Zeus.
Poseidon.
How long.
What do you see?
Thunderclouds.
But no lightning.
Stolen.
What?
Do you think I stole?
Omnipotence has blinded
the brother.
We are forbidden to steal
the powers of each other.
But our children did not return.
You are accusing my son?
Do not see him since
he was a baby.
He does not know me or know
who he is, because of you.
If your child is a thief,
I will send to the bottom
of Tartarus.
If you hit him, will the
war of your life.
He should give me the radius,
in 14 days, until midnight
of the summer solstice.
Or will there be a war.
And he is alive.
Percy Jackson is the guy.
- How long will I?
- Seven minutes.
- Seven minutes?
- Yes
This is crazy, you
know How do it?
I do not know, just like
being in the water.
It is the only place
I can think of.
I would spend all day on the
water, instead of this site.
I understand, this is like high
school, without the music.
Every day is the same thing.
Good morning, I'm Mrs. Dodds.
Substitute teacher of English.
Can anyone tell me what Shakespeare meant in this passage from Othello?
Percy Jackson.
So?
UNDERSTAND anger in words but not his words.
Sorry, do not know.
Anyone else?
- Mom, I.
- Up here, dear.
- Hi
- Hi, Mom.
- How was school today?
- The usual.
This thing of dyslexia is getting worse.
Why do you think that?
I do not know, maybe it's ADD.
I found the school existed to make things better.
Percy, I know it's terribly difficult.
But someday, everything will make sense.
Really?
When?
Today? Tomorrow? When?
Woman.
Hello Gabe.
Where's my beer?
The refrigerator.
Then it will magically appear in my hand?
Are you serious, you need to do it here?
It's disgusting, we are in the kitchen.
Very charming.
Show some respect.
Is my mother.
This is my home.
You show some respect.
Why is with this pig?
It smells like sewage.
He sleeps until noon, and
is not in any employment.
Why is he with?
It helps us in a way that
you do not understand.
You are right, do
not understand.
Prepare, Percy, everything
is about to change.
Everything will change ...
There are 12 Olympian gods.
The big three are all brothers
Zeus, Poseidon and Hades.
Obtained the power, overthrowing
his father, Cronus,
cutting it into pieces.
The three are rivals since then.
Always arguing, always
threatening a war.
On several occasions,
came ? Earth.
E. ... how can I talk ...
Girlfriend?
They going out with mortals.
The fruits of these meetings were
half god and half human.
Can anyone tell me how
they were called?
Percy?
Sorry, that Mr. Brunner?
What is the right name of the descendant
of a human and a God?
- Semideus.
- Exactly.
Many have become great heroes.
Hercules and Achilles.
Know the name of some other?
I'll give you a hint.
Do you have something in common.
Persian defeated CETO
Percy ... Perseus?
Correct.
Here is a picture of Hercules
defeating the Nemean lion.
Hercules killed the monster
with his own hands
and took the skin as a trophy.
- Percy ...
- Yes, Mrs. Dodds?
We need to talk.
I did something wrong?
Mrs. Dodds?
Hello?
Where is it?
How did they get up there?
You stole my thunder!
- I do not know what you're talking!
- Give me!
Give me now!
Percy!
Let him go!
You ...
Drop it or I swear I'll
cut to pieces.
I'm going crazy.
Should go on vacation.
Percy, calm down.
Everything will be fine.
God, wait.
... It really happened?
She turned that thing?
Fury.
Hidden in our school, I
should have imagined.
Hold on. Fury? What is a Fury?
And who said he could
cut it into pieces?
What she wants from you?
She ... said something ...
about me ... 
steal a radius.
They found him.
- He is in danger.
- Who did you find me?
- He is no longer safe here.
- Where should we take him?
We have no choice but to camp.
What camp? I'm right here.
If you think he is the thief
there is no safe place on earth
or in heaven for him now.
Percy.
Take it to defend itself.
It is a powerful weapon.
Keep it well.
Use it only when in danger.
This is a pen.
This is a pen!
Leave it to the mother.
And do not lose sight of.
Percy, come on.
Come on, man, come on!
What's going on?
Do not trust anyone.
Do not look at anybody,
just keep walking.
Why Mr.
Brunner asked that
you care for me?
- Because I am your protector.
- Wait a minute.
My protector? Are you kidding?
What?
Being so I am not able
to keep you safe?
You may not see what I see.
