Okka Ammayi Thappa

By Rajasimha Tadinada

Tobacco use leads to cancer,
heart attacks, lung disorders..
..and other deadly diseases.
The characters shown
in this film or program..
..don't support the use
of any type of tobacco products..
..such as 'beedis,' cigarettes,
'khaini,' 'zarda' etc..
..or their promotion in any manner.
What happened to this city?
It is filled with
stifling smoke and grime.
Why doesn't anyone object?
Why should we endure this in silence?
We should put an end
to this careless attitude.
Don't hesitate when you
see anyone smoking cigarettes.
Smoking in public places is banned.
Breaking the law will result in fine.
Don't smoke. Don't let others smoke.
Smoking results in great loss.
Who doesn't desire pleasure?
But at what cost?
Smoking results in great loss.
Smoking is injurious to you.
It is injurious to
your loved ones too.
Smoking results in great loss.
Smoking and drinking
are injurious to health.
Smoking and drinking
are injurious to health.
Mohammad Sayyad Aslam.
An accomplice in numerous
terrorist activities.
An instigator of many terrible crimes.
India's most wanted terrorist.
Octopus Team risked
their lives to catch him.
He is in Charlapalli Jail right now.
He might be moved to Tihar Jail.
He took the lives of

countless innocent people.
He targeted India.
Aslam's slogan is:
"India's downfall! Our freedom!"
Hi! My name is Krishnavachan.
This is not my story.
I became the hero of
a story that is not mine.
I had to.
Circumstances. Situations.
These situations lead to
one's victory and another's defeat.
A few days ago,
this place witnessed an incident..
..no, an accident.
No, a situation that is even worse.
This man started the game
that I had nothing to do with.
Anwar.
Do you remember what you have to do..
..after reaching the flyover?
- Yes.
Hi-Tech City flyover. Madhapur.
This route is the
lifeline of IT industry.
Many people will go to
work like every other day.
But not even a single person..
..not even a single
person will return alive.
At 11 o' clock, our men will
cause an accident using two trucks..
..vehicles will get crushed..
..and the electricity
grid will be turned on.
Traffic jam!

At 11:

the dustbin will blast.
Hyderabad will have a heart attack.
Khayum will execute our plan.
Khayum, what we do is not business,
it is war.
Go.

At 12 o' clock this afternoon,
Hyderabad will be..
One man's thought.
Another man's execution.
One man's plan and another man's job.
This is their fight. Their story.
But slowly their
story became my story.
The reason is that girl.
That one girl.
For you to understand my situation..
..you should know my story.
Our country's pride.
The official symbol of our legacy.
Our national flag.
This national flag plays
an important role in my story.
It was August 15th that day.
Our school organized
cultural events and sports.
Cricket match.
This is me.
This is my enemy. My older brother.
Waste fellow!
Whatever team you are in, it loses.
Whatever team you are in, it loses.
You should make two runs
for each ball. Play well.
My big brother feels that
whatever team I'm in, it loses.
The team is more important
to me than the game.
If I don't like my team,
I help the other team to win.
I'm used to my big brother's scolding.
The only excitement in
my life is my future wife, Mango.
"A new story has started."
"My little heart is excited."
What is that girl's name?
Mango.
Mango?
"Your friendship has made
a lasting impression on me."

"I can't bottle up
my desires anymore."
I want it.
Please, no.
I want it.
Okay.
Don't touch me, go away.
"Unstoppable happiness
is making its way into my life."
Satya!
Pledge.
India is my country.
India is my country.
All Indians are my
brothers and sisters.
All Indians are my
brothers and sisters.
Except one girl.
Let's get married, Mango.
I can't climb buildings
like Spider-Man.
I can't jump down
buildings like Shaktiman.
I can't fight like
He-Man and Super-Man.
But I will be your
companion like a gentleman.
I will be faithful
to you like a Doberman.
If we get married,
our kids can study in this school.
Everyone can do homework
and lunch together.
Not just on your birthday..
..I will be with you
on your death-day too.
You want to get married?
Enough? Is this marriage enough?
If you do this one more time..
I parted ways with God that day.
My big brother was a sadist
like other big brothers.
I lost Mango because of that idiot.
And as if that torture wasn't enough..

..he started taking
my tuition at home.
Your life will be wasted
if you don't study.
Look at him, dad.
He is in the 2nd standard now.
He doesn't even know how to count.
Do as your big brother says.
I lost interest in plants
when he taught me biology.
I lost interest in the
country when he taught me civics.
I became reckless
when he taught me math.
Recite numbers.
1, 2, 3.
4, 5, 6.
7, 8, 9, 10.
Jack. Queen. King.
Why does he look so scared?
Fear is a loser's best friend.
Then what is a winner's best friend?
Responsibility.
Why did you write diamond seven?
His next discard is diamond seven.
He discarded diamond seven!
What is 26?
After I call show,
his count will be 26.
Show.
How did you guess it so accurately?
Game of cards is a
game of hunting oneself.
Luck favors only a few,
and others are shown stars.
Greed is the real boss of this game,
not Jack or Queen.
There are 52 cards in total,
two colors and four designs.
A man's style of dealing the cards..
..his expressions while
setting them in his hand and..
..his way of discarding
will help us to control the game.

We should play a blind
game if our cards are right..
..and if not,
we should play a mind game.
He discarded diamond four
and picked up diamond five.
Does he have double cards?
No, because one is an open
card and the other is with me.
So, he picked up
the card for a triplet.
That means he has a life
and that gives him confidence.
But confusion dilutes confidence.
So, I started discarding
small cards to confuse him.
His focus shifted to my game.
If you shift your focus,
you'll be saying hi to failure.
He was worried that he
didn't get the card he wanted..
..and double worried when
I picked up his discarded card.
I discarded a six to trap him.
He fell for it and discarded a seven,
and I closed it.
He had Jack and Queen
as a second life..
..and the six he hid from me.
Total 26.
Game over.
Wow, superb!
- Extreme calculation!
See, bro! You don't need
manipulations to win in life.
You just need calculations.
Chill, bro! Just paint the town red.
So, we good?
"Stop cawing like crows."
"Death or life."
Wage war and decide it."
"Keep walking, don't stop."
"Don't take a back-step,
just reach your goal."

"Life is a dance.. So, jump."
"Life is a science.. Learn it."
"Life is violence..
Come to a compromise."
"Life is a blank page..
Write your signature on it.
"Paint the town red."
"The hearts of people living
in slums are filled with honey."
"The luxuries of posh life
are like water in an oasis."
"Life is thrilling when
you are constantly working hard.."
"..even when you have
to go hungry sometimes."
"But life is hell if you are
not satisfied with what you have."
"Romance with life.
Don't give a chance to doubt."
"Your guts give you license.
You are your own hero."
"You live only once.
Hit a six, no defense."
"Walk on the tight rope
before your heart stops."
"Paint the town red."
When someone sees the flag,
they feel like..
..singing the national
anthem or saluting the flag.
But I remember him.
When you were little,
a boy in your school..
..gave you a flag and
said he loves you, right?
Huh? How do you know that?
You tell this story to
everyone whether they ask or not.
He gave you a flag
and said he loves you.
What will you do
if you see him suddenly?
I will ignore him.
I will reject him. I will block him.

I will kill him.
Excuse me.
Hi. I'm sorry.
I will never do this again.
Will you please withdraw
the complaint against me?
It is a small mistake, after all.
A small mistake?
That is a small mistake?
What did he say?
He said I have a good figure.
What do you mean figure?
What is a figure?
Are women dolls? Will you sell them?
Figure, my foot.
Respect women.
Wherever you show respect to women,
gods reside there.
Phone.
Figure, my foot.
Margaret. Torture.
Grandma, hi!
Shut up.
I don't like hi's and hello's.
'Namaskar' is our culture.
'Namaskar,' Grandma.
Now you are being sarcastic. Arrogant.
Grandma, you are beautiful
when you are angry.
You will be more beautiful
in wedding clothes.
At least you marry the
man that older ones choose.
You will be happy.
The bridegroom is coming
to see you in an hour.
What?
An American bridegroom
is coming from America..
..to see you.
- Grandma!
Wait. I have a rope
and fan ready here.
If you don't come home,

I will hang myself to death.

Really?

- What?

Grandma, I will get bored if you die.

What did you say? You will get bored?

Come home immediately.

Grandma, please!

This time I'll really

die if you don't come.

Come home right now.

I don't like it when men

come for matchmaking interviews.

Huh?

I don't like the idea of

these matchmaking interviews.

Oh.

Keep watching. In another five years..

..women will go to see

men for matchmaking interviews.

Nonsense. That will never happen.

I don't believe it.

If you have faith,

even lemons can save your life.

Lemon. Citrus. C vitamin.

It is medicine for our bodies.

If you tie them to cars

and crush them on roads..

..it is pollution.

Goddess Durga!

Krishna, I have been

seeing your horoscope..

..since your childhood.

You have a good future.

That's why I came searching for you.

Listen to me.

One day.

Please don't go out this one day,

Krishna.

