FROM THE BLACK WE HEAR--

MARK (V.O.)

Did you know there are more people with genius IQ's living in China than there are people of any kind living in the United States?

ERICA (V.O. )

That can't be true.

MARK (V.O.)

it is true.

ERICA (V.O.)

What would account for that?

MARK (V.O.)

Well first of all, a lot of people live in China. But here's my question:

FADE IN

INT. CAMPUS BAR - NIGHT

MARK ZUCKERBERG is a sweet looking 19 year old whose lack of any physically intimidating attributes masks a very complicated and dangerous anger. He has trouble making eye contact- and sometimes it's hard to tell if he's talking to you or to himself.

ERICA, also 19, is Mark's date. She has a girl-next-door face that makes her easy to fall for. At this point in the conversation she already knows that she'd rather not be there and her politeness is about to be tested. The scene is stark and simple.

MARK

How do you distinguish yourself in a population of people who all got 1600 on their SAT's?

ERICA

I didn't know they take SAT's in China.

MARK

I wasn't talking about China anymore, I was talking about here.

ERICA

You got 1600?

MARK

You can sing in an a Capella group.

2.

ERICA

Does that mean that you actually got nothing wrong?

MARK

Or you row crew or you invent a 25 dollar PC.

ERICA

Or you get into a final club.

MARK

Or you get into a final club, exactly.

ERICA

I like guys who row crew.

MARK

(BEAT)

Well I can't do that. And yes, it means I got nothing wrong on the test.

ERICA

Have you ever tried?

MARK

I'm trying now.

ERICA

To row crew?

MARK

To get into a final club. To row crew?

No. Are you, like--whatever--crazy?

ERICA

Sometimes, Mark--seriously--YOU say two things at once and I'm not sure which one we're talking about.

MARK

But you've seen guys who row crew, right?

ERICA

No.

MARK

Okay, well.. they're bigger than me. They're world class athletes. And a second ago you said you like guys who row crew so I assumed you'd met one.

ERICA

I guess I meant I liked the idea of it. The way a girl likes cowboys.

3.

MARK

The Phoenix is good.

ERICA

This is a new topic?

MARK

It's the same topic.

ERICA

We're still talking about the finals clubs?

MARK

Would you rather talk about something else?

ERICA

It's just that since the beginning of the conversation about finals clubs I think I may have had a birthday.

MARK

We can change the subject.

ERICA.

(can't get over it)

There are more people in China with genius IQ's than the entire population of--

MARK

It's about exclusivity.

T'RICA

.....what is?

MARK

The final clubs. And that's how you distinguish yourself. The Phoenix is the most diverse. The Fly Club, Roosevelt punched the Porc.

ERICA

Which one?

MARK

The Porcellian, the Porc, it's the best of the best.

ERICA

I actually meant which Roosevelt.

MARK

Theodore.

4.

ERICA

Okay, well, which is the easiest one to get into?

MARK takes a cigarette from a pack, lights it, takes a drag and blows the smoke out before he says...

MARK

Hm.

ERICA

What?

MARK

why would you ask me that?

ERICA

I was just asking.

MARK

They're all hard to get into. My friend Eduardo made \$300,000 betting on oil futures last summer and he won't get in. Money or the ability to make it doesn't impress anybody around here. Everybody can do that.

ERICA

He made \$300,000 in a summer?

MARK

He likes meteorology.

ERICA

You said it was oil futures.

MARK

If you can predict the weather you can predict the price of heating oil. You asked me that because you think the final club that's easiest to get into is the one where I'll have the best chance,

ERICA

(BEAT)

I've lost my place again.

MARK

You asked me which one was the easiest to get into because you think that's where I have the best chance.

ERICA

The one that's easiest to get into would be the one where anybody had the best chance.

S.

MARK

I just think you asked--the placement of where you asked the question--

ERICA

I was honestly just asking. Okay? I was asking just to ask. Mark, I'm not speaking in code.

MARK

Erica--

ERICA

You're obsessed with the finals clubs. You have finals clubs OCD and you need to see someone about this who'll prescribe some sort of medication. You don't care if side effects may include blindness, okay, just do it.

MARK

Final clubs. Not finals clubs and there's a difference between being obsessed and being motivated.

ERICA

Yes there is.

MARK

Well you do--that was cryptic--so you do speak in code.

ERICA

I didn't mean to be cryptic.

MARK

I'm saying I need to do something substantial in order to get the attention of the clubs.

ERICA

Why?

MARK

Because they're exclusive.

(BEAT)

And fun and they lead to a better life.

ERICA

You think Teddy Roosevelt got elected president because he was a member of the Phoenix Club?

MARK

He was a member of the Porcellian and yes I do.

6.

ERICA

Maybe he sang in an a Capella group.

MARK

I want to be straight forward and tell you that I think you should be a lot more supportive. If I get in I'll be taking you to the parties and you'll be meeting people that you wouldn't normally get to meet.

ERICA

(SMILES)

You would do that for me?

MARK

You're my girlfriend.

ERICA

okay, well I want to be straight forward and tell you that I'm not anymore.

MARK

(BEAT)

What do you mean?

ERICA

I'm not your girlfriend anymore,

MARK

Is this a joke?

ERICA

No, I'm sorry, it's not.

MARK

You're breaking up with me?

ERICA

You're going to introduce me to people I wouldn't normally get to meet? What the

fuck is that supposed to mean?

MARK

Take it easy.

ERICA

What was it supposed to mean?

MARK

It was--Erica, the reason we're able to sit here and drink is that you used to sleep with the door guy.

ERICA

(PAUSE)

I want to really try not to lose it now.

(MORE)

7.

ERICA (CONT'D)

The door guy's name is Bobby. I haven't slept with the door guy, the door guy's a friend of mine. He's a perfectly good class of people and what part of Long Island are you from--England?

MARK

I'm from Westchester.

ERICA

I'm going back to my dorm.

MAFT

Wait, wait, thisi reel?

ERICA

Yes.

MARK

I apologize, okay? Siddown.

ERICA

I'm going back to my dorm, I have to study.

MARK

ERICA---

ERICA

Yeah.

MARK

I'm sorry and I mean it..

ERICA

I appreciate that but--

MARK

Come on.

ERICA

---I have to study.

MARK

You don't have to study. Let's just talk.

ERICA

I can't..

MARK

Why?

ERICA

Because it's exhausting. Going out with you is like dating a staimaster.

S.

MARK

All I meant is that you go to B.U. and so you're not likely to--I wasn't making a comment on your parents--I was saying you go to B.U.

ERICA

I have to go study.

MARK

You don't have to study.

ERICA

How do you know I don't have to study?!

MARK

Because you go to B.U.!

ERICA stares at him...

MARK (CONT'D)

(BEAT)

Do you want to get some food?

ERICA

I'm sorry you're not sufficiently impressed with my education.

MARK

And I'm sorry T don't have a rowboat.

ERICA

I think we should just be friends.

MARK

I don't need friends.

ERICA OF

I was being polite, I had no intention  
being friends with you.

MARK

You're really leaving.

ERICA takes MARK's hand and looks at him tenderly..

ERICA

(CLOSE)

Listen, You're going to be successful and  
rich. But you're going to go through life  
thinking that girls don't like you  
because you're a tech geek. And I want  
you to know, from the bottom of my heart,  
that that won't be true. It'll be because  
you're an asshole.

9.

And with that stinger, ERICA walks off and we stay on MARK as  
the pulsing intro to Paul Young's "Love of the Common People"

CRASHES IN----

ERICA (CONT'D)

(calling over her shoulder)

And you're never getting into a final  
club.

Along with the MUSIC, we slowly push in on MARK. A fuse has  
just been lit.

MARK has moved his mouse to an icon on his desktop labeled "Kirkland Facebook". He clicks and opens it. A menu of photos appear. He blogs again.

MARK (V.O.) (CONT'D)

I'm a little intoxicated, I'm not gonna lie. So what if it's not even 10PM and it's a Tuesday night? The Kirkland Facebook is open on my desktop and some of these people have pretty horrendous f acebook-pics. Billy Olson's sitting here and had the idea of putting some of these girls' faces next to pictures of farm

animals and have people vote on who's hotter. .

CUT TO:

INT. FINAL CLUB - NIGHT

We'll be cutting back here a lot in this sequence, with the Paul Young song tying them together, as we show---mostly MOS---preparations under way for the hottest party on campus tonight.

We start on a good looking STUDENT fixing his tie in the bathroom mirror. He walks out of the bathroom and into the main area where he's immediately tossed a bottle of champagne by a similarly dressed STUDENT. We see that there are a couple of dozen other guys around. Our guy takes the champagne bottle and sticks it on the bar, which is being stocked by two sexy FEMALE uniformed BARTENDERS.

Our guy walks past P. DJ's table where the DJ is setting up his incredibly high-end equipment.

Our guy trots down a set of mahogany and red-carpet stairs, opens a heavy door and looks out to the sidewalk.

12,

A BOUNCER in a tuxedo is standing by a velvet rope which is holding back three dozen STUDENTS. The students are mostly women and the women are all dressed to catch a man.

Over all this, we HEAR MARK CONTINUINGâ€”

year it's on. I'm not gonna do the farm animals but I like the idea of comparing two people together. It gives the whole thing a very Turing feel since people's ratings of the pictures will be more implicit than, say, choosing a number to represent each person's hotness like they do on hotornot.com. The first thing we're going to need is a lot of pictures. Unfortunately, Harvard doesn't keep a

public centralized facebook so I'm going to have to get all the images from the individual houses that people are in. Let the hacking begin.

His lawyer is SY, who's accompanied by some junior associates, one of whom--a pleasant, pretty and professional young contemporary of Mark's named MARYLIN, we'll get to know.

On the other side are EDUARDO and his lawyer, GRETCHEN, also accompanied by some associates. A STENOGRAPHER is typing the record..

The room is glass on two sides and through the windows we can see the behemoths of Silicon valley--Oracle, SunMicrosystems, Google, etc.

GRETCHEN is taking MARK's deposition.

GRETCHEN

So you were called in front of the Ad Board.

MARK

That's not what happened.

GRETCHEN

You weren't called in front of the Administrative Board?

MARK

No, back, I mean--That's--back at the bar with Erica Albright. She said all that? That I said that stuff to her?

GRETCHEN

i was reading from the transcript of her DEPOSITION SO--

MARK

why would you even need to depose her?

GRETCHEN

That's really for us to--

MARK

You think if I know she can make me look like a jerk I'll be more likely--

SY  
MARK " " " " " "

MARK  
--to settle, right?

24,

SY

Why don't we stretch our legs a minute, can we do that? It's been almost three hours and frankly you did spend an awful lot of time embarrassing Mr. Zuckerberg with the girl's testimony in the bar.

MART

I'm not embarrassed, it's just that she made a lot of that up.

GRETCHEN

She was under oath.

MARK

Then I guess that would be the first time somebody's lied under oath.

People are stretching and getting coffee and talking quietly. MARK stays in his seat.

MARYLIN, the attractive second year associate who's on Mark's legal team is still sitting too... about four seats down from Mark.

MARYLIN

3-1

The fourth boat is being crewed by CAMERON and TYLER WINKLEVOSS----identical twins who stepped out of an ad for Abercrombie and Fitch.

They know that the others aren't in their class and even though they're highly competitive athletes, they don't like showing anyone up, least of all their teammates.

CAMERON

Is there anyway to make this a fair fight?

TYLER

We could jump out and swim.

CAMERON

I think we'd have to jump out and drown.

TYLER

I'm not willing to do that.

CAMERON

What are we at three-quarter power? Let's drop down to a half.

TYLER

Or you could row forward and I could row backward.

CAMERON

I'd kick your ass.

TYLER

We're genetically identical, so biology and mathematics says we'd stay in one place not allowing for the current or the wind.

CAMERON

Just row the boat.

26,

And the WINI{LEVOSS twins kick into full gear and open up an even wider lead as we.

INT. DINING HALL - MORNING

Two stacks of The Crimson, Harvard's student newspaper, get dropped on the floor as TYLER and CAMERON walk by--their trays loaded with mountains of eggs and pancakes and carbs. Everyone knows and loves them in this 200 year old dining hall and they wave and shout to a few people and whisper to a couple of very pretty girls before taking a seat next to DIVYA NARENDRA, a nice looking Indian student whose face is in a copy of the Crimson.

CAMERON

What's up?

DIVYA

You guys hear about this?

CAMERON

What?

DIVYA

Two nights ago a sophomore at Kirkland crashed the computers.

CAMERON

Which computers?

DIVYA

All of them. Be crashed the whole system.

TYLER picks up a copy-of the Crimson and begins reading while his brother and DIVYA keep talking.

CAMERON

How?

DIVYA

He set up a website where you vote on the

hotness of female Harvard undergrads.  
What were we doing that none of us heard  
about this?

CAMERON

I don't know. Rowing, going to class,  
studying? How much activity was there on

MARK stands before a panel of ADMINISTRATORS as well as COX, the systems manager who was woken up in the opening sequence.

ADMINISTRATOR

Mr. Zuckerberg, this is an Administrative Board hearing.

(MORE)

28,

ADMINISTRATOR (CONT'D)

You're being accused of intentionally breaching security, violating copyrights and violating individual privacy by creating the website, WWW .FACEHASH.COM. You're also charged with being in violation of the university's policy on distribution of digitized images. Before we begin with our questioning you're allowed to make a statement. Would you like to do so?

