Money for Nothing

By Ramón Menéndez

My bills are all due
and my baby needs shoes #
And I'm busted #
Cotton is down
to a quarter a pound #
But I'm busted #
Gotta a cow that went dry
and a hen that won't lay #
A big stack of bills
that gets bigger each day #
The county's gonna haul
all my things away #
#'Cause I'm busted #
They got the change
of a nickel, y'all #
- # Busted #
- # Hey #
I've been to my brother
just to ask for a loan #
'Cause I was busted #
Said I hate to beg
like a dog without a bone #
- # But I'm busted #
- # Oh, well, well, well #
- # My brother said #
- # Hey, there ain't a thing I can do #
- # Well #
- # My wife and my kids
are all down with the flu #
- # Said it's true #
- # And I was just thinkin' about
calling on you #
'Cause I'm busted #
'Cause #
Well, I am no thief
but a man can go wrong #
When he's busted #
Well, you know the food
that we canned last summer is gone #
And I'm busted #
See the fields are all bare
and the cotton won't grow #
Me and my family
gotta pack up and go #

I'll make a living
Just where I don't know #
'Cause I'm busted, oh #
Oh, I'm busted #
Tired of being busted
all the time.
I need some money
Yeah #
Oh, money #
My bills are all due
My baby needs shoes d
And I'm busted d
Sent out of town
like a dog without a bone #
'Cause I'm busted #
I try and I try
but still nothing gets paid #
That big stack of bills
gets bigger each day #
They're trying to take
everything I own away #
Yeah #
'Cause I'm
I'm busted #
Without a dime #
Yeah, 42
We're en route to Atlantic City
Check, 42.
You're running behind schedule.

Okay?

Don't touch the money.

It's all- It's all

I think these are unmarked!

- You don't find that kind of
money Just lying on the street

- I Just did

- It don't belong to us

- Finders, keepers, Kenny

Joey, look at the bag It says

"Property of the Federal Reserve"

- That makes this a federal offense.
- Kenny, think about it
- Did we hurt anybody?

- No

Did we steal it
from anybody? No

Are we giving it back?

Hell, no!

Possessin is nine-tenths of the law

You know what I'm sayin'?

It's-It's their negligence

It's their-

Oh, ah, 11:

Are you insane?

There are cops

back there

Joey, listen to me

We walk over to the cops

We say, "Cops,

look what we found"

We give 'em the money.

You know there's gonna be a big reward.

Then we'll be big heroes

and we'll be big shots.

All right? We'll be the guys

who found the money

Kenny, who wants to be famous

for being stupid?

- Kenny, Kenny, we're keepin'the money.

- You're keepin' the money,Joe

Kenny, you're gonna regret this

for the rest of your life

- Half of it's yours Drive the car

- Shut up!

All right This is what's gonna happen

I never gave you a ride home
I never saw that money,
all right?
I want you to swear on your
father's grave that whatever
happens, I'm not involved
I swear to you, Kenny
- Please drive the car! Fuck it
- Joey, get out of my car.
I'll see you later
- Hi, Joey
- How ya doin', Mrs Breen?
Anybody home?
Is that you, Joey?
- Yeah, Ma
- I thought I heard you come in.
I could do with a hand
to carry in the laundry upstairs.
Be right down, Ma
- You look worried
- No work
Well, it'll pick up
Your father always
used to say
"Theresa, someday our ship
is gonna come in.
And when it does, we just have
to be careful we're not at the airport. "
You worried
about money, Joey?
- No
- You sure?
Yeah I'm all right Really
- Sure you're all right
- Ma. Ma. Ma.
- Take Monica to the movies
- Mom Ma
Yeah, yeah, yeah
Me and Monica,
we're all done
Well, then you're gonna need it when
you get back together again Yes, yes
Joey, what happened
to the bedspread?

