Rebel

By Lawrence Raghavendra

Why can't you go home early
after visiting the temple?
Do you need to be out this late?
I took a vow, on top of it
this rain got me delayed
You always do this
I was so tensed, you know
- I'm sorry
- You know how to pacify me
Hey, wait till I get you
Please don't do that
Let's go, I'm scared
Wait, how can he park his bike
in the middle of the road?
Remember whom
you intend catching
Maybe it's their plan?
Should I let them go
if this is their plan?
I beg you, let's go
I'm scared
I'm begging you
I can't bear it if something
happens to you...please
Hi!
- DLG is finished
- David, cash
Thank you, sir
I need to meet Nanu sir
You better be careful
Sir, Anthony and David
have come to meet you
Ask them to come in
Good evening, sir
Sir, DLG is finished
Take this cash,
Rs 5000000 in this suitcase
Thank you, sir
Sir, just a request
Can we meet
Stephen Robert once?
-Are these 2 your men?
- Yes, sir
You are lucky this time

your men were killed
If you ever say you want to meet
Stephen Robert, you'll be killed
Take the bodies away
Which platform
does the flight arrive?
Flights have runways,
not platforms
Ah, they have changed it now
So, general arrives
in the back or front?
-Arrives under the wings
- Probably to avoid the sun
Have you come from a village?
- Do they have red flights like red buses?
- Kingfisher flights are red flights
Then, does this flight stop enroute
for coffee and tea or is it non-stop?
Why are you upset?
Have I said something wrong?
Have you seen an airplane
on TV or for real?
As though it differs!?
It's not good enough
if you come with a bouquet
Greetings, sir
How can I help you?
Will you repay my loan
of 50000 bucks?
What?
What time does
the Vizag flight arrive?
Will arrive in 10 minutes
Tell me if it has crossed
Warangal, Surya pet
...or stopped at Moulali junction
- I want clarity
- It has landed, sir
Nice dress!
Who stitched it?
A Tailor
Everyone goes to a tailor
How old are you?
- I can't give you that information here

- Let me come to your house then
Close your mouth, else
the planes will go into it
He looks different,
must be our man
Hello, sir
My name is Narasa Raju
My friends call me
Nasa Raju, as I speak well
How is my name?
It's okay
My boss has sent me to
be your guide for 3 months
I know all the tourist spots in this city
Sonia Gandhi usually uses
my services as a tourist guide
Now, it's you
Aren't you lucky?
Why is he silent?
Is he physically challenged?
Why doesn't he reply
despite my being sweet?
He is maybe jealous that
I'm better looking than him
My boss instructed
that I should find you a bungalow
This is the best,
that I found through brokers
and 24 hours my company
I've noticed, ever since you landed
you haven't spoken a word
What's the problem?
I fear that I'll die
if you don't talk
Please talk
My bad luck!
Saluting the Sun God?
I thought he looked like a fool
He must be a nice fellow,
if he is God-fearing
Perhaps he will talk after
he prays, I was very hasty
Sorry, sir, I didn't know
you were so God-fearing

Oh my God!
Drink, go on
Enjoy!
You should wear the holy ash
after praying, not drink!
Drinking is for people like me
Not for someone like you
Talk please...
I'm asking you to talk
so patiently
Talk
I've just had a peg
Don't make me angry
Talk before
I complete counting 5
I beg you, tell me
when you'll talk
...and I will then count 5
Who is Stephen Robert?
You ask about Stephen Robert
with the 1st word you choose to talk?
I beg you, please don't ask me
any further about Stephen Robert
I'll tell you everything
about Stephen Robert
Police haven't seen him
Neither have the goons
who work for him
Have you seen the people
who work for him in this city?
- Yes, I have
- Then show them to me
I will show you on 1 condition
I will point out from far
They will kill me
if they get to know
Anyway, why do you
need this information?
Okay, let's go!
For the 1st time I'm seeing
someone wear a helmet in a car
If I didn't, that would be
the last time you saw me
You're asking for Stephen Robert

In fact I wanted to
cover myself like a robot
But it seems Rajnikanth
has taken that costume
- Stop blabbering and tell me where
- On the 4th floor, you can hear music
Tell them you came alone,
don't mention my name
Who are you?
Why are you here?
I want to meet your bro
- Why do you need to meet him?
- For business
Thomas, someone's here to meet you
Who is it?
Ask him to come
Hey! Come here
- Tell me
- I need to talk personally
Someone has come
to meet Stephen Robert
Believe it is a big deal
If he had that big
a deal with Stephen Robert...
...he wouldn't come here
looking for us
He'd have gone
directly to meet Nanu
This guy is an useless fellow
Beat him and send him away
- There is no business, go
- It is a big deal, brother
Why do you hit me
if I want to meet Stephen Robert?
Give me the rod
Don't you get it? Leave
You're lucky as I'm in a party mood,
else I'd have killed you
Boys! Start the music
I thought this fellow was a brave
I'll deal with him later at home
You drink like a fish!
You pose like
you've beaten 500 people?

