Didn't you say "Buy"?
Did I say "Buy"?
Of course.
OK mother, but don't buy again.
OK, I won't.
Money?
Yes.
Do you know the new girl
who you have an eye for.
Who has an eye for?
If I had an eye, I would have her.
A bird is after her.
He tricked her.
He wants to marry.
The girl is a golden egg layer.
We shouldn't lose her.
So?
Be her lover.
And if we can sign her bonds
we both become rich.
If he still wants to marry

then he will have to pay the bonds.
Or she works for us.
Sultan, you are a genius.
Show me your mind to kiss.
This is a marvelous woman. It is a good
thing you hit that syphilis bastard.
And what bond is she going to sign?
Have you got money left?

She went to a movie with Bahar.
Come closer.
I can't hear you.
I am fine.
Do you love Yaprak a lot, Bird?
I am sorry, Mr. Necmi.
Necmi, right?

He has a headache.
There is a snake in my brain.
Quiet. Don't sing any more.
Sing later.
Arap gets angry.
Make that bird stop singing.
He doesn't stop Arap.
You don't know how devil he is.
As NeedIeflish used to say
there is something in him.
Step on my head.
Harder.
Step it.
Step harder.
Harder Yaprak. Please.
Are you better?
I am not.
I am not.
Stop the bird.
What is wrong with you Arap?
I will show him.
Mama.

What is wrong?
Why are you crying?
You deserved it.
I warned you about it, bitch.
They gave me the drink, and then. ..
Give me a razor.
Leave me alone.

OK shut up.
You are not the first one.
What's wrong with her?
Tell me, who are them?
You tell me.
So you won't do that again.
Introduce me to them.
Don't worry that much Mualla.
Darling I am so misfortunate about it.
Is it ready?
It is ready. Take it.
Good bye.
How is my darling doing?
I don't want to work today.
OK my wife.
Then listen to this.
Don't work today.
Let's walk around today.
What are they?
Bond.
Bomd? What is a bomd?
I love those lips saying bomd.
These are bonds.
You will sign it.
Can you sign?
No. I left the school
at the 1 st grade.
Good girl.
You can be considered graduate
comparing to me.
Now come on, sign them.
I found a cheap 131.
I am going to buy it.
What is a 131?
It is a taxi. A car.
Taxi car.
So are we going to get married
when I sign them?
Yes.
But I don't know to sign.
That's better. Write the
first letter of your name.
And this is the tail.
OK?

And this.
And this.
Now ask me "Arap why did you bring me here? What shit is in here?"
No, I won't.
You will get angry.
I won't.
Ask me.
Why did you bring me here?
Ask what shit is in here?
Ask in that way.
What shit is in here?
Take a look.
There is shit.
Arap, are these ships iron?

What happened?
I will tell you what happened to Yaprak.
Shut up.

Shut up.
Is this a nightingale?
It is.
It is not a nightingale.
It is a rat. Is it itchy?
You are itchy.
I paid two thousand.
Which room?
It doesn't sing.
Nightingales don't sing in a cage.
So, are you going to watch this ugly bird?
If it knows it is caged, it doesn't sing.
It needs to be blinded.
Take it out of the cage and you get in.
You sing better anyway.
It doesn't sing because it sees.
Have you got a needle, to blind it.
Here Bird.
But don't show me.
Come on, make it sing Bird.
I can't look.
Blind it.
Do it yourself if you want so much.
I can't do that.
Aunt Sultan.
What?
You do it.
Are you going to make me burn
in the other world?
You'll burn anyway.
I will go to Heaven.
Leave it. Would you
like to be blinded?
And is it a nightingale?
They have cheated you obviously.
It is an ordinary bird.
It is a nightingale.
I know it.
Poor bird.
You can't do with the needle.

Poor bird.
You can't do with the needle.
Everything has a proper way.
Blind it yourself.
Aren't you a man?
Blind it. Blind it.
Mama.
I love this book very much.
I only read this one.
I love this book very much.
I only read this one.
Then our arms wrapped
around each other.
Our hearts pulsed over each other.
Our lips found each other with
our souls thirsting each other.
Our lips found each other with
our souls thirsting each other.
The sun celebrated our love
with the last rays of the day.
The night wrapped us
with the infinite dreams.
Our love burns in a divine flame.
The bright future is awaiting us.
Get in Mr. Collector.
I am dying for you.
Yaprak is an alibi.
Go away.
Leave me alone.
Go away.
Leave me alone.
You scared me.
I was going to die.
What are these?
Rose.
You smell like rose too.
It is because my pockets are full of them.
It is because my pockets are full of them.
Why are you looking like that?
Do I look like I love you?
You smell rose.
It is because my pockets are full of them.
Even the collectors come once a month.
You are here every single day.

Even the collectors come once a month.
You are here every single day.
You pig.
Come on, beat it.
Yapprak.
Arap.
Yes?
I will ask you something
but don't laugh.
I will ask you something
but don't laugh.
Ask.
Allah is good isn't he?
He is good.
Then why doesn't he stop
whoever intends to harm others?
Really?
Allah is too busy to deal with dicks.
Allah is too busy to deal with dicks.
You are so curious.
Let's see how fortunate you are.
Damn it.
I am so bothered with that.
Me too.
Arap is insane.
Does he love you Yapprak?
Yes.
I can't stay away from you.
And Arap drives me mad.
I will shoot him.
I forbid you Bird.
Don't play his game.
He is really insane.
I am insane too.
I love you too.
I am insane too.
I love you too.
And I am not afraid of him.
He is insane
but he is a poor soul.
He is a good man.
Forget it. I will show him
if he makes me angry.
My wife is the

most beautiful whore.
At last I found a Murat 131 .
Give me a 10 000.

