Administration, bills

and loans.

Come with me...

Come with me...

[Future Lovers / I Feel Love...]

In the evidence of its brilliance

In the evidence of

its brilliance

In the demonstration

of this evidence.

Some have called it religion.

This is not a coincidence.

Would you like to try?

Connect to the sky

Future lovers ride

Their ambitions high

Would you like to try?

Let me be your guide

Put aside your pride

Future lovers hide

love inside their eyes

In the evidence of its brilliance.

In the evidence of its brilliance.

In the evidence of its brilliance.

In the evidence of its brilliance.
Love controlled by time
Future lovers shine...
for eternity in
a world that's free
Put away your past,
Love will never last.
If you're holding on
to a dream that's gone
I'm gonna tell you
about love.
Would you like to try?
In the evidence of its brilliance.
In the evidence
of its brilliance.
In the evidence of its brilliance.
In the evidence of its brilliance.
There's no love
like the future love.
Come with me.
Ooh... I'm in love, I'm in love,
I'm in love, I'm in love,
I'm in love.
Ooh, it's so good, it's so good,
it's so good, it's so good,
it's soooo good,
Ooh, I feel love, I feel love,
I feel love, I feel love,
I feel love.
I feel love.
I feel love.
Connect to the sky
Future lovers ride...
Their ambitions high
Would you like to try?
Love controlled by time
Future lovers shine...
for eternity
In a world that's free
I feel love...
I feel love...
[Get Together]
It's all an illusion
There's too much confusion

Down, down,
down in your heart
Find, find,
find the secret
Turn, turn,
turn your head around
Baby we can do it
we can do it all right
Do you believe
in love at first sight?
It's an illusion, I don't care.
Do you believe I can
make you feel better?
Too much confusion,
come on over here.
Can we get together?
I really, I really
wanna be with you.
Come on,
check it out with me!
I hope you, I hope you
feel the same way too.
I searched, I searched,
I searched my whole life
To find, find,
find the secret.
But all I did was
open up my eyes.
Baby we can do it
we can do it all right.
Do you believe that we
can change the future?
Do you believe
I can make you feel better?
Can we get together?
I really wanna be with you.
Come on, check it out with me!
I hope you feel
the same way too
Can we get together?
I really, I really
wanna be with you.
Come on, check it out with me!
I hope, I hope you feel

the same way too.
It's all an illusion.
There's too much confusion
I'll make you feel better
If it's bitter at the start,
Then it's sweeter in the end.
Do you believe
in love at first sight?
It's an illusion, I don't care.
Do you believe I can
make you feel better?
Too much confusion,
come on over here.
Can we get together?
I really, I really
wanna be with you.
Come on,
check it out with me!
I hope you, I hope you
feel the same way too.
Get together, get together,
get together, get together, get together,
get together, get together...
Get together, get together,
get together, get together, get together,
get together, get together...
It's all an illusion.
There's too much confusion
I'll make you feel better
If it's bitter at the start
Then it's sweeter in the end.
All right, London?
Are you ready to ride with me?
[Like A Virgin]
I said, are you ready?
Are you ready?
I made it through the wilderness
Somehow I made it through
Didn't know how lost I was
Until I found you
I was beat incomplete
I'd been had,
I was sad and blue
But you made me feel

Yeah, you made me feel
Shiny and new
Like a virgin
Touched for the very first time
Like a virgin
When your heart beats
Next to mine
Gonna give you
all my love, boy
My fear is fading fast
Been saving it all for you
'Cause only love can last
You're so fine
and you're mine
Make me strong,
yeah you make me bold
Oh, your love thawed out
Yeah, your love thawed out
What was scared and cold
Like a virgin
Touched for the very first time
Like a virgin
When your heart beats
Next to mine
Ooh, ooh, ooh,
ooh, ooh...
Ooh, ooh, ooh,
ooh, ooh...
Ooh, ooh, ooh,
ooh, ooh...
Like a virgin
Touched for the very first time
Like a virgin
When your heart beats
Next to mine
Ooh, ooh, ooh,
ooh, ooh...
Ooh, ooh, ooh,
ooh, ooh...
Ooh, ooh, ooh,
ooh, ooh...
Feels so good inside
When you kiss me
And you touch me

