Pokemon the Movie: White - Victini and Zekrom

By Junichi Masuda

The Pokmon world!
An astounding place,
that almost defies description,
with it's abundance and granger
and of course, Pokmon!
Flying high, above the clouds,
swimming deep, under the sea
and roaming on it's beautiful lands.
They can be found
everywhere you care to look.
Here we find a young man,
named Ash Ketchum,
who hails from Pallet Town.
Working with his partner Pikachu,
to catch other Pokmon
and refine his Pokmon battling skills.
As he travels with his friends,
there have been twist and turns
on the road during Ash's journey
as a Pokmon Trainer.
Indeed, his road has branched off
in many directions.
Lost at times,
occasionally retracing his steps,
or forcing him
to take the long way.
But through it all
continuing his journey just the same
in order to realise his ideals,
as of yet, unseen.
You've hurt your leg.
Here we go.
There now.
Blitzel!
You're back.
Damon, thank you so much!
I'm grateful to you for
aiding my daughter's Blitzel.
But still, no matter how
many times you return here,
the answer's the same!
But there is where
the People of the Vale
were ment to live!

Let us return there!
To our own land!
But that land
is forever lost.
There is a way
to bring it back to life!
What you say is
nothing more than legend!
The legend's true!
And I will prove it to be so!
They're coming this way.
It's Damon.
Who's that Pokmon?
-Could it be?
The one they call Legendary.
Reshiram.
They're not stopping!
-Our village is in danger!
Everyone must evacuate!
The time has come
for the People of the Vale
to reclaim it!
Yes! For that is
where the truth lies!

POKMON:

WHITE:

VICTINI AND ZEKROM
Braviary!
Cilan, do you see it yet?
Not yet, Iris, but I think
we should see it fearly soon.
That's it!
It must be!
As Ash continues through
the Unova region,
on his quest to become
a Pokmon Master,
our heroes have arrived
at the mountain town of Eindoak.
Just in time
for the Harvest Festival.
Don't worry!

I'll help you out there!
Here I come.
Hang on.
Ash, I'm coming too!
-Iris, wait, don't do it!
The ground won't hold.
-Ok.
Ash!
Ash, no!
He just jumped!
Did you see, what I saw?
We're ok, guys!
We all landed in one piece!
And how are you planning
on getting out of there?
Hey, there's breeze comin' through!
We'll follow it out!
Follow me.
Hey!
Anybody hear me?
Anyone? Hello!
What was that?
Again.
Hey!
Iris, Cilan!
Come on, get up here!
You gotta check out this view!
Quick!
What are you standing there for?
And to think,
we were worried.
What a kid.
Deerling!
Try hanging out
in safer places, ok?
This castle is called
The Sword of the Vale.
Sword of the Vale?
Look, over there.
They say it flew through the air
from that valley
and landed right here,
on this spot.
Flew through the air?

But how can a castle fly?
It's a legend.
It's impossible to know,
if it's really the truth.
But look, you can see
with your very own eyes,
that the barriers in the
surrounding orchard
are beautiful and delicious.
Awesome!
They look yummi!
Gimme!
Somebody hungry?
In case you haven't noticed,
I'm always hungry and that's that!
Why do I even ask?
-Ash, I got just the thing.
My homemade macaroons.
-Thanks, Cilan.
Yeah!
Way to go!
I'm gonna eat 'em right now!
-Good idea!
These macaroons rule.
Best I ever ate.
Ash, what's wrong?
-It's gone.
The macaroon disappeared.
Knowing you,
you probably ate it.
Hey, Ash. Don't cry.
-Fooled ya.
Check it out.
Still got one.
What a kid.
The Festival's beginning!
Let's see.
Quick!
If we don't hurry,
we won't be able to
register for the competition!
I can take you.
Here. If you're in a rush,
this way's much faster.

