Greetings...
43 dead... 55 injured...
19 critical...
Bomb blast has become
so common a thing in the country...
That instead of it
beinga breaking news...
It No longer qualifies
to be called even a mere news...
Once again the anger of Hindus in our
Nation reach it's boiling point...
Everyone is pointing finger
at the muslims staying in the country...
Once again it is being said...
...that if ever there can be any relation
between hindusand muslim...
...then it can be only of Hatred...
I would like to ask a question...
to all of you... and to myself too...
Samir khan beinga film superstar
Rules over the

hearts of millions...
In his films he is
so often praised by Hindus...
To his millions of fans
I would like to ask...
Are you not aware as to which
religion Samir Khan belongs to?
If we are to believe
in this ongoing thought...
That despise and disagreement can be the
only bond between the two communities...
Then by the same rationale...
Samir Khan should have become
this country's biggest enemy...
There are many people who
are popular amongst the Hindus...
And there are many names
whom the Muslims respect too...
The Fanatic Thinking of a select few
opportunists is... 'Communal Hatred'
This is something we all are aware of...
and understand it too...
Then why do we let this
become our line of thought?
Why?
Just think about it...
Wish you would love me as much
as you love Vijay Harshvardhan Mallik...
God you are obsessed with the man...
Not Obsessed... I just respect him...
And you must too...
Hello, I am very busy in my life...
I don't have time to respect anyone...
I know...
More than country's problems you
are more interested in movie gossips...
So? What's wrong?
Gossip is at least entertaining...
Ok. Let's not start this again...
I still cannot believe... I am joining
Vijay sir's channel from tomorrow...
Oh God not again...
gimme a break Purab...
Ok I'm leaving... see you later...

Have a good day...
Today we have an Ad shoot
for holay holay hair remover...
...am going to be late tonight
so make some food...
and please... Not your favourite
vegetable dish Bitter Gourd...
Bye... - Bye...
9 months ago the most brutal terrorist
attack ever, happened in country...
responsible ministers assured
to tighten country's security system...
...and today again a bomb blast...
Even after so many attacks... has our system
not learnt anything from its mistakes?
Or is it that our mistakes have
transformed into becoming a habit...
...or helplessness...
If it is so then this very status of ours is much
more dangerous than terrorism.
Your dad is just terrific...
Much dangerous...
Ya he is...
Just think about it...
- But the channel is not...
What??
Dad feels, media's solemn duty
is to serve the public...
So... isn't he right?
But if the doctor himself falls ill...
...how will he treat the diseased?
What do you mean?
Our channel is turning
into a sick unit Yas...
Lime and cola doesn't wish
to renew their deal with us...
our TRPs have fallen
to an all time low...
That new show we were launching...
Common Man... what's happening on it?
Headlines 24 has just
yesterday launched a show...
The show is called...
...'Ordinary Man'...

Sir you are aware that in todays
times ideas are few and competition high...
...and every person is walking spy camera...
it's very difficult to keep a secret...
...and it's possible they too might
have thought this very same idea...
I don't know these things
are hard to tell...
I would like you to take
a look at this Sir...
Yes in todays times...
business doesn't run on principals...
But jai... media is not just a business...
You are missing the point...
Just as soap garments etc are a business...
News channel is a business too...
It needs money investment...
And wherever money is invested...
...there can be only one objective...
To Make Money...
But jai... everyone regards you father
highly... then where's the problem?
Not everyone...
Only educated people like you...
That makes no difference to
my channel business though...
And this top ranking
channel... Headlines 24...
The person who runs it is
neither terrific like my Dad...
Nor does anyone respect him...
Despite of that isn't he high above?
Ruling... on top.
Idiot...
Who?
A few years ago he was
a mere employee with us...
Amrish Khakkar...
Now I realize, the kind of donkeys
I've been breeding in my channel...
Instead of Headlines 24...
You all should be in India 24 x 7 with
Vijay Harshvardhan Mallik...
How many times I've said,

convert News into spice and Sell...
And listen...
Get rid of these plain looking women...
...instead bring in beautiful models...
...take them to a beach...
put them in skimpy clothes...
...and then let them speak
about the weather analysis...
who wish to hear will listen...
who wish to see will watch...
Remember, presentation is everything...
Presentation is not everything...
Media's purpose is to evaluate the truth
regarding the information and...
...present it to the public.
Maybe because of our principles...
...we are lagging behindas
compared to other channels but...
...This is not a race...
If we have to review ourselves...
we should question ourselves as to...
...how honest... howtalented...
how un-biased we are.
The answer to these questions
is what India 24/7 stands on...
...and will remain standing...
Hi Dad...
The necessity that...
...Prime minister Hooda was feeling since
many months has today been fulfilled...
What necessity Dad?
Since a long time Hooda has been
sayingthat our country...
...to fight against terrorism...
...needs a much more forceful
law than the existing one.
But the opposition leader
Mohan Pandey doesn't agree with him...
However after todays bomb blast
the opinion pollsare saying...
...that the people of
the country support Hooda.
What do you feel Dad?
- I have faith in Hooda...

After many years the country has
got a leader like him... I like him
yup...
I'll get back to you...
yes... I said I'll get back to you...
Your Brother in law wishes that...
...India 24/7 should...
...praise his company
I'll speak to him dad...
Today morning Prime Minister
Digvijay Hooda visited Muzaffarnagar...
...and inspected the site where
the bomb blast took place.
It's a great misfortune that the innocent people
have died in this blast...
...and their family members, but it is a
much greater misfortune of mine...
...that despite knowing the
solution to the problem...
I can do nothing.
What greater misfortune could there be?
To fight against terrorism
this country needs...
...a tough anti terror act.
If we Don't understand this now...
...then we never will.
I don't know how many more times
will we keep punishing the countrymen...
...for our stupidity,
in the form of these attacks
Under the circumstances along
with the Prime Minister...
...the entire nation feels the need
for tough measures...
Despite of this...
...the opposition party leader Mr. Mohan Pandey
is vehemently opposing the bill.
It's a Sham...
This bill is an outright Sham.
Taking advantage of the bomb blast...
it's a novel ploy of Hooda to seize
complete authority of power...
Mr. Hooda is already busy preparing...
...plans to get the bill

passed as soon as possible...
...so that his government can
at once begin abusing law and order...
The truth is...
that Mr. Hooda is trying...
...to take unfair advantage of
the situation of fear in the country...
...this country does not need a new law...
It requires tougher measures...
Mr. Hooda's scheme to become Hitler...
...shall face our full
protest with all our might...
And the award
for the best actor goes to...
Mr. Mohan Pandey... Cheers.
Pandey may have his say... but after
the bomb blast the Public sentiment...
...seems to be leaning in favor of Hooda
Prime Minister Digvijay Hooda will definitely
confront this problem and succeed.
He has got the people of the country's
unshakable faith and support.
These Media now a days are
rather noisily beating Hooda's drum.
What do you feel?
What will happen?
Hmmm... Naveen, ask what
all won't happen.
If Hooda's charm continues at this rate...
...I will never be able to
become the prime minister...
...and you...
...will never be able to remove
your cousin brother...
...to become the number
one Industrialist.
What do we do?
We will have to do something...
Hmmm...
We will have to do something...
But what?
I feel what Mohan Pandey
says is absolutely right...
Hooda is just fooling the country...

