# OMG: Oh My God!

By Umesh Shukla

You dwell in my heart.  
Whether its dusk or dawn.  
Whether in light or darkness.  
You're always with me.  
It was my mother's dying wish..  
..to take the entire 'Bhajan Mandli'  
group along with their family..  
..on a trip to Badrinath.  
Please do come.  
Of course.  
Please join us on the trip..  
..and pray for my mother's soul.  
Why do souls become  
restless after they die?  
I mean, once you're dead  
it's the end of all problems.  
Why become restless?  
That's not it.  
Suppose the deceased  
has a unfulfilled wish.  
Then his son will fulfil it.  
You won't go on the trip.  
Get that.  
Her mother was in the  
hospital for two years.  
And he didn't even  
come take a look.  
He was making dollars in America.  
This charade is for the world.  
Not for his mother's soul.  
No need to look so depressed..  
..you won't get an off.  
Get that.  
Just one idol left!  
By the way,  
where's the trip headed?  
I can't believe  
you're coming with us.  
The children are so happy.  
She thinks I'm going  
for beholding the Lord.  
Krishna, Krishna, Hare, Hare.  
Hare Rama, Hare Krishna  
Krishna, Krishna, Hare, Hare.

Where is he?  
A dozen of pot  
bellied Ganesh idols.  
What!  
And those 250 a peice Krishnas.  
Eight of those brawny Hanumans.  
What are you saying?  
- And five of those 'Sherawali'.  
The lady sitting on the tiger.  
What's the total?  
Three dozen, sir.  
- Three dozen, right!  
Then, three Sai Babas bonus.  
- What?  
They are in a big demand.  
Send it to the white  
Volvo parked there.  
- Okay.  
Great, wine shop.  
Hare Rama, Hare Krishna.  
What did you give him?  
Give me too.  
Funny people, they're distributing  
alcohol like holy water.  
What's that?  
What should I say?  
Water of Ganges.  
- Yes, yes.  
Oh, give me some.  
Why is it so bitter?  
Because the Ganges is polluted.  
Oh!  
- Yes.  
Hare Rama, Hare Krishna.  
Krishna,  
Krishna, Hare, Hare.  
- Mother.  
Hare Rama, Hare Krishna.  
Krishna, Krishna, Hare, Hare.  
Apologise. They were fasting.  
Hello.  
- We were fasting.  
And you gave us alcohol.  
Alcohol is permitted in fasts.

It's made from sugarcane.  
It fills you with energy,  
and makes you lightheaded.  
Rascal. Keep the phone down.  
- You'll never learn.  
Abusing in the month  
of 'Shravan' (pious month).  
See. Truth sounds  
bitter than liquor.  
There's a limit to cracking jokes.  
Papa, please.  
What you did yesterday,  
is a sin in mummy's view.  
And mummy's fasting  
today to repent for it.  
I want to know.  
How can she repent  
for my sins by fasting?  
Sushila, it's like  
your phone's on charging..  
..and my battery's getting charged.  
Like wi-fi?  
Chintu, careful.  
Papa.  
Get down.  
Papa, we're practising.  
Today's 'Janmastami'.  
You've your exams tomorrow.  
Who will write that?  
Get down!  
Why do you always stop  
for religious things?  
He'll be absolutely fine.  
My son's playing Govinda.  
My son won't become  
Govinda or Chunkey Pandey.  
He'll grow up to  
become a cricketer.  
Get down. Get down.  
Put me down.  
Mahadev.  
- Coming.  
Let's go.  
- Come soon.

Listen. Remove the  
tag of Rs.250 from..  
..all the new idols that we bought  
Just watch how I sell  
them for 10-12 thousand.  
And keep one idol  
from each on display.  
Understand?  
- Yes.  
Come on.  
One and only one  
piece in the world.  
This idol appeared  
from the ground..  
..when the temple at  
Badrinath was being built.  
What are you saying?  
A great sage from Dwarka  
set out for a journey on foot..  
..and that afternoon  
the sun was really scorching..  
..I gave him a jug  
of water to drink.  
He was so pleased.  
And gave me this idol.  
And this idol turned  
my luck around.  
I bought this, once a rented shop..  
..and a three room  
house in Bhooleshwar.  
With terrace.  
With terrace.  
Amazing!  
Mr. Kanji, sell this idol to me.  
I am in big trouble.  
I'll rot in hell if  
I even think of selling my Lord.  
Sell the Lord?  
Look at what he's saying.  
Mischievous... Lord.  
Listen carefully.  
You can hear His flute.  
It's time for him  
to play His flute.

What are you saying?

- Try to hear with devotion.

Listen. you can hear  
the echo of Gokul.

Heard it?

Can you hear?

- Yes, yes.

Now leave.

- Sell this idol to me.

Please, Mr. Kanji.

I'll let this idol

out of my sight..

..only when that  
special person arrives.

The chosen one.

Who is that?

The sage had said that

A great devotee of Sai..

..from Rajasthan

will come for His Idol.

That's amazing.

- What?

That's me.

- No, no.

Look, there's my car.

RJ, Rajasthan.

And it also has

an 'Om Sai' sticker.

That's true.

What did you say your name was?

Bhanwar Lal.

- Bhanwar Lal?

Mahadev...it's him?

Who?

- It's him?

What happened?

- The sage

had written your name himself.

Look.

Bhanwar Lal.

I don't understand

a word that's written here.

It's written in Madrasi.

He was a Madrasi. Though

he lived in Dwarka but, look..

Great.

This idol now belongs to you.

Thank you.

Great.

Kanji Money?

- Bhanwar Lal.

You only listen,

but don't understand.

I said I won't charge

you for this idol..

..but I will have to pay the sage.

Yes, of course.

Here you go. 100 rupees.

Only 100..

- Mahadev. Mahadev.

This is a question of devotion.

We cannot force anyone.

Do you how much I had at that time?

Only 20 rupees.

Only 20 rupees. Remember?

So do you know what I did?

I was wearing a similar gold chain.

And I gave that to him.

It's all about faith.

Anything you give is less.

Anything you give is less.

Wow. What a thought.

Not just my gold chain,

I will give up my gold ring too.

That's it.

Here. Here you go.

- Great, great. Discard your burden.

Discard all your burden.

Great, great.

Glory to..

- Lord Krishna!

Glory.

Now, where will

this idol emerge from?

From the holy land of Mathura,

where else?

Glory to Sri Kanji Lalji Mehta.

Glory to you.

As long as people believe  
in toys like this..  
..our business will prosper.  
Kanji. This is the God's idol,  
don't call it a toy.  
The Lord is only a delusion.  
- Yes, let's go.  
Isn't that Chintu?  
Yes.  
Yes, that's him.  
- Yes.  
Yes. He's dancing so well.  
Serpent dance.  
I'll put an end to all this.  
Shut down the shop  
and get the scooter.  
- Yes.  
Come on. Kanji.  
- Yes.  
Look after my shop for a month.  
Why?  
- I'm going on Haj.  
I suggest that you  
get your shop fixed..  
..rather than going on a Haj.  
God save me from devils.  
Your shop will come crashing  
down even if anyone sneezes.  
Let's go.  
- Coming.  
Give them seeds worth rs.10.  
- Okay.  
Come on, start it quickly.  
Glory to..  
- Siddeshwar Maharaj.  
Let the 'Janmastami'  
festivities begin.  
Go...go...go...Govinda.  
Go...go...go...Govinda.  
Go...go...go...Govinda.  
Go...go...go...Govinda.  
You're so striking.  
If you're fire, I am water.  
If you're the sky,

we're the stars.  
You're so striking.  
If you're fire, I am water.  
If you're the sky,  
we're the stars.  
Even if we've to  
lay down our lives.  
But we promise.  
We won't let you go.  
Go...go...go...Govinda.  
You're so striking.  
If you're fire, I am water.  
If you're the sky,  
we're the stars.  
You're so striking.  
If you're fire, I am water.  
If you're the sky,  
we're the stars.  
Even if we've to  
lay down our lives.  
But we promise.  
We won't let you go.  
Go...go...go...Govinda.  
Go...go...go...Govinda.  
11, 12, 13. The heat's rising.  
In my body.  
11, 12, 13...  
11, 12, 13. The heat's rising.  
In my body.  
Don't look now.  
My eyes are spitting fire.  
This sight looks so colourful.  
You're so talked about,  
you're so unique.  
Even if we've to  
lay down our lives.  
But we promise.  
We won't let you go.  
Go...go...go...Govinda.  
Just one more place left to visit.  
Mishra.  
You call me from Kashi for a day..  
..and make me travel  
the entire day.

It's a small area.  
Once you give them your blessings..  
..they'll cast their votes for me.  
Glory to..

- Siddeshwar Maharaj.

What's this fervour?

What's this obsession?

What's this craze?

What's this fervour?

Tell me. Tell me.

What's this fervour?

What's this obsession?

What's this craze?

What's this passion all around?

We'll lose ourselves in your joy.

We'll lose ourselves

in your devotion.

Even if we've to

lay down our lives.

But we promise.

We won't let you go.

Go...go...go...Govinda.

Look, Sonakshi Sinha.

She is Rowdy,

my Rathore's in the next alley.

Let's go. Come on.

- Yes.

Break the pot.

Go...go...go...Govinda.

Go...go...go...Govinda.

Begin with the festivities.

Go...go...go...Govinda.

Go...go...go...Govinda.