According to your horoscope,

today is unfavorable to you.

You will be in danger.

I came to warn you about it.

Barber! At least you tell him.

Krishna! This Swami's laptop

is very powerful. I know it.
He told me that I
won't leave my knife..
..even if I leave my gang.
I used to kill men in the past,
now I shave their beards.
He suggested that I open this shop.
Take his advice.
Not you too.
Swami, why are you
talking such nonsense?
You are showing me a horror
film in the name of horoscope.
I love you.
Barber! How much do I owe
you for not ruining my hair?
2,000 rupees.
- Is it? I don't like it. Chop it off.
I will charge 3,000 rupees for it.
You are very intelligent. Here you go.
The swipe machine is not working.
Okay, I will pay next time.
Dude!
- Yes?
Please. I don't allow credit.
The ATM is close-by.
I need money urgently to pay rent.
Go bring money.
Okay.
Don't make that face.
Tell me what you want.
Come to the temple with me.
Offer prayers to the Goddess.
Huh?
I know you don't believe in God.
But please visit the Goddess once.
If you look at her..
..with devotion,
she will take care of everything.
Please.
He will start crying
if I don't pay him.
Let me go to the
ATM and withdraw money.

Can your Goddess
wait for five minutes?
Hmm.
I didn't listen to the astrologer
that day. I didn't want to.
Chandi! Ask her if she
has left from college or not.
Tell her that she has left.
Ask her how she is coming home.
In the car.
Why are you removing
air from the tire?
I don't want to go in the car.
I'll take a share auto.
I'll get delayed in the traffic.
I can escape the
matchmaking interview.
Got it?
Today your traffic department
is on an unofficial holiday.
The wireless sets
should not work today.
And the traffic recovery
vans should go to the outskirts.
Our traffic department
has an unofficial holiday.
God! Get this matchmaking
interview cancelled.
Do something. Do anything.
Why do girls cover up their
faces like that? So silly!
They were called angels
and goddesses in the past.
But now? Gangster Queen.
Loot Queen. Bandit Queen.
I wonder where my Mango
is among these veiled women.
What a beautiful car!
Perfect car for Hyderabad climate.
I've to buy an AC car right away.
Hyderabad rains have
no discipline at all.
You are very lucky today.
Why?

Generally I don't look
at the figures in autos.
What did you say?
What did I say?
You used a word.
Fi..
Figures?
Figures?
Yeah. You don't what that means?
Generally when bad
boys see a beautiful girl..
..they call her cute,
beautiful, pretty, gorgeous.
If she is extraordinary,
they call her sexy.
Don't you know that?
What?
- What do you think of women?
If they become bold and
step into the police station..
If they file a complaint against you..
You'll be taken into custody..
..presented in the court..
..and under IPC Section 292,
298 A, 298 B, 509, 376..
..you'll be given a sentence..
..you'll be made to eat prison food..
A chili?
..you'll be made to break stones..
..you'll be made to cook food..
..finally you'll be made
to stand before the noose..
..you'll be covered
with a black cloth..
..a white rope will
be put around your neck..
..and the lever will be pulled..
Oh God!
These abuses don't suit
your personality at all.
Your abuses caused the rain to stop.
Rain stopped.
The man who will marry you..
Huh? The man who will marry me, what?

The man who will marry you..
The man who will marry me, what?
Will be fortunate.
A very lucky fellow.
It's me.
"Come, my darling."
"No one can compete with you,
my darling."
Hello!
- Hello!
You are the bride's grandma.
You are the bride's mom.
You are the maid.
In India, a servant girl. Am I right?
Yes.
If you don't mind,
can I take one selfie?
Yeah, please come. Please, come.
Thank you. We don't have
servant girls in America.
Did you come alone?
I will marry alone too.
Basically,
I have a very good sense of humor.
The whole of America shakes
with laughter if I crack a joke.
He said the whole of
America shakes with laughter.
Quiet.
Come in, wash your feet.
We don't wash in America,
we just wipe.
Anybody wants? No? Okay.
Grandma, is this for me?
Yes.
Please come.
- Let's go in.
Use tissue. It is good.
Yeah, sit down.
We use tissue for
everything in America.
Call the girl. No time. Time is money.
She will come. She will come.
How long ago did you

settle down in America?

One month.

One month?

Yes. I live for America.

I like America. I love America.

I'll bring coffee for you.

Excuse me, auntie.

No sugar in my coffee.

No salt in my snacks.

Everything should be bland,
American style.

When do you want to do the wedding?

She wants to study more.

Oh, fantastic. Then tell her to study.

I'll come later.

If I crack this joke in America,
they will laugh for an hour.

He said they will laugh for an hour.

Oh God!

Call the girl right now.

I will see her and leave.

She is not here.

She went to the beauty parlor.

Indian girls go to the
beauty parlors to attract..

..American bridegrooms.

Son!

- Yeah.

My granddaughter

won all these trophies.

Oh, fantastic.

She won this in the cycling race.

Oh, she does cycling.

Chandrababu's party. Very good.

And this is..

- Rickshaw racing.

No, chess competition.

Oh. You know what is chess?

No.

- It's played on a carom board.

If I crack this joke in America,
they will..

Laugh for an hour. Here is you coffee.

- Exactly. Auntie, you naughty.

Exactly. Auntie, you naughty.
Wow! I like Indian coffee,
Indian girls.
Call the girl soon.
She'll be back in five minutes.
I need to see five
girls and choose one.
Engagement, marriage,
and then you know what is next.
Apply for a visa.
She will come. She will come.
Anwar, tell me.
Aslam, today is 14th August.
Our independence day.
Happy freedom!
We'll meet tonight to celebrate.
Good-bye.
Good-bye.
Aslam! Redappa complained
to the authorities that..
..you are using a cell
phone inside the jail.
I have no cell phone.
He doesn't have a phone, Redappa.
Sir!
- Give him dinner.
Yes, sir.
What do you want for dinner?
I don't want dinner.
'Lunch in this Hyderabad
and dinner in that Hyderabad.'
Why can't we find bachelors
in such a big city?
Even if we find them,
they don't want to take money.
He is the right bachelor.
Sir, hello!
- Yes.
We are Gundu brothers.
Today is our grandmother's
death anniversary.
Our priest said that
we've to find 100 bachelors..
Unmarried men.

..and give them 200 rupees each.
200 rupees.
Are you a bachelor?
No.
Oh no! He lost most of it.
Let's see if we can find
any bachelors that side.
Hello! Are you a bachelor?
Yes. You?
What is wrong with him?
- Brother, shall we give him 200 rupees?
You both come with me.
I'll give you 400 rupees each.
He will give us 400 rupees.
Shall we go?
Idiot! You'll sell
yourself for 400 rupees?
Let's go that side. Let's go.
'No matter how much
I tried to go away..'
'..I was forced to
wait beside that auto.'
Unbearable heat.
Hello!
Driver! Arrange an AC
in your auto immediately.
Otherwise some girls may
file a complaint with the police.
There is a chance of
getting hanged also, you know.
Sister, please give us five rupees.
It is wrong to beg for money.
Yes, you shouldn't beg like this.
Madam and I will donate money online.
That's the trend now.
Hello! Note down chemistry syllabus.
Figure No. 3.14.
'Figure?'
Figure No. 4.6. Figure No. 4.7.
I'm not with them.
They are doing some homework.
Figure No. 16.8.
Continue your homework. Continue.
Figure No. 4.6.

Figure No. 24.3.

Figure No. 17.2.

Hello!

Grandma, how many times will you call?

I'm coming.

Coffee.

Take it. Take it.

Thanks.

'They are trying
to kill me with coffee.'

Tell me.

- Where are you?

All the ATMs are out of order.

I'm going across the flyover.

Okay, come soon.

Barber!

- Yes?

I want a smooth shave.

Very smooth. Do you have a plan?

I have a ball.

- What for?

Put it in your mouth
and move it around.

I will give you a smooth shave.

Don't you have any other color?

Same color and same ball
from the past five years.

What should I do if I swallow it?

Do the same thing that
the previous one did.

What did he do?

He brought it back the next morning.

"Beggar!"

Mummy, give me one rupee.

Daddy, give me two rupees.

Uncle!

- Get lost!

Madam, is he your bike driver?

She is my wife.

Was it a love marriage?

Yes.

Oh, Gods are crazy.

Sir, give alms.

I don't have cash, I have a card.

Oh God!
I stopped this side,
you stop that side.
You remember the plan, don't you?
Hey..
What the..
'Something or the other
kept happening every minute.'
'I still had no idea what
danger I was going to face.'
"I'm the shadow that follows you."
"I'm the dream that
occupies your thoughts."
"I'm the shadow that follows you."
Hello!
'Why is she haunting me like a ghost?'
I didn't abuse.
I didn't abuse you,
the traffic jam, you know.
What is this nuisance?
Mind your business, old man.
Hello!
Don't you guys know
that you shouldn't honk..
..when there's a traffic jam?
You!
Body builder brothers!
You don't know this madam.
If she gets angry
and goes to the station..
..91.1, 92.7, 93.5, 98.3,
she'll book you under those cases..
..put you behind bars,
make you eat prison food..
..and then hang you to death.
What's that saying?
Wherever you show respect to women,
gods reside there.
Otherwise ghosts will reside with you.
I didn't mean you. I meant ghosts.
Ghosts will reside with you. Ghosts.
My doves!
'It was such a magical
feeling to see those doves fly.'

