"Mystery disappearance of  
Star Shorinji fighter in Tokyo"  
Hong Kong Police  
Koryu, listen carefully.  
Your brother, Mansei Lee,  
disappeared while trying to infiltrate  
a Japanese drug smuggling group.  
Your brother is an undercover  
drug agent with the Hong Kong Police.  
He was sent to Japan  
to conduct an investigation  
on Central Trader.  
Central Trader?  
It's one of the largest  
drug smuggling groups in Japan.  
They're guarded by  
brutal martial arts experts.  
You mean my brother is...  
We don't know yet.  
We have another agent working there,  
but we've lost contact with her.  
If we could only get in touch with her  
we could find out if your brother is alive,

and uncover the drug smuggling route.  
Your mother is Japanese  
which means  
you have some Japanese blood.  
You even have relatives in Yokohama.  
Moreover  
you're the only person I can think of  
who is capable of doing this job.  
I know this is a very difficult job.  
Will you accept it?  
This is our agent, Fang Shing.  
The meeting place is  
Club Mandarin in Yokohama.  
Eight o'clock on the third Saturday  
of the month. The signal is...  
...a rose.  
Yokohama  
Welcome.  
Hello.  
- What can I get you?  
- Spaghetti.  
One Spaghetti.  
Hey, cutie. Are you alone?  
Let us show you a good time.  
Come on.  
You bitch!  
You bitch!  
Koryu!  
Leave it to me.  
Jiro!  
- Here you go.  
- Bastard!  
I see.  
You're still the tomboy I remember.  
You must be hungry after all that  
exercise. Feel free to eat a lot.  
Well, it's a good thing you didn't get hurt.  
Anyway, Koryu. You look so grown up.  
I almost didn't recognize you.  
You are quite famous in Japan as  
Hong Kong's Martial Arts Champion.  
Koryu, please give me a lesson  
one of these days.  
Reiko. Don't be so bold.

You're only a beginner.  
Stop it, you two.  
They're always like this.  
I guess it's in their blood. They are  
just like their cousins, you and Mansei.  
I wonder where Mansei is.  
I did everything I could  
to find him.  
But as I told you before,  
I found nothing.  
I hope he's alive.  
Don't worry, Uncle.  
My brother is a very talented fighter.  
Even if someone is after him,  
he's not an easy target.  
I will find him no matter what.  
Here you are.  
Fang.  
Why did you leave the boss's house  
without permission?  
We suspected that you were a spy.  
Come with us!  
- Hey!  
- Come back here, bitch!  
Get her!  
- Come back here!  
- Stop!  
You bitch!  
For Christ's sake!  
Don't be such a pain.  
Take her.  
Get in here.  
Fang Shing.  
What the hell...  
Son of a bitch!  
Our boss doesn't accept mistakes.  
To make up for your screw-up,  
find Fang Shing and kill her.  
Now that Mansei's sister  
from Hong Kong is here  
the Shorinji Tokyo School that  
Mansei belongs to will get involved.  
The guy who took Fang Shing  
may be working for Fujita.

Oh, Inubashiri.  
Stop!  
I heard you failed.  
Hayashi. Why didn't you  
leave it to us?  
It would have irritated Fujita, since you  
consider the Shorinji clan your enemy.  
Who cares!  
Even if it means  
selling my soul to the devil  
I want to destroy  
the Shorinji clan with my own hands.  
Fujita disgraced me  
and I must clear my name  
in order to remain in  
the Japanese martial arts circle.  
OK. You got it.  
This will be your first assignment.  
Check out Fujita  
and all of his aides.  
Shorinji Tokyo School  
Branch Master Tetsuzo Fujita  
Close your eyes!  
Shorinji Kempo enhances  
the harmony of the body and the mind.  
Power and love are inseparable.  
Defense is paramount.  
First comes the defense,  
then comes the attack.  
Your strength and the love in your heart  
are one and the same.  
Use your strength and love  
to ground yourself.  
Remember the underlying philosophy  
is harmony between you and others.  
That means half for you  
and half for the others.  
When others feel pain,  
you must feel that pain.  
This mutual prosperity is  
the basic spirit of the Embu...  
...the exercise  
we are about to practice.  
Stand!