Go...go...go...Govinda.

Go...go...go...Govinda.

What's going on here. Move.

Get down.

Go...go...go...Govinda.

Come here.

- Yes, yes.

Go...go...go...Govinda.

Go...go...go...Govinda.

break it. Break it.

Hear! Hear! Hear! Hear!

Calm down! Calm down!  
It's the Swami's orders.  
Calm down!  
Calm down! Calm down!  
What orders?  
Sri Siddeshwar Maharaj  
has just said..  
..that Lord Krishna  
is very pleased..  
..to see the crowd  
that has gathered around..  
..for the 'Janmastami' festivities.  
And today He'll eat milk  
and butter from His devotees.  
Yes, he'll drink  
milk and eat butter.  
And Siddeshwar Maharaj  
also says that..  
..this auspicious opportunity  
will last only for an hour.  
Only one hour.  
So, your time begins now.  
Go. Go.  
- Who is that imposter?  
Hello, hello, hello.  
Play. Play.  
Go ahead, feed Him.  
- What's wrong with the mic?  
See what's wrong?  
- What's wrong with the mic?  
Where's everyone going?  
Go, go.  
- No, wait.  
Where are you going?  
- Go.  
Play, play harder.  
- Wait everyone, wait.  
Even Siddeshwar Maharaj  
is asking you to go.  
Go, leave.  
- Wait.  
What have you done?  
No, papa. No.  
- Stupid fool,

breaking pots during your exams.  
Stop it, stop it.  
Go and feed Him butter.  
I won't spare you next time.  
Stop you fool!  
You'll be punished  
for your unpardonable sin.  
He will punish you Himself.  
Punish me?  
Don't try to scare  
me in the name of Lord.  
I'll see what He does to me.  
Go home, it's going to rain.  
You'll get drenched.  
It's an earthquake.  
Swamiji Rain?  
Rain?  
My hand's paining.  
I won't be able to  
write my exam tomorrow.  
I'll slap you.  
I'll make you hold the pen  
in your mouth and write your paper.  
You're scolding him.  
But what about you?  
- What did I do?  
What?  
The festivities  
were left incomplete.  
You've to admit that there's God.  
You spread the rumour..  
..and immediately  
there was an earthquake.  
Remember.  
- What earthquake?  
Even the utensils didn't budge.  
Papa.  
I think they took your  
announcement too seriously.  
This news just came in  
from parts of the country..  
..that the idol of Sri  
Krishna's eating butter.  
Is the Lord eating butter?

- No.

Priest, offer the  
Lord some buttermilk.  
People are offering cheese,  
cottage-cheese..

..butter, buttermilk to  
the idol of Krishna.

- Oh, God!

The rumour has spread so far.

Please, eat it.

This is low-cholesterol cheese.

The Lord's so lucky.

Look at the things He's getting.

Earlier, people would

keep it in a covered platter..

..in front of Him.

But now they're feeding Him.

Let Him enjoy.

It's your fault.

Mumbai just experienced

a slight earthquake tremor..

..of 3.5 Richter scale,

which didn't cause..

..any harm to life or property.

See. Heard that?

But a shop in the flea

market has collapsed..

..which was closed at that time.

Must be Mohammad's shop.

According to our sources..

..the shop was registered to Mr.

Kanji Lalji Mehta.

It's really surprising, because..

..there are other old shops in

this market which are still intact.

But Kanji Lalji Mehta's shop

has been completely destroyed.

This is Shweta Tiwari, with

cameraman Vaibhav Mishra, ABP News.

Sister, switch on ABP News quickly.

We saw.

Brother-in-law's shop is gone.

It's collapsed.

Pravin!

- Calm down, father.  
No, sister.  
Come there with the children.  
I'm coming there with  
father and the others.  
- Yes.  
Yes, we're coming.  
We're coming.  
The idols of Gods  
have gone underneath.  
The shop is completely ruined  
Doesn't seem like there  
was ever a shop here.  
What are you saying?  
We had goods worth 25 lakhs.  
And we'll have to  
pay the scrap dealer..  
..to have this cleared.  
Why pay?  
We'll give him one  
of the broken idols..  
..and say it appeared  
from the ground in Amarnath.  
What are you saying,  
brother-in-law?  
You'll soon be bankrupt.  
Do you know the losses  
you've incurred?  
40 lakhs.  
Goods worth 25 lakhs  
bought on credit..  
..and 15 lakhs spent  
on renovation last month.  
40 lakhs? Where did  
you get that kind of money?  
We borrowed a part of the  
amount by mortgaging the house.  
And I borrowed 10  
lakhs from a friend.  
And 5 lakhs from your own pocket..  
Pravin, you fool.  
You didn't even ask me.  
How will we arrange  
for such a huge sum?

There's hardly 30400  
thousand in the bank.  
And we don't even have jewellery.  
Sushila. We'll manage.

- How?

Why don't you understand?

If you hadn't spoken  
ill about the Lord..

..He wouldn't have  
caused this earthquake.

His justice is silent.

Will you please stop preaching?

You mean to say, that the Lord..

..who doesn't exist,  
razed down my shop..

..because I spoke ill about Him?

So, just to prove Himself..

..he razed down just  
my shop in a fit of rage.

And if I still don't  
believe in Him..

..he will make me  
incur more losses?

- Yes.

What yes?

I still don't believe in You?

I haven't incurred any loss.

Look.

What's he doing?

- What..

Everything's lost, Kanji.

Only thing left  
is this Godrej safe.

Rolex.

It's a Rolex.

- No.

Mr. Dinesh. Isn't that  
a Rolex watch you're wearing?

Must be worth 1 .5 -2 lakhs.

It's worth 10.

Mr. Kanji.

I am sure you read  
the terms and conditions..

..before reading the policy.

Not at all, sir.  
Your officer asked me  
to sign at the places marked..  
..and I did so.  
How irresponsible you are.  
What happened, sir?  
Your policy insures you against..  
..accidents like theft,  
fire, fraud.  
Right. That's what we opted for.  
But not against Act of God.  
Act of God?  
See, it's written here clearly.  
Conditions apply.  
My glasses..  
- In the event  
of loss or damage to the property..  
..the insurance company  
is not liable to pay..  
..any amount if the damage  
is caused by act of God.  
And here are your signatures.  
It's written in such small letters.  
And nobody reads that.  
What is 'Act of God'?  
Incidents that are  
not caused by humans.  
Like?  
- Like earthquake,  
Tsunami, Thunder.  
You cannot claim  
insurance in such cases.  
Because these are  
natural calamities.  
But I don't believe in God.  
Tell him.  
I don't care if you do or don't.  
Your signatures are right here.  
I am so sorry.  
Sorry? What sorry?  
Sir.  
Sir, I've invested my  
entire earnings in the shop.  
Even my house is mortgaged.

And you're saying sorry.  
I know, but your claim  
cannot be approved.  
You may go now.  
No, sir. I won't leave  
until my claim isn't approved.  
Security.  
Sir..  
Sir, why are you calling security?  
I'm talking to you decently.  
- Yes, sir.  
Take him away, please.  
- Why call the security..  
Come on.  
- Just a minute.  
Just a minute.  
Come on.  
You just know how  
to swindle our money.  
Mind your language.  
You should be publicly beaten.  
Throw him out.  
Get out! Get out!  
You get this for  
2000 in the flea market.  
Don't you understand?  
It's Act of God.  
You want money, don't you?  
Go and ask God. Take him away.  
Act of God.  
Just a second. Just a second.  
Leave me.  
Act of God.  
So, you believe in God.  
- Yes.  
You believe that God  
is present everywhere.  
In him, him, that madam, him.  
God dwells in everyone.  
- Yes.  
And me?  
Mr. Dinesh, you believe  
that God dwells in me too.  
Yes.

Thank you.  
Act of God. I didn't do it.  
God did. It's 'Act of God'.  
God slapped him again.  
I didn't do it.  
And now God will shoot you..  
And you will die.  
Later, will your  
family get the claim..  
..or will that be  
'Act of God' as well?  
Tell me.  
- No.  
Kanji, what are you doing?  
Why are you scared? Take the gun.  
Get down now, come on.  
The phone's ringing again.  
Forget it.  
You switched of your mobile..  
..that's why they're  
calling on the landline now.  
Tell them I am not at home.  
They say if we don't  
arrange for the money..  
..we'll have to vacate  
the house in a month.  
I had so many dreams.  
I wanted to make Jigna a pilot.  
And my son a cricketer.  
But soon I'll even lose this house.  
Everything's lost.  
Everything will be fine.  
What will be fine?  
All I have is the shop property.  
I'll sell that and  
repay the mortgage.  
Om Jai Jagdish Hare.  
Swami..  
Yes. Yes, he's here.  
It's Nimish.  
- Who?  
Who Nimish bhai?  
- The estate agent.  
Oh yes.

Yes, Nimish. Go ahead.  
Did you find a buyer  
for that property?  
What are you saying?  
What happened?  
What happened?  
He's saying, there are broken  
idols of God on that land..  
..so it's become inauspicious.  
The place has become cursed.  
- Oh, God!  
No one will buy this land..  
..that's the rumour in the market.  
Nimish. 100 years later,  
when people find..  
..idols of God under that land, the  
prices will shoot up by 4 times.  
Four times.  
And people will construct  
a temple there as well.  
If anyone wants the  
buy the land he can..  
..otherwise I care a damn.  
What now?  
I've an idea.  
What are you doing, Kanji?  
Suicide!  
Sister-in-law, suicide..  
Papa.  
- Where?  
Leave me.  
What are you doing?  
- Papa..  
I am not a coward.  
I will file a case.  
Have you lost it?  
He's gone crazy.  
You will file a case  
against an insurance company..  
..worth 3000 crores!  
I'm sure there are  
many others like you..  
..who have filed a case  
against the insurance company.

