Retard?  
Excuse me.  
Did you sterilize that hair clipper?  
No.  
That's what I was afraid of.  
Without sterilization,  
it can cause bacterial skin infection.  
What if one hair clipper  
infected everyone here  
Wait, wait.  
Bacterial skin infection  
This training is a condensed  
2-week military training program.  
I hope you all complete the training  
by following your drill instructors.

- Yes, sir.  
That's it.  
My father was Class of 1985  
of Police University.  
From early on,  
my father taught me well  
about public order and justice.  
You'll eventually learn them here.  
Order and justice are important.  
I want to become  
a police officer just like my father.  
What brings you here?  
Me?

You came here to fool around?  
Attention, please.

You come and sit down now.  
They're feeding us like

Aren't you gonna

No.  
Why not?  
Sausage is made with sodium glutamate  
and sodium nitrate, which are carcinogens.  
So why won't you eat them?  
Why would you eat  
carcinogens on purpose?  
Then I'll take them.  
Sodium glutamate

you could face real danger.  
In preparation,  
here at the Martial Arts Center,  
you'll choose one from Taekwondo,  
Judo, Aikido, and Kendo

and train for 4 years.

Got it?

- Yes, sir.

- Yes, sir.

I understand you're upset  
because two classmates  
have dropped out.

But you're almost there.

Keep going.

Got it?

Yes, sir.

Always answer loud and clear.

- Yes, sir.

- Yes, sir.

Today is the final round of the training.

It's the Mt. Buphwa race.

According to our tradition,  
candidates who can run up and  
back down the mountain in one hour  
will be accepted into the university.

But those who fail will be denied  
entrance for lack of physical competence.

Those who fail to reach the top  
will also be denied entrance.

Run with all your might.

Understood?

Yes, ma'am.

Get set.

Watch your step.

Hey, help me.

I'm sorry, man.

You little shit.

Geez.

What're you doing here?

Hey.

Help me. I can't walk.

Sorry but gotta go.

Hey!

I gave you my sausages.

Sausages.

I ate them because you wouldn't.

You asked first.

If you've eaten them,

I wouldn't have.

Shit, dude.  
Please help me.  
I wanna get into the school.  
Damn it.  
Hey.  
I'll buy you a steak.  
Steak?  
My dad is a big-timer  
at Majang Meat Market.  
Korean beef.  
Perfect marbling.  
Perfect marbling.  
Perfect marbling.  
Climb on my back.  
Seriously?  
Come on.  
Let's go.  
Holy shit.  
What did you eat?  
You're freaking heavy.  
We don't have time. Hurry up.  
Let's go.  
Lift your head. Go over there.  
Jae-Hong, how many is that?  
There are two left.  
What the  
What?  
We passed the hour mark.  
Then go faster.  
You try, asshole.  
Dude, you ruined everything!  
You crazy asshole.  
I'm gonna throw you over there.  
I'm sorry.  
Downhill.  
Hurry up.  
Get down.  
What happened?  
I fell down running.  
And I sprained my ankle.  
Gi-jun PARK assisted me all the way.  
Please accept him  
into the university.  
Plus I don't lack

physical competence either.

Shut up.

Yes, ma'am.

Raise your hand if you've seen  
these two helping each other.

Put your hand down.

Raise your hand  
if you haven't seen these two.

Candidates, on the ground.

Now!

It's our job to help people in need.  
But you've neglected your classmates  
when he was hurt.

How can you call yourselves police  
when you only care about yourselves?

Even if you made it back on time,  
you've all failed.

Get up.

You'll climb Mt. Buphwa again.

Lead the way.

Squad, move!

Go!

You two go to the infirmary.

Did we pass?

Now!

- Yes, ma'am.

- Yes, ma'am.

Yes! We're good.

Let's go.

Oh, my foot.

Where'd you go to high school?

Seoul Science High School.

Shouldn't you be at KAIS or something?

**c.vtext[KAIST:**

of MIT]/c KAIST is dull.

KAIST is dull.

KAIST is dull.

I wanna do something unique.

I wanna do something unique.

I think going to KAIS is pretty unique.

All my friends went to KAIST.

At my high school,

going to Police University is unique.

You mean eccentric?  
Why'd you come here?  
Tuition is free here.  
My mom has no money.  
What about your dad?  
I was raised by a single mom.  
That's a bit blunt.  
I'm not ashamed of it.  
You're right.  
So when are we gonna eat a steak?  
Whenever you wish.  
You wanna know something?  
What?  
I can eat like a food fighter.  
Well, we also own the butcher shop.  
Holy cow!  
Let's be best friends.  
All right.  
Are you a pervert?  
What do you mean?  
Don't rub it. Pound it.  
Let's go again.  
Don't disappoint me, bro.  
Come on.  
I do swear  
I do swear  
that I'll abide by  
University's regulations.  
As a member of the university,  
I'll uphold honor and pride  
and devote myself to my studies,  
fulfilling my duty.  
Hand down.  
To the University president.  
Present, arms.  
Salute!  
Salute!  
2 Years Later  
Man  
Gi-jun.  
Yeah?  
I wanna wear civilian clothes.  
I hate the color green.  
Especially this shade of green.

Hey, wait up.

Wait up.

List 3 sources of investigation

Examine victim, evidence, crime scene.

Passion, tenacity,

Big heart

Okay.

Most abduction cases target

female adults and children under 13.

Time is the most important factor

in abduction cases.

A missing person's survival rate

falls significantly as the time passes.

What do you call the time period

that a victim's most likely to be killed?