And you hold me
Feels so good inside
Ladies and Gentlemen!
Thank you for coming
to our show.
The Night is young...
And the Show...
has just begun.
[Jump]
I haven't got much time to waste
It's time to make my way
I'm not afraid of what I'll face
But I'm afraid to stay
I'm going down my road
and I can make it alone
I'll work and I'll fight till
I find a place of my own
Are you ready to jump
Get ready to jump
Don't ever look back, oh, baby
Yes, I'm ready to jump
Just take my hand
get ready to jump
We learned our lesson from the
start, my sisters and me
The only thing you can depend on
is your family
Life's gonna drop you down
like a limb from a tree
It sways and it swings and
it bends until it makes you see
Are you ready to jump
Get ready to jump
Don't ever look back, oh, baby
Yes, I'm ready to jump
Just take my hand
get ready to... Oh, you ready!
I'll work and I'll fight till
I find a place of my own
It sways and it swings and it
bends until you make it your own
I can make it alone
I can make it alone
I can make it alone

I can make it alone
I can make it alone
I can make it alone
I can make it alone
I can make it alone
My sisters and me
My sisters and me
My sisters and me
My sisters and me
Are you ready to jump
Get ready to jump
Don't ever look back, oh, baby
Yes, I'm ready to jump
Just take my hand
get ready to jump
Are you ready to jump
Get ready to jump
Don't ever look back, oh, baby
Yes, I'm ready to jump
Just take my hand
get ready to... Oh, you ready!
Are you ready to jump
Get ready to jump
Get ready to jump,
Get ready to jump, get ready to jump
Don't ever look back,
don't ever look...
Get ready to jump
[Confessions]
I have a tale to tell
I was three feet from the floor,
gasping for air,
trying to release my
father's hands from my throat.
I looked into his eyes and wondered
if my feet would
ever touch the floor again.
Have you ever been hit so hard
that it sends your body flying
across the room?

We all fall to the floor
at some point.
It's how you pick yourself up.
That's the real challenge.
Isn't it?
I've always lived
in my own world.
And I dance to escape
my troubles.
I've learned that there's
light even in the darkest places.
I can't blame my father
for anything.
You can't rely on other
people to make you happy.
But I know deep down inside,
he loved me.
There was a time
I suffered so much
I wanted to get it out of me.
I would cut my arms,
not to kill myself.
I don't want to die.
I know I am lucky to be
on this Earth.
I did it so the physical pain
would calm the pain that was
eating me inside.
Nothing was erased.
I leave with my past tucked away
deep inside of me.
It comes out
as an explosion and
it invades me.
I believe we are
messengers on Earth.
I believe in angels.
I am blessed by God to
tell myself I suffered that much
to become who I am today.
Now, you have to realize
not only do I have a family,
but now I have a whole hood.
And that's power.

But I ain't no grimey-ass nigga.
I was never out to kill anybody.
Especially when I made
that decision to gang-bang.
I just wanted to fit in.
But one day,
I was forced to do something
that made me open my eyes.
And I realized that
this shit ain't no game.
One of the homies got popped
and I was pressured into
doing my first drive-by.
It was kinda fucked up,
the way they tried to set me up.
Me and my bro, we was headed
back to the eight block.
Some homies rolled up
and they asked us to go somewhere.
We pulled up to the corner.
then he placed a chunky-ass
gun in my ride.
He said,
You know what to do with it.
It's time to get poppin'
for the hood.
But I wasn't out
to kill anybody.
[Live to Tell]
I have a tale to tell
Sometimes it gets so hard
to hide it well
I was not ready for the fall
Too blind to see
the writing on the wall
A man can tell
a thousand lies
I've learned my lesson well
Hope I live to tell
the secret I have learned,
'till then
It will burn inside of me
I know where beauty lives
I've seen it once,

I know the warm she gives
The light that you
could never see
It shines inside, you
can't take that from me
A man can tell
a thousand lies
I've learned my lesson well
Hope I live to tell
the secret I have learned,
'till then
It will burn inside of me
The truth is never far behind
You kept it hidden well
If I live to tell
the secret I knew then
Will I ever have
the chance again
In Africa 12.000.000 children
are orphaned by AIDS
If I ran away,
I'd never have the strength
To go very far
How would they hear
the beating of my heart
Will it grow cold
The secret that I hide,
will I grow old
How will they hear
When will they learn
How will they know
For I was hungry and you
gave me food
I was naked and you
gave me clothing
I was sick and you
took care for me
And God replied,
"Whatever you did for one of
the least of my brothers...
...you did it to me."