There must be others like  
me who might have filed a case..  
..but no ever filed  
a case against your Kishen.  
I...will...file a  
case against your God.  
What are you doing?  
Who controls this world?  
Who's that sitting  
high up in the sky?  
Why are You hiding  
behind the clouds?  
Why are You afraid of being seen?  
Kanji.  
- Yes.  
How will you fight the case?  
That's simple.  
If your Lord can  
appear in the temple..  
..from 9-12 and 4-7,  
then he's free from 1240.  
He can appear in  
the court at that time.  
What do you need? Tell me.  
Agreement,  
affidavit, anything you need.  
I will make it. Come with me.  
One minute.  
- I've high contacts.  
Just tell me what you need?  
High contacts?  
- Yes.  
I want to send a notice.  
- Come with me.  
Come on.  
So, who do you want  
to serve the notice to?  
'Bhagwan' (God).  
So, Mr. Bhagwan  
Surname?  
Surname?  
He must have a last name?  
Sharma, Verma,  
Kapoor, Khanna, Desai, anything.

Don't know, because we haven't met.

I see.

No.

- You two haven't met?

No.

- That's fine.

What's his crime? Crime.

He has ruined me.

What? You just said

you two haven't met.

This Mr.

Bhagwan must live somewhere.

Resident?

- Who do I send the notice too?

People say that

He lives in temples.

I see...

What?

Which 'Bhagwan' are

you talking about?

- Sit.

He has many names,

which ones should I say?

Krishna,

Ram, Brahma, Vishnu, Mahesh.

Sai Baba.

- It's a sin.

Hanumanji. Balaji...

And ladies too.

Durga, Saraswati,

Parvati, Santoshi.

You've lost your mind!

Wasting my time.

Get lost. Come on.

Mad man.

The nerve he has. Come on.

Don't trouble me.

Leave me alone.

Go to someone else.

I plead you.

Wait a minute, I'm a Hindu.

Hari Bol.

Speak now, reveal the secrets.

The person we're going

to see now is a famed lawyer.  
If he says yes,  
our job will be done.  
Yes, sir. Which floor?  
Lift's out of order?  
1 1th floor.  
I forgot the key to the scooter.  
I'll be right back.  
Come on.  
He's witty, sells lies.  
Kanji's cleverness  
is known everywhere.  
He's witty, sells lies.  
Kanji's cleverness  
is known everywhere.  
He locked horns with God.  
And invited trouble for himself.  
He always speaks the truth.  
His honesty is unique.  
Mr. Lawyer.  
- Yes.  
Religious.  
Kanji.  
- Go back,  
we're at the wrong place.  
Are you with him?  
Stop, stop.  
Excuse me, where does  
advocate Hanif Qureshi live?  
Up ahead.  
Is Hanif at home?  
- Yes.  
Come. Father's inside.  
Hello.  
You seem to be in trouble.  
In the last riots,  
I defended some innocent Hindus.  
And my own people did this to me.  
Father cannot walk.  
But you want to fight..  
..with the One who created  
your entire community.  
Will you flee?  
I've no other option left.

I won't run.  
Look, I cannot fight your  
case in this condition..  
..but if the lawyers  
refuse to take up your case..  
..then according to the law  
you can defend your own case.  
Is that possible?  
- Yes, there's a provision in the law.  
If you want I can  
prepare your legal notice.  
I'll be grateful to you, Hanif.  
Thank you.  
Hanif. Do you believe in Allah?  
Of course.  
God, Allah, they are all the same.  
So, I am fighting against Him.  
So, why are you helping me?  
You're not the only pleader.  
Everyone does.  
Some pleads to Him,  
and some against Him.  
Where do you want  
to send this notice?  
I don't have his...  
Address.  
No.  
- Then.  
The judge will dismiss your  
case in the first hearing.  
I mean, I don't have His address..  
..but of the places  
where people look for Him.  
You're our benefactor,  
our friend.  
So scare us.  
Why ruin our present, by telling  
us about an unknown future.  
You're our benefactor,  
our friend.  
So scare us.  
Why ruin our present, by telling  
us about an unknown future.  
Your saints and sages,

spread shams in Your name.  
They put a price tag on you.  
What's money got  
to do in devotion?  
Hari Bol.  
Speak now, reveal the secrets.  
Speak up.  
Hari Bol.  
Hello. Relax, just relax.  
The shop in flea market..  
..which collapsed a few days  
ago due to the earthquake..  
..the owner of that shop,  
Kanji Lalji Mehta..  
..has filed a case against God.  
This is the reaction of  
people over the matter.  
Down with..  
- Kanji!  
Just relax.  
This case won't be  
accepted in the court.  
Trust me.  
Just leave it to me.  
You won't even have  
to come to the court.  
Relax.  
Glory to..  
- Leeladhar Maharaj!  
Glory to..  
- Leeladhar Maharaj!  
Glory to..  
- Leeladhar Maharaj!  
Glory to..  
- Leeladhar Maharaj!  
Glory to..  
- Leeladhar Maharaj!  
Glory to..  
- Leeladhar Maharaj!  
Glory to..  
- Leeladhar Maharaj!  
Greetings.  
I feel we should  
meet that person once..

..and listen to his problems,  
and try to understand.

Well, I..

Although we all hold  
different positions..

..in different communities.

But our God is one.

Later.

And today, a human  
has accused our God.

This is not a personal war.

Instead, it's a  
battle for all humans..

..who have faith in God.

So I've decided that I,  
Siddeshwar Maharaj..

..and Gopi Maiyya,  
will go to the court..

..to give that shameless  
human a fitting reply.

Down with..

- Kanji!

Yes, it's a democracy, where  
everyone is treated equally.

And now, even God.

Even God will have to stand in  
the High Court's witness box..

..where the most dangerous  
criminals stand for trial.

Strange, but true.

I still say, think about it once.

I already have.

Today's the first hearing..

..and the judge  
will decide whether..

..such a case can  
be accepted or not.

It's a good omen.

Really nice. Let's go.

Many believers are standing outside  
the court shouting slogans against Kanji.

Down with..

- Kanji!

Down with..

- Kanji!  
Down with..  
- Kanji!  
Down with..  
- Kanji!  
Down with..  
- Kanji!  
Many 'dharma gurus'  
have come to the court..  
..to give a reply of  
Kanji's baseless allegations.  
Very few people have been  
allowed in the courtroom as well.  
Swami, give me your blessings.  
Move aside, no one  
will touch the swami.  
Move aside, move aside.  
Down with..  
- Kanji!  
Down with..  
- Kanji!  
Down with..  
- Kanji!  
Down with..  
- Kanji!  
Down with..  
- Kanji!  
Down with..  
- Kanji!  
Down with..  
- Kanji!  
Kanji, people say you're  
doing this for publicity?  
Down with..  
- Kanji!  
Down with..  
- Kanji!  
Down with..  
- Kanji!  
You?  
- You will sit here.  
Sit, sit.  
Hey insurance..  
How's the Rolex?  
Working fine.  
Relax.

Relax.

He's the one who spread  
the rumour about God eating butter.

All rise.

Kanji, get up.

Mr. Kanji Lalji Mehta.

- Yes, sir.

We've been informed that  
you'll defend your own case.

Yes..

I don't have any other option,  
Your Honour.

The other lawyers are scared.

So, I'll have to defend this case..

My lordship, this is  
a baseless appeal.

A publicity stunt.

There's no cause of action  
that can be proved in court.

So I suggest, under

order 7 rule no.1 ..

..of the code of civil procedure.

This case be

straightaway dismissed..

..for out of cause action.

Your Honour,

my English isn't that good..

..but I do

understand that he's asking..

..to shut down this

case immediately.

Right? You're right.

I don't want to get into  
this hassle in the first place.

I'm a Gujarati, businessman.

doesn't make a difference to me.

The insurance people said that..

..God has razed down my shop.

Or, he's the One behind  
your shop's destruction.

So, I said fine. Ask God

to compensate for my losses.

Case closed.

But why will God

raze down your shop?  
Fool!  
Please.  
Please come to the  
witness box and speak.  
May Lord forgive his naiveness.  
May Lord forgive his naiveness.  
May Lord forgive his naiveness.  
Why will God raze down my shop?  
Exactly, why will  
God raze down my shop?  
He has other important  
things to do.  
So, tell the  
insurance company to pay me.  
End of matter.  
Why will the  
insurance company pay you?  
You've agreed to the  
terms and conditions..  
..of the insurance company.  
Exhibit no.1 , sir.  
Right. Then God will  
have to compensate for it.  
Call upon,  
Lord Ram, Shiva, Ganpati..  
..Whoever you get  
along better with.  
Do some of your hocus-pocus, or..  
- Fool!  
The only way to find  
God is through salvation.  
God won't descend down on earth..  
..for a ordinary man like you.  
He would only if He exists.  
You're turnover is in millions,  
and this is a small settlement.  
Just say yes.  
I will even give you  
cash discount. Really.  
I object, Your Honour.  
Mr. Kanji is calling  
service to God a business.  
Of course it's business.