Jae-ho.

It's the golden time.

That's for hospitals.

It's the critical hours.

Bingo.

Listen carefully.

For an adult female,

the critical hours are 7 hours afterwards.

Statistically, 70% of the victims

are killed during that time.

As I've said last week, today I'll teach

you very useful self-defense techniques.

Any volunteers?

I will.

- Hi-yah!

- Hi-yah!

When a suspect

attacks with a weapon.

Slowly.

Slowly!

When a perpetrator

attacks with a weapon,

you cross your wrists and

trap the suspect's arm.

Jump and boom!

Hi-yah!

See that?

Yes, sir.

His arm is stuck in between

my wrists.  
Yes, sir.  
Then you make a big semicircle  
and bend his wrist.  
Now the attacker is  
bound to drop his knife.  
See that?  
Yes, sir.  
Now, you'll strike his nose  
with your palm.  
Hi-yah!  
If the attacker's still standing,  
play your last secret card.  
Strike the attacker's neck.  
Hi-yah!  
That looks truly helpful.  
A round of applause.  
Applause.  
Hi-yah!  
Hi-yah!  
Hee-yeol.  
What're you doing for Christmas?  
I'm going to an Internet cafe  
with Gi-jun.  
I'm gonna hang out with my girlfriend.  
You don't have a girlfriend.  
I know.  
You stupid fools.  
What?  
What's this?  
My girlfriend.  
Where'd you meet her?  
I don't see why  
I have to tell you that.  
Nope, I don't think so.  
Gi-jun, make him talk.  
Let me interrogate.  
Where'd you meet her?  
Where?  
At a club.  
Which club?  
No way. I'm not telling you.  
Which club?  
Octagon.

It's club Octagon.  
He met her at Octagon?  
Is it expensive to get in to Octagon?  
Octagon?  
\$30 for a cover. With drinks,  
it'll get seriously expensive.  
We won't order drinks.  
How will you pick up girls  
without buying them drinks?  
Look. My mom said that  
women fall for men with cute smiles.  
Give me a smile.  
Wow, you've got lots of teeth.  
Shut your trap.  
Try showing only up to your cupid's.  
A little more.  
This is no good either.  
Darn you.  
But you're better looking than Jae-ho.  
Shit, he looks old.  
That just looked good.  
- This?  
- Yeah.  
- This looks good?  
- Yeah.  
Say that I'm better looking  
than Jae-ho again.  
You're better looking than Jae-ho.  
Shit, he looks old.  
This?  
- You got it.  
- Oh yeah?  
- I got it, I got it.  
- You got it, you got it.  
We're ready to go.  
- Bang!  
- Bang!  
Hey, which one looks better?  
Shit. They're all crap.  
This one's better.  
What about me?  
Shit.  
It's a duffle coat and its twin.  
What're you gonna wear?

I know what I'm gonna wear.  
Shit, is that from a donation bin?  
This is Cambridge Members.  
Cambridge or whatever it is.  
If you wear that, we won't get in  
even with a \$30 cover charge.  
Then what do I do?  
This is all I got.  
This ain't good.  
Let's get some help.  
No matter how hard you try,  
you can't flip Gi-jun over.  
I can do it.  
- Hi.  
- I can do it.  
Choose from here.  
Choose what?  
- What?  
- Thanks.  
No, that's brand new!  
What're you looking at?  
Wait, I have to focus.  
Okay, got it.  
Let me borrow this for a day.  
Why should I?  
Because we're friends?  
Not good enough.  
What do you want?  
Me?  
During judo class,  
let me win by ippon  
in front of everyone.  
Crazy ass  
Okay.  
A shoulder-throw?  
Okay.  
Yahoo!  
You need cologne.  
That smells great.  
Let's go.  
Leave Request Form  
For love life.  
Are you two up to  
something no good?

- No, sir.  
- No, sir.  
Go. Your bus will leave.  
- Thank you, sir.  
- Thank you, sir.  
I'm jealous.  
Police Univ. To Gangnam  
Jae-ho's clothes aren't half bad.  
You look good in them.  
You too.  
Uh-oh. The bus is leaving.  
- Oh, no!  
- Wait!  
Are you a cop?  
No, we're still students.  
Celebrity? Who?  
Please wait.  
A celebrity? Really?  
Celebrity!  
I think a celebrity is here.  
What the  
It's Chansung!  
Chansung.  
2PM!  
Chansung rocks!  
You rock!  
I know. Put your hands up!  
Is this what I think it is?  
Grinding?  
Grinding!  
Holy shit. It's so packed!  
No joke.  
Wow, Octagon.  
Let's go.  
- Excuse me.  
- It's AHN Soo-min.  
It's AHN Soo-min. You rock!  
She's from the TV show,  
Unpretty Rapstar.  
- What's up?  
- Unpretty Rapstar!  
Yeah, AHN Soo-min.  
Holy shit.  
- This place kicks ass.

- Kickass!  
- Over there.  
- Let's go.  
Finally!  
Hello.  
Are you on your military leave?  
Pardon me?  
Are you in the military?  
I see.  
I'm a Police University student.  
Oh, you're a cop.  
Hi, sweetie.  
Shit, he looks old.  
Hey there.  
You're cute.  
Pardon?  
Let's go dance.  
Hey!  
What about me?  
Where's mine?  
You're so cute.  
I'm cute. So cute.  
Hi, sweetie.  
Bye.  
Hello.  
What're you doing for Christmas?  
What line of work are you in?  
I'm a student.  
Are you studying abroad?  
No, at Police University.  
So you're a police officer?  
Yes. No, when I graduate.  
Why would you do that?  
You'll be poor for life.