Do you use crutches.
Give my life to ensure
their well-being.
What are you talking about?
What's going on?
We need to tell your mother.
Come on, Percy. Come on.
Sally! More beer!
Mom, we need to talk.
Do not you see that it is serving
me and my friends?
Do not talk like my mother,
his bald freak.
- Very good.
- As I said, I am the protector.
Sally, Percy must go now.
Right now.
What's going on?
- I swear I did not steal anything.
- Honey, I believe in you.
Where are you taking me?
What is this camp?
A camp for very special
people like you.
Special people, I'm
crazy or something?
No, dear, no.
Percy has to do with his father.
His father was nothing
like any man I met,
was breathtaking.
Now he is gorgeous.
And then you came and
it was perfect.
But he had to leave.
So he has abandoned it.
No, dear.
He was forced. He loved you.
Turn you was probably the
hardest thing I did.
Why he needed to go?
- Because it ...
- Sally, watch out!
- Percy!
- Mom, okay?
Grover, okay?
Is it just me or is raining cow?
What is that?
Get out! Come!
Why are you taking your pants?
What are you doing?
My work.
You are half ass?
I half goat.
Watch the glass!
Come on, get out of the car, he is approaching!
Do not need this?
Was only disguise.
Follow me!
Around here, people. This way.
Come! Come, run!
Go, go!
Let.
Arrived.
Grover!
Mom, what are you doing?
It's the most I can get.
I can not pass, not like you.
- Do not leave here without you.
- You have!
It is your destiny.
Put my mother on the floor!
Percy, go!
Is insurance through the portal.
- What can I do?
- Use the pen!
- What?
- The pen Brunner, tighten it.
Is everything okay?
Percy, behind you!
- Percy, are you okay?
- I do not feel well.
Percy!
- It hurts.
- I'm glad he is alive.
Where am I? What is this place?
The infirmary.
You've been unconscious
for three days.
Three days?
So, Percy.
Do you remember?
A crazy dream.
There was a monster.
My mother was there and you too.
You were a strange thing hybrid of human and goat.
Putting it right, a satyr.
Everything was real?
My mother is gone?
Sorry, Percy. I tried a lot.
But frankly, I'm only
a junior guard.
I have my horns yet.
It was my fault.
It was my job to protect you.
Protect you.
So, this is Camp Half-Blood.
- What does this mean?
- I think you know.
To half mortal, half god.
- Fire!
- Look at the arrows, folks!
Novato, wow.
Know the myths of gods and goddesses?
Well, are not myths.
Remember what the Sr. Brunner
said, that rs times
they descended earth and
fell in love with mortals?
And they had children.
- Come on.
- Very serious.
Yeah, you are a demigod.
Colon pro Percy Jackson!
Do not worry, you're not alone.
There are hundreds
around the world.
Some live normally.
And others, I can not say the name
because they are very famous.
The kind that live in
the White House.
Man, this is where they learn
to control his powers.
Train to become leaders,
warriors and heroes.
I think I got the wrong guy.
I'm not a hero, I'm a loser.
I have dyslexia and ADD.
And these are his
greatest gifts.
You can not read the words on a page?
It's because your brain works in ancient Greek and not in English.
- Yeah. In the museum I could read.
- Yeah.
And his attention deficit?
You are impulsive, Percy.
Can not be stopped!
Are your reflexes battle.
They kept you alive in the fight.
Look, no one failed defeat Minotaur.
His blood is special.
It is the blood of a god.
And much information to process.
Is. Much. A lot of it.
It is here that will make the most of their training for battle.
What is her name?
- She made you crush insect.
- The name of it.
Annabeth.
Daughter of Athena, the goddess of wisdom.
Hey, is not looking. Keep going.
Go on, go.
I want to see someone. Look.
- What are these things?
- So centaurs.
- Wait, is Mr.. Brunner?
- Come.
Mr. Brunner?
In my world, I am known by Chiron.
- Recovered?
- If I recovered?
You are not in a wheelchair,
- You have ...
- Bunda horse.
I apologize for hiding my true shape, but to keep an eye on you.