Take a visit to  
any religious place.  
First you've to pay for parking.  
Then, pay for standing  
in the smaller queue.  
Then pay for the flowers,  
blanket, candle.  
And the donation box is  
kept right before the idol.  
As soon as you bow down,  
you've to put something in it.  
And they even charge  
for the offerings of God.  
Just like we're charged for  
seeing wax statues in the museum.  
Similarly, they charge us for  
seeing the stone idols in temples.  
And the priests  
have salaries as well.  
His is less, and his is more.  
And you even have  
income tax benefits.  
Right?  
So, where's the service?  
And, Your Honour, there's never  
recession in this business.  
No.  
In fact, they do better  
business during recession.  
Oh, God! Oh my, God!  
Relax.  
Consider that it is a business.  
Still, why are you  
asking them for compensation?  
You pay premiums  
for your insurance..  
..so you can ask  
them for a compensation.  
But why will the temple pay you?  
Because...I've paid premiums  
in their temples as well.  
- What?  
What nonsense?  
I knew you won't believe me..

..so I have brought  
all the proofs along.  
Look. These are the  
receipts of the premium..  
..I've been paying  
for the last 18 years.  
On my wife's advice.  
Look  
My first premium  
was for 1501 rupees..  
There's a well-known temple  
in the South. I paid it there.  
Then, I've been paying  
1000 rupees every year..  
..at Lord Ganesha's stall.  
It's called a mandap.  
And, your honour, my mother-in-law  
used to be very sick.  
So, the temple  
authorities said, Pay us 11,000..  
..perform a veneration  
and watch the miracle.  
We performed the veneration  
and my mother-in-law passed away.  
That was a good thing,  
but I also lost 11,000.  
And they didn't  
refund a single rupee.  
And then, donation at the mosque..  
..blanket at the shrine,  
candle at church, alms for beggar..  
..incense sticks,  
veil for Mother Goddess.  
In total I've paid around 10  
lakhs in all these stores.  
Enough!  
Enough!  
Don't call it a store.  
It's called a temple.  
And people donate  
willingly at the temple..  
..for the peace and  
prosperity of their family.  
Even I gave this amount..

..for the peace and  
prosperity of my family.

And not for fun.

But your God snatched  
all the peace from my life.

Because only God can  
cause earthquakes.

Humans cannot do it.

So tell me, don't I've a right  
to ask God for compensation?

Mr. Kanji.

You've a tiff with God, don't you?

- Yes.

So why don't you ask Him  
directly for compensation?

Why are you asking the temples?

Which company supplies  
electricity to your home?

Reliance.

- Reliance.

So if there's an  
electricity problem in your home..

..you will call up the  
Reliance office, won't you?

You won't call

Anil Ambani directly.

Mr. Anil,

we've a electricity problem.

Silence.

What do you mean?

What do you mean?

These priests, the saints are officers of God.

- No.

They aren't officers.

Officers are educated people.

They are...

They are salesmen, Your Honour.

They are collection agents..

..because they own God's franchise.

Your Honour.

This man's an atheist.

He doesn't know what he's saying.

But, we are saints.

We will forgive him.

But the world will never  
forgive him for this grave sin.  
You won't be able to set  
foot out of your house..  
..if you say anything else.  
Is that your concern for me..  
..or are you threatening  
me in front of the judge?  
We...are concerned for you.  
They pay me up quickly.  
End this matter.  
My lord, this is enough.  
The donation receipts,  
the submissions.  
There's no agency agreement  
between God and my clients.  
Kanji is saying baseless things.  
We cannot file a case  
against God for such a small thing.  
Small?  
My lord, this isn't small issue.  
That shop means everything to me.  
My means of earning.  
The only way to support my family.  
And I built that  
shop with hard work.  
Now, it's just a piece of land.  
And no one's ready  
to buy that as well.  
These people say,  
Donate with faith..  
..and you'll never be wronged.  
And the insurance people say  
Pay your premiums on time..  
..we're there in  
your troubled times.  
I gave donations and  
also paid my premiums.  
But none of them are  
willing to help me.  
I am an ordinary human.  
A middle-class man.  
My family, my wife and children..  
..will be forced

to live on streets.  
No, my lord.  
You'll have to give me a chance  
to defend my case in this court.  
And the constituency of  
India gives me the right..  
..to voice my plea in this court.  
So please, my lord.  
One crore is a big amount  
for a middle-class businessman.  
And especially, when it's  
a question of his survival.  
So, the court accepts  
Kanji Lalji Mehta's case.  
Silence.  
And only after  
carefully examining..  
..all the evidences and arguments..  
..the court will give  
its verdict, whether..  
..Mr. Mr. Kanji Lal will  
get his compensation or not.  
And if he does,  
then who will pay him?  
The insurance company or,  
the temple.  
The court's adjourned for the day.  
Wait. Wait.  
You can perform all  
the veneration you want..  
..and ring those bells  
as many times you wish.  
Your God razed down my shop.  
And now, I will alone  
shut down all his shops..  
..or my name isn't  
Kanji Lalji Mehta.  
And this isn't my concern for you.  
It's a direct warning.  
Yes.  
You're safe here,  
it's a government property.  
But how will you escape them?  
Down with..

- Kanji!  
Down with..  
- Kanji!  
Down with..  
- Kanji!  
Down with..  
- Kanji!  
Down with..  
- Kanji!  
Down with..  
- Kanji!  
Down with..  
- Kanji!  
Down with..  
- Kanji!  
Down with..  
- Kanji!  
Down with..  
- Kanji!  
Sir. The case has been accepted.  
I'm worried about  
Sushila and the children.  
I'll take a cab, you go.  
But how can I leave you alone.  
I'm going to the police station,  
for protection.  
Drop her home as well. Go.  
Be careful, dear.  
Go, go, go.  
Are the boys ready?  
Remember.  
Kanji shouldn't get  
to see daylight. That's it.  
There he is.  
Catch him. There he goes.  
Don't let him go.  
Go...go...go...Govinda.  
govinda aala re..  
Go...go...go...Govinda.  
Go...go...go...Govinda.  
Go...go...go...Govinda.  
Let's sit down and talk.  
All I did was file a case.  
If you try to talk  
they'll cut you in half.  
Look behind.  
Catch him.  
Faster!  
Who are you?  
Krishna Vasudev Yadav.

What?

Krishna Vasudev Yadav from Gokul.

So you're from UP.

You can call me Kanhaiyya.

Catch him, catch him.

Catch him.

Careful.

Are you a man or a stuntman?

You can call me a stuntman as well.

But people call

my stunts a miracle.

Miracle.

- Hold on.

You aren't wearing a helmet either.

There he is.

There's a lot of traffic on earth.

Where do you think you're going,  
go that way.

Drive on the road.

Faster!

Go...go...go...Govinda.

That was a narrow escape.

Now, take me to Brahmanwadi.

Go straight then take a left,  
then right and another left.

And you'll be home, go on.

You brought me this far,  
so drop me home as well.

My job's to show the way..

..it's yourjob to

get to the destination.

Keep it.

Thank you so much.

You're so kind.

- Thank you.

Take care.

Go...go...go...Govinda.

Papa!

- Sushila.

Is everything fine?

Go up and take a look in the house,  
you'll know.

Thankfully we survived, otherwise..

No, I'll talk to the police.

Don't worry.  
They hurled stones and  
acid bottles in our house.  
I don't care if I die.  
But the children.  
If Jigna would've  
been hit by that acid..  
I won't let anything  
happen to them.  
I am their father. Please.  
So, understand the  
duties of a father.  
Withdraw the case.  
- You're a fool.  
I'm about to lose my house.  
Where will we stay?  
On the streets, or in their house?  
Do we have any other option?  
Why don't you understand?  
Come on, Jigna. Sit in the car.  
He's made a mess of things.  
I won't leave papa.  
I'll slap you if you refuse.  
- No, mother.  
Come inside, sit inside.  
Please..  
Hello.  
Hello.  
Who is it?  
- Bhagwan (God).  
What?  
If you were a Muslim,  
I would've said Allah.  
If you were a Christian,  
then Jesus Christ.  
You're a Hindu, so Krishna.  
You, here?  
You're an excellent stuntman,  
really.  
Very good.  
I'm sure you're  
acting is decent as well.  
Why don't you approach  
some television channel?

They keep remaking  
Ramayan and Mahabharat.  
Krishna.  
Suited-booted Krishna.  
Here to teach me a lesson.  
Look.  
Look there.  
Gods are bare-bodied.  
Like this.  
They're never fully covered.  
That's your wedding photo, right?  
- Yes.  
Wearing that traditional attire.  
So, did you only wear  
a traditional attire..  
..since your wedding?  
No, right?  
- No.  
See. That's our older image.  
Conch in one hand,  
mace in the other.  
Where are yours?  
If I keep holding them all day,  
won't my arms hurt?  
Think.  
Actually, our latest photos  
haven't been updated on Facebook.  
People still use the  
older ones, and we let them.  
We don't have a problem.  
Let them.  
- That's enough.  
You're boring me now.  
Get out, leave.  
Mahadev!  
Mahadev!  
- Only you can hear and see me.  
Yes, coming. Coming.  
Mahadev!  
What happened?  
What happened, Kanji?  
See him.  
He calls himself God.  
I can see him.