How are you?
This is because of
my grandchild.
This is because of
my grandchild.
Mother, give me 1 000 TL.
I can't give you any money.
I am sorry.
Why is that?
Because your debt is
more than 500 000 TL.
Arap draws money all the time.
Why do you give Arap her money?
Poor child.
I wouldn't give if she
didn't tell it her self.
I wouldn't give Death
let alone Arap.
I wouldn't give Death
let alone Arap.
I asked her many times
about it.
She told me to give him money, so I did.

As if you don't know
how naive she is.
I don't know anything.
She told me to give him.
Good for you stupid.
Let him spend all of your money.
Good for you stupid.
Let him spend all of your money.
Here, look at her.
She is as old as your grandmother.
She sleeps with drunks at nights.
You will end worse than her.
I feel sorry for you Yaprak.
I really do.
I really do.
Please don't do it.
Tell mother not to give
your money to that dick.
I won't give if she doesn't want so.
Tell me not to give him.
Come on, say it.
Say "Mother don't give
my money to anybody".
Don't give.
Which room?
What will you with the money?
Do you need any?
I was going to give that old woman.
Why do you care
about a whore?
No Neptune
she won't find the right path.
You talk for nothing.
I am so upset today.
I want to cry all day.
Don't talk please.
Cry Neptune cry.
You will feel better.
Let me see.
It is so nice.
Here. It is yours now.
Really? Thank you.
Look. This is called money.
You change their place all the time

just to show us your money.
I will show you.
You are so beautiful today Miss Bahar.
May I rape you?
Do you learn this kind of talk
from the CEO?
So what?
I heard that you can't do it.
Who told you that?
Yaprak.
Let's go up, Yaprak.
Which room?
Number 9.
How much is it?
How much do you have?
I don't have much.
Come with me.
It is OK how much you give.

Is this a market?
Are you going to bargain?
That's OK, let's go.
What, the fire department?
Fire department, yeah.
Your mom works in fire department.
Look at the fool.
This is a whorehouse.
Where is Yaprak?
Upstairs.
With Bird.
Bird?
Nothing to feel bad.
He gave the money.
This much.
Am I scoundrel?
I thought you wouldn't let him enter here.
He paid for it.
Sit down.
My head is spinning.
What did I tell you?
He paid for it.
I paid for it.
You can't have her with or without money.
Stop.

Get out of my sight.
If I see you again I will kill you.
Don't come over me.
What did I tell you?
He won't come here again.
Do you get it?
I love you.
I do.
Have you seen that movie?
The score was great.
I haven't seen a movie
describing loneliness so good.
I am obsessed with loneliness.
And also
Why do you hold her hand?
Are you a pimp?
Beat it, move.
Who is your mentor?
We owe her too much.
I asked 1 000 TL but she didn't give.
You told her not to give me money.
"Don't give him money"
Is it true?
Is it true?
You have been deceiving me.
Everybody says that.
Your car is a tale.
I believe you
because I am stupid.
Do you know what happens
if I am not around?
What happens?
They will swallow you.
If you were alone...
...they would chew you alive.

Take your hand out of pocket.
Why are you looking at for free?

Leave her alone.
Did he come?
He is running away from the police.
He hasn't been around for days.
What if he is around?
We are not afraid of him.
Let's see his tricks.
Where are you Arap?
Why?
It would be fun if he comes
right after your words.
Let him come.
I am here.
Let him come.
I am not afraid of him.
Enough.
Fuck off.
See what happened?
She got beaten because of you.
You can stay with me.
We can come and go together.
You will liberate her won't you?
Of course.
He hit you.
It is the right time to dump him.
Shut up.
You are a headache.
Listen what she says.
OK?
You will be wise.
What if he does something?
He can't do anything.
From now on, I will take your money
and deposit to the bank.
OK?

OK.
Damn it.
It is my turn.
I am going.
Don't be so cheap.
Put more money.
Come on.
Damn it.

I am out of money.
I am going.
Don't worry.
He can't do anything.
I will stay with Neptn from now on.
She will take care of me
until I get out of here.
Necmi will take me away.
Get a Job.
Leave the poor girl alone.
I won't let you abuse her.
Tea.
Where is Yaprak?
What is this posture?
Don't worry
you will get rid of me.
I will liberate Yaprak.
I will marry her.
What about her debt?
I am going to pay.
Sum it up, I will pay.
Are you kidding Bird?
Bird is what your called.
My name is Necmi.
Alright Necmi.
Good boy.
You are a man of your word.
Listen Necmi, you are young.
You can fall in love
anyone you see.
Don't do it.
Don't do what?
I saw many of those liberators.
They remember the woman was a whore
after they get married.

Nobody knows your past.
My father liked you.
And what if they know?
I love you and that's final.
I talked to my father.
He has only one son, and he wants
to see the son get married.
We shall pay Sultan with
the money for furniture.
Look, these are bank accounts.
Come on.
We will buy furniture.
Bird, thank you.
What for?
I wanted it a lot.
You bought before I asked.
This is nothing.
I will buy you many more.
OK now

Which room?
Get out of here.

I don't want to see you again.
