Here give it to me! No, don't! Don't!
Wow, Hyeon-jeong you're
so pretty! Like a celebrity
Hyeong-Jeong, let's take
one together Ok, ok sure
With the drinks? Yeah
Here, give it to me
My big sis is the best!
Say it again! Do that thing I like!
Alright, so pretty for the camera!
I love You! Me too!
Missing
A little bit more...more...more
Hey you son of a bitch!
Why don't you just jerk off!
You bitch! Where are you going?
Eat this you bastard
You fucking bitch!
Keep coming...just little more more
What the hell is is? Blocking
the road and everything.
What are you staring at?
Is this the first time you've
seen a coffee delivery girl?
Unbelievable...
Hurry up, let's go
The place is weird and so
are the people What was that?
Nothing, let's go
Hello
How come you don't pick up your phone?
Where are you? Who are you with?
What? I don't need to know?
You leave without telling me
and now I don't need to know?
Hyeon-jeong, I'm an adult now too.
I'll do what I what so leave me alone
Is that your sister?
Director Hong, I hate to ask you again,
but you really have to help me ok?
Alright, don't worry about it
She won't pick up her phone again
Just wait until you get home...
Are you done yet? This is the last one

Jin-soo, while I'm gone you have to make everything perfect ok? Yes, don't worry. Have a great trip.
I'll see you tomorrow Ok, see you
Let's see how you look
You are damn ugly
Stop complaining, I don't have a choice.
What the hell?
You don't even get phone service here. How could you take me here?
Just go way down the hill and it will work. Or you could just use the house phone.
No chance of that happening
Why?
Because of the owner
The Owner? What are you talking about
Didn't you see? That old man kept checking me out. It's disgusting.
Regardless of age, a man is still a man.
With sexy legs like these, he would be crazy not to notice
You're full of it
Where are you going Don't know
I guess it's not like you know know this place anyway.
Director Hong
Yes? What do you need?
I need a favor
Favor? What favor?
I just need to get some stuff moved
I injured my back yesterday.
I guess I'll do it myself.
No, it's alright. I need to kill some time anyway.
You have me give me something for my labor though.
Alright, I won't charge you for the food.
Really? Follow me...
Sis, it's me. I'm sorry
I hung up on you earlier
I'm at the outskirts of Seoul with a friend. We came here to visit a restaurant he likes. I'll come home soon.
I understand how you feel, so please don't worry.

And sis, I love you
How many should I take?
Five at a time.
That many?
Might as well get it all
done now, with you here.
Feels like you're just using me.
You're right, I'm using you.
Well, alright then I suppose.
Director Hong?
Where did he go?
Director Hong?
Director Hong?
Director Hong, are you over there?
Director Hong?
Good job
Do I look weak to you?
Over here boy
Am I scary?
Come here
You won't listen huh?
Over here boy
Should I put him in there with you?
Then come here
Be a good girl
Good girl...
Give me your hand
Your hand
I saved it for you
Let's go
How long do I have to
stay here? How long?
!Please let me go! Let me go! Let me go!
Good morning
Oh, you're here?
Three cases
Oh they look great!
They are always that way
What is your secret to
getting such great eggs?
Should I teach you?
Teach me
Than how would I possibly make a living?
He looks to be in a great mood today

Is that the new girl?
Yes, that's her
Damn, she's hot
Forget about her, it
ain't going to happen
You're right, I don't
even have any money
It's such a problem. If it wasn't for our cocks,
we wouldn't even think about girls like her
Hey dumbass, it's been a long time
You're drinking again?
Nothing else to do in this
place. Sit down and drink with us.
I haven't seen you lately but you
look happy. Did something good happen?
Something good? Yes
Did the property value increase?
What do you mean?
The place Deok-goo lives, didn't
you say that land belongs to you
So?
I heard they want to build a road on
it. Doesn't that mean you'll be rich?
That's all bullshit. Stuff like
that doesn't happen so easily
I have to go buy something
They're really building a road there?
It's true, he just
doesn't want people to know
Dammit, how could something so
fortunate happen to such a bastard?
I know what you mean
Idiots...
Hyeong-jeong, I'm so scared
No! No!
Are you happy to see me?
Should I turn off the
lights and leave then?
No, please don't
You pissed here huh?
You're just like a dog
Take off your clothes
Take them all off and throw
them outside of the cage