Please Nandita... What do
you know about Pandey?
...Or for that matter about Hooda?
I don't believe...
People just mindlessly form opinions
without thinking as to who is what...
...pandey isa idiot...
come on Purab... be fair... I mean
the guy isa popular leader.
I can't you understand?
What isa leader?
Like you and me, he is just another
working employee... not obliginganyone...
...and Nandita, the thing is... a country
functionsaccordingto a system...
...and you and me are just parts of it...
I give up Purab I give up...
...I can never win an argument with you...
ok bye...
umm... wait... wait... wait...
...This will give you company
in office... and your lunch...
bye...
...have a good day...
every street is loudly proclaiming...
all the leadersare robbers.
Now every street
is loudly proclaiming...
All leadersare robbers...
They do not value Allah or Ram.
They do not Value Allah or Ram.
Andthe people are cheated...
India...
India...
India...
India...
Jay, in the era of computers
typewritersare defunct...

One Chance...
to work according to my thoughts...
I will get Headlines 24 shut down...
I have heard Lime and
Cola too has withdrawn...
If this continues then
India 24/7 will soon...
...have to bottle up...
My PR agency without
my permission...
called up your
programming department...
...they took it for granted...
that India 24/7 belongs to me...
I mean it...
...listen I know your dad...
Why would I do it?
How's everything else?
- Everything else is good.
You know Jay...
it's not exactly easy to

Why?
She's a muslim... right?
And you know mom...

And sooner or later I will
have to tell Mom, isn't it?
You won't believe...
what a joker that Trivedi is...
I am surprised, a journalist
like him is working for India 24/7...
oh! Purab, there are all sorts
of people working in every company...

Trivedi moves about with such
lame creativity in that brain of his...

Jay do me a favor please...
- Ya?
Can you put on headlines 24 please?
Please...
yeah...
Thank you...
in todays age, where starting from
an ordinary man to a millionaire...
and billionaires too...
are soundly sleeping in their bedrooms...
We have come across a true angel
of charity in flesh and blood...
...in Uttarakhand affected with
the Natural disaster of floods...
...a messiah has come
forth amongst them...
...the CEO of Shankalya Group of
Companies, Naveen Shankalya...
papa...
- yes that's papa...
I didnt know you had...
...friends in Headlines 24...
come on Jai...
these are just my PR guys...
They're doing their job...
...you know how it is...
Thank you...

uh...
...by the way dad... umm...
Some investors have
come down from London...
...andthey have pots of money...
...and they wish to invest some money
in television news industry...
...so I recommended India 24/7
...Jay, I have asked
them to meet you...
...Naveen, a news channel
should not accept...
...from any one...
...any kind of favorsat all...
Where is there any favors
in this dad?
They are my friends...
...they trust my word...
They will do it for me...
Whether someone is doing
something for you...
...or you are doing it for some one
is I'm material...
No one does anythingfor anybody
without personal interests...
there are no free lunches...
...Give me some curry...
sorry...
Look at this picture very closely...
this accident happened yesterday...
When while fielding,
our budding star cricketer...
...Hansraj Singh Suddenly got unconcious...
What is the reason...
that the young blood who
we expect to be fit and strong...
while playing for India...
just collapse andfall down?
Why is India's glorious
image gettingtarnished...
why is the young generation
getting ruined?
...to find out more about it watch
our tonights special feature...

...Mummy see, your son is getting spoilt...
Mummy see... Mummy see... Mummy see...
your son is getting spoilt...
How was it?
Trivedi, I have told you earlier too...
that is don't like such presentations... - Purab?
...wonder if he saw me
from behind...
yes sir?
I saw your investigative
story on Encounter cops...
intelligent...
...insightful...
...and brilliant...
hey. Hey
...I wont say 'Best of Luck' to you...
...more than luck...
...you seem to be a person who stands
on his confidence. Ok... AII the best...
Jay every show hasa unique identity...
...I am afraid if you stretch it too
far it will lose it's effect...
...and I am afraid that India 24/7
might shut down...
If we Don't do somethingtoday...
...tomorrow we might not get
a chance to even do anything...
...Dad, I know your principles very well...
...Keeping them in mind
I have plannedall this... and dad...
...every one is quite convinced...
...that these changesare
fantastic for India 24/7.
Fantastic...
Dad... Don't mind me saying this but...
...along with principles...
...people are workingfor us...
...and should we not look after
their salaries too dad?
Trust me dad...
we are not compromising...
Just changing a little bit...
that's it...
...just a little...

...Jay I do not agree with your changes... but...
...we got practical problems...
...see as long as we do not compromise
on india 24/7's principles...
No way dad... no way...
...no principle will be compromised...
...I can assure you that...
- are you sure?
Super sure dad...
I mean, every show has
their own recognition.
...and what you propose to do might
reduce the effect of the show...
...Its a matter of needand not effect...
but if it is not effective
how will it fulfill needs?
In order to increase the viewership,
if we play with our existing shows...
...then we will even lose the
viewership that exists now...
How longago
did you join this industry?
What difference does that make?
To know these things...
...one doesn't always require experience.
I accept that I am new to the industry...
...but have been a veiwer
since a long time...
you mean to say...
...I do not understand things here?
...is that what you are tryingto say?
- No no...
...you know better than me...
...but you are seeing only
what you want to see...
Why don't you just shut up?
Don't forget you are just
an employee in this channel.
...andto speak against us...
One minute... Please Don't think of
my disagreement as my disloyalty...
I know... that I am just an employee...
maybe you might not believe me...
...but I too am keenly interested...

...in the progress of
India 24/7 as much as you are...
I said whatever I've to say.
...let Dad decide.
Jay is right...
Is there anything else
you wish to say?
Lots...
But will it make a difference?
- No.