I put it outside in the thing
when I was doin' the other thing
Let me help you with the laundry
- Somethin' fell What fell?
- My key
Lick your fingers,Joey!
This is
your lucky day
Ninety-one, clear.
I watched them secure the doors
No way those bags
could've Just dropped off
So do you mind telling me
where they are now?
Do you have any clue where they went?
Did theyjust fly away?
Pat Laurenzi,
South Detectives
It's been 48 minutes
- since I placed the call.
- How much money's missing?
\$12 million
Are these the two drivers
in question?
He's the driver
I'm the hopper
Hopper What is that?
Do you hop around?
- I hop out and get the money
while he wait in the truck
- Detective Laurenzi
I don't want tojump
to any conclusions before...
you complete
your investigation
But our equipment is inspected
on a weekly basis
This obviously
involves human error
or criminal conspiracy
Did the alarm malfunction?
The door's locked.
The men carry guns.
An alarm system would be

an unnecessary redundancy
See, this never would've happened
if you hadn't cut us back
We used to have
a third man ride in the back
- Lock me in Yeah
- Lock you in?
I ask for a detective
They send Houdini
Okay
The trucks they give us ain't fit
to carry clothes to the Salvation Army
You're terminated
Both of you
I'm on the Job 14 years
when you still in school
It was Just me, your father
and two Puerto Ricans
and a converted milk truck
Look, I got a family to support
I'm 52 years old I can't go
and start knockin' on doors now
You should've thought of that
before you fucked up.
In our top local story tonight,
Liberty Bell Courier announced
\$12 million fell out
of the storage compartment
from one of their armored trucks
during a delivery run.
Did I hear that right?
A million bucks fell off a truck?
Our reporter Lois Bowden filed an
earlier report from South Philadelphia
where police are concentrating
their efforts to recover the lost loot
- Losing
\$ 1.2 million isn't as easy-
- Anybody want more fish?
- But it can happen
- Joey, shhh, I wanna hear this
Standing beside me is Steve Hrbek,
vice president of Liberty Bell Courier
Mr Hrbek,

how could this happen?
I can't give any reason
for this unfortunate mishap.
I can only say that something
went seriously wrong.

- I'll say
- Even though they are rare,
you find that incidents...
like these
do occur in our business.

Usually the money is recovered
before the story hits the evening news
but obviously in this case,
that didn't happen.

Is there anything
you'd like to say to the person
who found the money?
It's not yours Give it back
Reporting from South Philly,
this is Lois Bowden, Channel Five news.
In other news,
60% of Philadelphians we polled...
said they would leave
the City of Brotherly Love,
if given a chance.

Who conducts all these polls, hmm?
Nobody ever asks my opinion
That dumb S.O.B.
who found that money...

- he don't even know what he's in for
- What's an SOB?
- Never mind
- Well, lucky stiff

He did no more
than the politicians
He picked up his.
They got theirs handed to 'em.
It ain't against the law
to find money.

- It is to keep it
- What are you talkin' about?

Happens all the time
down at the docks, right?
Guys tryin'to take home

unclaimed merchandise.

- They're always doin' it
when no one's lookin'.

- Burn 'em at the stake

- You don't understand anything,
you know that?

- No

You don't take something
if it's not yours You Just don't
A lot of people got money
problems, they don't steal
This guy, he finds this money
Pennsylvania law says if you
find somethin' worth over \$200
and you don't try to return it...
you're committing a crime,
same as stealin'

And you get up
to five years in prison
You get five years?

Yeah, for findin'
some money

What are you,
the attorney general?

If I found that loot...
all them garbage cans up there,
I wouldn't have to be pickin'
out of 'em no more
I'd order me up limousines
two feet longer than anybody else's
I'd build me a house

way up on top of the hill
And they'd say, "Man, you live up there?"
I'd say, "Yeah, I live up there"
They'd say, "How you live
way up there?" I'd say, "Man,
it could happen to any of us"

- You know what I mean? Heck, yeah

- That's a hundred dollar bill

Whoa!

If I found a million dollars,
I'd buy more shoes than Imelda Marcos

- The rest I'd probably waste

- Not me

I got a condo I can't sell
The bank's gonna repossess it
I got a Porsche I can't drive
The insurance is too high
I got a girlfriend who likes to drive
through the south of France
and drink
ten dollar cappuccinos
If I found a million dollars, I'd put it
up as collateral to get out of debt
- then borrow more money.
- dd
There's a gentlemen
staring at you
- Oh, yeah?
- I think so
Do you know what you could buy
for \$12 million?
- I'm gonna come back
and have a drink later
- Okay
Could I have a vodka and cranberry?
Stoli, with three limes
I was sitting here
a minute ago
- Can I get a Rolling Rock?
- We only carry imported
- All right, run a tab.
- Okay I need a credit card
I'm applyin' for one
It's okay
dd
How's everythin'
goin' at the bank?
Joe, get it right We're not a bank
We're an investment firm
- I thought we decided
not to see each other anymore
- Yeah, we did
Come on, Monica, I know
you think I'm here-
I don't need a glass
I know you think I'm gonna try to talk
you into sleeping with me

And that we're gonna get back
together and then we're gonna
break up It's gonna be a mess
I just need your help...

in an area of your expertise.