First Byakuren'ken.

Ready!

Sensei. Lee's sister is here  
from Hong Kong.

- Koryu is here?

- Yes.

So you are saying  
a large drug organization  
is behind Mansei's disappearance?

Yes.

Some people say he was a drug addict  
and got killed

while working for the organization.

My brother is innocent.

I don't believe

he's that kind of person either.

How can I say this.

I have developed faith in him  
through our martial arts training.

He just won the title  
to represent the Tokyo region  
at the Shorinji National Championships.

I remember him talking  
about you in Hong Kong.

I think it was the day  
before he disappeared.

He said he was hoping that you would  
get married and live an ordinary life.

He really cared about you.

He was a drug agent  
for the Hong Kong Police.

A drug agent?

And what are the police's  
intentions now?

They can't do anything yet  
since there is no evidence.

Koryu. Do not worry.

Even if the police aren't helping,  
the Shorinji won't give up on him.

We'll find your brother.

Believe me.

There is a young girl here  
as crazy about Shorinji as you are.

Emi Hayakawa. That's her.

She is about your age.

I think you will get along well.

Sensei, who is that?

That's Hibiki...

...son of my late friend Rintaro Hibiki,  
who was a genius at Shorinji.

He is ex-captain of  
a university karate club.

Ex-car racer.

Ex-bodyguard to an ambassador.

An interesting fellow. He's leading  
an unconventional life, just like his father.

And actually, I've secretly asked him  
to search for your brother.

OK. That's it for the day.

- Thank you very much.

- Hibiki!

This is Mansei's sister.

Where did you take Fang Shing?

I took her to a safe place.

Don't worry.

Where?

The Shinobu Kojo Ballet Studio,  
which my girlfriend owns.

Fang Shing.

Is my brother alive?

Or has he been killed?

I don't know.

He sneaked into Kakuzaki's basement  
trying to find some evidence.

That's too dangerous!

He was frustrated.

We haven't got  
anything on Kakuzaki.

But more and more heroin  
is coming into Japan.

He couldn't wait any longer.

He risked his life to...

What's the matter, Fang Shing?

You're not as into it as usual.

I'm getting bored with

TV shows recently.

I'll show you

a good action movie.

Spingel,  
Soshinryu Martial Arts  
That was the last I saw of Mansei.  
Koryu.  
This is Mansei's.  
I found it in the basement.  
Fang Shing!  
What is it?  
Are you OK?  
Drugs...  
I need drugs!  
Drugs...  
Fang Shing! Fang Shing!  
It's Kakuzaki.  
He forced me to take the drugs.  
Fang Shing!  
Give me the woman  
you took in for Hibiki.  
How dare you!  
You have no business here.  
Shut up!  
Wait!  
Move.  
Shinobu Kojo,  
Ryukyu Kojoryu Karate  
Tettoso,  
Takasagoryu Blowgun  
Fang Shing.  
Koryu!  
Please let me know  
if there is anything I can do.  
I would like to help Mansei.  
Emi.  
I was his Shorinji student.  
Four years ago, when  
some gang members tried to rape me  
your brother rescued me.  
That's how I got into Shorinji.  
I see.  
- I'm glad to have met you.  
- Me too.

Inubashiri.  
Have you found Mansei's sister  
from Hong Kong yet?  
She hasn't showed up  
at Gyokudo's restaurant in Yokohama.  
Perhaps she's hiding  
at Fujita's Tokyo School.  
Not good enough. Fang Shing  
might have told her what we're doing.  
We must kill Koryu.  
Mr. Kakuzaki...  
...look at those freaks.  
Why bother? You should have  
used me from the beginning.  
It's none of your business.  
They are my pets.  
Some rich men buy race horses  
or keep an expensive dog as a pet.  
But I keep unusual humans  
instead of animals. It amuses me.  
Are you saying that  
I'm one of your pets?  
You win.  
You're still as sharp as ever.  
I killed fifty bulls with my bare hands  
in South America, you know.  
Inubashiri, why don't you  
leave everything to me?  
Be my right hand man and I'll give  
you the biggest martial arts school ever.  
Alright. I'll put my life in your hands.  
Take this money.  
It should last for a while.  
Boss, you can tell me anything.  
I'll show you how I do things  
around here. It's quite interesting.