**MISSING:**

grandson CHOI  
You really think  
we should become cops?  
What's wrong?  
I've been thinking.  
At least Jae-ho has a goal.  
We don't.  
I'm here because I'm penniless,

and you came here by accident.

Dang.

After we graduate,

we'll be cops for life.

I don't know if this is right.

School is boring for me too.

Hi-yah, my ass.

They teach useless stuff.

I put up with it for 2 years already.

I can't drop out now.

What're we doing for Christmas?

I don't know. Christmas, my ass.

How about Italian? I'll buy.

I know. I'm sorry.

Idiot.

Let's get out. I feel suffocated.

What do you wanna do?

How about Internet cafe

right about now?

I think it's Overwatch time?

Die. Die.

Die.

Let's go.

Nerf this!

I love you too, girl.

All right. I'll be home soon.

- Hee-yeol, you saw that?

- Yup. The pink one.

I think God has given us

one last chance.

If she turns around right now,

it's a sign from God.

- Okay. Turn around.

- Turn around.

Turn around.

Turn

- Holy.

- Wow.

What just happened?

Holy geez.

- Jackpot! Sweet!

- No way.

She's gone. Let's go!

If we follow her like this,

she might take it the wrong way.  
Then what should we do?  
Let's just follow her.  
Don't hit me, asshole.  
It's now or never.  
Go ask her number.  
You do it.  
You're better looking than me.  
Come on.  
I agree with you on that,  
but let's do rock-paper-scissors.  
Rock Paper Scissors!  
Play or you go.  
Rock Paper Scissors!  
Rock Paper Scissors!  
Don't do this now.  
Hurry up.  
One round only.  
Rock Paper Scissors!  
Scissors!  
Go get her number. Hurry up.  
What the  
We almost got them!  
Stop!  
It's dialing. Pick up!  
Come here.  
Pick up, pick up!  
Please pick up.  
- 911, what's your emergency?  
- Hello?  
I just saw a girl being kidnapped.  
Yes.  
She looked like a college girl.  
Some men knocked her out  
and put her in a van.  
Yes, I witnessed it myself.  
Yes. Excuse me?  
No, I don't know her.  
The license plate number?  
You know it?  
37GU8338, a green Starex van.  
- We got them.  
- We can do this.  
Yes!

Pardon? What's wrong?  
No way.  
I have a really good memory.  
Then what about 8838?  
That's right. Hurry!  
Pardon?  
Then what about 8383?  
Shit.  
Pardon? Oh, okay.  
What did he say?  
They can't find it.  
What?  
They want us to wait here  
for the patrol car.  
How long will that take?  
About 10 minutes?  
10 minutes?  
Let's go.  
Go where?  
We'll still need to go to the station  
to make a report.  
In 10 minutes,  
we can go to Gangnam Police Station.  
Let's save time. Come on.  
Okay!  
Taxi!  
Salute.  
Salute.  
Salute.  
Thank you.  
Thank you.  
We're from Police University.  
We're here to report a crime.  
Good evening.  
Which floor is  
Missing Persons Unit on?  
They're getting ready  
to be dispatched.  
Pardon?  
There they are.  
Sir, they're here for  
Missing Persons Unit.  
What can I do for you?  
We're Police University students

and want to report a crime.

What class are you in?

Pardon?

We're Class of 2017.

I was Class of 1999.

- Hello, sir.

- Hello, sir.

So what was the crime?

We saw a woman getting kidnapped  
near Nonhyun station, 30 minutes ago.

Are you sure?

- Yes, sir.

- You knew her?

No, sir.

I see. We're on the move  
on a Chief's special order.

Some business mogul's  
grandson went missing.

I'll lead the initial investigation  
and be back asap. Wait here.

Excuse me, sir.

For adult women, since the critical hours  
occur during the first 7 hours of  
abduction, - Captain, please hurry.

We were taught to  
start investigating asap.

That's right.

You were taught correctly.

But the Chief's order comes first.

Wait here. I'll be back soon.

What do we do now?

It'll be too late when he gets back.

Then what do we do?

We can't go looking.

Seriously?

Yeah.

We're the only ones  
who know she's kidnapped.  
She could die without us.

That's true.

But we can't track her phone  
or see the CCTV tapes.

What can we do?

I know you're smart,

especially at a time like this.

Think of something

you've learned from school.

Hey.

Should we use

the 3 sources of investigation?

How do we do that?

3 sources of investigation.

Examine victim, evidence,  
crime scene.

Let's do that.

What's wrong?

Nothing. Keep going.

We can't examine the victim  
because we don't know the victim.

We can't examine evidence  
because there's no evidence.

So we examine the crime scene.

That's true, but

Let's go back there.

I don't think we'll find anything.

Even if we don't, we should try.

Okay. Let's go.

Come on.

Here, here.

This is it. Thank you.

Wasn't it this way?

Yeah.

I think we're almost there.

I think it's here.

Hey, the van was here.

- Here?

- Yeah.

So if the van was waiting here,  
it's likely that it was premeditated.

If it was premeditated, it's likely  
that they're habitual offenders.

Which lowers the chance  
of us catching them.

You're right.

Hey, look.

Wasn't the pink girl  
carrying that earlier?

Yeah.