That's so nice.
Thank you.
Hi, I'm Ash. I'm working to
become a Pokmon Master.
And this is my partner Pikachu.
My name's Iris.
This is Axew.
I'm training to be a Dragon Master.
I'm Cilan.
A Pokmon Connoisseur.
My name is Damon.
I've been working on
restoring this castle.
Please, follow me.
That tastes so good.
It's a Golurk.
-It's huge.
Wonder what it's pulling?
Let's find out.
Look, there so cute.
There Victini dolls.
The Victory Pokmon.
Victini?
-Right, Victini.
They say, it's lived
in this town since long ago.
I wanna meet it.
-Very few have every seen Victini.
Gotcha.
-Can you tell us more about it?
It's said to give
people and Pokmon power.
Power?
That's right.
Long ago it was said,
to have protected
the Sword of the Vale.
Really?
Awesome!
I'll take one of these, please.
-Here you go.
And one day may you
receive Victini's power as well.
Now I know, I'm gonna

win the battle competition.

I'm well aware, that our
plan was to catch Pikachu
and all of the other
Pokmon in the Festival,
but now...

-That story is a real game changer.

Victini, the Victory Pokmon.

-A Pokmon that can give you power.
Simple.

All we do, is catch it!

Ladies and gentleman,
moms and dads,
girls and boys
and of course, Pokmon,
I welcome you all

to the Eindoak Harvest Festival.

My name is Mannes,
mayor of Eindoak Town.

Folks, I'm happy to report
our orchards have given us
a bountiful harvest this year.

So, Festival fans,
are we having fun?

Yeah!

All right!

Then it's time to kick off
what you've all been
patiently waiting for.

Our annual battle competition!

Here are simple
competition rules.

Trainers, who have gathered here
and wish to participate,
will have a one on one
Pokmon battle with no substitutions.

Whoever holds the competition
necklace until the end, wins!

Carlita, good luck, dear.

-Thanks, mom. Piece a cake.

All right!

Let the battle begin!

Just watch me win!

-Watch me win.

We're gonna win,
right, buddy?
Scraggy, let's go!
Scraggy, I want you to watch
all the other Pokmon, when they battle.
Then, let's go!
It's always hard
when the journey begins.
Hard to find your way,
hard to make amends.
But there's nothing you can't do,
'cause you've got
the power inside of you.
It's never easy,
to make a choice.
To keep things inside,
or raise your voice.
For everyone, there comes a time,
when the light inside begins to shine.
It's not always right or wrong,
as long as your spirit's strong.
It's not always win or lose,
it's the road you choose.
The answer's within!
It's not always black and white,
but your heart always
knows what's right.
Well, let the journey begin!
So many choices,
how do we know?
So many places,
where do we go?
What should I say? What should I do?
Still, we're together, me and you.
It's not always right or wrong,
as long as your spirit's strong.
It's not always win or lose,
it's the road you choose.
The answer's within!
It's not always black and white,
but your heart always
knows what's right.
Well, let the journey begin!
POKMON!

There's nothing you can't do,
'cause you've got the power inside of you!
It's not always right or wrong,
as long as your spirit's strong.
It's not always win or lose,
it's the road you choose.
The answers within!
It's not always black and white,
but your heart always
knows what's right.
Well, let the journey begin!
POKMON!
Good luck to both of you!
Tepig, I choose you!
So, Tepig, a fire type,
is up against Samurott, a water type.
I'm afraid that this battle
is gonna leave a bitter aftertaste
in Ash's mouth.
Tepig, don't worry.
We'll show 'em how strong we are.
Ok, Tepig.
Use Ember!
Not very effective.
All right, use Tackle!
Samurott, Razor Shell!
Let's go!
My word!
Tepig, you ok?
You're fired up to win.
Ok, Tepig, Ember! Once more!
Ember, again!
-What for?
Samurott's unable to battle.
Tepig wins.
All right!
Tepig, way to go!
An unexpected flameburn.
Simply delicious.
That last Ember was incredible.
Hey, mother...
That Tepig powered up
quite suddenly, right?
Yes, it did.

