By Unknown

Life is a gamble between  
fortunes and misfortunes  
There are people who  
are fortunate and prosper  
And others whose lives  
are shattered by misfortunes  
I still don't know  
in which category we belong  
By 'we' I mean  
Nila, Nancy, Ganga and I  
I, Revathi Nambiar  
am a TV channel reporter  
4 isolated women  
This is the story of our  
fortunes as well as misfortunes  
I am Nila  
Lucky to have married the man  
I'd been in love with for many years  
Love is like a mountain climb, the thrill  
ending when you reach the top  
It's a just small misstep to fall  
into the depth of a hell called divorce  
I am Bhavya  
No...Now Nancy  
I never regretted convening  
from my religion to that of my lover  
Not only that, today prayers  
are the only relief in my life  
I used to think the mother-in-law tortures  
seen on screen were only injust  
But just one month of married life  
I realized they were all a reality  
Shibin who is in the USA  
hardly ever calls these days  
Divorce is his latest demand  
I try to console myself  
that my faith will save me  
Girls are beautiful, be happy and laugh  
only for a brief period in their life time  
It was only a brief life span  
like that of a colorful butterfly  
Among us, the owner of such  
colorful days belonged only to her  
She was our most

favorite person in life  
Ganga  
Now, coming to me  
My profession gave me  
the wings to freedom in life  
In fact, what rescued me  
from a first broken love affair...  
...was the thrilling chase after stories  
and scoops for the TV channel  
A live-in relationship with a colleague  
and moving on contentedly in life...  
...I was proud of my mature decision  
But...!  
Get out woman!  
I know we have the freedom to  
move out of this relationship any time  
We had agreed upon it  
But I can't  
Please, don't hurt me  
I will go  
Just give me 2 minutes  
Each one of us had  
a hidden volcano inside us  
But when the 4 of us  
came back to the apartment...  
...we carried on with  
the little joys in life  
I know we have the freedom to  
move out of this relationship any time  
We had agreed upon it  
But I can't  
Hello  
No  
I will call later  
Ours was a much  
stronger lover-affair  
We got married without  
our parents knowing  
I even convened for his sake  
What an affair it was!  
5 long years...Romeo and Juliet  
Now do you know what he says  
He has no sexual feelings with me alone  
Modern love, no restrictions

Living together for 5 years  
It was only to get what he wanted  
without spending money...  
...which he tells me 5 years later  
Now I am neither here nor there  
My loved one's hobby is to send me  
pictures of him with other girls in town  
And you want to be in love?!  
Like this we made Ganga  
back out of that affair  
We even got her  
a different phone number  
Although it was difficult at first  
she accepted and adjusted by and by  
What happened?  
Will it work?  
No! Our channel will do nothing  
based on your information  
The other party is tightening  
screws in higher places  
Is there no other way?  
Your 'quotation' job is dirty  
But ours is dirtier than that  
I often wondered  
which was better  
Forget it sister  
Please see my name  
doesn't come in  
If that viper comes to know  
I am finished  
okay  
That was the day when Xavier,  
Nancy's husband's cousin...  
...came forward to  
solve her problems  
Hey! Come sit  
Sit  
Chechi(sister), it's not  
Shibi'chayan who's kicking up a fuss  
I am not saying this  
because I am his cousin  
He's a simple man  
He still loves you  
It's his mother

I'll talk to her and set it right for you  
Don't be so stressed  
I'll talk to mother  
and son and solve it  
Even if he's oblivious to your sorrows  
I understand you very well  
Be cool  
Since he is so intently pursuing this  
Appears his target is his brother's wife  
That's good to deal  
I will talk things over and call you  
But you must attend my calls  
Okay, see you  
"Sometimes, in my heart"  
Anna(older brother)  
Will this work out?  
Of course! Work out?  
You bet it will  
Otherwise, I will  
make sure that it does!  
We were right behind them  
He will make an effort for sure  
This is a bait for you  
Stop worrying my dear  
All guys with helping hands and  
sympathetic words to lone women...  
...behaving like gentlemen  
have only one intention  
- Look, he's just fishing  
- High hopes!  
It was Ganga's birthday  
I had a special guest  
My classmate Lovely  
and her husband Sreekuttan  
They are here!  
Hi! How are you?  
- Revathi  
- Sree  
My roommates  
Come, let's go  
She used to be Revathi's roommate  
while in college hostel  
Her husband works in Dubai  
Now they are here on vacation

