Imran, have you send the money
I just reach to west unlon offlce
when I would recleve the money!
Whlle we are talkng
money would be there
Have you recleved the money slr!
What Is the matter?
Why do you need
that much money
I am eccaplng from here
they are flxlng my marrlge

why are you laughing?
Coming to your own house and
your own room like a guest
It is funny for me
now it is finished
what?
My laughter
why you send sweet
to ask me to come here
I am confused
how should I start
no problem I will come later
no no!
I mean take a seat
try to understand the happiness
as much this marriage news gave you
as it is shocking for me
I am sure you have started
dreaming about our first night
yes of course! It has been a while
I mean when you would drink
half of milk glass and you
would leave half for me
don't worry we will
ask for two glasses
we have 6 cows at the house
It is not that I am saying
you would try to
unveil me and kiss me
so? You want me to
kiss without unveiling?
I didn't know that they would fix
my marriage in my first visit to India
I mean I need time and I want
to celebrate our first night in London
after we got to know each other a little
I asked my father to go to London
come with me to
London see my lifestyle
we got to know each other a little bit
and then I am happy to come back here
I hope you can understand
what I am saying
can? I have understood

everything
there is no pressure in love
and I fall in love with
you at first sight
so we would celebrate
our first night in London
you are laughing again?
I am thinking I would be
the first lad in my family
who would celebrate
his first night in London
ok let me go I have
to do my push ups!
Hey Jaswant!
Open my door for me
don't be miser Javed
do whatever you want to do
I have only one daughter
and one son in law
we will arrange only one reception
this reception would not be in any hall
we will do it in our way
we will rent a house in country side
and arrange a tent there
then we would dance
on our traditional drums
there would be fireworks too
then it would be
a popular reception
there have not been any first night
and they are discussing reception
I don't see any friends of bride
who would push me to her room
come on Jas! We have decided
your reception would
be in country side
not in any hall, full
in traditional style
what kind of reception?
Oh... If you are
calling that drama
a wedding which happened in India
then I tell you... I played a drama too
who would give a dance

to a Indian wedding
recognized as a
wedding in London
what is the proof that I am married
It is matter of my honor
when he would come
here what can he do?
He would be afraid here
and would be quite
what are you saying jaz?
Don't try to be
that shocked dad
you also tricked me
you fixed my marriage and excuse
was visit to Kashmir and Taj Mahal
I just did a trick too and didn't give
you the time to register marriage
and an unregistered marriage is
not recognized in this system
so forget that marriage because according
to me there is no marriage took place
I am unmarried and single
what marriage?
What are you talking about?
According to me you are
married to Arjun Singh
and according to me
charli chaplan is married too
not even once twice
three times
three times are you listening?
Three times!! That charli
wants to make
record of marriages?
Or you want to break
his divorce record?
Anybody can make a mistake
in choosing life partner
he also made so.
Then
If you do it
once it is mistake
If you do again and again it is a habit
tomorrow he leaves and

say sorry I made a mlstake
then what you are golng to do?
You guys agreed or not I would marry charll
If It Is a mlstake It would mlne not yours
you asked me a questlon
I came to answer your questlon
you dldn't ask your parents
to come your blrthday party
but I brought a glft for you
but you are responslble
for a Inocent man's Ilfe
sham on you!
Engllsh man Is very handsome
but not more than me
I am just klddlng!
I can not pralse more
about my wlfe's boy frlend
what Is hls name?
Charlle Brown
and you Jasmlt Brown... oh no! Jazz Brown
so you have decided to be Jazz Brown?
Yes!
Then why you Ile to me In Punjab?
Why you asked me to dream
about our flrst nght In london?
Why dldn't you say wth the
same attltude that you don't want
to be Mrs. Arjun Slngh
but Mrs. Jazz Brown
I know I have done somthng
very wrong wth you
and you would hate
me for all our Ilfe but...
I don't hate you! I can't and I wouldn't
what?
I fall In love at your flrst slght
that Is why I got marrled to you!
I treld to hate you upstalrs
but It dldn't work
but I would not pose
myself on you as husband
but I would not break
my courge as easlly
I would not go for here untll

you and Charll would not swear to Ilve together
untll then I would wait for you and hope
you would come back to me
I fall In love wth you at your flrst slght!
Agaln you started
let It go! Be done wth It
my heart always told me she can not
flnd a man Ilke you!
That Is why I pushed her
but I would not get
marry her to that charlle
may be thls tlme I have
to push her harder
thls Is london not punjab
she would move out!
Can complalnt to pollice
and they will arrest you
and send you to jall
when you would come out
you would be a grand parent
and me vlrglne father
then what I should do...
you don't do any thng
because whenever
you try to do somthng
It goes opposlte
and you would loose you daughter
and me my wlfe
but you do anythng Ilke you
can wln her heart
anythng whch can put down charlle
any style any Idollstlc thng
or Idollstlc thng
thls Is the tlme for true love
If she would see that love
may be she fall In love wth me
he Is a whlte man... whlte understand?
If he would have been a
hlndustanl to go back to punjab?
I dldn't mean that
body Is In forleng country
but one thumb Is happaned to be
In Gatway to Indla
want to Ilve In shlnng london

want to earn In pounds
want to glve englsh
educatlon to your chlldren
but son In law...
son In law should be hlndustanl
father In law! Our marrlge Is not
recognlzed by Jazz or law
we have only one way
do whatever Jasmln says
because everything
would go as she wants
that Is all
now do one thlng
now take me to a Pub and entertaln me
with a chlled bear I want to feel Ilghter
whether you are from london or Punjab
you all are bloody mad

that you wont marry

after such bad attitude
and If you did I will call you when
I would visit London after several years
and what would you
say on phone
I would say that
Jasmit
I want to meet you
come and see me
you wouldn't want
to see me
why should we meet
after so many years
what would happen
If we meet
but I stress
don't say no Jasmit
you get stubborn
and say solid no
with a strong and
confident voice
but your heart
beating becomes faster
Arjun now I am an old
woman and you too
It would be better If
we don't meet
but I would wait for you
at the same place
with hope that
you would come
then...
then you come
both of us look at
each other
It seems strange
we are trying to remember
our looks in older days
when we were younger
I am noticing that
your hair are grayish
but are still silky
your loving eyes are
sparkling and wrinkles