Expertise in what, Joe?

Money

Money?

Here's a question, seriously

Is there a way for a guy
like me, a guy who's stuck
to walk into your firm
and invest a big chunk of change?

A million cash, you know.

Whatever. What kind of
questions are they gonna ask?

What kind of questions?

They'll need to see picture ID,
your social security number

- That's all I need?

- If it's less than \$10,000

Anything in excess, we're required
to notify the Treasury Department

Is there a way for me,
you know, and you maybe, to
move around the commas and
the zeroes so that the IRS
doesn't find out about it?

Joe,

a guy like you is never gonna
walk into my office with a million cash

All right

I mean, who you kidding?

Look at you, you're still wearin' the
same clothes as the last time I saw you

Check, please

- I got it

- No, no, it's on me

That'll be \$975

Hey, you know,

some money fell off an armored truck

There's a police alert now

for suspicious characters

spending hundred dollar bills

If Joey Coyle has a hundred dollar bill,
you can rest assured it's his last one
He's a good lookin' guy, that guy
You know that guy?

dd

Can I get a pack of Tareyton's?

Can you make it two?

So, what do you think?

Do you think this guy's gonna make it?

- I hope so, but half the town
is looking for him.

- Yeah

- Well, he better go to the other half

- Yeah. \$5.20.

- Keep the change

- Thanks

Hey, here go that guy
who gave us that money.

- Hey, man Come on, man

- No, I'm all right

dd

dI heard my father say

I'd never come to much dd

I think if I found

that money, I'd give it back.

You know what my horoscope
said today, Bobby?

It said, "Beware of strangers
bearing gifts because what is
free is too expensive"

Ain't no missin' money

Government's so deep in debt,
they arrange an accident

money fallin' out of the back
of an armored truck

so they can bail out the S & L's

- Hey, Joey

- Hey, Lindey

Did Dino make his run tonight?

You lost too, huh? Everybody

took the Sixers with the points

- I need a Rolling Rock

- If I found that

million, I'd go to the dentist.

Then, I'd get rid of that
horrible rug in the den
But, first, I'd go to the dentist
Joey, treatin'yourself royally
on my money?

- Your money?

- My money.

You owe me at least
a full tank of gas
for all them rides
home from the dock,.Joe!
You hit me up for a ten-spot
the last time you took out your bitch

- Whoa Her name's Monica

- All right

Thank you Really

Dino

- Hello, Lindey

- Yo

Bud Light

Hey, Dino,

I got that ten-spot I lost on the game.

Hey, Lindey! So, what would it cost

to buy the house a drink?

What are you gonna use

for money, deutsche marks?

Like I was saying,

how much is it gonna cost...

to get everybody in this bar so drunk

they're pissin'out their ears?

- Four hundred bucks.

- Four hundred bucks? Everybody?

Everybody, including me!

All right, then, there's

gonna be no more bitchin'

about this man Dino Palladino

How he comes in here every night

and he books your bets and...

- he doesn't pay off

because I'm livin' proof

- C-notes.

Not even Atlantic City can provide

what Dino Palladino provides

to the South Philly

gamblin' community

- All right,.Joey.

- Put your money away.

All right, comin' up

Who's next?

No loyalty

You bet against our Sixers?

Ah, it wasn't B-ball

Picked a pony

- It's a pony

- A pony?

Yeah

- You and me

- Let's not panic Lorraine,
take care of those guys

- What do you got? Two Bud's

- Talk to me, baby

I need a fresh beer.

- Lock the door

- Go

- Let's see it

- Go, go!

- Let me see it

- Go

Joe, listen I know mooks
that have spent their whole lives
trying to figure out a way
to pop an armored car

In my book,

I look up to you

All right, so we're

just gonna walk in

we're gonna launder it,

and we're gonna walk out

That's right

You'll get it tonight,Joe

Tonight

And now, you gotta do me a favor

When we walk in there,

let me handle it...

