The Other Guys

By Adam McKay

In New York City is a
fine line between law and chaos.
On that line live Danson
and Highsmith.
Why I decided on this
roof to crawl?
That can be linked to poor
choices in life.
Shake the bastard off.
-- The 'Oo' I heard.
Guest, a dent in my hood.
Come on.
Problem.
Can someone call 1--1--hell?
S me tired.
The pot.
-- Hold.
You have the right to be silent ...
but I want to hear you scream.
On the ground.
Investigators.
One by one.
Rick Rayston, New York Observer ...
on the Internet.
These suspects were arrested
with 113 grams of marijuana.
A crime in some States.
Is this case worth so much damage?
Why let New York City
to answer that question?
The largest city in the world.
Sarah Campon, TMC edition.
Danson, the rumors
Kim Kardashian you and where?
No comment.
But, yes.
Danson and Highsmith,
three hotdoggen forever!
No drinks.
I can not do.
Danson and Highsmith
shooting and driving style.
They are rock stars.
Then you have the jokers ...

the nutcrackers,
and then the other guys.
We know it.
Okay, listen ...
Tonight we celebrate something
in Butter.
Brody Jenner is there. Bai Ling
Jenni Farley Short Dallas Bitch of Jersey Shore.
And most of you are on that list.
-- You're the best.
I can also speak,
about a guy from Australia ...
with a dream.
-- Arnold Schwarzenegger.
Let me finish.
He was a champion
and then a movie star.
Damn, let me finish.
They have ruined the story.
What it comes down to is
that we could not do our work ...
if you do not have the paperwork
did not like what we do.
All the shooting, chase
and the sex that we do not want to but ...
I can do through you.
Thanks.
And do we all the time.
-- Shut up, you!
If we want to hear you, I put my hand
in your ass and move your mouth so.
Can you hear me?
Collect.
Peace and out, sluts.
Boys. Say it.
Come on. Close enough.
Something back.
One more thing ... Yes, perfect.
This is their paperwork and you
they do not know yourself.
This work is just like Bob 's wife.
Fat, ugly ...
Danson and his fingerprints on it.
Not bad meaning.

Who wants it?

-- I.

Paper and Yankee Club Slut doing.

-- Thanks, Allen.

Thank you, Captain.

-- I do it.

Humming that song is not.

-- I can if I want.

I know, but I ask to stop.

Then I stop it.

-- Thanks.

So stop grinning.

Now you my emotions cover

by how you feel so ...

that does not work.

Seriously, stop humming.

This is not accounting or where

you and your calculator does.

Forensic accounting.

An important part.

Yes, do not be so happy about kutwerk, idiot.

Guys, a reminder:

Police picnic this weekend.

My wife makes her famous

eggs again.

My waist is furious.

-- A bad time, Bob!

I'm going to show a slice of food.

You know what I did?

I went out that door ...

saw a pair of detectives, and was

just talk behind your back ...

but I stopped myself because my

Dad said that such a man a coward.

I really appreciate that.

-- Well, because I say it directly.

That should not.

-- I should not.

I found a fake cop.

The sound of your piss in the urinal ...

sounds feminine.

If we were in the wilderness ...

I would attack you, even if

You do not belong to my food.

If I show a lion, and you tuna,
I should swim to get you to eat.
And I fuck your girl tuna.

First:

They are afraid of water.
If you do besides' s River
water or a place ...
true that. But in the ocean?
Very deep, because I suppose in South Africa.
Against a mature tuna,
with his 20 friends?
That you lose.
Nine chances out of ten.
And you came to our school tuna,
and now we have lion taste.
We communicated and said:
Lion tastes good.
Let's get there.
We need a system made
to you and your family to pursue.
And we honor you and put children down.
-- How do you do?
Building a respirator,
with seaweed.
We can absorb oxygen.
The days are not.
But hours, no problem.
Enough time to see where you live.
Back to the sea, more oxygen
and stalking you.
You lose your own game,
with too little manpower.
Did you like that thought?
No.
Two minutes before the opening
of the market by Pamela Boardman.
Also present was David Invested
Ershon which owns 40%.
How many losses?
You may now call Mrs. Boardman.
-- 32.
Million.
-- No, trillion.

Chinatown, going three triad members.
I had two.
Then the leader out.
-- I feel over there.
I hear whistling. My partner on the roof.

He says:

He throws me to the shotgun
and I shoot him through the chest.
The game is over, sluts.
Jimmy, let us talk
how did you feel that story.
Like a Viagra pill in my face.
I know it's tempting.
Your friends will be impressed bring ...
but this is serious stuff.
This is shooting in the field.
Hoitz officer.
Here we go.
-- Something to share?
Rather not.
-- You have six months.
And you said nothing.
Safe environment here without opinion.
Dork.
-- That's judgments.
Forward.
-- I relive it every night.
The Bronx, in October.
Semi World Series.
I could not meet the heavy pressure
, and stood in the tunnel.
Then I saw 's shadow.
I said stop.
This access is prohibited.
When I pulled my gun.
And he began to run.
I shoot really, you know!
Are you deaf? Can not you stop?
Dick, I'm Derek Jeter.
You shot me down.
For that game, you
I owe \$ 20.
The lost city 's championship.

I almost got a top position with Murder.
And now I sit at 'n hen and
everybody calls me Yankeeclubber.
Derek Jeter shot you down.
-- He's a biracial angel.
You had to shoot Abraha.
Slut paper, how you doing?
-- Boys.
Paper Slut.
-- Looks nice, but I find nothing.
Highsmith Danson and paperwork?
-- No, actually ...
What is this?
-- A legal permission for construction.
A specific proposition.
-- There are rumors ...
why you never in the office shot.
-- Good point.
I do not get it?
-- You never fired your gun in the office.
We all do, the test bomb.
-- I know you do not respect ...
I'm not stupid. They take
my weapon then.

Clarification:

And you poops there if you do not.
When was the last test bomb?
-- September 2008.
Be a man. Do it.
Please do it.
-- Just pop it.
Here we go.
He did 't.
-- Shot fired.
I have my first test done.
It is really, eh?
-- A test bomb?
Of course not.
-- They were so convincing.
They deceived me.
You must issue weapon.
-- Yes, sir.
If you really want to deprive him,

remove the batteries from the calculator.

I give you this:

used for ceremonies.

I give you this back when I feel
you it can handle.

I have two jobs:

Here and Beyond Bed Bath &.

I just helped a guy
so he can test his bisexuality ...
to a DJ. Something like
this is the last thing I need.
Just think for a minute, boys.
Be smart.

a sloopbal at a jewelry store.

We go down there.

-- Good luck.

I have work to do.

-- This is work.

Danson and go Highsmith

is severely off.

Creampuff, wait.

-- It kidding?

You can not tethered to me.

I am a peacock, so I must fly.