-So, do you think,
that could've been
the work of Victini?
Come on, now.
Say, why not battle me?
I never turn down
a chance to battle.
Let's do it!
So, Scraggy's your choice?
You bet.
Ok, Scraggy, let's go!
Wait, Scraggy?
This battle might not
go down as easily,
as the battle with Tepig.
-Maybe ...
But isn't Hydreigon just
about the coolest ever!
-All right, Scraggy!
Use Head...
Ok, Scraggy!
Use Head Butt! Once more!
Hydreigon is unable to battle!
Scraggy wins!
We did it!
We did it!
Have a good rest.
Here.
-Thank you.
That was the work of
Victini, right? -Victini?
What are you talking about?
-I saw it.
The way your Scraggy
was getting power from Victini.
Do you mean this?
It didn't do anything.
Really!
-I'm talking about the real Victini.
The real one's here?
-So, where is it?
Come on,
I wanna see Victini!
But Victini's invisible now.

It can do that.
Invisible?
Victini must have been the one,
who ate my macaroon.
I wonder what we heard
back in the cave?
That sound could have been
Victini's voice.
Hey, Victini?
Did you give me power earlier?
Hey, Victini, that you?
If it is, come out and say hi.
I've still got some macaroons!
Way to go, Cilan.
Bet this'll work.
Victini, I got more macaroons!
It really does exist!
To think, Victini
appeared for a macaroon.
So, was it good?
Hi, my name's Ash.
This is my buddy Pikachu.
And my name's Iris.
-Hi, I'm Cilan.
Hi, they call me Carlita.
Victini, is it true,
Tepig and Scraggy
suddenly got stronger, because
you gave them some of your power?
You're incredible!
Thanks so much!
Victini, what's wrong?
-Poor thing.
You've made Victini cry!
-You were playing a little too rough.
I'm sorry, Victini.
Really.
It's so amazing Victini showed up.
A true wonder.
It's like an exotic
and rare ingredient.
It makes me feel
really, really happy!
She's not the only one,

who's really happy.
It's a once in a lifetime shot.
-A powerful Victory Pokmon.
Now, if Victini were ours...
-Imagine all that power in us!
Feelin' good!
Victini, let's check it out!
Come on!
Victini, what's wrong?
Victini, what happened?
Victini, wait!
Victini...
You really met Victini?
-Yes, mom! We really did.
Juanita, where would
someone go in this town,
to find a place
of comfort and peace?
After a bad experiance,
where do you wanna go
to feel better?
A place,
that feels like home.
Perhaps, Victini didn't
like the Barrier.
Barrier? -Our village has
an invisible Barrier around it
and it is said, that Victini can't
go beyond the Pillars of Protection.
Go beyond the Pillars of Protection?
They form a Barrier.
-That must have been,
what that was back there.
-Yeah.
Hey, everyone!
So, we meet again.
-It's Damon.
My brother!
-What?
Your brother?
-What do you know.
It's been too long, mother.
-For your information,
six months, to be exact.

-What brings you back here?

I'm just helpin out
with the restoration of the castle.
Upon my special request.

-Look, Mannes!

Your position as mayor,
does not allow you,
to boss my son around.

-Whatever you say, my dear Juanita.

Damon, Victini actually exists.

Yes, I know.

The scent of growing grass.

Lots of fresh air.

This area is as sweet as
ripe fruit. -Yes.

This orchard belongs
to my family.

Slow down, Axew!

You could slip and hurt yourself!

Victini!

We didn't know,
you couldn't pass the Barrier!

Please, come on out!

-You don't have to hide from us!

We got delicious macaroons!

-Yeah, come out and have some!

There telling us, to follow them.

Victini!

Victini, you're here, right?

I'm so sorry I frightened you before!

I'm really sorry!

Victini, you don't have to hide!

Come on out!

It's Victini!

You're back!

I told you!

Ash!

