One in a Million

By Richard Marvin

We confirmed that she was
one of the contestants.
According to Interpol they're
organizing search parties.
We have to wait and see.
Right.
Her condition?
We'll know once
she gets checked up.
Okay.
Draw the curtains.
Are you feeling
better now?
What day is it today?
December 28th.
What really happened there?
Take your time,
try to remember it.
A survivor game is recruiting
contestants with \$1 million prize.
It's all the rage these days.
It's not a small figure
by any stretch of imagination.
Answer it already!
Hey, Soo-yun!
What?
Just one more day.
It'll go up for
sure tomorrow.
Yes, ma'am.
Mr. Seung-ho Ha?
Mr. Seung-ho Ha?
Hello?
Who the hell are you?
Just a man with the camera.
What?
Can I ask you a question?
How do you feel now?
Move the camera!
Deliver where?
Yes!
Yes!
I'm going on my vacation.
Cover for me.

Clients in room #8 you're up.
Where are you going?
Broadcast!
Australia?
What the hell is this?
This is total hickville.
Hey!
Quite heavy.
Miss Yu-jin Jo, right?
Did you have a good flight?
Yes, thank you.
Hell of a trip wasn't it?
Shall we begin?
Are we shooting already?
Yup. Let's begin
with radical introduction.
Good afternoon!
My name is Bo-yong Lee,
and I'm a bundle of charisma.
It should be pretty obvious.
Pleased to meet you.
Nice, very nice.
I was recently discharged
from the navy.
I'm prepping for civil exam,
but it's not going well.
Do you have any
particular skill?
Eating.
It's funny.
No, not particularly.
Could you elaborate?
I'll win for sure!
Excellent.
I'll use my youthful vitality
to win that million dollars.
Let's do it!
Wow, so open wide.
Damn it,
roaming service my ass.
You have calls
to make even out here?
I'm expecting a call
from a client.

Mind your business.
What do you think about
people without cellis?
I have a question.
Doesn't it seem a bit strange?
It's not like in the ad.
I agree.
The scale seems too
small for the prize.
You only need a camera
and a laptop nowadays
to broadcast online.
I'm sure they'll take care of it.
Since there isn't much to do
how about a round of intro?
It's not like we're
on a frosh or something.
Alright, I'll start.
My name is Choi-hee Park,
you guys know navy?
I was a petty officer
at the navy.
And now I...
That's what you said before
to the camera, right?
Are you really that proud that
you were in the navy?
What did you say?
Wanna show off
your six-pack?
No girlfriend, right?
Girls hate guys talking about
their army service the most.
What?
That confirms it.
You fucking asshole!
Don't get worked up!
Everyone's so tense already!
Your every move will
be captured and filmed.
There are a number of
cameras set up
to monitor you at all times.
So it would be better

if you behave, right?
Well, who knows,
the viewers might react
to the realism.
Realism my ass.
Candid camera is way outdated
don't you think?
This kid's got some personality.
These days they love smartasses
Like this one, you know.
We drove for a long time.
Do you remember
anything else?
A bug.
Restricted area
What the hell is that?!
We kept driving into the night.
And then?
We stopped at a house.
Kinda spooky...
It looks great to me.
Are you alright?
I'm fine.
I do this when I'm upset
You all must be tired.
Let's go in and
have some food first.
Not too shabby.
Let's all sit.
Boss, you're eating
only that again?
You should have
something else, too.
This is delicious!
Before your meal,
Since you're all dying to know,
I'll explain
the rules of this game.
A total of 7 games
will be played out,
after each game,
eventually ending up
with just one person.
Obviously the prize will be

given to that last survivor.
See all this?
Exactly one million dollars.
This is a specially
designed attache.
There's no way to open it
without a password.
It's not like we're
going to steal it.
I'm just saying so that everyone
could concentrate on the game.
Any questions?
What are the games like?
The instructions will be given
just before each game.
Come on, director.
Couldn't you give us a clue?
Clue?
They say that if you know
the questioner's motivation
you can quickly
guess the answer.
Where are you going?
Oh, we have a separate studio.
Wait, I have a question.
Did you rent this place?
No, I built it.
That's incredible!
You must be really rich.
No, just a lot of time.
But why do you ask?
This place feels a little strange.
In what way?
How should I put it
lacking sentiment?
It has everything but
I can't picture living here.
Is that so?
But I've been living
here all along.
So you don't
live in Korea?
No.
Something doesn't feel right.