Lovely and Sreekuttan?  
An inter-caste marriage, eh?  
May be a love marriage  
Revathi would have been the mediator  
- When is your interview?  
-After noon  
Where are you  
staying for tonight?  
We'll look out  
for a room in a hotel  
Oh! You come to my place  
and want to live stay at a hotel, eh?  
No!  
No chance!  
You will be our guest  
and join us here  
But you are only women staying here  
It won't be correct  
That won't be a problem  
Please, agree my girl  
There! The birthday babe is here  
Birthday celebrations are on its way  
and you will be our guests  
Your hotel idea stands canceled  
Okay?  
Hey!  
Come  
What...?  
Let go  
Let me go  
By evening...?  
Come on  
Don't move  
What's up?  
Carry on  
He's so romantic, isn't he?  
She's so lucky  
We are not  
destined for all that  
No need to feel jealous  
Sleep now  
Revathi!!!  
Get up  
Come soon

- What happened?  
- Come fast  
Look there  
Come  
He's dead  
What will we do now?  
Let's inform his people  
Or we'll go to the police  
No  
Why?  
' No!  
. But Why?  
We can't inform the police  
Nor his people  
They are not...  
...husband and wife  
Her actual husband is in Dubai  
Did you know this earlier?  
- Tell me  
-Yes  
What do we do now?  
What to do now?  
Do whatever you want  
You solve the problem you created  
Don't involve us  
God! What do I do now!  
I know a man with  
a criminal background  
He's a hired thug  
You can call anyone  
and do whatever you want to  
What are you doing?  
Anybody else knowing this  
will only land us in trouble  
Let us put it into a car  
and then think of what to do  
What are you saying?  
And after that?  
What else can we do with it?  
We are wasting time...just listen to me  
Come with me  
- Slowly  
- Wait a second  
Come

He's fast asleep  
Hold it  
Hey!  
Keep it down  
What...?  
No noise  
Careful  
Let it be  
Hey, wait...wait  
Quick  
Hold on  
Take it  
Slowly  
Let me go see  
- God!  
- What is it?  
It's that Azad living  
on the top floor  
What do we do now?  
Quick carry it now  
Blasted thing is always faulty!  
Let's take the stairs, sir  
- Sir?  
- What is it?  
I heard a sound  
What sound?  
- Maybe my imagination  
- Midnight harassments!  
- Let him go  
- He'd have gone  
Yes...yes  
I will leave at 5 in the morning  
I sleep in the car always  
Just listen  
Disconnect now  
Let me pee and I'll call you back  
lfl say I'll come  
I mean it really  
Okay, agreed  
Wait for me, woman!  
Doesn't she ever sleep?!  
I have always wanted  
to go pee in a ladies toilet  
Let me see what it's all about

Hey! Nice set up  
Ladies, forgive me

**MBRHDRG:**

Come

**MBRHDRG:**

Call that thug  
We have no other option  
It's impossible for us to deal with it  
- Call him and explain  
- Shall I Call him?  
Be quiet!  
- What?  
- It's ringing  
What is this?  
Stop it  
Wait till I get back  
Tell me madam  
I'm listening  
As I said earlier, 50 grand  
if it's okay, I'll be there in 15 minutes  
Is it okay?  
Don't stress yourself  
I am Sura, and know  
how to keep my word  
I will deal with it  
perfectly, okay?  
lfl cross the compound safe,  
no need to worry about this anymore  
Everything turned  
topsy-turvy on a single night  
No one gave a thought then  
to what exactly was happening  
But the next morning  
You!  
Couldn't you have  
stayed in a hotel room with him?  
God knows what is yet to come  
You have ruined all our lives  
Any further problems and  
I will tell the truth, I'm warning you  
Get out woman!  
I said get out