I hope you forgive me. Come. Grover! Grover, come here! Daughters of Aphrodite. Will you going. I have a lot to do. Are daughters of the Goddess of Love, you know where this is going. - I went back, kiddies! - Satyrs ... What is this place? Distributor Welcome home. His father built it. You. This is all mine? It seems he was waiting for me. - My father is Poseidon. - God of the seas. Why did not anyone tell me? It was for his own safety. It is extremely rare for a child is a daughter of the big three. They are very powerful. A threat. Threat?'m Threatening whom? The brothers of Poseidon. Zeus and Hades. So his mother married his stepfather. The stench of it masked the smell of his blood. And hide you from any thing or person, that God sent to kill you. My mother endured that bastard to protect myself? If I knew ... She sacrificed so much for me. And now she's gone. - Why am I here? - Why is in danger. Everyone thinks you're a thief in the rays. Look, I did not steal this thing.
The radius of Zeus is the most powerful weapon that has been created. If not returned until the summer solstice,
- In ten days, there will be war.
- This is your problem not mine.
It is something of your world and not mine.
Is something of our worlds.
The Olympians would be forced to take sides, Earth would become a battlefield.
Mountains erupting, earthquakes, fires!
The end of life you know.
What can we do?
I want to get to Olympus.
Convincing Zeus of his innocence.
Someone is using you to start a war.
What are we doing here? Let now.
His courage is motivating, but outside these gates, you would be in danger all the time.
The Fury and the Minotaur was just the beginning.
First, you need to train.
This is always a fun game to watch.
How do you use these things?
It weighs more than me!
- Believe it, use it or die.
- Wait, how?
- Wait.
- Heroes!
Warriors! Come!
Quiet, quiet.
Stop playing.
Percy, come here.
This is Percy Jackson.
He will need a team.
We'll take it.
I'm Luke, son of Hermes
and leader of the camp.
Not necessarily in that order.
- Where's your helmet?
- No one gave me one.
Chiron, still has his wheelchair?
He'll need.
You are screwed, man.
Just kidding with you.
He smiled a little. It's good.
Does anyone have an extra helmet?
Please pass on over.
Try.
Will protect you.
From all of us.
Welcome to the soldiers
blue friend.
Sure, everyone in position
to capture the Flag.
The first team to capture
the enemy flag wins.
Dismissed.
Wait. Now!
Percy I know where
the flag is, come!
Keep your eyes open and not die.
I'm coming, buddy.
Sons of Ares. Look!
This is a sword!
You carry the camp
too seriously.
Go!
Percy, get out!
Go behind the flag.
How did it?
Won.
He thought it would be so easy?
My mother is the goddess of
wisdom and battle strategy,
know what that means
I'll always win.
And I always lose.
Perhaps we are wrong.
Chiron, we should not prevent it?
- It will kill him.
- There can only be kidding.
This is the best part.
- God!
- Stand up and fight.
Hero.
Come on, Percy.
Go to the water.
The water will give you power.
Excuse me Excuse me!
Ladies and gentlemen, the son of Poseidon is passing!
The hero is going! Move!
Hey, no look ugly. Stop it.
Percy?
Let's have a party at our house later and would love if you came.
I would love to go, it will be great.
- It will be amazing!
- Other.
I will love to go too, you know, to the party.
Thanks for the invitation, girls.
Go away, nymphs.
Wait, do not go.
Girls, I'm available.
Hey, do not go away.
I'm available!
Are you feeling a hero?
More like a mutant.
I will not make a tail or gills or anything, right?
Probably not.
Although a huge ego is not out of question.
You know, almost killed me there.
Could have died if it was normal.
But you're not.
Feel you do not like
me very much.
It's possible.
I mean, our parents
hate each other.
Wait, you hate?
Definitely have strong
feelings for you.
Just have not decided yet whether
they are negative or positive.
Tell me when you find out.
It will be the first to know.
Percy Jackson appear!
Calm down, back!
Percy Jackson, bring
me the radius.
Be a good boy, give it to me,
and I change it by his mother.
Percy, stand still, Percy!
My mother is gone!
No, your mother is still alive.
I sent the minotaur
to capture it.
She is here with me
in the Underworld.
Mother?
Percy.
What made my mother?
If you want to see his mother
again, I bring lightning.
Chiron, I get it.
Percy, you do not
have the radius.
I will tell him the truth.
When he realizes that
I am not a thief,
- He'll release it.
- No.
Can not negotiate with Hades.
When he finds out that you
do not have the radius,
it will kill you
and your mother.
But it is the only chance it.
No, continue with our plan.
Let to Olympus.
Contact Zeus.
When convince him
of his innocence,
will do everything to
recover his mother.