Do you want to keep living in there?
Then listen to me
Feels nice, doesn't it?
A dirty girl needs to be washed
Come out and change into
those clothes over there
Come on, blow out the
candles.....come on do it!
Clap! Come on, clap!
I'm in such a good mood
You see how there is three
candles? You're my third one so far
Don't be scared. Listen
to me and you'll be ok
Here, eat some
Eat some, it's good
Aren't you hungry? Eat it, it's good
Isn't it good?
Say it
Yes
Aren't you thankful?
I saved you and I gave you food
Of course you are!
Now I'm going to sing you
one of my favorite songs
I might look ugly now but I
used to dream of being a singer
Look into my dark eyes, you'll
see that I still love you
My feelings are returning
to what they once were
Teach me how to live without you
My heart continues to beat for your love
You don't like my singing?
No, it's not that
It's alright. I'm pretty bad aren't I?
No, it's really not that.
The cola got stuck in my throat
Laugh for me
What?
I said laugh for me!
Is that it?
You fucking whore!
That's the best laugh you can do?

Die!
I do all this for you and
that's your best laugh?
Bend over
Bend over like a dog! Now!
Turn your head!
What, you don't think
I can get it up anymore?
You feel better than the last one
Sis, I'm in so much pain
Why aren't you investigating?
Isn't that your job?
How many times do I have to tell
you? It's out of this jurisdiction
That's not true; the last
time she called me was
from here. She also had
dinner around this area
That doesn't matter, she's
not a child. If we investigated
every time an adult left
home for a few days...
...there would be no
cops left on the street!
You really can't do anything?
If you want us to help you, bring
us some solid evidence next time
Can I help you?
I'm sorry about that. I know you came
a long way and we weren't able to help.
It's alright, I'll find her on my own
Wait a minute
If you need some help, give me a call
If it's serious, I'll
be there right away
Ok, thank you
Shit, I didn't even get her phone number
Get up
I said get up!
Bend over
Please, can we not do it today?
What?
I'm in a lot of pain
You're fine, stop arguing

I'm really in a lot of pain
I don't look nice either
Please, I'm begging you
Fine, give me a blowjob then
Come on
Hurry up!
Hurry
Welcome
Hello
By anychance, have you been
working here for a long time?
Yes, I have
Can I ask you a question? What is it?
Have you seen this woman?
A dog bites her owner?
If a dog bites her owner
once, she will keep doing it
So what needs to be done?
You either kill her...
...or you make it so
she can never bite again
Open your mouth, bitch
Open your mouth
Please let me go
Let you go?
Ok, I will, as soon I'm done with this
Hello, is anybody there?
Anybody?
One moment please!
yes?
Can I ask you something?
What is it?
Do you know of anybody
here that owns a dog?
Around here, it would be better
to ask who doesn't own a dog
No, I mean like a dog pound
You should have said
that from the start.
There is one person like that
Where would that be?
Do you see that path?
Go down that path and
you'll come onto a road.

The first house you see on that
road is the one you're looking for
Thank you One second!
I don't know why you're going there...
...but you need to be careful. The
owner is more dangerous than his dogs.
Fuck!
Damn, she's pretty
Have you seen her?
I've never seen her
A few days ago I think she went by here
People always come by here
and don't give me a second look
How do you expect me
to remember them all?
Excuse me, sir
Do you know of any
restaurant around here?
Yeah, there's a place up there
It's been a while since
it's operated though
Really?
Thank You
Boy, I'd love to have a piece of her
Come on, eat it
Do you want to starve to death?
You didn't complain when I saved
you, so why do you do this now?
Does it bother you
that your son is happy?
No, you can't ever die
You need to live to see
your son lead a happy life
Excuse me
Is anybody there?
Anybody there?
Hello, who are you?
Who are you? I'm the owner here
Oh I'm sorry, it looks
like I trespassed here
It's alright, that happens sometimes
But why are you here?
I'm looking for somebody
Have you by anychance seen this girl?