Lovely and Sreekuttan's love affair  
began during their college days  
Later, it died a natural death  
like all other campus affairs  
Years later, it was by  
pure chance Sreekuttan's wife...  
...Nanda introduced  
Lovely back into his life  
Many meetings later...  
...love blossomed  
Stronger than before  
Didn't I tell you?  
It was God's will  
Why else would  
my wife's lost phone...  
...be found by you and she  
introduces me to you  
Who is it?  
Is food ready?  
Why did I go along with  
Lovely that particular day  
Our peace of mind was  
gone forever after that day  
She cheated us right?  
But why the heck did she do it?  
I wonder, what miseries  
are in store for us now?  
I tried calling Sura  
who had gone with the dead body  
But...  
- Shall we go?  
- Ready  
You know what?  
Just because you were  
a friend, I wanted to help you  
Now everyone is alienating me  
You are the sole  
reason for my miseries  
I curse the moment  
I thought to help you  
Thanks  
Thanks a lot  
My dear, please  
come there a moment

The TV channels  
are not coming on  
Please come and have a look  
I called him again the next day  
But the calls never went through  
My stress levels kept increasing  
not knowing what happened to the body  
Come on  
It's okay  
Come  
You could have  
told us the truth  
Who knows what  
the consequences will be now  
This is enough  
to ruin our entire lives  
- Yes?  
-Where is the Sub Inspector?  
He is in there  
Please sit  
So, it's been 3 days  
he's missing, right?  
Yes  
Did you enquire  
at his regular haunts?  
Take it easy, we have  
all the details  
May be he's gone  
on a tour with his friends  
- Any female...?  
- No!  
Definitely not  
Okay! Okay!  
Let us investigate  
I'll let you know if we find anything  
Sura, he was only  
an informer for my news leads  
But, instead of hearing  
terrifying news we expected...  
...we began to see unexpected  
happy things happening  
Didn't I tell you  
this was a very simple case?  
I am ready to help

anyone I am fond of  
Aren't you happy now?  
You will be happy, I know  
Is this the girl I was refusing  
to accept all these days?  
My husband and I will come  
this very evening to take her with us  
So get everybody be ready  
Let me share some secrets  
with my daughter in law  
Come my dear  
From today you are  
like Nancy to me  
Very close friends  
Since we are close friends  
will you give your phone number?  
We'll call you at night  
Shall we give him your number?  
Will you really call?  
Really?  
Rakesh, pass this tape on inside  
Nothing anywhere  
I called all stations to get a crime story  
Nothing spectacular  
Only a case of man missing  
One Sreekuttan, 30 years old  
The wife has filed a complaint, that's all  
Man missing cases  
are not dramatic enough  
Only death will have news value  
Why don't people  
commit some murders?  
At least then can  
we fill our episode slots  
Joey!  
Get that bit about that old Minister  
We'll adjust with that for today's news  
Since Sreekuttan's case had been filed  
Will the police now come looking for us?  
Not reachable  
I am very scared  
What's happened to him?  
It's been so many days  
He's not answering the phone

Xavier is calling  
Probably his parents are here  
Nancy?  
Just a minute  
You are leaving us  
You must never ever reveal  
what happened here to anyone  
Promise?

**STOP:**

Come here  
Has Sreekuttan disappeared  
like this earlier also?  
No sir  
Not heard so far  
- Is he a trouble maker of sons?  
- No, he's a good man sir  
Okay, let's go  
Do you suspect anyone?  
No  
Any phone call  
Did someone come to meet him  
No sir  
- Did you know this?  
- It's been so many days now  
We will investigate  
in our routine way  
If you get any info  
please inform us  
Com e lets g o  
Nothing we feared happened  
On the contrary unexpected  
developments occurred  
You must forgive me  
I realize only now  
how badly I behaved  
It will never happen again  
I want only you...only you  
Only you and I hereafter  
I won't ever go after other women  
I swear  
Please, my dear sisters  
Tell her to come back to me  
Please

Once Nila also left, Ganga and I  
were scared to live there alone  
Ganga shifted to the college hostel  
and I shared an apartment with a friend  
Although within us  
we were still terrified  
As days passed our  
tensions gradually lessened  
We slowly slipped  
back into normal life  
Four of us in  
4 different places  
We returned to our busy routines  
It was the day Lovely's husband  
Johnson returned from Dubai  
Dead body?  
Where?  
What happened?  
Nothing  
Remember Revathi?  
Her father is ill  
Give me the key  
I will drive, you get in  
Move aside  
Move...give way  
Do you have any clue, who  
could be behind this murder?  
Sir, please answer  
Here it is  
Move aside  
Move I say  
Move...move  
I'm telling you  
to move aside  
Don't you understand  
what I'm saying?  
Next time I will take  
my mom with me, okay?  
Sura, the man who lies here  
murdered is understood to have...  
...close links with political  
and business bigwigs  
The question arises if it was just  
revenge among thugs or something else