Right?  
What's wrong?  
You open it.  
I think it's alive.  
What's this? Blood!  
It's Topokki.  
Is it?  
That's a lot of Topokki.  
Maybe enough for 4 people.  
Who cares?  
You know of anyone who  
freezes Topokki for later?  
I've never done that.  
It means she has people  
to share at home.  
Kickass lifestyle inference!  
Only if we knew her address,  
we'd find more.  
There's not even a receipt.  
We can't find her house, but  
we might find the Topokki stand.  
Because Topokki gets mushy easily  
so people buy them near homes.  
Freaking forensics.  
Let's go.  
Yes, iPhone 6. Pink.  
What do you mean?  
Mr. Hwang,  
how could you do this to me?  
You paid \$300 last time.  
I want \$500 for this one.  
Or you won't get the girl.  
Is this from your stand?  
It's too sweet.  
It's not mine.  
Are there many  
Topokki stands around here?  
There are a few, but  
they're all about to close.  
Really?  
Let's hurry.  
Thank you.  
Thank you.  
Where do we go?

Let's go this way.

Okay.

Excuse me.

Are there any Topokki shops near here?

There's one Kukde Topokki shop  
over there.

Over there?

- Thank you.

- Thank you.

Did you sell these Topokki?

Our scallions are rectangular,  
but these are stringy.

It's not ours.

I'm sorry, but do you know  
where this is from?

How should I know?

Try another place.

- Okay.

- Right?

Okay.

Stop interfering with my business  
and please leave.

We're sorry.

Let's go.

- No, it's not ours.

- Okay.

Is this a mistake?

Where to?

- Sorry.

- We're sorry.

- Let's go over here.

- Come on.

Hello, ma'am.

Could you please see  
if this Topokki is from your stand?

I don't know anything.

Excuse me, ma'am.

It might be closed already.

Should we call Prof. YANG?

He worked in Serious Crime Unit.

He'll be more upset

if he knows what we're doing.

Gi-jun, listen.

Can we examine evidence right now?

No.  
Then can we examine the victim?  
No.  
So calling Prof. YANG  
would be a bad idea, right?  
I know this isn't  
the right time to say this.  
But you know what I wrote  
as the 3 sources of investigation?  
What?  
Passion, tenacity, big heart.  
I got it wrong.  
Are you a moron?  
I think so.  
Come on. We can find it.  
- Okay.  
- There must be one.  
There must be.  
Hello.  
No one's here.  
The scallion!  
You're right.  
- We found it.  
- This is it.  
Hello, handsome boys.  
Is this Topokki from your stand?  
Yes.  
Then do you remember  
the girl who bought this?  
I have a lot takeout customers.  
She was wearing a pink parka  
and had a very small face  
Like this big.  
She sounds like the girl,  
who comes here often at midnight.  
Tall.  
- That's her!  
- That's her!  
My goodness.  
You wouldn't know  
her house, would you?  
No.  
Oh, I know where she works.  
7-eleven over there.

I met her there once.  
I saw her coming up from  
the building's basement in front.  
- Thank you.  
- Thank you so much.  
Across.  
The basement.  
This is the place.  
Gi-jun.  
Yeah?  
She must work at  
the ear-cleaning salon.  
What's that?  
You rest your head in a girl's lap  
while she cleans your ear.  
If you work her up to it,  
she'd let you touch her boobs.  
Holy mother.  
How do you know about this?  
In high school, my friends  
wanted to go so I googled it.  
You went.  
I didn't go because  
they don't sterilize ear picks.  
- You did go, loser.  
- I did not, loser.  
You so did.  
Shush.  
If we get caught in this shady place,  
we'll be expelled.  
But we don't go in,  
we'll never find her.  
But we could get expelled.  
Then don't get caught.  
One keeps watch  
while the other goes in.  
I'll keep watch.  
No.  
I don't want to either.  
Do rock-paper-scissors.  
- Is that all you know?  
- Play or go. Rock Paper Scissors!  
Get in there.  
Please just this once.

Two out of three.  
So damn bitter.  
Rock Paper Scissors!  
Get in there.  
You always play rock.  
Idiot, it's you who always  
play scissors. Go!  
Shit.  
Come on in.  
Okay.  
Go to Room 3.  
I'm actually here to find someone.  
Room 3.  
Yes, sir.  
That looks yummy.  
It's just ramen noodles. Geez.  
Hold back the urge. I can do it.  
I must.  
Wow, sausage.  
That's my favorite.  
I can keep watch from inside.  
Who are you looking for?  
She's got a small face.  
I don't know her name.  
What about her body?  
She's tall.  
You know her?  
What the  
Oh my god.  
It's so good.  
I need sausage.  
How cute! Are you in the army?  
Yes.  
What're you doing?  
The text  
Sit.  
Yes, ma'am.  
I'll start.  
Lie down. What's wrong?  
Wait, wait.  
Did you sterilize the ear pick?  
No, does it need to be?  
No, ma'am.  
Okay then. Relax.