You've seen her before?
I've never seen her before
Who is she?
She's my younger sister
Why are you looking for her here?
A few days ago she told me she was
going to have dinner around here...
...I haven't heard from her since
You came to the wrong place. It's been
a while since we've even been open.
One moment sir!
I saw a sign for the
restaurant out front.
Aren't there any people that
come here because of the sign?
In the past people used to come,
but nobody has been here these days
It's her again
Did you come looking for me?
I have to ask you something
It seems you're
around here often so...
...have you seen this girl?
She's so pretty!
Have you seen her?
No, I don't think so
Who is it?
My sister
Why are you looking for her here?
I had a hunch
Wait a second!
Was she together with a guy?
I think so
Like a week ago, no 10 days ago?
That's right
Nice car, killer body,
I remember her now!
Where did you see her?
I saw her in front of that guy's house
Are you sure?
I'm sure. They say I'm stupid but
my memory is actually pretty good.
Thank you so much
I wonder what's going on? Did that

old bastard do something again?
Kidnapping?
What are you talking about?
Do you want to go to jail?
Send me to jail if you want,
but please just listen to me
Listen, do you have
any idea who Pan-gon is?
He lives only with his mother
and he's kind to everybody.
Sheriff, haven't you
seen the news lately? Lots
of kind people have
been doing bad things...
..So please That's enough!
Stop talking and please leave.
Sheriff! Stop, let's do it like this...
I will go to Pan-gon's
house together with her...
...If something bad happens, I
will take responsibility for it
We're going because of you so you
better take full responsibility
Don't worry!
Dumbass...
Who knows what we're
getting ourselves into
But Sheriff What?
Mr. Pan-gon seems like a normal
guy. Why does he live by himself?
He hasn't always been that way. It's
probably because of women troubles.
What do you mean?
A few years ago, his wife ran off
Really? Why?
How the hell am I supposed to know?
It was a pretty big deal at the time.
So did they find her?
If they found her, would
he still live alone?
Sir, if there's nothing in the
basement, why can't we search it?
I understand you must not like this, but
stop making a fuss out of something so small

Wait, Mr. Pan-gon!
You do it
Pan-gon! Hey!
Where the hell did he go?
Hmm, is there something in here?
Over Here! Over here! Look at this
What the hell is that?
It smells terrible.
So that's why?
I caught it myself...
...but it's illegal isn't it?
So that's why you
wouldn't give us the key?
I was going to use it to catch kitchens.
I'm sorry
That's alright. This little punk
always thinks the worst of people...
Officer Kim, get out of there now!
Aren't you leaving? Is there
something else you want to see?
No, let's go
It's a little old...
...But maybe it will still work
Hyeon-ah, today I bought you a scarf and I
did your hair for you. What do you have to say?
My sister is the best!
I'm sorry, I'll get it
done by the end of the week
It's just 200 1-piece suits.
I can get that done easily.
I'm coming to Seoul right now
so let's speak when I arrive
Are you alright?
What the fuck!?
Mr. Pan-gon!
You're the one from yesterday
Are you ok? You're not hurt are you?
I'm fine...but my eggs are ruined
I'm so sorry
It was partially my fault
Mr. Pan-gon, please let
me take you to the hospital
No, it costs too much money
Still, you should get checked out