He called himself now as' n peacock?

We go.

Come on, guys.

Wednesday night is taco night.

The second of the week.

Stop, monkeys!

Forward.

Hands up.

Special Forces.

-- Intersection.

These are professional.

Think what I think, partner?

-- Focus on the bushes.

Agents discuss further about the

Highsmith day Danson and jumps.

Maybe it was just their pride

that led them to death.

Maybe pushed them off their egos.

No idea.

But that was really crazy.

Anyway ...

there was a hole in New York City
that had to be filled.

Two days ago we lost
two heroes who gave us everything ...
who gave the ultimate sacrifice
so we are safe on the streets.
There was not even a sunshade.

-- No.

They jumped from 20 floors.

-- Succeeds at anything, you know.

Hopefully they let God .357
take to the sky, to ...

This is our moment.

For the guys to be.

We are 's funeral.

Show some respect.

What? Do not you think that all the
rest think the same?

Danson and Highsmith are gone.

It fell apart.

Someone should fill those spots.

And that's us.

The city longs for heroes.

-- Is that so?

What about nine million social
residents each give their input?

You play as king

not a cop and robber?

As a child I went to school,
made my bed ...

and when I was eleven, checked
I accounts for my parents.

There were big mistakes,
and I got house arrest.

What are you doing?

-- Well, well.

Look what we have here.

Two monkeys.

One shot Jeter

and the other shot in the office.

Have some respect to 's funeral.

Want to dance, huh?
I'm going to change your body with hooks
so you bleed out your ass.
Terrible.
-- Take it easy, man.
Touch him and I turn
together with Alan's head.
He does not, but
that's a weird example.
Would you?
-- I like!
Give him a thrashing.
My condolences.
-- Nice hat.
Beautiful shoes.
-- All right. Forward.
Do it.
Go for the winner.
Nobody saw it.
What's going on here?
Two good men are dead
and you fight ...
about who the next guy is?
-- Yes, I am whole.
Let me say something about them.
They knew you to show a good agent ...
to your business to resolve.
You may need to
Castian raid start.
Calm now.

Next time:

-- Completely wrong.
I am the winner.
-- You would not stand up for me.
I could myself to.
-- Vlei yourself.
Partners Code.
I had no choice.
-- Stop with this nonsense.
Good morning.
Large quantities of cocaine.
Stay out of trouble.
Who do not want to take it?

-- No, too busy.
Ladies, do you know it?
We go for it.
You keep good here.
-- Go for it. Much energy and focus.
Shut up.
-- Can I speak to you alone.
I'm really busy.
-- No, but very quickly.
It is about the construction permission.
-- The Scafelton offense?
This is our thing.
What have you got?
-- This.
In your neck.
-- What are you doing?
We go to that call.
What is this?
-- We go to the car ...
and behind that case.
-- You will not shoot me.
No? I shot down Jeter.
An accident.
-- Be sure of?
Forward.
Does anyone?
He aimed a weapon at me.
I am kidnapped.
No one and we're in 's police?
What happened?
I woke up, took the belt
of my neck and fled with my car.
So a rough weekend.
-- I thought I had to shoot.
What are you going to do Bar Mitzvah's.
What the hell is this?
-- My car.
A Prius.
-- If we literally 'n ride vagina.
Detective Hoitz and Gamble
behind those at 518 East 10th.
Negative, Martin and Fuzzy
in two minutes. Out.
We'll see who's first.

-- Stay out of our crime scene.
Driving!
Feel your balls vibrate all
and the butterflies in your stomach?
You certainly do not testicular cancer?
-- I have something.
Let's go cause some harm.
No.
What is that?
-- LRB. Little River Band.
If I go shopping for
a training bra.
No music then.
-- You gonna die, Hoitz.
Your death warrant is signed!
-- Faster, or I'll shoot in your foot.
America!
The brake.
Slow down the car.
We are inside.
There is a lot of cocaine.
You are now called 'America'
when you went faster?
No.
I had my foot never fully
pressed on the accelerator.
I was enthusiastic.
Here we go.
Beautiful stamp on the crime scene.
A Prius?
-- Yes.
Many kilometers?
-- Excellent.
Did this with a rubber dam?
Got it?
A bird poops it out yesterday.
-- That they put tampons on wheels.
They have had their pleasure.
-- Like Scarface sneezed on your car.
You should all backwards.
We take it over.
"At the crime scene. LOL. "
-- Good tweet.
America was always determined

by its excess.
The Grand Canyon, professional
sports contracts ...
Wendy's bacon and eggs, extra bacon.
I myself have 18's Lamborghini.
And a Subaru station wagon.
And precisely because of this excess
I can give you work.
Do not stop making a profit.
Please live for excess.
It's the American way.
Mr. Ershon, this is for you.
Ershon David.
-- David, do not you call back ...
So Roger meets Wesley.
-- Good evening.
They go on because you fit
I do not trust.
Ridiculous, I'm not going anywhere.
The Lendl Corderly out on the 26th.
Me not want to loss.
I got a new investor.
-- Take their money and pay us back.
Yes, I will say that he does not
should keep an eye on me.
Okay, honey. Bye.
She was exaggerating.
She is a woman.
So you can go.
I've heard everything.
-- Ladies and gentlemen, Board ...
who ensured that I
my first billion earned.
That man.
-- No.
On the side.
You think I'm not a real cop?
-- As I am honestly very often.
We are at "a big thing.
Property.
and no declaration.
According to this guy talk Geeves
currently at the Plaza Hotel.
Is that your big thing?

Returns?
And you go along.
That's a wooden weapon.
That hurts, man.
Little River Band is always there.
About six CDs.
Meet me behind the building.
I fly to Singapore.
Douglas, what is it with female?
She's dead.
-- Well! I'm in two minutes there.
Another thing I hate:
You pay more exactly.
You're just mad because
I have a pretty wisseltas.
Why do you care again?
-- How can I not?
You are the worst winds.
Not male.
Ridiculous.
-- They sound like a baby.
A small ...
-- You criticizes me ...
because you've never voted.
-- Sure. In 1998.
Like a child 's leather jacket.
On the side.
-- Are you David Ershon?
Yes, in fact, Sir David Ershon.
Does not. I am in a hurry.
Excuse me, but you are arrested.
You have the right to remain silent.
Everything you do or say can be used
as ... What 's next?
If a zwevingsapparaat.
Very funny. I have
ever arrested.
Seriously? Where is the camera?
Allen Gamble, we are in
a car covered with cocaine ...
and we bring a criminal inside.
David Ershon one.
-- 80 kg, thanks.
Shut up, man.