(Matthew 25:

[Forbidden Love]

Just one kiss on my lips
Was all it took
to seal the future
Just one look
from your eyes
Was like a certain
kind of torture
Once upon a time
There was a boy
and there was a girl
Just one touch
from your hands
Was all it took
to make me falter
Forbidden love
Are we supposed
to be together
Forbidden love,
forbidden love.
Forbidden love,
We sealed our destiny forever
Forbidden love,
Forbidden love.
Just one smile
on your face
Was all it took to
change my fortune
Just one word from your mouth
Was all I needed to be certain
Once upon a time
There was a boy
and there was a girl
Hearts that intertwine
They lived in a different
kind of world
Forbidden love
Are we supposed
to be together
Forbidden love,
Forbidden love.
Forbidden love,
We sealed our destiny forever
Forbidden love,
Forbidden love.

Just one kiss
Just one touch
Just one look
Forbidden love
Are we supposed
to be together
Forbidden love,
Forbidden love.
Forbidden love,
We sealed our destiny forever
Forbidden love,
Forbidden love.
Forbidden love
Are we supposed
to be together
Forbidden love,
Forbidden love.
Forbidden love
We sealed our
destiny forever
Forbidden love,
Forbidden love.
Just one kiss, just one touch,
just one look.

Will you sacrifice your comfort?
Make your way in a foreign land?
Wrestle with your darkness
Angels call your name
Can you hear

Will you ever be the same?
Mmmmmmm

Im nin'aaalu
Remember, remember,
never forget
All of your life has
all been a test
You will find a gate
that's open
Even though your
spirit is broken
Open up my heart
And cause my lips to speak
Bring the heaven and the stars
Down to Earth for me
Im nin'aaalu
Dal thae na di vim
Mmmmmmm

Im nin'aaalu
Mmmmmmm
Im nin'alu
Im nin'aaalu

[Sorry]

I'm Sorry

So Sorry

I'm Sorry

Please Forgive Me

I'm Sorry

(Je suis desole)

So sorry.

(Lo siento)

I'm Sorry

(Perdname)

I've heard it all before,

before, before, before, before,

before, before, before, before...

I don't wanna hear,
I don't wanna know
Please don't say you're sorry
I've heard it all before
And I can take
care of myself
I don't wanna hear,
I don't wanna know
Please don't say "forgive me"
I've sing it all before
And I can't take it anymore
You're not half the man
you think you are
Save your words because
you've gone too far
I've listened to your lies
and all your stories
You're not half the man
you'd like to be
I don't wanna hear,
I don't wanna know
Please don't say you're sorry
I've heard it all before
And I can take care of myself
I don't wanna hear,
I don't wanna know
Please don't say "forgive me"
I've sing it all before
And I can't take it anymore
Don't explain yourself
cause talk is cheap
There's more important
things than hearing you speak
You stayed because
I made it so convenient
Don't explain yourself,
you'll never see
I'm sorry
(Gomen nasais)
So sorry
(Mujhe maaf kardo)
I'm sorry
(Sli'kha)
Please, forgive me.