'She stopped fighting
with me and smiled.'
'I liked her smile.'
Hello! I lost all my doves.
'She put me in trouble
and laughed at me.'
'But I didn't get angry.'
'I've seen many girls laugh before.'
'But when she laughs,
I feel as if I'm laughing.'
'Whoever marries her..'
She will come. She will come.
Son, this is..
How many times have you told me?
Cycle race. Chess. Lemon and spoon.
How many times?
If you do this in America,
they will sue you.
You want to sue?
- Yeah.
The bathroom is that side.
Come with me.
Coffee.
How many coffees can I drink?
How many coffees?
If I drink anymore coffees,
it will come out of my ears.
I have to see five girls,
and choose one.
Engagement,
marriage, and you know what's next.
Apply for a visa. What is this?
Take it.
Drink it, son. Drink it.
She will come. She will come.
I will wait five more minutes.
If she doesn't come, I'll go.
Oh no! Why is there
a power cut at this time?
If this happens in America..
They will sue, right?
Exactly.
Call up and find out.
Maybe there was an

accident on the way.
Accident. A major accident.
Some vehicles were crushed.
Some were injured.
But luckily nobody lost their lives.
We thought it was a natural accident.
Nobody knew that there
was somebody behind it.
Ready for blast.
Nine.
Eight.
Seven.
Six.
Five.
Four.
Three.
Two.
And yes!
Where is Khayum?
Khayum! Where are you?
What happened to you?
Where did this rascal go?
Khayum is not at the target point.
Khayum is not in the coverage area.
No! No!
My plan cannot fail!
My plan cannot fail!
My plan cannot fail!

This is very hot, Guru.
Thank God! Nobody got hurt.
So, God saved everybody, right?
God is..
Don't hang me again. Please.
Cigarette.
You want one?
I hate smoking.
Oh.
- Smokers too.
I see.
Cigarette has fire on one
side and death on the other side.
You are inhaling your death.
Really?
Is it alright if I
smoke it from this side?
Not just the ones
who smoke cigarettes..
..but even the people
around get cancer.
By any chance, are you a news reader?
No.
You are a news reader, right?
No.
- Then?
I won't tell you.
Wait.
This is your first
rickshaw ride, right?
No. I take rickshaw every day.
That's a lie.
What is the truth?
I can prove it.
Responsible Leadership by Mark Moody.
MBA Business Communications.
Third semester. 5 million is the fee.

A college that only
filthy rich people study in.
You guys are so rich
that you can drive a car..
..that matches your clothes.
And in order to maintain
the pedicure on your legs..
..the manicure of
your hands and waxing..
..you need to go around in an AC car.
And most importantly,
you are wearing..
..an extremely expensive
designer dress.
It is so expensive that you
can buy this auto with that price.
Did I get it right?
Really? Then why did
I get into a rickshaw?
That's the thing.
Car accident?
Maybe your car had a flat tire.
But upper class people
like you throw a party..
..if you have a flat
tire and go in a friend's car.
Either you caused the
flat tire or you lied about it.
For what?
Betting. To fool someone.
Or don't want to go home.
Prayers? Fasts?
Fire rituals. Functions. Matchmaking..
Correct. Matchmaking interviews.
You don't want to go
to the matchmaking interview.
Non-stop phone calls from home.
A lot of pressure.
So you lied for the first
time that you have a flat tire..
..and took a rickshaw, right?
Wrong.
Actually, right.
I feel like I've met you before.

Are you from here?
No. They downloaded
me from another planet.
Which school did you go to?
School..

We should not pee.

I swam through it, bro.
Why do you care?
So, the demand of
everyone here is that..
..the prime ministers
of two states should resign.
And this is their unanimous demand.
What the! Hey!

Don't fall down.
Be careful. Are you okay?

a sincere journalist..
..in the broad daylight.
Arrest him for attempted murder.
He says it is a crime to help him.
So I'll murder him.
What do you mean, bro?
- You carry on. I'll go pee and come.
Wait a minute, you idiot.
What kind of a shock is this?
Why murder me?
What is this, bro?
What is the connection between..
..this traffic jam
and the CM's resignation?
Say the truth. Don't imagine things.
These silly people.
You don't know, bro.
People are not interested
to see people talking.
They are only interested
to see people fighting.
They are not interested if
the situation goes out of control.
They are interested
if girls go out of control.
They don't watch news,
they watch nuisance.
They don't watch agriculture,
they watch ruined culture.
So we show them what they want.
Shouldn't we live?
Don't we have feelings?
Aren't we doing jobs?
Please move aside, bro.
Truth TV!
We show live and change your life.
Move aside.
Move aside. Please. Please.
Mobile toilet! Follow me. Follow me.

Truth TV is spreading lies.
There was an accident
here but nobody got hurt.
Vehicles are stuck.
Nothing more, nothing less.
I beg you in the name of my mike.
We don't have any footage
for another four hours.
We have to show this live.
I beg of you. Please leave me.
Another four hours? I can't wait.
- Hey!
I can't wait.
- Hey, wait! We have to show many things.
Hello!
- Where are you?
What happened, grandma?
Here at home..
She'll come in two minutes. This is..
You! How many times will you tell me?
How many times?
This is from the cycle race.
This is from the chess competition!
And this photo was
taken when you got married!
The photographer is your uncle's son!
Now he is a famous
director of TV serials!
Your favorite serial
is 'Mogali Rekulu.'
Your daughter in law likes
the serial 'Bangaru Kutumbam.'
And this woman, your servant girl,
her name is Chandi Rani.
1,500 to clean the
house and do the dishes.
100 rupees extra to iron
the clothes and fold them.
She does the dishes twice a day and..
..cleans the bathroom once a week.
You shop for the groceries
at More Supermarket.
Your preferred kind
of rice is Sona Masoori.

But you don't eat rice at night.
You eat 'chapathis.'
When your late husband
was alive he used to say that..
..the 'chapathis' you
make are as light as cotton.
Since your son went
in for a love marriage..
..without your consent,
you dislike your daughter in law.
So you decided to go
for an arranged marriage..
..for your granddaughter,
so I came down from America.
How many times will you tell me?
How many times?
Coffee.
Darn coffee!
How many coffees will you give me?
How many?
I will tie this wedding
chain in your neck. I will tie it.
Leave me. Let me go.
Oh God!
I don't care about the age.
I will marry you, take you
with me and start my married life.
Let me go. Let me go.
Hello!
- Grandma, watch me live in Truth TV.
The bride came. She came.
Leave me.
She came? Where?
In the TV.
TV? Come on.
Where? Where?
There!
Where? The one sitting in the auto?
Yes, that's her.
Hello! Talk to the groom.
Why didn't you adorn
your forehead with a dot?
Arrange your hair. Feel shy.
Oh God! When you feel

shy you should bend your head..

..don't lift it up.

Yes, that's it. Now smile.

Here, talk to him.

Take it.

Hi!

Hello!

This is Babu. Dora Babu from USA.

This is a strange

matchmaking interview.

I can see you. You can't see me.

You are so beautiful. I love..

You can talk to her.

- Listen to me.

Sing that song for the groom.

I'm giving him the phone.

No. My future wife

shouldn't sing in public.

She should sing in

my room just for me.

Don't sing. Just talk to me.

Great Telugu people!

They will say anything they want.

Given a chance,

they might even demand that..

..American President

Obama should resign..

..because of this traffic jam.

Obama should resign!

The wedding chain is ready.

When shall we get married?

Who is he? He's touching my heroine!

Who is that guy?

Why is he so friendly with you?

The bridegroom has become suspicious.

Look towards the camera

and say 'Obama should resign!'

Yes. Yes.

- Obama should resign!

I'm cancelling this proposal!

You are cancelling this proposal?

Thank you. Thank you.

'Many girls hugged me in

the past but I felt nothing.'

'But when this girl hugged
me I felt like I hugged myself.'
'I don't know who she is,
but she is disturbing me.'
'Confusion. Worry. Tension.'
'My life is getting
stuck like a damaged CD.'
Hello!
What? That girl hugged you?
"If a girl hugs you suddenly.."
"..that is definitely love."
Swami! You scared him
that he will face some danger.
But now that girl hugged him.
You proceed, buddy.
Shut up! I don't know
who she is or where she's from.
And you are..
Sister, three flags for
just 10 rupees. Please buy them.
I'll give you 20 rupees
but I don't want the flags.
Why, dear?
When I was little,
one boy in school gave me a flag..
..and said he loves me.
'My Mango. I thought she's
a disturbance until now.'
'But she's not a disturbance,
she's my destiny.'
'I feel like my heart
came out to talk to me.'
'This is an old memory,
not a new meeting.'
Buddy!
- Yes?
She is my Mango.
- Which mango?
Mango, my childhood friend.
What are you saying? Is she the girl..
..you've been waiting
for all your life?
Yes.
"That's definitely love."