If you really want it.
If you really want it...
...then alongwith India 24/7...
...Entire Indian Media will
be under your control.
How?
How?
This... Muzzaffarnagar... Bomb
blast that recently happened...
Do you know... who hasactually did it?
Digvijay Hooda.
It'sa clever plot of his...
to plant fear in hearts of people...
and use it to get the new bill passed.
How can you be so sure...
...that Hooda has done it?
Hooda has not done itJay...
...it should seem like he's done it.
What do you mean?
I mean the world has changed.
Earlier TVchannel's used to show
incidents that happened.
They usedto report.
But now...
intelligence andtechnology...

both have evolved to such an extent...
You can actually create news.
That's where you come in Jay.
But according to the law...
it's treason.
- Law...
Laws were not made by God
sitting above in heaven...
Laws were made here on land.
To prevent ordinary men
from becoming great men...
Some very special people...
...like me...
...have made these laws...
And while making them
great care was taken...
...that we don't get trapped by them.
You see Jay...
we have 6 other channels...
who are willing to do
anything for this offer.
Right, Pandey?
- Um Hmmm
6 other channels.
But we want India 24/7
to report this.
Why?
When you want to bring down the
Country's most reputed leader...
...put against him the country's
most reputed media personality...
...and we have a winner...
...in this case...
...it's your Dad.
Jay, by the time things
are investigated...
It will be too late.
But if your Dad...
whom everyone regards
as the country's cleanest...
...most Reputed Journalist...
...when he will report this...
It will shatter people's faith in Hooda.
Jay you need TRPs.

Besides the 30 crore loan that
you have taken from the market...
...We will pay it off...
...andthat's not all...
Pandey promises to give you...
Another 100 crores.
Yes.
Ideal Deal is one
which benefits both.
All your troubles
will be over in one shot...
Think about it...
One more thing...
...if your stupidity...
...or your conscience...
...stops you from joining us...
...you better stop your tongue too...
because there are some reasons...
why I am the Mohan Pandey...
Where did you go?
You know how many times
I called you?
And you were just not picking up.
Jay
So, what's wrong, Jay?
Jay...
Jay what happened?
You made the right decision.
Now we have to arrange for a man...
whom we can show alongwith
Atul Kumar Dubey.
All of India knows it.
If Atul kumar Dubey is Hooda's man...
Why would he favor us?
With a gun pointing on your head...
...you can make
anyone say anything.
Gun point?
Let Pandey handle all that... ok?
But...
- Hmmm?
We can't hold him at
Gun point for ever...
No... of course not... of course not...

But Pandey will come
out with some say to do it...
By threatningto
kill his family members...
...or offer him pots of money
or use some other pressure...
Whatever... whatever... whatever...
...See...
...by then our job will be done...
Believe me...
Pandey is much more experienced
in these matters than us.
...he knowsa lot... ok...
Trust me.
Because I trust Pandey.
But brother-in-law, will this look real?
Sometimes you make me laugh.
You're a Media person. Do you know
howfilmsare made?
Just think... that you are
goingto make a film.
Ok? Ashort film.
A 5 minute short film.
- No spice... No song... No dance...
Straight to the point.
Don't worry...
Last Night in the
Muzzaffarnagar bomb blast case...
...a criminal called
Abdul has been arrested...
Accordingto Police, Abdul named a person
called Khanna duringthe interrogation...
Abdul confessedthat Khanna had
paid him 50 lacs for this job...
Police is now searchingfor Khanna...
But who is this Khanna?
Dad...
Guess what I got?
Hooda Sir was little nervous.
And he was tensedthat mission
will be succeeded or not?
But these news channel
made so much noise...
...that our job was done.

So is Hooda happy now?
Very happy...
- What is all this Jay?
I was shocked too dad.
He told me give Khanna another 5 crore".
He is the same Khanna that
everyone is searching for dad.
Same guy.
You will get the
money soon Khanna...
Thank you Dubey...
Where did you find this CD?
Some one sent it dad...
Addressed to me... I mean...
...and tell Hooda if he wants something
done again... do remember Khanna...
We should air this Right Now Dad.
- No... No... No...
What?
- To accuse a leader like Hooda is not a...
What you talking dad?
What are you talking dad?
It's obvious from this that Hooda
made that bomb blast happen...
...and this Atul Kumar Dubey,
who is talking with Khanna...
...is one of Hooda's special guys.
Every one knows that.
Everybody knows that...
including you.
Ya but without any proof how can you?
- What proof dad?
What proof are
you talking about dad?
What proof are you talking about?
Which proof are you talking about?
We are Media people dad...
...And it's our job to put what ever
truth that we find in front of everyone...
This is the truth dad...
This is the truth.
And dad... by the way...
...whoever has sent us this tape...
...it's quite possible...

rather I am sure that...
...he must have sent this
truth to other channels too...
Dad...
...we are running out of time...
...running out of time dad...
Not for me... Not for yourself...
...not for India 24/7...
...but only for the
people of the country...
you have to expose this at once dad.
You owe this to the country dad...
You... owe... this... to the country.
Dad?
Ya...
Yes Dad.
Government is on the verge
of acquiring unlimited power...
...in order to tackle
crime and terrorism.
It's a matter of pride that the
prime minister of the country
...has tightened his
belt to tackle terrorism...
But I am sad to say this...
...that all this was just a facade...
a trick... a lie...
What you are about to see now...
...is actual terrorism...
it is the fearful aspect of
Indian Political scenario.
Which is more terrifying than terrorism.
India 24/7 presents... 'A truth'
Hooda had become
nervous and unsure...
...he said "not even 100 people die?"
The purpose why we did this bomb blast
will it be fulfilled?
But the channels made such a big noise
that our job was done...
So is Hooda happy now?
Very happy...
he told me "give Khanna another 5 crore"
- wow...

It will reach along with this...
Thank you Dubey...
This is just great...
and tell Hooda Sir if he
needs to do something again...
...then remember khanna...
- Sure I will sir.
We all know who Atul Kumar Dubey is...
Member of Parliament...
...and the most loyal oldfriend
of Digvijay Hooda since many years...
All this makes it a good
enough reason for us...
to believe every wordthat
Dubey spoke for his friend Hooda...
Do we have any other
choice besides believing it?
Ya...
- Why didnt I get this tape?
I didnt know about thisat all...
I had no clue...
oh shit...
Today I wont plead you to think...
I am confident...
That you have seen everything...
...absorbed it...
...and understood it too.
In breaking news today we will
show you a video clip...
The Whole Nation is in a state of shock...
The facts exposed by India 24/7
has shaken the public andthe VIPs...
Digvijay Hooda's one of those
chosen few leaders...
...who had built a clean I'm age
of an ideal politican...
...on the platform of Indian politics.
But now that I'm age has
been shatteredto pieces.
The picture that has surfaced
of prime minister Digvijay Hooda...
...is certainly fearsome.
Vijay Harshvardhan Mallik
and his son Jay Mallik...