Sure.
Going somewhere?
Yes, I take a walk.
A walk? Go with you.
No, I'm going alone.
- No, I'm with you.
- No.
Being followed.
Leave me alone.
Go to sleep or something.
No.
A small victory and is ready
to fight with Hades?
- Double Time.
- Really? You too?
I discovered that my mother is
alive, and I'll bring it back.
- From the Underworld?
- Whatever it takes.
Maybe you can fool Hades.
Maybe I can.
Can not let you do this, right?
I'm not asking your permission.
Sure.
According to the regulation,
if I can not stop you,
I follow you, because
I'm your best friend.
- And your guard.
- Junior guard.
That was even necessary?
I do not need help.
I need to do it alone.
Well, we are not asking
your permission.
Come on.
Today you wanted to kill me.
Now he wants to defend myself?
It was not true.
It was only training.
Percy, all I do is train.
I grew up here, only been in the outside world sometimes.
And never had a chance to go out on a real mission.
In addition, you won a battle, and I've won hundreds of them.
You will need my experience.
Well put.
Do you really want to go.
- Yes
- Yes
Sure. I think we all.
So maybe get to the Underworld?
Had not thought about.
I think I know someone who knows.
Luke?
Hey, guys.
Percy.
I thought it would come sooner or later.
Everyone appears.
Escaping a little of it in Renaissance Fair
What happens out there, you know?
But ...
Welcome to the modern world.
Cool stuff.
What are they up to?
Let's get my mother.
His father is the messenger of the gods.
One of the few who have entered and exited the underworld.
Know how to do this?
My father is an idiot, never met him.
You too?
I think we all have problems
with parents, huh?
This is because all
gods are equal.
Selfish, only care
about themselves.
But once invaded the
house of my father.
There's some cool stuff.
You.
Tennis flying?
S?o my father.
He has hundreds of these faces.
Will not even miss.
Look under the other.
People were the underworld sometimes
without being killed.
Hercules was, Morpheus was my
father going all the time.
Log is the easy part.
Exit is that it is complicated.
This is a map to the pearls
of Persephone.
Persephone?
The wife of Hades?
Yeah, he forced her to marry.
The prisoner maintains.
Needless to say she hates it.
It's hot, he's a weirdo.
So she has visitors secret.
She hid them all over the world.
These beads allow a quick
exit from the underworld.
They can get out easy.
As pearls work?
Easy.
You get a pearl, step
on it, crushes,
and displays wherever they
want to be taken.
Now there are three pearls
in the United States.
This map will guide you to them.
Here is the first location.
Emporium Garden Tia Eme. When you find the first bead, the map will show the second, the next, and then you go to Hades. Which reminds me, you may need extra protection. My favorite shell. It is better to go away.
- You're welcome.
But ...
You need to promise me one thing. If you see my father on the road to hell ...
- Yes
- Kick his ass for me.
Gardening EMP?RIO TIA EME. This place is in need of a total reconstruction. Hello?
Hi, is anyone home? Look, have free drinks! Wow, that disgusting! The public health department to close this place. Hey guys, just look at it. Look.
GRD Gold. It means that we are on track. Toma. How will find the pearl in this place? Good question. Okay, let's separate.
- Try everywhere.
- Good idea.
I'm here.
Tia Eme?
- It is coming!
- What? Who?
We stopped to ask for information,
my poor husband. 
Help me! Please help me! 
Take a look at it. 
He is the face of my 
uncle Ferdinando. 
What a freak. 
He has a mole in the same place. 
Can not be my uncle, because 
he was killed by ... 
Medusa! 
- We're in trouble! 
- Grover? 
We have to get before 
it finds us. 
She became my husband in stone. 
Grover, where you at? 
Percy! Annabeth! 
- Annabeth, where are you? 
- Grover. 
Are you serious, man. 
Watch where you walk! 
- Where are we? 
- In the lair of the Medusa. 
Come on, hurry please! 
Do not look! 
What a surprise fabulous. 
It's so exciting to receive 
visitors so young! 
We were so alone here. 
Not? 
So do my statues. 
They are my only company. 
- Daughter of Athena. 
- How do I know? 
You have beautiful hair. 
I've had hair like that. 
I was courted, desired by many. 
But everything changed 
because of his mother. 
The woman who cursed me. 
What made me ... 
- Do not look! 
- About it. 
They say the eyes are the
window to the soul.