"That's definitely love."
She doesn't have
a good opinion about me.
Then take the love test.
What love test?
Wish for impossible things
to happen on the flyover now.
If they happen, you proceed.
'Love test.
If this streetlight comes on..'
'..in the next ten seconds,
I'll know that she's my future.'
'But streetlights don't
come on during daytime.'
'This streetlight should
come on to convince me.'
The streetlight came on?
If the streetlight came
on as soon as you wished for it..
"..that's definitely love."
"That's definitely love."
No. I will ask 100 rupees
from someone I don't know.
If he gives it to me,
then I will be convinced.
Boss!
- Yes?
If you don't mind,
will you give me 100 rupees?
Are you a bachelor?
Yes.
Then take 200 rupees.
Buddy..
If he gave you 200
rupees when you asked 100..
"..that's definitely love."
"..that's definitely love."
Final test.
'If the dove sitting
on her shoulder..
'..comes flying to sit on my shoulder,
I'll be convinced.'
"My heart is soaring high."
"My heartbeat has magically

turned into love."

"The perfect time has come."

"Is this really happening
or is it a dream?"

"Am I really seeing you
like in our old memories?"

"My heart is jumping
with joy like a child."

"My heart is soaring high."

"My heartbeat has magically
turned into love."

"The perfect time has come."

"This is a wonderful miracle."

"My heart is flowing
like the river Yamuna."

"I'm hearing the flute
like the Goddess Radha."

"Just like Jatayu helped
Lord Rama to find Sita.."

"..the dove helped
us to find each other."

"Which sculptor should I turn into.."

"..to sculpt these
words onto my heart?"

"You came to me like
light in the darkness.."

"..and changed my destiny."

"How can I describe
what a miracle this is?"

"My heart is soaring high."

"My heartbeat has magically
turned into love."

"The perfect time has come."

"This is a wonderful miracle."

"The rainbow has only seven colors."

"But my eyes are able
to see thousands of colors."

"This world has only seven wonders."

"But our love has countless wonders."

"Heaven is my abode
now and moon is my smile."

"I belong to you now."

"And this amazing
happiness belongs to me."

"I want to share my life with you."
"My heart is soaring high."
"My heartbeat has magically
turned into love."
"My heart is soaring high."
"My heartbeat has magically
turned into love."
"The perfect time has come."
"This is a wonderful miracle."
'One hour has passed
since the traffic jam.'
'Nobody tried to clear it.'
'Almost everyone on the
flyover was complaining.'
'Except me.'
'I felt as if this was
happening to bring us together.'
'I'll go courageously
and tell her who I am.'
Who are you?
I have some bad news for you.
What is the bad news?
Your love is a failure.
Huh?
- Yes!
I have seen many lovers in parks,
parked cars..
..traffic and temples.
There has been a
traffic jam for so long.
Everybody is worried about going home.
But you are looking at that girl.
I saw that, you know.
Lovers and beggars are the same.
You beg and plead to fall in love.
After falling in love,
you beg for that.
For what?
For marriage.
Did you think I meant that?
No.
But your love is a failure.
Don't say that again and again.
I will prove it to you. One minute.

English medium!
This cute boy, that beautiful girl..
..is their love a failure
or a success? You decide.
Fail!
Why do you say that?
Does she have your number?
- No.
Do you have her number?
E-mail ID? Facebook ID?
Wow! Even Manchu Laxmi
can't speak English like you.
I will handle it.
Do you have any details of her?
Guys like you are like focus
lights before falling in love.
But after falling in love,
you turn into tube lights.
Your love is a failure.
Don't say that.
Should I ask for her number?
You shouldn't ask for a girl's number.
Psychology.
Just give her your number. Bikology.
If she calls you,
your love will be a success.
Otherwise it will be a failure.
If you don't give your number
to her now, your love will fail.
I will do something.
Hi! There is a famous
movie company in Bombay..
..called Rajashri Productions.
It made money using doves like you.
You should help to unite us too.
Yeah!
Darn!
You betrayer!
You help people in north
but betray people in south.
Once the traffic is cleared,
the dove will fly away.
The girl will go home and
your love will be a failure.

'Courage and confidence.
My characterization.'
'But now I became a
coward like other lovers.'
'I've to give her my number,
but I'm filled with..
'..phobia,
tension, stress, and expectation..
'..many emotions all at once..
'..maybe that's why it
is called a magical connection.'
Swara!
I want all details about this number.
Anwar! What happened?
What are you thinking about?
Sir, we caused the accident.
We want money.
Ask for the money.
We are getting late. Let's go.
Sir, we are in a hurry.
Are you in a hurry too?
No, sir. Today is a holiday.
Details.
Anwar! What is going on?
What will you do?
Our plan hasn't failed.
Our plan hasn't failed, Hussain.
It has failed. Our plan has failed.
Cancel the operation.
It is an order from the high command.
Cancel the operation.
- No!
Our plan will be executed.
What are you talking about?
We shouldn't go.
We don't have the orders to do so.
Nobody can hear our voices.
It is a remote operation.
How will it happen?
It will happen.
Our plan will work. My plan will work.
We don't have our trained
professional Khayum.
He is gone. Who will do this work?

It is a huge operation.
Who will risk his life for us..
..and do such a dangerous thing?
He will do it.
Why will he do it?
Anwar will make him do it.
Who is that?
Is it you? Who is flashing the light?
Hey! Hey! Who is flashing the light?
Who is it?
Who is flashing the light?
I'm flashing that light, bro.
Who are you?
Sorry. I will stop it. I will stop it.
You've been trying to impress
her for the past two hours.
You got angry when I flashed
the light for a minute..
..so you really love her, bro.
True love, huh?
Who are you?
I'm your fan, boss.
I watched your love story.
The highlight was when
you released the doves.
Where are you?
In a bus or in a building?
Did you confess your love to her?
No. I gave her my number just now.
She will note it down..
..remember me and call me later.
Then one fine day..
You don't have all that time,
you fool.
I will kill that girl before
the traffic jam is cleared.
Good joke of the millennium, brother.
I laughed.
Are you happy?
Is this a new reality show?
Which channel? Where is the camera?
You have to believe me.
I will convince you. Convince you.
Okay, convince me. Convince me.

Look at the auto.
I'm looking at the auto.
I'm looking at it.
What do you see?
I see a dove.
It is walking to and fro.
It is scratching its leg. What now?
Sorry, bro.
Hey, stop!
I will kill that girl
if you tell her the truth.
The dove.
Don't be scared.
It suffered an electric shock.
Throw that dove.
Walk away from that girl.
Stop!
That is not a dustbin.
That's my office.
Keep it aside. Keep it aside.
Do you believe me?
Good boy.
Do as I say if you
want that girl to be alive.
What should I do?
Do as I say if you
want that girl to be alive.
What should I do?
'I was supposed to make
my dream true and win my love..'
'..but that shattered
with just one phone call.'
'My Mango should be safe.'
'That's the only
important thing to me.'
What is it? What is the job?
Where are you?
What should I do? Who are you?
Why do you want to kill her?
Easy. I will tell you.
I will tell you everything.
So, you are a Guevara fan?
Did you see my Facebook page?
I'm not in your friends' list.

Where are you?
Don't doubt that he is not here.
Anwar God is everywhere.
You are my team.
I'm the captain, you are my player.
You play,
but I'm the one who controls you.
You are the ball, I'm the foot.
Here are the game rules.
Rule No. 1. That girl should
not get down from the auto.
If she does, I will kill her.
Rule No. 2. You should do as I say.
Otherwise I will kill her.
Rule No.
3. I didn't decide it yet, bro.
If you do the job well,
I'll cut the call and let you go.
What about my salary?
Salary?
Rule No. 4.
You should not joke with me again.
The accident took place
at 11 o' clock this morning.
Now the time is 6 o' clock.
Not even a single
vehicle has been cleared.
We have a brother here.
Let's ask his feelings about it.
What is your feeling, brother?
Sir, are we live?
- Yes.
Latha, I bought vegetables.
I bought a sari for your mother.
I bought a night dress for you.
I'm coming home.
Wow, the nigh dress is good.
How much did you buy it for?
400 rupees, sir.
Wow, superb.
Did you see that?
A caring husband bought..
..a night dress for his wife.
A question for the audience.