'cause I've done it before

I've done all this shit before

so let me handle it

Don't bullshit me,

all right?
You ain't never even seen
\$12 million before tonight
Why you come to me?
Huh? I mean, go to Monica
Go to your girl.
She works in a bank
You walk in that place with that kind
of money, they'll handcuff you to a desk
I came to you
Okay?
No one saw you
picking it up?
Right?
You and me
are the only ones that know about this
Piece of cake
So, when I swap the hundreds,
I'm gonna get back tens,
fifties, anything I want?
- I-It's gonna be okay with this guy?
- The guy's loaded
He collects every bet in South Phil
What else do you want, Joe?
- Is that his car?
- Yeah, one of them
He's a real connoisseur
- Yeah, he knows his shit, huh?
- Yeah
- Joey, Joey, gimme a minute
- In here or out there?
- You want me to walk around? Stay put
- No, no S-Stay put
So, are we gonna
go out tonight?
- Yeah, we'll go to Angelo's
- Mr Goldoni?
- I brought the guy that found
the Liberty Bell money.
- Where is he?
He's right over there
Yeah, maybe Nevada is
but we're not Nevada here.
- That's him Joseph

- Bring him in the office
 - Five and a half
- to five on the play-offs?
- Move to even
 - He's close to clean
 - Cover.

Yeah, this is Corky

The thing is what it is

- You keep four, .Joe.
- Slow down Slow down

You're gonna break
the sound barrier

Now, for every 400,000 I give you,
what are you prepared to give me?

For every four you give us,
we give you back three

Joe, he's

giving you \$300,000

- I'm giving him four

Joe, it's not a matter of...

what you want us to give you,

it's how much you wanna give us

Now, I'll tell you what. For the 1.2,
I'll give you back a million.

That way

you save 100,000

Yeah, but if 12 costs two,

how come four costs one?

You keep four, .Joe.!

I take eight, give you back
seven out of the eight, same
as I would three out of four

It's the same thing

I- I-I don't get it

Really, I don't You get it?

He's taking one from four

He's not taking anything

from the eight

except his vig

of his first four

- It's pretty clear
- I don't get it. I'm sorry.

Is that how much I'm gonna give you
or how much you're gonna give me?

In terms of empathy, in the sense of
putting oneself inside
the skin of another person,
I admire that man
He was an inventor.
He had imagination.
He was a bit of a fatso,
but he was sexually active
And of...
all of the Founding Fathers
whose faces appear
on hard currency
he's the only one
cracking a smile; Ben Franklin
Why's Ben smilin'?
He was smart enough
not to be president
He lived in a tree house
for a period of time,.Joe.
What are you tal-
What are you talking about?
What has this got to do
with launderin' my money?
He was a playful man
He flew a kite
- What was on the end of Ben
Franklin's kite, historically?
- A piece of string
String
What was on the end of the string?
- Dino?
- A kite?
A key
A key A key!
Exactly
He caught lightning in a bottle!
The same way
you did,Joe
The same way you did.
That doesn't happen to too many
people in their lifetimes,
but it happened to you
Think about it.
What are you gonna do?

You can give us the money
and spend it while
you're young, enjoy it
Or you can dig a hole,
stick it in...
and hope that it's still there
when you dig it up.
It's up to you.
We do this tonight
It's the weekend It'll take maybe two,
three-three days at the most
Three days?
- Three days It's not like a week
- He said we could do it in one night
- That's a lot of money to count
- Joe, there's only six here
- Where's the rest?
- You said we could do this in one night
- You said you were bringing 12
- So what, that's my business
- So what? It's my business
- It's my business
- Shut up!
- Shut up
- You shut up
Okay, the man has a right
to be cautiousJoe
you give us the six tonight,
we'll give you back the five,
then we repeat the process
So I get
my first five before I get you
your second six?
That's the deal
That's it
- Okay,Joe Okay
- Done
Now, is there anything you want,Joe?
Anything you need? Tuna, anything?
No, no, I'm not hungry
Uh, I Just gotta get home
- Gotta get home?
- Yeah
Dino, give him your shit box