I hope you find my eyes ...

attractive.
It's rude not to look
people in the eye.
Come on.
From only a peek.
How we fight if we can
not look at her?
We can see your reflection.
- Check it out.
- Good idea.
- I'll get Annabeth.
- Okay, I'll take care
of the Medusa.
You will be a wonderful addition
? my collection.
We'll be friends forever.
Cares?
Sooner or later, you
open your eyes.
The temptation to look for
me is irresistible!
Do not look, Annabeth,
do not open your eyes!
Who is this? Another demigod?
I can feel you.
Son of Poseidon.
I used to go with his father.
Need help?
- Thank you.
- Let's go.
I knew that is the radius.
I can see it?
I'm not with him.
Let me see your eyes.
I heard that are bluer
than the sea.
Open them!
Or my hungry babies
will open for you.
Would be a shame to destroy
this beautiful little face.
Stay with me, Percy.
All you have to do is look!
You okay?
Yeah, I did.
Son of Poseidon ...
Over.
Guys, can open your eyes.
Annabeth, this was a direction
worthy of demi.
- We could take it with us.
- The head? No, disgusting.
If she open her eyes,
you still work.
Alive or dead.
You never know when
we need something.
You are right, but I will
not touch it not.
Go, get your jacket.
Twisted it to put on ice.
Why have to be my jacket?
Why are you the protector.
Yeah, I'm the protector.
So instead of the jacket,
I will give my coat?
- Gross.
- Joga there.
Wait, guys.
An already. There are two.
It would have been nice if Luke
had warned us about the Medusa.
Maybe he did not know.
GPS of the gods. Where now?
Let's see.
Parthenon in Nashville.
Nashville? Great.
The land of the musical
style I like least.
Christ!
Please do NOT again!
Let's stop to rest.
- Good idea.
- God of heaven.
Great job today.
Thank you.
What happened to you?
That poor woman who turned
to stone, she ...  
She held me tight.
See it. 
Cool.
That was pretty cool.
So ...
Why do they hate our parents?
Both wanted to be the patron
gods of Athens.
E. ...
The people chose Athena.
And our parents hate each other since then.
- How is your mother?
- I do not know.
- Never met her.
- How? This is ...
so with all?
None of the gods seen
their children?
Is prohibited.
Shortly after being born, Zeus
decreed that the gods
could not have physical contact
with their descendants remains.
This is a stupid law.
Agree.
Although ...
Just between us ...
I think my mom talks
to me sometimes.
In difficult moments, I hear
your voice giving me advice.
This happens to me.
It's your father talking to you.
Percy!
Come here, man. This sucks.
Sure.
Come soon!
Percy. Check this out, man.
You're on TV.
About the boy disappeared,
Percy Jackson
and his mother, Sally Ugliano.
But his family has some
interesting theories.
So, Mr.
Ugliano, tell me about his
son, Percy Jackson.
It is not my son.
It is my stepson.
He came not to me.
Since he started with
drugs and drink ...
No.
There are 5 nights, tried to kill me
and threw his mother on the floor.
And his friend crippled attacked me
from behind and knocked me out.
When I woke up, Sally
had disappeared.
Was abducted by Percy.
... She would never
Shut up, Gabe.
Great. I'm now a fugitive.
See? That's what I said.
Guys always want their mothers.
He is angry because they hit
him with my crutches.
Personnel.
I can not pee with
her looking at me.
Sorry, folks. I bullshit.
Should have closed the curtains.
Come on, guys.
Let's go, before the National
CENTENNIAL PARK "THE PARTHENON"
ENTRY AND PARKING
This is amazing.
A perfect replica of the
Parthenon in Nashville.
Okay, folks.
Let's get the pearl.
It's your mother.
If it is anyway.
Let's find out.
Guys, check this out.
It is the pearl.
That was easy.
Easy?
Is one meter high in a place
full of tourists.
I have an idea.
We will return after the close.
Come, follow me.
Or I can throw my crutches up
there and knock everything.
Percy is not a bad idea.
Closed an hour ago.
Let's go.
Let's fast.
That's kind of crazy.
We flew using the flying Luke's
Court, and took the pearl.
Cool.
So what do we do?
Okay, guys.
- I have it.
- You what?
Are you kidding?
- It will kill the caretakers?
- Relax.
They are American workers.
- Why do it?
- Are not dead.
Is unconscious.