Uh oh. That isn't good.  
Oh man.  
Hey, pigs!  
Sir, just ignore him.  
Kids like him end up criminals.  
I think he's drunk.  
Hello, pigs!  
Pigs.  
Sir?  
Hey, pigs.  
Pigs!  
You come here.  
Stop right there.  
Why would I do that?  
Hey!  
Hey!  
You guys need to work out.  
Stop, stop, stop!  
I'm gonna go in deeper.  
Okay, ma'am.  
That's a big one. Stay still.  
Is he Captain America  
or something?  
I think he realized his mistakes.  
Justice rains from above.  
You, pigs.  
He realized?  
Uh oh.  
Stop right there.  
Stop, you little punk!  
You should come here more often.  
Look at all these.  
Okay.  
You know what? I'm not here  
to get my ear cleaned.  
What?  
Then why're you here?  
Should I tell you?  
Oh my goodness.  
Dear Mama, get well.  
What's wrong?  
A few hours ago,  
my friend and I saw  
some men knocking out a girl

and kidnapping her.  
Then I found out  
that she works here.  
Wait. Who?  
She has a small face.  
She's about 5'7".  
Her hair is about this long.  
We got a lot of girls like that.  
Anything else?  
I think she left work  
around midnight tonight.  
- Is it Yun-Jung?  
- Yun-Jung.  
- Her hair color?  
- Brown.  
Oh my. I think it's Yun-Jung.  
What should we do?  
Please calm down.  
You know her address?  
No, she ran away from home  
a long time ago.  
She ran away?  
Yeah, she's 17.  
Isn't it illegal to hire a minor?  
I'm working illegally too.  
This whole place is illegal.  
So you don't know  
where Yun-Jung lives.  
She told me she lives with  
her runaway friends nearby.  
Should I ask the other girls?  
Yes, please.  
Okay.  
64 Nonhyun-ro 27.  
Geez.  
What the heck?  
Run.  
- What's wrong?  
- Run fast!  
I got her address.  
Run for now.  
- What's with the patrol car?  
- Just run.  
What's going on?

Is this it?  
Watch your head.  
I think this is the place.  
Hello.  
Someone's home.  
Who are you?  
Hello.  
I was told that Yun-Jung lives here.  
Who are you?  
We're from Police University.  
We saw Yun-Jung get kidnapped.  
Is someone else in there?  
Okay. I'll open the door.  
Okay.  
Gun-young, is Yun-Jung okay?  
Shut the fuck up.  
You hear something?  
Hey, open up.  
Pull it.  
He ran away through there.  
Go that way.  
I'll go outside.  
I'll go this way.  
I'll go there.  
Hi-yah!  
Shit.  
Shit.  
Did you do that?  
Yeah.  
Jackpot.  
What do we do?  
This actually works.  
Do as you were taught.  
As we were taught?  
Come here.  
Why'd you run?  
Because you were  
coming after me.  
You must've run because  
you've done something bad.  
I didn't do anything bad.  
Please tell me the pass code.  
Don't be so polite.  
Tell me the pass code, biatch.

Yeah, asshole.  
- This really hurts.  
- Tell me now.  
Stupid ass.  
How do you know Yun-Jung?  
This really hurts a lot.  
I'll tell you everything  
if you let me loose.  
I wired \$1,000  
You sold off Yun-Jung, didn't you?  
I don't know anything.  
I just told them her name.  
To who? To Gun-ho?  
He said he'll pay for runaway kids.  
Who is Gun-ho?  
He's just a guy I know.  
Where's he right now?  
Where is he?  
Lamb kebabs. In Daerim-dong.  
- I have his business card in my wallet.  
- Find his wallet.  
Come here, asshole.  
He's loaded.  
What're they doing to the kids?  
I don't know.  
You don't know what they'll do,  
yet you still sold them off?  
I need money.  
Asshole.  
No matter how poor you are.  
Have you no shame?  
Gi-jun.  
Hegang Lamb Kebab  
Hegang?  
Let's go talk to the kids  
at Yun-jung's place.  
Get statements  
from acquaintances.  
It'll be dangerous for them  
to stay there tonight.  
I bet you're hungry.  
We need to ask some questions  
about Yun-Jung. Can we come in?  
How did you meet Yun-Jung?

We met at the runaway shelter.  
When?  
About a year ago.  
Why did Yun-Jung  
run away from home?  
She said her stepfather  
beat her all the time.  
She said sometimes  
he beat her unconscious.  
Where's Yun-Jung?  
Some bad men knocked her down  
with a bat and kidnapped her.  
Oh, Yun-Jung.  
Oh no.  
How could you tell  
them that, crazy ass?  
I thought they should know.  
Is she hurt badly?  
What? No.  
She wasn't hurt too badly.  
We're looking for her  
so don't worry.  
Mister.  
I can't live without her.  
Could you please find her?  
Please?  
Please save her.  
Girls.  
We'll find Yun-Jung no matter what.  
So don't cry.  
Take this.  
And get out of here.  
Find some place warm to sleep.  
When we find Yun-Jung,  
we'll call you.  
I see a taxi.  
Taxi, taxi!  
Get in.  
Hello.  
To Daerim-dong, please.  
Where in Daerim-dong?  
Here's the address.  
For police to work,  
someone needs to report a crime,

or police need orders from above.  
That's right.  
But no one'll report a crime  
when a runaway is kidnapped.  
Family won't know she's missing  
because she's already gone.  
Runaway friends are afraid of cops  
so they won't call in.  
They calculated the target,  
place and everything else.  
They're smart.  
What do you think they're doing  
to the kidnap victims?  
Human trafficking.  
Sir, please hurry.  
Fucking bitch.  
- Get her.  
- Okay.  
Please don't kill me.  
Medicine time.

**Student ID:**

Guys, this is Daerim-dong.  
I can't believe this is Korea.  
Look at the signs.  
This is China.  
I've never seen anything like it.  
What the  
You guys.  
Only Korean Chinese live here.  
Many stabbing incidents  
happen at night.  
There are many ruthless illegals  
that cops won't even touch.  
You shouldn't walk around  
if unnecessary.  
Thank you.  
This is the place. Thank you.  
Thank you.  
Right?  
Yup.  
Let's go.  
We close at 4 am.  
Order from 2 servings.