MARK

(BEAT)

Uh...I've, you know, I've apologized in the Crimson to the ABHW, to Fuerza Latina and to any women at Harvard who might have been insulted as I take it they were by the things that have been said to me in the last week. As for any charges stemming from the breach of security, I believe I deserve some sort of recognition from this Ad Board.

ADMINISTRATOR

(PAUSE)

I'm sorry?

MARK

Yes.

ADMINISTRATOR

I don't understand.

MARK

Which part?

ADMINISTRATOR

You believe you deserve recognition?

MARK

I pointed-out some pretty gaping holes in your system.

COX

Excuse me, may I?

ADMINISTRATOR

Yes.

COX

Mr. Zuckerberg, I'm in charge of security for all computers on the Harvard system. I can assure you of its sophistication and in fact it was that level of sophistication that led us to you in less four hours.

29.

MARK

Four hours?

COX

Yes sir.

That would be impressive except the algorithm I used was written on my dorm room window. Keep up the great work.

No.

EDUARDO

It's okay. You're fine.

CUT TO:

INT. LECTURE HALL - DAY

MARX is in his Operating Systems class. This is considered the hardest class at Harvard and MARK is one of the 50 students with their laptops open as the professor takes them through an impossibly difficult lesson,

PROFESSOR

So let's look at a sample problem:

Suppose we're given a computer with a 16-bit virtual address and a page size of 256 bytes.

A GIRL scribbles something on a piece of paper. Then hands it to the student next to her and nods that it should be passed over to MARK. While that's happening--

PROFESSOR (CONT'D)

The system uses one-level page tables,

which start at address 0x0400. Maybe you want to have DMA. on your 16-bit system, who knows? The first few pages are reserved for hardware flags, etc.

MARK opens the note., It reads "Asshole".

He looks over and sees a couple of GIRLS looking at him with contempt.

PROFESSOR (CONT'D)

Assume page table entries have eight status bits.

MARK closes his laptop, gets up and starts to head out of the hall.

PROFESSOR (CONT'D)

The eight status bits would be--

(RE: MARK)

And I see we have our first surrender.

Don't worry, Mr. Zuckerberï½, brighter, men than you have tried and failed at this class.

CAMERON

No, you didn't insult our girl--

Actually, I don't know.

TYLER

(TO CAMERON)

We never asked.

CAMERON

We should do that.

32,

TYLER

Yeah.

CAMERON

No, we have an idea we want to talk to you about. Do you have a minute?

MARK

You guys look like athletes.

CAMERON

We are.

CUT TO:

INT. PORCELLIAN CLUB - DAY

The most exclusive of all the final clubs. DIIVYA is sitting in the main living room with a textbook open as the heavy wooden door opens and MARK is escorted in by TYLER and CAMERON.

TYLER

You ever been in the Porcellian?

MARK

No.

TYLER

We can't take you past the living room but we can sit here and talk.

DIVYA

H i..

MARK is stealing a glance around the room...

CAMERON

Mark? This is Divya Narendra, our partner.

MARK

Hi.

33.

DIVYA

We were really impressed with Facemash and then we checked you out and you also built CourseMatch.

MARK is looking at the framed black and white group pictures on the wall. of old Porcellian classes. He sees a pretty co-ed on the couch with her legs stretched over her boyfriend while they study.

DIVYA (CONT'D)

Mark?

MARK

Yeah .

CAMERON

CourseMatch. You go online, you get to see what courses your friends are taking?

MARK

Yeah.

DIVYA

And you invented something in high

TYLER

How?

MARK

Yeah.

TYLER

CAMERON

Harvard.edu. The most prestigious e-mail address in the country.

TYLER

This site would be based on the idea that girls want to meet guys who go to Harvard. The difference between what we're talking about and MySpace,

FRIENDSTER---

Right?

TYLER

(BEAT)

Yes.

I wouldn't say I approached him.

You can answer the question.

MARK

It was at a party at Alpha Epsilon Pi.

GRETCHEN

What's that?

MARK

The Jewish fraternity. It was Caribbean Night.

CUT TO:

INT. LARGE LECTURE HALL - NIGHT

The lecture hall has been converted into "Alpha Epsilon Pi Caribbean Night, 2003" and the party is about as lame as it sounds. What's important is that this couldn't be less like the final club party we saw at the beginning if they were playing Pin the Tail on the Donkey.

Some potted palm trees have brought in along with a steel drum set. The man playing the steel drum set has a yarmulke bobby pinned to his thinning hair. A table with a punch bowl and assorted cookies is nearby.

37.

EDUARDO, in baggy cargo shorts and a Hawaiian shirt buttoned up to the top, is standing with a few similarly dressed friends, including DUSTIN MOSKOWITZ and CHRIS HUGHES, in the sparsely populated room. On the other side of the room are a few girls--all Asian. One of the girls is wearing a bikini over her clothes. A television monitor has been set up with a DVD running of Niagara Falls.

EDUARDO

It's not that guys like me are generally attracted to Asian girls. It's that Asian girls are generally attracted to guys like me.

DUSTIN

I'm developing an algorithm to define the connection between Jewish guys and Asian girls.

EDUARDO

I don't think it's that complicated. They're hot, they're smart, they're not Jewish and they can't dance.

CHRIS

Mark's here.

They see MARK come in and look around. EDUARDO waves him over...

EDUARDO  
(CALLING)

Mark.

MARK sees EDUARDO and waves him over to where he is. He wants to talk privately.

EDUARDO (CONT'D)

I'll be back in a minute.

EDUARDO joins MARK in the back of the room and they take up a spot next to a bay window that's covered on the outside with ice.

MARK

I think I've come up with something.

E DUARDO

Hang on, I've gotta tell you something you're not going to believe.

MARK

What?

EDUARDO

I got punched by the Phoenix.

38.

MARK  
(BEAT)

Are you kidding?

EDUARDO

No. I mean it's just the first of the four step process but they slipped the invitation under my door tonight. T go to the first punch party tomorrow and if they like me--

MARK

Yeah.

EDUARDO

--I get the second invitation and then the third and then who knows?

MARK

You got punched by the Phoenix.

EDUARDO

(PAUSE)

It was, you know ...I'm sure it was just a diversity thing, And I'm never gonna make it in, it was just a diversity thing. So I'll just ride that horse until--what did you want to talk about?

(PAUSE)

Mark?

MARK

Yeah.

EDUARDO

You said you think you've come up with something.

It seems like MARK's just made a small decision in his head,

MARK

(PAUSE

Yeah. I think I've come up with something. Come outside.

I don't want to stare at that loop of Niagara Falls which has absolutely nothing to do with the Caribbean.

EXT. QUAD NIGHT

MARK and EDUARDO come outside and are immediately met by the freezing cold air.

MARK

People came to Facemash in a stampede, right?

EDUARDO

Yeah.

MARK

It wasn't because I put up pictures of hot girls. You can go anywhere on the internet and see pictures of hot girls.

EDUARDO

Yeah.

MARK

It was because I put up pictures of girls that people knew. So if people want to go on the internet and check out their friends, why can't I build a website that offers that? An online community of friends. Pictures, profiles, whatever you can click into, visit, browse around. All from the privacy of your dorm room. I'm not talking about a dating site. I'm talking about taking the entire social structure of college and putting it online.

CUT TO:

INT. FIRST DEPOSITION ROOM - DAY

EDUARDO

I told him I thought it sounded great. I

mean it did, it was a great idea. There was no reason to hack, people were going to put their own pictures up. What they were interested in, what they were looking for, what classes they were taking... and people had the ability to invite their friends to join. Or put a different way, not invite their friends to join. In a world where social structure is very important, that was sexy.

At any time in the three weeks prior to Mark telling you his idea, did he mention Tyler Winklevoss, Cameron Winklevoss, Divya Narendra or HarvardConnection?

EDUARDO

Yes. He said they'd asked him to work on their site but that he'd looked at what they had and decided it wasn't worth his time. Uhh, he said even his most pathetic friends knew more about getting people interested in a website than these guys.

GAGE

"These guys" meaning my clients.

43.

EDUARDO

Yes. He resented--Mark resented that they--that your clients, probably thought he would jump at the chance to rehabilitate his image after the Facemash thing but Mark didn't want to rehabilitate anything. With Facemash he'd beaten the

Harvard computers, he'd beaten the Ad Board and he made the girls mad. Facemash did what he wanted it to do.

MARK kind of nods a little to himself. It should be noted that these depositions have an extra element of dish ort as everything is being said within a few feet of the peop" being talked about.

GAGE

Were you aware that while Mr. Zuckerberg was building TheFacebook he was also communicating with the plaintiffs?

EDUARDO

Not at the time I wasn't. I am now.

MARX turns his head and looks at him...

DUSTIN (CONT'D)

(QUIETLY)

There's a girl in the art history class that you take. Her name is Stephanie Attic, Do you happen to know if she has a boyfriend?

51.

MARK just keeps looking at him--barely even blinking---"Why am I being interrupted?"

DUSTIN (CONT'D)

(BEAT)

I mean, have you ever seen her with anyone?

(BEAT)

And if not, do you happen to know if she's looking to go out with anyone?

MARK

(PAUSE)

Dustin. People don't walk around with a sign on them that says--

And MARK stops short right there. Because in his head, he's just discovered the cure for cancer.

DUSTIN

(PAUSE)

Mark?

EXT. CO&PUTER SCIENCE BUILDING - DAY

As MARK, with his backpack stuffed, comes flying out of the building and into the snow, barely keeping his balance on the ice and we

CUT TO:

TNT. KIRKLAND HOUSE/LOBBY - MORNING

The heavy door bursts open and MARK comes busting through. He makes his way with speed and intent up a flight of stairs. Then another.

And then another until he gets to his floor. He sprints down his hall toward his dorm room and barely notices EDUARDO leaning against the door.

EDUARDO

We were supposed to meet at 9.

MARK is searching the pockets of his shorts for his keys.

EDUARDO (CONT'D)

Have you slept yet?

MARK opens the door and they go into his suite--

MARK

I have to add a feature.

EDUARDO

What are you adding?

52,

MARK's in his own world as he sits at the computer and calls up theFacebook. The home page fills the screen.

EDUARDO (CONT'D)

(SIMPLY)

Shit.

(BEAT)

That looks good.

(BEAT)

That looks really good.

MARK

It's clean and simple. No flashing lights.

The CAMERA surveys the screen as MARK slips through some functions to show EDUARDO and we see things that are now familiar--A photo, sex, a profile, a list of attributes, a poke application, etc.

MARK (CONT' T) )

But watch.

MARK's called up a the Emacs program and quickly writes out several lines of code...

EDUARDO

What'd you write?.

MARK goes back to the profile page. There's a new area to be filled in...

MARK

"Relationship Status", "Interested In".

(BEAT)

These two things are what drive life at college. Are you having sex or aren't you. It's why people take certain classes, sit`where they sit, go where they go, do what they do, and at its, um, center,`you know, that's what theFacebook is gonna be about, People are gonna log on because after all the cake and watermelon there's a chance they're gonna-

EDUARDO

--meet a girl.

MARK

--get laid. Yes.

EDUARDO

Really?

MARK  
(BEAT)

And that's it.

53.

EDUARDO  
(BEAT)

What do you mean?

MARK

It's ready.

EDUARDO

It's ready?

MARK

Yeah.

EDUARDO

Right now?

MARK

It's ready, that was it. And here's the  
masthead,  
MARK hits another couple of keystrokes and the website's  
masthead comes up.

EDUARDO

You made a masthead.

MARK

Yeah.

EDUARDO  
(READING)

"Eduardo Saverin, Co-Founder and CFO."

MARK

Yeah.

EDUARDO

You have no idea how much that's going to  
mean to my father.

MARK

Sure I do.

EDUARDO  
(PAUSE)

When's it gonna go live?

MARK

Right now. Get your laptop out.

EDUARDO

Why do we need my laptop?

MARK

Because you've got e-mails for everyone at the Phoenix.

54,

EDUARDO

(BEAT)

I'm not sure if it's gonna be cool with them that I spammed their--

MARK

It's not Spam.

EDUARDO

I didn't mean Spam, it's not Spam, it's JUST THAT--

MARK

If we send it to our friends it'll just bounce around the computer lab,

EDUARDO

I haven't gotten in yet.

MARK

These guys know people and these guys know girls. I need their e-mails.

EDUARDO

(BEAT)

Sure.

EDUARDO takes out his laptop--

MARK

Let's start with the president.

EDUARDO

"Jabberwock12@Harvard E-D-U."

MARK

Like the Lewis Carrol?

EDUARDO

Yeah.

MARK opens up an e-mail and is writing a short message, then includes a link to the site--

MARK

These guys.

EDUARDO

I know,

MARK

Think they're literary geniuses because the world's most obvious Lewis Carroll reference is in their--

EDUARDO

They're not so bad.

55.

MARK

I'm just saying.

EDUARDO

You're right.

MARK

(DONE)

Okay.

He hits "Send".

MARK (CONT'D)

The site's live.

EDUARDO

(PAUSE)

You know what? Let's go get a drink and celebrate.

MARK is staring at the computer...

EDUARDO (CONT'D)

Mark?

MARK doesn't hear him. We just see MARK's head from the back and it's ever so slightly bobbing back and forth...