What is the price of this night dress?
Mobile Toilet! Take!
Brother! What are you
doing with those wires?
Some guy called me up and said that..
..he will kill the girl in
the auto if I don't do as he says.
What a good joke! Let's go.
In India, nobody believes
you when you tell the truth.
Do the job.
No, mom. Electric shock. Poor dove.
Did dad come home?
No, dear. He is very busy.
Did you tell him?
About the matchmaking interview?
Or, about your love story?
What love story?
Mom! Hello, mom!
Don't get over-excited.
I just met that guy here.
To escape the matchmaking interview..
Just to escape the
matchmaking interview..
..I pretended to be close to him.
I'm your mom. And moreover,
ours was a love marriage too.
I know. You eloped and got married.
But mom, please.
I'm telling you the truth.
I just met him here.
I've been enduring you
for the past 21 years. Okay?
I've never seen you hesitate so much..
..while talking about boys.
Okay. Is grandma still
there or did she die?
She watched 'Bahubali'
four times since morning.
You haven't had a single
sip of Thumbs Up since morning.
Eat these biscuits at least, madam.
Why are you still
gathering those sticks..

..without listening to me?
Do you think I'm a crazy
lady to gather sticks, Kitappa?
I'm making a funeral pyre,
a funeral pyre.
I raised her up with so much love.
See, madam.
Archimedes principle indicates..
..that the upper buoyant
force that is exerted on a body..
..immersed in a fluid,
whether fully or partially submerged..
..is equal to the weight of
the fluid that the body displaces.
This is the law of physics.
What does that mean?
These sticks are not
enough to start a bonfire..
..to warm your body.
How can they be a funeral pyre to you?
You die your death.
I'm going to have food.
The old woman is acting very silly.
Don't come home yet.
One more important thing.
Listen carefully.
What is it, mom?
That boy is very handsome.
'For my Mango, I blindly
did everything he told me to do.'
Hello!
- Congrats!
The bridegroom is very handsome!
It got cancelled.
Not at home. On the road. The Romeo.
We saw you on TV in the hostel.
The hugging scene was superb.
You are getting it wrong.
Do you know who he is?
Who is who?
Who else? The one you
are romancing on the road.
You go around announcing
to the whole world that..

..he gave you a flag
and said he loves you.
He is the same flag boy.
Your childhood villain.
How do you know that?
I don't know how
he got my Facebook ID..
..but he has been killing
me with his friend requests.
He has been asking for
your details and pestering me..
..with messages to at least
share your photo with him.
He didn't see you because
I hid my friends' list.
Oh. I thought I had
seen him somewhere.
Is it really him?
What's that reaction?
As if you found a long
lost childhood lover?
You dislike him, don't you?
I mean.. Actually that day..
Mango!
I don't want this silly,
stupid, pathetic life without you.
God! Is this fair?
He did a lot of overacting
like a Tamil movie hero.
Poor fellow. He is a good guy.
But his big brother ruined everything.
What is this shocking twist now?
Did he recognize you?
I don't know. He was staring
at me a little while ago.
But now he is walking here and there.
He even tried to give me his number.
He is acting weird.
I think he is feeling shy to face me.
Then do a love test and proceed.
Love test?
Tell him that you'll get
down from the auto and leave.
If he tries to stop you,

he has feelings for you.
If he gets confused,
baffled and stammers..
..while speaking to you,
you will know it for sure.
No, no, no. Wait, wait, wait.
I have to think. I'll call later.
Traffic News! Live on the drive!
Oh God! The traffic jam
has been going on for so long.
The traffic has been
stuck for many hours now.
Please, sir!
Traffic police! Please respond!
Many people are stuck there.
They have to go home.
Please respond and clear
the traffic there. We'll be happy.
Keep listening to
Radio Mirchi 98.3 FM.
Hello, can you hear me?
What should I do next? Hello! Hello!
Yes. Yes, I heard you.
Cross the divider.
Hello!
What? You think you can
just bump into it and walk away?
It is a new car.
Dr. Ajanta. A veterinary doctor.
From Padmarao Nagar.
Sorry.
Sorry, my foot.
The British taught
you sorry before leaving.
Whether you scold, punch,
or dash into someone just sorry.
When I go home and ask for food,
my wife says sorry.
I don't have children because
of this word sorry, you know.
Get lost.
If the second wire gets disconnected..
..the toggle switch will
go off and power supply will be cut.

So, connect it carefully.
What is this guy doing here?
Hello.
Why are you touching those wires?
Don't touch the wires!
Dr. Ajanta.
Veterinary doctor from Padmarao Nagar.
Stop it. I will call the police.
Give him the phone.
What is that?
Bluetooth.
- Why is it black?
My big brother is on the line.
Talk to him.
Big brother on the line.
Little brother in prison.
Dr. Ajanta.
Veterinary doctor from Padmarao Nagar.
What is it?
Who are you?
- Huh?
You idiot! Rascal! You..
Are you done?
Shall I tell you some breaking news?
I don't understand Hindi at all.
Huh?
- Should I start in Telugu? Now listen.
How was it?
Pure Telugu hot and spicy abuses.
Very good.
Abuses in other
languages are different.
What is this comedy?
Telugu abuses are
like music to my ears.
I think I won't get cancer
if I hear Telugu abuses..
..for half an hour every day.
I like you.
I don't like you.
Let us compromise. Let us be friends.
Take my address. Come,
let's each 'Chicken Biryani.' Come on.
No. I'm a veterinary

doctor from Padmarao Nagar.
I love animals, I don't eat them.
You have to eat.
You might be his big brother
but you are nobody to me.
I'm actually BP.
BP? 'Bahu Bali' Producer?
Best Person.
But if you mess with me,
BP means Bad Person.
If you are BP, I'm VP. Very Powerful.
With regards to chicken also I'm VP.
Very Particular.
I won't eat it.
- If you don't eat 'Chicken Biryani'..
..my little brother
will shoot you with a gun.
He'll shoot me with a gun
if I don't eat 'Chicken Biryani'?
What? For 'Chicken Biryani'?
He doesn't have a gun. No gun.
I will arrange the gun.
If you don't say yes
to eating 'Chicken Biryani'..
..you'll be responsible
for the terrors and consequences..
..that are going to take
place on the flyover in ten minutes.
Announce it on TV 9.
Will you shoot me with a gun,
stab me with a knife..
..and crush me with a bomb?
Dr. Ajanta.
Veterinary doctor from Padmarao Nagar.
Tell that to your big brother.
You don't understand what is going on.
What is it?
- Go away.
What is going on?
He is the big brother
and you are the little brother.
They will shoot me if
I don't eat 'Chicken Biryani.'
I'm from Padmarao Nagar.

Are you giving him a hint?
I'll kill you!
There should be comedy
in a hero-comedian scene.
The story should progress
in a hero-villain scene.
You proceed.
By the way, there is a cross
mark on the divider to the left.
There is a gun there.
Use it if necessary.
Hello!
You failed once.
This is your last chance.
That was Khayum's fault.
It won't fail this time.
You have time until 12 am.
It will be done before 12 am.
Mom! I'm stuck in a traffic jam.
Dad and you have dinner.
Don't wait for me. Okay?
'Do a love test and proceed.'
'Love test?'
'If he tries to stop you,
he has feelings for you.'
'Will he stop me if I say
I want to leave? What if he doesn't?'
'He will stop me.'
Hey! Your girlfriend
got down from the auto.
Don't let her go! Stop her!
Hello, stop!
Hello, excuse me!
I have to go home.
Please don't go.
Why?
- That's it.
What?
I mean, once the traffic jam clears,
I'll drop you on my bike.
Please sit in the auto.
But I've been sitting
here for so long.
I'm thirsty.

Should I bring water
for you from somewhere?
I drink juice at this time.
Juice?
One minute.
Juice for you.
Sit in the auto and drink.
I'll be right back.
It's not about the juice.
Cigarettes. You hate smoking.
I'll never smoke.
Promise. I won't smoke again.
Please don't say that you'll leave.
It's not about the cigarettes.
My shoes are pinching me.
They are new shoes, right? One minute.
Please sit in the auto.
I've to talk to you.
Not now. I'll drop you home.
That's okay.
But I've work at home. I'll go.
Please understand.
Take it as a request, or an order.
But you are staying.
You are sitting inside. It's an order.
Morning turned into evening.
Will she sit in the auto or not?
Share your valuable
opinion with the audience.
What?
- What? What a..
I say she will sit in the auto.
100 bucks.
She won't. Here is my 10.
10 rupees? So cheap!
I have no cash. I use cards.
Really? Here, swipe it.
Shankaram..
Puppy!
- Yes, Baby?
Do you think she will sit in the auto?
No, baby.
She will, Puppy.
Do you think she will..

I don't think she will, madam.
She won't.
Sir, what is your
opinion about that girl?
Girls listen to you
if you beg with them..
..but they will kick
you if you shout orders.
Very good. Well said. Now we'll ask
another gentleman. Sir, your opinion.
I'm Dr. Ajanta.
Veterinary doctor from Padmarao Nagar.
Free publicity as soon
as he gets a mike in his hand.
Padmarao Nagar is
not in our zone. Go away.
Listen, brother.
Why is he leaving?
'Satyabhama! You don't like orders.'
'And a man ordered you to stay.'
Don't stay.'
She listened to you.
She sat in the auto.
I think she likes you, boy.
Girlfriends listen, but wives don't.
I didn't stay because he told me to.
It's a long way to walk.
My feet are aching.
Both the feet are aching.
Why is his phone busy for so long?
If you are able to get through,
tell him to come home.
I'm going to offer prayers.
Barber! Why is it
burning after the shave?
I offered to do it with the ball..
..but you opted to get
it done with an apprentice.
Hey! See if there is any cut.
Just a minute.
I have very sensitive
skin like Mahesh Babu.
There's no cut.
What is this?