Martin and Fuz talk now
already established with Shepard Smith.
We arrest this bastard
for a little construction permission.
What am I arrested?
-- A construction authorization violation.
I have my insurance card ...
-- Relax, pal.
He drove right into us.
-- Go there. Wood.
The car is still big enough?
-- What?
Let them take me.
-- Bandit.
Why she looks at you like that?
My car.
We do not ...
exchanged insurance information.
Excuse me. Why they took our shoes?
What just happened?
-- Where's my iPhone?
We have already walked 30 blocks.
Why do not we call the office
for us to pick up a car?
No, they took our shoes,
weapons and vehicles. No chance.
If we want to do this,
what we need to solve.
You said I ski like a woman.
Do you know how I feel then?
Thought about that long list is weird.
I understand that.
Let's start from scratch.
Good. Zero.
Maybe we need to
Fabreeze Brothers call today.
I want you now to "save face."
Zero.
The latter.
-- I must be able to express ...
Everyone listen.
A high--profile kidnapping.
David Ershon, wealthy banker.
Multinational team.

Maybe a sleeper cell.
Double idiots, where shoes are you?
Your feet are black.
What's the difference?
-- Both the commander. Not good.
Bye, guys.
-- Come on.
This is Don Beaman, a lawyer representing Mr. Ershon.
Roger Wesley, head of security.
How you doing, asshole?
Quiet. He took our weapons.
-- And my shoes.
Have you identified as agents?
-- What is this?
Have you done that?
-- No.
Sorry gentlemen, we thought
that you Mr. Ershon abductees.
Single protocol.
-- Mr. Ershon has agreed to ...
Just to close this case.
I have all the paperwork done.
And you are lucky
that Mr. Ershon no complaint.
Thanks.
Special Forces, right?
Watch your step.
There are three things I love:
Kylie Minogue ...
small holes over a woman's ass.
-- Beautiful.
And the fear in the eyes of
a man who knows that I 'm going to do hurt.
It's over.
Come on.
Your shoes back.
And your weapons.
They have gained linseed oil.
One type of stain. Thank them but.
You're angry, eh Gene?
-- Do not call me.
I am your commander.
Remember the "be smart speech?
-- Of course.

What did you do?
We were not smart, Captain Gene.
Just commander.
I do not have a cat show.
That sounds weird.
The police was wrong to arrest
David Ershon.
Was he 's financial victim of profiling?
-- Financial profile?
That's crazy. He broke the law
and we arrested him.
There are no images.
He would not think they took him.
If you do hear
do you think horses not zebras.
Donkeys and deer have hooves.
And then animals?
Or do you now start from scratch?
-- Yes.
I saw it.
We go to my house, talking about it.
Some food, and you can meet Sheila.
We have two agents who have eating
talk about one thing. It is not dinner.
I offer my apologies in advance for
as my wife behaves like a bitch.
She is a great woman and
she loves to tackle.
I have a complete biography with pictures
compiled by David Ershon.
I got a new program.
Like me to do some editing on the weekend.
For example, I recently three minutes
Good Fellas cut off.
David is currently the Director Ershon
of Ershon Consortium.
Who is talking there?
-- Standard voice. Only 99 cents.
Ershon current Consortium
financial investment 70 trillion.
Its largest customers are Plow Sharing
Lendl and Global.
Lendl Global TV who has eyes.
You do not know what to do.

Oil, media and healthcare.
You know their slogan.
Global Lendl who have it all.
David Ershon is often in the company of
Judge Scalea and the singer from Maroon 5.
He might have connections with
drug cartels. Or black market traders.
Human beings, everything.
-- What makes you think that after what I just said?
The soup is ready.
-- What do you mean?
You will now have Terry. Sorry I
I hid but this dinner was difficult.
Who are you?
-- I'm Dr. Sheila Gamble, his wife.
Who is that?
-- His former wife.
Honey, this is a workplace.
You look like a snollebol that distracts.
-- You're at work, I'm sorry.
Come on, seriously.
Who is that?
-- That ...
That is the ball chain.
-- Come here.
Not right now.
It is not always the first choice.
-- Will you tell me who that is?
Are you really alone his wife?
People are shocked.
He is Episcopalian and I am Catholic ...
but, it works.
-- Go you still dressed?
I already did.
-- You look beautiful.
Terry, you do not polite.
She looks pretty rotted out.
Do not talk to her, Allen.
If I plug in my Cosmo program,
you have a six minute
Allen and his programs. He loves it.
He has three self--designed.
One of them, can I tell?
Take a picture of someone's face and says

how the back of his head looks like.
Rear face.
-- I get terrible reviews of the Gate.
It attacks.
-- Why are you Allen?
That is not what I meant ...
How did you meet?
-- A typical encounter story.
You are bored.
-- I was a dancer for the Knicks ...
When I finalized my training
Hospital in Colombia.
Allen came in first aid
with poison ivy on his anus.
I immediately fell for him.
Like that scene from that one movie,
I always forget the name. With Meg Ryan.
I remember nothing of a man who Meg Ryan
encounters with poison ivy on his ass.
It occurs to me to mind.
-- And you, Terry?
Do you have a girl?
-- If I had, yes.
We got married but she dropped out.
Complicated.
Terry has shot Derek Jeter.
-- Shut up, Allen. This was it.
That's okay.
-- She's Got Mail, which was the movie name.
With Tom Hanks?
Which had no poison ivy on his ass.
Yes.
-- All in there.
Thank you came along.
What a nice nice evening, thank you.
It was so pleasant.
-- Mutual. Thank you.
And all I'm asking is,
let him nothing happened, Terry.
She says that every time I leave.
I come downstairs and make
fresh sliced strawberries for him.
And I say to him: My little sweet,
whatever you do, let nothing happen.

Every morning.
-- Then I show my breasts and I say:
This home waiting for you.
It is not the biggest breasts ever, but ...
They are perky, firm and yours.
-- You're a sweet woman.
Thank you for coming.
-- Agents Hoitz and Gamble. About.
We've found your red Prius.
He wanted to vote for Ralph nator.
Come on.
-- Listen, sweet.
That car is full of fingerprints.
That we get through tomorrow 's system.
In 'n result
This case is very important.
Take it with them tomorrow. Thank you, Sheila.
He will take.
Good night.
Good night. Thanks, Sheila.
Bye, Terry.
-- Bye, Sheila.
I will never forget tonight.
-- Bye, Terry.
Whatever, go inside.
Bye, Sheila.
Bye.
-- I see you, Terry.
I do not know if he heard me.
Bye, Terry.
Here she is.
Abandoned to show a bridge.
Did you find anything?
-- Yes, many things.
From body fluids and hair samples, we proposed
that homeless people had an orgy in the car.
You know how they call?
A soup kitchen.
Rough lot.
Mama raccoon came along,
and ordered to the floor.
And do you find fingerprints?
I did not get a search warrant.
-- Well 's phone?

