Neoneun Pet (You Are My Pet)

By Yayoi Ogawa

Welcome to HGBit.com

Have fun my dear^^

You have a better educational background than me, and your salary is higher than mine.

You're taller than me, and someone who is more capable than me. It's a burden.

To actually be thrown away by that kind of scoundrel.

That's right. How many can endure men that are better than they are.

I heard by chance, that she's been moved to the strange fashion department.

The managing director's words, did you pay attention to them at all?

To circulate funds characteristic you eat enter stomach in.

--You're my Pet--

What is the use of doing your best?

In the end, he'll definitely betray you.

How long has it been since the break up?

His credit card fee always killed me.

Every time, I'd get angry.

That's why pets are the best.

Our family's BB isn't like that.

He can be considered as my life's energy.

Look here!

Not too bad.

Let us all see, sunbae!

(Sunbae - senior, mentor)

Mom.

=I've decided to divorce your father.=

You aren't even determined,

what's the use in saying it everyday?

A call is coming in, how

about we talk later mom?

Yes, Dad.

It's dad, even at my age, you're mom wants to divorce me.

Although I don't know what this is about, divorcing at this age,

the one who will suffer

a loss is you, right Dad?

First, put down your tail.

It was cut off a long time ago,
I already have no tail.
Yes, this is Ji Eun Yi.
=Hey. Are you not taking my calls?=
In the middle of work, later.
=You know it is my birthday, right?
You have to come.=
Mr. Seo Jeong Min.
This sex appeal secondary topic.
I feel your idea isn't bad.
Use this time to get
rid of files, only use ITS.
This, has already been mentioned
by the Cheif Editor.
If I am going to throw away files,
I should throw them away.
Because people who've studied abroad
in United States are really not the same.
This, really doesn't seem to be
related to studying abroad.
It is a constant mistake, so pay
more attention to it next time.
How? Oneself is to study abroad send that is to study abroad send.
Why and to look down upon me this kind of local faction?
I at pear safe institution live how long?
It's like stepping in dog poop.
Why does she have to be
in the same group as me?
You need to make the
proper mental preparations.
Her weapon looks to be her education in the
United States, and she uses it to look down on people.
Only she, herself is perfect.
Your temper is also very good.
Follow then woman to be in contact with not bad.
Women who have very
little strong points are good.
Doesn't it give me a
dazzling kind of feeling?
To dazzle feels like. Just is because of too full.
Originally we were worked to
death by that bastard Chief Editor.
Why is that women like that also?
These death deserving...

Hey, Seo Jeong Min.

What are you doing in the
women's bathroom everyday?

The men's bathroom isn't clean.

The ajumma that does the cleaning
on that side is not on duty.

Ajumma!

(Ajumma - older lady, aunt)

Ji Eun Yi sunbaenim, I really
haven't see you for a long time.

(Sunbaenim - respected senior, mentor)

Long time no see, have you been well?

I heard you moved to the Fashion
Department. It must be very fun.

You must also see a lot of designers right?

I'm envious, sunbae.

Really? Then, you should
try to apply for a position.

Omo, I was only saying.

I need to get going, I'm going
on a business trip tomorrow.

It is an international department's
cover layout.

If sunbae is still here, of course
you should go.

Taxi!

Sunbae, if there is time,
let's have a lunch.

So handsome.

So handsome.

I heard he doesn't work with women.

Why?

I don't know.

He doesn't like women? Is he gay?

It can't be.

He's someone who grew
up surrounded by women.

When he was in England,
he was paired together with a woman.

During practice, the woman
fell and sustained injuries.

That woman, in the end gave up ballet.

And he, has been blaming it on himself.

Just like a idiot.

We rarely come to places
like this, its fun right?
I recall the time in university.
What person over 30 years old has a birthday
party in this kind of place? Rotten girl.
I even left my child home. What is this?
This really isn't fun at all.
My mom, after a short while,
will kick me out.
Although it is like this, you also
can't just randomly find someone
and marry.
Really want to to become a member spirit insurance.
I already gave up what I
should give up.
Shouldn't it be a bit
comfortable like this?
But my heart is vexed, my
head hurts a lot.
There is this saying, men are
like empty taxis.
Waiting this long and still not
here, so you think, find, I'll just go.
After you give up, a pile
will come and stop by your side.
That moment, you hesitation
which one should you ride.
But opportunity is a problem.
One mistake and another
gets on, it will become someone
else's.
Me. Want to confident go.
You are starting to force it again.
So gold currently tin that kind of fellow all unable to take it you escape.
Let him escape.
This kind of inferiority of men,
I feel very disgusted right now.
Starting now, as long as it
is a man,
I can only approve someone that is
taller than me, smarter than me,
and have a higher salary than me.
How about raising a pet?
Me boss has just been

raising a pet.