...under whose supervision
this operation was executed...
...has caused tremors through
the political world.
We have just been informed
that the police has found...
...member of parliament and
Digvijay Hooda's dear friend...
Atul kumar Dubey's corpse.
He has been murdered.
I Don't know any Khanna.
But do you accept that you
knew Atul Kumar Dubey?
Atul Kumar Dubey,
was one of my close friends.
Atul Kumar Dubey was your friend...
...and Khanna was his friend...
...so doesn't friend of a friend,
become your friend too?
No. Absolutely not.
For a moment let's assume...
...that Atul Kumar Dubey knew Khanna...
...then it doesn't necessarily mean that...
...I too was associated with Khanna.
In our breaking news Digvijay
Hooda accepted the truth.
Hear it once again... carefully...
Atul Kumar Dubey,
was one of my close friends.
...was one of my close friends.
I too was associated with Khanna...
Atul Kumar Dubey knew Khanna...
Atul Kumar Dubey was his close friend.
The prime character of Prime minister
Digvijay Hooda's sting operation...
Khanna is missing.
Entire Nation is put on stand...
where is Khanna?
This revelation has
ripped open the curtains...
...covering the corrupt political links
Is Khanna really missing?
...or is he being hidden?
The famous film maker

Bobby Bhatt has announced...
...that his next film is
entirely based on this scandal.
Sir we are again asking you,
where is Khanna?
Welcome to our programme
special 'Who is Khanna'.
The biggest character of this
entire conspiracy... Khanna... where is he?
Hooda repeatedly claims he does
not know anybody called Khanna.
After the startling revelations made on
Vijay Harshvardhan Mallik's India 24/7...
Digvijay Hooda's throne is in danger.
The more deadly a crime, the more
dangerous methods are used to hide it.
And when the person responsible
for collapse of the government disappears.
Then you can judge the extent
to which the criminal has gone.
Where is Khanna?
But more than that,
it's necessary to ask... who is Khanna?
Dubey and Khanna...
Their existence could have
become dangerous for us.
That's why Pandey had to...
Jay...
There are two kinds of
people in this world.
Lions... and Lambs.
In order to rule...
it's necessary for a Lion
to sacrifice a few lambs.
You want to be a Lion or a lamb?
You have to make this
decision for yourself.
But, after you make the decision...
It would only be stupidity...
to waste time on lambs.
Get me a drink...
it's a battle... it's a battle.
It's a battle...
it's a battle... it's a battle.

Wow, I have never seen your
Vijay Sir this happy before.
Purab?
What happened?
What happened?
Khanna was present at Vijay Sir's party.
Who Khanna?
That... Hooda's man?
I saw him at the party.
But, how can you be so sure?
When I saw him on TV I got a feeling I had
definitely seen him somewhere before.
Then I remembered I had seen
him at Vijay Sir's party.
Purab have you gone mad?
How can you be so confident
that Khanna was present at that party.
These are few
photographs of the party...
Vijay Sir or one of his family members
might have invited him to the party.
Or maybe he came
alongwith some guest.
With whom?
Maybe with Mohan Pandey.
No... Purab, listen to me.
There's no need to play
sherlock holmes in this mess.
Police is searchingfor Khanna...
let them do their job.
You just do your job.
Better still leave this job.
Purab did you hear what I said?
Who besides Mohan Pandey gets the
maximum benefit of Hooda being removed?
We were searchingfor
terrorists outside the country...
...as we did not expect them
to be right here amongst us.
We trusted him with our safety
and the future of the country.
And he did this?
To tell you the truth...
...I am deeply ashamed to stand

here in front of all of you...
No, I have done nothing...
I am not guilty...
But yet I find it difficult
to hold my head up...
Since I too am a leader.
And this word 'leader' is now
associated with traitors like Hooda.
You might be thinking I have
come here to ask for your votes...
No... I do not want your vote.
Mohan Pandey does not want Vote.
Mohan Pandey does not want Politics.
Does not want to be a leader.
Does not even want the throne.
Then what does this
Mohan Pandey want?
Mohan Pandey wants...
...this country to be safe from
Hounds like Hooda. That's it.
Today the country does
not need this Mohan Pandey.
But Mohan Pandey
needs this country...
A country where there
is peace in the hearts...
and truth on it's lips.
"Pandey does not need votes..."
"Pandey does not need votes..."
Telecast this speech every 10 minutes.
Through out the day... hmm?
Pandey Does
not want Leadership...
Does not want this chair either
It looks as if India 24/7
has turned into...
...a private PR channel
for Mohan Pandey.
After Hooda's scandal Pandey's
Popularity has increased dad...
People want to hear more of him...
People want to see him...
...and I think we are just showing people
what they want to see.

There's... I Don't see
anything wrong with that.
Besides he's getting
us great ratings...
And dad... umm...
...There's nothing at all...
as it seems to you...
I think we are all ok.
See you around dad.
Dad... uh...
...There's something I wanted
to speak with you about...
Can I?
- Um... hmm
I had introduced you to
a girl on your birthday party...
Yas.
Yashoda...
You remember her?
- Ya.
Uh...
I want to marry her...
I love her...
...and um...
...and she's a Muslim.
Marriage is not just
about boy and girl...
...its about their families too...
it's not only Jay she has to be with...
She has to be part of us too...
I wont let a girl from another
faith to be part of...
What do you know about her faith?
As far as I know...
you have never read the Quran...
Why should I read it?
All I know is,
our religions are different...
Then will you tell me what's
different between us and her?
What do you mean
"what's different"?
We go to temple...
they go to mosque...

We celebrate Diwali
while they celebrate... ..Eid...
...they celebrate Eid.
Just like you like wearing
a Sari, Priya doesn't...
You don't like spice in your
dal curry and Naveen...
Naveen does not even like dal curry...
We all are of the same religion...
then why are we so different?
Don't try to manipulate
me with your thoughts...
...Its not about thoughts Lata.
...Itsabout understanding...
We are different people...
We have our own way of living...
...every 'way' isa religion...
Naveen accordingto his religion...
...me according to mine...
you accordingto yours
...and Yasmin accordingto her religion...
...are living life...
There are no Hindus or Muslims...
...there are only 'People'.
Just understandthat you are
not just beingagainst muslims...
...you are also being
against Jay's love...
Hail India... Hail Hail India...
Hail India... Hail Hail India...
Hail India... Hail Hail India...

My India is Great...
India is Great...
My India is Great...