We would've seen bubbles
if there was a cut.
Bubbles? What was your job before?
I mended flat tires.
Flat tires?
- Go inside.
Wipe your face.
I did what you asked me to do.
Can I leave now?
Where will you go? To the graveyard?
What happened now?
Stop acting! How dare you cheat me!
How dare you cheat Anwar!
- When did I cheat you?
What did I tell you
to do and what did you do?
I asked you to do
what I tell you to do.
Why did you do extra things?
What did I do?
What did you do? What is Rule No. 1?
That girl shouldn't
get down from the auto.
What is Rule No. 2? Just do as I say.
Why did you do extra things?
What did I do?
How do you spell danger, my boy?
It is not D-A-N-J-E-R.
It is spelled G-E-R. G-E-R.
Situation in danger! Need police help!
You need police help?
You need police help?
'The slip that I gave the
police is in his hands now.'
'Even the police
are involved in this.'
'This is not a small game.'
Should I shoot her, you fool?
No, please listen to me..
- Say sorry. Say sorry.
Don't harm her.
Okay, okay, sorry, sorry, sorry.
Sorry! Sorry!
You fool!

Do you know what you did till now..
..to save your girlfriend?
What you connected is
more powerful than BLU-82 bomb.
You connected three bombs like that.
I have the remote in my hand.
If I press the button..
And also, you connected
the electrical circuit..
..in the flyover circle
to high-tension wires.
Brother, give me some water.
Hey! You can't drink water!
Give it back!
If you want everyone to live,
follow the rules..
..don't let that girl
get down from the auto.
Excuse me! I'm leaving.
Darn! Hey!
Ask her to sit inside.
- Sit inside!
What?
- Sit inside! Sit inside!
What are you saying?
Shut the hell up and sit down!
Please. Please understand.
I will explain later.
Please sit inside.
Please try to understand, please.
What's wrong with you?
- It's much bigger than you think it is.
Stop her.
- Hey.. Hey..
Please, I beg you.
Please sit inside. Please.
Hey! Why don't you understand?
I said sit inside!
Please! Hey! I will not let you go!
Hey!
Are you hurt? Please, listen to me.
Please. Please don't make me do this.
Please understand.
Please go sit inside, please.

Disgusting!

She should be in the auto in three minutes.

- Oh God!

Hey..

Why are you harassing her?

How dare you hit my man!

You!

"A brand new war inside the border."

"A war that I'm waging with myself."

"Time threw a net over me."

"My words and my anguish
are nothing but silence."

No! Don't leave!

No!

Please!

"My childhood love sprouted
new tender leaves."

"But death is standing
ready to shoot it down."

"My heartbeat is wavering."

"An invisible enemy is injuring me."

"I won't give in to fear till the end.

I will stand my ground."

"I won't take a back step.

I will be your armor."

"I'm a friend, not an enemy."

"I can't bear to
see tears in your eyes."

Good. You brought her back
in three minutes. Very good.

But there is a surprise.

Many are coming to beat you up.

They will try to get
her out and send her home.

But if she leaves..

Can you feel the pressure, bro?

Press the ring finger
of your left hand. Acupressure.

It will alleviate the pressure.

Your brain will work well.

Let her go! Can't you hear!

Let her go immediately!

What a timing, bro!

Come on! Come! Come on!

'My little brother will
shoot you with a gun..''
'..if you don't eat
'Chicken Biryani..''
No! Run! Run!
He was alright till now.
We thought it was a love story.
Why did he start an action
movie all of a sudden?
Who will come now? Come on!
Turn around!
I shot him but they
think that you did it.
Everyone is scared of you!
Look at them.
They are running towards
the electrical fencing.
The electrical grid will come alive.
They will turn to ashes
if they touch it. They will die.
Let's go! Let's leave! Run!
It is not safe here!
Let's go! Come on, hurry up!
Everyone running stop right now!
The flyover has an electrical grid!
You will turn to
ashes if you touch it!
Sir, it is me Achari.
A man has a gun here on the flyover..
Radio Mirchi 98.3 FM.
This is very hot, Guru.
An important announcement.
On the Hi-Tech City flyover,
an unknown man..
..is threatening everyone with a gun.
We have information that
he just shot an auto driver.
And at the same time,
many are running around in fear.
Since the electrical grid is on,
they are not able to come out.
Don't panic.
Continue listening to Radio Mirchi
98.3 FM. This is very hot, Guru.

Sir! Should I bring dinner?
I said I don't want dinner.
A young man is threatening
everyone with a gun.
We suspect that he's a chain snatcher.
Everybody is very fearful
of the weapon in his hand.
He formed an electric fence.
He is trying to kill everyone.
Breaking News!

Bomb-like News! Flashing News!
On the Hi-Tech City flyover,
a young man has a nug..
What's a nug? What's a nug?
I clearly mark all the commas
and full stops in the para.
I wrote it down. What's a nug?
Every man tries to correct
the language of others..
..but he doesn't
know what he is doing.
He just thinks he knows it all.
I can't do this anymore.
He's a terrorist.
He's a bloody terrorist.
We have evidence.
We can prove it to you.
We received information
that Madhapur ACP Durga..
..will be able to reach there.

ACP Durga!
Police department here!
Hello!
A police officer
is here to talk to you.
Come to the wall. Come on.
What are you demands?
My demands?
You fool! This is the real job!
Repeat after me.
Home Minister.
Home Minister.
Police Commissioner.
Police Commissioner.

Immediately here.
Should come here right now.
Then I will tell them my real demands.
Otherwise I will kill
the Home Minister's daughter.
Otherwise I will kill
the Home Minister's daughter..
Home Minister's daughter?
Home Minister's daughter.
The girl you love, bro.
She was coming in Audi Q7 car.
We followed her and trapped her.
She got into an auto.
We created this traffic
jam to block your friend..
..create mayhem and
make this news bigger..
..so that we can
execute our actual plan.
It's okay, Laxmi. She will be safe.
Home Minister's daughter
is stuck on the flyover.
Let's find out his feelings on this.
Home Minister sir!
Your daughter is stuck there.
How do you feel about it?
Your daughter is trapped
in the traffic there.
What is your response, sir?
Sir, please tell us.
Tell us, sir. Please, sir.
Whether it is a minister
or a celebrity..
..they are just parents
to their children.
How do you feel if something
happens to your children?
Same. I feel the same way.
As a state Home Minister,
I know my responsibilities.
Home Minister and
Police Commissioner..
..will be here in 20 minutes.
Don't harm anybody until then.

Home Minister and
Police Commissioner..
..will be here in 20 minutes.
He demanded that the Home
Minister and Commissioner..
..should come to the accident spot.
Did you notice this?
Home Minister's daughter..
..goes in a car every
day but she took an auto today.
Why?
Look! Don't telecast
baseless news like the others.
We should show only facts
in our Bhaarat Today channel.
What? All this is happening because..
..you refused to
eat 'Chicken Biryani'?
Yes, brother.
If you refuse to
eat 'Chicken Biryani'..
..you'll be responsible
for the terrors and consequences..
..that are going to
take place on the flyover.
Will you die if you eat it?
We can all live if you eat it.
I'm an animal doctor. I love animals.
I promised my wife and
the woman next door too.
Animal doctor, my foot.
People are dying here..
..and you say you promised your wife?
Why don't you just eat the 'Biryani'?
I can't, brother.
- You have to.
You have to.
- I won't.
Beggar man!
Sing a motivational
song to inspire him.
Okay.
"Here comes a golden hen.
Hey, baby! Hey, baby! Hey, baby!"