In the same way
and I say that
you are still very beautiful
stop this now
I am old now
you look down
as you don't like the
way I look into your eyes
don't look like this
why did you come back anyways?
Both of us are quite
for a moment
there is nothing
left to say
you are standing
quite there
and a painful feeling
comes in your eyes
and then in my eyes
are you happy?
What did I say?
And you said
what does it mean?
How do I know?
You should know it
as you said it
and that is Hyde park
what are you doing?
After visiting entire London
I realised that it's better to
go around you
now stop it
lets go
why, what happened?
The last stop of this slight seeing
trip, night life of London
what is he saying?
He is asking what is the reason of
coming to London other than wedding?
I have come to take
my wife home
Jazzy you should tell him the
real thing in English
otherwise he would say that

I dld'nt tell hlm my real Intentlons
whlch Intentlons?
Whlch Intentlons?
What are you dolng here?
II would Ilke to ask you the same questlon
what are you dolng here?
I have always seen
you In a dlsco or bar
I am convertlng
means paylng last respects
but lmran
by saylng goodbye
you can not forget the
feellng that you betrayed
Suzan's father wants me
to change my name, releglon
and become Chrlistlan
good... are you marrylng Suzan's father?
But Suzan dldn't
say a word agalnst It
It means...
wow, what a splrlt lover
you have left your 26-year-
old Identlty, relglon
for the lover you
know only for 26 weeks
look at them
father wants to teach hls son
all the teachlngs he recleved
from hls father
but when he would know that
hls son Is golng to leave
all hls teachlngs wlthout
even thlnkng
how would he feel?
I am also Punjabl
and respect love
but love Is not
condltlonal
I would not let go
the chance to dance wlth you
by the way you
dance pretty well
brlng here the drums

then I would tell you
what is Punjabi dance
Bhangra, I must say
your taste is not good
don't say this
I liked you at first sight
are you flirting?
From the very first day
you discovered only now?
What would you do after
going home?
Would you marry another
woman?
I am married
I know, I know
"I am joking, don't
you watch movies?"
I am not joking
I won't marry again
Charlie's brother has no
time for dance class
but do have time to call
at the right time
I want divorce
Arjun I am serious
I want a divorce
when you do not
accept wedding
then way you want a divorce
But you believe this thing disturbing me.
Charlie wanted to kiss me
and he is right
we are going to be married
but I...
we had a fight
you just give me divorce
how do you feel?
Great... how small this world is?
I wear the same brand
in India
and this is the first
Indian denim brand
which has a showroom
in London

and you are the first Indian
who is arranging his
wife's wedding in London
do something Arjun
what do I do?
You are doing that?
What am I doing?
Preparations for the
second marriage
of your daughter
this is really
expensive cake
our house was built
in lesser money Bego
you always said that
people should remember
the reception of your
only daughter
If this talk reached
Punjab
they would make
fun of me
no, no, no
this won't work
this list is getting too long
you are inviting too many people
It would be too expensive
cut out some names
I have cut name of
Hansmukh Bhal Patel
why did you cut his name
I have known him for 20 years
and you didn't see
him for last 18 years
ok invite him
but on the condition that
he wouldn't eat
this is a good idea
and who else should I
ask to not to eat
even better is to charge
the guests per plate
and earn money from your
daughter's wedding

very funny
congratulations...
the church is free
thanks God, something is free
free means it's not occupied
we will have to pay for it
why did you call me here
I want to marry
marriage... with whom?
With your Indian
friend Arjun
he is really good
what if you couldn't see them
I don't know why are
you marrying Charlie?
Out of love or
because you are challenged
maybe you love him
dream romance type
Jasmit I feel very lonely
I need somebody to take care of me
you can't marry Arjun
why
because he is a
married man
London is just
like Punjab mother
the only difference is that
there are more Punjabis in London
did you go for
any slight seeing?
Yes mother
I am just going round and
round since my arrival
in London
then why are you coming back?
Mother I am missing you and village
Jasmit has packed her stuff
but I have asked her to stay here
why?
Because she won't get leave from her office
she is crazy
and ready to leave job
I said no

son, tell me one thing
are you comfortable with
each other?
What do you mean
by comfortable?
Her love for me has increased
after the first night
stop saying things
like this I am joking
you also watch
movies ok now I...
ok, good bye
the real love does not mean
getting your loved one
am I right?
Yes
this is written for those who
lose the love game
I am joking
I wrote this
dance one last time
Jasmin you couldn't marry me
and I couldn't
divorce you
the account is
settled
but promise me
when we would grow old
and I would come to London
and call you
then do come to see me
because for me it would be
necessary for me to know
that are you happy or not
why this?
Just think of it
you are very nice guy
Are you?
I will miss you
Jazz,
now it's late Imran
true
I just wanted to tell you
that father and Suzan would

go to Karachl for some days

re you ok

daughter to the church
run daughter

The dance Is left

you do not know Englsh?
The drama was ended when
I understood all of Prlngle's coversatlon
and replled hlm accordngly
you should have caught me then