Okay.

He's pretty good.

- This game is fixed.

- Give me the phone.

What?

The phone.

It's not fixed.

But how come I keep losing?

Stupid moron.

Not yours. The asshole's.

Gun-ho

If I lose again,

this game is fixed.

- That's our guy.

- That's him.

- You sure the game isn't fixed?

- Yeah.

What do we do now?

First, let's order.

Stupid ass.

This place is expensive.

Shall we go?

- Okay, let's go.

- Sure.

- Let's go.

- Who are you?

Where's Gun-young?

Where's Gun-young?

Why do you have

Gun-young's phone?

Why do you have

Gun-young's phone?

Who are you?

Who the fuck are you?

Who are you?

Hee-yeol!

Gi-jun, you okay?

Yeah.

We kick ass.

Let's get him to talk.

Where's Yun-Jung?

Where's Yun-Jung?

Start talking.

Tell us now.

I'll never tell you, shithead.  
Crazy ass,  
you think this is a joke?  
Hold him down.  
Okay.  
I said, talk.  
Hell yeah.  
What're you gonna do with that?  
I don't know.  
Start talking now.  
What're you poking me with?  
I won't tell you either, asshole.  
Let's use words.  
Words? He's freaking vicious  
and ignorant.  
I'm freaking ignorant.  
I can stick this all the way  
up to your mouth.  
I won't tell you a thing, shithead.  
Crazy ass.  
Then die.  
Hurry up.  
Which way? Talk now.  
- Hurry up.  
- Talk!  
This way.  
We have a situation at Hegang.  
We need to go now.  
What?  
Gun-ho was taken.  
Everyone, up!  
Get out now. Hurry up!  
Is this the right place?  
Is this the right key?  
Go up.  
I'll go upstairs.  
Okay.  
Mister.  
Please save me.  
Mister.  
I'm in here. Please help me.  
Save me.  
Get us out of here.  
What is this place?

What're you up to?  
We're getting eggs.  
We give the girls shots  
and get their eggs.  
Gi-jun.  
You need to come here now.  
Okay.  
Don't worry.  
Even after we get their eggs out,  
you can still screw them.  
Fucking asshole.  
This room?  
No, all these rooms.  
What?  
Open this door.  
She's burning up.  
Isn't this blood?  
Blood?  
Shit.  
What do we do?  
Let's take her to the hospital.  
What about the other girls?  
Let's take her to the hospital first.  
Let's come back with the police.  
Okay.  
Be Careful  
Let's go.  
Hello, shitface.  
Head!  
Gi-jun, go.  
Hurry and go.  
I'll hurry back.  
Don't come near.  
Get back!  
Get back!  
Get back!  
What?  
Wait here.  
Oh no.  
Head!  
You stay put.  
Get him.  
Hee-yeol!  
Where are you going, fucker?

Gi-jun!  
Who are you?  
The police.  
Can I see your badge?  
You shouldn't play cop.  
Fucker.  
This fucker can take it pretty well.  
Get up.  
Get up, bitch.  
Police?  
Motherfucker.  
Gi-jun.  
Gi-jun.  
Get up.  
Gi-jun.  
Hee-yeol.  
Something's dripping down my face.  
Your head's bleeding a lot.  
I knew it.  
It feels really hot.  
I think they extract organs here.  
Do something.  
You go!  
Be quiet.  
It freaking hurts.  
My shoulders hurt.  
Where are our jackets?  
It's all gone.  
No wallet and no phone.  
Let's get out of here for now.  
Okay. No buttons either.  
Was that you?  
Gi-jun.  
Go!  
Run, run!  
Run!  
Get them!  
It's a dead end.  
Stop right there.  
Go.  
Shit!  
Police station.  
- Police station!  
- We're almost there.

We're safe.  
Fuckers. Go get the girls. Now!  
Hurry!  
Where are they going?  
Are they going back  
to get the girls?  
Let's go report them.  
Hello.  
How may I help you?  
There are girls locked up  
in an abandoned building.  
An abandoned building?  
I don't know exactly where it is.  
It's within a 5 minute  
running distance.  
Come with us. We can explain.  
Let's go.  
First, let me see your IDs, please.  
Pardon?  
They took our wallets and phones.  
I have to see your IDs first.  
It's part of the process.  
Can't you just look up  
our resident number?  
I need your photo IDs.  
If we don't go now, I don't know  
what's gonna happen to the girls.  
- We must go now.  
- He's right.  
We have to follow the process.  
Is the process more important  
than a person's life?  
Look.  
Because of the process,  
we can save people.  
Fucking police. Fuck you.  
Fuck you?  
- Gi-jun.  
- Come on!  
Are you gonna be responsible  
if something happens to those girls?  
Huh? Are you?  
You punks.  
We're sorry.

Let's go.

You two, stop right there.

- Stop and do what?

- Gi-jun.

- Stop it.

- You're gonna shoot us?

Yes, I am.

Shoot me then.

- I will shoot.

- Shoot me.

What's this?

3 Missed Calls

Why're they handcuffed?

They didn't have IDs.

And they made a scene  
at the police station.

They're Police University students.

Please let them go.

Please show me your ID.

I'm Prof. YANG Sung-il  
at Police University.

Sir, girls are locked up  
in an abandoned building.

What?

Someone's retrieving their eggs.

Where's this abandoned building?

In 2007, I caught an egg broker and  
saw that ovulation drug for the first time.

A healthy woman normally  
produces one egg per month.

With this drug, she can  
produce up to 20 eggs.