EDUARDO (CONT'D)

(PAUSE)

Mark?

(BEAT)

Are you praying?

INT. CAMPUS PUB - NIGHT

THE CROCODILLOS, Harvard's oldest male a Capella group, are singing at the front of the pub in their usual uniform of white tie and tails.

Incongruously, but with surprisingly nice results, the group is covering a song from The Backstreet-Boys--"I Want it That

Way"--and the pub full of students is loving it.  
We find a table in the back where DIVYA is sitting with some  
of his friends who are having a nice time. DIVYA's got his  
laptop open.

MALE FRIEND

When did the Crocodillos start covering  
the Backstreet Boys? What happened to  
Cole Porter and Irving Berlin?

56,

FEMALE FRIEND

It's a Valentine's theme. They're singing  
love songs.

MALE FRIEND

Good point, 'cause Cole Porter and Irving  
Berlin never wrote any love songs,

FEMALE FRIEND

Divya, what are you reading?

DIVYA

Seven different people spammed me the  
same link.

We see DIVYA click his mouse on the link--

FEMALE FRIEND

What is it?

DIVYA

(DRYL Y)

I don't know, but I'm really hoping it's  
video of kittens that look like the Marx  
Brothers 'cause I can never get enough  
file footage on my computer of animals  
doing...

DIVYA trails off. We Slowly PUSH IN on his face as the blood  
starts draining away...

MALE FRIEND

(PAUSE)

Div?

DIVYA

(beat.)

I--uh...I have to go.

DIVYA shuts his laptop, grabs it off the table and starts to  
bolt out of the pub. His foot gets caught on a chair leg and

he falls hard face-first to the floor.

DIVYA (CONT'D)

Shit.

He starts out again, then comes back for his coat, grabs it; starts out and falls down all over again.

Finally he's got it together and flies out of the pub and we

INT. BOATHOUSE - NIGHT

CAMERON and TYLER are rowing in a large practice tank--a simulator with a hull, oars and rowable water.

57.

They're focused and charging away in perfect sync when the door at the end of the century-old boathouse opens and DIVYA charges in from the cold with his laptop and a copy of the Crimson in his hands.

DIVYA

(CALLING)

Hey!

The twins are in the zone and don't pay any attention.

DIVYA (CONT'D)

(LOUDER)

Hey !

CAMERON

Not now, we've got another 5000 meters.

DIVYA

(CALMLY)

Okay. I just wanted to let you know

Zuckerberg stole our website.

TYLER stops rowing and then CAMERON. They look at DIVYA...

DIVYA (CONT'D)

Mark Zuckerberg stole our website. It's

been live for over 36 hours.

CUT TO-

INT. CAMERON AND TYLER'S DORM ROOM - NIGHT

They're in gear. CAMERON's taken a quick shower but didn't dry off'. He's in sweatpants with a towel over his shoulder, talking on the phone with his father and holding the Crimson. DIVYA's on his cell looking for MARK and TYLER, still in his practice clothes, has his desktop computer open to theFacebook and is studying it.

DIVYA

(INTO CELL)

I left a message with his R.A., I left two, now I'm leaving one here.

CAMERON

(INTO PHONE)

I'm looking at the article in the Crimson.

DIVYA

(INTO CELL)

Narendra.

CAMERON

(INTO PHONE)

Today's.

DIVYA

(INTO CELL)

N-A---just tell him Divya, he knows who I am.

(clicks off phone and starts to dial another number)

Asshole knows who I am.

CAMERON

(INTO PHONE)

It's titled, "Hundreds Register for New Facebook Website" and then the sub-headline is "Facemash creator seeks new reputation with latest online project."

DIVYA

(INTO CELL)

It's me again. Can you try looking for his roommates? Their names are Chris Hughes and Dustin Moskowitz.

CAMERON

(INTO PHONE)

No it's today's paper, it went online yesterday morning around 10.

DIVYA

(INTO CELL)

I don't have the slightest idea.

CAMERON  
(INTO PHONE)

Mr. Hotchkiss.

DIVYA  
(INTO CELL)

Thank you.

CAMERON  
(covering the phone)  
Ty, the lawyer's on the phone with dad.  
(INTO PHONE)

I'm here with my brother, Tyler, and our partner, Divya.

TYLER  
(reading off the computer)  
"Welcome to theFacebook, TheFacebook is an online directory that connects people through social networks. You must have a Harvard.edu address to register."

CAMERON  
(INTO PHONE)  
That's right.

59.

DIVYA  
(INTO CELL)

I called earlier. I'm looking for Mark Zuckerberg.

CAMERON  
(INTO PHONE)  
Yes sir, he's quoted a couple of times. I can read--it says, "'Everyone's been talking a lot about a universal .facebook within 1 arvard', he says"--he meaning Mark--"I think it's kind of silly that it would take the University a coupl-e-af years to get around to it. I can do Â± better than they can and I did in a week."

DIVYA  
(INTO CELL)  
Could you leave word that Divya Narendra

called, I appreciate it.

CAMERON

(INTO PHONE)

I know, that's how he talks.

DIVYA

(off another copy of the

CRIMSON)

"As of yesterday evening, Zuckerberg said over 650 students had registered to use theFacebook.com. He said he anticipated that 900 students would have joined the site by this morning."

CAMERON

(INTO PHONE)

Yeah, Divya was just reading that he'd signed up 650 people on the first day.

TYLER

If I were a drug dealer I couldn't give free drugs to 650 people in one day.

DIVYA

And this kid doesn't have four friends.

CAMERON

(quieting them so he can hear)

Guys, please, for just one second.

(INTO PHONE)

That's what we'll do, Mr. Hotchkiss. We're gonna put it all, together right now and e-mail it to you.

(LISTENS)

You won't be able to get on the site yourself.

(beat--.a little uncomfortable)

(MORE)

60.

CAMERON (CONT'D)

Because you went to Ohio State. But we'll take care of everything and we'll talk to you first thing in the morning. This is a

GOOD GUY---

DIVYA

(REACTING)

Whoa !. ;

CAMERON

(INTO PHONE)

--and he's very bright and I'm sure he didn't mean to...do what he did.

(BEAT)

Thank you very much, and dad, we'll talk to you in the morning too. Thanks.

CAMERON hangs up,

DIVYA

This is a good guy?

CAMERON

We don't know that he'.s not a good guy.

DIVYA

We know that he took our idea and stole it. We know that-he lied to. our faces for a month and a half-while he--

CAMERON

He didn't lie to our faces.

DIVYA

He never saw our. faces! Fine, he lied to our e-mail accounts and he got himself a 42-day head start because he knows what apparently you don't which is that getting there first is everythinal

CAMERON

I'm a competitive racer, Div, I don't think you need to school me on the importance of getting there first.

DIVYA

(BEAT)

Alright. That was your father's lawyer on the phone with you?

CAMERON

Yeah, well his in-house counsel, We're gonna send him everything and he'll look at it and if he thinks it's appropriate he'll send a cease and desist letter.

61.

DIVYA

A cease and desist letter doesn't have any teeth.

CAMERON

You think we should hire lawyers and sue him?

DIVYA

I think we should hire lawyers and have them beat him senseless with a crescent wrench.

TYLER

We don't have to do that.

CAMERON

That's right.

TYLER

We can do it ourselves.

CAMERON

HEY--

TYLER

I'm six-five, 220-pounds and there are two of me.

CAMERON

And I'm saying let's Calm down until we know what we're talking about.

DIVYA

Just how much more information are you waiting for? We met with Mark three times, we exchanged 52 e-mails, we can prove that he looked at the code, he'd seen what Victor had already done and we talked at length about what we planned to do.

(POINTING)

The page looks the same:

(THEN)

What is that on the bottom?

CAMERON

(he's already seen it)

It says "A Mark Zuckerberg Production".

DIVYA

On the home page?

CAMERON

On every page.

62 .

DIVYA

Hang on, 'cause I need a minute to let the classiness waft over me.

CAMERON

LOOK-

TYLER

(CALMLY)

Cam.

(he recites from the Crimson thout having to read it)

They wr "Zuckerberg said that he hoped the prly options would help to restore his reputation following student outrage over Facemash.com".

(BEAT)

That's exactly what we said to him. He's telling us to go fuck ourselves. We know plenty of people at the Crimson. While we're waiting for dad's lawyer to look this over, we can at least---

CAMERON

No.

TYLER

--get something going in the paper so that people know-

CAMERON

What?

TYLER

That this thing is in dispute.

CAMERON

We're not starting a knife fight in the Crimson and we're not suing anybody.

DIVYA

Why not?

CAMERON wants-to answer the question but doesn't..

DIVYA (CONT'D)

Why not?

CAMERON

(beat--referring to TYLER)

He'll say it's stupid.

TYLER

Me?

CAMERON

Yeah.

63.

DIVYA

Say it. Why not?

CAMERON

Because we're gentlemen of Harvard.

(BEAT)

This is Harvard. You don't plant stories  
and you don't sue people.

(BEAT)

That's why. There's a right way to do  
things.

DIVYA

(PAUSE)

You thought he was going to be the only  
one who thought that was stupid?

GAGE

Did you know that his father was wealthy.

MARK

I'm not sure why you're asking me that.

It's not important that you be sure why  
I'm asking you.

MARK

It's not important to you.

I had no idea whether they came from money or not.

(BEAT)

If you say so.

GAGE

Tate Winklevoss founded the firm and its assets are in the hundreds of millions.

MARK

or roughly the amount I paid in income tax last year, go on.

GAGE

You also knew that Cameron and Tyler were members of a Harvard final club called the Porcellian.

MARK

They made a point of pointing that out.

TYLER

Excuse us for inviting you in.

GAGE  
(TO TYLER)

Hey.

(TO MARK)

So it's safe to say you were aware that my clients had money?

MARK

Yes.

GAGE

Let me tell you why I'm asking. I'm wondering why, if you needed a thousand

dollars to start up your project, you didn't ask my clients for it. They'd demonstrated to you an interest in this kind of thing so--

MARY

From that you're deducing that I didn't go to them because I didn't want them to know what I was working on? I went to my best friend for the money because he's who I wanted to be partners with because of our similar vision and his superior business skills. Eduardo was president of the Harvard Investors Association and he was my best friend.

EXT./EST. AUDITORIUM - NIGHT

The lamps in Harvard Yard light the snow falling.

SPEAKER (VO)

The seminal event for me was when he was in Harvard Square and picked up a copy of Popular Electronics Magazine that had the MITS Altair Kit on the cover.

INT. AUDITORIUM -- SAME TIME

There's a lower-level and a balcony and both are full.

MARK and EDUARDO are sitting in the second to last row of the balcony.

We'll hear the SPEAKER but we'll only get to see him in a slightly blurry image as our attention is on MARK and EDUARDO.

SPEAKER

And it was a clear day, And I was up in my Radcliffe dorm. And he brought that up there and said, "Look, it's going to happen without us. We've got to do it now." And so I said..."Okay."

He gets an appreciative LAUGH from the STUDENTS.

SPEAKER (CONT'D)

Now the startingâ€œof this industry was very humble indeed. The kit computer on the cover-of that magazine--

We HEAR a little muffled giggling coming from the row behind MARK and EDUARDO, MARK is too into the speech to notice but the giggling registers as a slight annoyance on EDUARDO's face.

SPEAKER (CONT'D)

--had an 8080 processor in it, and you had to assemble it yourself and it came with 256K of memory.

EDUARDO hears the giggling again and turns around.

In the row behind them and a few seats over are two beautiful Asian students.--ALICE and JENNY. They're a little overly made-up for a lecture. JENNY, the one sitting closest to EDUARDO, is wearing a short skirt with a white shirt: open one button too far down the front and we can see a hint of the red bra she's wearing underneath.

67.

She leans forward and whispers to EDUARDO--

JENNY

(WHISPERING)

Your friend--isn't that Mark Zuckerberg?

EDUARDO

(BEAT)

You know Mark?

JENNY

Didn't he make theFacebook?

EDUARDO smiles a little ...this has just never happened--

EDUARDO

Yeah. Both of us. It's mine and his. It's our--we're--yes.

JENNY

(STILL WHISPERING)

Way cool. I'm Jenny. This is Alice.

EDUARDO can't help noticing--just because it's in his line of sight--that down the row from the girls, someone else is pointing at them and whispering to a friend.

Then back to the girls--

EDUARDO

(WHISPERING)

Very nice to meet you.

JENNY

(WHISPERING)

Facebook me when you get home. Maybe we can all go out for a drink later.

EDUARDO

(WHISPERING)

Certainly. I'll certainly--absolutely I will do that.

EDUARDO turns back to the speaker, who MARK hasn't taken his eyes off of--

SPEAKER

There were a set of machines that came after that. The TRS-80, Apple II,

COMMODORE PET--

CUT TO:

MARK

They want to have drinks later.

EDUARDO

**Yes:**

different good things packed into one ordinary-sized sentence?

A group of guys hustle up to MARK and EDUARDO--

STUART

Excuse me. Mark?

MARK

Yeah.

STUART

I'm Stuart Singer. I'm in your O.S. lab.

MARK

Sure.

STUART

Awesome job with theFacebook.

VIKRAM

Awesome job.

MARK

Thanks.

BOB

I'm Bob.

MARK

How you doin'.

BOB

You know, I could swear he was looking at you when he said the next Bill Gates could be right in this room.