Yes, mine.
-- Any sign of a struggle?
Yes, everyone who competed
in this orgy.
They were all too willing,
They left behind a note for you.
Thanks for the F seesaw.
Dirty love Mike and the boys.
We need a dozen unopened
scratch tickets found.
Furthermore, no fingerprints.
That you can check yourself.
It is a pity, I own a Prius
it is a beast of a car.
This is my first really new car.
I've never had a new car.
The back was a baby mouse and show
used condom. Really dirty.
I have a free lot.
What will we do without fingerprints ...
a set of losing scratch cards ...
-- There were two minutes phoned.
Did they use your phone?
-- Unconscious. Someone sat down on.
Then their conversation included
his then Ershon was caught.
We need the other side
to hear that call.
No, it's nothing.
-- Nothing?
There is no other evidence.
Why do you so nervous?
What?
-- It is an ex--girlfriend.
What has happened to you?
-- She was just a handful.
Anything else?
-- No, it's so good.
This is our only clue.
We do this whether the cause is lost.
Let's see her.
Hello, Christinith.
-- Hello, Allen.
This is my partner, Terry.

-- Hi, Terry.
Take it easy.
-- Dude ...
I have four hours long you waited
in Tower Records.
That was 13 years back.
Arnold Palmer alarm.
Who wants a Palmie Arnie?
This is the vodka.
-- Put it down now.
I have things in bed with you done that
Since then I never did.
No.
That's your man, this is strange.
-- You're a lucky man.
Christine, this is a beautiful house.
-- It's Christinith, are you stupid or deaf?
Christinith, idiot. Are you in our home,
say the name of my wife well.
What?
-- Christinith.
We appreciate the hospitality ...
and we would like some info on your mobile
associated with n abduction.
I will let you listen in the kitchen.
The rest remain here.
Well, my dear.
-- Come on.
Here is my mobile.
-- Thanks to ...
I hate you.
Asshole.
Worse than you ever realized.
I hate you.
You're so cute, check your face.
Hey, I love you, Christinith.
You will probably think because of the beard
I'm quite hairy.
But that's not me.
Shaved.
I have everything go.
Come here.
You slept with my wife.
I do not know, man.

I just do not get it.
That girl was really nice Christinith.
Your wife is very good.
Even the Brazilian beveiliginsmeid
was very doable.
What is good with you and women?
-- First, my wife is nice but not nice.
You're crazy, your wife is dead good.
-- Want to hear what messages or what?
Whatever.
-- One size job, find a sucker ...
who wants to invest in you so you my boss
money you lost, you can repay.
Who does not interest me.
I might show a dork.
They talk about David Ershon.
-- To invest 32 trillion.
Who has 32 trillion to rob.
-- If I have money, I falsify the papers ...
their huge losses to show
and your employer to pay back.
As you follow me ...
I have to go to Park Avenue 2300.
And then 400.
-- See, not a security team.
He was kidnapped.
-- Apparently, but what ...
No one leaves our house.
-- Yes, God, they come out of nowhere.
That was 32 km.
-- You slept with my wife.
These are the offices of the lottery.
The tickets we found.
Ershon used the money from the lottery
to hide his loss.
-- What do we say Mauch?
He has lost money.
We need a call and address.
Still a half case.
It must be traceable.
We find that, then we can go Mauch.
I have the funds Ershon examined
and have found some interesting things.
Gretchel and Dawson have ...

Wait, I must.
Gretchel Dawson and auditing
New Jersey has only one customer.
David Ershon.
The best operation for such a man.
Auditors so that we visit.
That's a bad day.
Do you like this, they are very depressing.
-- Yes, they are full of history.
I'm late, my wife is.
-- You were still out?
At work continue to think.
-- Good. Bye buddy.
Get away from me.
What are you doing here?
-- I love you, Francine.
If you're with me, were you not
This strip club, swarming for money.
This is a ballet studio.
These poles are horizontal.
He loves you very much, Francine.
-- Who is this guy?
What are you doing here, Allen?
-- The code. I'm your partner.
I am here to my friend
and colleague support.
Francine, is this guy bothering you?
-- Is this your new boyfriend?
Wonderful you have a new friend.
-- He is my dance partner, Terry.
This is a big surprise but there are
other things in the world than his agent.
Sorry, I'm dancing.
-- Do you think that I can not?
That was surprisingly good, Terry.
-- I love you, Francine.
You do not know what love is.
-- He loves you very much, Francine.
I knew him already, thank you.
You're killing me inside,
and not stare at me.
You run around like a bunch of addicts.
It approves your good behavior.
-- Can you please just go.

And you too, scary guy in the doorway.
We experienced all
our own ballet today.
A ballet of emotions and feelings.
-- You make it worse.
Is it?
-- Yeah, okay.
I never knew you could dance.
We did it once to show
nichterig how it was.
You have to learn to dance the sarcasm?
-- Stay out of my private life I'm flying solo.
At work continue to think.
See you tomorrow in Jersey.
That was liberating for me.
I do not know how it was for you.
Look.
An article six months ago.
The lottery is 32 trillion
aggressively investing in a fund.
So he dealt drugs?
-- No drugs. This is not Miami Vice.
I have a gift for you.
I saw something and had to think of you.
I do not want it weird, just nice.
Of course it is strange that 's grown man
the other gives a gift.
Please.
Open it.
It's good, no thanks.
I enjoy such things.
Look what it says.
F.B.I female body inspector.
We are both in justice, love
women, but I got a weird sense of humor.
I got a sick mind. I must
there to laugh when I look at it.
So do I.
Very nice, real class.
Do not do that anymore.
-- Certainly not.
You understand what is so nice?
Because the F.B.I. same logo
and has medal.

On the first sight you think of 'n
mug with F.B.I. out.
But then you look again.
A female body inspector? Go away.
This is crazy.
-- Shut up.
I soon climbing over your wall of fury
and it is great.
Mauch, we say that we are here?
-- We'll just see.
But it is proceeding.
-- Terry never justifies.
I do what I do.
Which audit office is closed
at 11 am on Tuesday?
What a mess.
I like bombs.
-- I hear nothing.
There are blood blisters on my hands.
How to walk away so these guys in the movie
after an explosion? Impossible.
Bullshit.
When she saw the Millennium Falcon flying away
the Death Star, followed by explosion ...
That's all bullshit.
-- Star Wars was very accurate.
I got an MRI needed.
I have soft tissue damage.
That can not be otherwise.
I just want to go somewhere
and breastfeeding now.
It was a gas leak, they say.
Really. It was timing.
They only wanted to scare us.
-- This will be achieved.
I'm tired of this.
These explosions and weapons on me.
I want to go back to my desk.
Life is sometimes noisy
and that plays to your ears.
You can not your whole life
hide behind your desk.
Yes, I did for years.
There were no explosions.