It's a Cadillac
Take care of my money.
- Let's check this area
- I already checked it
Well, check it again
If I found that kind of money,
you'd never hear from me again
Twenty-four hours
- and not a single clue.
- That's because \$10,000
isn't enough reward
You might not catch the guy
who stole the money...
but you'll probably
get his neighbor
This is South Philly,
Mr Hrbek
If you weren't familiar with
the neighborhood, you wouldn't
even know that street existed
If somebody in one of those
row houses got \$12 million
believe me, they're gonna talk
to somebody
Is that how you solve crimes in South
Philly, Detective? Waiting around
for the crook
to tell the wrong person?
You know somethin'?
You guys are in business
because people can't be trusted
And if we don't find that money
to everyone's satisfaction
you might not be in business
for too much longer
Now, both your drivers passed
their polygraph test with flying colors
And the insurance company
knows that the accident happened
due to equipment malfunction
so you can forget
about a settlement
Raise the reward
It costs money

to find money
Mr Hrbek
I'll double the reward
\$20,000 is still below
the going rate of a row house
Well, I'm not familiar with the price
of real estate in South Philly
Well, maybe you should
read up on it
You come up with 50 grand,
somebody's gonna talk
No, no, the reward stays at 20
- You guys are still issued
rotary phones?
Yeah, you Just put your finger
in the little hole around
the number and drag it around
It takes a little longer
but it still works
Thank you
Ladies and gentlemen
Ladies and gentlemen
Monica
Hey, Joe
Get in
El D
Real leather seats
You're doin' good, Joe
Comin' up in life, huh?
It's a nice car
I've been doin' some thinkin' I want
you to be straight with me on somethin'
- Will you do that for me?
- I think that's always best
Now, nobody died in your family,
so I know you didn't inherit any money
- No, everybody's healthy
- I'm glad to hear it
And I checked the paper
You didn't win the lottery
No, I wouldn't waste my money
on a government racket
Uh-huh
And you're not a big gambler

Here and there,
a little bit, you know
Joe, I want you
to do me a favor
Yeah?
Can you show me what
\$12 million looks like?
I could arrange that
It's like you dream
of somethin'like this happenin'
and then it happens...
- and-and you feel numb,
you know what I mean?
- Mm-hmm.
Think about it, whatever you need,
like medical, take care of your family.
I mean, even after that,
you know, anything.
Anything
that needs to be done...
can now be done
I mean, that'll really work
on your brain, you know what I mean?
I mean, what'd you want? Anything in
the world Where do you wanna go?
- To Paris for breakfast?
Anything, it doesn't matter
- I would love
to go on vacation with you
Now we can go to the Caribbean, you
know Take one of those cruise ships
- Yeah
- Take some mambo classes
Two hundred extra for mambo
And we could use some new clothes
to go on the trip with, you know
Yeah You need some clothes
- Not the five and dime, come on
- Oh, she wants the top of the line
Yes, I do And, you know, I've always
wanted to continue my education
- College?
- Mm-hmm
- That's gonna take money

- Yes, it will
That's for college
And this is for uh, for uh,
your-your breeding and your grades
Excuse me?
Look who's talking
God, you know, I thought I had
a decent Job taking home \$350 a week
Yeah
I'd be, I'd be a grandmother
by the time I earned \$12 million
You'd think a life's worth of toil would
amount to more than this, you know
- And all this is only half the money
- Half?
- Yeah
- Where's the other half?
It's bein' washed
Washed?
Yeah Washed
- As in laundered?
- Yes, as in hand-washed, laundered
So we can spend it while we're young
That's the idea
Who did you give the rest to?
A friend
Someone I know?
You might
Who, Joe?
- I went to Catholic school with him
- You went to Catholic school
with 400 people.
Don't tell me Dino
Not Dino Palladino
The one and only
So, he's the only one
who knows besides you and me?
- Except for Kenny
- You told Kozlowski?
Kenny was there when I found it
Dino doesn't know because
Kenny says he wasn't there
You know what I'm sayin'?
That's Just great, Joe

So, it's Just, you know, basically,
Dino, Kenny, me and you

- This is great

- Where you goin'?

Look, I'm not stickin' around when Dino
and his boys come for the rest of it

Those guys will slit
your throat for five bucks

Those guys are businessmen
like everybody else

- Yeah, right

- All right, you're so smart...

I come to you for advice
the other day and you wouldn't
even give me the time of day

What are you gonna do if a
million-two drops in your lap
and you gotta change it?

I'll tell ya what I wouldn't do
I wouldn't give \$600,000 to some
small-time hustler, Joe

And I wouldn't go spend
a fortune to show off to some girl
who already
gave up on you.

You're saying you're only here
with me 'cause of the money?

Good-bye, .Joe.

- Hey, you kids Hey, wait a minute!