Police have started  
thorough investigations  
DySP Unnikrishnan Namboothiri  
informs that culprits will soon be caught  
DySP is here with us  
This a challenge to restore  
peace in the lives of common man  
We have already begun all steps to bring  
to light the culprits who so ever they are  
We understand from  
higher officials that...  
...the murderer will soon  
be apprehended  
Madam  
Let's go  
Hello, you don't know me  
I called to get to know you better  
Even if you don't know me  
I know you very closely  
And everything about you  
Including the most secretive things  
you've kept hidden from others  
Your ability to smile  
and be normal...  
...when inside you are  
quavering in fear...hats off!  
You and your friends...the other night  
Such courage, right?  
Apan from the 5 of you  
another person who knows...thug Sura?  
The Lord called  
him back quite early  
Didn't I warn you  
that I know everything?!  
Suppose I tell this  
to someone?  
Then your lives  
will come to a full stop  
Your lives, your family  
Everything will be finished  
But you poor things!  
I hate doing this to you  
I have only one condition  
Only one

Just do what I ask you  
If you obey me  
I won't ever tell this to anyone  
Otherwisemokay, I won't!  
By the way, if you dare tell  
your friends or the police...?!  
If you dare tell...!!!  
- Any questions?  
- Sir  
There are an estimated 6 million  
mobile subscriptions world wide  
90% of the population and 80 % of people  
living in rural areas have mobile coverage  
Excuse me sir  
Two thirds of people who access  
internet do so from a mobile device  
You are absolutely right  
We are now planning into 3G  
Balu, I'll be late  
The team meeting  
has not yet begun  
No need, Balu  
You don't have to pick me up  
I'll come home by myself  
Sorry  
I was a little busy  
I'll come to you  
and collect the cash  
I'll call however late and  
come there whatever the time  
'Mother?  
'Did you hear  
what she said to my face?'  
'What did she say  
that was wrong?'  
'Get out!'  
'Get out with your kid'  
Please, don't harass me  
Don't call me  
I have not done  
anything wrong  
Please don't create  
problems in my life  
The issue is not whether

you have done wrong  
The issue is whether  
I will reveal this out or not  
If I decide to talk, your tender  
flower-like life will wilt away  
- Let me explain  
- Stop it woman!  
I don't want  
to hear anything  
Just listen to  
what I have to say  
Understand?  
Anyway, you are  
in my hands now  
Just sit quietly like  
a white little rabbit  
I will caress you  
to my heart's content  
My dear...dear  
What is this child  
doing in there?  
- Don't you want dinner?  
- Coming mother  
Hello?  
Good that it was you  
who picked the phone  
If it was anyone else  
I'd be forced to explain who I am  
You rotten woman!  
What did you think?  
Being very smart  
switching off your phone, eh?  
Don't overdo it, okay?  
Who is it my dear?  
Shibu?  
Yes, tell me  
Don't play your tricks on me  
Give it to me a minute  
I want to ask him something  
One minute, please  
Okay disconnect  
Here  
Hello  
Shibin?

I can't hear anything on this  
Yes mother, it's been like that  
Something wrong with the line  
Wow! You hottie  
Thanks...baby  
You...?  
No need for all this show  
Don't pretend to be so goody-goody  
Try to be over smart and  
your husband will know  
Want to see?  
Come  
Good  
No, next one  
- How is it?  
- No, next one  
Show me  
5 girls  
Who do you want?  
The last one  
I like tender coconuts  
Sure...tender coconut indeed  
Wait a minute  
Time 4 0 clock,  
Place Sip and Lunch  
Table no 4  
There will be a man waiting  
Just listen and do as he wants  
Okay?  
So be there on time  
34 or 36?  
34, I am sure  
I meant your weight  
Okay, don't tell me  
Anyway, I am okay  
I will soon know  
My wife will soon go off  
to Delhi for a conference  
In any case she has  
no interest in such activities  
Like carrying cane  
through the bushes  
In Goa...3 days to ourselves  
Just 3 days