I'm sorry
(Je suis desole)
So sorry
(Lo siento)
I'm sorry, I'm sorry, I'm sorry,
I'm sorry, I'm sorry, I'm sorry...
Forgive me.
Sorry, sorry,
sorry, sorry...
I've heard it all before,
before, before, before, before,
before, before, before, before...
I don't wanna hear,
I don't wanna know
Please don't say you're sorry
I've heard it all before
And I can take
care of myself
I don't wanna hear,
I don't wanna know
Please don't say "forgive me"
I've sing it all before
And I can't take it anymore
Don't explain yourself
cause talk is cheap
There's more important
things than hearing you speak
I've heard it all before,
I've heard it all before,
I've heard it all before,
I've heard it all before,

The World is full of people,
Who talk and talk,
But how many others,
walk to walk?
[Like It Or Not]
You can call me a sinner
Or you can call me a saint
Celebrate me for who I am
Dislike me for what I ain't
Put me up on a pedestal
Or drag me down in the dirt
Sticks and stones
will break my bones
But your names will never hurt
I'll be the garden,
you'll be the snake
All of my fruit is yours to take
Better the devil that you know
Your love for me will grow
Because this is who I am
You can like it or not
You can love me
or leave me
'Cause I'm never gonna stop
No, no... You know
Cleopatra had her way
Matahari too
Whether they were good or bad
Is strictly up to you
Life is a paradox
And it doesn't make
much sense
Can't have the femme
without the fatale
Please don't take offense
Don't let the fruit rot
under the vine
Fill up your cup and
let's drink the wine
Better the devil that you know
Your love for me will grow
Because this is who I am
You can like it or not
You can love me

or leave me
'Cause I'm never gonna stop
No, no... You know
This is who I am
You can like it or not
You can love me
or leave me
'Cause I'm never gonna stop
No, no... You know
No, no... You know
No, no... You know
No, no... You know
I'll be the garden,
you'll be the snake
All of my fruit
is yours to take
Better the devil that you know
Your love for me will grow
Because this is who I am
You can like it or not
You can love me
or leave me
'Cause I'm never gonna stop
No, no... You know
This is who I am
You can like it or not
You can love me
or leave me
'Cause I'm never gonna stop
No, no... You know
[Sorry (Remix)]
Speak
Don't say forgive me
Don't say you're sorry
I...
can't take it
anymore
Can't take it
Can't take it
Can't take it

Can't take it
anymore
I've listen to tour lies,
then all your stories
And I... And I...
And I can't take it anymore
Can't take it
Can't take it
Can't take it
Can't take it
anymore

Don't say forgive me
I've hear it all before
Don't say you're sorry
I've seen it all before
And I... And I...
I've heard it all before
Don't talk
Don't speak...
Don't talk
Don't speak...

Is Anyone Listening?
[I Love New York]
I don't like cities,
but I like New York
Other places
make me feel like a dork
Los Angeles is for
people who sleep
Paris and London,
baby you can keep
Baby you can keep,
baby you can keep,
Other cities always

make me mad
Other places always
make me sad
No other city ever
made me glad
Except New York
I love New York
I love New York
I love New York
If you don't like my attitude,
then you can Fu... off
Just go to Texas,
and you can suck,
Jeb Bush's dick
New York is not for little
pussies who scream
If you can't stand the heat
then get off my street
Then get off my street,
then get off my street,
Other cities always
make me mad
Other places always
make me sad
No other city ever
made me glad
Except New York
I love New York
Thank you...
Now, I know you people
did not take this song personally.
Because New York is
a state of mind, it's not a place.
It's the "fuck you" attitude.
Okay?
Now, I want you to show me
your "fuck you" attitude on
the next song. Okay?

I wanna everybody's hands
up in the air.
I wanna you to wave
like you just do care.
Now I wanna see
everybody jumping. Come on.
Let the feet above the ground.
Let's go.
I wanna see this
whole building jumping.
I wanna see all
of London jumping.
I wanna see the whole
world jumping.
Come on, motherfuckers!
[Ray of Light]
Zephyr in the sky
at night I wonder
Do my tears of mourning
sink beneath the sun
Come on,
keep on jumping.
She's got herself
a universe gone quickly
For the call of thunder
threatens everyone
And I feel
like I just got home
And I feel
And I feel
like I just got home
And I feel
Faster than the speeding light
she's flying
Trying to remember
where it all began
I don't see you jumping.
She's got herself
a little piece of heaven
Waiting for the time when
Earth shall be as one
And I feel
like I just got home
And I feel