Hey, did your sister wear a necklace?
You mean a heart-shaped necklace?
That's right, one that looks like that
What about that necklace?
A few days ago, I found that necklace
outside of the dog keeper's house
Really?
I was going to tell you
but I forgot about it
Do you have that necklace
with you right now?
No, it's at my house
Would it be ok if I go
to your house to get it?
I guess you could stop by
Thank You
You remember where I live right? Yes
What can I do for you at this late hour?
Where is the sheriff?
He went home already.
I'm on the late shift.
What's this?
I came out to buy some medicine for my
mother, but then I thought of you guys
You don't need to do this
for us; it's such a hassle
It's no problem, don't worry about
I'll see you
OK, take care
Oh, that woman from yesterday.
Did she find her sister?
I don't know. We haven't had
any contact from her since then.
She must have gone back to Seoul
Oh I see
If she stayed a little longer,
I probably could have helped more
You must have a crush on her
What? No way!
Alright, I'll see ya
Work hard
She was pretty hot...
...The perfect style for me
Save your strength;

you'll only hurt yourself
I can't have my baby getting hurt...
Is this it?
I didn't think it would be so easy
Aren't you smarter than this?
Do you have something to say?
My sister, where is my sister?
Is she still alive?
This place...isn't it too
small to hold two people?
So then...
I killed her
What?
You son of a bitch!
I'm going to kill you!
I'm going to kill you!
You son of a bitch! I'll kill you!
why are you so loud?
Just shut up already
I've liked you since I first saw you
So much softer and
nicer than your sister's
You're sister is young
so she's not that skilled
Don't worry, I'm a nice guy!
What, you don't like older men?
Stop worrying about it, you'll enjoy it
Eventually you're going to like me
Sheriff's office, this is Officer Kim
A silver vehicle?
Are you sure about that? My card?
Ok, I'll be there immediately
Hello there, sir Oh, who's this?
What a body!
Sir, I need to go to Choonchun
Choonchun? Why?
That woman from Seoul from yesterday...I
guess her car was found there
So why are you going there?
My card was found in the car
so I guess they contacted me
That's strange...
...She wasn't on her way to Choonchun
What do you mean?

Yesterday morning I saw her car...
She wasn't on her way to Choonchun
but the opposite way into our town
Are you sure?
I'm sure
She must have been in a hurry. I waved to
her but she went right by without noticing.
Really?
Anyway, thanks
Ok, I'll be going now
Alright, take care
Hi there, you came again!
Yes...my daughter
really loves this place
What will it be this time?
Something similar to last time please
One piece with one seam right?
Wow, you remember that
Of course. Besides you, nobody in this
small town ever wants something so specific.
She says it's nice but...
...could you give me a different color?
What color would you like?
Do you have purple?
Purple? Of course
Could I get it one size smaller too?
Did the last one not fit properly?
It's just that she lost some weight
Here it is, right here
Wow, this has really been damaged
It's just fortunate that the
people driving it weren't killed
If we can't find the owner fast, there
will be a big issue with the insurance
Are you sure that the driver was a male?
Is it possible that the people
who stole this car were mistaken?
No, if you look at it you
can clearly see it was a man
The three kids who stole it were drunk
and bragging about what they did last night
Did those kids remember anything
about the man they stole it from?
I don't know if it was because it was

dark, but they can't remember anything
Interesting...
Hello?
Is anybody home? Nobody's here
Oh, hello there
How can I help you?
We came here to dine
About that... ..We've
been closed for a long time
Oh really? Why is that?
There's nobody left to work...
..Since my mother passed away
Oh no...
When we came three years ago,
business seemed to have been good
Yes, I know...
I'm sorry that you had
to come all this way
No it's alright, it's our fault.
Goodbye
At least they have good taste...
How are you feeling?
Wow, you haven't even
gone to the bathroom yet
You're tough
That makes me even hornier
Have something to say?
Don't be loud like yesterday...
...Or I'm going to be angry
Speak your mind
I promise I'll kill you
Crazy bitch
You're nothing but a dog.
How can a dog kill a human?
Dogs should live as dogs are supposed to
So stop being so stubborn
and let's live together
You're starting to stink
Tomorrow, you can take a shower
and change into some new clothes
By tomorrow...you will be
begging for me never to leave you
I told you, I'm a nice guy
Anyway, I'll see you tomorrow