Not like that's
his money, anyway.
What is it?
Something weird?
It's a raw nut.
What would you do
with the million dollars?
Hey, mister,
what are you gonna do with it?
Me, me?
He'll probably eat it
all up in no time.
I wanna live
where no one's around.
You can start a whole new life
when you get the money, right?
Do only what you wanna do and
don't do anything you don't wanna.
I have so many things
I want to do.
So many things.
That face, so familiar.
Have we met somewhere?
No, I don't think so.
You started the subject.
What would you do
with the money?
I want to write the exam
and finish what I started.
Even a million dries up,
eventually.
Quite a realist.
Ji-eun, if you win that money,
you should just get married.
Serving a husband is
a full-time job.
If you ever meet a man whose
money won't dry up, that is.
Pardon me,
if you're so able and rich,
what are you doing here?
Right, is this your vacation?
Who can say no to an extra mil?
You can never have enough.

Isn't that what that arrogant
director prick
is doing with his money?
Hey Mr. Wall Street,
don't call him a prick.
Hold on.
There is a camera watching us.
Let them watch.
Thank you for tuning in.
This is the first day
of the game.
Whose voice is that?
There's no telling...
The director.
Right, the director.
But what's his name?
Do you recall?
I don't know.
Ms. Jo?
What was the nature
of the relationship
between the participants,
you and this director?
The director knew everything.
Could you be
a little more specific?
Send it over
for voice analysis.
We'll commence the first game.
This will be a team game.
Divide yourselves
into two teams
then build a raft
using material there.
The first team to get to the flag
over there wins.
Simple, isn't it?
Then how will
one of us be eliminated?
Ah, that,
will be revealed
after the game.
How should we
divide the teams?

Sunny side up!
Play among women and men.
Sunny side up
Side up over here.
Me.
Side down here.
One, two, three, let's go!
A few words
before the match?
I'll do my utmost best!
Till the end with a smile!
Nice, very very nice.
You sure there
aren't any sharks?
I'll lead my team to victory!
Excellent!
Please line up
with your team.
Wait!
Hey fat-ass, hurry up!
No, flip the other way,
zig-zag!
What are you doing?
Hurry, untie it!
Push it this way!
Okay!
Wha, they're going.
Shut your mouth!
Yo fatso! Make yourself useful!
One, two, one, two.
Lift!
One, two, one, two!
There you go!
Almost there!
Bit more! Bit more!
Got it!
We won!
- Well done everyone.
- Shit!
It was a riveting match.
Now, it's time
for the elimination.
You'll write down one name,
whoever gets the most vote

gets eliminated.
What kind of shitty
rule is that?
Isn't it supposed to be
one of the losers?
The purpose of this game
was to eliminate the one
who's not qualified to play through
rest of the show.
Wait a minute.
What are the criteria
for the qualification?
Well, that's up to
you to decide.
This shouldn't
be personal, okay?
We're on the same side.
What side, the game's over.
God dammit.
Here is the result.
Choi-hee Park.
Navy man Choi-hee Park.
Choi-hee Park again.
Wook-hwan Choi.
Wook-hwan Choi.
Another vote for Choi.
Abstained?
And the last one goes to...
Wook-hwan Choi.
This is bullshit!
Then why the hell
did we play the game?
Then we shouldn't
have won!
Shit!
What an interesting result!
But what's really
interesting is that
non-participants
like Seung-ho Ha,
Ji-eun Kim,
and Bo-young Lee
didn't receive a single vote.
Very interesting.