MARK

I doubt it.

69.

BOB

I showed up late, I don't even know who he was.

MARK

(BEAT)

It was Bill Gates.

BOB

Oh shit, that makes sense.

As MARK and EDUARDO walk on, we leave STUART, VIKRAM and BOB in the background---with STUART and VIKRAM admonishing BOB with--

STUART/VIKRAM

INT. MARK'S DORM ROOM - NIGHT

overheated warmth of the room.

EDUARDO

It's time to monetize the thing.

MARK

Those Asian girls were cute. What were  
their names?

EDUARDO

Did you hear what I said?

MARK

When?

EDUARDO

I said it's time to monetize the site.

MARK

What does that mean?

EDUARDO

I mean it's time for the website to  
generate revenue.

70,

MARK

No I know what the word means. I'm asking  
how do you want to do it?

EDUARDO

Advertising.

MARK

No. What were their names?

EDUARDO

We've got 4000 members.

MARK

'Cause theFacebook is cool. If we start  
installing pop-ups for Mountain Dew it's

NOT GONNA--

EDUARDO

Well I wasn't thinking it would be  
Mountain Dew but at some point--and I'm  
speaking as the business end of the

COMPANY--THE SITE--

MARK

We don't even know what it is yet. We don't know what it is, what it can be, what it will be. We know it's cool, that's a -priceless asset and we're not giving it up.

EDUARDO is sitting at MARK's desk and he's seen something sitting on top of a pile of 'books.,,

EDUARDO

Mark, what is this?

MARK

What,

EDUARDO holds up a letter that's on a lawyer's stationary.

EDUARDO

This,

MARK

I think it's called a cease and desist letter. What were their names?

EDUARDO

Who?

MARX

The girls.

EDUARDO's speed reading the letter.

71.

EDUARDO

When did you get this?

MARK

About 10 days ago. Right after we launched the site.

EDUARDO

Jesus Christ.

MARK

I liked th shorter one.

EDUARDO

They're saying--the Winklevoss twins are saying you stole their idea.

MARK

I find that to be mildly annoying.

EDUARDO

They find it to be property theft. Why--

MARK

LOOK--

EDUARDO

--why didn't you show this to me?

MARK

It was addressed to me.

EDUARDO

They're saying we stole theFacebook from  
Divya Narendra and the Winkâ€”

MARX

I know what it says.

EDUARDO

(PAUSE)

Did we?

MARK

What?

EDUARDO

Please don't screw around with me now.

MARK

I'm not.

EDUARDO

Look at me.

MARK

What are you, my mother?

72.

EDUARDO

The letter says we could face legal  
action.

MARK

No, it says I could face legal action.

EDUARDO

It's from a lawyer, Mark. They must feel  
they have some grounds for--

MARK

The lawyer is their father's house  
counsel, I checked it out, they're not,

YOU KNOW---

EDUARDO

Do they have grounds?

MARK

Yes, the grounds are theFacebook is cool.  
and popular and sexy and  
HarvardConnection is lame. I didn't use  
any of their code, I didn't use anything.  
A guy who builds a really nice chair  
doesn.'t owe money to everyone who,,, ever  
built a chair. Th ey came to me with an  
idea, I had a better one.

EDUARDO

Why didn't you show me the letter?

MARK

I didn't think. it was a big deal..

EDUARDO

If there's' something wrong--if there's  
ever anything wrong--you can tell me. I'm  
the guy who can help.

(PAUSE) -

Is there anything you need to tell me?

MARK

No,

EDUARDO

What are we doing about this?

MARK

I went to a 3-L at Student Legal services  
and he told me to write them back.

In the 32nd e-mail you raised concerns about the site's functionality. Were you leading them on for six weeks?

Okay. "No" you don't think I deserve your attention.

The rest of my attention is back at the offices of Facebook where my employees

and I are doing things that no one in this room, including and especially your clients, are intellectually or creatively capable of doing. Did I adequately answer your condescending question?

GAGE just looks casually at MARK. MARK doesn't meet his gaze, or the looks from DIVYA, TYLER and CAMERON...

SY

(BEAT)

I've got 12:45. Why don't we say that's lunch.

GAGE

Back at 2:30?

SY

Good.

Everyone gets up and we

CUT TO:

INT. MARK'S DORM ROOM - NIGHT

EDUARDO puts the letter back on the desk and looks at MARK...

EDUARDO

(PAUSE)

Their names were Jenny and Alice- They want to have drinks tonight.

CUT TO:

INT. MEN'S ROOM - NIGHT

It's a nice men's room--mahogany stalls--in a nice club in Cambridge. We HEAR the thumping of the house music coming from the club.

And then one of the wooden stall doors flies open and EDUARDO is shoved in, followed by JENNY, who did the shoving. She's all over him as she presses him back against the divider.

EDUARDO's hands are sliding under JENNY'S white shirt and finding the red bra when they hear a noise.

Someone's gone into the next stall.

EDUARDO

(WHISPERING)

Shit.

76.

JENNY

(WHISPERING)

I don't care.

JENNY keeps him pinned against the divider as she reaches down and unbuckles his belt.

EDUARDO

(quietly--nervous).

Oh God.

JENNY

(WHISPERING)

That's right.

And then he hears another noise from the stall next door. A thump against the divider. JENNY's got his fly unzipped.

EDUARDO looks down at the space between the stalls. He sees a pair of Adidas flip-flops.

Then the sound of moaning, Before EDUARDO has time to say anything, JENNY pulls her shirt open, revealing the red bra, and puts her hand down his pants as we

CUT TO:

INT. CLUB/MEN'S ROOM - NIGHT

MARK and EDUARDO are standing guard outside the door. They're silent but very happy.

A guy comes along to use the men's room.

EDUARDO

Sorry. It'll just be a minute. Some girls are freshening up in there.

GUY

(nodding a little)

Sweet.

The guy goes off...

EDUARDO

(PAUSE)

Mark.

(BEAT)

We have groupies.

MARK can't help a smile. Then he sees something...

MARK

I'll be right back.

EDUARDO

Where you going?

77.

MARK makes his way through the crowd toward a round booth. A

girl is sitting there and even though her back is to MARK he can recognize her. She's with a girlfriend and three guys. When he makes it to the booth he says--

MARK

Erica?

ERICA, from the opening scene, turns her head and looks up to see MARK. She's looking sexy for her Friday night on the town and the three guys she's with are studs. A few more friends of theirs are standing around at the edges of the booth.

ERICA

(PAUSE)

Hi Mark.

MARK

I saw you from over there. I didn't know you came to this club a lot.

ERICA

It's my first time.

MARK

Mine too. It's not bad. It's not. great. The music's kind of lame. Could I talk to you alone for a second?

ERICA

I think I'm good right here.

MARK

okay.

MARK is aware of everyone else around the booth.

MARK (CONT'D)

(BEAT)

I don't know if you heard about this new website I launched.

ERICA

No.

MARK

TheFacebook?

ERICA

You called me a bitch on the internet, Mark.

MARK

I'm really sorry about that.

78.

ERICA

On the internet.

MARK

That's why I came over.

ERICA

comparing women to farm animals?

MARX

I didn't end up doing that.

ERICA

It didn't stop you from writing it. As if every thought that tumbles through your head is so clever it would be a crime for it not to be published. The internet's not written in pencil, Mark, it's written in ink and you published that Erica Albright was a bitch.

(BEAT)

Right before you made some ignorant crack about my family's name, published my bra size and then rated women-based on their hotness. Why don't you say it to me now, why don't say it to my face?

MARK

I don't want to.

REGGIE (A FRIEND OF ERICA'S)

Erica, is there a problem?

ERICA

No, there's no problem.

(PAUSE)

You're not a real person, Mark. You write your bullshit from a dark room because you're a failure at human contact. I liked you and I was nice to you.

MARK

(PAUSE)

I came over to say I was sorry for all that and to see if there was any chance--

ERICA

I don't want to be rude to my friends, I should be talking to them.

MARK

Okay.

ERICA

Hey Mark. A year from now you won't

remember this conversation and you won't  
remember me.

'79 .

MARK

I think you're wrong.

ERICA

Well... listen, good luck with your video  
game.

It was an honest mistake on ERICA's part but a kidney punch to  
MARK.

MARK

(BEAT)

Okay.

MARK turns and goes and sees that EDUARDO has been standing at  
and watching from a distance with JENNY.

EDUARDO

That was cool, you did good. You talked  
to her, that was the right thing to do.

(BEAT)

It was good, Mark.

MARK

(IGNORING HIM)

We have to expand.

EDUARDO

(over the music)

What?

MARK

We have to expand.

And MARK heads out the door.

EDUARDO watches MARK and then looks back at the girls and  
answers the un-asked question--

EDUARDO

(BEAT)

I don't know.

ALICE

Is he mad about something?

CUT TO:

INT. MARK'S DORM ROOM - NIGHT

The door closes behind DUSTIN MOSKOWITZ and CHRIS HUGHES. MARK  
and EDUARDO are waiting and JENNY and ALICE are sitting on the

bed. Everyone's got a beer.  
Once the door is closed--

80.

MARK

We're expanding theFacebook to Yale and Columbia. Dustin, I want you to share. the coding work with me. Chris, you're going to be in charge. of publicity and outreach. You can start by getting a story about the expansion in the B.U. student newspaper.

CHRIS

They hate doing stories about Harvard.

MARK -

Somebody at the newspaper will be a computer science major and they will have heard of me. Tell 'em Mark Zuckerberg will do 10 hours of free programming for theno .

EDUARDO

Why do you want a story in the B.U.---

MARK

Because I do. Here's the business arrangement. Eduardo's CFO and owns 30% of the company, Dustin's Vice President and Head of Programming and his 5% of the company will come from my end. Chris is Director of Publicity and his compensation will depend on the amount of work he ends up doing. Any questions?

DUSTIN

Who are the girls?

EDUARDO

Jenny and Alice,

DUSTIN

JENNY

ALICE

CHRIS

JENNY

Is there anything we can do?

MARK

No. That's it. Yale and Columbia, let's go.

EDUA TDO

And Stanford.

MARK

What?

EDUJARDO

Stanford. Its time for them to see this in Palo Alto.

CUT TO:

INT. FIRST DEPOSITION ROOM - DAY

MARK is sitting alone in the now empty room. There's a computer on a table in the corner and MARK makes a few keystrokes and then reads the screen.

MARYLIN, the young lawyer we met early on, comes in with a plastic salad container in her hand and sits at the far end of the table from MARK, who doesn't acknowledge her.

MARYLIN

(after a moment)

You don't want any lunch?

MARK

(BEAT)

No.

MARYLIN

You're welcome to some of my salad.

MARK

No thank you.

MARYIJIN

I know this must be hard.

MARK

who are you?

MARYLIN

I'm Marylin Delpy, I introduced myself this morning.

MARK

I mean what do you do?

MARYLIN

I'm a second year associate at the firm. My boss wanted me to sit in on the

deposition phase.

MARK nod--.

82 ,

MARYLIN (CONT'D)

What are you doing?

MARK

Checking in to see how it's going in  
Bosnia.

MARYLIN

Bosnia?

MARK nods...

MARYLIN (CONT'D)

They don't have roads but they have  
Facebook?

MARK nods.,

MARYLIN (CONT'D)

You really hate the Winklevoss twins,  
don't you.

MARX

I don't hate anybody.

(PAUSE)

The Winklevi aren't suing me for  
intellectual property-theft. They're  
suing me because for the first time in  
their lives the world didn't work the way  
it was supposed to for them.

CUT TO;

INT. TYLER AND CAMERON'S DORM ROOM - NIGHT

TYLER and CAMERON are both studying when DIVYA busts in.

DIVYA

He's expanding.

TYLER

What?

DIVYA

He's expanding to Yale, Columbia and  
Stanford, it'll be in the Crimson  
tomorrow.

TYLER

(BEAT)

Really.

DIVYA

Yeah.

83.â€¢

TYLER

So that cease and Desist letter really scared the shit out of him, huh?

DIVYA

I want to hire a lawyer to file for injunctive relief and get this website taken down now!

CAMERON

LOOK--

DIVYA

Every minute it's up, Harvard Connection becomes less valuable, I want an injunction, I want damages, punitive relief and I want him dead.

CAMERON

I want those things too!

DIVYA

Then why aren't we doing anything about it?! Because we're gentlemen of Harvard?!

CAMERON

Because you're not thinking about how it's going to look.

DIVYA

How's it going to look?

CAMERON

Like my brother and I are dressed in skeleton costumes chasing the Karate Kid around a high school gym.

DIVYA

He violated Massachusetts state law. Then when he goes to Connecticut, New York and California he'll have violated federal law. And by the way, he's violated Harvard law.

CAMERON

There's no such thing as Harvard Law.

TYLER

(PAUSE--REALIZING)

Wait. Yes there is.

(BEAT)

Cam, there is.

TYLER goes to the bookshelf and pulls down a manual.

84,

TYLER (CONT'D)

Harvard Student Handbook. Every freshman is issued this book. Somewhere in here it

SAYS---

CAMERON

(EUREKA)

--you can't steal from another student.

This is what we needed.

DIVYA

You think campus security is going to arrest him for copyright violation?

CAMERON

We're going to meet with the president.

DIVYA

You can't get a meeting with Larry Summers.