He can see you.  
My name's Krishna,  
your new neighbour.  
Neighbour?  
Neighbour?  
The person Kanji had  
mortgaged his house to..  
..has sold it to me.  
Here are the documents.  
And, Kanji bhai,  
sorry for thatjoke about God.  
What's this?  
How can he sell my house to him?  
I was about to pay him on time.  
I already paid him.  
This isn't done.  
This is my house.  
Nobody can just buy it.  
Relax. Chill.  
When you get your  
compensation from God..  
..you can repay me, I will leave.  
And anyway, I always leave  
after my project is over.  
Why buy the house  
when you want to leave?  
Are you a agent?  
I am not that low.  
I've a consultancy firm.  
I give advice to people.  
- Advice.  
Anyone who thinks of me.  
Public service.  
Service open to all.  
A solution to every problem.  
Sometimes it gets slightly delayed.  
But...I always get there on time.  
There's delay but not denial.  
Just like I came here,  
to help Kanji bhai.  
Help me?  
I found out about your condition..  
..only after I brought the house.  
The court case, lost your shop..

..and your wife and children too.  
Kanji bhai, don't worry.  
You can stay here.  
In return,  
I will only use your things.  
Television, fridge, etcetera.  
Fine, but remember..  
..one day I will  
buy this house back from you.  
So be it!  
I mean, I promise.  
He's a nice man.  
- Something you said.  
No, just.. Cheers.  
Calls himself God.  
I think he's drunk.  
Thank you, for letting  
me stay in my own house.  
Thank you so much.  
Thank you.  
I will sleep outside  
on the terrace.  
And you can sleep  
wherever you want.  
It's your house.  
Thank you. Goodnight.  
And yes,  
the light switch is at the back.  
Switch off the lights  
before you go to sleep.  
Another power failure.  
No. you switched it off.  
- No, I didn't.  
You're drunk.  
So?  
I see.  
Go...go...go...Govinda.  
Go...go...go...Govinda.  
Go...go...go...Govinda.  
Case on God admitted. Paper,  
paper, paper.  
High Court has put it's seal on it.  
Through the notice prepared  
by advocate Hanif Qureshi..

..Kanji Lalji Mehta's case  
on God has been accepted.  
I think he's mad.  
I'm leaving.  
Hey Jigna, what happened?  
See, his wife ran away.  
Who can live with that madman?  
I don't even talk to him.  
Or the Lord might  
punish us as well.  
What a splendid bike.  
- But, who is he?  
I think he arrived just last night.  
Who's playing this classical music?  
I've heard that the new  
guest is really handsome.  
Don't I look handsome?  
Get inside.  
Hey, Hari Prasad.  
Hey, Chaurasiya.  
What's all this?  
I was waking up the birds!  
What? Who?  
I was waking up the birds!  
Practice. I was practising.  
It's a good thing to  
do in the morning.  
Don't do it.  
Don't do all this in my house.  
It's your house you can  
play anything you want.  
Good morning.  
- What?  
Not me,  
there's a lady in your house.  
Hello.  
Hello.  
I brought breakfast.  
I thought since sister-in-law  
isn't home, so..  
- No need.  
I'll have bread and butter.  
Where's the butter?  
I ate it.

There was half a kilo of butter  
in there, you ate it all.  
It's my favourite thing.  
So I ate it.  
Tell me one thing.  
Why do they make it so salty?  
Just like his name.  
Are you all alone?  
Your wife?  
- Of course.  
Sixteen thousand..  
- What?  
She lives in Sholapur.  
What did you hear?  
- Sixteen thousand.  
No, she lives in Sholapur.  
He can't handle one..  
..how can I have sixteen thousand.  
Please go. He's a big liar.  
He was boring me yesterday.  
Please go.  
- Give it.  
If you eat all that  
you'll get a stomach ache.  
First half a kilo of  
butter and now this.  
I'll be fine.  
Hello.  
- Sir, I'm speaking from ABP News.  
I am standing below your house.  
Sir.  
Look, I don't want to be  
a piece of news for you.  
And don't call me again.  
Sir, just one interview.  
Since he filed a case  
against God, he's become alone.  
One has to tread  
on such a path alone.  
Let's see how far our friend goes.  
The advocate who  
prepared Kanji's notice.  
He lives that way.  
Excuse me, advocate Hanif Qureshi.

He lives right there.  
Where does advocate  
Hanif Qureshi live?  
He lives right there.  
Advocate Hanif Qureshi lives there.  
155 letters, and calls too.  
Bhuj, Latur, Vishakapatnam.  
Their claims haven't  
been approved..  
..for the past few  
years due to 'Act of God'.  
All they all want you  
to defend their cases.  
Son, I've lost my  
house in the earthquake.  
My son and his wife died too.  
This is my grandson.  
His cancer needs to be operated.  
If I get the insurance money,  
everything will be alright.  
This is Aslam.  
Hello.  
- Hello.  
He lost everything in the Tsunami.  
He lost all the money he had  
saved for his sister's marriage.  
So you file a case too.  
I'll be cast out..  
..if I go against  
the priest or community.  
Look, Aslam.  
You aren't going against anyone.  
Those who taught you religion,  
taught you to pray..  
..you're just questioning  
them why Allah did this to you.  
But, the priest..  
- Aslam.  
When you lose your home..  
..will the priest let  
you stay in his house?  
Religion is for people,  
people aren't made for religion.  
Hanif, how long will it

take to ready their papers?  
As long as it will take me to type.  
Let's begin.  
First one crore, and now  
claims worth 400 crores.  
Kanji Mehta!  
Advocate Sardesai  
is caught between..  
..the insurance company  
and religious organizations.  
For God's sake,  
prove that God exists.  
And...and...  
make God pay all this!  
The temples, mosques, churches,  
they will pay everything.  
Kanji.  
Wasn't your fight with your God?  
Silence please!  
- So why call me here?  
Priest, how can I say  
which God of which religion..  
..was behind this earthquake,  
or that Tsunami?  
That's your department.  
Your Honour, they're in  
constant touch with God.  
They're always in contact.  
Why don't you tell me  
Who was responsible?  
Why would our God harm  
people of our own religion?  
God will never do such a thing!  
Silence.  
- He loves his children!  
Allah doesn't hate  
his followers either!  
Relax.  
- Please be seated.  
The court needs some time  
to study all these cases.  
Anyone related to this  
case cannot leave the country.  
What?

Court is adjourned.

Long live..

- Kanji!

Long live..

- Kanji!

Long live..

- Kanji!

Long live..

- Kanji!

Long live..

- Kanji!

Long live..

- Kanji!

Long live..

- Kanji!

Long live..

- Kanji!

This is government property,  
you're safe here.

But how will you escape them,  
in temples, churches and mosques?

What are you thinking, Leeladhar?

This has gone beyond the limit.

Stop all the shams that you're  
running in the name of faith.

Otherwise, the day isn't far when..

..no one will even spare  
alms in the name of God.

Thank you.

You don't understand, Leeladhar..

- Thank you.

This is actually a serious matter.

People are making him a hero..

..and the claim  
amount is increasing.

Will you just tell us about  
the problems or do something?

Next week,

I've a religious programme..

..on the Star Cruise, in Singapore

And the judge says

I cannot leave the country.

Do something.

- I would.

But it's the court,  
not the parliament..  
..where we can break a few  
chairs and the job's done.  
It's the court.  
Let me think.  
Well, there's one way.  
I know it's an old idea..  
..but these days  
it's a lot in fashion.  
Laxman Mishra guarantees..  
..that you'll get  
the sympathy of people.  
I guarantee it.  
Thank you.  
Lord blessed us with everything.  
The earth, the air, water,  
the flora, fauna, everything.  
Did He ever ask us for service tax?  
- No?  
Did he ever ask us for sales tax?  
- No.  
And today, a madman has  
dragged Him to court..  
..so, will we stay quiet?  
- No.  
We will fight.  
We will fight together.  
And so, guiding us on  
this path, our beloved..  
..and revered Sri Siddeshwar  
Maharaj will fast unto death.  
He will go on a hunger strike.  
Glory to..  
- Siddeshwar Maharaj  
Today's the third day of  
Siddeshwar Maharaj's hunger strike.  
Many religious  
organizations and devotees..  
..from different parts of the country  
have supported this movement.  
On the other hand,  
Kanji Lalji Mehta..  
..has refused to talk to the media.