That is all for this game.
Oh, and...
whoever turned in
the empty ballot
it's not a good attitude.
Anyone abstaining from voting
will be considered out from now on.
Wait a minute.
Isn't abstention is one
of the voting rights?
I decide the rules.
Answer me! Vote again!
It's not my fault
that I played well!
How do you feel now?
What a fucking nonsense!
Why do you think you're
the first one to be eliminated?
They haven't done shit!
Could you...
give that to me
if you're not gonna eat it?
Mister.
Hey fat-ass!
Why did you ever decide
to participate in this?
I didn't.
- Nothing to do with me.
- Have it your way.
Those of you who picked me
thought I would make it
to the final.
So you wanted to
finish me off here.
I didn't pick you.
It would be boring to compete
with the easy ones.
Who are you calling easy?
Kids like you,
only interested in
showing off nice body,
and becoming famous.
Aren't you the same?
You think everyone

is like you?
One vote from
the guy who got the axe.
One empty ballot,
and two remaining votes.
Who could that be?
I see it now.
Where have you been?
What have you been doing?
There's nobody around here.
There are only wild animals.
Where exactly are we?
It is indeed suspicious.
No cell signal, or the internet.
Don't mess around and
let's all go to bed.
We got a game
to play tomorrow.
Did anything happen
out there?
No. It feels like
we're completely isolated.
Isn't this Wook-hwan's?
It is.
Where would
he sleep tonight?
There's nowhere else to go.
The second game
is a treasure hunt.
You've done this many times
when you were young, right?
You just have to go into
the forest and fetch one.
Obviously the one without
an arrow will be eliminated.
You have 10 minutes.
Wait a sec.
Why only 5 arrows?
You're keen.
I've already hidden one,
so don't worry.
Any other questions?
So we just need to
go get one arrow?

No trick this time?
Just concentrate on
finding the arrows
no matter what happens...
Okay.
Go away!
Wait for me!
We've crossed
the half-way mark.
Please hurry up.
- Got it.
- Bingo!
Time's almost up.
Please come back.
Must be snake,
heard there were tons.
Keep quiet and just shoot.
Who hasn't found the arrow?
I don't want to play!
I want to go home!
Don't shoot me!
Stop shooting me! Stop!
I said stop!
I said stop!
Ms. Lee is to be eliminated.
Game? You call this game?
Fine, kill me too!
Great second game everyone.
Rest easy and
we'll meet back tomorrow.
Are you coming?
Right, boss.
You should have told me
that was pretty cool.
When did you learn to do SFX?
Wait for me.
She's really dead.
Something's not right.
There's another one in there...
What? What's there?
Lead.
Shit.
Yeah. There's one?
Culture segment producer.

Wait a minute.
I got it.
Great second
game everyone.
Ms. Lee is
to be eliminated.
Yeah, I confirmed.
That Min-chu I Jang.
Find out why he quit.
The odds of winning
is going up
What we want to know is,
if this is all real,
then why did everyone,
including you, kept playing?
We didn't keep
playing the game.
Did Jang threaten
you to keep going?
There was nothing we could do.
I don't get it.
We already know what you said
from the show.
Tell us something
we don't know!
My passport's gone!
Shit, my camera!
Why is he doing this to us?!
That son of a bitch.
Fucking hell...
What the fuck is he?
Was he lying
about the million?
Does it really matter now?
That's why we're here after all.
Do you think he'd pay
after what's happened?
What's important now is
whether we're going to stay here
and get killed, or...
We'll get him before
he gets us.
Let's find him and
kill him first.

That fucker could be armed.
He's completely mad.
We can only get out of here
and get help.
If we're gonna go
let's go before it gets dark.
There nothing like
violence when it comes to
viewing pleasure.
Intense and spectacular
Isn't it?
Fat fuck's got some
nice moves.
Is it his fault that
Lee got eliminated?
She depended on
her looks too much.
Boss, boss.
I want to quit.
I'm not desperate enough to kill
and keep shooting.
Why, you wanna report this?
You just stood and watched
that's a punishable offense.
You've changed so much
while you were away.
You think you wouldn't change?
You would too,
with enough money.
I'll throw in some extra cash,
call it a form of encouragement.
Boss.
What?
Could you give me
some more while at it?
You look like you have plenty.
Should have said that before.
Here, you can
have some more.
Wait.
There're 6 of us
we're missing one.
Seung-ho.
Fat-ass?