Stop it! Stop it!
Brother, I realized my duty.
I will save everyone.
I will eat 'Chicken Biryani' for them.
- Eat it.
Go and eat it soon.
Otherwise if the Commissioner..
..and Home Minister arrive,
it will be a disgrace.
Go, hurry up. Go eat it.
- I will eat it.
Peace.
Brother, war is over. Peace.
The matter is cleared.
You can go. Clear the traffic.
Inspector madam! The show is over.
Go deal with drunk and drive cases.
Is your big brother on the line?
Bro, I have taken a decision.
I'll eat.
Eat what?
'Chicken Biryani,' bro.
Get lost.
Why is he not
appreciating my sacrifice?
Mutton.
Is mutton okay, bro?
What?
Fish.
Fish. France.
Is a dog okay, bro?
I will shoot you.
I'm leaving.
- Oh God!
Khayum!
Khayum! Why didn't
Khayum go to the flyover?
I went there.
I went there as Anwar told me.
I went to the flyover.
But the India they described was different.
The India I saw was different.
The one with faith is a true Muslim.
Today you became

a true Muslim, Khayum.
Even Quran teaches world peace.
Not just today,
Hindus and Muslims have been..
..living together for centuries here.
Since Lord Balaji married
Bibi Nancharamma..
..all Muslims in Kadappa
view Lord Balaji..
..as their son in law
and go to worship him.
There's a Durgah inside
Lord Shiva's temple in Vemulawada.
There we can see the wonderful sight..
..of Muslim leaders blessing
Lord Shiva's devotees.
Under one of the
'minars' of Charminar..
..there is a small temple
for Goddess Bhagyalaxmi.
The Charminar that
observes Bakra Eid..
..worships Goddess Laxmi as well..
..and sparkles in the
dazzling lights of 'Diwali.'
Since the daughter of a
Delhi Sultan worshipped Vishnu..
..people still worship her as..
..'Tulukka Nachiar' in Srirangam.
No Hindu priests or Muslim
religious leaders objected to it.
The Goddess' temple
in the Golconda Fort..
..and the 'Bonalu' festival
that is celebrated there..
..show our religious harmony.
Moreover, Lord Ayyappa's devotees..
..who do the worship
rituals for 41 days..
..first stop at Vavar
Swami's mosque on their way.
A religion should unite, not divide.
Sacred War is the war
we wage with our enemies..

..to save our people.
But if that war is killing
our own people, it is not a war..
..it is a massacre,
deception, politics.
They are using religion and caste to..
..fool and provoke innocent
students like you..
..for their own selfish
political gains.
Only for political gain.
India is not a country.
It is a message of religious unity.
It is a haven of freedom and peace.
We can't come here unless
we do a lot of good deeds.
I will correct my mistake, uncle.
We can't see his face clearly, sir.
We suspect that he is from Al Qaeda.
No, no. Al Qaeda,
ISIS and IM members..
..use face masks and AK47 guns.
They are in constant
touch with phones.
But only one man is doing it.
This is something new.
Sir, we can see the terrorist's face.
Darn!
What happened to sir?
Do you know who he is?
Sir's own little brother.
Little brother?
Waste fellow!
Whatever team you are in, it loses.
'Everyone believes me,
but my brother doesn't.'
I don't believe it. I don't
believe that he is doing it. No.
Impossible!
Sir, your brother's friend Venu.
Brother, I saw it on TV just now.
I'm at the saloon now.
I don't know what's happening.
His phone has been

busy for a long time.
His phone is busy.
He is taking instructions.
Trace the number.
Someone is threatening him to do this.
This is a remote operation.
Rammohan sir!
I need to tell you something, sir.
It is about the flyover hijack, sir.
We have no updates from the flyover.
Since he came to our
studio without an invitation..
..let's listen to this man.
He needs no introduction at all.
Health is very precious to me.
Eat raw. Stay green.
Eat grass. Stay virtuous.
Do you know where the
first bomb was created?
Where?
- In our stomach.
We stuff ourselves with
fast food saying that it is tasty.
Then there's a blast in the bathroom.
That is terrorism.
According to me,
terrorism is a food related disease.
What we eat defines who we are.
We are like this if
we don't eat anything.
Goats that eat grass climb mountains.
Humans that eat goats
climb hospital beds.
Don't hate vegetarian food.
Eat sprouts.
How does a roasted
chicken leg look like?
The one who eats it will hold a gun,
not your feet.
Will he hold your feet? You tell me.
I have a doctor appointment.
Show this on prime time.
Okay.
Sir!

Dinner is ready.
You!
Give way. Please cooperate.
Do you know who he is
and what his demands are?
Please tell us, sir.
- Your daughter is safe, sir, as of now.
We are not able to reach
her because of electrical fencing.
Give way. Try to understand.
Home Minister and
Commissioner are here.
Tell us your demands.
Tell them. What are your demands?
My original demands.
My original demands.
In the jail...
Sir..
What is it?
Save that driver. He will die.
Shut up! Tell my demands!
I did everything you asked me to.
It is not right to let
a man die in front of your eyes.
Please save him.
Tell them my demands. Tell them.
I won't. I won't.
What will you do? Will you kill me?
Will you blast the flyover?
Do it. We all will die together.
I will tell them your demands
only if you save the driver.
Idiot! He is acting stubborn.
Otherwise do whatever you want to.
Okay.
'I thought he will never
agree to save the driver's life.'
'But he agreed. That means
he is in some kind of stress.'
One ambulance stretcher. That's it.
We need one ambulance
stretcher right now.
I will stop the electrical
grid for two minutes.

A driver's life is in danger.
I will stop the electrical
grid for just two minutes.
If anyone tries to act smart,
I will shoot them.
Sir, Anwar told me
to place the bomb there.
I didn't feel it was right.
So, I didn't do it, sir.
Do you know where Anwar lives?
Yes, sir.
He asked for an ambulance stretcher.
Is this a new act?
You are under arrest. Surrender.
What? You crawled
behind the stretcher?
Are you the hidden third lion?
Don't you know when
to act like hero Sai Kumar?
Ask them to leave right now.
I'm switching on the electrical grid.
Take him.
Darn! Have you gone mad?
Why did you send police without
understanding the situation?
You don't know anything..
..and you don't try to find
out or understand the situation.
You just mess up everything.
Okay, okay, okay.
Cool. Tell them my demands.
I will tell them, sir.
I will tell them.
Your words are commands, not demands.
They are fools. They sent police..
..without understanding the situation.
Do you know how many
lives are in danger here?
Why are you sending police?
There is a BLU-82 bomb here.
It is so powerful that one is enough..
..to destroy the
whole of Hi-Tech City.
And there are three bombs here.

At least 100,000 people will die.
Can you guys even imagine that?
Do you want to send police?
Go ahead, send them.
Do you have precautionary
measures if there's a blast?
No. You don't even have
the minimum staff here.
Did you inform Special Desk?
Did you inform Civil Defense?
Commando Force, sniffer dogs..
I drink juice.
Juice?
Foreign Security,
Original Risk Unit, SDF, Octopus..
..Intelligence Department, ATS, SRPF..
You hate smoking, right?
I'll never smoke.
Wireless Team, Bomb Detection Squad..
Remote Cameras Unit..
..did you inform any of them?
No. You won't.
But you will send police here.
Go on, send them.
I will blast everything.
Why is your brother trying to deviate?
He's not trying to deviate,
he is giving us instructions.
Bomb Squad, Fire Department..
..all departments be on alert.
There's a big hidden problem.
Okay, sir. We will do it right now.
Now tell them my original demands.
I won't. They are no
longer your demands now..
..they are our demands, sir.
I'm in your team, sir.
Now tell me.
Okay.
Aslam should be released immediately.
Now I get it. Aslam.
I read it in the papers recently.
The prime accused
in the recent blasts.

They found evidence too.
Sir, we should get Aslam
out of jail as soon as possible.
Otherwise he'll be punished.
Listen to the demands fully.
Release Aslam immediately,
take him in a helicopter..
..and drop him at Vikarabad. Clear?
Yes.
All this should be shown live in TV.
This looks like a big
budget Hollywood movie.
A bomb blast in Hyderabad.
Wonderful plan.
Another important thing, sir.
Let's ask a private helicopter.
Otherwise his safety
will be a problem. Okay?
Bro, I'm your brother. Okay? Superb.
My original demands.
One second.
Sir, since we are doing this,
shall I ask for money too?
We can use it for expenses.
We don't need money.
Tell them my demands.
Alright, I don't need it too.
My original demands.
One minute. I will be back.
Oh God! Sir, how will you escape?
I will take care of myself.
Tell them my demands.
I'm happy that you have
an escape route. No problem.
Okay, sir. Okay.
My original demands.
One minute.
Sir, I have one last doubt.
I will ask if you promise
that you won't be angry.
Hey!
- You are getting angry.
What is it now? Tell me. Tell me.
They dipped a man in water

a full year to teach him singing..
..but finally he won the
first prize in a swimming contest.
This story sounds the same to me.
You did all the planning.
You went to great lengths.
Why should I get an Oscar
for a movie that you acted in?
I should beat up the man
who gave you this villain's role.
As your fan, I'm really hurt, sir.
If you come here to tell
them your demands personally..
..you would be trending
on Twitter and Facebook.
I'm very hurt, sir.
Why didn't you come here? Why?
I shouldn't come directly
to tell my demands.
I sent Khayum but he went missing.
I've time only till 12 o' clock,
that's why I chose you..
Darn!
That's it! Yes!
So you sent a man named Khayum..
..but he didn't execute
your plan and your plan failed.
Then you saw my love story.
I was an idiot to display
my number for you to see.
You took a shot in
the dark and I got trapped.
Wow, sir! Fantastic! What a game!
What do you want?
You are playing games
with me knowing my strength.
Anwar is God.
On the flyover there are three..
Stop blabbering.
There are three bombs on the flyover.
You have the remote.
If you press it the..
..the flyover will explode
and burn down. So what?