Praise it... Praise it...
"My India is Great...
Praise it... Praise it..."
Hi madam...
I am making a documentary
on Mr. Vijay Harshvardhan Mallik.
And a book too is releasing
along with that.
Your company did the event
management for his birthday.
Can you please give me the
guest list of the invitees to the party?
...It will be a great help
if I can have those details.
One contests election while in jail...
give me Vote...
Give me vote... Give me vote...
other buys votes and moves ahead...
- Thank you
A leader speaks the truth...
"only when he calls another leader a liar"
My India is Great...
I love...
My India is Great
I love my India
Gandhi... Gandhi... Gandhi...
Gandhi... Gandhi... Salute... Salute...
Four Khannas came to the party...
But the Khanna everyone is
searching for is not amongst them...
That means Khanna came
to the party along with some guest...
Or maybe Khanna is not
his real name at all...
Why would anybody use his
real name for such an operation?
Purab have you gone mad?
Don't you know how dangerous
people like Mohan Pandey are?
They will finish you off
and no one will ever come to know.
Just... just like they
whisked off Khanna...
...they will whisk you off too

Please Purab if not for yourself...
For my sake please stop all this...
...and what's worse is that India 24/7...
Just goes on praising
that Monster Pandey.
I can't believe it...
We are not talking about the movie karz
(debt)... that Subhash Ghai directed...
...and recently
Himesh Reshammiya acted in.
We are talking about the debt in
which you and me are slowly drowning in...
...Look very very closely
around you my friends...
you'll realize the credit card
companies have become our financiers...
...and we are entrapped by their smart
marketing and have become 'debtors'
and that's not all...
...some of the companies are
hiring underworld to recover debts...
You will never know
when a AK47 totting Goon...
Will pop up in front of you...
...and then pop you off...
Keep watching our special feature...
Bleed dry... become
paupers... in this debt.
I am planning to launch 2 more
channels soon... - Ok Sir...
Both the channels will be hard
core entertainment... - fine sir...
exactly your kind...
- Yes Sir...
Nalini...
- hmm?
Pandey wants to give an
exclusive interview to India 24/7
Will you send Purab? - Ya, sure
- Ya... - ok sir...
Pandey, for past 30 years
you have been involved in politics...
um hmm... Politics is
a wrong and also a dirty word...

instead say 'National Worker'...
I am a Public servant...
The way things are going it seems...
...you might be the
next prime minister...
...what new measures
will you do for the country?
Name...
- Purab...
Purab first of all...
we will win...
...the battles we are fighting...
- what battle?
Battle against terrorism...
Corruption... Poverty...
...battle against dirty
politics... we will win it.
Pandey Sir, we have heard
these words before...
...every politician...
...I mean... every National Worker...
...makes similar claims
during elections...
...We would like to
hear something new from you.
Farmers who are
committing suicides...
We have heard that
too before Pandey sir... Hmm...
Terrorism...
I declare against it's a...
- We have heard this too Pandey Sir.
Say something new...
What 'new new' are
you ranting about?
Old problems still exist...
what new can one do?
Problems are old but...
...solutions can be new...
right Pandey Sir?
Pandey sir...
...you spoke about waging
a war against criminals...
...what will you do to the criminals

who are in politics?
We will finish them...
- Yourself too?
What?
Since 1972 till today...
102 cases are registered
against you...
amongst them... 34 are criminal cases...
25 land dispute cases...
...and the rest are fraud
and foreign exchange violations.
What could be the reason...
...that so many cases are registered
against a clean national worker like you?
What's your name son?
- Purab.
Tell me your full name son...
Purab Shastri.
- Purab Shastri...
Are you from
Uttar Pradesh (State in India)?
How does it matter?
- It matters Shastri Sir...
You are from my part
of the country...
How long you been in Delhi?
- Your interview is on. Not mine.
Son, answer my questions.
3 years.
- 3 years...
You were in college?
Hmmm...
He studies politics very minutely.
Our country needs
young blood like you.
Come and join politics.
We will help you... right?
Interview is not over yet...
Good bye!
You were sent to interview...
Not to investigate.
You are just an employee,
behave like an employee...
When Instructions are Given to you

Just follow them.

Nalini...

...Send somebody else
to interview Pandey.

...and just dump
this man's interview.

And consider this warning
as my last Mr. Purab...

Last.

You must understand... that at the end of
the day you and I are just employees.

What can we do?

Khanna...

Khanna was present at Vijay sir's party.

- What?

Yes...

The very same Khanna who
is accused in Hooda scandal.

He was there at Vijay Sir's birthday party.

But Sir has asked on TV,

"Who is Khanna"?

If sir doesn't know Khanna

then what was he doing at his party...

Purab...

...did you tell this to anyone else?

Thank God.

Look Purab,

this is a very sensitive issue ok?

Don't speak about this

to anyone without asking me.

Voting countdown has begun.

The nation is weighing...

Whom to hand over

the country's future.

The Opinion polls or

the popularity have their predictions...

But one thing is certain...

...the only deserving candidate for

the Prime Ministers chair is...

Mohan Pandey.

India 24/7 correspondent Anand Prakash

Trivedi spoke with Mohan Pandey

Greetings! I am your host,

Anand Prakash Trivedi...

And you are watching our special feature...

One who wins... rules.

Pandey sir welcome to India 24/7...

Sir it is almost decided that you are going to be India's next Prime Minister...

How do you feel?

What do I say...

- Go on... Tell us...

Fruits of dedication...

it tastes sweet.

How sweet?

Very sweet...

- very or very very sweet?

Ok my friend...

it tastes Very Very sweet...

Now you are talking.

On this exclusive interview to India 24/7

Mohan Pandey has admitted...

now that he is about to become

the next prime minister...

the victory tastes very sweet.

Not just sweet... but he finds

the taste of success Very Very sweet.

Don't go away... we will bring you

the real sweetness in a moment.

After a very very small break...

Pandey Sir the people of

the country wish to know...

What is the first thing you will

do after you become prime minister?

Oh, there is so much

work to be done...

Yes, but what's

the very first thing you will do?

The first thing...

...yes...

Not easy to say...

- Please tell us...

the very first thing...

Ya, tell me your first action.

Oh yes... I will take

a dip in the Holy Ganga.

You just heard Mohan Pandey reveal in

the exclusive interview to india 24/7...

...that he will take a dip in Ganga...
Yes dear friends, the country's
next to be prime minister admits...
...he will take a dip in Ganga...
...and it's time for a small break...
But Don't you move away from the TV...
One Who Wins... Rules
Mohan Pandey will be speaking...
A few words of appreciation
for Jay Mallik from India 24/7.
I am certain that Khanna has ties
not only with Pandey, but Jay Mallik too.
Jay is launching 2 more channels.
Inside buzz is that
Pandey is funding it.
Hooda's elimination brought
a huge advantage to Pandey...
and it's bringing
benefits to Jay too.
And it's bringing
benefits to Jay too.
I'll? No you tell him
that I will meet him at uh...
ok... just hold on
a second please hmm?
Uh... Jay can I call you back please?
- Brother-in-law, wait...
Jay, what is it?
I got an SMS...
- SMS from whom?
Khanna...
- who Khanna?
What who Khanna... the same one.
Khanna.
But that's not possible...
umm...
ok... hold on, I'll confirm
it with Pandey... hold on...
Listen I'll have to
call you back. Ok? Bye...
ya... tell me Naveen...
Pandey Jay called me.
He said he got a message from Khanna.
Which Khanna?