Come on,
keep on jumping.
And I feel
like I just got home
And I feel
Quicker than a ray of light
Quicker than a ray of light
Quicker than a ray of light
Here we go...
Zephyr in the sky
at night I wonder
Do my tears of mourning
sink beneath the sun
She's got herself
a universe gone quickly
For the call of thunder
threatens everyone
And I feel
And I feel... And I feel...
And I feel... And I feel...
Come on, London!
Let me see you jump!
Quicker than a ray of light
then gone for
Someone else shall be there
through the endless years
She's got herself a universe
She's got herself a universe
She's got herself a universe
And I feel
And I feel
And I feel
like I just got home
And I feel
Quicker than a ray of light
she's flying
Quicker than a ray of light
I'm flying
[Let It Will Be]
Now I can tell you
about success, about fame
About the rise and the fall
of all the stars in the sky
Don't it make you smile?

Now I can tell you
about the place I belong
You know it won't
last long
And all those lights
they will turn down
Let it will be
Oh, let it be
You got to let it be
Won't you let it be
Now I can see things
for what they really are
You know, I'm not that far
I'm at the point of no return
Just watch me burn
Oh, let it be
You got to let it be
Won't you let it be
Won't you let it be
You got to let it be
Anyone can see
Let it will be
Just watch me burn
Now I can see things for
what they really are
You know, I'm not that far
I'm at the point of no return
no... no return, no... no return,
no... no return, no... no return...
Just watch me burn
You got to let it be
Won't you let it be
You got to let it be
Yeah!
Won't you let it be
You got to let it be
Anyone can see
Let it will...
be.
I think I just lay down
for a minute...
This is nice!
Cheers!
There seem to be

an awful lot of cameras
pointing at me right now.
I swear I had no idea they were
gonna be filming here tonight.
I really sorry, you guys.
No, seriously, I'm sorry.
I'm sorry,
If your vision is blocked
Forgive me...
I sure make it up to you,
I promise
Don't I always
make it up to you
Now early on...
early on the show I sing a song
And at the variant
I say "I can make it alone"
"I can make it alone,
I can make it alone", right?
You know that song, right?
You love that song, right?
But is a lie...
Because I can't really
make it alone.
And I would like to take
this opportunity to thank
The hundreds of people that help me
make the show happen every night
Please give them
a big hand...
Well... Hum...
I don't ever really thank
the people I work with, publicly.
And I should.
They're amazing. The Crew...
The lighting people,
the sound people.
My amazing band.
My dancers who defy gravity.
Hair, make-up, wardrobe.
I mean, it sounds really tedious,
but so many hardworking
amazing people
help me put the show together.

- And I can't make it alone...

- I love you! - So...

Pay no attention

to my nonsense.

Hum... There is also my fans.

Give yourself a big hand.

Come on! Let shift some light

on the subject

Thank you!

I can not make it alone!

[Drowned World / Substitute for Love]

We can do anything!

I traded fame for love

Without a second thought

It all became a silly game

Some things cannot be bought

I got exactly what I asked for

Wanted it so badly

Running, rushing back for more

I suffered fools so gladly

And now I find

I've changed my mind

The face of you

My substitute for love

My substitute for love

Should I wait for you

My substitute for love

My substitute for love

I traveled round the world

Looking for a home

I found myself

in crowded rooms

Feeling so alone

I had so many lovers

Who settled for the thrill

of basking in my spotlight

I never felt so happy

The face of you

My substitute for love

My substitute for love

Should I wait for you

My substitute for love

My substitute for love

Mmmm, mmmm, mmm,

mmmmmmmm...

Oohhh oh-oh oohhh...

Mmmm, mmmm, mmm,

Mmmm, mmm, mmmm...

No famous faces, far off places,
trinkets I can buy.

No handsome stranger,
heady danger, drug that I can try.

No ferris wheel, no heart to steal,
no laughter in the dark.

No one-night stand, no far-off land
No fire that I can spark.

Mmmmmmmmm...

Mmmm, mmmm, mmm,

mmmmmmmm...

Mmmm, mmmm, mmm,

Mmmm, mmm, mmmm...

The face of you
My substitute for love
My substitute for love
Mmmm, mmmm, mmm,
mmmmmmmm...

Should I wait for you
My substitute for love
My substitute for love
Now I find
I've changed my mind
This is my religion
This is my friend Yitzhak.