CAMERON

My brother and I pay tuition at this school, we carry a 3.9 GPA at this school, we've won trophies for this school and we'll be rowing in the Olympics for this school. I want a damn meeting with the-president of this school.

(PAUSE)

Why Stanford?

DIVYA

Why do you think?

CUT TO

INT. A GIRL'S COLLEGE APARTMENT (PALO ALTO) - MORNING

A pretty 20 year-old co-ed, AMY, pulls a curtain open and the darkened room immediately fills with un-welcomed sunlight.

AMY

You don't know my name, do you?

AMY's wearing nothing but a Stanford sweatshirt and talking to a skinny 22 year-old guy who's lying on her futon. There's other evidence on the walls that we're at Stanford University. There are also pieces of AMY'S clothing strewn about. The young man on the futon is SEAN PARKER.

SEAN

Is that something that's important to you?

85.

AMY

Yes.

SEAN

If I say your name will you stop the enhanced interrogation techniques?

AMY

Yes.

SEAN

Amy.

AMY

Nice. What's my major?

SEAN

(PAUSE)

Trombone.

AMY

Really?

SEAN

I remember something about a trombone.

AMY

That was the beer bong. Tu fais l'amour A la jolie fille et la mete de cote.

SEAN

French! Your major is French.

AMY

Oui. And what's yours?

SEAN

My major?

AMY

Yes.

SEAN

I don't have one.

AMY

You haven't declared?

SEAN

I don't go to school here.

AMY

You're kidding?

SEAN

No.

86.

AMY

Where do you go to school?

SEAN

Grover Cleveland Elementary.

AMY

Seriously, you're not like 15 years old  
or anything are you?

SEAN

No, I'm 22.

(BEAT)

You're not like 15 years---

AMY

No.

SEAN

Good.

AMY

So what do you do?

SEAN

I'm an entrepreneur.

AMY

You're unemployed.

SEAN

I wouldn't say that.

AMY

What would you say?

SEAN

That I'm an entrepreneur.

.AMY

What was your latest preneur?

SEAN

Well...I founded an internet company that  
let college kids download and share music

for free.

AMY

Kind of like Napster?

SEAN

No, exactly like Napster.

PAY

What do you mean?

87.

SEAN

I founded Napster.

AMY

Sean Parker founded Napster.

SEAN

Nice to meet you.

AMY

(PAUSE)

You're Sea - arker?

SEAN

Ah, you see, the shoe's on the other, uh, table which has turned.

AMY

I just slept with Sean Parker?

SEAN

All night long, Sister Souljah.

AMY

You're a millionaire.

SEAN

Not technically.

AMY

What are you?

SEAN

Technically?

AMY

Yeah.

SEAN

Broke. There's not a lot of money in free music. Even less when you're being sued by everyone who's ever been invited to the Grammys.

AMY

I think you're cool.

SEAN

He too.

AMY

I have to hop in the shower and get ready for class. There's juice or anything else you can find. Help yourself.

SEAN

You mind if I check my e-mail?

88,

AMY

Go ahead.

AMY heads into the bathroom but leaves the door a little ajar.. SEAN steps over to AMY's pink laptop and hits a key to wake it out of sleep mode.

The shower starts running in the bathroom.

The laptop springs to life and is open to something SEAN's never seen before--a Facebook page.;

He sees AMY's picture and a short profile: Her major at Stanford, courses she's taking, books she likes, clubs she's a member of...

SEAN

(CALLING)

Amy?

She can't hear him in the shower.

SEAN explores around a little more. He knows his way around a computer. He sees her "friends". Friend after friend after friend.

SEAN (CONY' D )

(almost a whisper)

Jesus.

He gets up and goes to the bathroom door--

SEAN (CONT'D)

Amy?

AMY

(CALLING BACK)

YEAH:

SEAN

Can'you come out here?

AMY

Just a second.

SEAN

There's a fire, Amy.

AMY.

What?!

AMY grabs a towel and jumps out of the shower--

AMY (CONT'D)

Where?:

89.

SEAN

Okay, there isn't a fire, but I need to ask you something.

AMY

Are you kidding?!

SEAN

No.

AMY

I could have been killed!

SEAN

How?

AMY

(BEAT)

What do you need to ask me?

SEAN

I went to check my e-mail and there's a website open on your computer.

AMY

Yeah. After you went unconscious last night I went on theFacebook for a while.

SEAN

What's that?

AMY

'heFacebook? It. started at Harvard and standford's had it for about two weeks and it's awesome except it's addictive. Seriously, I'm on the thing five times a day, all my friends are.

SEAN

You mind if I grab a piece of paper and a pen?

AMY

What's wrong?

SEAN

Absolutely nothing. It's beautiful.

AMY

What are you talking about?

SEAN

I need to find...

says "A

SEAN scrolls down to the bottom of the page where it  
Mark Zuckerberg Production"

90,

SEAN (CONT'D)

.Mark Zuckerberg.

CUT TO:

INT. LARRY SUMMERS' OUTER OFFICE - DAY

CAMERON and TYLER, in dark suits, are waiting to see the  
president of Harvard,

The President's office is in one of the two oldest university  
buildings in the country, and the SECRETARY sitting at the  
desk is even older. You get the sense that she thinks Harvard  
would be a better place if it weren't for all these students.  
She looks at them and the boys give her a polite smile and a  
small nod before she goes back to her work.

CAMERON

(just making small talk)

I've never been in this building.

SECRETARY

(without really looking up)

This building is a hundred years older  
than the country. It's in.

CAMERON

(THAT'S INTERESTING)

Hm.

SECRETARY

So do be careful.

TYLER

We're just sitting in the chairs.

SECRETARY

(INTO PHONE)

Yes\_.

(INTO PHONE)

Very good.

She hangs up the phone.

SECRETARY (CONT'D)

You can go in now.

She points to a door and CAMERON and TYLER get up, quickly straighten themselves, and walk into

INT. SUMMERS' OFFICE - CONTINUOUS

LARRY SUMMERS, a large man, is on the phone at his desk in his well-appointed office. A fire crackles in the sitting area and a 40-ish African-American woman, ANNE, in a pants suit is nearby going over some papers.

91.

SUMMERS waves the boys in--

SUMMERS

(INTO PHONE)

That's just their own stupidity, I should have been there.

(INTO PHONE)

Darkness is the absence of light and stupidity in that instance was the absence of me.

SUMMERS motions for them to sit and they do. They take in some of the photographs around the room---SUMMERS with BILL CtINTON, etc.

-SUMMERS (CONT'D)

(INTO PHONE)

Catherine, I have students in my office now.

(INTO PHONE)

Students.

(INTO PHONE)

Under. grads.

(INTO PHONE)

I don't know, from the looks of it I think they want to sell me sets of identical Brooks Brothers suits. We'll speak later.

SUMMERS hangs up the phone--

SUMMERS (CONT'D)

Good morning.

CAMERON

Good morning, s\_ir. I'm Cameron Winklevoss and this is my brother, Tyler.

CAMERON is extending his hand but instead of taking it, SUMMERS reaches to the top of a pile of papers and pulls a ten-page letter off the top.

SUMMERS

Why are you here?

There's silence while SUMMERS appears to read over the letter...

SUMMERS (CONT'D)

That wasn't rhetorical.

CAMERON

I'm sorry, I thought you were reading the letter.

SUMMERS

I've read the letter.

92.

CAMERON

Well I think it's pretty self-explanatory. We had an idea for a website called HarvardConnection--we've since changed the name to ConnectU--and Mark Zuckerberg stole that idea and--

SUMMERS

What do you want me to do about it?

CAMERON points to a row of Harvard Student Handbooks on the bookshelf behind SUMMERS.

CAMERON V

Well sir, in The Harvard Student Handbook, which is distributed to each freshman--under the heading "Standards of Conduct in the Harvard Community" and the sub-heading, "Honesty"--

SUMMERS

Oh dear God.

CAMERON

--it says, "The College expects that all

students will be honest and forthcoming in their dealings with members of this community. All students are required to respect private and public ownership. Instances of theft, misappropriation or unauthorized use of or damage to property

OR MATERIALS--

SUMMERS

Excuse me, Anne?

ANNE

Yes sir.,

SUMMERS

Punch me in the face.

(beat--then to CAMERON)

Go ahead-.

CAMERON

(BEAT)

--will result in disciplinary action, including the requirement to withdraw from the College." That's what is says in the handbook.

SUMMERS

When did you memorize that?

TYLER

(a little frustrated with this

BULLSHIT)

(MORE)

93.

TYLER (CONY ' D )

Sir, it's against University rules to steal. from another student, plain and simple.

SUMMERS

You've spoken to your R,A.?

CAMERON

Yes sir, and the R.A. made a recommendation to the Ad Board but the Ad Board won't hear us.

SUMMERS

Have you tried dealing with Mr.

Zuck.e.rberg directly?

CAMERON

Mr. Zuckerberg hasn't responded to any of our e-mails or phone calls for the last two weeks. He doesn't answer when we knock on his door at Kirkland and the closest we've come to talking face to face is when I saw him on the quad and chased him through Harvard Square.

SUMMERS

You chased him?

CAMERON

(BEAT)

I saw him and I know he saw me and I started after him and he disappeared

SUMMERS

You know he could have you arrested for harassment and attempted assault.

TYLER

(QUIETLY)

This isn't happening.

SUMMERS

I don't see this as a University issue.

TYLER

Of course it's a University issue. There's a code of ethics and an honor code and he violated them both.

SUMMERS

You entered into a code of ethics with the university, not with each other.

TYLER

(BEAT)

I'm sorry President Summers, what you just said makes no sense to me at all.

94,

SUMMERS

I'm devastated by that.

CAMERON

What my brother means is that if Mark Zuckerberg walked into our dorm room and

stole our computer it would be a university issue, right?

SUMMERS

I really don't know. This office doesn't handle petty larceny and the only reason I agreed to see you--Anne; by did I agree to see them?

ANNE

Colleagues of their father.

SUMMERS

So you see?

TYLER

This isn't a petty larceny.

CAMERON

(CALMING)

TY--

TYLER

This idea is potentially worth millions of dollars.

SUMMERS

Millions of dollars?

CAMERON

Yes.

SUMMERS

You might be letting your imagination run away with you.

TYLER

With all due respect I don't think you're in any position to make that call.

SUMMERS

I was U.S. Treasury Secretary, I'm in some position to make that call.

TYLER

Letting our imaginations run away with us is exactly what we were told to do in your freshmen address.

95.

SUMMERS

Well. I would try letting your-  
imaginations run away with you on a new

project.

TYLER

You would.

SUMMERS

Everyone at Harvard is inventing something or starting a new business in their dorm room- Harvard undergraduates believe that inventing a job is better than getting one so can I suggest again that the two of you come up with a new new project?

CAMERON

I'm sorry, but that-'s not the point, sir.

SUMMERS

What's the point?

CAMERON

You don't have to be an intellectual property expert to understand-the, difference between right and wrong.

SUMMERS

And you're saying that I don't?

CAMERON

Of course I'm not saying that.

TYLER

I'm saying that.

SUMMERS looks at TYLER and then smiles...

TYLER (CONT'D)

Just start another project? Like we're making a diorama for the science fair?

SUMMERS

Yes. And if you have a goddam problem with that, Mr. Winklevoss, the courts are always at your disposal. Athletes don't get special treatment at this school.

TYLER

Do they get fairness?

SUMMERS

They don't get to run to daddy. Okay? This isn't 50 years ago.

96,

TYLER

Excuse me, sir, but in your analogy, is daddy our father or you?

SUMMERS

Both. Is there anything else I can do for you?

TYLER-

Well I wouldn't mind that much if you took a flying--

CAMERON

(STOPPING HIM)

Ty.

(BEAT)

Thank you for your time, sir. We appreciate your seeing us.

SUMMERS

Get the door on your way out, would you?

CUT TO;

INT. SUMMERS OUTER OFFICE - DAY

As CAMERON and TYLER exit, TYLER closes the door a little too hard and the brass doorknob comes off in his hand. He drops it on the SECRETARY'S desk as he exits

TYLER

I broke your 335 year old doorknob.

CUT TO:

INT. FIRST DEPOSITION ROOM - DAY

GRETCHEN

Eduardo, spring break, you and Mr. Zuckerberg took a trip to New York.

EDUARDO

Yes.

GRETCHEN

What was the purpose of the trip?

EDUARDO

As CFO, I'd set up some meetings with potential advertisers.

GRETCHEN

Who paid for the trip?

97.

EDUARDO

It was paid for out of the thousand dollar account I'd set up a few months earlier.

GRETCHEN

At this point your thousand dollars was the only money that had been put into the company.

EDUARDO

Yes.

GRETCHEN

How did you feel the meetings went?

EDUARDO

They went terribly.

GRETCHEN

Why?

EDUARDO

Mark was asleep.

MARK

I wasn't asleep.

EDUARDO

Can I re-phrase my answer?

GRETCHEN

Sure.

EDUARDO

I wish he'd been asleep.

CTJT TO:

INT. AD EXECUTIVE'S OFFICE - DAY

EDUARDO, in a three-piece suit, is pitching the EXECUTIVE.

MARK, in his hoodie and flip-flops, is completely detached and staring at the floor.

EDUARDO

.and we're at 29 schools now with over 75,000 members. People who go on theFacebook tend to stay on longer than almost any other site and here's the most impressive statistic--67% of people who try it once come back. Now if you'll

ALLOW ME---

EXECUTIVE

Excuse me.