- Pandey, the same Khanna...
I killed him myself.
- Are you sure?
Pandey are you sure?
Are you sure?
Could he be alive?
Jay it's Impossible.
- Then who could it be?
Then who could it be Pandey?
How can I say about how many
Khanna's, Jay might be knowing?
Er... could it be some other Khanna?
I know just one Khanna.
Pandey, Jay knows only one Khanna.
Tell Jay to relax.
- Jay... Jay relax... - But...
But Pandey...
- Relax, Don't worry.
Umm... ok ok pandey...
Jay... Just relax ok...
What happened Jay?
Oh Yas...
I just need to go
somewhere urgently...
you take a taxi and go home.
- But what happened?
Nothing... I mean...
I just need to go somewhere so...
- But tell me something at least.
I just need to go
somewhere why Don't you?
Alright...
I'll see you later... I'm sorry...
Take care...
Purab...
it's me, Nalini...
Uh... somebody wants to meet you.
Nalini was praising you a lot.
She told me that you...
...regard Mallik sir as your Ideal.
I also used to...
...and more than you.
The moment camera rolled...
...he became the messiah

of the nation.
Sitting in the studio he used to act...
...as if he is running a social service
organisation instead of a channel.
Purab my rationale tells me...
...Hooda is innocent.
Someone has played a smart move...
Which has brought benefits to him...
...and the sinking India 24/7.
India 24/7 was going bankrupt...
but look now...
Father son together are
winning awards after awards.
...and the talk is on
to launch 2 more channels.
I just wish to tell you...
That you are not alone
against this sham.
Nalini told me you are
making investigations on your own.
If you find any proof.
Give it to my channel,
I will rip open the truth...
Purab...
Don't just look at
the truth and think about it...
When it's needed...
Speak it out.
Shameless... honorless...
...you have become a living corpse...
Drenched in fire,
yet you will remain wet.
Even if God comes down...
You won't change
Seeing this... My blood boils.
Purab... I know Amrisha is
not completely clean.
But to expose the truth, you will have
to take help of some channel.
And if the truth happens
to contain lies of India 24/7...
Then Amrisha is the best
you have at the moment.
Just think about it Purab...

You don't have much time...
Give it a thought...
Khanna was Jay's man.
Purab...
Now watch...
...How I take on Pandey,
Jay and Mallik...
All these years they were
roaming around with masks...
...I will tear them off
their faces forever.
...you just watch
my show tonight...
Just watch and enjoy how
I pull everybody's pants down.
How much do you want?
500 crore.
Don't you think it's a bit too much?
Don't you think it's too less
for a price of a Nation?
There's one more
copy lying with my channel.
If I do not reach back...
...things will reach public.
I like you.
I like you more.
...But there was
one more truth...
...that never came out.
...that was Mohan Pandey's truth.
Mohan Pandey was
the only leader
...who had gauged Hooda's designs of
corruption and selfishness much earlier.
...This election Victory is
his well deserved reward.
If there is one person who truly
deserves to sit on PM's chair...
...Its only Mohan Pandey.
Headlines 24 wishes Mohan Pandey...
- what is he saying?
Heartiest congratulations
for this victory...
God.

What a nonsense!
Hey hey... Purab. Relax.
I thought a lot.
What do we gain by
exposing Pandey?
Few days of great TRPs... our channel
will once again become number one.
Right... ok... excellent...
fantastic... that's what we want...
...But...
...doesall of that
compare to 500 crore?
Surprised, aren't you?
I know... 500 crore... its...
500 crores isa huge huge amount
I opened my mouth and
asked what I wanted.
Can you blame me for it?
But think...
...Why would this pandey
Give me so much money?
Why?
You know why?
Because even the smallest kick
back of a large project scam...
...runs into thousands
and crores of rupees.
Now if the PM of the country...
...turns out to be a smart player...
...just think how much he will
make in the 5 year test match.
It's unbelievable...
...And Pandey will get
that same bill passed.
...Poor Hooda...
...He truly wantedto get the bill passed
to increase the nations security.
Instead now Pandey will get the very same
bill passedand become country's king.
...It'sa fantastic game my friend.
Don't you understand it?
Andthese Pandey's buddies,
Naveen Shaukalya and Jay Mallik...
...they are all ready and set

to loot this country.
The Minute Pandey becomes PM...
...Naveen Shankalya will turn around
the Industry policies...
...so that it benifits
him and only him...
...and then his dream...
...to remove his elder brother...
...and become Indias Number 1
Industrialist will be fulfilled.
...Andas for Jay Mallik...
...without him...
this entire operation
was impossible.
Do you know...
while Pandey's men held
Dubey on gun point...
...Jay Mallik himself...
...directed Khanna and
Dubey on that tape.
Can you believe it?
And you know what?
...now Jay is goingto
Launch many more channels...
...andall those channels...
...will be in favor of Mohan Pandey...
Oh boy... You know Purab
you are talented...
...you are young,
you are talented... But...
...Talent alone is
not enough Purab...
It's not enough.
One must know the right
place to apply ones talents.
...you should know where to use it...
you just don't start butting
in anywhere anytime... No
You use it sensibly.
If you want...
...you can have a bungalow
for yourself in one week.
...lf you want instead of this bike
you can travel in a posh car...

...lf you want...
...you can produce that film
for your dear girlfriend.
All you got to do is...
'decide'. That's it.
It's all in your hands...
here... here...
from that 500 I will
Give you 10 crores...
...besides it's thanks to you
that I am getting the 500 crores
And if you want a job
in my channel...
Whatever Job...
Whatever salary...
...any salary...
Fine with me.
I need sharp minds like you.
What about the people
of the country?
What?
Which People?
Yes Purab tell me which people?
Those people who are thirsty
for each other's blood...
...over petty issues like religion,
caste... those people?
They are all busy trying
to make money... make a home...
You are concerned
about those people?
Who don't care for others?
Who don't care even
for themselves.
Why are you so bothered
about their well being?
Why should you care?
Think about it...
I am with you.
Good that you understood.
For otherwise even I couldn't
save you from Mohan Pandey.
Lata...
...is this fine?

