!

791

00:

I act like a lunatic so
that I can stay here.

792

00:

I mean, look at me...

793

00:

Do I look like a lunatic?

794

00:

We're two peas in a pod.

795

00:

I hate to work.

796

00:

And I thought this is the
smartest way to an easy life!

797

00:

Can I sleep now?

798

00:

Sorry...

799

00:

I thought finally,
I have a confidant...

800

00:

a buddy,
I could share my feelings with

801

00:

Oh well...

802

00:
good night.
-Uncle... please!
803

00:
You're up?
804

00:
You know...
805

00:
I had a friend once.
806

00:
We'd go to the mental asylum and
act crazy for shock treatment.
807

00:
He was crazy about white women...
808

00:
Colour didn't matter to me.
809

00:
One day,
we decided to travel the world...
810

00:
...and meet as many as we could.
811

00:
But he betrayed me.
812

00:

You know... the number of
mental attacks I faked...

813

00:

hoping to meet him at
some mental asylum.

814

00:

But I never saw him again.

815

00:

My dream broke into

816

00:

a million pieces...

817

00:

it was all over.

818

00:

Come on, uncle!

819

00:

I'm your friend, cheer up.

820

00:

You mean it?

-Of course, uncle!

821

00:

So, tell me what's so special
about white women?

822

00:

Uncle, the fact is...

823

00:

you can travel the world...

824

00:

but Indian women are
something else!

825

00:

Good night, uncle...

826

00:

sweet dreams.

827

00:

I think I'll sleep here tonight.

828

00:

What the--

829

00:

Let's get to know each
other better...

830

00:

get under the quilt or
you'll feel cold.

831

00:

Give me..

-Here come, take..

832

00:

This is from your aunt..

take this too..

833

00:

Take it.

-Very good, take..

834

00:

Hold it.

-Get going.

835

00:

Come, let's go in.

-Yes, come.

836

00:

The stuff from Ambala

is the best.

837

00:

Don't you worry about

the invitations.

838

00:

I'll get them designed...

839

00:

It's my sister's wedding...

it has to be grand!

840

00:

Omi... Omi dear...

-Yes.

841

00:

Come here, dear.

842

00:

This is Omi.

843

00:

Of course we met...

844

00:

He came to buy underwear.

845

00:

We're planning their wedding.

846

00:

Next year, they'll be husband
and wife! -Of course!

847

00:

It's true...

848

00:

I didn't think about it.

849

00:

And perhaps cute grandchildren
too...

850

00:

now that would be perfect!

851

00:

Don't you agree, Lata?

852

00:

lfwe get them married in
the next two months...

853

00:

they get 10 months to...
you know...

854

00:

Mom, that's embarrassing!

855

00:

Jeet, don't be embarrassed!

856

00:

That's quite natural
after marriage.

857

00:

I'm looking forward to the day when
cute little children will call out,

858

00:

uncle...uncle...'

859

00:

You should come to London
for the honeymoon!

860

00:

It's a romantic city.

861

00:

I'm sure Harman will
also like it.

862

00:

It's a deal then.

863

00:

You will fund our honeymoon!

864

00:

Of course!

865

00:

Did you hear what Harman said?

866

00:

Well, give me a chance...

867

00:

and I'll make it a
trip to remember!

868

00:

I need to make a call...

869

00:

It's urgent.

-Okay.

870

00:

Have a drink with us.
I'll fix one for you.

871

00:

Omi, how about a drink?

-Come on...

872

00:

Take care of uncle.

873

00:

You're smiling a lot.

874

00:

Omi...

875

00:

You okay?

-Couldn't be better!

876

00:

What would you like?

877

00:

Whiskey.

878

00:

tell me...

879

00:

are you interested

in real estate?

880

00:

As in?

881

00:

As in... if you want to invest

in Indian real estate...

882

00:

I'm your guy.

883

00:

Lovely Realistic Estate!

884

00:

Thanks mate.

885

00:

Any mistake?

886

00:

Of course not! It's perfect.

887

00:

Going to London was a smart move.

888

00:

Look at me, selling underwear.

889

00:

Once my real estate business
takes off...

890

00:

I'll be set for life!

891

00:

Have you thought about
the eatery?

892

00:

What do you mean?

893

00:

I mean, I had a good deal but...

894

00:

your family refused.

-Refused?

895

00:

Lovely, dad is looking for you.

896

00:

I said... Dad is...

-Fine!

897

00:

And drink less.

898

00:

We'll catch up later.

-Sure thing.

899

00:

Dog!

900

00:

Witch!

901

00:

Khushi... Look who is here?

902

00:
Doctor aunty!
-Hello!
903

00:
How are you?
904

00:
Good... how about you?
905

00:
I'm good too.
906

00:
Hello...
907

00:
it's been so long...
908

00:
Look at me...
909

00:
I'm seeing you after
a long time...
910

00:
"Games that little girls play,
Juliet is annoyed.."
911

00:
"..Romeo cheats on her, not bothered."
912

00:

"Games that little girls play,
he traps them.."

913

00:

"The girls are sad,
but he cares little."

914

00:

"The car's in top gear,
the girl's young.."

915

00:

"24/7, just hook up with girls."

916

00:

"He flirts with them.."

917

00:

"Winks at them.."

918

00:

"Two-times them, the son of a gun."

919

00:

"Romeo's a skirt-chaser,
with eyes like Iaser."

920

00:

"Crazy about girls, he's desperate."

921

00:

"The girl's in his lap,
Romeo's ecstatic.."

922

00:

"Sharp as a razor,
he's a unique character."

923

00:

"GirIs of all names and nature.."

924

00:

"The sight of a girl rings a bell!"

925

00:

"Games that little girls play,
Juliet is annoyed.."

926

00:

"..Romeo cheats on her, not bothered."

927

00:

"Love, love and more love.."

928

00:

"Cash today, credit tomorrow."

929

00:

"All the mates are temporary."

930

00:

"It's business."

931

00:

"Women, girls, ladies.."

932

00:

"Sharp as swords.."

933

00:

"Kiss those lips.."

934

00:

"Look before you leap."

935

00:

"Romeo's hot, no doubt.."

936

00:

"..he's lost in women
all day and night."

937

00:

"A girl there, a girl here.."

938

00:

"..swords, daggers and knives!"

939

00:

"The govt. bows to women."

940

00:

"Blonde, Latino chicks."

941

00:

"Hi, girl..
hello, girl.. have fun, girl.."

942

00:

"Salty, spicy and sweet."

943

00:

"Games that little girls play,
Juliet is annoyed.."

944

00:

"..Romeo cheats on her, not bothered."

945

00:

"Games that little girls play,
he traps them.."

946

00:

"The girls are sad,
but he cares little."

947

01:

"Games that little girls play.."

948

01:

Manty bro... take it easy...
-Let's go for a walk.

949

01:

We sent you here to party?

950

01:

Look's like you've forgotten us.