Egg brokers connect infertile couples  
and egg donors for a fee.

Listening to your story,  
I think some criminal organization  
kidnaps and locks up high school girls  
and periodically retrieves their eggs,  
like in an egg farm.

Sir, this is the place.

They're gone.

They were locked up here.

She had severe bleeding  
and a high fever.

This isn't something that  
a patrol division can handle.

Let me ask someone from RIU,  
the Regional Investigation Unit.

Will they start  
the investigation today?

No, not that fast.

Pardon?

Then when can they start?

They have their own schedules.

Internal investigation alone  
will take 2 weeks.

2 weeks.

But you said the most crucial factor  
in kidnapping cases is time.

That's correct, but there are  
other lives to save also.

Every life is important.

Is there any unit  
that can start sooner?

There's something called  
intelligence-based investigation.

Special Investigation Unit and RIU  
usually handle them.

But SIU is busier than RIU right now.

Then can we look  
for them ourselves?

That's right.

They couldn't have taken  
all the girls too far away.

I understand how you feel  
but there's nothing we can do.

Go back to school.

Prof. YANG!

They were younger than us.

They were kidnapped and locked up.

You kids.

You're not police officers.

You're still students.

Even if we're students,  
we witnessed the crime  
and have evidence.

Why can't we do anything?

Don't get smart with me.

Let the adults take it from here.

Got it?

- You punks.

- Prof. YANG.

I know the license plate number  
of the kidnapper's van.

It's an old green Starex.

37GU8338.

I know you can run a plate number  
with one phone call.

Please, just this once.

Please, I beg you.

Hi, Do-chul.

I know. It's been 10 years.

I need a favor.

Will you run a plate number?

37GU

- 8338.

- Let's go.

Yes, now.

Is that right?

Thanks. Bye.

It's an unregistered vehicle.

They have to manually search  
the CCTV tapes.

The case's detective has to file  
an official request to the CCTV center.

RIU will be done with their case  
in a month.

They'll be able to help then.

One

How can we wait a month?

Then should they throw out  
everything and work on our case?

That's not what I meant.

I'm done talking.

So you two go back to school  
and study hard.

If you get involved with this again,  
you'll be expelled.

Got it?

Yes, sir.

You kids.

Always answer loud and clear!

- Yes, sir!

- Yes, sir!

Hee-yeol.

Yeah.

Are they gonna be okay?

The upside is that

we still have time to save them.

Hey, where's my jacket?

Geez, what's wrong with you two?

Something came up.

I'll buy you a jacket. Sorry.

Well

Forget it.

Did you go to the hospital?

We just got back.

Hey, your father still works

for the force, right?

You bet.

The chief loves my father.

Then he might have friends

at Gangnam CCTV center, right?

We know someone there too.

Who?

Who?

I'm too afraid to say it.

Just spit it out.

No, I can't.

Just tell us.

No.

- Why not? Say it.

- Come on, loser.

Medusa.

You were playing phone games

during working hours?

How dare you?

I'm sorry, ma'am.

I bet you're sorry.

We're sorry, ma'am.

Hello?

Hello? Good afternoon, ma'am.

This is cadet Gi-jun Park,

Class of 2017.

Hi.

Long time no see.

How have you been, ma'am?  
I'm good.  
What do you want?  
My friend was the victim in  
a hit-and-run in Gangnam.  
Police said the driver's car  
was unregistered.  
We'll have to manually search  
all the CCTV tapes to find that.  
It'll take days.  
Yes, I heard about that.  
It's really important.  
Just this once, please.  
All right.  
License plate number,  
make and model.  
Time and place of the crime,  
last place seen.  
Text me all those.  
Yes, ma'am.  
I'll find it no matter what.  
You catch the driver.  
Yes, ma'am.  
So there'll be no other victims.  
Got it?  
Thank you, ma'am.  
- She said okay?  
- This is great.  
Now, we should prepare.  
So now.  
We get weapons.  
Two police batons.  
Two handcuffs.  
Two Taser guns.  
Two protective gear.  
Is this correct?  
Is this everything  
Prof. YANG asked for?  
I think so.  
Yup.  
Return them by next Wednesday  
in original condition.  
Wednesday.  
- Yes.

- Okay, Wednesday.  
Thank you.  
Thank you.  
I'll shoot.  
Be careful.  
- I did it.  
- You did?  
Wow!  
We can definitely catch him with this.  
Heck ya.  
We gotta get them out.  
Nasty.  
We can't use this.  
Fuck.  
Forget the eggs. Get her organs.  
Please don't kill me.  
Where are you taking her?  
Please save her.  
Please I beg you.  
Please.  
Hey.  
Are you okay?  
Oh my goodness.  
- Asshole.  
- One more.  
Just one more.  
Last one.  
Nope, cancel that. 98.  
One, two, three, four  
five, six, seven.  
Eight, nine, ten.  
They're dead meat.  
Intelligence-based investigation starts  
without receiving a crime report.  
Police are first to recognize the crime  
and start investigating.  
Let's grill them all.  
Medusa  
It's Medusa.  
I almost shit myself.  
Hello, ma'am.  
What took you so long to answer?  
I'm sorry, ma'am.  
The van you're looking for.

It's 37GU8338, correct?

Yes, ma'am.

On Nov. 13th and 27th at 5 pm,  
I have it turning left on Kyodae junction  
toward Seoul Arts Center.

I also found something interesting.

On both times,

there's another Starex behind it.

With H Fertility Clinic logo on it.

It might be connected

so do your research.