Recently that old man has
become nicer.

That too, you, who can't
even take care of a boyfriend well,
And to raise what house pet?

Puppy.

Sit.

Bark.

Lie down.

Hey!

This is not to eliminate stress, but
will make people more angry.

Therefore...

I starved it to death.

Therefore...

I want a real puppy.

But, they feel too weak.

After bringing it home, what should
I do if there is any mishap?

Momo, very study, very strong.

I heard you failed to be
chosen again.

Too disappointing. Do you
only have this little bit of ability?

Immediately leave from my house.

I hate sleeping in the recording
studio the most.

I said is hot water in. Warm live bed. Clean washroom.

Aren't these the basic
desires of people?

Is there anyone willing to
raise me?

Are you a puppy on the road?

I will tell you in advance, absolutely
don't plan on relying on me.

Five-start hotel, how much
is it each month?

If you have that kind of money,
then just stay in an inn for the
long term, rotten brat.

Hyeong.

I know a very awesome place.

The taste is a bit salty.

And also when you clean
match the height.
When urinating, raise the toilet seat.
I know, nuna.
(Nuna - older sister)
What, did you make some mistake?
What mistake can I make?
How can that be, nunim.
(Nunim - respected older sister)
When brushing your teeth, don't do
this kind of movement.
Shouldn't you say something
if you bring a friend back?
What to do? Where exactly
are my things?
This is not your home, on what
bases can you casually
bring someone back to sleep?
Nuna, making an exception this
once will be enough.
I know him, he is an extremely
good hyeong.
Amongst people, men say
aren't bad,
I haven't seen anyone that
really isn't bad.
Nuna, I won't take my salary
for one day, just one day. One day.
You really...
Then, I'll set mom and dad's matter.
I'll have them not divorce. Believe
my words.
Hey hey hey. But are you sure?
Cleaning, cooking, I don't
do even know a bit of that.
If you are not satisfied, my
nuna will take care of it.
Hyeong, just pretend to
do it and it will be fine.
But, can I be like that?
Although she is my nuna, but you
are also a man.
Very clean. Very warm. But here,
why is even the smell this good?

In short, this house is best, right?

Of course.

I admit you're capable. No problem.

No, hyeong, you approve of my talent,

Want to to music drama partner to dance give me.

Is this really the whole reason?

If it is you, this time it is the whole thing?

In fact, there is a very good proposal.

You have sing a duet with that woman, that is the condition.

Go in and eat. Let's go.

From a short while ago, she was always an eyesore.

What are you doing, Aren't you very happy?

Why? Why? What?

I'll be back.

Please enjoy the meal.

Hey, In Ho, Kang In Ho.

You gave me stop there. Rotten brat.

Stop, Rotten brat.

Do you always get off work this?

Don't you know how long

I waited for you?

Wow. A woman with a hand this smooth, you are the first.

But, how come you are here?

Eun Su returned home too.

Ah, although it will be awkward at the start,

but I will do my best on behalf of Eun Su.

Also I already gave him 6 month's rent.

Ji Eun Su.

=The number you have dialed is temporarily unreachable.=

Looks like you like puppies.

Want to raise one?

But, real dogs love barking, will shed hair, and also not good for your windpipe.

Their excrement is also
not your common filth.
Furthermore, to train them to
understand human words need
a lot of time.
I can also do it.
I can also do it.
What?
Puppy?
Compared to the said puppy,
I'm considered a human pet.
If it is an animal pet, then
it can live here together with me.
I'll feed you when you need
to eat, as long as when I
call you should run over,
you'll also occasionally
need to perform.
From head to toe, a pet
with no human rights.
One that listens to me, doesn't
annoy me, then I will raise you.
How is it? This... you have no
confidence?
This level, will have him
defeated and leaving.
Can you do it?
Mom. Mom. Him want to do what?