951

01:

That's not true...

952

01:

Then what is it?

953

01:

You were hoping Shanty would
forget everything?

954

01:

You think we're a bunch of fools!

955

01:

You blew away Shanty's pounds!

956

01:

I'm working out a deal here...

957

01:

so I can come back to London.

958

01:

Has anyone ever escaped Shanty
and Manty's wrath?

959

01:

Don't I know?

960

01:

Shanty brother told me
to blow your head off!

961

01:

What are you waiting for?

962

01:

Kill me!

963

01:

But will that bring
back the pounds?

964

01:

You're a smart...
intelligent dude...

965

01:

think about it.

966

01:

Fine!

967

01:

You aren't such a bad guy either.

968

01:

Anyway, I'm going to my
village for a few days.

969

01:

I miss my mom.

970

01:

How sweet!

971

01:

I'll talk to Shanty.

-Thanks mate!

972

01:

You better get the pounds!

-I'm on it!

973

01:

You see, the next time...

974

01:

I'll let my gun do the talking!

975

01:

Wicked bro!

976

01:

Manty, I'm in awe of you!

977

01:

Get back to your party!

978

01:

"My handsome boy, who thinks of you!"

979

01:

"You're fit to be a groom!"

980

01:

Bloodyjoker!

981

01:

Omi...

982

01:

listen...

983

01:

Yes, aunt Lata?

984

01:
Help him sit.
985

01:
Can you do me a favour?
986

01:
Of course!
987

01:
I've to go see the priest.
988

01:
Can you give grandpa his
medicines in some time?
989

01:
Sure but...
I hope I don't get it wrong.
990

01:
What do I give and when...
-It's simple.
991

01:
This is the prescription.
992

01:
Everything is mentioned on it.
993

01:
This is the medicine box.
994

01:

I should get going...

995

01:

Dalidri, come on!

-Let's go.

996

01:

Hurry up or the market will shut.

997

01:

Take care.

-Sure.

998

01:

Oh grandpa...

999

01:

Take it easy, grandpa.

1000

01:

Uncle...

1001

01:

Uncle... Wake up! Please!

1002

01:

Just kill me!

1003

01:

Why can't you guys let
a man rest in peace?

1004

01:

Grandpa has vanished.

-What?

1005

01:

Grandpa is missing.

1006

01:

Finally, a relief!

1007

01:

What's wrong with you!

1008

01:

Stop messing around.

I'm shit scared.

1009

01:

I got him to sit on
the commode...

1010

01:

and all I found are his pants!

1011

01:

Relax, Omi...

-What the--

1012

01:

I know where he is.

1013

01:

You do? Tell me!

1014

01:

Get the scooter out.

-Come on, hurry up!

1015

01:

Enough with the sermon!

1016

01:

Why are we at the eatery?

1017

01:

Relax! I know where grandpa is.

1018

01:

Oh grandpa...

1019

01:

Let's go!

1020

01:

I told you.

1021

01:

Help him stand up.

1022

01:

The ride back home will be a
pain. -in a minute... hold on.

1023

01:

If you say so!

Enjoy the silent movie.

1024

01:

Oh grandpa,
you are the eternal romantic!

1025

01:

Don't burn your hand...

1026

01:

come sit with me instead.

1027

01:

I'd set the whole world
on fire for you!

1028

01:

Relax,
the chicken is almost done.

1029

01:

You aren't keeping well yourself.

1030

01:

You can't digest anything,
you've lost your appetite...

1031

01:

Got the digestive mix?

1032

01:

Stop worrying about me,
I'll be fine.

1033

01:

Here's the digestive mix.

1034

01:

Don't lose your heart

when I'm gone.

1035

01:

I've already lost
my heart to you.

1036

01:

My darling.

1037

01:

Stop flirting with me...

1038

01:

I'll come back as a
crow to haunt you.

1039

01:

That smells great.

1040

01:

Really?

1041

01:

What is it?

1042

01:

Try it.

1043

01:

How is it?

1044

01:

I've never cooked before.

1045

01:

This is the most delicious thing
I have had my whole life.
1046

01:

Really?
-Yes!
1047

01:

Is it that good?
1048

01:

You are such a good cook...
1049

01:

I suggest you start
your own eatery.
1050

01:

As you wish.
1051

01:

You bake the bread...
1052

01:

and I'll cook the chicken.
1053

01:

I'll feed you every day.
1054

01:

Promise me?
1055

01:
I promise.
1056

01:
Listen...
1057

01:
What will you call the eatery?
1058

01:
You tell me.
1059

01:
Chicken Khurana!
1060

01:
What do you say?
1061

01:
Perfect!
1062

01:
How's the pain now?
1063

01:
I can't feel it anymore...
1064

01:
"When you leave for your
mother's home, behind you, O dear.."
1065

01:
"..I'll follow on my bike."
1066

01:

"You're under my oath, don't go."

1067

01:

"Don't leave my abode."

1068

01:

"For you, dear,

I present love and Chicken Khurana."

1069

01:

"Love.."

1070

01:

You rascaI!

1071

01:

Why did you run away?

How I've missed you!

1072

01:

You IittIe devil...

1073

01:

you sedated me and ran

away with my money.

1074

01:

Rascal!

1075

01:

Aren't you ashamed of yourself?

1076

01:

Grandpa... please!

-Didn't you miss me?

1077

01:

Of course I did, grandpa...

-Didn't you?

1078

01:

You need to rest, grandpa.

Ouch! That really hurts!

1079

01:

Don't you dare go away from me...

1080

01:

I won't grandpa, I won't...

1081

01:

Stop it, grandpa... please...

1082

01:

Muskaan... sweetheart...

1083

01:

guess who has come back...

1084

01:

our Omi is back!

1085

01:

Omi is back!

1086

01:

Promise you won't leave me again..

-I promise, I won't.

1087

01:

Muskaan, Omi is back...

1088

01:

He is back!

1089

01:

Don't ever leave me...

-Grandpa, you should rest.

1090

01:

Grandpa...

1091

01:

Don't ever leave me again!

1092

01:

Grandpa, what is it...?

1093

01:

I promise... I won't!

1094

01:

Muskaan...

1095

01:

Grandpa... what's happening...

1096

01:

Grandpa...

1097

01:

Uncle!

1098

01:

Grandpa...

-Don't leave me.

1099

01:

Grandpa... Uncle, hurry up!

1100

01:

Cigarette smoking
is injurious to health.

1101

01:

Smoking causes cancer.

1102

01:

Consumption of tobacco causes cancer..

1103

01:

..heart and lung ailments, etc.

1104

01:

The characters shown
in this film/programme...

1105

01:

do not endorse or
advocate the use of..

1106

01:

..any tobacco product such as bidi,
cigarette, khaini, zarda, etc.

1107

01:

It's not just the old
man we've lost...

1108

01:

we've lost Chicken Khurana too!

1109

01:

Keep a portrait of a chicken
next to grandpa's...