Yes, ma'am. Thank you, ma'am.

H Fertility Clinic

Closed 2nd and 4th Sundays

I think this is where

they retrieve eggs.

2nd Sunday is

Two days from now.

You think we can do this?

You cracking up?

You scared, wuss?

Shut up, idiot.

The girls.

Let's go save them.

Stay alive until then.

Ms. Yun-Jung is a college student,  
majoring in English.

To support herself financially,  
she has donated her eggs.

I've met her myself.

She's healthy and outgoing.

She's tall too.

She's beautiful.

Yes, she is.

The cost of IVF with Ms. LEE's eggs  
will be about \$80,000.

Anything for our baby.

I promise you the most beautiful  
baby in the world.

Have faith in me.

This, this, this, this.

This, this, this.

Get them in the van.

Young police officers, be ambitious.

There they come, 8338.  
Hurry and get off the van.  
Fucking bitches.  
That's \$20,000.  
I put in a bit more.  
Thank you.  
To the operating room, please.  
When are you gonna play next?  
I don't know. If you got money  
What's that noise?  
Those fuckers are back.  
That's a lot of thugs.  
Let's go.  
Gi-jun, you okay?  
Geez. You scared me.  
You okay?  
What happened to your hand?  
I'm sorry.  
Bitch.  
I think it's fractured.  
Dumbass.  
What about your Taser guns?  
They're smashed.  
What?  
We're screwed.  
What do we do?  
Before they wake up,  
let's go up.  
Get up.  
Doors opening.  
What the  
Excuse me.  
Which floor is the operating room?  
The 8th floor.  
- Thank you.  
- Thank you.  
My nose freaking hurts.  
Shit.  
Gi-jun!  
Lots of eggs.  
I don't know about this.  
Let's cuff him.  
Okay. You go first.  
No, you go first.

No, you hit him with the baton first.  
Fuckers.  
You're gonna die today,  
fucking bitches.  
What the heck?  
Let's gang up on him.  
All right!  
Hi-yah!  
Cuff his legs first.  
We're okay now.  
- Where's the operating room?  
- The operating room?  
I think it's that way. Let's go.  
We almost made a big mistake.  
We gotta return these.  
Come on.  
Enjoy your right to remain silent.  
- Stop right there!  
- Stop right there!  
Who the hell are you?  
Don't you know what stop means?  
Good job.  
Is she okay?  
She was put under  
general anesthesia.  
Where are the other girls?  
Hee-yeol?  
Yeah.  
Let's call Prof. YANG.  
Prof. Yang  
Then we'll get expelled.  
We have no choice.  
Let's call him.  
Okay, let's do it.  
One.  
Two.  
Three.  
Four.  
You two have no regrets  
even if you get expelled, correct?  
I believe I've done the right thing, sir.  
Same here, sir.  
But Prof. YANG.  
I still want to go to class, sir.

Why?

I thought we learned  
useless stuff in school.

But it wasn't true.

I want to learn more.

How about you, Gi-jun?

I'd like to stay also, sir.

**I:**

Want

to be a police officer.

If we don't take disciplinary action,  
it would set a bad precedent.

But in the end,

our students did the right thing.

They saved over 20 kidnap victims.

They should be rewarded  
not punished.

Are you out of your mind?

How could you reward someone  
who committed violence?

Strictly speaking,

they've committed a crime.

Are you crazy

calling our students criminals?

Then everyone should go catch  
criminals instead of studying.

I think you're out of line.

They're not just regular students.

They're the future police officers.

- They're not officers yet.

- Expel them.

Prof. YANG, what do you think?

Someone talked about  
setting a bad precedent.

If Gi-jun PARK and Hee-yeol KANG  
neglected the kidnap victims  
and stayed in school,

I think that would be  
a worse precedent.

We taught them to be the first ones  
to respond to civilians in danger.

But if they've neglected victims  
so they wouldn't be punished,

I think that's more dishonorable,  
and they should be expelled.  
Personally, I was envious of the two.  
We once had that kind of passion.  
We weren't afraid of punishment  
when it came to catching bad guys.  
I think we've taught them well.  
They're not like those selfish kids.  
For others, they'd run all night.  
It makes me happy that  
we've taught them well.  
So what do you want to  
do with them?  
You punks should study  
with such enthusiasm.  
Gi-jun PARK. Hee-yeol KANG.  
You two should've been expelled.  
But President showed mercy, and  
you're to be held back a year.  
Don't like it?  
I like it, sir.  
Thank you, sir.  
And you have 500 detention hours.  
Since you'll be in school one more year,  
you should have enough time.  
Don't like it?  
- It's great, sir.  
- It's great, sir.  
You kids don't sound sincere.  
- It's really great, sir.  
- It's really great, sir.  
Attention.  
- Thank you, sir.  
- Thank you, sir.  
PARK SEO-JUN  
KANG HA-NEUL  
SUNG DONG-IL  
DIRECTED BY JASON KIM  
Hee-yeol.  
Yeah.  
How many hours of detention  
do we have left?  
473 hours  
and 20 minutes.

Not bad. Let's finish it up  
and go to an Internet cafe.  
Let's go shoot guns.  
What're you looking at?  
That.  
Hi.  
Thank you.  
Oh, this wind.  
You're welcome.  
You've survived.  
Are you okay?  
Let me see if she's okay.  
Would you like a campus tour?  
Come on.  
You look so good.  
I'm Hee-yeol KANG.  
And I'm Gi-jun PARK.  
This is our main building.  
Midnight Runners will be back.