If I lose my mind,
I will shoot myself and die.
Shall I shoot myself? Shall I?
Hey, no. No, no, no.
I won't shoot myself, bro.
What will you do if I die?
Do as I say if you want
me to tell your demands.
So, shall we start the game?
It's a small game,
like the one you played.
Just a small change. That's it.
Now you are the player
and I'm the captain.
The relationship between a
player and a captain is very simple.
You know that better than me.
You play the game,
but I'm the one who controls it.
You are the ball and I'm the foot.
There are two simple
rules in this game.
Rule No. 1. My girlfriend and me..
..and everyone on this
flyover should get down safely.
Rule No.
2. Still didn't decide it, bro.
Hello? Hello?
Come on! Search the place! Search it!
Move! Move! Move!
Come on!
Sir, Anwar was here.
I think he escaped.
I left from here, sir.
Darn!
He escaped.
Check the nearby buildings.
Sir.
- Alert the checkpoints.
Sir, there's a message
from the control room.
Sir, come down right now. Please.
Okay.
'When I thought the

game was in my control..''
'..he disconnected the call.'
'Confusion again.'
'Not just understanding one another..'
'..clearing misunderstandings
is true love.'
Listen to me carefully.
Okay?
Breaking News! DIG, who was on leave..
..has now reached the crime scene.
Sir, the DIG has arrived.
Sir!
Who? Who is he?
His name is Khayum, sir.
It's a preplanned terrorist operation.
Oh.
Actually he was supposed
to finish the operation, sir.
Why didn't he do it?
Sir, I will speak
to the Home Minister..
Come on, Rammohan.
We don't have proper evidence.
We can't go to Home
Minister like this.
Call the ambulance!
Rammohand! Call the ambulance!
- Who did this?
Call the ambulance! I want him alive!
We are getting calls from Delhi.
We are updating them, sir.
Sir!
- Sir!
DIG?
I'm going on the flyover, sir.
Why?
Look at the time, sir.
Just ten minutes left.
What do you mean?
Sir, it's a prank call.
I'll handle it.
But your life will be in danger.
I'm ready to give my
life for my country, sir.

That's my duty.
Breaking News!
DIG is going on the flyover.
Will he come back alive or no?
Let's see after a small break.
Darn! Why did the DIG come here?
I think he will ruin the whole plan.
Sir, please don't come near.
I will be forced to shoot you.
Sir, you don't know
the real situation.
It is not what you think it is.
Please leave.
I know. You are not a terrorist.
The man pointing a gun
at you is pointing it at me too.
He kidnapped my family.
I have small kids. My family.
He will kill all of them if
I don't make you tell his demands.
Disgusting! Is he a human? Small kids?
Don't tell his demands.
Yes, son.
He will kill us if you do as he says.
Rubbish. He will die a dog's death..
..if we don't tell his demands.
A dog's death?
What are his demands?
Did he tell you, sir?
Me? He didn't tell me anything.
He asked me to meet
you and make you say them.
My family.. Small kids..
What are the demands?
He wants them to release
a terrorist from jail.
As if that wasn't enough,
he wants us to..
..show it live on TV.
Tell them his demands.
Tell them his demands, please.
Aslam should be released..
..and should be dropped in Vikarabad.
That should be shown

as a live telecast in TV.
It requires decisions
at the central level.
I feel this is not right.
Shut up..
Madam, my family. Small kids.
Sir is right.
The police won't release Aslam..
..if something happens to us.
We all should escape
before Aslam is released.
Am I right, sir?
Yes. Tell them his demands.
I'll save everyone.
But, you had another plan, right?
Forget that. This is the right plan.
No, don't be rash.
Let's think about it.
No! Please try to
understand the situation.
I said I will save everybody.
Small kids.
We have no other way. Sir is right.
I will tell them his demands.
Sir, I'm going to trust
you and tell his demands.
Will you save everyone, sir?
Yes. I will save them.
I will save them all. I swear.
'Save them? I will. I will.'
My original demands.
Aslam, who is in prison..
..should be hanged to death.
Yes, if you don't hang
Aslam to death immediately..
..I will blast the flyover right now.
Making me tell his demands
is more important to him..
..than killing us.
The one who comes up the flyover..
..in the next 10 minutes
is the terrorist.
But there are only 50
percent chances that I'm right.

I will give you a signal
after I confirm it.
No matter what he says,
you object to it.
He will get irritated and
that will confirm his identity.
We can lock him up.
And remember one more important point.
Terrorists are not monsters,
they are just humans.
Anybody can catch them. Okay?
Foolish man!
Even geniuses do mistakes sometimes.
Anwar. That's you.
You told me three demands.
But I revealed only two to you.
You revealed the third one yourself.
Aslam should be released..
..and should be dropped in Vikarabad.
That should be shown
as a live telecast in TV.
It requires decisions
at the central level.
And most importantly, I didn't
tell you the terrorist's name.
You revealed his name
as Aslam in the flow.
Your acupressure points
to deal with pressure.
Additional clue.
Finally your game is in my control.
If you don't fulfill
my demands immediately..
..I will shoot your DIG in the head.
I want the media's support.
If there's a blast here,
how many people will die..
..and how much damage it will cause..
..I want the media to
announce it to all of Delhi.
"If you wish for destruction,
a flood is certain to come."
"Certain."
People all over the world

are demanding Aslam's death.

"If you wish for destruction,
a flood is imminent."

"If you mess with poison,
the end is imminent."

"If you wish for ruination,
your devastation is imminent.

Requests are coming in from UK,
US, Australia, Europe..

..and various parts for
India demanding Aslam's death.

"If extortion increases,
action by the law is imminent."

"Imminent."

Mohammad Sayyad Aslam.

An accomplice in numerous
terrorist activities.

An instigator of many terrible crimes.

"Forget humanity
and turn into monsters."

"Forget humanity
and turn into monsters."

"Which religion teaches that?"

"Which religion's
principles state that?"

"Humans killing and
burning other humans."

"Which religion teaches that?"

"Which religion's
principles state that?"

"Imminent."

"Which religion teaches that?"

"Which religion's
principles state that?"

"If we put aside hatred,
our friendship is imminent."

"If we throw away wrath,
our happiness is imminent."

"If we stop violence,
prosperity is imminent."

Breaking News! Historical decision.

A historical decision.

The government has taken
the decision to hang Aslam..

..tomorrow morning.
They are conducting Aslam's
medical tests tonight.
When the terrorist
Aslam was being taken..
..to the hospital for medical tests..
..he attacked the officers with a gun.
In the prison, Aslam..
Constable Bashir shot Aslam.
Aslam died in prison.
Aslam! Aslam!
Nobody will go home alive.
That won't work, bro.
The jammers are on.
Darn!
I will kill everybody.
Anwar is God.
Game is not over, brother.
I'm the captain.
Hey! Don't touch it, you fool.
That doesn't work with a remote.
It will definitely explode.
She will die.
She will die.
Sir, do something. Save her.
One second.
- Sir..
Sir, no, no, no.
It is already activated.
It's a timer bomb.
Please, it's very dangerous.
Step back, please.
- Let me go.
We can't save her.
No, let me go. Let me go.
Sir, the timer bomb
has been activated.
They said it is very
difficult to diffuse it.
Let's get married, Mango.
I can't climb buildings
like Spider-Man.
I can't jump down
buildings like Shaktiman.

I can't fight like
He-Man and Super-Man.
If we get married,
our kids can study in this school.
Everyone can do homework
and lunch together.
Not just on your birthday..
..I will be with you
on your death-day too.
I love you, Mango.
'If the second wire
gets disconnected..' '
'..the toggle switch will
go off and power supply will be cut.'
You planned the game well, sir.
Nobody in the department
suspected anything.
Accident, traffic jam,
you planned everything perfectly.
But you did one mistake, sir.
You took my little
brother in your team.
Whatever team he is in, it loses.
That has always been
the case since childhood.
Arresting you, putting you
in jail with five-star facilities..
..court, costly lawyers,
bullet-proof vehicles, convoy..
..trail dates, custody,
human rights, mercy, sympathy.
Waste. Time waste.
Hey!
Now this flyover is a
favorite spot for Mango and me.
Whether we are happy or sad..
..we come here early in the morning.
You were very fair
in school days, right?
I spent too much time in the sun.
Why are you still of the same height?
Hey..
Do you believe in astrology now?
We should believe in

things only to an extent.
Horoscopes only tell
us of future problems.
We should find solutions
and success on our own.
This proposal is cancelled.
Why did it fall in her neck?
Oh God!
Why are you still there?
Let's touch her feet.
God bless you!
I came here to marry
your granddaughter..
..but I'm taking your
servant girl with me.
Oh God! Let's go.
Husband, your tissues.
Keep them, we both can use them.
"A brand new war inside the border."
"A war that I'm waging with myself."
"Time threw a net over me."
"My words and my anguish
are nothing but silence."
"My childhood love sprouted
new tender leaves."
"But death is standing
ready to shoot it down."
"My heartbeat is wavering."
"An invisible enemy is injuring me."
"I won't give in to fear till the end.
I will stand my ground."
"I won't take a back step.
I will be your armor."