1110

01:

we'll mourn for both!

1111

01:

Enough nonsense, Titu!
Not today at least!

1112

01:

How much more do I have
to suffer, almighty?

1113

01:

Oh! Grandpa...

1114

01:

Great,
the celebration's already begun!

1115

01:

Where's the old bugger?

1116

01:

grandpa has gone senile.

1117

01:

I'm sorry for your loss.

1118

01:

This way, grandpa.

1119

01:

Why are you sorry?

1120

01:

You're just no fun!

1121

01:

Have you seen Omi?

1122

01:

He must be around.

1123

01:

Everyone is looking for you.

1124

01:

In a minute.

1125

01:

Grandpa missed you the most.

1126

01:

It was always, 'Omi this...

Omi that...'

1127

01:

I'm glad he saw you again.

1128

01:

Harman...

1129

01:

You really cared for grandpa.

1130

01:

Thank you.

1131

01:

Grandpa bequeathed most
of his property to you.

1132

01:

Great! Bring out the sweets. Titu!

1133

01:

Except for Muskaan Tractors
which goes to Jeet...

1134

01:

and the eatery 'Chicken
Khurana'...

1135

01:

goes to Omi.

1136

01:

Congratulations!

1137

01:

Here is a copy of the will.

1138

01:

I'll take my leave now.

1139

01:

You didn't eat anything...

1140

01:

Nothing compares to grandpa's
chicken...

1141

01:

but those days will
never come back.

1142

01:

I agree.

1143

01:

See you.

1144

01:

Hold on, Mr. Lawyer...

1145

01:

Omi is a lawyer too... in London.

1146

01:

If you ever need counsel...
you know where to get it.

1147

01:

That's nice.

Come to my office some day.

1148

01:

Yes... I will...

1149

01:

It's now or never!

1150

01:

He won't have spare time later.

1151

01:

Thank you.

1152

01:

Omi brother...Yes?

1153

01:

A call for you.

1154

01:

Please hear me out...

1155

01:

I gave those pounds to you
because you were like a brother...

1156

01:

but what a loser you
turned out to be.

1157

01:

I'll pay back every penny!

1158

01:

Not penny, its pounds!

1159

01:

Of course... pounds!

1160

01:

We good now?

1161

01:

Not yet, Omi!

1162

01:

I want my money back.

1163

01:

Or you'll find yourself
in a coffin!

1164

01:

Relax, Shanty...

1165

01:

Now you'll get your
Pounds in cash!

1166

01:

I like the sound of that.

1167

01:

Time is ofthe essence!

1168

01:

The battle begins!

1169

01:

I get it!

1170

01:

Any problem?

1171

01:

No, no problem.

1172

01:

You studied law in England...Yes.

1173

01:

How many years did it take?

1174

01:

Well...

1175

01:

about three... four years. Okay.

1176

01:

Who was the guy dancing
with you at the party?

1177

01:

An old friend... from school.

1178

01:

Okay

1179

01:

Tell him he better not bring any
weapons in this house again!

1180

01:

I wonder why grandpa passed
the eatery on to you?

1181

01:

Well...

1182

01:

What's done is done!

1183

01:

This guy wants to
buy the eatery?!

1184

01:

Bulls-eye!

1185

01:

Let's go in.

1186

01:

No way, I can't sell the eatery
to this scoundrel.

1187

01:

Let's try somewhere else.

1188

01:

Take it easy, Omi.

1189

01:

Only this scoundrel can
pay you your price.

1190

01:

Be practical. Let' go.

1191

01:

What do you want me to say?

1192

01:

Tell me...

1193

01:

I've already said it, remember?

1194

01:

I offered his uncle a deal
but he got worked up.

1195

01:

What do I care?
Keep selling your tractors.

1196

01:

Don't take it personally, Omi.

1197

01:

The fact is...

1198

01:

your uncle has no business sense.

1199

01:

I'll give you ten million
rupees! What?
1200

01:
Ten million rupees!
1201

01:
But you have to get me the recipe
for Chicken Khurana.
1202

01:
Now... that's called business.
1203

01:
You're a star, brother.
1204

01:
I'm impressed.
1205

01:
You never cease to amaze me!
1206

01:
Come here...
1207

01:
Don't sweet talk me...
1208

01:
it'll get you nowhere.
1209

01:
You'll be left selling underwear.
1210

01:

Next.

1211

01:

What's the problem?

1212

01:

Why don't you tell me yours?

1213

01:

We don't treat animals here.

1214

01:

That was really funny, Harman.

1215

01:

Will you at least listen to me!

1216

01:

Harman...

1217

01:

please listen to me.

1218

01:

I'm listening.

1219

01:

I need your help.

1220

01:

For what?

1221

01:

I want to make Chicken Khurana.
1222

01:

You know...
get the eatery going again.
1223

01:

It was grandpa's last wish.
1224

01:

That's very sweet...
what do you want from me?
1225

01:

I can't cook.
1226

01:

No big deal.
Ask aunt Lata for help.
1227

01:

No...no way!
1228

01:

I want to surprise the family.
1229

01:

Please don't tell anyone.
1230

01:

In case you haven't noticed...
1231

01:
I'm a doctor, not a chef.
1232

01:
Oh please!
1233

01:
I remember the taste of parathas
you'd make for me.
1234

01:
Please help me...
1235

01:
as a friend?
1236

01:
Friend
1237

01:
Since when are we friends?
1238

01:
Well, I've been a friend as
far as I can remember...
1239

01:
Why don't you start from today.
1240

01:
You are such a fake!
1241

01:
Now that you want something,

you're flashing that looney smile!

1242

01:

I swear, you are the most
selfish person, ever!

1243

01:

I know we have a history but...

1244

01:

you've got to stop living
in the past!

1245

01:

I've apologised to you.

1246

01:

What else do you want me to do?

1247

01:

Should I jump off the cliff?!

1248

01:

Never mind...

I'll do without your help.

1249

01:

I came to you because of grandpa.

1250

01:

And what's with the staring
all the time?

1251

01:

Grow up!

1252

01:

Lower your voice,
this is a hospital.

1253

01:

Sir, just a friendly warning...

1254

01:

she bribed her way to
become a doctor.

1255

01:

She herself needs to be checked.

1256

01:

Omi!

1257

01:

Hurry up... get yourself treated!

1258

01:

"lnky, pinky, ponkey.."

1259

01:

"..father had a donkey.."

1260

01:

"lnky, pinky, ponkey.."

1261

01:

"..father had a donkey.."

1262

01:

"Keep flying higher.."

1263

01:

"Whether it's chillies
or cumin seeds."

1264

01:

"Tangy or sweet."

1265

01:

"Test it to find the recipe, O boy!"

1266

01:

"O sister!"

1267

01:

"O aunty!"

1268

01:

"Try it out.."

1269

01:

"O boy!"

1270

01:

How the hell did you do this,
grandpa?!

1271

01:

BIoody hell!