We have 30 minutes. Come!
Cool.
Hey, guys, what's going on?
Hi
Luke!
- Annabeth!
- How to Shine work?
Tell Percy that he
has to run, right?
Need to pick up speed, kind
of like an airplane.
It will require some training.
Sure.
I can.
You need training!
- Got it!
- Yeah!
- That, Percy!
- Here we go.
Here it is!
- This is how you do!
- Okay!
Okay, let's take it all.
Let's go.
Aw, man ... 
Let me.
Personally, I am the Service Recreation Park
and you were sleeping on duty.
Be happy that I did not deliver them, but it's the last time.
We were expecting you, Mr. Jackson.
Give us the radius
that let you go.
I'm not lightning.
Right. That's bad.
Hydra!
Guys, beware, because it spits fire!
Do you like candy?
Okay.
Percy, stop!
No!
What turned the game!
I killed this thing!
- Killed? Only made things worse.
- What are you talking about?
Percy, when you cut the head of a hydra, two more grow.
Run.
Distract this thing.
I'll get the pearl.
Let.
- Open the door!
- The door does not open!
Grover!
That was unpleasant.
We interrupt our programming
for a special bulletin.
Scientists are puzzled by what
appears to be a single cloud
storm that spans much
of Europe and Asia
coming toward the United States.
There are reports of high
winds, rain and waves
along the coastlines of
several continents.
So far, no victims, but countries
are preparing for the worst.
The gods are angry.
We have to find the last pearl.
What's next destination?
Is. Let's see ...
Well, folks. We have a good.
Let's go to Vegas!
WELCOME ? FABULOUS
LAS VEGAS NEVADA
There he is.
Casino Lotus.
I was looking forward to it.
Remember, always separate the
eight, not ten, right?
We did not come bet, remember?
- We have poker, ... 21
- Grover.
We did not have fun.
We took the pearl and go away.
This is a beauty!

WIN THIS CAR:
This place is o
ficially amazing!
Here is your card courtesy
of Lotus.
Thanks, but we will not stand.
Please, I insist.
Fits all, the Hotel and Casino.
We do not want gifts.
We will not register.
- The guy was persistent.
- It.

We are here for one reason only.
That is really too much!
How will find a green
pearl in this place?
Perhaps a waitress or dancer.
Let's start there.
I offer something?
Try a Lotus.
It's great.
It is the dish of the house.
Really? House? And it's good?
Thank you.
We have to pay for it?
- It seems not.
- It's free.
This is very good.
It's the most delicious
thing I've ever had!
Why do not we stay
here a little?
This is a great idea.
But we are on a mission with
limited time at the moment.
Not we?
I do not remember.
Totally forgot what
was going to say.
I've discovered.
I think I know why we are here.
Why are we here?
To have fun!
Sure.
Not going away ever!
Let's stay here!
Awesome!
No, Percy, do not
eat the flower.
It dulls the senses.
Has you trapped here.
I take a breath.'ll
Be right back.
- Accepted another Lotus?
- No, I'm full, thank you.
Look around you. Focus.
- Accepted another Lotus?
- No, thanks.
- I would like another?
- I'm satisfied.
- "The French Connection"?
- Yeah, I saw?
Yes, I think yes, on DVD.
What is DVD?
Really?
I think it's the best
movie of the year.
What? Wait, this year?
It is this year. 1971.
Percy, wake up.
You need to escape. Wake up!
You need a Lotus.
I do not.
- Only one
- did not!
Accepted another Lotus?
- N?o.
- I insist.
No more, please leave me alone!
Something wrong, Mr. Jackson?
No thanks.
Percy Jackson is awake.
Excuse me.
Do not eat it.
- What?
- We gotta go.
- But we're having fun!
- No, we are.
Grover, wake up!
Grover, go, gotta go!
Percy, his timing
is bad, you know?
Man, we're going ? chapel,
let's get married!
- How romantic!
- No, no, no ...
What I asked of you in marriage?
Wake up!
Dude, you're a killjoy!
Percy, what is the problem?
Why are you doing this?
They need to wake up now!
Look at me, are in a trance.
We're stuck!
Listen, if they eat the flowers,
will never want to leave.
We'll be stuck here forever!
Oh, no! We gotta go!
Come on, guys!
Stop right there.
Out of my way.
Let.
Let us, guys. The car!
- I found the keys.
- Go, go!