It's cold.

Gotcha!

Victini's having fun.

My plan is to borrow
some of Victini's power.

You see,

both Juanita and I,

are descendants of the tribe
called the People of the Vale.

People of the Vale?

It's the tribe mentioned
in the castle's legend.

Correct.

-We'll tell you a story
of Victini
and the People of the Vale.

Here we go.

Have a look.

Over a thousand year ago,
the People of the Vale
proudly lived under the
rule of a mighty king.

It's Victini.

Was it the king's Pokmon?

Yes, that's what the legend says.

The king ruled over,
what was called,
the Kingdome of the Vale.

-Kingdome of the Vale?

The Kingdome drew it's energy
from the Dragon Force.

What's Dragon Force?

-It's the power,
that flows invisible
throughout our planet.

By using that power wisely,
people and Pokmon alike,
were able to create an enviroment
in perfect harmony.

At one with nature.

The King had two sons.

Twin princes.

And both princes were filled
with wisdom and courage.

Each prince possessed
a unique quality,
for which they were nicknamed.

The Hero of Ideals

and the Hero of Truth.

They were greatly loved.

-Are those... -Pokmon?

Both princes were accompanied
by great Dragon Pokmon.
Zekrom and Reshiram.
Both of them granted
great wisdom and strength,
only to those
judged worthy.
But...
...the country lost its way
and the two princes became enemies.
Which eventually led
to a great and destructive war.
The two fought ferociously,
finally wounding each other.
Which used up
all of their life energy.
These great Dragon Pokmon
were transformed into stone
and fell into a long, deep slumber.
By the time the two princes
realised the mistake,
they had made,
it was too late.
The Dragon Force energy
became chaotic.
Witnessing the destruction
of his people's land,
the King decided
to use the power of Victini.
Victini's...
-Power.
Victini, please.
Grant me the use of your power.
In order to harness
Victini's power,
the King created a Barrier
around the castle,
using the Pillars of Protection.
So, with all of the town's people,
gathered on top of the castle,
it lifted up, into the sky.
And the castle was carried
to this mountain top.
However, the King's

power was spent
and the Pillars of Protection
and the Barrier remained.
Eventually, the chaos
within the Dragon Force subsided.
The two princes were filled
with deep remorse
and they moved the
stone Dragon Pokmon
to a safe and secret location.
But, the People of the Vale
lost their bond with the land
and scattered everywhere.
They've been leaving
behind Victini,
who vanished from sight.
-Victini's been here
for more than a thousand years?
-A thousand years?
And trapped inside the
Barrier for all that time.
Victini...
Look over there.
That's where the
Kingdom once was.
My goal is to bring
the Kingdom of the Vale back to life.
Back to life?
Victini!
You said, it would be nice,
if the Kingdom of the Vale
could be restored.
I did.
The energy of this land
no longer flows here.
So neither people,
nor Pokmon can live.
Would it be great if they could?
That's my dream, Damon.
And now, I can finally
fulfill that dream of yours.
It looks like Victini
wasn't so alone, after all.
Yeah.

Are those for us?
Victini, thanks!
Thanks, Victini.
Merci.
Bon apptit!
It's yummi!
-Yeah, it's delicious!
Three years ago
Damon returned
and payed me a visit
at my home.
I want to contact
the People of the Vale,
who have scatered everywhere
and have them return,
so we can
rebuild our Kingdome.
But that's impossible.
-I have to try.
Those, who say impossible,
accomplished nothing.
Since that time,
I've journeyed far and wide
in search of
the People of the Vale.
It's time for you to leave.
Take it.
This is for you.
Why, thank you.
I'll return.
At first,
no one would even listen to me.
Suddenly, I heard a voice.
There is no
shortcut to the truth.
What was that?
The truth waits here.
Again, the voice.
I heard it coming
from the Sword of the Vale.
From the castle?
So, we went to the cave,
located beneath the castle.
We can't go farther,

for some reason.