I have reference videos of sex  
Do you want to watch?  
Watch it now  
How is she bro?  
Is the bird okay?  
Sure!  
Young little bird  
Just give it to her  
Here  
Tell him you like me  
You can go, I'll call later  
You agree, don't you?  
It is Aroma therapy  
It will take about an hour  
It's okay  
I will wait at the coffee shop  
okay  
No  
Please  
Go  
Go away!  
Is it over?  
No it will take too long  
Let's come next week  
Why so?  
Come let's go home  
- Why?  
-I have work at home  
What work?  
- Mother asked me to come home soon  
- Then come, let's go  
- Hey!  
-Yes sir?  
- Do you know Sura?  
- No sir  
Why don't you know?  
Come, let's go  
Sir, I don't know  
Mol(daughter) take the books  
and come quickly, okay?  
Mol, wait here after  
your reference work  
I must go to the office room  
and will be back in half an hour

An urgent matter  
Look madam  
Things are not what you believe  
I can give an answer  
within few days  
The investigation  
is at crucial point now  
We can't reveal  
what it is now, that's why  
Please believe me  
I will call you  
You don't have to come here  
every now and then, okay?  
We called each other  
to discuss about him  
But his threats instilled a fear  
that we'd lose the life we got back  
So each one of us kept it  
within ourselves...out of fear  
We were literally under lock up  
Hi  
I am a little late  
We'll go in the car  
Let's go in the car  
- Are you going?  
-Ans College  
Here  
Hi  
Come under the umbrella  
Don't get wet  
What the...!  
Come here  
Umbrella, my foot!  
Doesn't she like me?  
Angel Hospital, morning 10AM  
Token number 10, Dr Nirmala Mathew  
A girl in a yellow dress, with the token  
will wait at the hospital reception for you  
She's pregnant  
Pretend to be the girl's sister  
and meet the doctor  
And get it aborted  
Just be like an ayah, a helper  
and a companion to Neethu

Okay?  
Auto!  
Angel hospital  
Were matters moving  
into dangerous grounds?  
I was beginning  
to feel convinced it was  
I wanted to find if  
there was a legal solution...  
...and confided in a person  
A criminal lawyer who took part  
in our programs...Rani Varma  
I held back only one info  
That the victim was myself  
Please sit, madam  
If he has really seen it  
and choose to reveal all...  
...then Revathi's cousin  
and her friends...!  
...will get into the real trouble  
if you look at legally...  
Evidence plays a major role  
In every case in court,  
Evidence is most important  
If you ask me personally...  
I suggest your cousin and friends  
accept to his terms and conditions  
That is only safe for them  
tiff  
Neethu?  
Aren't you Neethu?  
Sit, I'll be back  
Aren't you Revathi?  
I often see you on TV  
We have a celebrity  
client package  
It's quite normal  
in professions like yours  
If you have friends  
or relatives in need of abortion...  
...just call us, we can  
easily adjust our rates  
Revathi  
She is alright now

Come again, okay?  
I want to meet you  
It's very urgent  
Take this  
- What is it?  
- Madam  
Just a minute  
Don't share with anyone  
or you'll have to pay  
What is it?  
What's happened to you?  
Vinu wanted some more time  
When Rythin heard this, again confusion  
How do I take it forward?  
Nila, do you know how  
many times this is happening?  
One minute  
Listen, you must apply  
for leave tomorrow  
A small favor  
I want your help  
I will call you  
in the morning  
Let it be a secret,  
Don't tell anyone  
We wanted to tell  
and yet we didn't  
Fear refused to let us talk  
Emmanual silks, 3rd floor, 10:30 a.m  
- Where are you?

tiff

See you in the evening

- Thank you

It's a resort with

a private beach in Goa

It's ideal

3 nights and 4 days

If you die, I simply don't care

Not only your life

I'll finish everybody else's also

You will go

Please, I will do

anything other than that

Will you do anything else?

Will it be okay?

It's most valuable to a girl

What is more

valuable than that?

I need money

Come on, tell me man

How many mobiles does he own?

- 3

- Only 3?

- No sir, 4

-4?