1272

01:

Get started, dammit!

1273

01:

You don't have it in you.

1274

01:

You know...

1275

01:

I'm here only because of grandpa.

1276

01:

What's this?

1277

01:

You bought the whole market?

1278

01:

Chicken Khurana is
no ordinary dish.

1279

01:

You can't even cut tomatoes! And
you're attempting Chicken Khurana?!

1280

01:

Move it... not your cup of tea.

1281

01:

Fine!

1282

01:

I'm not your servant.

1283

01:

Pass the onions.

1284

01:

Here... you try...

1285

01:

Let me show you...

1286

01:

nice and firm.

1287

01:

If you had learnt from grandpa,
you wouldn't need my help.

1288

01:

If he had taught me...

1289

01:

I'd gladly learn.

1290

01:

Now time to put the chicken
in the pressure cooker.

1291

01:

Your grandma was very beautiful.

1292

01:

I didn't bribe my way
to become a doctor.

1293

01:

Fine, I'm sorry.

1294

01:

You know I didn't mean it.

1295

01:

But how

-What do you mean?

1296

01:

You struggled through
high school.

1297

01:

We'd cheat on the exams
together... remember?

1298

01:

Bad company, I guess...

1299

01:

got rid of it at the
right time...

1300

01:

Right...

1301

01:

And you...

1302

01:

sweet-talking liar to
smooth-talking lawyer... How?

1303

01:

When you're really determined,
nothing is impossible!

1304

01:

When did I ever lie to you?

1305

01:

Never mind...

1306

01:

Listen...

1307

01:

Tell me something...

1308

01:

no hook ups after I left?

1309

01:

The whole town is crazy about me!

1310

01:

Is it?

1311

01:

But once you've tasted dirt,
you really wise up!

1312

01:

Poor you.

1313

01:

There's no remedy.
Men are inherently untrustworthy.
1314

01:
What the--
1315

01:
Relax,
it's only the pressure cooker.
1316

01:
The chicken is ready.
1317

01:
Looks beautiful.
1318

01:
It's hot.
1319

01:
Not bad...
1320

01:
Nothing like grandpa's!
1321

01:
We could try again tomorrow...
1322

01:
Harman...
1323

01:
Thanks!
1324

01:

Uncle...

1325

01:

what's wrong?

1326

01:

I'm trying to get rid of the
awful taste of my sister's cooking!

1327

01:

I'd like one too!

1328

01:

I feel miserable today.

1329

01:

I really miss the old fellow.

1330

01:

The poor guy would sit
in the corner all day.

1331

01:

When everyone abandoned me,
he allowed me to live here.

1332

01:

A real brave heart!

1333

01:

And then, there was his chicken!

1334

01:
Oh the taste...
1335

01:
I always wonder what the
secret ingredient was!
1336

01:
What the hell was it, grandpa?
1337

01:
Omi...
1338

01:
Why don't you sleep here tonight?
1339

01:
Those were the good old days.
1340

01:
Grandpa did all the
work himself...
1341

01:
He let us hang around.
1342

01:
Singing, eating, laughing,
having a good time.
1343

01:
Grandpa bought all
his clothes here.
1344

01:

He had good taste in clothes and
even better when it came to food!

1345

01:

I thought it was pomegranate
seeds!

1346

01:

What say?

1347

01:

I am a pure vegetarian.

1348

01:

It's a wild guess but...

1349

01:

I think it was garlic.

1350

01:

"O boy!"

1351

01:

"O sister!"

1352

01:

Every time he passed by he
would call out to me.

1353

01:

He'd prepare a special
paneer dish for me...

1354

01:
with lots of cardamom.
1355

01:
Once he accidently told
me the secret...
1356

01:
Asafoetida...
1357

01:
Every brick in your house
has gone from my kiln.
1358

01:
My father was close to grandpa.
1359

01:
There was a delightful
tangy flavour...
1360

01:
it could be tamarind.
1361

01:
Omi...
1362

01:
Where are you going?
1363

01:
Thought I'd go to the temple.
1364

01:

TempIe?

-Yes.

1365

01:

With whom?

-Lovely.

1366

01:

He was the only one who truly
understood my pain.

1367

01:

There was no drinking
partner Iike him.

1368

01:

he drank like a fish,
and never got drunk!

1369

01:

He knew everything about cattle.

1370

01:

And I mean everything!

1371

01:

I'd say even more than
the cattIe themselves!

1372

01:

What was it...

1373

01:

The only thing that comes to
my mind is black pepper.

1374

01:

"This confusion, this helplessness.."

1375

01:

"Search for it..

it's stuck like a bone.."

1376

01:

He proposed to me while we were
having Chicken Khurana.

1377

01:

I was so lost in the taste
that I said yes.

1378

01:

Next thing... we were married.

1379

01:

"Come along, it's deja vu."

1380

01:

Chicken Khurana was our hang out!

1381

01:

We'd celebrate with grandpa's
chicken...

1382

01:

and if we'd lose, your grandpa
offered it as encouragement!

1383

01:

I think it was... vinegar.

1384

01:

I would say whole red chillies.

1385

01:

I think it was brown
mustard seeds.

1386

01:

I can be sure of one thing...

1387

01:

he served it with sweetness.

1388

01:

"O brother!"

1389

01:

"O woman!"

1390

01:

How about some asafoetida?

1391

01:

Go ahead.

1392

01:

You look charged up.

1393

01:

Wait and watch...

1394

01:
Today we'll find Chicken Khurana!
1395

01:
It seems better than yesterday...
1396

01:
Some cumin seeds?
1397

01:
Sure.
1398

01:
Make it your way.
1399

01:
Ladle?
1400

01:
Now where did I keep the ladle...
1401

01:
Here it is.
-Thanks!
1402

01:
Salt...
1403

01:
Let me take a look.
1404

01:
It'll be fine by morning.
1405

01:
Does it hurt?
1406

01:
What is it?
1407

01:
Tell me!
1408

01:
Do you remember the time when
you sat on a hot clay oven?
1409

01:
You couldn't sit in the
classroom for months.
1410

01:
It's not that funny.
1411

01:
Crazy girl!
1412

01:
You still got the burn marks?
1413

01:
Take a look.
1414

01:
How is it?
1415

01:

It's tasty.

1416

01:

It's good.

-It's good but...

1417

01:

It's not Chicken Khurana.

1418

01:

It's good, isn't it?

1419

01:

It's terrible!

1420

01:

Well...

the cumin seeds are burnt...

1421

01:

the chicken is still raw...

1422

01:

and the spices aren't roasted...

1423

01:

but it's good.

1424

01:

Wear the helmet.

1425

01:

This fishbowl?

1426

01:

Yes!

1427

01:

Let's go!

1428

01:

"Your gently sly smile.."

1429

01:

How much longer?

1430

01:

About half an hour...

1431

01:

Are you sure?

1432

01:

I suggest you sell the scooter
and buy a bicycle.