Damon?

Mannes?

-Damon!

How did you get down there?

-I'm just here! I don't know!

The path chooses the one,
it will allow to pass.

I'll go alone!

The path was filled
with obstacles.

But, somehow, I made it through.

The Great Light Stone.

So then, you're the one,
who lead me down here.

The truth within you...

It has been judged worthy.

I met the Great Reshiram.

You met Reshiram?

Incredible.

Yes! Come in!

I have found the answer.

Reshiram has shown me,
how the People of the Vale
can you the Sword of the Vale,
to gain complete control
of the Dragon Force's energy.

I'm sorry, Victini.

Please, forgive me,
for trapping you here.

I'm so sorry.

Poor Victini.

So you are lonely, aren't you?

Victini, do you wanna go there?

Ok! Victini, I promise,

I will take you to the ocean.

From this day forward,
the People of the Vale,
will be reunited with their land.

Sigilyph!

The Pillars of Protection.

-But, what's happening?

Victini!

It has begun.

Up there!
-It's Victini!
Come on!
Let's go after it!
Victini!
Victini...
I ask, that you grant me your power.
Damon!
-Victini's power is increasing
the psychic type Pokmon
strength in the castle!
Take a look!
Ash?
-Carlita.
Where's Victini?
What was that?
The castle.
Look!
James, what's going on?
-I think, the castle's moving.
It's flyin'!
I'm using the castle, to change
the flow of the Dragon Force!
It's finally happened!
We're on our way.
The Kingdome of the Vale
will be renewed,
when the castle is returned.
Ash, Victini is
lending me it's power.
You're hurting Victini!
You gotta let it go!
I won't, not while
I still need it's power.
Stop it!
Stop or Victini will die!
-Damon, please. Stop it now.
But, mother...
Now, Pikachu.
Use Thunderbolt.
Pikachu, destroy the Pillars!
Electro Ball!
Reshiram.
-It is?

Golurk, stop Reshiram!

Golurk!

Reuniclus, use Psychic!

Stop! Damon!

Pikachu, quick!

Thunderbolt!

Ash, no!

The Sword of the Vale
must not be moved.

If the Sword of the Vale
is moved once more,
the Dragon Force
will be disturbed
and that could destroy
out entire world.

Which means, the castle
should never be moved again.

Ash!

-Your awake.

Thank goodness.

Where am I?

-In the castle store room.

Ash, please, forgive me.

-Forgive my brother.

He shouldn't have moved the castle!

If the castle's moved,
the Dragon Force will be disturbed
and it will destroy the world!

-What did you say?

Victini just told me so!

The castle was moved
to the top of the mountain,
to keep the disturbance of the
Dragon Force from getting out of control.
It can't be.

Accordin to legend,
the Dragon Force became disturbed
after Reshiram turned to stone.
Which means, Reshiram doesn't know.

So, what do we do?

Reshiram's too strong.

Zekrom.

Zekrom?

The other great Dragon Pokmon.

-Zekrom has the power
to stop Reshiram.
-Ok, but, where is Zekrom?
Reshiram was beneath the castle.
That's where Damon found it.
Then that means,
Zekrom must be nearby, as well.
Beneath the castle.
Ash?
What is this?
Just how far does this path go?
It feels like, we keep
going around in circles.
Hold on.
Where's Ash?
Hey, you guys!
Come down here!
But, Ash...
-How did you get down there?
Beats me!
We're gonna go on ahead!
Go for it!
-Find Zekrom!
You got it!
Victini's in a lot of pain.
Is it within you?
The will to pursue
your ideals?
We gotta keep moving!
Jump!
Stay with me, Pikachu!
I'm ok.
Where are we?
What is your wish?
Your ideal?
Ideal?
I really wanna help Victini.
I've gotta help!
Victini lived here all alone
for a thousand years.
Lonely.
Must've been so lonely.
I promised,
I'd take Victini to the ocean.