No explosions in my ordinary woman
in my normal house.
What are you afraid?
I'm your partner.
What you hiding for?
I was a bum at school.
In college, they decided
the tuition increase.
A classmate of mine, Brenda, attempted money
raise funds to continue school ...
and came up with a plan to with men
go out there and asking for money.
I constantly go out with boys.
And I need help.
My crime partner.
I can make a roster.
-- I thought so too.
Chauffeur.
This is fun.
-- I had to help her with the dates.
That the boys paid her.
She would me a part of the money issue.
You were a pimp.
-- What? No.
I helped my girlfriend.
We started a lot of money.
Some of Brenda's friends
also wanted to participate.
Ultimately 14 women that I protected
while they gave me money.
It's called a horse stable.
I decided my real name
not to use.
I thought the name Gator.
-- You were a pimp.
Are you listening?
One day, I see myself in the mirror,
and I did not like what I saw.
Things got out of hand,
and I realized I was not.
As a pimp you have no conscience.
On a night were two favorites
girls, Candy and Jolien, along ...
and took me to emergency.

When I met Sheila.
I was a wreck.
I promised myself and her that I
never more so out of hand would run.
Once I had my diploma, was
I am an accountant for the police.
The most stable job ever.
An accountant for law and order.
I just want to never
feel so out of control as ever.
I will warn you.
I watch you.
We go to Ershon and see if it breaks.
I'm around that hupsen Sat
You can or whether you reach the shelf
panties aside, the choice is yours.
You want my panties aside?
-- You made a wise decision.
Gamble agent and agent Derek Jeter
has been shot here.
Gentlemen, please.
-- Do you know us?
Of course, please sit down.
As she sucks ...
Twice water.
No lime, cucumber only.
Why do we?
An explosion in your auditing.
That terrible gas leak.
-- The only leak is now out of your mouth.
Thank God nobody was hurt,
or no serious injury.
I really hate the dead.
-- Andrew Lloyd Webber, the show is over.
It was not beveiliginstead
that you were kidnapped.
You want to hide losses.
You talk like that Brugman
The flaws are not visible.
This water is delicious.
Have you tasted it?
Shut up, Allen.
No idea what you mean.
There is a small misunderstanding with the whole thing.

Accentuates the cucumber water
to show a way that ...
Maybe I like you my apologies
private first class tickets to give ...
Knickswedstrijd for access
Ambassador to the club.
Come on, Knicks.
I have the Knicks fever.
It feels like bribery to sit here.
-- That's it.
First class. I am blind.
Come on, let's go.
Call me.
That was a trick.
-- And no more.
Gentlemen, you have a choice.
Mamma Mia and Jersey Boys.
Unbelievable.
Damn, again.
No more tickets.
-- I tried to keep them in the waiting room.
All right, Susan, twice glacier
Mediterranean water with lime.
No more water.
-- I looked forward to it.
How awesome Jersey Boys?
-- It was not great.
It's fantastic.
It was too cheap.
The play, the costumes.
Great musical.
Come here.
What are you doing? Therefore we are not here.
We are doing good and bad cop.
It is not for nothing that the oldest trick
in the book. It works.
I'll be strong and you admit.
I'll be strong and admit you, okay?
Listen to me, piece of shit.
I'm going to whack each other.
How did you conceal losses?
At which drug cartel do you work?
-- I tell you, you're pretty.
Want to talk to me?

What are you doing?
I'll let you devouring a plate of human shit.
Stay away from me.
I'm really really great.
I saw you were aggressive and I thought,
I have over there.
Since we have bad cop, bad cop played.
No, I said good agent,
bad cop.
I'm the bad cop, you're good.
-- That's it.
I thought you said
bad cop, bad cop.
While you were crazy, I have this
taken from his desk.
It's his phone.
-- Good.
Seven calls to
the office of the lottery.
That would be the evidence
Mauch, which we need.
Go back, Colombian drug barons.
-- How are you taking?
Can you imagine what your career would now
Jeter if you had not shot?
On the side.
We are going to report this.
-- All the evidence we need.
Sorry, my butterfly.
Charge them and send them back to square one.
What?
-- Why, what?
Where are we?
We are in the high desert.
They have stolen my shoes again.
Why shoes?
Did they take a wooden gun?
-- Yes.
Hi, Gene ... Commander,
Allen Gamble.
Yes, where are you?
What happens?
That's a long story.
We are in Las Vegas.

We were kidnapped, to show a freight train put
and transported to this place.
Hold on, tell me no nonsense.
-- We think that something is going on.
We think the lottery as targets Ershon
in order to conceal his losses.
How many times have I told you,
Ershon to stay off of?
The commander wants to know how often he
has told us not to come Ershon.
Twice.
-- Terry says twice. I agree.
I hang up. I am done.
I am just beginning to be.
We are the super Fonsie agents.
-- Three, two, one. We arrested that junk.
I have 74,000 of diamonds.
Castian the case resolved.
-- Do they have taken only 74,000?
There is certainly millions of dollars.
-- If you're into your door?
Just keep your door.
-- Hoitz, Gamble, commander you are looking for.
I do not?
-- Yes, you too.
You know the prosecutor,
Radford, he is visiting.
I was just talking with Gene.
-- He prefers commander.
Yes, I was here with Gene at her talk.
It was funny.
No idea what you did ...
but people call me
that I would never call.
In 40 years in law enforcement, I have one thing

learned:

How's the family?
-- Well, thank you for your interest.
My son is bisexual.
-- Great.
Gentlemen, we understand each other?
No nonsense.
That man never comes here.

He is a kind of legend that man.

-- He has sat here.

You do not understand. They have your weapons
in the Hudson River found.

I love the wooden weapon over here.

So that really got my refund?

-- No.

I'm going to give you this.

This is a rape whistle.

To blow if you're in trouble.

Someone to show genuine weapon to help you.

We were kidnapped. This is real.

Ershon is wrong, the lottery as a target.

You provide all the evidence, that you think
to have the S.C.C. That's their jurisdiction.

This case speaks to us.

I'm a peacock, let me fly.

Peacocks do not fly.

They fly a little.

-- As much as a penguin.

One more thing, do not go behind waterfalls.

-- Quote TLC you are already aware.

I do not understand your reference.

-- You did not understand what you said?

I do not know what that is, get out.

-- Whatever.

How they got that story?

I do not want to be treated like a jerk,
while I want to do it right.

There is an election for the investment
of retirement soon.

So, if you stopped by ...

-- Damn, Bob.

What do you do besides people bother?

I am an asset to the state.

I make a good decaffeinated coffee.

Exactly, you're a worthless piece of shit.

You're right, Terry.

Why do I feel so sad constantly.

I'm going for a walk.

-- Say something.

Come on, Bob. I thought not.

I'm upset.

These ribs taste like a dog's ass.

Who would a dog butt roast
and her husband serve?

You.

-- You're terrible.

What is it?

-- We put the case.