They are coming.
- I got it.
- Go!
That's how you leave a casino.
So it is directed.
- Sure. Now everything makes sense.
- What?
It was the lair of the
"lotus-eaters."
They attract their successors traps
people from ancient times.
Galera, see.
Tomorrow is June 21.
No, it can be. Today is 15.
No. Tomorrow is 21. We were there within five days.
- Seemed hours.
- Tomorrow is the solstice.
Our deadline is tomorrow?
midnight.
Sure, we have to act.
Where is Hades?
- You are in Hollywood.
- Okay.
I get there in four hours.
Maybe three.
And now the latest news KZO1. A storm cloud unprecedented formed covering the majority of America. Authorities in several states are ordering evacuations and reporting severe weather conditions. Watch your step. Wait.

Woe to all souls corrupted.
- No turning back now.
- It.

It seems we are stuck here.

Percy, who's that scary guy with the hood?
I do not know. Let's find out.
- Who are you?
- We need to see Hades.

Things are not allowed here.
"Death and back."
Sure, we're not going to die and come back, but ...
You know what?
We have to pay the boatman.
Hi, my friend. What is it?
I think not.

Do you like dead people, right?
I have two dead people who can recognize.

Look at this:
look who came to the party.
Benjamin Franklin.
Do it, do not you?
Take a walk in, take the money and arrange a decorator.
Because this here is very depressing.
Here it is.
- They were $170.
- Wait.

The Drs.
Rise.
Thanks for saying, man.
Burn money in a recession.
- This is treason.
- Shut up.
Welcome to the Underworld.
What is all this?
Fragments of human suffering.
Hopes and dreams lost.
Desires that were
never realized.
All life ends in pain
and tragedy.
That is as far as I can go.
Guys, hear that?
- Yes, what is it?
- I do not know.
- Get away.
- What do we do?
- What are these things?
- Watchdogs of Hell.
Maybe I should feed them.
They feel the presence
of another animal.
- Great, smell goat.
- A satyr.
Never had a satyr ...
visiting before.
Persephone!
What could be taking so long?
- Do not ignore me.
- Or what?
What will you do? I'm in hell.
We got company.
Sobrinho.
Welcome.
You have the appearance
of his father.
When the lucky side
of the family.
- Wait. You are Hades?
- Yes
Sorry, just did not expect
to look like that, man.
Environment stylish, I liked.
I would prefer it so?
No! Let's stay with a
bid of Mick Jagger.
It was nice for you.
You are very brave to come here.
Come closer.
I see the look of disgust
in his eyes.
But this stock was
not my choice.
I was banished to this place
by Zeus and his father.
I'm Doomed.
My only chance to
leave this place
is beating my brother and taking
control of Olympus.
Of course ... I need the radius.
And I need my mother.
So we have an agreement.
Give me the radius, and
give you your mother.
I need to tell you the truth.
I am not a thief in the rays.
I have the radius.
Never had.
Why come here then?
Well, expect ...
to see that I am not the thief,
leaving my mother go.
You think I'm stupid?
I am Hades!
Now give me the radius, or say
goodbye Distributor mother.
Percy!
I thought I had lost
you forever.
No.
Ray-master of Zeus.
Liar.
I swear.
I do not know how it ended up
there, nor is my shield.
No, Luke pitched it.
He put the radius within
the shell and used it.
Luke stole the lightning.
I think we finished here.
Feed the soul with them.
We had a deal, right?
You have the lightning
come on, let's go.
Call the dogs.
Sit, sit.
I...
'll be the king of the gods.
Clear!
Freeze!
That's right. Let.
Let us return.
Bad dog!
He does not remember anything.
Why do it?
Because ...
it is cruel and violent.
The only thing we wish
is the time to step away
from this hell.
A war of the gods would end it.
And I would be alone
with him forever.
Go.
Take the radius and his mother.
Only three?
No.
There are four of you.
Each bead carries
only one person.
One of you will have to stay.
Sure, I'll stay.
- Three of you go.
- What?
- N?o. No.
- I reached my search.
- I'm here.
- I trained for situations
like this.
Guys, stop it.
- I'll be because I am the protector.
- Grover, come on.
Look, man, do not want to hear.
Just go. It is my duty.
It is my destiny.
Come back for you.
I will see it very well.
All right. Move it.
Each step in your pearl and focus
where they want to go.
Take this.