98.

EDUARDO

Yes sir.

EXECUTIVE  
(RE: MARIA)

Are we boring him?

CUT BACK TO:

INT.. FIRST DEPOSITION ROOM - DAY

GRETCHEN

There was one more meeting scheduled for  
the New York trip.

EDUARDO

Yes. A dinner. It was set up through my  
girlfriend at the time.

GRETCHEN

Would you say that mark was excited about  
this meeting?

EDUARDO

Yes, very,

CUT TO:

INT. 66 - NIGHT

66 is a hip and trendy restaurant in Tribeca. The young crowd  
is drinking cocktails of all different colors and wearing  
Prada, We FIND EDUARDO, .in a three-piece suit and MARK in his  
hoodie and flip-flops, along with EDUARDO's now-girlfriend,  
JENNY, sitting at a table. with an empty seat waiting.

JENNY

They're not gonna card us here.

EDUARDO

They might.

JENNY

Look around.

EDUARDO

**It' :**

JENNY  
(TO MARE)

Tell him they're not gonna card us.

MARK

They're not gonna card us.

EDUARDO

MARK--

99.

MARK

Are you gonna talk about ads again?

EDUARDO

Unless you're the Ballet Theatre of Hartford, the urpose of a business is to make a profit.'

MARK

This isn't a business.

EDUARDO

That's tough for me because I'm the business head of the company.

MARK says nothing...

EDUARDO (CONT'D)

(PAUSE)

He's 25 minutes late.

MARK

He's a god, he can be as late as he wants.

EDUARDO

He's not a god-

MARK

What is he?

EDUARDO

25 minutes late.

JENNY

I think Wardo's jealous.

CUT BACK TO:

INT. FIRST DEPOSITION ROOM - DAY

EDUARDO

I honestly wasn't jealous. I was nervous.

GRETCHEN

Why?

EDUARDO

I didn't know him at all but I'd done an internet search and asked around. He struck me as kind of a wild man.

CUT BACK TO:

100.

TNT. 66 - NIGHT

JENNY

Why?

EDUARDO

He crashed out of two pretty big internet companies in-spectacular fashion and he's got a reputation with drugs.

MARK

He also founded the companies.

EDUARDO

We don't need him.

MARK

(nodding toward the door)

He's here.

SEAN PARKER has stepped into the restaurant and is saying hello to the hostess while hugging a waitress.

EDUARDO

And he does own a watch.

SEAN stops at a table to shake hands with a guy in a suit and kiss his girlfriend. It's sort of an incongruous sight--this 22 year old kid who's able to work a room like Sinatra. Who the hell is this?

EDUARDO (GONT'D)

(quiet) ) .

Take your time...

JENNY

Stop it.

SEAN makes his way over to MARK's table--

SEAN

I'm Sean Parker.

EDU.ARDO

(SHAKING HANDS)

How do you do.

SEAN

You must be Eduardo, And Jenny. And Mark, its great to meet you.

MARK

(ALMOST BEAMING)

Great to meet you.

101.

SEAN

You guys don't have anything in front of you.

EDUARDO

We were waiting for--

SEAN

(to a. passing WAITRESS)

.Cori.

WAITRESS

Hey baby boy.

SEAN

Could you bring out some things? The lacquered pork with that ginger confit? I don't know, tuna tartar, some lobster claws, the foie gras and the shrimp dumplings, that'll get us started. Jenny, what do you like to drink?

JENNY

An appletini?

SEAN

Great. Four.

CUT TO:

INT. FIRST DEPOSITION ROOM - DAY

EDUARDO

From that point on it was a Sean-a-thon. I'd never seen anyone perform a monologue at dinner before but that's what happened.

CUT TO:

INT. 66 - NIGHT

The CA[ERA is moving around the table as SEAN--in and out of MOS-â€¢-is telling story after story while food is brought, drinks put down, more food brought and more drinks put down. MARK is enthralled, JENNY is sexy and EDUARDO is polite.

EDUARDO (V.O.)

He took us through his episode with Napster .

SEAN

. tried to sell the company to pay the 35 million they said we owed in royalties and in the end we just had to declare bankruptcy but I made a name for myself.

].02.

JENNY

I'll say.

EDUARDO (V.o.)

And then he went to his second business venture which was Plaxo, an online rolodex.

SEAN

See, we had a VC from the beginning. Michael Moritz, a partner at Sequoia Capital who'd invested in Yahoo and Google. Moritz wanted to push me out from

THE BE

ginning and he hired private detectives to dig up everything on

me

they could. Did they find anything? No. But I was out of the company. I'm not done with Moritz and Sequoia Capital yet. I swear to God, Mark, before I'm 25 I'm gonna make those guys kiss my ass and then cry like girls, There will be retribution for Plaxo and I'm not just talking. I brought down the record companies with Napster and I'll bring down Michael Moritz,

E DUARDO

You didn't bring down the record companies, They won.

SEAN

In court.

.EDUARDO

(BEAT)

Yes.

SEAN

(shrugging it off)

Well.

EDUARDO (V.O.)

And he told story after story about life in Silicon Valley, parties at Stanford and-down in LA, friends who" d become billionaires--and then he finally got

around to theFacebook.

SEAN

Tell me about your progress.

EDUARDO

Well... we're in 29 schools now and we

HAVE OVER--

103.

SEAN

(ignoring EDUARDO and going for

MARK)

Tell me about the strategy you're using.

MARK

Okay. For instance, we wanted Baylor in Texas but Baylor already had a social network on campus so instead of going right after them, we made a list of every school within a hundred miles and put theFacebook on those campuses first. Pretty soon all the Baylor kids were seeing their friends on our site and we were in.

SEAN

Perfect.

EDAURO

Thank you, it was mine.

JENNY

(TO EDUARDO)

Easy.

EDUARDO

Settle an argument for us, would you? I say it's time to start making money from theFacebook but Mark doesn't want advertising. Who's right?

SEAN

Neither of you. TheFacebook is cool, that's what it's got going for it.

MART

Yes.

SEAN

You don't want to ruin it with ads

because ads aren't cool.

MARK

Exactly.

SEAN

it's like you're throwing the coolest party on campus and someone's telling you it's gotta be over at 11:00.

MARY,

Exactly.

SEAN

You don't even know what the thing is yâ, -t.

104,

MARK

I said exactly that.

SEAN

Row big it can get and how far it can go. Picture sharing, news feeds, a virtual champagne room, apps you haven't even thought of. This is no time to take your chips down. A million dollars isn't cool. You know what's cool?

EDUARDO

You?

SEAN

A billion dollars. And that's where you're headed. A billion dollar valuation. Unless you take bad advice in which case you might as well have come up with a chain of very successful dry cleaners. When you go fishing you can catch a lot of fish or you can catch a big fish. You ever walk into a guy's den and see a picture of him standing next to fourteen trout? No, he's holding an. 800 pound marlin and that's what you want. Hey guys, it's your company, I don't have a dog in this fight. Irjust came to say hi.

Shit.

105.

EDUARDO

That's gotta be some kind of land speed record for talking.

MARK

You want to end the party at eleven.

EDUARDO

I'm trying to pay for the party.

MARK

There won't be a party unless it's cool.

(BEAT)

What'd you think?

EDUARDO

Sure, let's drop the "the".

MARK

I meant catching the marlin instead of the 1.4 trout. Doesn't that sound good?

Only if you're a trout.

EDUARDO slowly makes his way through the crowd to MARK. He can see that on the computer screens are a whole lot of numbers and letters that neither he nor we can understand.

He stands next to MARK and watches this for a moment. Every once in a while, one of the contestants will throw back their

All behind a Pix Firewall Emulator. But here's the beauty.

EDUARDO

You know I didn't understand what you just said, right?

MARL

I do know that.

EDUA.RDO

What's the beauty?

MARK

Every 10th line of code written, they have to drink a shot. And hacking's supposed to be stealth, so anytime the server detects an intrusion, the candidate responsible has to drink a shot. I also have a program running that has a pop-up window appear simultaneously on all five computers--the last candidate to hit the window has to drink a shot. Plus every three minutes they all have to drink a shot.

DUSTIN

(CALLING OUT)

Three minutes.

All five candidates drain their shot glasses and slam them down where they get re-filled by the pretty Asian girl.

EDUARDO

Can I ask--what part of the interns' jobs will they need to be able to do drunk?

You're right. A more relevant test would be seeing if they can keep a chicken alive for a week.

MARK grabs onto the handle that's connected to the zip line and flies out over the pool, jumping in with a splash and cheers from DUSTIN and the INTERNS who are waiting their turns on the roof.

DUSTIN pulls the handle back up with\_a rope that's been rigged, grabs the handle, takes off and jumps into the pool-to similar cheers.

The handle gets pulled back on a rope, an INTERN grabs it,

The place is computer geek paradise. Computers are everywhere, along with some of the empty boxes they came in. Pizza boxes, Chinese food containers, empty beer bottles and white boards filled with indecipherable code fill the room. There are a couple of large mattresses on the floor and a large map of the U.S. with pins and tags showing the schools where they've already put Facebook and different pins showing the schools they're going for.

As MARK walks to the door, he walks past ANDREW, who's sitting at a computer, writing code and completely oblivious to everything around him.

MARK

It's a hundred-year old theater that's been converted into a 21st Century hot spot for Silicon Valley's rock stars. The lower level is a giant dance floor packed with sweating 20-somethings bouncing to pounding house music. There are raised blocks where scantily dressed professional dancers perform non-stop. A huge lighting grid hangs from the ceiling shooting colored lights and lasers everywhere. Also hanging from the ceiling are two trapeze bars with two performers swinging and

A WAITRESS holding a tray of colored drinks high over her head takes us through the crowd to a spiral staircase that's being guarded by two more BOUNCERS with clipboards. The staircase leads up to the 2nd level which is all VIP tables that look out over the dance floor. Each VIP area has a couple of couches and a table covered in bottles of vodka, tequila, rum, mixers, ice, glasses and a private waitress who's happy to bend over and pour a drink for you, And that's where we catch up with MARK and SEAN. Not a million dollar company--any hack can do that---a billion dollar company. And I would have business cards printed up that said, "I'm CEO.. .Bitch. "

(BEAT)

It's our time. We run the universe. Yeah, she's a Victoria's Secret model. I want to know where the fuck Eduardo is.

MARK

He has an internship.

SEAN

An internship?

MARK

In New York.

SEAN

The company's here. A billion dollar company is here. And what confuses me is that in New York, Eduardo introduced himself as the business head of Facebook. EXT. THE THAMES -- DAY

we're looking at a stone bridge crossing a perfectly straight stretch of water against the backdrop of the medieval town of Henley, England--founded in 1179.

And after a moment of placid quiet--

---BOOSHI

Two razor thin skulls explode out from under the bridge for the final, agonizing hundred-meter stretch of the ancient and prestigious Henley Royal Regatta.

The two boats are neck and neck coming out of the bridge. The

port-side boat is being crewed by the two Dutch members of the Ilollandia Roeiclub. The starboard boat is being crewed by a pair of identical twins wearing tank tops bearing the "H" of Harvard.

We HEAR the ROAR come up from the CROWD in the viewing section. The crowd is dressed as if for opening day at Ascot -- the women in flowing dresses and wide-brimmed hats, the men i

n

blazers and brightly colored floral ties.

But the young men in the boats can barely hear the crowd. Just their own breathing as they pull against the longest natural. straight stretch of water in the world--a mile and a half torture test against the best competition they've ever faced. And they're neck and neck. CAMERON and TYLER can't shake the Dutch.

The CROWD is going crazy in their own English way as none of them can remember ever seeing two boats this close this late. Mixed in with the British crowd is a small contingent waving the flag of Holland and a slightly larger contingent of Americans.

124.

We'll notice a stoic man in a VIP viewing section and latex we'll be introduced to him as Cameron and Tyler's father, Next to him is their mother, who can barely watch.

Back on the boats it's just the breathing as the skulls slice through the water like jet-powered knives. 50 meters now and there's still no daylight between them.

We see a small trickle of blood from CAMERON's left hand begin to stream down his arm.

25 meters and the Dutch and American fans are going crazy-- even the British aristocracy can't help but get caught ups the closest race in the history of the competition. The

'ATH\_PT' i;½

is silently willing his boys one more fraction of boat speed-- the MOTHER has her hands over her mouth in praying position. The blood that's covering CAMERON's left arm is being diluted by the sweat that's pouring down from his triceps as they dig, and pull, and pull, and pull, and pull, and---

POP!

--the finish gun is fired into the air, the oars come out of

the water and the bodies of the crewmen slump over.  
CAMERON turns his head to the cheering crowd to see the Dutch group holding a giant flag and jumping up and down. The Americans bring their giant flag down and fold it up. The two DUTCH CREW MEMBERS pump their fists in the air and hug as the two boats skim along to a gentle stop. The MOTHER drops her head and looks down. The FATHER refuses to look away.  
From CAMERON and TYLER, just the 'breathing.,

EXT. AWARD CEREMONY - DAY

CAMERON and TYLER are standing with their coaches and next to the two DUTCH CREWMEN who are with their coaches. They're on a stand in the Steward's Enclosure, a sprawling and glamorous tented area for the exclusive use of members and their guests. After a moment, a man in a double breasted navy blazer steps out with his retinue in tow. The man is PRINCE ALBERT of Monaco. He receives a healthy clapping of golf applause as he approaches the stand.  
This conversation is done without microphones or anything as modern as that.