I can see everything that's going on  
in the house from my room.  
He's my guinea pig. I've been trying  
all kinds of drugs on him.  
I've found that human beings  
can take quite a bit of heroin.  
Mansei Lee.  
You know him?  
Of course. He's one of the best students  
at the Shorinji Tokyo School.  
I just injected him with 1.2 grams of heroin.  
That's almost a lethal dose.  
Well, we didn't have to go  
looking for her, did we?  
Hey, how did you get in?  
Get out of here.  
Hey, hold it.  
Come with me!  
Hold it!  
I'm Inubashiri.  
I have been waiting for you.  
Since you'll be dying soon,  
I'll tell you this much.  
Your brother is alive.  
He is in Kakuzaki's basement,  
and he's a wreck.  
So the lady dragon  
was no match for you after all.  
She was just a girl.  
The sharks must have eaten her by now.  
By the way,  
about the new martial arts school...  
Don't worry. I can make  
as much money as I want.  
I'll show you.  
These are the wigs that Central Trader  
imports from Hong Kong.  
This one is worth  
three hundred million yen.  
Three hundred million?  
The hair comes from Southeast Asia  
with high-grade heroin sprinkled on it.  
That's the secret of  
Central Trader's rapid growth.

Excuse me, boss.  
He's here again, asking to see Mansei.  
Mr. Kakuzaki,  
would you please let me see him?  
- I can't stand to see him like that.  
- What do you mean?  
You're the one who asked me to spare  
his life. That's why I didn't kill him.  
Please, just this once.  
I just want to give him  
some homemade cake. See?  
"Koryu will rescue you soon."  
Mr. Kakuzaki, please.  
You can beat me all you want.  
But please stop doing  
experiments on Mansei.  
I beg you. Please!  
Shut up!  
If you ever try to betray us again  
I will kill all of your family.  
Out of the way!  
I'll fill you with lead, bitch.  
Quick! Put the fire out!  
Put it out! Move it!  
Hurry up.  
Koryu!  
Koryu.  
Damn it.  
Emi!  
What? Koryu is alive!  
Are you sure?  
Inubashiri, the lady dragon  
just attacked our wig warehouse.  
You said you killed her.  
It's impossible.  
You fools!  
A whole truck load went up in flames.  
Boss, there can be no doubt that  
Fujita is helping Koryu.  
This is an opportunity  
to destroy both of them.  
It will solve all our problems.  
Mr. Fujita  
I'm here for the people

who robbed the warehouse.  
What are you talking about?  
Koryu Lee and Emi Hayakawa!  
Mr. Fujita.  
What about the spirit and discipline  
you always talk about?  
In reality, you make your people  
act like gang members.  
You've gone too far, Inubashiri.  
What prestige? Huh?  
What tradition?  
If you won't give me those women  
then fight me!  
Wait!  
I'll take you on.  
Hibiki.  
Let me take care of them.  
It'll give Shorinji a bad name if you  
fight such lawless people.  
How dare you!  
Sensei!  
Inubashiri, go home  
and tell your master  
that the Tokyo School will  
take him on any time.  
Hibiki!  
You won't be promoted  
fighting like that.  
Gyokudo.  
Get Koryu out here.  
Koryu?  
Yeah.  
Inubashiri is finished.  
Now it's your turn to be useful.  
Please. Please don't kill her.  
I'll make sure  
she goes back to Hong Kong.  
I beg you.  
Koryu is hiding at Fujita's.  
Here. Call her right now.  
She is an enemy who knows  
our drug smuggling secrets. Here!  
They are both part of my family.  
I can't let Koryu suffer like Mansei.