1433

01:

Tea...

1434

01:

I took a sip from this one.

1435

01:

You still slurp while
drinking tea.

1436

01:

You know, I've been dying to
drink the Iassi from the old market.

1437

01:

Oh...

1438

01:

How about tomorrow?

1439

01:

I have to go to the hospital.

1440

01:

You can always bunk!

1441

01:

It's not like the patients will
die if you don't make it.

1442

01:

What say?

-You always make me bunk.

1443

01:

Only tomorrow...

1444

01:

"Your gently sly smile."

1445

01:

"It makes me blush pink.."

1446

01:

"Your sly smile.."

1447

01:

I'll end up dreaming
of lassi tonight.

1448

01:

Relax, it's only lassi.

1449

01:

The little things you
miss in London.

1450

01:

Stop!

1451

01:

What is it?

1452

01:

Just walk it up from here
someone might see us.

1453

01:

Drop me a little further.

1454

01:

No way... are you nuts?

1455

01:

Fine.

1456

01:

Don't turn it off.

1457

01:

Here's your fishbowl.

1458

01:

Bye.

1459

01:

Tomorrow... 2 o'clock.

1460

01:

"The bond is true..

it permeates everything."

1461

01:

"An elusive joy knocks at my door."

1462

01:

"As fair as butter.."

1463

01:

"..saffron is your smiling lips."

1464

01:

"Smiling lips.."

1465

01:

Witch! You dog!

1466

01:

"It's not late yet, so unusual.."

1467

01:

"It adds to the colour.."

1468

01:

"..there's god on earth,
when you've everything.."

1469

01:

"..I wish to touch the sky."

1470

01:

"I'd lay down my life for you,
happily."

1471

01:

"It mingles freely."

1472

01:

"Love is spicy at times,
and sweet otherwise."

1473

01:

"I wait patiently."

1474

01:

"It smells sweet.."

1475

01:

"..the oven is hot.."

1476

01:

"..aroma arises.."

1477

01:

"It's so breathtaking.."

1478

01:

"..the union with a beloved.."

1479

01:

"Sweeping you off the floor.."

1480

01:

"My bond has attained fruition.."

1481

01:

"Oh boy.."

1482

01:

"The palanquin is being decorated.."

1483

01:

"The drums are being played.."

1484

01:

You've added a lot
of chilli today.

1485

01:

Yes, from the market.

1486

01:

It tastes really good tonight.

1487

01:

Don't you like it?

1488

01:

It's nowhere close to

Chicken Khurana.

1489

01:

But, it's not bad.

1490

01:

Well, at least you're trying.

1491

01:

And along the way,
you've learnt to cook.

1492

01:

We will try again tomorrow.

1493

01:

Forget it.

1494

01:

We are wasting time...

1495

01:

it was a stupid idea...
really stupid idea.

1496

01:

Forget it!

1497

01:

You really won't try
again tomorrow?

1498

01:

No.

1499

01:

Here's your rickety scooter.

1500

01:

And don't ride too fast.

1501

01:

If you crash into somebody,
you'll have to treat them yourself!

1502

01:

Harman... what's wrong?

1503

01:

What is it?

1504

01:

Thank you.

1505

01:

When is your phony God-woman
aunt arriving?

1506

01:

I've got cramps in my leg.

1507

01:

It's only been ten minutes
and you've got cramps?

1508

01:

Do me a favour...
please be courteous to her.

1509

01:

We'll see who is rude!

1510

01:

Finally... there she is!

1511

01:

Long live the saint!

1512

01:

Make way for the holy goddess!

1513

01:

Bless you all!

1514

01:

I hope you had a pleasant
journey.

1515

01:

It was alright...
but the roads here are terrible!

1516

01:

I apologise for the discomfort.

1517

01:

It's given me a backache.

1518

01:

I'm at your service.

1519

01:

I've kept a room ready
for you to rest.

1520

01:

Who is this?

1521

01:

This is Jeet.

-Jeet?

1522

01:

My son, Jeet.

1523

01:

He was a little kid when
I last saw him.

1524

01:

He's all grown up now.

1525

01:

Bless me...

-Bless you!

1526

01:

Oh god! Is that a marble eye?!

1527

01:

Move aside!

1528

01:

Bless me too...

-Sure...

1529

01:

who the hell is this?

1530

01:

He is Lata's younger brother.

1531

01:

He lives with us.

1532

01:

He is mentally unstable.

1533

01:

So I've been right?

1534

01:

About what?

1535

01:

The disease runs in the family.

1536

01:

Let's get some rest.

1537

01:

Dalidri, get something to drink.

1538

01:

Lata, come, my darling...

1539

01:

What time is the memorial
service?

1540

01:

Don't worry about it.

1541

01:

We should be done by
midday tomorrow.

1542

01:

Who is that?

1543

01:

That's Omi, my nephew.

1544

01:

He is difficult to deal with.

1545

01:

DifficuIt is fine...

1546

01:

but smoking?

1547

01:

He is out of control.

1548

01:

Enough with the flowers!

1549

01:

Holy cow!

1550

01:

Onions should be finely
chopped...

1551

01:

Can I help you with anything,
Jassi brother?

1552

01:

Don't worry, Jeet.

1553

01:

Everything is under control.

1554

01:

My only request is the food
should be finger-licking good.

1555

01:

All hail the saint...

1556

01:

I surrender myself to you!

1557

01:

Keep walking...
the devotees are waiting...

1558

01:

Please put in a good word for me.

1559

01:

I need some air.
Tell them I've gone to the loo.

1560

01:

Bless you!

1561

01:

Keep smoking...

1562

01:

keep smoking...

1563

01:

Your grandpa was really
proud of you!

1564

01:

You are just like him...

1565

01:

a rascal.

1566

01:

Thank you for the compliment.

1567

01:

What's bothering you?

1568

01:

Nothing.

1569

01:

Life is filled with misery...

1570

01:

Everyone here is suffering...

1571

01:

and they think I'm
the miracle pill.
1572

01:

Bloody morons!
1573

01:

So,
she is the cause of your misery.
1574

01:

She is Jeet's fiancée.
1575

01:

What a bummer!
1576

01:

I think you two would
make a cute couple.
1577

01:

Here...
1578

01:

Not good enough for me.
1579

01:

Keep smiling, my boy...
1580

01:

A smile looks good on you.
1581

01:
Keep smiling!
1582

01:
What sermon did you deliver in
grandpa's room last night?
1583

01:
I was right.
1584

01:
You are just like your grandpa...
a rascal!
1585

01:
The disease runs in the family.
1586

01:
I was looking for
his medicine box.
1587

01:
Why?
1588

01:
It doesn't matter...
I couldn't find it.
1589

01:
What if I get it for you?
1590

01:
Can you?
1591

01:
Here you are.
1592

01:
How the hell did you get it?
1593

01:
I've had it since the day
grandpa passed away.
1594

01:
This is it!
1595

01:
The same smell!
1596

01:
You also have digestion problems?
1597

01:
Give me a cigarette, quick!
1598

01:
"I follow you.."
1599

01:
"I've become a crazy chick."
1600

01:
Now this is good...
1601

01:
organic!
1602

01:

Weed?!