No sir 5

Really?

3...4...5

Thomas, I think he needs

3 bottles of that medicinal concoction

The one that has

a good fragrance

What do you say?  
Go ahead, you will  
How many SIM cards  
does he own?  
'5  
'4...4  
No sir...5  
Sir, it's not 4  
It's actually 6  
Sir punch me  
but don't use the cane  
He actually has 8  
But I only know 6 of them  
That's all I know sir  
So, totally he has 8 connections?  
I have 6 numbers with me  
I want the remaining 2  
Anyway, tell me  
the 6 numbers you have  
Write it down  
Good girl  
You've become good friends, eh?  
Very close?  
Become a little  
more closer, okay?  
Yesterday's program  
was very good  
- Thank you  
- But we missed the beginning  
There is a repeat  
telecast today  
You must watch, okay?  
Since you work in a bank  
You can deal with it very easily  
Considering the number  
of notes passing your hands  
Tearing up 10 of them  
is will hardly be noticed  
I don't have an option  
Just an exchange of money  
Take it  
Please wait  
Great!  
You really did exchange

the notes at the bank, didn't you?

Yes

Good!

You have a fantastic gift

Collect it before you leave

This is for you

One more money exchange

10 lakhs

I know it's difficult

But you will do it

Come in

Don't go to church, stay back

I'm on the way

I need 15 minutes alone

What happened?

Aren't we going to church?

I am...

Okay, you take rest

See you later

Hi

Shall we go?

Okay, agreed

That's my dream

Your problem

is the venue, right?

There's a stylish

open beach resort

I don't like to spoil

my meal just picking at it

I need time to taste

savor and enjoy what I eat

I have come all the way

How can I go back empty handed?

How many sovereigns is this?

I meant this

Should I remove it myself?

Please!

Hi

- Hello ma'am

- Come in

Please sit

I was here to record

a byte of our regional MD

I was waiting here

for almost an hour  
I saw you leave  
the restaurant  
Mad am, tea  
A little late  
What do you want?  
You can order  
- What about you?  
-Anything is okay for us  
As you like  
Hello?  
The reception is at 7, right?  
Sure, will be there  
Room 411  
3 fresh orange juice  
I ordered orange juice  
Yes, come in  
Aren't you coming for  
the party this evening?  
Have it  
One minute  
It's from my office  
This incident has shaken  
the entire state of Kerala  
Who was it who tried to smuggle in  
such a large amount of fake notes?  
Thanks baby  
You can leave  
- Sir it was not I  
-You don't have to say anything  
Sir, I am not  
I don't know anything sir  
Sir, I am innocent  
Move aside  
Get in I say  
Those were moments  
as if life had come to an end  
The realization that it was  
disaster waiting around the corner  
Nancy called everyone  
To meet directly and urgent  
The next day, when we were  
supposed to meet, a phone call came  
Ganga had met with an accident

Doctor, how is  
the accident victim, Ganga?  
It was not an accident  
It was a major operation  
Here look this  
What the Doctor had  
given us was an agreement letter  
A letter signed by Ganga  
that it was not under coercion...  
...but of her own full free will  
she had donated one of her kidneys  
What made her do this?  
Excuse me  
This is Ganga's mobile  
I was the one who called  
She asked me to tell you  
that it was an accident  
Thanks baby  
But the beautiful 3 nights and 4 days  
in Goa would have been a better for you  
It's him  
Hey! Can we meet tomorrow?  
Green Park open beach resort  
Let's enjoy my dear  
9387944158, Mary Varghese  
Thadathil house, Mavelikkara  
This is the number Sura  
was using just before he died  
Hey!  
Who is this, who's called 1450 times  
to a guy who was already dead?  
Sir, it belongs to some journalist  
Details are just being printed  
Go bring it quick  
Listen!  
Nothing more to do  
You can wrap up everything  
The DySP has got hold  
of the last number to Sura  
I warned you the other day  
Don't worry man  
I am already here  
"\$ir...!  
Hey!