Since when have you
started to dress up?
Why? What do you mean?
...He is my son and as his father
I too have the right to look presentable.
...and please change
this sari you have worn...
...its color clashes
with my sherwani...
Come Naveen Come...
Naveen...
Is this the time to come?
Family should arrive before the guests.
I am so...
...No No no I don't want any excuses.
Naveen... can you just?
...can you just... Look after the
band and all the dancers and everything?
Ya... I'll look...
Hello Nalini...
- Hello sir...
I have to say that you are
looking absolutely stunning.
Congratulations to you Sir...
- Thank you so much
Trivedi...
come here...
What is this?
It's... It's a bouquet sir...
- Speak in Hindi.
It's... it's a bouquet sir...
Why bring such a large one?
Er... I couldn't find smaller one.
Had you found a smaller
one you would have brought that?
Yes sir... - Oh...
It means you were going to bring
a small bouquet for my son's engagement?
No... No Sir... I wanted
to get one even larger than this
Then why didn't you bring it?
- Couldn't find it sir...
Didn't find or didn't want to bring?
No... No sir...

why would I do such a thing?
I respect Jay Sir the most.
- Oh really... and not me?
Tell me the truth... whom do
you respect more? Me or Jay?
Trivedi I was pulling your leg.
Come on... Ok...
Ok... come on in...
Hey Purab... Come on...
come on... come on...
Come on... come on...
What?
Speak straight what you wish to say.
Pandey didthe bomb blast.
Not Hooda.
What?
If you do not know this...
...then possibly you
also wouldn't know...
...that Khanna was
not Hooda's man...
...He was your son Jay's man.
...and Naveen supported
Jay on every step...
whom all are you accusing?
Have you gone mad?
Not Mad... I've been fooled...
And not only me...
Entire nation is fooled by
this circus created by India 24/7.
For the past 10 years
I have seen you...
Heard you... read you...
You inspired me to
become a Journalist.
...and today I at a stage
where I am suspecting you.
But what do I do now?
The evidence that I found
left me with no other option.
...I thought...
...I thought you too are part of the scam.
...or maybe you convinced
yourself about your son Jay...

...one should not point fingers
at anyone without proper evidence.
...I learnt that from you sir.
...that's why I have brought
one evidence for you.
Maybe it has got something,
that you don't know.
Or Maybe it has got nothing,
that you don't already know.
If you think it's trash, just dump it.
...you want to burn it then do burn it.
Till now I was convinced that nothing
can stop the truth from coming out.
...but not any more...
I wont be surprised by
anything that you decide.
...As I have reached
my conclusion.
I have lost the battle sir.
That's why I quit.
Not only India 24/7...
but Journalism too.
I thought a lot.
What do we gain by
exposing Pandey?
Few days of great TRPs... our channel will
once again become number one.
...But...
...does all of that
compare to 500 crore?
Surprised, aren't you?
500 crore... God...
It's a huge huge amount...
...Now if the PM of the country...
...turns out to be a smart player...
Can you blame me for it?
I opened my mouth and asked
what I wanted. But think...
Why would this Pandey
give me so much money?
Why?
I will tell you?
Because even the smallest
kick back of a large project scam...

...runs into thousands
and crores of rupees.
...Poor Hooda...
...He truly wanted to get the bill
passed to increase nations security.
Instead now Pandey will get the very
same bill passed and...
...become country's king...
It's a Fantastic Game my friend...
The Minute Pandey becomes PM,
...Naveen Shankalya will turn around
the Industry policies...
...so that it benefits him and only him...
...Andas for Jay Mallik...
while Pandey's men held
Dubey on gun point...
...Jay Mallik himself...
...directed Khanna and
Dubey on that tape.
Where did you find this CD?
Some one sent it...
addressed to me
And it's our job to put what ever truth
that we find in front of everyone...
Not for me... Not for yourself...
You owe this to the country dad...
Clear Ethics just like glass...
shattered to pieces just like glass
Clear Ethics just like glass...
shattered to pieces just like glass
the faith that twinkled in eyes
it's splinters are hurting now.
My own hands gave me wounds...
I brought myself own to ruins.
Clear Ethics just like glass...
shattered to pieces just like glass
Pandey...
congratulations to you...
Thank you sir...
Vijay sir...
Congratulations Vijay Sir...
Many many Congratulations...
...and thank you too...
It's only due to you that Mohan Pandey

got this opportunity to serve the nation.
It's true.
I kept on saying that Hooda isa crook...
But no one believed me...
Even you didn't...
Jay foundthe evidence
at the right time...
By the way, Vijay Sir...
...I have chosen the site of the bomb blast
as the venue...
...for my oath taking ceremony, .
...so that the people are assured...
...that during Mohan Pandey's
term of office...
...those incidents will
never again happen...
...that Hooda government
allowed to happen...
Today the entire
nation is with me...
and it's not only mine...
but people's wish too...
That Vijay Harshvardhan Mallik
himself should...
...present Mohan Pandey's
oath taking ceremony on his show.
Ljust can't believe
that you are sayingthis...
Mohan Pandey definitely
has some charisma...
I shouldn't be
praising myself but...
...I have playeda major
part in convincing Dad.
...and you wait and watch mom...
...Mohan Pandey is here to stay.
Am I right dad?
...Mohan Pandey is here to stay.
Mm... oh it's late...
Dad I'll see you at the office.
Lot of arrangements to do...
itsa big day for me...
And ya dad...
I have one more good news.

India 24/7 is shifting office.
We got a bigger place.
Bigger place...
Bigger thoughts dad...
See you in the office dad.
See you mom.
- Bye...
On 10th of next month will be the wedding.
Just today we spoke about it.
Did you hear what I said?
You didnt hear what I said.
Long live Mohan Pandey...
Long live Mohan Pandey...
Dad Mohan Pandey
has reached for Oath taking...
The stage is all set for you
to present India's next Prime Minister.
Dad... Dad...
Long live Mohan Pandey...
Long live Mohan Pandey...
These are the 2 eyes of India...
One is the Hindus and
other is the Muslims...
If you see with only one eye...
You will see
an incomplete picture...
And if you see with hateful eyes,
the vision will be hazy.
If we want this country
to make great progress...
It is necessary that
both it's eyes are open.
And not only open...
It should also be oozing
affection and brotherhood.
I want to make it
clear to all of you that...
I am going to create a new
identity of this glorious country.
It won't be created
with tools of corruption...
It will be carved with tools
of Truth and solid intentions.
5... 4... 3... 2... 1

Sir, we are on air.
Sir, we are on air.
I have always believed that...
...the face which you see
on television is of 'Trust'...
...is of Truth...
But today I am sitting
in front of you to admit something...
On 21st November
I had told you all...
...a very dirty lie.
A lie, which caused Digvijay
Hooda's Government Dismissal.
All I can do now is...
show you all a few pictures.
In these pictures you will see...
...the real Truth of my lie.
This person is the same Khanna
that I repeatedly kept asking...
..."Who is Khanna?"
...Where is Khanna?"
And now watch the same Khanna.
What happened darling,
Why are you sitting all alone by yourself?
KHANNA...
Khanna was neither Dubey's man...
...neither Digvijay Hooda's.
Khanna was my own son...
Jay Mallik's old friend...
These pictures were shot...
...when Khanna and my son Jay were
studying together in America
Our Channel, India 24/7...
...kept asking again and again,
"Where is Khanna?"
...Who is Khanna?
While all along Khanna was
actually my Son's old friend...
He was my own Son's old friend.
Now watch few other faces and
other faces of this conspiracy.
What do we gain by exposing Pandey?
Few days of great TRPs... yes our channel
will once again become number one.