He was here a moment ago.
Seung-ho!
Is that him over there?
What are you doing here?
Taking a dump?
Give it to me!
Give it, you swine!
Fine, eat that shit!
It's mine, mine!
Why are you like this?
We're in this together.
I need sweets,
I'm diabetic!
That jerk took
all of my medicine.
One problem after another.
Then why the hell did you
decide to participate?
I'm not like you.
I didn't know it was like this.
And we did?
You said you
applied to be here.
I never asked to be
part of any game!
I can't just die here.
Drop the bullshit!
No, I'm not lying.
It's been months since
internet's cut off at my house.
Why are you telling us that now?
If you didn't apply,
the director dragged you here
for a reason.
Can you think of why?
I don't know, I really don't.
I don't know who,
or why he's doing this to me.
That means it's not
a coincidence that we're here.
Not a coincidence?
Has anyone seen me before?
How many cameras
did you install?

Are you curious?
Even if you wait in cover
for years in the jungle,
there's no guarantee you'll get
one good shot of a tiger.
Where exactly are we?
I don't think I've seen
a single person here.
How would I put it...
An inland deserted island?
Do you like it here?
Yeah...
I don't like people.
We crossed a desert like this
on the way in.
I think we are heading back
the way we came in.
Let's hurry.
It'll be harder
once the sun peaks.
Get up. Is this how you
want to end your life?
There's no one here
to help you.
Cheo-hee Park.
Still got some
energy left in you?
Don't you want some water?
Good job everyone,
you've made it this far.
We'll begin the third round.
Do you see that hill?
There is a forest over the hill.
You'll also find water there.
You just have to
make it over there.
You'll be eliminated
if you don't make it, of course.
Water... water...
It's... mine...
Mine... Mine.
It's... mine...
Soo-yun,
where are you going?

You'll be playing along
if you go that way.
What options do we have?
Game or not,
we have to live first!
You're doing it because
you know you'll make it.
How could you be so selfish?
What about others?
What the fuck can we do then?
You want all of
us to die here?
Let's just go.
Don't think of it as his game.
It's a fight against
yourself from here on.
You can do it.
Put yourself together!
You're just dehydrated.
Lick my sweat for now.
Come on!
That fatty is
dragging them down.
This is getting interesting.
Let's see how far this goes.
Almost there!
We might all die this way.
Sick of it...
Get up
Don't think stupid thoughts.
Get up!
So sick of living this way
You stupid idiot!
Wake up!
This life...
What?
This life was total shit.
I want a better second life.
Get up.
Get up.
Up!
Let's go.
We can't drag him any further.
We have to live too. Get up.

We'll come back.
Are you okay?
Thank you, Cheo-hee.
Beautiful eyes...
So sudden...
In the middle of it all
Amazing...
Doesn't matter if others are dying
Just doing what they want.
Just like me. I don't really care
if they live or die.
What are you doing?
It's too late.
Out of the way!
It's too late
you want to die too?
He's not dead, he's not.
Snap out of it! Look!
He chose his own path
We've done nothing wrong.
We can't just watch him die!
This isn't right.
Don't act like
you're better than us.
Nothing will change.
You feel better that
you'll live one more day?
Let go of me.
He's not dead. Let go!
You promised, Gi-tae.
You promised to me!
Keep rolling.
Don't run away
like a coward!
I love that last shot!
You piece of shit!
Seung-ho Hur is the
latest to be eliminated.
As expected,
he could not fight through it.
The odds are getting better
Five contestants are left.
Until next time.
Cheer up,