Don't stress yourself  
I've come directly  
to clear up everything  
You will get your dues, Mr policeman  
Isn't that enough?  
Sir, these are the details of numbers  
Your Minister's henchmen  
killed Sura and threw him on the street  
I must close this case for you  
Yes sir  
You do know, I have  
a Mr Clean image  
- I did not mean it that way  
-Well, that's how it is...from today  
I will wind up the case neatly  
What do I get in return?  
Whatever you ask for  
Come in the evening  
We'll talk in private  
Okay, sir  
This journey of mine...no, our journey  
Perhaps one of the most  
important one in our lives  
To know the truth  
behind some incidents...  
...that had happened to us  
and yet none of us knew of it  
Ganga's phone love affair which  
we had once terminated...  
...has now materialized  
into marriage  
We must help her come out  
without her people knowing  
Let's not discuss it here  
No one knows about it  
if they come to know,  
it will be a big issue  
I'll be right back  
I am not able  
to contact Aravindan  
In his last call, he'd promised  
to take me away after the marriage  
You think he won't come?  
Just to fool me?

- Why don't you tell her?  
- Let's not tell her  
Then...?  
It's obvious she  
does not know anything  
'Public Cemetery'  
We happened to get his mobile  
when everything was over  
But...we were stunned  
to see the pictures in it  
Romantic photos of Ganga  
with the guy she was in love with  
None of us understood  
anything of this  
He had betrayed Ganga the most  
How did this happen?  
Our mission after that was to  
trace his messages and calls  
That's how we figured out  
what actually happened  
Even though we thought  
it had all ended  
Ganga had continued  
that relationship  
The night of that incident  
she had received a call from him  
For cheating Ganga, and the rest of us  
and to put an end to everything...  
...we finished him off and it was  
only on our way back we realized...  
...we had actually killed Ganga's lover  
What is your treat  
for me, birthday girl?  
If they knowl called  
They'll kill you  
I have a surprise  
for you tonight  
What's going on?  
Go ahead  
How was your  
birthday party?  
Revathi's friend who was  
supposed to come, did not turn up  
- So we all went out

-And?  
- They gave me a fantastic treat  
-After that?  
Nothing  
Came back and slept soundly  
Nothing special  
What was the surprise?  
Tell me  
I will tell you later  
If you ever tell your friends  
or the police, I will reveal this  
Table #4  
A man will be waiting for you  
How are you?  
Why are you so tense?  
Tense?  
Me?  
No tension?  
- It's nothing  
-You sound strange  
Aravindan, you must be imagining it  
- Who called you now?  
- It was from home  
- I'll call you back later  
- Okay  
Ganga who was coming with us  
all set to marry Aravind, did not know...  
...that we had finished off her lover  
Neither can we ever tell her in future  
Unaware of all this she continued  
to dream of her life with Aravind  
Revathi Nambiar...1455  
Must be really sick...stay there  
- Sir?  
- What is it?  
Sura case remains unsolved  
I came to tell you something  
I forgot the other day  
Aweek before he died,  
he and I placed...  
...a dead body on top of  
a water tank outside city limits  
Dead body?  
Whose dead body?

I don't know  
Why didn't you  
tell this earlier?  
It's only now I have a doubt  
That Sura's death has some  
connection to that dead body  
That's why I decided to tell you this  
I know who chopped up your friend  
But there is no case  
I closed that file  
But what about  
that dead body?  
Let it remain there man!  
Does it affect us  
in any way?  
Let it be there  
for the time being  
If it becomes an issue in future  
We'll look into it then  
Now go away  
Whether it was fortunate  
or unfortunate the story does not end  
The dead body of Sreekuttan  
is on top of the water tank  
Ganga waiting for her  
lover Aravindan, who'll never come  
3 others with Ganga who  
are forced to hide what they know  
Sreekuttan's wife who waits  
hopefully for his return  
Sura's friend who  
is suspicious about the dead body  
Everything is safe for today  
But tomorrow...?

I got for myself by a stroke of luck"

in bounty into my heart in spurts"

and a cloak of warmth always"  
"Forget the tears and sing  
Let only joy be what you seek"

Hear what I've got to say, little one"  
"We are not here to dance  
to the tunes of any tom dick or harry"  
"if tears appear unasked  
Close your eyes and mask"  
"Never hesitate, but laugh away  
whenever laughter comes your way"

"My dear little girl  
Stop your coquetry"  
"Don't kill me sweet one  
with your coquettish ways"  
"Kill me for all you want  
But don't betray and abandon"