We're so happy
to have him with us.
Is you a good boy?
[Paradise (Not for Me)]

I can't remember
When I was young
I can't explain
If it was wrong
My life goes on
But not the same
Into your eyes
My face remains
[I've been so high]
I've been so down
[Up to the skies]

Down to the ground
I was so blind
I could not see
[Your paradise]
[Is not for me]
I've been so high
I've been so down
Up to the skies
Down to the ground
I've been so high
I've been so down
Up to the skies
Down to the ground
I can't remember
When I was young
I can't explain
If it was wrong
I was so blind
I could not see
Your paradise
Is not for me
There is a light
Above my head
Into your eyes
My face remains
Alright boys and girls,
it's time to get the dance shoes on.
You're listening to K.U.N.T.
It's all Madonna, all the time.
[Music Inferno / Disco Inferno]
Do you like to boogie-woogie?
Do you like to boogie-woogie?
Do you like to boogie-woogie?
Do you like my acid rock?
Where's the party?
I want to free my soul.
Where's the party?
I want to lose control.
Where's the party?
I want to free my soul.
Where's the party?
I want to lose control.

Hey Mister D.J.
put a record on
I wanna dance with my baby
And when the music starts
I never wanna stop
It's gonna drive me crazy
Music makes the people
come together, yeah!
Music makes the bourgeoisie
and the rebel
Do you like to boogie-woogie?
Do you like to boogie-woogie?
Do you like to boogie-woogie?
Do you like my acid rock?
Don't think of yesterday
And I don't look at the clock
I like to boogie-woogie
It's like riding on the wind
And it never goes away
Touches everything I'm in
Got to have it everyday
Music makes the people
come together, yeah!

Music makes the bourgeoisie
and the rebel

Music makes the people
come together, yeah!

Music makes the bourgeoisie
and the rebel

Hey Mister D.J.

[Erotica / You Thrill Me]
Erotic, erotic,
Put your hands all over my body
Erotic, erotic,
Put your hands all over my body
Erotic, erotic,
Put your hands all over my body
Erotic
You are who you are
And I wouldn't want
to change a thing
In spite of all the pain
that love can bring
Tell me what can I do?
I'm so in love with you
You thrill me
Surround me you feel me
You send me
You put me in a trance
You feel me
Inside me you take me
You know me
You put me in a trance
All over me
Erotic, erotic, put your
hands all over my body
Erotic, erotic, put your
hands all over my body
Erotic, erotic, put your
hands all over my body
Erotic

All over me

And I wouldn't want
to change a thing
In spite of all the pain
that love can bring

Tell me what can I do?
I'm so in love with you
You thrill me
Surround me you feel me
You send me
You put me in a trance

Inside me you take me
You fill me

your dancing shoes, London!

[La Isla Bonita]

Last night I dreamt of San Pedro

Just like I'd never gone,

I knew the song

A young girl with eyes

like the desert

It all seems like yesterday,

not far away

Tropical the island breeze

All of nature wild and free

This is where I long to be

La isla bonita

Come on!

I want see you shakening.

I fell in love with San Pedro

Warm wind carried on

the sea, he called to me

Te dijo te amo

I prayed that the days would last

They went so fast

Tropical the island breeze

All of nature wild and free

This is where I long to be

La isla bonita

And when the samba played

The sun would set so high

Ring through my ears

and sting my eyes

Your Spanish lullaby

I want to be where

the sun warms the sky

When it's time for siesta

you can watch them go by

Beautiful faces,

no cares in this world

Where a girl loves a boy,

and a boy loves a girl

La la la la la la la

La la la la la la la

Tropical the island breeze
All of nature wild and free
This is where I long to be
La isla bonita

Tropical the island breeze
All of nature wild and free
This is where I long to be
La isla bonita

- Come on, get on here.

- Tropical the island breeze
All of nature wild and free
This is where I long to be
La isla bonita

And when the samba played
The sun would set so high
Ring through my ears
and sting my eyes
Your Spanish lullaby
Andale, andale...

Come on, Jason.

And show the people
how we do it!