I am sorry

I told Terry about my
dark time in school.

Came up many feelings.

-- That 's a long time ago.

You are not the same.

There's a darkness in me.

It wants out and wants to walk around.

It wants some pocket money
and wants to buy shoes ...

and wants to run people

and say nothing Gator picks

Gator picks never.

Honey, I'm sorry.

-- It's okay.

Remember the evening
we met?

The doctor said:

addicted pimp.

And I am gone.

Opened that curtain ...

and I saw you. You were weak.

Frightened, confused, in pain and crying.

I knew that you were not a pimp.

Who do not cry.

They do not cry.

No, they do not.

They have no tears.

Pimps do not cry.

They never let a tear.

Come join me safe

and love.

Every time you 'safe' says, break me.

Let me be who I'm going to be.

Allen, I'm pregnant.

Whose child is that?

Which man did you do that?

Gator his wives condom use.
I am sorry
Look, there I am talking about.
You should go. Go away!
Get out, Allen.
What are you doing here?
I have women's problems.
I come here almost every night.
What are you doing here?
Sheila and I had a fight tonight.
She has thrown me out.
Why?
Is not it strange that the robbers Castian
\$ 74,000 but took with them?
They are junkies.
Who cares.
No junkie is down
a 20 meters long rope climbing.
How are you?
We are going to build a sex party
in the red Prius. If you want to join.
Are you Dirty Mike and the boys?
-- How do you know us,
You had my note in the car.
-- Police, fart.
Agents, get out.
We lubricate his boys. Cops.
You make a beautiful Prius
a nightmare.
We have already had sex in your car.
It will happen again.
Where will I sleep tonight.
-- What do you drink. All brands.
I pay, come on.
-- No, I have a beer.
No, I'm talking about booze.
Drink with Terry Hoitz.
We have worked on this case rot
and we must all submit our evidence?
That is not true.
I got me a hangover.
Are you the police?
We are an independent research
working with the F.B.I and FR ..

corporate fraud at the stock market
stop.

And the Federal Reserve is the prison?

No, it is a thriving banking
which helps money in other banks.

Is that a waste?

-- Yes, there.

Is it?

Damn say.

Yesterday I was so sick that I thought
toothpaste that astronauts eat.

Come in, boys.

You're kidding.

You're Ershon's lawyer.

We give our research to you about?

There will be no conflict of interest
between me and David Ershon.

And if this were a real investigation,
I would immediately withdraw.

This is all the evidence we have

I hope you and this seriously.

Yes, of course.

I heard that you are the best
in these studies.

Outside Anrong and A.I.G.

and Bernard Madoff.

Worldcom. First Earn.

-- Thank you.

Want to sit?

-- No.

David is an honest citizen Ershon.

I play squash with him tonight in the club,
and we eat.

Listen, you're wise monkey in a suit.

You play squash with Ershon?

Are your kids to school with him?

How do you know whether or not clean?

I will look at your evidence,
and another look at the finances.

And when I get back, we will close David Ershon
in the Federal Reserve.

You understand the concept still does not.

What are you doing?

We just all our evidence

the enemy lawyer.
Are you a big man?
Me talk to you.
Did you wake up this morning and
put your big boy pants?
Look, I wear a belt.
I'm a big boy pants.
Stop.
-- We do not.
Do not be silly.
-- Is that how you express yourself?
In a democracy?
-- What are you doing?
I'm tired of you always
gets angry and shouts.
It's exhausting.
You're like the Hulk.
-- I am always so angry ...
because the more I want to do good
the more I screwed up.
We have a possible jumper on
World Financial Center Ciel, on the 23rd floor.
All departments. Firefighters on the road.
-- The S.C.C.
Beaman his office.
-- We gotta go.
But the commander.
-- We gotta go.
One possible jumper
at World Financial Center.
He must know something.
-- Wesley.
Agent Hoitz and Gamble,
We do this now.
I have an online lesson followed to
University of Phoenix in negotiating ...
I need a priest and a megaphone.
There is no megaphone.
-- Does anyone have a megaphone?
Police, I've potentiometer P.A. system.
-- Just turn on.
Mr. Beaman?
-- Go away.
Mr. Beaman Thurs.

-- It's Wesley.
My name is Wesley.
-- There is much to live for in this life.
Such as soft drinks, cold soft drinks major.
-- I do not care.
I know how to talk to him.
We all know that you're scum,
and no one cares what you order.
That's worse than I was saying.
I'm not going to lie to you, Thurs
People start to whisper that you
not dare to do.
Makes me nothing.
-- I say you can.
I do not want you saying that you jump
There are so capable. Look, he flies.
Stop it.
Half a bottle of gin, a chair overturned.
A clear sign of a struggle.
Make sure you have it.
-- Detective.
When you have finished your work you can go.
-- Ershon And the lottery has a target?
Want to know why Ershon
always called the lottery?
He went with that girl on the Power Ball.
That of TV with all the numbered balls.
She has a restraining order for him
requested last week.
It was all along under your nose.
You are being transferred.
What?
-- Traffic.
You go in the center.
It is finished.
Save yourself some petrol.
-- Commander.
Is there an objection that we ...
-- You do what you do, sir.
That hurts.
Where's my car?
Towed.
A homeless couple were there to mess around.
This is a police official.

-- You had me for a fool to keep.
Mauch is angry.
-- Really?
Detective to be, I was proud,
that's all I had.
Now that is gone.
I know, you got me.
-- Do not you? I do not want you Allen.
Never done well. I said
fraud offense that was worth nothing.
You still doubt me,
After all you saw.
It is a real thing
and I'm a real cop.
We just
Ershon the wrong target.
A rape whistle.
-- This is real police work.
There's nothing to you
that makes a man a man.
You have no weapon, no car,
no wife and no partner now.
Leave me alone.
Crazy.
-- FYI, I'm a cop.
A broken partnership.
-- I'm a cop.
On a kutopdracht placed.
Terry Allen and the circulation.
Sometimes when you are playing ...
then you realize what is real.
And what should happen.
Whether it is traffic control ...
or a fraud millions of problems.
Work here?
-- Yes.
The sloopbal in the Castian has come down,
who also have damage to your company?
A few cops came along
and have it sold.
You know how they looked?
One of them had an Australian accent.
-- Run your business with the state lottery?
No, my main client is Global Lendl.