He won't take a sip of water.  
He won't stop.  
He's an ascetic.  
Repeat after me, Glory  
to Ram, glory to Sita-Ram!  
Hare Krishna! Hare Krishna!  
Hare Krishna! Hare Krishna!  
And what does God say?  
Awaken the power of your devotion.  
And go tell Kanji, you  
can do anything you want.  
We will continue..  
They're defaming me  
taking Krishna's name.  
Mine too.  
What have you got to do with this?  
I do.  
When they're defaming you,  
they're defaming me too.  
You're my friend after all.  
Look, Kanji bhai, it's  
the era of publicity.  
These imposters like to show off.  
I am fighting for my right,  
that's all.  
And you will win this fight  
only when you expose their lies..  
..and that's possible only  
when you speak to the people.  
Even Krishna had to  
enter the ring to kill Kans.  
Enough of your fairytales.  
But I did understand one thing.  
Now watch...  
how I expose them and their God.  
He's not going to spare me.  
Hello, and welcome to  
a very special episode..  
..of Oh My God!  
Why is this episode special?  
Because Kanji Lalji Mehta..  
..is finally here to  
answer all your questions.  
Many of you think

he's crazy and cynical.  
He's the person who...  
filed the case against God.  
Kanji bhai, welcome to our show.  
My first question is..  
Why are you after all  
the religious sects?  
You media personnel, I tell you..  
Your questions sound  
more like allegations..  
..and make us sound guilty.  
I respect all religion  
and don't believe in any.  
This man will never change.  
And if God exists,  
he will answer all my questions.  
Not just that,  
he will support me in my fight.  
How?  
When you were small, a small child.  
What would you do to ask  
your papa for chocolate?  
I mean, would you chant his name.  
Papa, give me chocolates.  
Or, did you venerate  
him with incense sticks..  
..or throw flowers...  
- No, I didn't do any of that.  
I would directly ask him  
whatever I wanted.  
- Exactly.  
Exactly. I'm doing the same thing.  
People have always told me,  
that God is like a father-figure.  
Maybe? But how can I believe,  
as long as I don't see Him.  
You're an atheist,  
how can God appear before you?  
Eat. Eat.  
Kanji bhai, even I believe that  
God's like a father-figure.  
- Yes.  
So, will he appear before me?  
Do you believe in temples,

idols etcetera?

Yes, I do.

- Then He won't.

But why?

Because you're searching  
for Him in temples and idols.

Then why does

He have to come personally?

No, this is wrong.

God does exist.

I couldn't find

a decent job for two years.

I prayed that if I find a job,

I will shave my head.

And see, I found a job.

Oh, you shaved

off the entire thing.

Just imagine.

You're all dressed and  
leaving for work in the morning..

..and as soon as

you open your door..

..you see a pile of hair.

Black hair, white hair,  
some with dandruff.

Some have lice.

There's a pile of  
every kind of hair.

Tell me how you will feel.

I won't like it at all.

Isn't it? So,

imagine how bad God feels.

God opens his door,

and there's hair scattered around.

Kanji bhai always  
has the right logic.

Do you know what's

done with all these hairs?

They are sold.

These hairs are sold in America,  
London, etcetera...

In short, your faith is sold.

That's it.

He is right.

He's got a point.  
But that money is used to  
run schools, orphanages..  
..hospitals, charitable trusts.  
Do you have a problem  
with that too?  
It's just like a tobacco  
seller builds a cancer hospital.  
They have to do  
these things, madam.  
Because all this  
is unaccounted money.  
If you don't show  
any legal transaction..  
..then the Income Tax  
people will put you behind bars.  
I've a problem with their  
way of extracting the money.  
Just like the mafia  
scares us with a gun..  
..these people scare us  
in the name of the Lord.  
That's a good one.  
Your child's stars  
are unfavourable.  
He's unlucky.  
There's an inauspicious  
issue in his horoscope.  
Saturn's influencing his stars...  
What is this?  
He is just born, let him breathe.  
And this is where all  
their religious hoaxes begin.  
Not just this lifetime,  
but they also scare you..  
..in the name of  
your next life. Yes.  
If you don't do this and this..  
..then you'll become a  
dog in your next lifetime.  
Or, if you do this,  
you'll be born as a insect..  
..and go to hell.  
And then, they read out an

entire itinerary of hell.  
You'll be made to  
sleep on a bed of nails.  
Thrown in the sea of fire.  
Fried in hot oil.  
Am I a man or a fritter?  
Wonderful, Kanji.  
Too good.  
So, what's the definition of  
religion according to you?  
I believe, where there's religion..  
..there's no place for honesty.  
And where there's truth,  
you don't need religion.  
He's absolutely right.  
What's the role..  
..of caste and  
religion in a person's life?  
They do just one thing, madam.  
Either it makes them helpless.  
..or a terrorist.  
He's too good.  
He'll never change.  
- Sister.  
Oh my God.  
Oh my God, Kanji bhai.  
Really, you've changed  
my concept about God.  
Honestly.  
No matter what the  
verdict of the court is..  
..the young generation today,  
not just the young..  
..but every generation  
needs to think like you.  
I applaud you.  
Hey, guys. He's my father.  
Sanskrit chants.  
Sanskrit chants.  
Just a minute, priest.  
Explain us the  
meaning of these chants.  
Priest, your fees is  
500 rupees, right.

We will pay you that.  
We'll pay you 5 rupees for  
every mantra you explain.  
Let's go.  
They've seen Kanji  
bhai's interview as well.  
Let's go from here, come on.  
- Priest.  
Someone placed a big stone  
in the middle of the ground.  
And a few people anointed that  
stone and adorned it with garlands.  
Now, people call this  
the temple of Hanuman..  
..they tie bells here and pray.  
This is the only ground.  
Where else can we play?  
If the BMC doesn't do anything..  
..then we will talk to Kanji bhai..  
- Yes, yes..  
No, no. That man spares no one.  
I will move this temple.  
Hail Krishna.  
Hail Krishna.  
Hail Krishna.  
Hail Krishna.  
Hail Krishna.  
Hail Krishna.  
Hail Krishna.  
- Miracle.  
Swami.  
- Yes.  
Relieve me from this hunger-strike.  
Each time I've to go to the  
toilet for eating the fritter.  
Manage a few more days..  
..otherwise you'll have to  
starve for the rest of your life.  
You've rented such a big ground.  
But now nobody comes here.  
The few that are here..  
..are the ones who  
rented this dais to us.  
I fear that if people  
start believing in Kanji..

..then they will  
lose their faith in us.  
What if they stop  
coming to the temple?  
That won't happen.  
In this country,  
people visit the temple..  
..more than they visit the school.  
The High Court has  
accepted 455 cases..  
..but we'll have  
to wait and watch..  
..Kanji Lalji Mehta's  
argument in the court.  
Siddeshwar Maharaj.  
What's the area of your temple?  
22 acres.  
It has 322 small temples of God.  
Meaning, there's an entire  
shopping mall of Gods inside.  
Silence.  
There are 142 priests to serve  
the Lord in all these temples.  
Do you know how many  
beggars are outside your temple?  
What?  
- Beggars.  
You remember the 320  
idols and 142 priests..  
..but do you know how many  
beggars sit outside your temple?  
Your Honour, the beggars  
outside their temple..  
..are restricted  
from coming inside. No!  
Whether its scorching heat, or  
rains, just keep rotting outside.  
Don't set foot inside.  
Don't say no.  
A priest from your  
temple told me so.  
And he also said to me..  
..Kanji bhai, if you  
want to win this case..

..then come here every Monday.  
So I asked Where should I come.  
He said, Come to  
Lord Shiva's temple.  
Offer a bowl of  
milk and then watch.  
I thought, fine, let's try it.  
Your Honour, I went  
there on a Monday..  
..with a bowl of milk,  
standing in the long queue.  
Everyone was holding  
bowl in their hands.  
I thought there must be  
someone inside to drink the milk.  
All of them aren't fools to  
stand in the line holding a jug.  
It was my turn, Your Honour.  
I went inside, but  
there was no in there.  
No one to drink the milk?  
Just then I noticed black stone.  
It's called 'Shiva's phallus,  
you fool.  
Yes, there was a 'Shiva's phallus.  
And that stone.  
That stone was  
completely immersed in milk.  
And right besides the phallus,  
through a small drain..  
..the milk was going outside.  
I thought Yes, there must be  
someone outside to drink the milk.  
But when I saw there was  
no one outside as well.  
All the milk was  
going into the sewers.  
The sewers.  
Total waste.  
And there was a beggar  
standing right besides the sewer.  
He must've been hungry  
for the past 4-5 days.  
He was shivering.

Maybe he wanted to drink the milk..  
..but he couldn't do  
so from the sewers.  
I gave that beggar my bowl of milk.  
And do you know what  
he said after he drank the milk?  
God bless you!  
If every person  
visiting the temple..  
..gives the milk  
to a needy instead..  
..then they will earn more merits.  
Right?  
If you donate  
blankets to a poor beggar..  
..instead of offering it to shrine,  
it will make Allah happy.  
And if you light a candle  
in some poor man's hut..  
..instead of the church, they he'll  
never have to live in the darkness.  
Don't you believe in God?  
- I am God.  
And I am Amitabh Bachchan!  
Look, Kanji.  
Offering milk, candles,  
blanket is a tradition.  
Worshipping the Lord.  
But you won't  
understand their value..  
..because you are an atheist.  
You're still bounded by  
the illusions of this world.  
But you aren't.  
You're at the  
threshold of salvation.  
So, why not stop the shams under the  
pretext of rituals and traditions?  
Do you know how much oil  
is wasted on Saturday..  
..on Lord Shani's idol?  
People stick coins  
on the idol like this.  
What will Hanuman do

with all that change?  
Kanji is absolutely right.  
Sai Baba lived in poverty  
all his life, for the poor.  
As long as he was alive..  
..he wandered around  
for a drop of oil.  
And today, after he's dead.  
Throne worth millions.  
Gold crown. What for?  
Tell me one thing.  
Anyone who is a  
faithful devotee of the Lord..  
..is blessed with His grace.  
Right?  
Right?  
- Yes.  
So tell me,  
why does a bus heading..  
..for a trip to Amarnath or  
Vaishno Devi falls in the ravine?  
They were going to serve the Lord.  
They were going with complete faith  
and singing religious discourses.  
So, the Lord called them directly.  
And show me one car  
which met with an accident..  
..and doesn't have God's  
idol or photo kept inside.  
Speak.  
- 1 object, Your Honour.  
From day 1 this man's  
trying to twist the case around.  
Mr. Kanji, this isn't  
a debate about good and bad.  
This is the court,  
we only believe on proofs here.  
And we have proof, your signatures  
on the insurance papers.  
And legally you have no right  
to ask for any compensation..  
..from the insurance company.  
And as far as we're concerned.  
We don't believe in the

insurance company's conditions.