you've done your best
What's with you?
You seem overTly
dramatic about it
Maybe you're just
a nice person.
I'm not nice.
A fork road.
You're right.
They must have gone this way.
Hey, you spied on us!
What?
There must be
a tracking device inside.
They can pinpoint where we are
at aII times because of this.
What the fuck are you?
Crazy fucker!
Are you insane?!
Interesting turn of events.
They're sIowIy going
nutty in the head.
Everyone's crazy.
Let go!
- What are you doing?
- Son of a bitch!
Die, fucking bitch!
- Why are you doing this?
- Die, die motherfucker!
- Listen to me.
- Don't!
- Get up, you bitch!
- PLease stop this!
There is a camera above us.
What the fuck are you saying?
Above us there's a camera.
I'm going to pretend to be
dead. Knock me out!
So what?
Stop with your nonsense!
- Just die, son of a bitch!
- PLease...
Let go!
Son of a bitch...

What the... He's really dead?
Have you planned this too?
Bastards are playing
their own game.
Go check.
Me?
Go shoot a footage.
Freeze!
Are you refusing
to play the game?
Go ahead, shoot!
Don't!
This isn't a game. Don't shoot.
Your actions could be considered
as refusing to play along.
I'll give you a chance.
I'm going to count to three.
Or I'm afraid we'll have to
end it all right here.
- What are you doing?
- One... Two...
No! Don't shoot!
Let Suh go.
Start the car.
They're nearby.
They got here
not long after we fought.
Feels like they're
watching us now.
What is he really after?
What's important is that
he enjoys seeing us
die one by one.
Then, could he be
selling snuff films?
No, I don't think that's it.
If he's doing this for fun
he wouldn't be this calculating.
If this is a real survivor game
don't we have to win against him?
Or we all die.
No, not all. One will survive.
Your turn will come too.
We can't see them

but they're always watching us.
Even if we get another chance
there's nothing we can do.
We have to first
get out of his reach.
The forest is
just too big for him
to cover with his cameras.
We've only trekked
main roads so far.
We must stay off all roads.
What if we get lost forever?
I'd rather die from starvation
than die in his hands.
I hear water.
There's a boat!
Excellent.
Let's ride it out.
He probably
didn't think this far.
All right,
I'm good with boats.
Don't you think it's weird
that these are here?
He won't be able to
follow us on Jeep
even if he finds us.
There aren't any life vests
It's not rapid stream,
just follow my lead.
Don't worry, it'll be okay.
Aren't you a little
too confident?
What are you gonna
do with that knife?
He got us last time,
but it won't happen again.
Let's go.
Suh, get a shot
of down stream.
She's quite confident.
Hey! It's dangerous that way!
There's a drop
down there!

Careful! Turn right!
Be careful!
Stop! Row the other way!
Ji-eun! Ji-eun!
Keep rowing.
Ji-eun!
I can't see her.
She must've been
swept away.
Ji-eun!
She can't be far.
What's this?
Blood... She must be hurt.
Is she okay?
No.
We might've died because
she clung onto me,
so I punched her.
Soo-yun!
Steer away! The other way!
Damn it!
Worthless piece of shit!
Do you know how hard I prepped
to get this shot?
Son of a bitch!
I'll kill you if you keep this up.
We're doomed to die here...
Was this part of the game?
Then he knew we would
take the boat down?
Doesn't make sense!
He could have.
Maybe he calculated this too.
Are you tired?
No.
You don't normally sweat.
- What is it?
- What?
What's wrong?
They must be close.
It's a binocular.
This is cameraman Suh's.
I'm sure he dropped
it on purpose.