1603

01:

It's the miracle medicine...

1604

01:

It lights up the path!

1605

01:

But grandpa used this
as a digestive.

1606

01:

Everyone has their shortcomings,
my boy.

1607

01:

You aren't the only
rascal around!

1608

01:

And nobody knows about it!

1609

01:

Ignorance is bliss, my boy.

1610

01:

It's bliss.

1611

01:

Have a drag.

1612

01:

No, thanks. I don't do it.

1613

01:

Just one drag...

-I said I don't...

1614

01:

Try it my boy!

1615

01:

Smoke away your misery!

1616

01:

Be a sport!

1617

01:

What the--

-Hey...

1618

01:

"O my beloved.."

1619

01:

"..I can't live without you."

1620

01:

"When I saw you.."

1621

01:

"..I felt like I saw the world."

1622

01:

"I thought that.."

1623

01:

"..I'll visit my
maternal home tomorrow."

1624

01:

Chicken Khurana!

1625

01:

Chicken?

1626

01:

This is eggplant stir-fry but...

1627

01:

it does smell like

Chicken Khurana!

1628

01:

I bet my boom box that this
is Chicken Khurana!

1629

01:

Can you not smell it?

1630

01:

Hemraj... Lata...

1631

01:

It's grandpa's spirit at work...

1632

01:

This is a miracle.

1633

01:

It smells the same!

1634

01:

To hell with the smell...

1635

01:

just dig in!

1636

01:

"When you leave for
your maternal home.."

1637

01:

"I'll follow you.."

1638

01:

"..on my bike."

1639

01:

"You can buy new cosmetics."

1640

01:

"You can buy a new dress."

1641

01:

"I'll bribe you with new gifts."

1642

01:

"You're under my oath, don't go.."

1643

01:

"Don't leave my abode.."

1644

01:

"For you, O dear,
I present love and Chicken Khurana."

1645

01:

"Love, Iove.."

1646

01:

"..and Chicken Khurana."

1647

01:

"How can I live without seeing you?"

1648

01:

"How can I live without
cooking for you?"

1649

01:

"My days won't pass without you.."

1650

01:

They insulted me...
they refused to let me in!

1651

01:

If it weren't for you,
I'd have shot the old guy.

1652

01:

That's my uncle...
watch your mouth.

1653

01:

Bad mood, huh?
But not my problem.
1654

01:
Out with the pounds.
1655

01:
I'm flying back to London
in a few days.
1656

01:
You'll get the money there.
1657

01:
Don't you act smart now!
1658

01:
No more grace time.
1659

01:
I want the money now or your
uncle bites the first bullet.
1660

01:
How dare you stare at me?
1661

01:
Bloody loser!
1662

01:
Dare you touch my family...
1663

01:
I swear,

your gun will talk to you.
1664

01:
Get lost!
1665

01:
You'll pay for this, Omi...
1666

01:
Get lost!
1667

01:
You'll pay for this, Omi.
1668

01:
You're messing with
the wrong guy.
1669

01:
How dare you hit me?
1670

01:
Now your days are numbered!
1671

01:
Are the documents in order,
Lovely?
1672

01:
I've checked the documents.
1673

01:
Omi, go ahead and sign.
1674

01:

Just do it and give
him the recipe.

1675

01:

We need to get your tickets too.
Don't you need to get back?

1676

01:

Go on, sign.

1677

01:

One last time...

1678

01:

Here you are.

1679

01:

Congratulations!

1680

01:

That's great.

1681

01:

Half the job is done.

1682

01:

Now, why don't you hand over
that elusive recipe?

1683

01:

Of course! Come on, Omi.

1684

01:

Start with... ginger, onions...

1685

01:

That goes into almost everything.

What's wrong with you?!

1686

01:

Tell him, Omi...

1687

01:

Chicken...

1688

01:

Omi...

1689

01:

Speak up.

1690

01:

What's wrong, buddy?

1691

01:

Oh...

1692

01:

Here you go, feast your eyes.

1693

01:

I have your dream...

1694

01:

you have my Pounds...

1695

01:

Return my Pounds and
live your dream!
1696

01:

Satisfied?
1697

01:

Pepper... ginger...
1698

01:

garlic has to be there...
1699

01:

cumin seeds...
1700

01:

Aw shucks!
1701

01:

What the hell are you doing?
1702

01:

What's this?!
1703

01:

The eatery belonged to the
Khurana's and will remain with them.
1704

01:

What the-- Lovely?
-HoId on... I'll sort this out.
1705

01:
Omi, you're turning your back
on ten million rupees!
1706

01:
I really don't care!
1707

01:
What will you do with
that run-down eatery?
1708

01:
It's worthless!
1709

01:
It will flourish again.
1710

01:
You want to give up paradise
to cook chicken?!
1711

01:
Have you lost it?
1712

01:
There's no place like home.
1713

01:
And there's no such thing
as a menial job.
1714

01:
The truth is,
it should make you happy.
1715

01:

What rubbish is this?!

1716

01:

The man whose chicken curry
drove people crazy...

1717

01:

was crazy about your
lentils in butter.

1718

01:

But as soon as the riches came in the
door, the taste went out the window!

1719

01:

The love went missing.

1720

01:

BIoody hell!

1721

01:

I just gave you the secret
ingredient free.

1722

01:

It would be smart
to write it down.

1723

01:

See you, Lovely.

1724

01:

You're a scam artist!

Get up and get lost.

1725

01:

Go back to selling underwear!

1726

01:

That's the only thing
you're good for.

1727

01:

I'll make sure I bury your
reputation, mark my words!

1728

01:

Stand up... and get lost!

1729

01:

How dare you comment
on my underwear?!

1730

01:

People swear by the
underwear I sell.

1731

01:

A dozen holes appear
in as many days!

1732

01:

Underwear dealer!

1733

01:

Watch what you say!

1734

01:

Go to hell!

1735

01:

You go to hell!

1736

01:

Scoundrel... rascal... dog!

1737

01:

If I ever see you again,
I'll break your legs!

1738

01:

Harman.

1739

01:

Rest for a while... I'll be back.

1740

01:

I'm cooking for the family...

1741

01:

at the eatery.

1742

01:

And...

1743

01:

It will be nice to
have you there.

1744

01:

Omi...

1745

01:

Omi, this is the Ladies ward.

1746

01:

I'll see you.

1747

01:

My helmet?

1748

01:

Thank you.

1749

01:

You can wipe those tears.

1750

01:

I'm here to help you.

1751

01:

"Your gently sly smile.."

1752

01:

"..your face blushes pink.."

1753

01:

"Your sly smile.. lights up.."