What is this about?
Gator has his weapon needed, asshole.
Because it is a real cop.
I never told her to shut up.
A man who does
what should be done.
A man who knows how his dark side
should use to do good.
And then you move to Florida.
One, two, three, attacks.
I, Allen.
-- Tag.
Tick you off? You hit me in the face.
-- I tap off.
Are you crazy?
What are you doing? I had to kill you.
-- Switch off the lights.
What?
-- They can keep an eye on us.
Who?
-- I found some great information.
What?
-- Something seriously. Terry, this is great.
How did you get in here?
We can not be too careful.
-- What are you talking about?
This house can be intercepted.
-- No bugging devices here.
At first, I missed you.
-- What's going on?
Did you hear what I said?
-- I've missed you too well.
Thank you. I've found whose loss
Ershon that had obscure.
It's Global Lendl.
Lendl, the robbery at Castian ...
put in the scene to break
next door to the auditor.
They have taken all the documents with ...
all bad investments Ershon
to conceal.
You must not normally do.
-- I know.
Pretty link.

-- This is not good, Allen.
Hence, the commander
Wish we were out here.
I bet Beaman began to ask
and therefore make him murdered.
Tomorrow is a big business deal is closed.
Ershon leads.
I can not find out with the loser
They conclude this deal but we have to stop.
It's time to let the peacock fly.
-- I do not count. Me really like what I do.
Me too, we're agents.
-- No, I like what I do.
In road work is fun.
-- What?
I like to work in traffic,
I will not go with you.
Traffic? Nonsense.
What are you talking about?
-- I'm talking about my life.
The intersection of 54th Avenue.
It hums, it is Terry's crossroads.
And the boys of traffic
are good guys.
There's a guy, Phillip, who from
six meters away in the pot to piss.
You should see it, Allen.
-- This would be our time.
I am done.
I quit.
Go into the car.
-- Come on, we both know that it is of wood.
Attack in the apartment, the car now.
-- You will not shoot me.
I only shot twice.
-- Aim it not to me.
Tomorrow morning I go to Mauch.
-- That makes him nothing.
He circumvents this issue too long.
I want him to look at me and says why.
It is no longer news, it excites no one.
-- I hope I'm not alone.
Hopefully you bring it along.
We must be ourselves. There is a full moon,

People will be touchy.
Let's see if we have hot tips.
The new bath mats are.
Another thing. We have a serial rapist
in Crown Hights.
This is my other job.
Ignore it, forget it.
Ignore it if you do not live in Crown Hights.
You know, walking in Paris.
Gene Mauch asked.
I gotta go grab them
and be careful out there.
I would like to keep it together oaks,
and maple apart.
And that chalk boards ...
-- Commander.
How are you?
What are you doing here?
Are you here for the bath mats?
-- I want your honest with me.
Or, be honest with us.
-- Terry. Watch this now.
You could work in traffic today.
-- Let him do the blocks in the box.
Besides, the partner code, right?
-- Thanks.
Why are you working to rot
this case to kill?
You are located in deep water it.
Really deep. Ershon connected
with all higher operations.
And I should save what I can.
If you hide in rubbish in the world,
the world will eventually come when you knock.
Very nice.
-- From an episode of Touch by an Angel.
Keep it quiet and get real evidence,
I'll see what I can do ...
but if too much noise and
you draw the attention of the media ...
then the prosecutor there
and stop it, okay?
We're just church mice. There is a case in your
life where you getting off and that's it.

Make us proud.
Because I do not want fellows.
Really?
-- No.
This is a song by TLC.
-- What are you talking about?
Chasing Waterfalls, I do not want no scrubs.
-- I do not know to whom you refer.
It's like a tap.
-- Remember ...
if this is a mess,
We never talked.
You can trust us.
-- Very quiet, you have to sneak.
You say you do not crawl
TLC not to quote you.
You know that Danson and Highsmith
agents were not good, right?
That we knew. But who will
differently to a hero?
Do not cut
but maybe you do.
Are you ready?
-- Yes.
Highlights you are great.
-- Thank you.
Sexy but serious.
-- Thank you.
Who are these people?
I expected only one man.
People I owe money.
-- So here I am.
Who are they?
-- Freedom Fighters, entrepreneurs.
These dark men are businessmen
from Nigeria.
You owe money to Nigerians?
Yes, indeed.
-- You owe me one of them.
Thank you.
We better start.
This is good, we're in the game
and we know the score.
It annoys me that we do not know

Who Ershon his target.
Is the lottery? Who is it?
-- Who cares.
A rich stinker.
I'm very excited
about this deal.
I can assure you that every penny
carefully invested.
It is also exciting for us.
Our members will be overjoyed.
It looks like 18 percent in
the past decade.
Quiet as a church mouse.
Inwards and outwards.
I can feel tingling in my balls
feel that you were talking about, great.
I am an agent and this agent Gamble Hoitz
We need your cooperation.
David Ershon, you will be arrested
for fraud ...
deception and the connection
with the murder of Beaman Thurs.
This is a bad idea.
Bob, what are you doing here?
-- I'm investing.
That proxy vote from a while ago?
That was before.
This is an aggressive
Method invest for retirement.
All, we are the suckers. They have
the police pension fund as a target.
NYPD PENSIOENSFONDS
Gentlemen, you are here illegally and without a warrant.
We have a right to take action.
So far silent church mice.
-- Go.
Who are these men?
I can deliver to your map
'Rock of Ages. "
Even I admit, not seductive,
but I'm not made of cards.
Shoot him.
-- Jamie Come here, you get the car.
I've had this joker

and his wooden weapon.
They will murder me and then you.
-- I kill you first.
And they will murder me.
-- There are two agents on the flight.
And hold hostage David Ershon.
-- We are the good guys.
Exactly, they are the good guys.
-- Where are we going?
I have a small apartment
where nobody knows.
I use that for my parents and prostitutes.
At the same time, it would be wrong.
Let's hear from
the beginning of every detail.
It is best to start at the end.
Briefly and then go back to the beginning.
Then periodically returned to the end times that
gives more different characters perspective.
Otherwise it is a linear story.
-- Tell us what happened.
I have lost money from people,
who want it back.
Beaman and Don?
Knew I agree with finances
the highlight was ...
and so they sent Wesley
him to keep quiet.
They forced him at gunpoint a lot of gin
and drink on the ledge to stand.
It was just a matter
of time before he fell.
We can at least stop for you
The fund has.
Right, it's my account.
Around nine o'clock tomorrow morning will
Lendl to the fund founder.
From there to foreign accounts,
and a nine on the road.
What if we stop the transaction?
-- I can not.
If we abort the transaction?
You would just nine hours before
with them must have been.

The counter boy find
the transfer number.
We must stop him.
No, that crazy cop and Australian
guy will all be behind us.
You might me able to go
and I give you ten million U.S. dollars each.
It's not bribery.
-- Of course it's bribery.
You give us money for our work to do.
It's not bribery.
We stay low under the radar here tonight.
As long as nobody knows we are safe from them.
And tomorrow we are off there.
-- First I went to Sheila.
Too dangerous.
-- We do not know what will happen with us.
Tonight I have it right up with Sheila.
-- Go and be careful.
Thank you, I will.
Will you Sheila from me to say hi?
Tell her that Terry asked her.
And he wants you to know that he is for you
if something happens.
No matter what.
It is a bit weird now, man.
If something happens to you, I will
there must be empowered to take care of her.
All her needs and desires
now my responsibility.
Why do you say it like it is already established?
-- Just go, man.
Okay, thank you.
-- Go.
Shenkler Gallery.
-- By Terry. Please do not hang on.
Please take it.
I was already praying
you when your mother was home.
I can not talk more.
I think the phone is tapped.
Honey, where are you?
I want to see you.
At the place where we three hello Vienna

ago did, remember?