125.

AIDE

His Royal Highness, Prince Albert. Sir, may I present Mr. Cameron Winklevoss and Mr. Tyler. Winklevoss of Harvard University.

PRINCE ALBERT

Brilliant race. Never seen a race that close. Less than one second, the steward tells me.

TYLER

(BEAT)

Yes, Your Highness.

PRINCE ALBERT

My grandfather, Jack Kelly, was one of the premiere rowers of his day. I've been coming to Henley for 30 years. Never seen a race that close. Have you? Have you seen a race that close?

CAMERON is thinking about starting a war with Monaco right now so he lets his brother do the talking.

TYLER

(BEAT)

No, Your Highness. Mile and a half races are more commonly won by a boat length or two.

PRINCE ALBERT

Yes, that's absolutely right. Less than a second though in your case. Well as they say, I suppose it just came down to who wanted it more.

CAMERON

(SNAPPING)

Oh what a bullshit cliché: You think we

DIDN'T---

TYLER

(EASY)

Cam.

There's an awkward silence for a moment...

PRINCE ALBERT

Will I have the pleasure of watching you both row again in Beijing?

TYLER

If we make the team, sir, yes. Thank you.

PRINCE ALBERT

I present you with your Second Place ribbons. On to the champions!

126,

And off the APPLAUSE from the crowd, we

The regatta party is underway. Music, drinks, uniformed waiters, blazers and hats everywhere.

TYLER and CAMERON have changed into their Harvard blazers and are joined now by DIVYA. The three of them have tried to find an unpopulated spot. TYLER and DIVYA have glasses of beer and are standing but CAMERON's sitting at a table with a laptop open and watching film of the end of the race.

Hitting reverse on the computer and watching, over and over

again, the bow of the Dutch boat pull ahead by six inches at just the right moment.

CAMERON

Yeah. We didn't want it enough. That was the problem. Fuck you, you fucking little--

DIVYA

Casa. The guy' s the prince of a country the size of East Hampton. Let it go.

MR. WINKLEVOSS has made his way over...

MR. WINKLEVOSS

Boys.

TYLER

Dad.

MR. WINKLEVOSS

Divya.

DIVYA

How are-you, Mr. Winklevoss.

MR. WINKLEVOSS

That was a tough beat. A tough beat.

CAMERON

I'm sorry, dad. You and mom flew all the way over.

MR. WINKLEVOSS

Listen to me good, you two. Don't you ever apologize to me for losing a race like that. Don't you ever apologize to anyone for losing a race like that.

Another man comes along, MR. KENWRIGHT.

127.

KENWRIGHT

-Boys.

TYLER

Oh. Mr. Kenwright. Dad, this is Mr. Kenwright, part of our host family this week.

KENWRIGHT

Pleasure to meet you.

MR. WINKLEVOSS

Good to meet you.

KENWRIGHT

I just had the most extraordinary phone chat with my daughter. She told me that she and her friends are all talking about the race, which ended just, a half-hour ago, via their computers. A new website called Facebook. Do you have this in America?

Eve.ryon= is frozen...

DIVYA

(PAUSE)

Your daughter doesn't go to school in the U.S.?

KENWRIGHT

No no. Cambridge. Majoring in French Literature, though I wasn't aware there was such a thing.

TYLER

(PAUSE)

They have Facebook at Cambridge?

RENWRIGHT

And Oxford, St. Andrews, Warwick and the London School of Economics best as I can tell. because that's where her friends are.

MR. WINKLEVOSS

I'm going to find your mother.

KENWRIGIT

Good race, boys. Live to fight another day.

TYLER

Thank you.

The men leave and CAMERON, TYLER and DIVYA are alone. CAMERON looks at them for a moment, then turns back to watching the

RACE FILM--

128.

TYLER (CONT'D)

Turn it off.

(PAUSE)

Turn it off, Cam. Look at me.

CAMERON turns to his brother...

TYLER (CONT'D)

I don't mind that we got beat by the Dutch by less than a second. That was a fair race, that was a good race and they had the better boat today and they'll see us again. What I mind is that we got beat by Mark Zuckerberg...by less than a second.

(BEAT)

We tried the Ad Board, we tried the president of the University and we tried talking to him ourselves. Now I'm asking you. For the one-hundreth time. Let's take the considerable-resources at our disposal and sue him in a federal. court.

CAMERON looks at his brother...then turns back to the computer. He watches the Dutch boat pull ahead at the last moment. TYLER and DIVYA are just about to give up when CAMERON swings back and says--

CAMERON

Let's fucking gut that little nerd.

DIVYA

(jamming his fists in the air)

Finally!

INT. PALO ALTO HOUSE - NIGHT

There's a thunderstorm going on outside and rain is beating hard against the windows, DUSTIN, ANDREW-and the INTERNS are hard at work writing code. Green Day is pumping from the speakers.

SEAN is pacing the house on his cell phone while two YOUNG WOMEN--dressed to go out for a party--are at the moment each on a free computer playing each other in a game of Counter-Strike. Basically they're shooting at each other and missing and laughing their heads off, it wouldn't appear as if the house has been cleaned since the last time we saw it and in fact there are signs of more wreckage as well as futons, pillows and blankets on the floor.

SEAN

(INTO PHONE)

But check it out, I saw him today.

SEAN leans over one of the girls, casually hits a few keys and  
easily kills several of the other girl's soldiers.

GIRL #1

Yes!

GIRL #2

Hey!

GIRL #1

Bong hit.

DUSTIN

Anybody hear that banging?

While the following is going on, here's what's happening: The girls have gone over to a 12-foot bong that starts at the floor and goes to the landing at the top of the stairs.

130,

it gets lit at the bottom and smoked at the top so the girl who just got her soldiers hit trots up the stairs.

SEAN

(TO DUSTIN)

You don't hear anything, you're supposed to be writing code.

DUSTIN

Dude, somebody's at the door.

SEAN goes back to the cell phone conversation as he heads to

THE DOOR--

SEAN

(INTO PHONE)

The guy hires a P.T, to follow me around.

Who does that in real life? Michael Moritz and I are gonna meet in a dark alley, I'll take Sequoia Capital down with him.

SEAN opens the door and the soaking wet EDUARDO is standing there...

EDUARDO

What the hell.

SEAN

(INTO PHONE)

I'll call you back

(TO EDUARDO)

What's up?

EDUARDO

(LONG PAUSE)

What's up?

(BEAT)

Mark was supposed to get me at the airport two hours ago, I've been calling his cell.

SEAN

He was on a 36 hour coding tear so he took a nap for a couple of hours.

EDUARDO walks into the house and surveys the wreckage--

EDUARDO

What in hell happened here?

SEAN

Not happened--happening. The next big thing.

DUSTIN

Wardo!

131.

EDUARDO

Hey man.

SEAN

(TO DUSTIN)

Back to work.

The girl at the bottom of the stairs has filled the bowl and lights a lighter--

GIRT, #1

You ready?

GIRL #2

Go.

EDUARDO watches as the girl at the top of the stairs takes a 12-foot hit from the tower-bong.

EDUARDO

How old are they, Sean?

SEAN

It's not polite to ask,

EDUARDO

How old are they?

SEAN

You think you know me, don't you.

EDUARDO

I've read enough.

SEAN

You know how much I've read about you?

Nothing.

MARK comes down the stairs--

MARK

Wardo.

EDUARDO

I waited an hour for you at the airport.

MARK

What time is it?

EDUARDO

It's midnight. Or 3AM in New York where I just came from.

MARK

You've gotta see some of the new stuff we've got. Dustin, show him the wall. I'm just calling it the wall.

132.

SEAN

Forget the wall, tell him about the meeting I've got set up with Peter Thiel.

(TO EDUARDO)

You know Peter Thiel?

EDUARDO

No.

SEAN

Why would you? He just runs a two-billion dollar hedge fund called Clarium Capital and was the money behind PayPal.

EDUARDO

(TO MARK)

Why's he setting up meetings?

MARK

Thiel may want to make an angel, investment.

EDUARDO

I don't care if he's an actual angel, why's he setting up business meetings?

MARK

You've had a long flight.

EDUARDO

No, I've had a long wait on the tarmac at JFK, theft a long wait at the passenger loading and unloading zone at SFO and in between there was a long flight. I run the business end of this company, he's a house guest living rent-free on a generous grant from the Eduardo Saverin

Foundation.'

SEAN

How's the business end going? I see you got some big ticket ad buys lined up.

EDUARDO

LOOK--

SEAN

The Harvard Eartendi.ng Course, the Seneca Club's Red Party and the Mather House annual "Lather Dance". You're just one small step away from bagging Snookies Cookies, I can feel it.

EDUARDO

(TO MARK)

Can I talk to you alone for a minute?

133.

MARK

Sure.

SEAN

MARK

I do remember you saying that.

EDUARDO

Yeah, it was a pretty big deal.

MARK

How's Jenny?

Jenny's psycho.

MARK

That can be fun.

EDUARDO

No I mean she's actually psychotic. She's  
insanely jealous and she's irrational and  
she's violent.

MARK

Still, it's nice you have a girlfriend.

134 ,

EDUARDO

I do not want that guy representing

You scared me. I need you to knock first.

JENNY

When did you get back?

EDUARDO

I got back this afternoon.

137

JENNY

And when were you going to call me?

EDUARDO

Jen, it was kind of a rough trip and I was tired and--

JENNY

Or answer one of my 47 texts? Did you know I sent 47 texts?

EDUARDO

I did, and I thought that was incredibly normal behavior.

JENNY

Are you mocking me?

EDUARDO

I brought you a present.

JENNY

Why does your status say "single" on your Facebook page?

EDUARDO

(BEAT)

What?

JENNY

Why does your relationship status say "single" on your Facebook page?

EDUARDO

I was single when I set up the page.

JENNY

And you just never bothered to change it?

EDUARDO

(BEAT)

JENNY

What?!

EDUARDO

I don't know how.

JENNY

Do I look stupid to you?

EDUARDO

No. Calm down.

138,

JENNY

You're asking me to believe that the CFO of Facebook doesn't know how to-change his relationship status on Facebook?

EDUARDO

It's a little embarrassing so you should take it as a sign of trust that I would tell you that.

JENNY

Puck you, Wardo.

EDUARDO

(CALMING)

Easy.

JENNY

You didn't change it so you could fuck Silicon valley skanks every time you go out to see Mark.

EDUARDO

That is not even remotely true and I can promise you that the Silicon valley skanks don't care what anyone's relationship status is on Facebook. Please let me give you your present.

EDUARDO's cell phone RINGS--

'JENNY

Oh, your phone does work.

EDUARDO reaches for his cell but JENNY grabs it first to check the ID.

(CONT'D)

It's Mark.

JENNY tosses the still ringing phone back to him--

EDUARDO

Okay, this is gonna be tricky. Here, open your present. It's a silk scarf.

JENNY

Have you ever seen me wear a scarf?

EDUARDO

This'll be your first.

EDUARDO

I did.

MARY

You froze the account.

EDUARDO

I had to get your attention, mark.

MARK

Do you realize that you jeopardized the entire company? Do you realize that your actions could have easily destroyed everything I've been working on?

EDUARDO

We've been working on.

MARK

Without money, the company can't

function.

What EDUARDO can't see behind his back is that JENNY has taken the gift box and lit it on fire with a cigarette lighter.

MARK (CONT'D)

If the servers are down for even a day, our reputation is damaged irreversibly,. Users are fickle. Friendster has proven that fact.

And JENNY's now dropped the flaming cardboard box into the wastebasket where the fire grows larger. She casually kicks the basket over with her foot.

EDUARDO

LOOK--

140,

MARK

Even a small exodus, even a few people leaving would reverberate through the whole user base. The users are interconnected, that's the whole fucking point! College kids are online because their friends are online and if one

DOMINO--

EDUARDO

(finally seeing the fire)

Holy shit!

MARK

EDUARDO

I've got a fire in a my apartment!

MARK

Did you like being nothing?! Did you like being nobody?! Did you like being a pasty-faced geek?! You wanna go back to that?!

.EDUARDO

I'm putting you on speaker.

EDUARDO hits a button on his cell and tosses it down. We'll keep hearing MARK's voice as EDUARDO runs out into the hallway, grabs a fire extinguisher from its wall bracket,

comes back in and sprays out the fire.

MARK

That was the act of a child, not a businessman. And it certainly wasn't the act of a friend, You know how embarrassed I was when I tried to cash a check? And I was with a girl, Wardo. It happened in front of a girl. I'm not going back to that life,

EDUARDO

(SHOUTING)

Yeah!

MARK

Okay, maybe you were angry, maybe you were frustrated. I'm ready to let, uh, to let bygones be bygones because I've got some good news.

EDUARDO--with the fire now out--picks up the phone.

EDUARDO

I'm sorry. It .maybe was angry and it was childish. I needed to get your attention.

My name's on the masthead.

SEAN

Check again.

EDUARDO is momentarily frozen...

EDUARDO

This is because I froze the account?

SEAN

You think we were gonna let you parade  
around in your ridiculous suits  
pretending you were running this company?

EDUARDO

Sorry, but my Prada's at the cleaners  
along with my hoodie and my fuck-you flip-  
flops you pretentious douchebag.