Tough bitch...
I bought you one size
smaller than your sister...
...It should fit right?
It's a pretty purple color.
Die you son of a bitch!
You can't kill me with
weak stuff like this
I'll show you what an owner does!
I beat you until you die!
These girls just don't
understand my feelings
Hello?
Is anybody there?
These bitches are never grateful...
I killed him
Are you surprised?
I saw what you are doing in the basement
You must be having a lot of fun
I always thought you were
retarded but I guess I was wrong
You didn't report me to the police?
Report you?
Why would I possibly do that?
How did you know about me?
I saw that girl drive her car here in the
morning and then I saw you drive it out at night.
Wouldn't that seem weird?
What do you want?
You have valuable land
Land?
I want just a little...
I brought all the papers necessary.
All you need to do is sign it.
What are you doing?
Give it to me!
This is very valuable
I can't just give it to you for free
What is this?
Don't worry, I'll give it you
But in exchange for it, you
need to help me with my work
Work?
The bitch in the basement...

...I have to kill her
You motherfucker. What kind
of a person do you think I am?
That's the deal
Or you could just keep living like shit
I'll do it myself Wait!
So how do you want me to help you?
I'll bring out the tools...
You bring out the girl
Hey, Deok-goo!
What's that?
Don't worry, I'll get you out
Ok, let's get out of here
No, you have to kill that bastard
For now, let's just get out of here
He killed my sister!
Look!
Idiot...why did you
have to get involved?
I'm disappointed
I don't think it's going
to work out between us
You can die too
There's no escape
Nobody has ever escaped
this place before
Where are you?
Trying to get away...
Crazy bitch
Hey!
Hey!
Little girl!
Where are you?
Come on out now
I'm here, you son of a bitch
So there you are
What are you going to do with that?
Get on your knees
Or I'll kill you
Kill me?
Have you ever killed somebody?
Shut up and get on your knees!
I killed my father when I was 16
I threw his body into the pig pen...

and the pigs ate his body
The last thing they ate was his head
You missed
Die!
Is there a reason why
you deserve to live?
Bitch!
You got me good
You son of a bitch
Tell me...
My sister...
Did you really kill her?
Crazy bitch...
I told you I killed her.
Then...
Where is her body?
Where did you put Hyeon-Ah's body!?
What does it matter if she's dead?
Tell me or you're dead!
Sounds good
I wish somebody would kill me
kill me...
Kill me
Tell me now...
My sister...
Where is her body?
That meat grinder over there...
I killed your sister with that
Don't lie to me!
I cut up her whole body
You crazy bastard...
you're lying!
I'll tell you another thing...
Your sister...
Was alive...
She was alive until you came here
I really liked her...
Maybe I shouldn't have
killed her. It's such a shame.
You killed her...
Your sister...
She died because you came here...
Stupid bitch
I hope you're doing well

In a few days you'll
be going to court...
ok, let's get this over with quickly
Hyeon-jeong, you're killing of Pan-gon
will can be passed off as self defense...
But the problem is...
The extra activity afterwards...
It cannot be passed
off as self defense...
In order to avoid jail time, I
believe you must plead insanity
Do you understand?
What are you talking about?
I'm talking about when you put
Pan-gon's body into the grinder
Sir, when I killed him I
wasn't thinking clearly...
but when I put his body into the
grinder, I was thinking very clearly
What?
If I ever meet another person like
him, I would gladly do the same
Hyeon-jeong...
Hyeon Jeong!
Can I ask you something?
Yes, go ahead
Do you have a daughter?
Yes, I do
Excuse me, old man!
Could you give us a ride on your boat?
What, you can't?
Get on...
Crazy bitch