...But...
500 crores of Rupees...
I opened my mouth and
asked what I wanted.
But think about it...
...Why would Pandey
Give me so much money?
...Why?
...because even the smallest
kick back of a large project scam...
...runs into thousands
and crores of rupees...
Nandita...
...Now if the PM of the country...
...turns out to be a smart player...
...just think how much he will make in the
5 year test match. - Nandita come soon...
I, Mohan Pandey,
swear on God almighty...
That I will honor...
That I will honor...
the constitution of India...
One minute please...
Mohan Pandey wanted to become
the Prime Minister of this country...
Naveen Shankalya
wanted to become...
...this country's
biggest Industrialist.
Amrish Khakkar was just taking
an advantage of the opportunity
And Jay Mallik...
Jay Mallik wanted that...
India 24/7 to become
this country's number one News Channel.
This is the story of these
selfish characters of this plot.
If you are watching
me right now...
...understand clearly that...
...you have betrayed only me
and not the country...
It is me who has
betrayed our country.

In this entire conspiracy if
someone is guilty... it is me.
It is me...
Me.
All this became possible
only because of one medium.
Because of misuse of one medium.
That medium is called India 24/7.
My own channel.
India 24/7.
What Jay did wasan extremely
codemnable act.
He did it knowingly and
I did it unknowingly.
But was the reason for it?
First there is the Government...
Then come the Industrialists who
produces wealth for the nation.
...andthen the politicians.
Some from Ruling party and
some from opposition.
It is their basic duty towards
the common man of this country...
to maintain a stable
and well defined system.
So that everyone can progress
without any fear or hindrance.
But how well are these responsible
people fulfilling their duties?
How will the common
man come to know...
whether these people are
fulfilling them or not?
For precisely this very purpose,
Media was born.
But when the Government
andthe media...
...in the race to achieve power
strike a deal amongst themselves...
Newsare no longer reported...
but created.
Then whom shouldthe public
place their trust on?
On the News channels?

Who instead of reporting news are
dishing out stories of snatching power?
Where Instead
of reporting serious facts...
...sensationalism is being sold
for the sake of TRP?
In a Democratic Nation...
...everyone has the right to
look after their interest.
But we the Media people...
...have given up our right
to be unbiased voice of truth...
Why?
Why have we changed our role?
Who will report... which news...
in what manner... and be the first...
All the newspapers and News Channels
are competing with each other in this race
This race is not about
just surviving in the News market.
But a race to prove themselves to be
faster than others...
...remain ahead of others...
This has morphed into a Race,
whose aim is Success v/s Money.
To remain ahead in
this race one requires...
...more and more
viewers... high TRP...
...which translates into
high Advertising revenue.
More money...
Here their true objective
should have been 'News'...
...and medium should
have been money.
Instead of that now Money
has become the objective...
...and the news merely the medium...
By punishing me... my son...
and the other characters
of this conspiracy...
...will merely finish one chapter,
not the problem.

Till we do not keep a
noble organization like media...
...away from Power,
Greed and Money...
Many more Jays will keep
coming into existence.
Since it is we who
create systems...
It is we who possess the strength
to change the prevailing conditions.
For past 30 years
I have been fighting this battle.
...but haven't been able to win it.
I couldn't win.
But Purab...
I want to remind you...
That it is you...
...who has shaken up
the entire nation...
...have stopped one wrong step
from prevailing.
You understand this firmly
that you have not lost.
You are victorious.
...and the victory that
you have achieved today...
It is your duty to uphold it.
...your duty...
From India 24/7...
...with sincere apologies
and deep regret for all...
I, Vijay Harshvardhan Mallik...
...am signing out for the last time...
...am signing out for the last time...
Greetings!
Jay tell me what was
the need for it?
Jay tell me what was
the need for it?
What am I...
what am I supposed to do?
Could you please tell me?
Tell me Jay, tell me...
speak up... tell me.

Jay, leave my hand...
Jay... you are hurting meJay.
Jay, leave my hand.

Jay... Jay...
Jay are you listeningto meJay?
Jay, listen to meJay.
I want to talk to you come on...
Jay open the door...
Jay stop this nonsense,
Jay
Jay... Jay...
Jay... Jay...
Jay, open the door... Jay...
I am goingaway and
taking Tinu with me...
Don't ever try to contact us.
Yes... Mirchandani...
He is the best criminal lawyer
of the country, right?
Call him.
Listen... Listen... hello... hello...
He's still the best... right?
Call him.
I have quit India 24/7...
Just came to inform you about it.
All the best Amrish.
New channel which has
launched... 'True News'.
I got an offer from them.
I'm going there.
All the best.
Hello...
yes... yes sir...
I'll be right there sir.
Whenever and wherever
the righteousness...
falls and discrepances happen
...O' son of Bharat...

when Un-righteousness proliferates...
at such times God descends on Earth...
Pandey has rubbished the revelations
made by Vijay Harshvardhan Mallik...
...saying it's dirty conspiracy
of a filthy mind.
Pandey has promised the people
and his supporters that...
...he will prove himself innocent
and become the Prime Minister.
Naveen Shankalya who's accused of
playing crucial role in the scandal...
Our channel has found some
documents which reveal that...
...Shankalya's company has signed
with Europe's biggest company WAG...
. a deal of Rs. 937 Crores.
Naveen knows that such a deal requires
a special license from the government...
...how was he so sure that
Mohan Pandey will become the PM...
...and he will get the license?
Amrish Khakkar of Headlines 24,
...who is featured in the list of
'innocent' has now woken up...
This entire thing is a conspiracy
to slander my I'm age.
On one hand Amrish says
he is not afraid...
...while on the other side...
...he has hired country's biggest criminal
lawyer Shyam Mirchandani.
We have just now received news...
...that Delhi police has found
the body of Khanna...
Yes, this is the same Khanna who
along with his friend Jay Mallik...
cheated not only Vijay Harshvardhan
Mallik but the entire country...
Generally the outrage
of the country gets defeated...
...and Gives up because
of red tapism...
...but this time it seems that...

...accused of the greatest scandal
in Indian History...

...Mohan Pandey, Naveen Sankalya and
Amrith Khakkar getting off the hook...

...will not only be difficult
but impossible.

It won't be wrong to quote that...

...the rising star journalist of
'India 24/7', Purab Shastri...

...whom Vijay Harshwardhan Mallik has
handed over the responsibility of India 24/7
...has won first round of this battle.