1754

01:

"Reveal it slightly.."

1755

01:

"..your sly smile.. lights up.."

1756

01:

"SIowly.. unite me with my beloved."

1757

01:

"I would lay down my life for you,
happily."

1758

01:

Why are we here?

1759

01:

I don't have a clue.

1760

01:

Jeet, what's going on?

-Did he tell you?

1761

01:

No, he didn't.

1762

01:

Who cares!

1763

01:

This looks good!

1764

01:

Omi, what is this all about?

1765

01:

I've cooked Chicken Khurana
for all of you.

1766

01:

Have a seat, Dalidri.

1767

01:

You know how to make it?

1768

01:

Well, I'm still learning.

1769

01:

Is this a joke, Omi?

1770

01:

Of course, he is kidding.

1771

01:

Doesn't the smell give it away?

1772

01:

Enough with the questions.

Let's dig in!

1773

01:

Just a minute, uncle.

I have to say something.

1774

01:

I'm dying of hunger...

I'm not lying.

1775

01:

The thing is

even I won't lie today.

1776

01:

I am...

1777

01:

I am not a lawyer, I don't
have a house in London...

1778

01:

and I don't have any money.

1779

01:

Actually...

1780

01:

ActuaIIy, I am nothing.

1781

01:

I'm neither a good brother, nor
a good son, nor a good friend.

1782

01:

I've never cared for
anyone in my life.

1783

01:

I've only managed
to hurt everyone.

1784

01:

after 10 long years...

1785

01:

your welcome was like
that of a war hero!

1786

01:

You overlooked all
my shortcomings.

1787

01:

Stop it, Omi.

1788

01:

Jeet, let me say it. I don't know if
I'll ever muster the courage again.

1789

01:

You see...

1790

01:

I was about to sell
our eatery today.

1791

01:

This is who I really am.

1792

01:

I'm not worthy of your love.

1793

01:

And to tell you the truth...
I don't deserve this eatery at all.

1794

01:

It belongs to you.

1795

01:

And I am... I am going back.

1796

01:

Omi, my brother...
don't say that.

1797

01:

Listen...

1798

02:

Why did you...?

1799

02:

You're still an idiot.

1800

02:

But, uncle...

1801

02:

To hell with your excuses!

1802

02:

I have decided!

1803

02:

If you ever step out of
the house again...

1804

02:

trust me, I will break your legs!

1805

02:

Uncle I...

1806

02:

Don't ever think
I'm not your father!
1807

02:

I've got used to having both my
sons at the dinner table now.
1808

02:

Even I am fed up of
eating on my own.
1809

02:

You better not go anywhere...
1810

02:

never ever!
I won't be able to take it.
1811

02:

Come!
1812

02:

Come here, my dear...
1813

02:

This thing tastes really good.
1814

02:

Save the drama for later,
have the chicken.
1815

02:

It's getting cold.
1816

02:

Enough nonsense, Titu!

1817

02:

Sit down, Omi.

1818

02:

You too, dear.

1819

02:

It may not be Chicken Khurana...

1820

02:

but it sure is Chicken

Omi Khurana!

1821

02:

He-man, I'm coming back for sure!

1822

02:

You're crazy, Titu!

1823

02:

Listen... while we are at it...

1824

02:

even I want to state a truth.

1825

02:

The truth is...

1826

02:

I'm not a lunatic.

1827

02:

Let us decide that, Titu.
Enjoy your meal.

1828

02:

As you wish!

1829

02:

But I was brave enough
to be honest.

1830

02:

I'd like to clear my mind too...

1831

02:

Of course!

1832

02:

You see...

I don't know how to cook.

1833

02:

Tell us something new!
That's common knowledge.

1834

02:

Enough nonsense, Titu!

1835

02:

What about you?

1836

02:

Yes...

1837

02:

Since you are insisting,
I'll tell you the truth.

1838

02:

Remember you would send home
cooked food for me?

1839

02:

Yes...

1840

02:

I never ate that.

1841

02:

I'd have the community
lunch at the temple.

1842

02:

Nothing can beat that!

1843

02:

Dalidri...

1844

02:

What's the matter?

1845

02:

Well...

1846

02:

I love all of you very much.

1847

02:

How sweet! My dear son.

1848

02:

Today is a good day to come
out with the truth, Jeet.

1849

02:

What is your secret?

1850

02:

Secret?

-What is your secret?

1851

02:

Come out with it.

1852

02:

He has a secret...

I'm sure of it.

1853

02:

What's wrong?

1854

02:

Out with it!

1855

02:

I want to--

-How long will you hide it?

1856

02:

Jeet? What's wrong?

1857

02:

Jeet...

1858

02:

What's up with him?

1859

02:

Finish the food first!

-Jeet...

1860

02:

Where is everyone going?

1861

02:

Finish the food first!

1862

02:

Shama...

1863

02:

Shama!

1864

02:

Stop it, Jeet.

1865

02:

Shama!

1866

02:

What are you doing?

You'll wake up the neighbourhood!

1867

02:

Sha...

1868

02:

It's me...

1869

02:

Have you lost your mind, Jeet?

[In Bengali]

1870

02:

"You're my poetry.."

1871

02:

"..the melody of my song.."

1872

02:

Bengali gentleman!

1873

02:

"My dream.. my desire.."

1874

02:

"..is to be with you forever."

1875

02:

What?

-A Bengali song.

1876

02:

Bengali song...

1877

02:

"You're the melody of my song.."

1878

02:

Bengali song...

1879

02:

"My dream.."

1880

02:

Shama...

1881

02:

What are you doing, Jeet?

1882

02:

My life is futile without you.

1883

02:

What are you doing?!

1884

02:

Listen..

1885

02:

You know how much you mean to me.

1886

02:

Every moment spent
with you is treasured.

1887

02:

But.. I'm not worthy
of you and your family.

1888

02:

Harman.. she's a nice girl,
if you marry her..

1889

02:

No, Shama!

1890

02:

I've lived a meaningless
life all these years.

1891

02:

I can't live without you.

1892

02:

No, dear..

1893

02:

I want to confess to
my family that...

1894

02:

we love each other.

1895

02:

I cannot lie to them anymore.

1896

02:

It's very sad that you couldn't
confide in us.

1897

02:

You thought we wouldn't
understand?

1898

02:

It's alright, Jeet.

1899

02:

We might be old...

1900

02:

but we sure aren't old-fashioned.

1901

02:

We have enough love in our heart
to accept Shama into our family.

1902

02:

Shama...

1903

02:

Bless you.

1904

02:

Mom!

1905

02:

Oh no!

I can't bless you! I'm younger!

1906

02:

Bless you, my son.

1907

02:

Omi...

1908

02:

Come here...

1909

02:

Harman, please forgive us.

1910

02:

I don't know how to face
your parents...

1911

02:

It'll be good.

Everything will fall into place.

1912

02:

Don't you worry, auntyji.

1913

02:

I'll talk to them.