No, I can't.  
- Not Koryu. Kill me instead.  
- Shut up!  
If you want to disobey my orders, that's fine.  
I'm sure you'll enjoy this, anyway.  
Reiko.  
Reiko!  
Stop. Stop!  
Daddy!  
Help! Daddy...  
Please Mr. Kakuzaki.  
Please let my daughter go.  
Stop it!  
Daddy! Please help me.  
Please stop it.  
Give me back my daughter. Please!  
Stop it! Let her go!  
Stop!  
Stop! I will...  
I will call Koryu.  
Oh, you will?  
You stubborn fool!  
Call her now.  
Hello. Uncle?  
What's the matter?  
Is he really?  
I just received a call from Mansei.  
He said he's escaped.  
He's still in hiding...  
...so meet him  
at the old factory in Harumi at three.  
That was his message.  
OK. At the old factory at three.  
I'll be there.  
Mansei!  
Koryu. You just walked into a trap.  
Emi.  
Has Koryu called yet?  
Not yet. It's not like her  
to leave the school without a word.  
Something must have happened.  
Dad! Reiko!  
What happened to you?  
Dad, Koryu is missing.

Do you have any idea where she is?

Koryu...

I don't know.

I don't know anything!

Something is wrong with both of you.

Tell me what happened.

Nothing! Stop asking questions.

What is it, Reiko?

It's too late!

Koryu must be dead by now.

Daddy!

Please tell them everything!

You and Kakuzaki are...

Kakuzaki?

Dad. What's going on?

Mr. Gyokudo,

please tell us everything.

Actually, I...

- Dad!

- Mr. Gyokudo!

Uncle!

- Dad!

- Daddy!

Dad, hang on.

Koryu...

You're still alive...

This must be a punishment  
for betraying you.

I was...

I was working for Kakuzaki.

I needed to borrow

some money for the restaurant.

And I got drawn in deeper and deeper.

Uncle, do you know

where my brother is?

He is in the dungeon...

...in Kakuzaki's basement.

Dungeon?

Koryu...

- Dad!

- Uncle!

- Daddy!

- Uncle!

Let's go.

Boss.

All the wigs we received today  
have been stored in the basement.

Make sure to re-enforce  
security around the house.

Haven't you found anyone  
to kill the lady dragon yet?

Actually, we have.

Oh, who is it?

Akazawa, a former priest.

Well, well. I hope you didn't come  
here to preach a sermon.

Interesting.

Let me see how much power it has.

Try it on Mansei.

I wonder if it'll crack his bones.

Mansei.

Mansei. Get up.

Stand up!

The boss has ordered you to fight.

Come on. Stand up!

Walk!

Mansei! Are you alright?

Koryu. You again?

Mansei.

Mansei.

Koryu.

How terrible.

Hang in there, Mansei.

I got your locket.

Koryu.

The drugs have destroyed my body.

Promise me...

...you'll destroy

Kakuzaki's operation.

Your efforts weren't a waste.

That piece of hair helped uncover  
Kakuzaki's drug smuggling operation.

I see. That's good.

Koryu.

Don't worry about me. Go!

Mansei.

Mansei.

Koryu.

People say you're a Shorinji expert,  
but look at yourself.  
Everyone who opposes me  
goes to Hell.  
Now it's time for the  
invulnerable lady dragon to die.  
Just like her brother.  
After her! Go!  
Get her! Hurry!  
Well done, lady dragon.  
But unfortunately,  
you won't leave this house alive.  
Kill her! Go on!  
Hold it!  
Who the hell are you?  
Kakuzaki,  
you have to deal with us now.  
How convenient!  
I'll take care of all of you at once.  
Kill them all!  
Kenichi!  
- Are you OK, Koryu?  
- Yes.  
I told you to stay home.  
Girls slow men down.  
Useless trash.  
Koryu!  
I've got this under control.  
Go after him!  
Koryu.  
Now it's just you and me.  
Koryu.  
You dropped this.  
I know it's important to you.  
Koryu.  
Koryu!  
Let her be.  
The End