He's never made it
this easy for us.
I don't think
this is Jang's doing.
Maybe Suh dropped
it for us to find.
No, he's in on this after aII.
What if he's
caIIing us out for heIp?
This might be part of the game.
Game or not,
this is the onLy way
for us right now.
'If you can't avoid it, just enjoy'
It's the most fucked up and
the best thing
I've heard in the army.
Server might go down
if this keeps up.
Pathetic...
Masturbating to corpses...
Look.
Didn't the cameraman
have this on?
It's bIood.
What wouId you do
if you meet him?
I'II kiII him.
You'II murder him?
I have right to preserve my Iife.
Are you coming?
Yeah.
I feeI a bit nervous...
Waiting for someone?
Who wouId come out this far?
Go get some rest.
Let me know
if you want to drink.
SIight damage.
I won't do it again! PIease!
Let's handIe with care.
I won't do it aga...
Friends don't get mad
at each other

no matter
how stupid they've acted.
Don't they?
Wait. Just a minute.
What the hell?
What's going on here?
Shit!
Wait, wait.
That camera's watching us.
God damnit!
Please don't take it
out on the equipment.
They haven't done
you any harm.
Anyway, welcome to
my cabin.
Why? Why are you
doing this to us?
Don't be a crybaby.
He won't listen to us.
Son of a bitch!
Come and kill us all!
I'll kill you too!
Everyone can't die.
Who would take the prize then?
The odds are now 4:1.
Is this how you're
trying to make money?
You can be sure that
the last survivor will get the prize.
Since you're all here,
we'll begin the fifth
round right away.
There aren't any rules,
It's straight-up survivor game.
Whoever lasts till
the end is the winner.
We don't care about winning
or the money.
Drop this bullshit
and get out here!
Cheer-ee,
what are you doing?
Damn it!

CheoI-hee, pIease stop!
Reported by Gi-tae Han
What is it?
Uh, it's nothing.
What's with you!
If we stay here, we aII die.
Let's leave for now.
He's compIeteIy mad.
Yeah, Iet's aII leave.
I might suffocate if we stay here.
You can't simpIy leave.
You saw what he's been doing.
Think he'II just Iet you go?
But we can't stay here
like this forever.
Not doing anything
is aIso an option.
I'm not leaving.
Everyone's for himself.
Ji-eun, Iet's go.
We can't stay here.
We have to go now.
Gi-tae!
pIease, Ji-eun.
Do you think they're dead?
ProbabIy.
It's just two of us now.
I wish we couId have met
under different circumstances.
I'm not a good person.
I Ied such a vile Iife.
Then why were you Iike that?
Perhaps it was
impuIsive in a way.
No... When you rescued me
in the desert.
I didn't want you
to die Iike that.
I reaIIy want to go home.
I don't need the money.
It'd be so nice to go out on a date
with you back home.
Eat deIicious food
and watch a movie.

No, I like it this way too.
Hey.
What happened?
I don't think he was aiming.
Probably wanted to
separate the group.
Shit!
It's all over motherfucker!
Come out!
You son of a bitch!
Get out of here!
Let's end this now!
Bravo, well done.
However, that attache
isn't yours just yet.
Fuck you!
I'm the only one left.
There's two more.
No, they gave up the game.
Don't delude yourself.
Hand me the attache.
You son of a bitch!
Piece of shit!
You've been lying all this time.
Shit!
Fucking shit!
God dammit!
I'll kill you, asshole!
In any case, the odds got
better thanks to you.
Three to one.
Don't you like the odds?
Give it all and claim
the prize rightfully
There's nowhere else to go.
Is it the money?
Is it because of the money
you asshole?
Challenge?
I don't know what that is.
I just live how I can.
Why do you ask?
Doesn't feel like you
live for the money.

Perhaps I just wanted
to come out to the outdoors.
It's smothering to live in the city.
To live in Korea...
What about you?
Why did you apply?
I'm not sure either.
I... never had
a goal or anything.
So nothing really worked out.
I wanted everyone to be
miserable like me.
Even now?
No...
I believed that
if I try this and that,
I could live
without doing things I dislike.
A delusion?
Cool... Even if it's just that.
Do you think it's cold
in Seoul right now?
Should be Christmas by now.
Merry Christmas!
Merry Christmas!
I'm thirsty.
I should go look for
something to eat.
Cheo-hee!
What happened?
Stay back.
What happened to Ji-eun?
This will end
when the two of you die.
Have you gone mad?
Cheo-hee!
Don't do it!
Please, don't!
Stop!
Please!
Cheo-hee, please stop!
Why are you like this?
Please stop!
Another bites the dust.