It is your will, that shall
bring your ideal to life!
Juanita, look through the clouds!
Oh, no.
It's Mannes.
Things look really
bad down there!
The Dragon Force
is out of controle!
How did you know?
Because Ash told us
it would happen.
Golurk, you must go
and stop the castle!
Reshiram, make sure
Golurk doesn't get in my way!
Golurk, no!
Everyone, get in!
Golurk, keep pushing!
Hard!
C'mon, you can do it!
-Easy for you to say!
At least,
you have claws!
Ok, I give up!
What was that?
Golurk,
get out of there!
Too late!
What's that?
It's Ash!
-And he's riding on Zekrom!
Zekrom.
Zekrom, get us down to
the castle as fast as you can!
Victini!
Go Reuniclus!
Pikachu, Thunderbolt!
Now!
You did well, Golurk.
Pikachu, use Iron Tail!
Pikachu, hang in there!
Sometimes in a search
for the truth,

sacrifices are required.
-You're wrong!
'Cause I don't need
that kinda truth!
Thanks, Pikachu!
I'm coming, Victini!
Reshiram, stop those two!
Reshiram, what's wrong?
Victini.
But why, Reshiram?
But why?
I can hear the lands anger.
Anger?
Damon, the Vale is in deep trouble.
-The Dragon Force is out of controle.
It can't be.
Oh, no.
Fulfilling my mother's dream...
How could that be wrong?
Damon, isn't there any way
to calm the Dragon Force?
Please, Damon.
I don't know.
I just don't know!
You must soothe the anger of the land.
Use the Sword.
That's it.
The Sword of the Vale will
once again restrain the Dragon Force.
Reshiram, Zekrom,
lend me your power.
The Dragon Force
reversed on itself.
Look, Mannes...
The castle is starting to crumble.
You must get everybody out.
-Right, Damon.
Everyone, this way!
Victini.
Ash, quick!
Damon!
-You go on ahead!
Damon, wait.
Ash, you gotta get away from here.

-But, Damon...
Ash, go.
I've got to do this alone.
Mannes, behind you!
Ash, hurry up!
It's the Barrier!
-Oh, no! Ash!
Victini, can't get passed.
-And the Barrier's closing in.
Oh, no! Damon!
Pikachu! Victini!
Stay close to me!
It's so cold.
Pretty soon,
we're gonna run out of air.
Gotta think.
What can I do?
Ash, listen!
You'll make it!
Damon, it's you.
Now, destroy the
Pillars of Protection.
We've got to release
all of the energy.
Ash, you can't give up!
Because you've been
chosen by the great Dragon Pokmon.
Me, give up?
No way!
We're coming!
I can't move.
My body won't let me.
Victini, I'm really sorry.
Victini, I know I promised you...
...I'd take you to the ocean.
I'm sorry.
Victini?
What are you...
Victini!
No, Victini!
Victini...
Pikachu.
Ash, Pikachu!
Are you all right?

The leading edge
of the Dragon Force!
I can see it up ahead!
Is that, where the castle goes?
-Yes, exactly.
That's the only way to calm down
the chaotic Dragon Force.
Damon!
You've got one shot at this!
We're alive.
-And on land.
Land is good.
Which means... -Together.
-Life is great!
We're at the ocean, Victini.
You gave us every bit
of power you had,
even so,
I didn't give you anything!
Oh, Ash...
Victini, I'm sorry.
Victini!
You love macaroons!
We've got some left!
This has a strangely
familiar flavour.
Sure does.
Here's the rest.
Guess, I'll just have
to eat all of these.
And here I go!
Oh, Victini.
Sorry.
Are you ok?
Of course.
I get it.
You're gonna head out
to the Vale, aren't you, Victini?
Go make everyone happy, ok?
I still got some macaroons.
Damon, what...
-Everyone, please, forgive me.
Damon...
The future's what's importante.

The truth of
the People of the Vale.
That's where it lies.

Vayger:
