When You Believe: Music from 'The Prince of Egypt'

By Susan Michaels

Mud #
Sand #
Water #
Straw #
Faster #
Mud, and lift #
Sand, and pull #
Water, and raise up #
- # Straw #
- Faster!
With the sting
of the whip #
- # On my shoulder #
- Aah!
With the salt of my sweat #
On my brow #
Elohim, God on high #
Can You hear
Your people cry #
Help us now #
This dark hour #
Deliver us #
Hear our call
Deliver us #
Lord of all
remember us #
Here in this burning sand #
Deliver us #
There's a land
You promised us #
Deliver us
to the Promised Land #
Yal-di ha-tov
veh ha-rach #
Al ti-ra veh
al tif-cha-d #
My son
I have nothing I can give #
But this chance
that you may live #
I pray
we'll meet again #
- # If He will deliver us #
- # Deliver us #

- # Hear our prayer #
- Ohh!
- # Deliver us from despair
These years of slavery #
Grow too cruel to stand #
Deliver us #
There's a land
You promised us #
Deliver us #
Out of bondage #
And #
Deliver us #
To the Promised Land #
Hush now, my baby #
Be still, love
Don't cry #
Sleep
as you're rocked #
By the stream #
Sleep and remember #
My last lullaby #
So I'll be
with you #
When you dream #
River, oh, river #
Flow gently for me #
Such precious cargo #
You bear #
Do you know somewhere #
He can live free #
River #
Deliver him there #
Brother #
You're safe now
and safe may you stay #
For I have a prayer
&ust for you #
Grow, baby brother #
- # Come back someday #
- Mmm.
Come and deliver us too #
Mommy!
Come, Rameses. We will show Pharaoh
your new baby brother-

Moses.
Deliver us #
Send a shepherd
to shepherd us #
And deliver us #
To the Promised Land #
Deliver us #
To the Promised #
Land #
Deliver us ##
- Ha, ha!
- Faster, you beasts!
You run like mules.
- Hey, Rameses, how'd you like your
face carved on a wall? - Someday, yes.
How about now?
You almost killed me!
Oh, come on.
Where's your sense of fun?
Oh, it's fun you want?
Whoa!
Whoa! Aah!
Ohh. Moses?
Whoa!
Whoa!
Whoa!
Come on, you.
Whoa!
Come on, Moses. Admit it.
You've always looked up to me.
Yes, but it's
not much of a view.
Hyah! Whoo!
Hey!
- Second born, second place.
- Not for long.
Whoa!
- Whoa!
- Aah! Aaah!
&ump!
Whoa!
Whoo!
You don't think we'll
get in trouble for this, do you?

No, not a chance.
Why do the gods
torment me...
with such reckless,
destructive,
- blasphemous sons?
- Father, hear what I-
Be still!
Pharaoh speaks.
I seek to build
an empire,
and your only thought
is to amuse yourselves...
by tearing it down.
Have I taught you nothing?
You mustn't be so hard on yourself, Your
Majesty. You're an excellent teacher.
It's not your fault
your sons learned nothing.
- They learned blasphemy.
- True.
Father,
the fault is mine.
I goaded Rameses on,
and so I am responsible.
Hmm.
Responsible.
Do you know the meaning
of that word, Rameses?
I understand, Father.
And do you understand the task for which
your birth has destined you?
The ancient traditions.
When I pass
into the next world,
then you will be
the morning and evening star.
One damaged temple does not
destroy centuries of tradition.
But one weak link
can break the chain...
of a mighty dynasty!
You have my leave to go.
Father.

Father?
You know it was
really my fault.
Must you be
so hard on him?
Moses, you will never
have to carry a burden...
like the crown
I will pass to Rameses.
He must not allow himself
to be led astray,
not even by you, my son.
All he cares about is-
is your approval.
I know he will live up
to your expectations.
He only needs
the opportunity.
Maybe. Maybe so.
Go now. I shall
see you both tonight.
- Well, that went well.
- &ust go away.
Could have been worse.
"The weak link in the chain. "
That's what he called me.
Well, you are
rather pathetic.
Irresponsible,
ignorant of the traditions.
He practically accused me
of bringing down the dynasty.
Yeah, I can see it now.
There go the pyramids!
You can laugh about it.
Statues cracking and toppling over.
The Nile drying up.
Single-handedly, you will manage to bring
the greatest kingdom on Earth to ruin.
Tell me this, Moses.
Why is it that every time
you start something,
I'm the one
who ends up in trouble?

Ah, man! Oh.

- Ah, it's Rameses. You're in trouble.

- Get down here!

- I think you owe us an apology.

- Oh, my new thing!

- I am so upset!

- You might as well.

- You'll pay for this.

- We're gonna tell the Pharaoh!

Hmm.

- Oh, look at me. I'm drenched again.

- Hey. I figured it out.

- You know what your problem is, Rameses?

- What?

- You care too much. - And your
problem is, you don't care at all.

Oh, in that case, I suppose
you care a lot more than I do...
that we're late for the banquet,
for example.

I'm done for.

- Father will kill me.

- Don't worry.

Nobody will even
notice us coming in.

"Nobody will
even notice. "

Ah, the young princes.

Rameses, you were &ust
named prince regent.

You are now responsible
for overseeing all the temples.

I suggest
you get over there...
and thank your father.

Apparently, Moses,
someone thought he...

&ust needed
the opportunity.

My lord Pharaoh.

I propose that the high priests
offer tribute...

to their new regent.

An excellent idea.

Hotep! Huy!

- Huy.

- Hmm?

- The Midian girl.

- That's a good idea!

Go get her.

By the power of Ra,
we present for your
delectation and delight...
an exotic apparition
stolen from a faraway land.

- We offer you this
delicate desert flower.

Let us inspect
this... desert flower.
More like a desert cobra.

Not much of a snake
charmer, are you?

That's why I
give her to you.

- No, that's generous, but-

- I won't be given to anyone.

Especially an arrogant,
pampered palace brat!

Are you going to
let her talk to you like that?

You will show the proper respect
for a prince of Egypt.

But I am showing you
all the respect you deserve-
none!

No. Wait!

- Be still.

- Untie this rope!

- I demand you set me free!

- Be still.

- Let go!

- As you wish.

Aah! Ohh!

You there!

Have her dried off...

and sent to

Prince Moses' chambers.

If it pleases you,

Father, my first act as regent...
is to appoint Moses...
as royal chief...
architect.

Well-

Right.

Shh. Come on.

Guards.

Prince Moses.

Uh...

there's a-a man
tied up in my room.

- Well, look into it.

- Right away, sire.

Please, I need water.

- I have a long &ourney ahead of me.

- May God protect you.

Thank you.

Hut-hut.

- Oh. Oh, I'm sorry.

I'm so sorry. I-

Oh, please forgive me. I-

I didn't expect

to see... you...

here, of all places,

at-at-at our door.

- Mmm, at last!

- At last?

Didn't I tell you, Aaron? I knew he
would return to us when he was ready.

Miriam, do you
want us flogged?

I knew you cared
about our freedom.

- Miriam!

- Freedom? Why would I care about that?

Because you're-

well, you're our brother.

- What?

- Be-

- They never told you?

- Who never told me what?

But you're here.

You must know.

- Be careful, slave!
- Oh, my good prince.
Um, she's-she's exhausted
from the day's work.
Uh, not that it
was too much.
We- We quite
enjoyed it.
But-But she's confused
and knows not to whom she speaks.
I know to whom I speak, Aaron.
I know who you are.
- You are not a prince of Egypt.
- Miriam.
- What did you say?
- Your Highness, pay her no heed.
C- Come, Miriam.
May I discuss something with you?
No, Aaron. No!
Please, Moses, you must believe!
- That's enough.
- You were born of my mother, Yocheved.
- Stop it.
- You are our brother!
Now you go too far.
You shall be punished.
No! Please, uh,
Your Highness.
She's ill. She's very ill.
We beg your forgiveness.
- Please, Miriam, let us go.
- No, Aaron.
Our mother set you adrift
in a basket to save your life!
Save my life?
From who?
Ask the man
that you call "Father. "
- How dare you?
- God saved you to be our deliverer.
- Enough of this.
- And you are, Moses. You are the deliverer.
I said, enough!
You will regret

this night.
Hush now, my baby #
Be still, love
Don't cry #
Sleep
as you're rocked #
By the stream #
Sleep and remember #
My last lullaby #
So I'll be with you #
When you dream ##
Did you see him? It's Moses.
Gleaming in the moonlight #
Cool and clean
and all I've ever known #
All I ever wanted #
Sweet perfumes
of incense #
And graceful rooms
of alabaster stone #
All I ever wanted #
This is my home #
With my father
mother, brother #
Oh, so noble
Oh, so strong #
Now I am home #
Here among my trappings
and belongings #
I belong #
And if anybody doubts it #
They couldn't
be more wrong #
I am a sovereign
prince of Egypt #
A son of the proud history
that's shown #
Etched on every wall #
Surely this is all
I ever wanted #
All I ever wanted #
All I ever #
Wanted ##
The Hebrews grew

too numerous.
They might have risen
against us.
Father, tell me
you didn't do this.
Moses,
sometimes,
for the greater good,
sacrifices must be made.
Sacrifices?
Oh, my son.
They were only slaves.
Moses?
Is this where
you found me?
Moses, please try
to understand.
So- So everything
I thought,
everything I am,
is a lie.
No.
You are our son,
and we love you.
Why did you choose me?
We didn't, Moses.
The gods did.
This is your home
my son #
Here the river
brought you #
And it's here
the river meant #
To be your home #
Now you know
the truth, love #
Now forget
and be content #
When the gods
send you a blessing #
You don't ask why
it was sent ##
Last night, the gods
granted me a vision.

I'm not merely going to restore
this temple, I will make it more grand,
more splendid
than any other one in Egypt.

Aah.

- Get up!

- Aah!

Moses! Look.

Fate has turned our little misadventure
into a great opportunity.

- Get up, old man!

- Father will be so pleased-

Put your back into it!

Faster!

This is &ust
the beginning.

A gateway will open to an entire
new city of white limestone,
more dazzling
than the sun.

And here, a statue of Hapi.

I said, hurry!

- ... two great column halls.

- Stop it!

- Somebody's got to stop this!

- There's nothing we can do.

Stop it.

Stop. Stop it!

- Leave that man alone!

- Moses!

Out of my way.

Out of my way. Move!

Who did this?

Up there! It's him.

Up there.

Moses!

Moses, what's going on?

Moses!

Moses!

- Moses!

- Let me go!

- No, wait. - You saw what happened.

I &ust killed a man.

We can take care

of that.

I will make it

so it never happened.

Nothing you can say

can change what I've done.

I am Egypt, the morning

and the evening star.

If I say day is night,

it will be written,

and you will be

what I say you are.

I say you are innocent.

What you say does not matter.

You don't understand.

I can't stay here

any longer.

- Moses!

- No!

All I've ever known

to be true is a lie.

I'm not who

you think I am.

What are you

talking about?

Go ask the man

I once called "Father. "

Moses?

Please.

Good-bye, brother.

Moses!

Moses!

No.

Aah!

Aaah!

Hey, wait.

Please.

Ohh!

Oh!

What are you doing?

- Help!

- Let our sheep drink!

Leave us alone!

Get away!

Stop it!

My father's
the high priest of Midian.
You're going to be
in big trouble.
- Aah!
- Hey, you.
Aren't these
your camels?
- Hut-hut!
- No, no! No, no!
- Wait!
- Wait, stop!
Whoa!
What are you girls
doing?
We're trying to get the funny man
out of the well.
Trying to get the funny man
out of the well.
- Well, that's one
I've never heard before.
Oh, my.
Oh, uh, don't worry down there!
Uh, we'll get you out.
Hold on!
You.
Huh?
Ohh!
Mm-hmm.
That's why Papa says
she'll never get married.
You don't have to do this. Ladies,
please, I'm really- I'm really quite-
No, not there, please.
That tickles. Ladies,
you've cleaned every inch of me.
Whoa, I- I was wrong.
Let me through. Let me through.
I want to see him.
Ah! You are most welcome.
You should not be
a stranger in this land.
You have been sent
as a blessing.

Tonight, you shall be my honored guest.

My father, ðro,

High Priest of Midian.

Psst. Sit with me.

Um, all right.

Psst. Not yet.

- Oh, sorry.

- My children,

let us give thanks

for this bountiful food.

And let us also give thanks

for the presence...

of this brave, young man

whom we honor here tonight.

Please, sir, I wish you wouldn't.

I've done nothing in my life

worth honoring.

First, you rescue Tzipporah

from Egypt,

- then you defend my younger

daughters from brigands.

You think that is nothing?

It seems you do not know

what is worthy of honor.

A single thread

in a tapestry #

Though its color

brightly shine #

Can never see

its purpose #

In a pattern

of the grand design #

And the stone that sits

on the very top #

Of the mountain's

mighty face #

Does it think

it's more important #

Than the stones

that form the base #

So how can you see

what your life is worth #

Or where

your value lies #

You can never see
through the eyes of man #
You must look
at your life #
Look at your life
through heaven's eyes #
La-la-la-la-la-la-la-la
La-la-la-la-la-la-la-la #
La, la-la-la-la-la-la-la #
La-la-la-la-la-la-la #
- # Lai-lai-lai, lai-lai-lai-lai
Lai-lai-lai, lai-lai-la # - Dance with me.
No, I don't know how.
A lake of gold
in the desert sand #
Is less than
a cool, fresh spring #
And to one lost sheep
a shepherd boy #
Is greater
than the richest king #
If a man lose
everything he owns #
Has he truly
lost his worth #
Or is it the beginning #
Of a new and brighter birth #
So how do you measure
the worth of a man #
In wealth or strength
or size #
In how much he gained
or how much he gave #
The answer will come #
The answer will come
to him who tries #
To look at his life
through heaven's eyes #
And that's why we share
all we have with you #
Though there's little
to be found #
When all you've got
is nothing #

There's a lot
to go around #
No life can escape
being blown about #
By the winds
of change and chance #
- # And though you never know
all the steps # - Dance with me.
- No, I- No. No!
- # You must learn to &oin the dance #
You must learn
to &oin the dance #
La-la-la
Lee-lai-lai-lai #
Lai-lai-lai-lai
Lai-lai-lai-lai #
Lai-lai-lai-lai, lee-lai-lai
Lai-lai-lai-lai, lai-lai-lai #
Lai-lai-lai-lai, lee-lai-lai,
lai-lai-lai-lai, lai-lai-lai #
Lai-lai-lai-lai, lee-lai-lai
Lai-lai-lai-lai-lai-lai-lai #
Lai-lai-lai-lai, lee-lai-lai
Lai-lai-lai-lai, lai-lai-lai #
Lai-lai-lai-lai, lee-lai-lai
Lai-lai-lai-lai-lai #
So how do you &udge
what a man is worth #
By what he builds
or buys #
You can never see
with your eyes on earth #
Look through
heaven's eyes #
Look at your life #
Look at your life
through heaven's #
Eyes ##
Mmm.
I love you.
Ahh!
It's too early
for this.
Moses.

Moses.

Moses.

Here I am.

Take the sandals
from your feet,
for the place on which you stand
is holy ground.

Who are you?

I am that I am.

I don't understand.

I am the God of your ancestors,
Abraham, Isaac
and Jacob.

You were born of my
mother, Yocheved. You are our brother.

What do You want
with me?

I have seen the oppression
of My people in Egypt...
and have heard their cry.

- Stop it!

Leave that man alone!

So I have come down
to deliver them out of slavery...
and bring them
to a good land,
a land flowing
with milk and honey.

And so, unto Pharaoh,
I shall send...

you.

Me? Wh-Who am I

to lead these people?

They'll never believe me.

They won't even listen.

I shall teach you
what to say.

Let my people go!

But I was their enemy.

I was the prince of Egypt, the son of
the man who slaughtered their children.

You've- You've chosen
the wrong messenger.

H- How can I even speak

to these people?
Who made man's mouth?
Who made the deaf, the mute,
the seeing or the blind?
Did not I?
Now go!
Oh, Moses,
I shall be with you when you
go to the king of Egypt.
But Pharaoh
will not listen.
So I will stretch out
My hand...
and smite Egypt...
with all My wonders.
Take the staff
in your hand, Moses.
With it,
you shall do My wonders.
I shall be with you,
Moses.
Moses.
Moses.
But, Moses,
you are &ust one man.
Tzipporah,
please.
Look at your family.
They are free.
They have a future.
They have hopes
and dreams...
and the promise
of a life with dignity.
That is what I want
for my people.
And that is why
I must do the task...
that God has given me.
I'm coming with you.
Rameses.
Moses?
Is it really?
Moses!

- Rameses!
- Where have you been? I took you for dead.
Look at you!
Pharaoh.
Well, look at you.
What on earth are you dressed as?
Oh, Rameses,
it's so good to see you.
Excuse me, Your Majesty.
We are compelled to remind you this man
committed a serious crime against the gods.
We are loathe
to bring it up, mind you.
The law clearly states
the punishment for such a crime-
- Death!
- We hesitate to say it.
Be still.
Pharaoh speaks.
I am the morning
and the evening star.
Rameses.
It shall be as I say.
I pardon forever all crimes
of which he stands accused...
and will have it known
that he is...
our brother Moses,
the prince of Egypt.
Rameses,
in my heart,
you are my brother,
but things cannot be
as they were.
I see no reason why not.
You know I am a Hebrew, and the God
of the Hebrews came to me.
What?
He commands that you
let His people go.
Commands?
Behold... the power of God.
Well, uh, impressive.
Hmm.

Very well, Moses.
I'll play along.
Hotep. Huy.
Give this snake charmer
our answer.

By the power of Ra.

Mut.

Nut.

- Khnum.

- Ptah.

- Nephthys.

- Nekhbet.

- Sobek.

- Sekhmet.

Sokar. Selket. Reshpu.

- Wad&et.

- Anubis.

- Anukis.

- Seshmu.

- Meshkent.

- Hemsut.

- Tefnut.

- Heket.

- Mafdet.

- Ra, Mut, Nut, Ptah.

Hemsut, Tefnut,

Sokar, Selket.

Seshmu, Reshpu,

Sobek, Wad&et.

Heket, Mafdet,

Nephthys, Nekhbet, Ra!

So you think

you've got friends #

In high places

With the power

to put us on the run #

Well, forgive us

these smiles #

On our faces

You'll know what power is

when we are done #

Son.

You're playing

with the big boys now #

- # Playing with the big boys now #
- Oh, that's pretty.
- # Every spell and gesture #
- # Tells you who's the best #
You're playing with
the big boys now #
You're playing with
the big boys now. #
Stop this
foolish mission #
Watch a true magician #
Give an exhibition how #
Pick up your
silly twig, boy #
You're playing with
the big boys now #
- Ha-ha-ha-ha-ha!
- # By the power of Ra #
Mut, Nut #
Khnum, Ptah #
Sobek, Sekhmet
Sokar, Selket #
Anubis, Anukis, Hemsut
Tefnut, Meshkent, Mafdet #
You're playing with
the big boys now #
By the might of Horus
you will kneel before us #
Kneel to our
splendorous power #
- # You put up a front #
- # You put up a fight #
And must to show
we feel no spite #
You can be our acolyte #
- # But first, boy it's time to bow #
- # Kowtow #
Or it's your own grave
you'll dig, boy #
You're playing with
the big boys #
Playing with the big boys
Playing with the big boys #
Playing with

the big boys now ##
They love it.
All right, Moses.
I know you.
What's this really about?
Rameses, look.
What do you see?
A greater Egypt
than that of my father.
That is not
what I see.
Moses, I cannot
change what you see.
I have to maintain
the ancient traditions.
I bear the weight
of my father's crown.
Do you still not understand
what Seti was?
He was
a great leader.
His hands bore the blood
of thousands of children.
Hmph.
Slaves.
My people.
And I can no longer hide
in the desert while they suffer...
at your hands.
So...
you have returned...
only to free them.
I'm sorry.
Yes.
I had hoped...
that-
I do not know this God.
Neither will I
let your people go.
Rameses, please,
you must listen-
I will not be
the weak link!
Tell your people

as of today...
their workload
has been doubled,
thanks to your God.
Or is it thanks...
to you?
It's Moses.
Moses! Ohh.
So, Moses,
how does it feel when you
get struck to the ground?
I didn't mean
to cause you more pain.
I'm &ust trying to do
as God told me.
God? When did God start
caring about any of us?
In fact, Moses, when did you start
caring about slaves?
Was it when you found out
that you were one of us?
Don't listen to him.
No, he's-
he's right.
I did not see because
I did not wish to see.
Oh, you didn't see because
you didn't wish to see.
Ah! Well, that makes everything
fine then, doesn't it?
Aaron!
You shame yourself.
Miriam.
I'm so sorry.
Moses,
hear what I say.
I have been a slave...
all my life,
and God has never
answered my prayers until now.
God saved you
from the river,
He saved you
in all your wanderings,

and even now He saves you
from the wrath of Pharaoh.
God will not abandon you,
so don't you abandon us.
Miriam.

Where are you going?

M- Miriam.

The ball disappears.

Where is it? In his hand.

Rameses!

Let my people go!

Still gnawing away

at that bone, are we?

Carry on.

You cannot

keep ignoring us.

Enough! I will hear no more
of this Hebrew nonsense.

Bring him to me.

- Moses!

- No!

Take the staff

in your hand, Moses.

Father.

- It's-

- Blood!

Blood! Oh, blood!

Hotep! Huy!

Explain this to me!

- Ah!

- Rest assured, Your Majesty-

Uh, yes, we were going to
demonstrate the superior might...
of our gods.

Uh-

By the power of Ra!

Abandon this futile mission,
Moses.

I've indulged you
long enough.

This must now
be finished.

No, Rameses.

It is only beginning.

But, Moses, d-didn't you
see what happened?
The priests
did the same thing.
Pharaoh still has the power
over our lives.
Yes, Aaron, it's true.
Pharaoh has the power.
He can take away your food,
your home, your freedom.
He can take away
your sons and daughters.
With one word,
Pharaoh can take away
your very lives.
But there is one thing
he cannot take away from you:
your faith.
Believe,
for we will see
God's wonders.
Thus saith the Lord #
Since you refuse
to free my people #
- # Since you refuse to free my people #
- # Since you refuse #
All through
the land of Egypt #
I send a pestilence, a plague #
Into your house, into your bed #
- # Into your streams Into your streets #
- Hmm.
Into your drink
Into your bread #
Upon your cattle, on your sheep #
Upon your oxen
in your field #
Into your dreams, into your sleep #
Until you break
Until you yield #
I send the swarm #
I send the horde
Thus saith the Lord #
Once I called you brother

Once I thought the chance
to make you laugh #
Was all I ever wanted #
I send the thunder
from the sky #
I send the fire
raining down #
And even now I wish
that God had chose another #
Serving as your foe
on His behalf #
Is the last thing #
- # That I wanted #
- # I send a hail of burning ice #
On every field
On every town #
This was my home #
All this pain and devastation
how it tortures me inside #
All the innocent
who suffer #
From your stubbornness #
- # And pride #
- # I send the locusts on the wind #
Such as the world
has never seen #
On every leaf
On every stalk #
Until there's nothing left
of green #
I send my scourge
I send my sword #
Thus saith the Lord #
You who I called brother #
Why must you call down another blow #
I send my scourge
I send my sword #
- # Let my people go #
- # Thus saith the Lord #
Thus saith the Lord #
You who I called brother #
How could you have come
to hate me so #
Is this what you wanted

I sent the swarm
I sent the horde #
Then let my heart
be hardened #
And never mind
how high the cost may grow #
This will still be so #
I will never let #
Your people go #
Thus saith the Lord #
- # I will not let #
- & Let #
- # Your people #
- # My people #
- # Go ##
- # Go ##

Rameses?

Rameses?

Oh. Let me guess.

You want me to...

let your people go.

I hoped

I would find you here.

Get out!

Rameses, we must

bring this to an end.

Rameses, please,

talk to me.

We could always

talk here.

This place.

So many memories.

I remember the time you...

switched the heads of the gods

of the temple of Ra.

If I recall correctly,

you were there switching heads

right along with me.

No, it was you.

I didn't do that.

Oh, yes, you did.

You put the hippo on the crocodile,

and the crocodile-

- On the falcon.

- Yes!

The priest thought it was a horrible omen and fasted for two months.

Father was furious. You were always getting me into trouble.

But then-

you were always there to...

get me out of trouble again.

Hmmph.

Why can't things be the way they were before?

Father.

It's so dark.

I'm frightened.

Why is he here?

Isn't that the man who did all this?

Yes.

But one must wonder...

why.

Because no kingdom should be made on the backs of slaves.

Rameses, your stubbornness is bringing this misery upon Egypt.

It would cease if only you would let the Hebrews go.

I will not be dictated to.

I will not be threatened.

I am the morning

and the evening star. I am Pharaoh.

Something else is coming. Something much worse than anything before.

Please, let go of

your contempt for life...

before it destroys

everything you hold dear.

Think of your son!

I do.

You Hebrews have been

nothing but trouble.

My father had the right idea

about how to deal with your people.

- Rameses- - And I think
it's time I finished the &ob.
- Rameses! - And there shall be
a great cry in all of Egypt...
such as never has been
or ever will be again!
Rameses, you bring this
upon yourself.
God has come
to me again, saying,
"Take a lamb...
and with its blood...
mark the lintel and posts
of every door,
for tonight...
I shall pass through
the land of Egypt...
and smite
all the firstborn.
But when I see the blood
upon your door...
I will pass over you,
and the plague
shall not enter. "
You
and your people...
have my permission to go.
Leave me!
Many nights we've prayed #
With no proof #
Anyone could hear #
In our hearts
a hopeful song #
We barely understood #
Now we are not afraid #
Although we know
there's much to fear #
We were moving mountains #
Long before
we knew we could #
There can be miracles #
When you believe #
Though hope is frail #
It's hard to kill

Who knows what miracles #
You can achieve #
When you believe #
Somehow you will #
You will when you #
Believe #
In this time of fear #
When prayers so often
proved in vain #
Hope seemed like
the summer birds #
Too swiftly flown away #
- # Yet now I'm standing here #
- # Now I'm standing here #
With heart so full
I can't explain #
Seeking faith
and speaking words #
I never thought I'd say #
There can be miracles #
- # When you believe #
- # When you believe #
Though hope is frail #
- # It's hard to kill #
- # It's hard to kill #
Who knows what miracles #

When you believe #
Somehow you will #
You will
when you believe #

My wonders!
Leave it!
Yeah, me too.
Eeee-yaaaaah!
Don't &ust stand there!
Kill them!
Kill them all!
The soldiers! They're coming!
Moses! Moses!
- Hurry! Hurry! I got you.

- Look! The shore!

No!

Thank you.

Moses!

Moses!

Good-bye, brother.

Deliver us

Many nights we prayed

With no proof

anyone could hear #

In our hearts

a hopeful song #

We barely understood

Now we are not afraid

Although we know

there's much to fear #

We were moving mountains

Long before

we knew we could #

Ohhh-ohh, yes

There can be miracles

When you believe

Though hope is frail

It's hard to kill

Who knows what miracles

You can achieve

When you believe

Somehow you will

You will when you

Believe

- # Mmmm #

- # Oooh, yeah #

In this time of fear

When prayer so often

proves in vain #
Hope seems like
the summer birds #
Too swiftly flown away #
Yet now I'm standing here #
My heart's so full
I can't explain #
Seeking faith
and speaking words #
I never thought I'd say #
There can be miracles #
- # When you believe #
- # When you believe #
Though hope is frail #
It's hard to kill, mmm #
Who knows what miracles #
- # You can achieve #
- # You can achieve #
When you believe #
Somehow you will #
You will when you #
Believe #
They don't always happen #
When you ask #
Ah #
And it's easy to give in #
To your fears #
- # Oooh #
- # Ohhh #
But when you're blinded
by your pain #
Can't see the way
to get through the rain #
- # Hold still #
- # Reveal your voice #
Says help is very near
Ohhh #
- # There can be miracles #
- # Miracles #
- # When you believe #
- # Ohh, when you believe, hey-ey-ey #
- # Though hope is frail #
- # Hope is frail #
- # It's hard to kill #

- # Hard to kill, oh, yeah #
Who knows what miracles #
- # You can achieve #
- # You can achieve #
- # When you believe #
- # Oooh-oooh-ooooh #
- # Somehow you will #
- # Somehow, somehow, somehow #
- # And now you will #
- # Now, now, now, ohhh-ohh-ohh #
You will when you #
- # When you believe #
- # Ohhh-ohh-ohh #
Ooooh, you will #
You will when you #
Believe #
- # &ust believe #
- # You will #
- # Ohhh-ohh-ohh #
- # You will #
And honey, honey, honey #
- # &ust believe #
- # You will when you #
Believe ##
- # I will get through the night #
- # Ohh, yeah #
And make it through
to the other side #
- # Get there #
- # Get there #
- # I been in these chains for so long #
- # So long #
I'll break free
and I'll be there #
Where I belong #
Hold my head up high #
- # I'll stand tall #
- # Stand tall #
And I swear this time #
- # I won't fall #
- # Get there #
- # I will do this #
- # Get there #
No matter what it takes

'Cause I know no limitations #
And I'll reach
my destination #
I will get there #
I will get there. #
I will get there #
I will get there. #
- # Somehow #
- # Somehow #
- # Cross that river #
- # Cross that river #
- # Nothin's stoppin' me now #
- # No-o-o-o-o #
I will get through
the night #
You know #
And make it through
to the other side #
- # Get there, ooh, yeah #
- # Get there #
- # Get there #
- # Get there #
Well, the night
is cold and dark #
But somewhere
the sun is shining #
And I'll feel it
shine on me #
I'll keep trying #
I'll keep trying. #
Oh, yeah #
- # I will get there #
- # I will get there #
- # I will get there somehow #
- # Somehow #
Cross that river #
I'll cross that river
for you #
- # Nothin's stoppin' me now #
- # Ohhhh-ahhh #
I will get through
the night #
And make it through
to the other side #

- # Get there #
- # Get there #
- # Ooh, get there #
- # Get there #
- # Ohhhh #
- # I will get there #
I will get there #
- # Nothin's stoppin' me now #
- # No matter what #
- # I will get through the night #
- # I'll get through the night #
And make it through
to the other side #
- # Get there #
- # Get there #
- # Ooh, get there #
- # Get there ##