God dammit!
My mind went blank.
It was all messed up.
Felt like everything went to hell.
I only thought of wanting to
end this nightmare.
Huh?
That's not the last of it?
It's the final clip.
There was
one last game to play.
I don't know which one should be
happier - those alive or dead.
You're nuts!
Who'll be the winner?
The chances are 50-50.
Just kill the one you want dead.
Aren't I the one you want?
What? What are you saying?
No, that's not right.
Can't be anti-climatic
after all that work.
No, not like that.
I don't know why you're doing this
but it's all my fault.
No ones to blame.
No, they're all the same.
What are you talking about?
It's time to end this.
No fun to drag this on any longer.
Let's end this.
We'll begin the final round
of the game.
Do you know
Russian Roulette?
There's one bullet
in the chamber.
Pull the trigger one by one until
there's only one left
Quite simple.
Ms. Jo!
Are you forfeiting?
I'll go first lower your gun.
No, don't!

Yu-jin's next.
Mr. Han.
Are you trying
to end it all in one go?
Don't! Stop!
You pulled four times.
Die!
Gi-tae!
End up playing
a game with me.
Stop this, you devil!
Why?
Are you going to shoot me?
Then who'll give
you the money?
You're the winner, Ms. Jo.
Congratulations.
I don't care about the money!
You drive well.
Just hold on, Gi-tae.
Don't die on me!
It won't go!
So tired...
Wake up!
You can't fall asleep!
Please help me...
One Asian female reported missing
She's severely dehydrated
immediate evac
According to your statement,
you murdered Jang.
He would have killed me
if I didn't shoot first.
Detective,
Jang also drew his gun.
We have to find the body first.
Do I have to
stay here until then?
Hasn't it passed 48 hours?
Can she discharge
at this state?
Yes, would be better to get back
on her feet for quicker recovery.
Please contact us if there

are any new developments.
The case isn't over just yet.
One second please!
Ms. Jo, right?
Nurse prescribed
this one as well.
There was a delay.
Thank you.
This way.
Yunnam-dong please.
Yes.
Another clip?
What?
You've done well.
Since you kept your end
of the deal, I'll keep mine.
There's a key inside the bag.
This is the final clip.
But who uploaded it?
Who else?
Then it means Jang's alive?
I think Ms. Jo played us.
Where did she go?
Home, in Yunnam-dong.
Why would she lie?
Go to the convenience store
where you worked.
Could you go to
Jongro instead?
Yes, ma'am.
I don't care about the money!
I want to keep my promise.
I said I don't
care about the money!
No, a promise to myself.
What are you saying?
I want to complete this show.
But more importantly,
do you remember the incident
two years ago?
What does it have
to do with you?
Gi-tae...
You would be curious.

Yeah, I reported it.
All eight of us were there.
So...
So what?
No, there were two more.
That crazy bastard...
And my wife...
I was going to kill myself
after killing him.
But the footage that you shot
did not escape from my mind.
How...
How could none of you
didn't help her?
I was dying to know why.
And it turned into hatred.
Do you remember
the lockers in the lobby?
Lastly, remember today's date.
December 31st.
See you.
Honey, you're not answering.
You know it's our
first anniversary, right?
- \$7.90 please.
- Looks like
I have to cook myself ramen.
Don't you want to
see your wife?
I bought you a present.
Don't you wanna know
what it is? You'll be...
Oh, I'm sorry.
What are you doing?
What's with you?
Sir, why are you doing this?
Please help!
What?
Get the fuck out
if you're done!
Have you got it?
Do you feel better now?
Does it feel like justice
now that we suffered like you?

Everyone's the same.
We all live in fear.
How could you exact revenge
because your wife died in vain?
We have no say in our birth,
but can't we decide death
for ourselves?
How are you different
from the perpetrator?
I couldn't forget even a second.
But you should erase it all.
Can't live with all that burden.
Finally, there's hope.
How could you be...