If they say that the  
judge caused the earthquake..

..will the judge have  
to pay you compensation?

Similarly, if God's name  
is written on the policy..

..he isn't liable to  
pay the compensation.

If you want God to  
give you compensation.

Then prove that God  
caused this earthquake.

He did..

- But, in writing.

Do you have it...in writing?

Do you have it? Any proof?

Your Honour..

- Mr. Kanji, the court of law..

..cannot give a verdict  
on just arguments alone.

Your arguments maybe  
valid for the common people..

..but if you cannot  
prove them, it has no value.

Do you have any proof?

No.

- In that case, the  
court gives you a month's time..

..which is your last chance.

On the next hearing, if you  
cannot produce any evidence..

..then I'm afraid you will have  
to rest your case and all others.

Court is adjourned for the day.

Relax.

Next time I see you  
in this courtroom..

..I will sue you for defamation,  
and you'll lose..

..whatever you have left.

Relax.

What will you do now? How will  
you prove it in the court now?

Because you're not alone,  
Mr. Kanji.  
It's a matter of crores of rupees.  
Many people have hopes with you.  
Sir, how will you get a proof in writing?  
- Sir, what about these people now?  
You aren't playing  
your flute today.  
You don't like it,  
so I'm sitting quietly.  
I like it. You play it well too.  
Thank you.  
You look worried.  
- Yes.  
The court says get us proof,  
and in writing.  
How do I get proof?  
There's a consultant sitting  
right next to you, ask me.  
This isn't some housing loan issue.  
It's a court case.  
It's a big problem.  
I've a suggestion.  
Give me the alcohol.  
You drink this milk.  
You want me to mix them.  
No, no, just drink the milk.  
And I will give you the solution.  
You know, Kanji,  
where's the solution..  
..to all the problems,  
tensions and trouble written?  
Where?  
- In this book.  
'Shrimad Bhagvad Gita.'  
Have you read it?  
- Who can possibly read it?  
It's such a thick book.  
And not a single photograph.  
How can anyone read it,  
it's not interesting at all.  
I used to keep it in my shop.  
But it would fetch a small margin.  
Plus it catches termites.

It causes problems.  
So I threw it out.  
Threw it?  
- Yes, I threw it.  
You threw the Bhagwad Gita out.  
- Yes.  
Wow!  
- Why?  
Kanji, the Gita,  
Bible, Koran has answers..  
..to every problems of humans.  
I know you don't  
believe in all this.  
But for your own good,  
read this book once.  
And see the result.  
And if the result isn't good..  
..then you can throw it out.  
Kanji bhai read it once,  
and then see.  
I am not human.  
I am sold in stores.  
I created the world.  
Not with mud,  
but with my emotions.  
I am wandering around..  
.looking for my signs,  
where are they.  
Where are my signs?  
Stop begging in the name of Allah.  
Stop begging and do some hard work.  
My signs.  
My signs.  
I was always with  
you as your shadow.  
I gave you shade when  
the heat was strong.  
I was your  
companion in your journey.  
Still you're confused.  
Looking for your  
answers in the question.  
Where are you lost?  
Where are my signs?

Where are my signs?

My signs.

My signs.

My signs.

My signs.

My signs.

Wear your slippers.

- Oh.

Thief.

Those are my slippers.

Where are my signs?

Sir, shoe polish.

- No.

Sir, recognise me.

The beggar outside the shrine.

You told me to make

an honest living.

Shake hands, shake hands.

My signs.

My signs.

Today's the last hearing on

the case filed against God.

The claim amount

is 400 crore rupees.

Can Kanji bhai win this case?

We'll have to wait and watch.

You can please proceed.

Your Honour,

before Mr. Kanji can express..

..his sharp and witty

views before the court..

..without any reference,

I would like to ask..

..does he have any evidence,

to prove..

..that God has demolished his shop?

Your Honour,

I require a learned man..

..for the next

question I'm going to ask.

So, whoever amongst you is

the learned one can come here.

The learned one, please come here.

Please sit down.

Good. You come here, Swami.

Come.

You sages always speak  
about the scriptures..  
..in their preaching.

Is everything written  
in the scriptures true?

Absolutely.

It's not written anywhere,  
you're saying that.

It's written in the Gita.

It is.

What's written in the Gita?

Chapter four, verse forty of Gita.

Sanskrit chants.

Sanskrit chants.

Meaning?

- It means..

Any illiterate, or faithless  
person that doubts the Gita..

..is destined to ruination.

He stays devoid of  
sanctity on earth and on heaven.

Understood?

He's an interesting character.

Do you understand anything written  
in The Gita or the Scriptures?

Or are you blindly agreeing..

..to whatever Leeladhar is saying.

Your Honour, small  
children in school..

..don't remember the entire prayer.

So they just close  
their eyes and...

Move their lips.

They move their lips and  
you're moving your hands.

Kanji.

You've insulted a learned sage.

So?

- You won't get refuge even in hell.

How can I?

You've already

reserved places there.

How dare you?  
How dare you?  
Atheist!  
Silence.  
- Leave me! Leave me!  
What are you doing?  
This is the court, sit down.  
Order, order.  
Sit down everyone.  
Sanskrit chants.  
Sanskrit chants.  
Sanskrit chants.  
Sanskrit chants.  
Chapter 2, verse 56.  
Meaning, a person for whom  
happiness and sorrows is equal..  
..and is devoid of anger and fear,  
and has a calm mind..  
..is called a learned person.  
They'll teach me Gita?  
They can't teach me, Your Honour.  
Their IQ is lower than  
the room temperature.  
I said a few things  
to instigate you..  
..you tried to harm me.  
Is this your achievement,  
Siddeshwar?  
Mr. Kanji, the issue  
isn't his achievement..  
..the issue here is  
who razed down your shop?  
God did.  
You're giving a verdict.  
That's the judge's duty.  
You just have to prove..  
..that God caused that earthquake.  
Yes, and it's  
impossible to prove that.  
Relax, relax, relax.  
Nothing is impossible.  
Tell me one thing.  
The Lord has narrated the  
'Bhagvad Gita'.

- Yes.

And everything said in  
the 'Bhagvad Gita' is true.

Absolutely.

Point to be noted, Your Honour.

So tell me, why did God say in the  
eight verse of the ninth chapter..

..of the 'Gita', I've  
created the entire universe..

..and it will be  
destroyed on my will.

The entire creation  
follows my will.

It is only I, who is responsible..

..for its creation  
and its destruction.

And look.

Your Honour, it's been  
said in the Bible as well.

Chapter 54, verse 16.

See, it is I who have  
created the smith..

..who blows the fire of  
coals and produces a weapon..

..fit for his purpose.

I've also created the  
ravager to destroy.

And see this.

Also in the Holy Quran.

Sur-e-Zalzala 99,  
verse 108 states that..

..the entire earth will  
be shaken to its core.

And the earth will  
spill out its burden.

And humans will question,  
what's happening.

And that day, she  
will unveil her plight.

Because the Lord  
would've ordered her to do so.

The Lord.

All these things

mean the same thing..

..that my shop was razed down..  
..due to the earthquake  
caused by God.  
That means it is an act of God.  
It's His doing.  
And, all those who  
have suffered losses..  
..due to Him, will have  
to be compensated by God.  
Otherwise, their collection agents.  
Your Honour, Mr. Kanji is  
trying to confuse Leeladhar..  
..with his words.  
Mr. Sardesai.  
What are you doing?  
Let him speak.  
If it's proven that God exists..  
..then we won't have to pay.  
I see.  
Now you want to blame us completely.  
- Be quiet.  
You cannot blame the Lord  
to hide your sins.  
- Be quiet.  
Because only we have  
a copyright on God.  
Copyright?  
- Silence.  
Just because you  
constructed a few temples..  
..you think God belongs to you..  
Beware.  
Our community won't spare you.  
What's he..  
- Silence!  
Relax.  
Until today I had heard  
that God is venerated..  
..He is worshipped, prayed to.  
But now I see that  
Gods have copyrights too.  
God's copyright?  
These people have  
turned God into a brand.

Now I am assured  
that God doesn't exist.  
Not possible.  
Because if He really existed..  
..he would've rid  
the world of imposters like you.  
I've already proven what  
I wanted to, Your Honour.  
Now the verdict..  
Mr. Kanji, are you alright?  
Mr. Kanji, are you alright?  
Mr. Kanji.  
Kanji bhai! Kanji bhai!  
Kanji bhai! Kanji bhai!  
What's wrong with my brother?  
Someone get water.  
Kanji bhai! Kanji bhai!  
Thank you.  
- Call the ambulance.  
Call the ambulance.  
Yes, he's here.  
Excuse me.  
- Just a minute, just a minute.  
Let me through.  
- Please let us pass.  
You cannot go inside.  
- No, no, no.  
Please, I said you cannot..  
- But he's my husband.  
I want to see him.  
Doctor, is he alright?  
It's a severe attack of paralysis.  
And now he's gone into coma.  
He's on ventilator and..  
..only God can save him now.  
The 400 crore in compensations  
under the 'Act of God'..  
..will now be paid out.  
It was his wish that  
we should pay, so we did.  
Great, Lord.  
Where am I?  
Don't say that.  
You're in the ICU.