For Olympus.
Hey, look.
Zeus and Poseidon are
preparing for battle.
No, this is the right place.
This is not Olympus.
This is the Empire State.
Percy, the entrance to
the Olympus is there.
We have ten minutes until
midnight, we will.
Percy Jackson.
You should not have come
out of there alive.
I can not let him take the
radius of the Olympus.
I am a thief in the rays.
You hid in my lightning shield.
Why?
Well, when he said he would go to the
Underworld, it occurred to me ...
It was the perfect opportunity
to bring the beam to Hades.
Why do it?
To bring about the downfall
of Olympus.
Percy, come on.
Let.
Well, it's too late.
Because I will return
the beam to Zeus now.
Not before midnight.
- Are you okay?
- Yes
Luke, why do you want a war between the gods?
Control.
They are in power for a long time.
I say this is the moment of our generation take over.
Reshape the world ? our image.
- A world of new heroes.
- You're not a hero.
- Annabeth, are you okay?
- Yes
Stay here.
Maybe they are wrong.
You may not be the son of Poseidon.
I think I am the son of Poseidon.
He managed the radius.
Come on! We have two minutes.
The Olympus.
Percy, I can not go.
You need to go.
Silence!
It's almost midnight.
This was predestined.
You want it.
You can only blame yourself!
Please!
Let's be rational.
War is not the solution!
- The time is up.
- Wait!
Wait!
My name is Percy Jackson e...
I should be looking for it.
Give me the lightning thief ray.
You are wise to betray his father.
Do not steal.
And have no connection with Poseidon.
Tell me.
If you stole it, who did?
He was angry with you.
With all of you.
He wants you to destroy.
You did well.
Let there be peace!
- Hi, Mom.
- Annabeth.
I am very proud of you.
Zeus.
I have a good friend.
It is a satyr named Grover.
He is my protector e...
only escaped the underworld
because he stayed behind.
And now you expect
me to bring back.
Okay.
I believe that this
meeting is closed.
Brother, please.
I need to talk to him.
Just this once.
I'll be out there.
I do not expect you
to forgive me.
But I want you to know
that I am grateful.
Did not do it for you.
I had to save the mother.
Please.
Not have much time.
How old was I when you left?
Seven months.
I do not need you there
all the time.
But I would have seen
it at least once.
Why not come back?
I wanted to.
When I was with you
and your mother
I was less focused on
my responsibilities.
He emailed me human.
- And that's bad?
- To a God? Zeus thinks.
So created a law
reventing the gods
have contact with
their children.
It was because of you?
But always look after you.
Only because they saw me, not
to say that I was not there.
When he had problems,
tried to help.
I hear you.
I'm not the father
you always wanted.
But if you need me, I'll
be there for you.
In his thoughts.
And in his dreams.
I will always be with you, son.
Always.
You can come visit me. Anytime.
Just promise me you will not
see Gabe's failed again.
I drove it.
Gone.
It's out of our lives forever.
Finally.
- I will miss you.
- I.
Percy?
You belong to this place.
Percy, watch out!
They want to kill the guy
who saved the world?
Pause for lunch. Thank you.
Then, the conquering hero
returns triumphant.
- Grover.
- Have you noticed anything
different about me?
No.
Are you sure?
See no improvement in me?
No, what?
Walked hammering?
New perfume? Is fragrant.
Look, man. I got my horns!
I see! I saw how all the time!
It has horns on his head.
What madness.
Zeus fulfilled the promise.
I am now a senior guard,
first class.
- Congratulations. You the deserved.
- Thanks, man.
Keep walking.
Do not lose confidence.
One foot at a time and when they
become aware, will be running.
Percy.
He left the camp, and
disobeyed my orders.
- Yeah, about that ...
- That's why ...
you are my favorite student.
You can receive all the training
in the world but in the end
will have to follow
your instincts.
Grace under pressure.
Sure.
Current training.
Go change clothes.
It can be a big shot on
Olympus, but down here
remains only one of my students.
Move.
Beautiful horns, Grover.
It was too expensive.
We talked.
We had dinner. Have fun.
I'm happy for you.
I think Persephone really likes me.
Seriously.
You can handle this alone, man.
Sure, Percy.
- Good job, Percy.
- Thank you.
Who's next?
I think I'd like to try.
Welcome home.
Hey, wait!
First rule of battle strategy:
Never let your opponent
to distract him.