1914

02:

Have all of you gone blind?

1915

02:

There's a fine young man standing
in front of you.

1916

02:

Charming, handsome...

can't you see?

1917

02:

That is a brilliant idea!

1918

02:

For the first time your

words make sense, Titu!

1919

02:

Omi...

1920

02:

will you marry Harman?

1921

02:

As you wish.

1922

02:

My dear!

1923

02:

Dad...

1924

02:

Khushi...

1925

02:

Khushi, come here.

1926

02:

Wow!

1927

02:

Such a sweet and intelligent
child.

1928

02:

She's already calling Jeet 'dad'.

1929

02:

Kids these days have
become smarter.

1930

02:

Well, mom, she is my daughter.

1931

02:

Of course,
now she is your daughter.

1932

02:

Goes without saying.

1933

02:

No, mom...

1934

02:

what I mean is... Khushi is ours!

1935

02:

What?

1936

02:

Auntyji!

1937

02:

Let's take her inside.

1938

02:

Lift her... hurry up.

1939

02:

Omi...

1940

02:

She's in shock.

-Mom!

1941

02:

Unbelievable!

1942

02:

He raided the soldier's bunker!

1943

02:

What did you find out?

1944

02:

Why are you staring at me,
like a dimwit!

1945

02:

Go and find out! Go!

1946

02:

"Hear the bells that ring.."

1947

02:

"Open the windows.."

1948

02:

"Our eyes met, there were sparks.."

1949

02:

"..you've sure got me hooked."

1950

02:

"Speak your heart, O girl.."

1951

02:

All you could find is that phony
saint for the inauguration?

1952

02:

It's alright, aunt Lata.

1953

02:

Hello Khushi...

1954

02:

Khushi, how are you?

1955

02:

Look your friends are there.

1956

02:

Bye.

1957

02:

So, what have you decided?

1958

02:

I'm still thinking...

1959

02:

But your folks have agreed!

1960

02:

They have agreed,
but I'll have to put up with you.

1961

02:

Stop pretending...

1962

02:

you know there are lots
of girls here.

1963

02:

Dare you look at anyone...
I'll tear your eyes out!

1964

02:

Go ahead.

1965

02:

Witch...

-Dog...

1966

02:

"Six slaps count to one.."

1967

02:

"The world is all
about give and take.."

1968

02:

"My heart says, let it be.."

1969

02:

"Take life, give life.."

1970

02:

"Talk straight to me.."

1971

02:

"Don't flutter like a helpless bird."

1972

02:

"Talk to me.. speak your mind.."

1973

02:

"Hey boy, I'll thrash you."

1974

02:

"The boy roams around in a motor car."

1975

02:

"A motor.."

1976

02:

Remember me, Omi?

1977

02:

Shanty,
this is between you and me.

1978

02:

Don't drag them into this.

1979

02:

I have your pounds.

1980

02:

It's not about pounds anymore.

1981

02:

It's about respect.

1982

02:

Hold on a minute...

-Uncle...

1983

02:

I'll call the cops...

1984

02:

Get lost, you loser.

-Dad, are you alright?

1985

02:

Take it easy, that's my uncle.

1986

02:

I don't give a damn!

1987

02:

Let's step aside and talk, okay?

1988

02:

Step back, Omi.

1989

02:

Who wants to get the
first bullet?

1990

02:

Who are they?

1991

02:

Uncle...

1992

02:

Stop, he has a gun.

1993

02:

Uncle...

-Someone stop him!

1994

02:

Someone stop him!

-Titu?

1995

02:

Titu?

1996

02:

How dare you... you bloody...

1997

02:

Manty... take it easy.

-Who the hell is he?

1998

02:

I said, take it easy!

1999

02:

You bloody traitor!

2000

02:

You went away, leaving me here?

2001

02:

I'm no traitor, Titu.

2002

02:

Enough!

-Please listen to me...

2003

02:

Please listen to me...

2004

02:

Do you remember Ruby?

2005

02:

That hot chick?

2006

02:

You had a thing for her...

and so did I...

2007

02:

It was like a Mexican

shoot out...

2008

02:

one of us had to go...

2009

02:

So, I went away.

Told you I had a reason.

2010

02:

Guess what...

2011

02:

Ruby turned out to be a guy!

2012

02:

Sorry, Titu.

2013

02:

Trust me,

I never forgot about you.

2014

02:

And you never will.

2015

02:

What are you doing?

It's a real gun.

2016

02:

Let's go for the shock

treatment...

2017

02:

Titu come on...

-But first a bullet!

2018

02:

Titu... don't...

2019

02:

Bloody hell!

2020

02:

"Melt some butter and cream,

Iay open your palms.."

2021

02:

"Hear the bells that ring.."

2022

02:

"Open the window of your heart."

2023

02:

"Our eyes met, there were sparks.."

2024

02:

"..you've sure got me hooked."

2025

02:

"Speak your heart, O girl.."

2026

02:

"What do you think,
this man is rude.."

2027

02:

"He drinks bottled milk."

2028

02:

"He's deadly as a snake.."

2029

02:

"Says, run, little boy, run.."

2030

02:

"O motorman.."

2031

02:

"Beware.."

2032

02:

"The horn blares.."

2033

02:

"Neither any secrets, nor regrets.."

2034

02:

"Flee, mister.."

the gun's pointed at you.."

2035

02:

"O motorman, pass on the 60.5%."

2036

02:

"The motorman, enters with pomp."

2037

02:

"The motorman,

drinks hooch and gambles."

2038

02:

"The motorman's visa

is beyond countries."

2039

02:

"He slaps a few and counts as one.."

2040

02:

"The world is all

about give and take."

2041

02:

"The heart says, let it be, man.."

2042

02:

"..give life, take life.."

2043

02:

"Talk straight,
you're gonna get thrashed.."

2044

02:

"Don't flutter like a helpless bird."

2045

02:

"Beware, don't mess.."

2046

02:

"O boy, I'm gonna sIam you."

2047

02:

"O motorman,
the boy roams around with elan."

2048

02:

"O motorman,
you weep on seeing tom and jerry."

2049

02:

"The boy is jobless,
runs errands for free."

2050

02:

"O motorman,
sings classical in hip-hop style."

2051

02:

"Motorman.. motorman.."

2052

02:

"He slaps a few and counts as one.."

2053

02:

"The world is all
about give and take."

2054

02:

"The heart says, let it be, man.."

2055

02:

"..give life, take life.."

2056

02:

"Talk straight,
you're gonna get thrashed.."

2057

02:

"Don't flutter like a helpless bird."

2058

02:

"Beware, don't mess.."

2059

02:

"O boy, I'm gonna slam you."

2060

02:

"The motorman will adopt
another nephew when drunk."

2061

02:

"The motorman keeps
peanuts in his pocket."

2062

02:

"The motorman is a wild man,
don't mess with him."

2063

02:

"The motorman is the Bruce Lee of UK."