Yes.

-- They set the house in the holes.

Do not worry, I think I
have a way to talk to you.

I wanted not really come
after all these years.

After the restraining order.

-- Why I wanted to see you again.

There are some dangerous people behind
him, and who are now behind us.

No, but that's the old lady.

Hi Allen.

-- Hi mom Ramos, what are you doing here?

Sheila does not know what happened,
but she wants you back.

She also said she wants you on her
her and hold her.

And it rides like a wild horse ...
while they suck your thumb and say:
Mum thinks that's fine.

You tell your daughter ...

-- He says he always will love you.

He is so happy that you are child.

He also said that he would stare into each others eyes
without flashing if you do it.

Delicious as we do.

-- And then lick the sweat off each other.

I want to do this.

You say personal things.

One more thing.

She says she loves you.

Hold your hand and drink tea with you.

That's not all she said.

-- No.

She says other things, but I will not.

-- Understand that I may be killed tomorrow.

She says they all clocks and phones
wants to expand ...

and show three days long sex marathon would take.

-- That sounds better already.

She wants to walk crooked one week,
so hard because you have done.

That's wonderful.

Not anymore.
He says things I can not say.
It involves a hand of a mannequin,
and an electric shaver.
Taped down to a golf club.
What did she do?
She says she loves you.
I'm so sorry, everything.
I had just come here tonight
to say I love you.
And the reason why I do or you
an ordinary woman, because ...
I am afraid that if I admit how beautiful,
intelligent and wonderful you are ...
I would lose you.
-- Stop All, I love you.
We have a safe place.
Me break your hip.
I'm going to tackle hard.
I brought music with you.
Not what I had chosen. But yes.
-- Monday morning. Working hours.
Let's do this.
-- Want my gate code?
Shut up.
This is Wesley.
Next.
What have you learned to drive so?
-- Grand Theft Auto.
They're coming.
Faster, Allen.
-- Hold on.
Someone has played Grand Theft Auto.
I did.
We have them cut off.
-- They went back and rolled upside down.
Gator shook it upside down,
crazy like a washing machine.
Why do you call yourself Gator?
A nickname in the schoolhouse.
I had a dating service.
He was a pimp.
-- Yes, I was a pimp.
At the moment it is a massacre.

And statistical terms,
you sit here with thirty ...
and ten out of you
next birthday.
A few tips from you
help keep the prison.

A:

Good tip.
-- Two.
Gentlemen, Hoitz and Gamble have Ershon hostage.
They are haunted.
Yes, guns. Pass.
Okay, for some tazers?
No? Good.
Who wants it?
You, but come on.
Fat, a helicopter.
Will the high speed chase or cover.
Who are those guys?
-- That Chatson and Westes.
We went an Explorer
Chatson to do.
It went horribly wrong.
I do not think it fair that
they have a helicopter.
Bending.
God, your hair is soft.
I use hot oil.
They are driving us in the rubble
They come from two sides.
My car goes in the rubble.
Your car is in ruins.
-- Go right.
This was a very smart idea from you.
My god.
-- Let's go.
They are Nigerians.
Yes, forget.
I take a short route.
-- Are you crazy, you can not go there.
What are you doing?
Touch him.
Where are we?

-- Chelsea Pier.
What is this?
They have a helicopter that is false.
Go.
We are agents, focusing on the helicopter.
With Martin and Fosse.
Keep out and start calling.
Turn off the area.
Not arrested until we get there.
Through the red light.
Authorize the transfer not.
This is David Ershon. Transaction that is his.
He will tell you not to.
Tell him.
-- Stop the transaction.
Cream well.
Now.
Touch nothing.
I bang your head on this whole office.
Nobody believes your crap, Clark.
Thank you for the delivery
Mr. Ershon.
I have two competing messengers
wealthy investors.
It stands at 30 million.
And goes upstairs.
No, wait.
-- Take him.
But computers.
If one day they are the boss?
If you do not like your head, I cut your ear
off with a botermes.
That's blood. That is worse.
You just stood there.
-- Little did I know that now, now meant.
I even knew it, man.
We kill you, kill you Ershon
and have you lost \$ 30,000,000.
Who now has the golden goose.
He is still valuable to
a gunshot wound size.
I noticed right away that you are bluffing.
-- Come up, and kill the police.
've Got it right, you want

have approved the transaction?
Or not rejected?
-- I killed for fun.
Police, halt.
Drop your weapons.
Drop it.
Or get thrown down, gangster.
Hope you like prison food. And penis.
Police on the ground.
Is it?
-- Gene ... Commander, I'm sorry.
You can call me Gene outer office.
Thank you came.
-- Stay with me.
We're losing him.
He's dying.
No, I just rest.
-- Did I hurt you?
Just to rest.
We arrange the paperwork though.
You know why?
-- I'm not too proud to beg.
Come on.
-- What?
That's not fun anymore.
-- I do not know what you're talking about.
TLC references.
-- Still nothing, I swear.
I'll go look at Terry.
I have a bad knee, hold on.
It was the king of mud business.
But Allen and Terry
have worked out like stars.
After 24 hours it became known Ershon
Lendl and his scams are huge losses ...
the government has established a fund to
Lendl pulling out of the gutter.
Lendl is in everything and everywhere we go ...
-- They were too big to fail.
Ershon now struggle to survive
Palamina behavior correction resort in Florida.
Still invests,
The deposit is only different.
Roger Wesley had connection with the murders

by a security camera ...
and not that Martin Fosse
were monitored.
It showed only the back
of their neglect.
But Allen had his program
them a contract.
Terry married Francine, he played
Heart at the reception and it was beautiful.
He had learned that in group 8 to
The fee to ridicule on the street.
Terry had asked his witness Sheila
wanted, but that she would not.
Let's face it, we all want
machos are. But you know what ...
the people who do real work.
The person who make the difference ...
that you will not see on TV or the front page.
I talk about those
who every day make the cut.
You know what I'm talking about.
These other guys.
Goldman Sachs, this case is dirty.
Nice glasses.
What was that?
-- What?
What is it with you and good women?
What's your secret?
I do not know what you're talking about.
Who are you virginity?
-- She was' n actress.
Heather Locklear.
-- Heather Locklear?
You know her?
-- Come on.
She was plump as much.
-- I do not understand.