Tropical the island breeze
All of nature wild and free
This is where I long to be
La isla bonita

And when the samba played
The sun would set so high
Ring through my ears
and sting my eyes
Your Spanish lullaby
All, right.

Let's shake down.

[Lucky Star / Gimme! Gimme! Gimme!]

You must be my Lucky Star

'Cause you shine on me
wherever you are

I just think of you
and I start to glow
And I need your light

And baby you know

Starlight, starbright
first star I see tonight
Starlight, [starbright]

make everything all right
Starlight, starbright
first star I see tonight
Starlight, [starbright]
Yeah...

You must be my Lucky Star
'Cause you make
the darkness seem so far
And when I'm lost
you'll be my guide
I just turn around
and you're by my side
Starlight, starbright
first star I see tonight
Starlight, [starbright]
make everything all right
Starlight, starbright
first star I see tonight
Starlight, [starbright]
Yeah...

You may be my lucky star
But I'm the luckiest by far
You may be my lucky star
But I'm the luckiest by far
You may be my lucky star
But I'm the luckiest by far
You may be my lucky star
But I'm the luckiest by far
Starlight, starbright
first star I see tonight
Starlight, [starbright]
make everything all right
Starlight, starbright
first star I see tonight
Starlight, [starbright]
Yeah...

Starlight, starbright
first star I see tonight
Starlight, [starbright]
make everything all right
Starlight, starbright
first star I see tonight
Starlight, [starbright]
Yeah...

Do you wanna hear some more?
Every little thing
that you say or do
I'm hung up
I'm hung up on you
Waiting for your call, baby,
night and day, I'm fed up
I'm tired of waiting on you
[Hung Up]
Time goes by so slowly...
Time goes by so slowly...
Time goes by so slowly...
Time goes by so slowly
for those who wait
No time to hesitate
Those who run seem
to have all the fun
I'm caught up
I don't know what to do
Time goes by so slowly
Time goes by so slowly
Time goes by so slowly
I don't know what to do
Every little thing
that you say or do
I'm hung up
I'm hung up on you
Waiting for your call, baby,
night and day, I'm fed up
I'm tired of waiting on you
Every little thing,
Every little thing,
I'm hung up
I'm hung up on you
Waiting for your call,
Waiting for your call,
I'm fed up
I'm tired of waiting on you
Ring, ring, ring,
goes the telephone
The lights are on
but there's no-one home
Tick tick tock
it's a quarter to two

And I'm done
I'm hanging up on you
I can't keep on
waiting for you
I know that you're still hesitating
Don't cry for me
'cause I'll find my way
you'll wake up one day
but it'll be too late
Time goes by so slowly
so slowly, so slowly, so slowly...
I donna what to do
Every little thing
that you say or do
I'm hung up
I'm hung up on you
Waiting for your call, baby,
night and day, I'm fed up
I'm tired of waiting on you
Every little thing,
Every little thing,
I'm hung up
I'm hung up on you
Waiting for your call,
Waiting for your call,
I'm fed up
I'm tired of waiting on you
Time goes by so slowly
All right, London!
I want you to sing along with me.
- Can you do that?
- Yeah!
Time goes by so slowly
Time goes by so slowly
- Time goes by so slowly
- Huh?
Time goes by so slowly

Time goes by so slowly
All right, let's make this
a contest
Let's check on the left side.
Let me hear you sing.
... so slowly
Time goes by so slowly
Time goes by so slowly
I can't hear you
... so slowly
Time goes by so slowly
It's more like of the
right side on this big arena.
Let's check on the
middle of the runway
... so slowly
Time goes by so slowly
Oh, that was very good.
Let's check on the left side
Time goes by so slowly
Time goes by so slowly
Time goes by so slowly
Ok, I think the
left side is welly.
Let's check on the
end of the runway.
Let me hear you sing.
... so slowly.
Time goes by so slowly
Now, how about
you people in the back?
Let me hear you sing.
Time goes by so slowly
Time goes by so slowly
Time goes by so slowly
Come on, London! Now,
you can do better then that.
... so slowly

Time goes by so slowly
All together now!
I want everybody to sing.
Time goes by so slowly
No time to wait on you...
Have you confessed?
Have you confessed?