- Cops! Come on, let's go!

Hey, come here!

Hey, come on back.!

- Oh, hey, hey, hey, come here

- No

Relax

You wanna wear these?

Gimme that

You got a hunting license, son?

You don't need a license
to hunt rats

Well, I guess you've never heard
of the Endangered Species Act?

- It was only a rat

- Well, I Just seen another

dead rat right over there

- Were you around here on Friday?

- No, I was in school studyin'

- Oh, yeah, I bet you were

- I was

I don't think so You saw

a yellow metal tub fall off

the back of an armored truck?

- I didn't see squat

- Put it this way

You tell me what you saw,

I'll give your bow back

If you don't, I'm gonna break it

I might've seen someone pick up

somehin' that don't belong to him

Was he tall? Short? Thin?

Fat? Blue? Green?

- He was a regular-lookin' white dude

- Like somebody from the neighborhood?

- Yeah, I might've seen him before

- What kind of car was he drivin'?

Shitty Gray fender needed paint

Chevy Chevelle

- A shitty Chevy Chevelle?

- Yeah

You sure about that

or you Just guessin'?

Of course I'm sure I spent all winter

sleepin' in back of one

Get outta here

- Loose in front.! Score.!

- Yes.!

Brind' Amour.!

- You weren't there, remember?

- Joey, this has turned into a big deal

- You saw the papers?

- Yeah, but it's okay

- The priest is talkin'

about it in his sermon

- It's a moral issue

Murray the cakeman keeps talkin' about

they're gonna catch you this weekend

- He said they're gonna catch

"the guy" this weekend

- Forget about the cakeman
You Just need a drink
You need to relax Drink up Lindey!
- This thing is makin' my stomach hurt

- Buy me a drink
- Yeah,Joey, buy us a drink
- Two more
- With all your winnings?
- What is he talkin' about, "winnings"?
- Uhhh
- He's Just bustin' my balls
- So why you buy him a drink?
- 'Cause he's an asshole
- So you buy him a drink?
- What is that?
- Tequila
- What do I care?
- Ohhh, tequila
- Happy days
- Salud.
- Ahhh You're beautiful,Joe
- Yeah

I'm curious What race was it
that you won your money?
- Why you curious?
- Relax

- Uh, it was the seventh at Philly Park
What was the name
of the horse?
- Nice
- Dumb Luck
- Lindey, you got Friday's race results?
- Yo.
- I can fish it out of the garbage.
- Why you bustin' my balls?
I want to pin it up
Look at this, 20,000
Twenty-thousand reward.
I find a million-two,
I'm gonna give it up for 20 grand?
- I don't think so

- What was that? The seventh race at Philly Park?

- Yeah

- Dumb Luck?

That's the horse
Joe, there ain't no horse named Dumb Luck
You can't believe everything you read in the newspapers
Joe, I usually believe it when they're payin' me off
You know, I think it's some sort of strange typo or somethin'
They don't have any typos in the racing section
How could 22 guys take a leak at the same time?

- Prostate, maybe

- Guess it must be goin' around

- A hundred dollar bill
I'm looking for 12,000 of these

- You know, it's funny but I seen Ben Franklin standing out by the Liberty Bell and he was handin' out hundred dollar bills to every tourist in town.
Dunleavy, let's not make a hero out of a jerk.
What makes you think the guy who found the money's a Jerk?
'Cause he's got the cops lookin' for him
You wouldn't happen to know where he is?

- We should tell 'em
He's gonna find out anyway

- You wanna know who found it?
It's Kozlowski

- That him?

- That's him right there.
Is it true what they say?

- You know about the money?

- If I found the money, I'd give it back
Yeah, yeah

I believe maybe you would

- Yes, I would

- You must be the only one
around here that would

I would

I got an idea that whoever found
that money is from this neighborhood.

Maybe it's someone
that everyone knows.

Well, here's my card
Anybody wants to talk

- Anybody?

- Yeah, I'll take one

You never know.

- Why- Why'd you take his card?

- Shut up

We communicate
You do?
We still talk
All the time
Has he said anything
about me lately?
He knows exactly
what's goin' on with you, Joey
He didn't tell you
how it was gonna turn out did he?
Do you think Dad would be
happier if we moved him out that
that scummy cemetery
out there under that freeway?
And we move him out in the country,
you know? Someplace nice
With some birds and some trees,
you know A river Somethin'
Joey