SEAN

Oooh, security is here. You'll be leaving  
now.

Two SECURITY GUARDS have come in--

EDUARDO

:

SEAN

We'll get your signature.

EDUARDO

(turning to MARK)

Tell me this isn't about me getting into  
the Phoenix.

MARK

That's right. It is. Maybe if you'd spent  
a little less time with your new friends  
and a little more time with the company

THIS--

150.

EDUARDO

You did it. I always knew you did it. You  
planted the story about the chicken.

SEAN

(PAUSE)

What the fuck is he talking about?  
I didn't.

EDUARDO

You had me accused of animal cruelty.

SEAN

Seriously, what the fuck is up with the chicken?

EDUARDO

And I'll bet you just hated that they identified me as a co-founder of Facebook--which I am! You better lawyer-up, asshole, 'cause I'm not comin' for my 30 percent, I'm comin' after everythin g

SEAN

(TO SECURITY)

Get him outa here.

EDUARDO

I'm going.

SEAN

Hang on.

SEAN hands EDUARDO a folded check.

SEAN (CONT'D)

There's your \$19,000. I wouldn't cash it, though, I drew it on the account you froze.

EDUARDO looks. at SEAN. . .then suddenly and quickly cocks his fist back to punch him in the face. SEAN flinches as EDUARDO holds his punch and lets out a small laugh.

EDUARDO

I like standing next to you, Sean. It makes me look tough in comparison.

EDUARDO exits with the security escort.

There's a long silence in the room...

151.

SEAN

That's it. That's our show for tonight. I want to see everybody here get geared up for a party. We're gonna walk down to the club like it's the Macy's Thanksgiving Parade. Mackey, put it up on the screen, we've gotta be almost there.

A young employee hits a remote and a few keys on his computer

and a huge flat-screen displays a Facebook page with a read-out of the number of members.

999,982

There's scattered applause and excitement as everyone watches. SEAN takes MARK aside.

SEAN (CONT'D)

You alright?

MARK

Yeah.

(BEAT)

You were kinda rough on him.

SEAN

That's life in the NFL.

MARK

No. You didn't have to be that rough on him.

SEAN

Listen, I'm putting together a party--

MARK

Sean? You didn't have to be that rough on him.

SEAN

I get it. I'll send flowers. I'm putting -together a party after the party at Gamma Phi Beta. Ashleigh over there's a sister and she says her friends are all down..

MARK

Ashleigh?

SEAN

Yeah.

MARK

That's great. I've been, you know, I've been talking to her a little. I don't know, I think she likes me.

152,

SEAN

Oh dude.

MARK

What?

SEAN

Yeah.

An intern, ASHLEIGH, comes along With a small package--

ASHLEIGH

Excuse me, Mark?

SEAN.

We were just talkin' about you, Ash.

We're on for tonight?

ASHLEIGH

Yeah.

(TO MARK)

This came in for you.

MARK

You can put it on my desk.

ASHLEIGH puts the small package on Mark's desk.

SEAN

She's 19, I can't help it, But I'll tell you what--after tonight she's yours. in fact, I'm gonna get you in with all sorts of girls you wouldn't have met before.

(CALLING OUT)

Mackey!

MACKEY

(CALLING BACK)

Yes sir!

SEAN

Refresh!

MARK

(blandly to SEAN)

You'd do that for me?

MACKEY hits the "refresh" key and the big screen shows--

1,000,002

CHEERS erupts throughout the place. SEAN grabs MARK and hugs him but MARK doesn't quite hug back--he's still hearing what SEAN just said.

CUT TO:

153.

EXT. SORORITY HOUSE - NIGHT

We can hear the thumping music coming 'from the party inside and college kids have spilled out onto the front lawn of this pristine, four-columned house.

INT. SORORITY HOUSE - NIGHT

It's dark but we can make out people dancing. The place is packed.

UT TO

INT. BEDROOM - NIGHT

We hear the thumping music from the party. SEAN's in there with a couple of guys, ASHLEIGH and another GIRL. SEAN's got his cell phone out and will snap a picture every once in a while.

GIRL

I can't find a mirror.

GUY

Do it on anything. You can use a CD.

ASHLEIGH

Do it off this.

ASHLEIGH's sat on the bed and unbuttoned her top so that she's in just a bra. She's offering her chest as a surface off of which to snort cocaine.

GIRL

Alright!

The GIRL taps out some coke from a vial onto ASHLEIGH's chest and starts passing around a rolled up 20-dollar bill for everyone to have a turn and she herself will unbutton her shirt too for the same purpose. All this while SEAN is talking,

SEAN

The next transformative development? A picture sharing application. A place where you view pictures that coincide with your social life. It is the true... digitalization of real life. You don't just go to a party anymore, you go to a party with your digital camera and your friends relive the party on Facebook. And tagging. The idea that you could tag anyone you wanted in those pictures so that people could find themselves. Then a digital log of every change in a person's life, broadcast to all their friends instantaneously.

154,

ASHLEIGH

Would this be easier without the bra?

GUY

It's worth finding out.

The girls start happily slipping off their bras--

.SEAN

I've spent hours--

ASHLEIGH

Why has the music stopped?

SEAN

I've spent hours watching what people do when they log on.

ASHLEIGH

Seriously, why has the music stopped?

ASHLEIGH has a point. The music stopped in the middle of SEAN's speech and the sound outside from the party just doesn't sound like a party anymore.

SEAN

How often they always checked their friends' status updates, checked to see which of their friends had changed their profiles, changed their photos and mostly...We lived on farms, then we lived in cities and now we're gonna live on the internet.

- ASHLEIGH

Sean. Stop. Something's going on downstairs,

SEAN stops talking-he senses it too now.

SEAN walks out of the room to the--

INT, STAIRCASE LANDING - CONTINUOUS

And out the window he sees a fleet of police cars with their lights flashing parked in front of the house. Then before he can react, the front door flies open--

POLICE with flashlights walk in--the beams of light streaking across the darkened party floor and the faces..

We HEAR muffled murmurs from the cops of "party's over" and "step to the side" and "nobody's leaving just yet", etc.

SEAN bolts back into--

155.

INT. BEDROOM - CONTINUOUS

--leaving the door open.

SEAN

It's the cops.

And they all spring into action. The girls are putting their bras back on, SEAN is wiping down a night table with the palm of his hand to get the coke dust off.

SEAN (CONT'D)

POLICEMAN

What's goin' on?

They turn to see TWO POLICEMEN standing in the doorway, their flashlights scanning the room and hitting SEAN's eyes.

SEAN

(BEAT)

We're sorry, was the music too loud?

We've got kind of a celebration going.

POLICEMAN

Ladies, I need you to put your shirts on.

SEAN

I can have them turn the music down.

One of the policemen casually takes SEAN's hand and sees that his palm looks like he just used it to erase a blackboard. The cop uses his finger to taste what it is.

SEAN (CONT'D)

Yeah, that isn't mine.

POLICEMAN

Okay, could you all stay where you are.

And the handcuffs start to come out and we've got a room of terrified children.

GIRL,

Wait, can we just talk for a second?

We start to move in on SEAM...

150.

POLICEMAN

(TO SEAN)

You got anything in your pockets I need to know about?

SEAN

No sir.

- POLICEMAN

Don't be stupid now,

SEAN

I don't do it.

POLICEMAN

(out of SEAN's shirt pocket)

What's this?

SEAN

It's an Epipen,

POLICEMAN

And this?

SEAN

That's my inhaler.

POLICEMAN #2

Ladies, how old are you?

GIRL

I'm 20.

ASHLEIGH

I'm 19,

POLICEMAN

Lying makes a person worse.

ASHLEIGH

I'm 17, I-'m sorry, I shouldn't have lied.

SEAN closes his eyes at hearing this news as we HEAR the sound of the-cuffs lock around his wrists and we

CUT TO:

INT. NEW FACEBOOK OFFICES - NIGHT

A digital LED clock on the wall tells us it's 4:40AM.

MARK is sitting at his computer alone. No one else is in the office. The San Francisco skyline is beautiful outside the floor-to-ceiling glass.

His cell phone RINGS and he answers.

1. 57.

MARK

(INTO PHONE)

Hello?

INTERCUT WITH:

EXT. POLICE STATION - NIGHT

SEAN, freezing with no coat on, is sitting on the bottom of the steps to the police station. The LAWYER we've seen before is standing in back of him.

SEAN

(INTO PHONE)

Listen, something's happened.

We see MARK listening on his end but can't hear SEAN's end of the conversation.

MARK

(PAUSE)

Shit.

SEAN

It's alright, it's gonna be alright. I've posted bond-and I wasn't doing anything.

I mean, I've got allergies so I can't----

We're back on MARK's side. He listens... listens...

MARK

17?

Back on SEAN's side-

SEAN

I think it was Moritz. I swear, I think it was Michael Moritz.

MARK

(EVENLY)

This is gonna be news, Sean, it's gonna be online any second.

SEAN

(BEAT)

I know.

MARK

(BLANK)

You know with anunderage intern and--

SEAN

It's cool, I've got it under control.

158,

MARK

(NO PANIC)

I'll get it under control. I'll call our guys and see what the next move is. But this is gonna be news now.

SEAN

You think it was Moritz? 'Cause I do. And I'm gonna meet that guy in a dark alley

one night. Or Eduardo? Did Eduardo have me followed?

MARK

(cool as ice)

Go home, Sean. I'll call our people.

MARK clicks the phone shut. He sits there a moment.

He looks at the small package. that Ashleigh dropped on his desk earlier. He opens up the brown paper wrapping and there's a box.

He opens the box--a thousand brand new business cards. He takes one of the business cards out and looks at it.

I'm CEO ...Bitoh

And over this we HEAR a woman's voice...

MARYLIN (V.O.)

Mark?

CUT TO:

INT. FIRST DEPOSITION ROOM - NIGHT

MARK is sitting alone.-in the conference room. The only one left is MARYLIN, whose voice we just heard. The light of the San Francisco skyline fill the huge picture windows.

MARYLIN

Mark?

MARK looks up at her...

MARYLIN (CONT'D)

Everyone's gone,

MARK doesn't say anything...

MARYLIN (CONT'D)

We're done for the day,

MARK

(PAUSE)

Who would you rather be?

159.

MARYLIN

I'm sorry?

MARK

My lawyer or their lawyer?

MARYLIN

(SMILES)

Something tells me over the long run there's more money in being your lawyer.

What happened to Sean?

MAIM

He cashed out most of his stock. Hey listen, all you had all day was that salad. You want to get something to eat?

MARYLIN

I can't.

MARK

I'm not a bad guy.

MARYLIN

I know that. I like you.

MARK

What happens now?

MARYLIN

Sy and the rest of them are at the Palm having a steak. Then they'll come back, up to the office and start working on a settlement agreement to present to you.

MARK

They're gonna want to settle?

MARYLIN

Oh yeah. And you're gonna have to pay some bonus money too.

MARK

Why?

MARYLIN

'Cause you're gonna need these guys to sign a non-disclosure agreement and you're gonna need to be indemnified. They say one unflattering word about you in public and you own their house, wife and kids.

MARK

I invented Facebook.

160.

MARYLIN

I'm talking about what a jury'll see. .That's what I do, that's what I'm doing here. I'm trying to specialize in voir dire--jury selection. Clothes, hair,

wedding ring, speaking style, likability--

MARK

Likability?

MARYLIN

I've been licensed to practice law for all of-20 months and I could get a jury to believe you planted the story about Eduardo. You know how? Just by asking the question. Watch. Why weren't you at the sorority party that night?

MARK

You think I'm the one who called the police?

MARYLIN -

Doesn't matter, I asked the question and now everybody's thinking about it. You lost the jury in the first 10 minutes.

MARK

(PAUSE)

Farm animals?

.MARYLIN

Yeah,

MARK

I was drunk and angry and stupid.

MARYLIN

And blogging.

(PAUSE)

Pay the fine. Get your parking validated. Get out of it. That's what Sy and the guys'll tell you in the morning.

MARK

Would anyone mind it I stayed and used the computer for a minute?

MARYLIN

No. There's a night guy downstairs. Stay as long as you want.

MARK

Thanks. I appreciate your help today,

MARYLIN

You're not an asshole, Mark. You just want to be.

161.

MARYI,IN, who's been putting on her coat, takes her briefcase and exits.

MARK sits down at the computer. He logs on to Facebook.

He -types a name in the-search box: "Erica Albright".

Erica's name and picture come up, along with Boston University, '07. Mark smiles. She's on Facebook.

He moves the mouse back and forth between two boxes: "Send a Message." and "Add as a Friend".

He clicks on "Add as a Friend".

A box comes up that reads: "Your request to add Erica Albright as a friend has been sent."

Then MARK clicks to his homepage and waits for the response. And waits...

TITLE:

Cameron and Tyler Winklevoss received a settlement of 65 million dollars and signed a non-disclosure agreement, They rowed for the U.S. Olympic Team in Beijing and placed sixth. MARK is still waiting...

Eduardo Saverin received an unknown Gash settlement. His name has been restored to the Facebook masthead as a founder. MARK is settling into his chair. He'll wait all night if he has to.

Facebook has 180 million members in 60 countries. It's currently valued at 15 billion dollars.

Mark zuckerberg is the youngest billionaire in the world.

MARK waits...

And waits...