Your wife and children are outside.  
No one's allowed inside.  
Then how did you come in?  
I came here to wake you up.  
It's time for you to get up.  
You cursed God from your heart.  
And where's the heart?  
On your left.  
So God has paralysed  
your entire left side.  
I am not saying this..  
..it's the media outside  
spreading this rumour.  
I can cure you if you want.  
So, you're a doctor now.  
I am all in one.  
Want to see a miracle.  
Soaring around on the  
bike isn't called miracle.  
I see.  
Here we go.  
Krishna Vasudev Yadav, from Gokul.  
Do you believe now?  
You're my mother, and my father.  
You're my friend,  
and my companion.  
I've donned the same  
form you always see..  
..on televisions,  
calendars, movies.  
I've been seen in  
this form for ages.  
And I'm standing before  
you in that same form.  
But Kanji bhai, I'm not like that.  
You really..  
Forgive me, forgive me.  
Just like a devotee is  
incomplete without his God..  
..similarly, God is incomplete  
without his true devotee.  
Why didn't you show me  
this miracle before?  
That's the problem.

Friend.  
I am Krishna,  
that's why I perform miracles.  
I'm not Krishna,  
because I perform miracles.  
That means you're real.  
God exists.  
And God isn't my father-figure,  
he's my friend.  
I am everyone's friend,  
but no one understands me one.  
People gave you a high position.  
And you staggered.  
Yes, but I am not  
like people think of me.  
I've common sense too.  
I am not interested  
in people's offerings.  
I want them to  
distribute all this to the poor.  
All I care about is their faith,  
their love, their belief.  
Just a minute.  
Belief?  
But I never believed in You.  
I was an atheist.  
Why did You show  
yourself to only me?  
Kanji bhai, sit down.  
Do you know what atheist means?  
Someone who examines, thinks,  
understands..  
..and says that this is wrong.  
The Lord doesn't exist.  
He's an atheist.  
That's why I appeared before you.  
Because you did  
everything a true atheist does.  
And a true atheist can  
become a real believer.  
People come to me for  
their own self-interest.  
They come with  
different exchange offers.

Exchange offer?  
Lord, if I pass my SSC exams..  
..I will walk to  
Siddhivinayak for 5 Tuesdays.  
If Dominic's agrees to marry me..  
..I will light 11 candles  
at Mt. Mary.  
If my wife gets pregnant..  
..then I will come and  
offer a blanket at your shrine.  
Different offers.  
And those who can't  
blame me for it.  
They say, we couldn't go there..  
..because the Lord didn't call us.  
The Lord didn't call?  
Do they need an invitation card..  
- Yes.  
Do you want me to write  
you an invitation card?  
Don't I have anything better to do?  
And anyway, Kanji bhai,  
I am present in every element.  
I am omnipresent.  
If you're present everywhere..  
..why have they built temples?  
I've my own house.  
I don't want to live  
inside those four walls.  
Then? Why did you  
create such a religion?  
I only created humans.  
And humans started religion, caste.  
And it's been going  
on for years now..  
..because you need it.  
But one should  
discard such a religion.  
Never snatch the religion  
from the people.  
If you take them away,  
they will make you their religion.  
You don't believe it, do you?  
You've been in coma for a month.

Let me show you what has happened..  
..in the past one month.  
Look.  
Kanji Prabhu paid me  
a visit in my dreams yesterday.  
And he said he's  
the 11th Avatar of Lord Vishnu.  
What's going on?  
Kanji Prabhu appeared  
in his four-armed form.  
Holding the mace, the conch..  
People all around the world..  
..are seeing signs  
of Kanji's Godly form.  
I was on night duty.  
I just closed my eyes.  
And someone slapped me.  
And that's when I heard a voice,  
No sleeping on duty.  
Circulate a few miraculous  
stories of Kanji in the market..  
..and people will  
spread it like wildfire.  
I had seen Kanji Prabhu  
flying with his scooter.  
He appeared suddenly.  
10 feet, 15 feet, 20 feet.  
Brother Kanji is God.  
He is God.  
The 'dharma gurus' have accepted  
Kanji bhai's Kalki avatar..  
..asked for an  
apology and have decided..  
..to pay the claims  
worth 400 crore.  
It was His will that we  
should pay, so we did.  
But why are you making him God?  
Who told you that he is God?  
Do you know...when you will die?  
Do you?  
- No.  
I don't know either.  
But he has decided his death day.

On 16th December as soon as  
we switch off the ventilator..  
..Kanji's story will be over.  
But this time we've  
incurred heavy losses.  
400 crores in insurance claims.  
One crore to the doctor.  
And the expense to  
construct the temple.  
It's a onetime investment,  
Mr. Mishra.  
We'll recover it in a year.  
And anyway, we haven't had  
a new God for a long time now.  
Hail Lord Kanji Wala.  
Hail Lord Kanji Wala.  
Om Lord Kanji Wala.  
Sugar's high,  
feeling breathless too.  
Cure my swine flu.  
- Cure my swine flu.  
I am going.  
- Mahadev, wait.  
Where are you going so hastily?  
Forsake your anger.  
The bed besides  
Kanji bhai is empty.  
Do you want me to  
reserve that for you?  
He will forsake his  
body on his birthday.  
His shrine will be built  
right where his shop was.  
That isn't all. Now watch this.  
All arrangements to transport  
Kanji bhai's tomb has been made.  
You snatched their business..  
..and they made you their business.  
Yes.  
Kanji bhai,  
they've made an estimate..  
..to earn 450 crores  
from your temple.  
You're God, you

should've stopped them.  
Friend, I would've ended the  
battle of Mahabharat in a second..  
..if I had picked up the weapon.  
But that isn't my job.  
My job is to show  
people right and wrong.  
This is your temple, your battle.  
You decide what you should do.  
Fight if you want to,  
or stay quiet.  
Save him, please doctor.  
We cannot do anything now.  
And anyway, it's his last wish.  
He is God.  
Just a minute.  
Wait here, we'll  
bring the dead body out.  
Donate as much as you wish in the donation  
box kept in front of Kanji Prabhu..  
..and have your wishes fulfilled.  
The rate for VLP line is Rs. 101 .  
Welcome, welcome, Mahadev.  
Swami, our very own Mahadeveshwar.  
This is called destiny.  
Kanji's chapter's going to  
end right where it started.  
Kanji bhai's body has gone  
missing from the hospital.  
The hospital  
administration has no explanation.  
Offerings made in  
clarified butter, only Rs.25.  
Where did Kanji disappear to?  
Call Mr. Mishra.  
There he is.  
He isn't Spiderman. Find him.  
I just found out. Don't worry.  
I am there. I'll do something.  
Kanji Prabhu's dead body can arrive  
in the truck anytime now.  
- Go on.  
Everyone please keep calm, everyone  
will get a chance to behold him.

photographs of Sri Kanji Prabhu.  
Kanji Prabhu's autobiography.  
You are a fool.  
I gave orders and you  
set out to look for Kanji.  
Who do you think he is?  
Let's get out of here quietly,  
otherwise..  
..the people won't spare us.  
Come on.  
Kanji is alive.  
Yes, I am alive.  
What are you staring at?  
I am the same Kanji whom  
you've turned into God.  
I don't know whether  
you're great or fool.  
I kept telling you don't  
turn religion into business..  
..you made him God and  
started your business.  
Tell me one thing.  
The world's so beautiful, why  
should God live only in temples?  
I say, have faith in Him.  
Believe in Him from your heart  
and you will find God.  
Try to find God in humans,  
and you will find Him.  
You will find Him in humans.  
Not in these stones.  
Not in these...stones.  
They played with our emotions.  
We won't spare them!  
We won't spare them!  
They spread the rumour  
of your death as well.  
They are the imposters.  
Listen.  
You kill two and there  
are two hundred more.  
Don't you see it on  
television everyday?  
Their real punishment is..

..let them leave respectfully.  
Let them leave in  
their expensive cars.  
And no one will set foot in  
their temples or hermitages.  
Get that.  
That will be their real punishment.  
Please leave.  
Faith and belief, are  
very addictive, Kanji.  
Once you're addicted to it,  
you cannot let go easily.  
All the people that you see here..  
..they are not God-loving people,  
they are God-fearing.  
Sooner or later, you might  
see them in hermitages again.  
Be fearless!  
So...won't you go along?  
Come on, break the idol.  
Papa.  
- Where? Where is he?  
I want you to promise that no  
one will ever drop a penny..  
..at any of the religious places.  
What are you staring at?  
Break the statue.  
Here, come here.  
- Come, I'll introduce you to Krishna.  
What?  
- Come that way.  
Look, Kanji bhai,  
they're felling the statue.  
It's exactly like you wanted.  
Look..  
Who are you looking for, Kanji?  
Didn't I say I am  
present everywhere?  
I am pouring on fields as the rain.  
And making nests  
along with the birds.  
I am also taking lunch  
with the ants down there.  
Are you fine?

- Papa.

Yes, I am fine.

Whom did you want  
us to introduce to?

No one.

No one.

What are you doing, Kanji?

Don't wear this around  
your neck as a talisman.

You finally succeeded  
in explaining people..

..that this is wrong.

Throw it.

Throw it away.