When you asked me
about Stephen Robert...
...I thought you're a daredevil
He bashed you,
and you couldn't hit back
Useless! Move your leg
Get up
What are you looking at?
Get up I say!
What's the use of being 6 feet tall?
I'm 5 feet, and I intimidate people
Bend, as I want to hit you
Sit down
You think only you can drink?
Who did Stephen Robert's
people kill recently?
Why do you again talk about him?
Think of Illeana,
you may dream of her
Do you know or don't you?
He has started again
What a pain!
- Let's have 2 pegs and sleep
- Why? Are you scared?
It's like asking if one is scared after
watching the spooky film 'Chandramukhi'
You think
I'll do anything for money?
Only a few bad things
They killed the DGP
I won't come, you go
- You took money
- Okay, so I'll come
No, I'll go by myself
To arrest Stephen Robert...
...my dad has been collecting
evidence for the last 2 years
But before he could submit it...
...they murdered my parents
in the most gruesome way
You did not go to court?
I'm left with my sister
I didn't want to orphan her
if something happened to me

So I let go of everything
and I'm looking after her
Can I have a look at that file?
Shut up
Who are you to see that file?
Brother, why do you
even talk to him?
- Listen ma'am...
- I beg of you, sir
They've already killed my parents
I'm left with my brother
Don't you want him to live?
- Stephen Robert...
- I don't know who Stephen Robert is
You leave now
Please don't say anything, brother
- Ma'am, listen to me
- No, you leave now
- Listen to me for 1 minute
- No, leave now
Listen to me 1st
and then it's up to you
Brother, come in and sit down
I'll bring the file
There is no photo, just a name
No one has seen him?
Nobody has seen him till now
Only Nanu has seen him
He handles in Hyderabad
all his business deals
Stephen Robert is 1 man or 2 men?
Robert and reached a high level
If I approached Nanu with a business deal,
will I be able to meet Stephen and Robert?
- It's not the right way to execute your plan
- Then what should I do?
There's only 1 way to know if Stephen and
Robert are the people you are looking for
Nandini...Nanu's daughter
She is his life
Since Nandini didn't approve of her dad
she moved to Bangkok and teaches dance
Anthony who works for
Nanu took this opportunity

...and sent his brother Thomas
to woo her in Bangkok
Will Google search get for me, on this earth
A girl as beautiful as you are?
A guy who will flirt (sight adichify)
and whose heart will beat faster
Won't there be someone
like that for sure meant for me?
When I laugh gracefully,
all girls become jealous
To have created such a lovely girl
All thanks to the creator Lord Brahma
Will Google search get for me, on this earth
A girl as beautiful as you are?
Romancing me, riding a bike, ho
I am the kind even the earth will
want to mollycoddle me
Poets dead and gone, Nanayya or
Tikkanna come down from above
Will not be able to describe
my charms at all
Does Anjelina Jolie or Shakira
Have the slenderwaist that
I boast of, what do you say
Youngsters like kolaveri song that went viral
Hum my name all the while
Even in Bars the queue of men,
are all out to flirt with me
They named me a dream girl,
fixed it forever
RDX and Jallard sticks
Crazy looks well hidden
The pleasures of cocaine and
wild trips of Ganja
Being enjoyed today itself,
is not wrong at all
Somewhere, someone, I wonder
Will be my own husband one day
Will Google search get for me, on this earth
A girl as beautiful as you are?
A guy who will flirt (sight adichify)
and whose heart will beat faster
Won't there be someone
like that for sure meant for me?

When I laugh gracefully,
all girls become jealous
Get lost, da

- Do you know this girl?
- Looks super
- Do you know this girl?
- Looks super

I asked if you know her?.

Not if you like her

How would I know?

Tell me who she is

She is my lover

You will show me

Shilpa Shetty is my wife

Aishwarya Rai is my love

How can you be in love?

Does she love you?

- That's why I'm going to Bangkok
- Please go, I'm unable to bear your torture
- Pack my clothes
- Why should I pack for you?
- Because you are coming too
- I'm not coming
- You are
- I'm not

You are coming, that's all

Indian Airlines flight at 4:00 P.M today

Tickets will be taken care of

- I'm bloated, I need to use the toilet
- Didn't you use the toilet in the flight?

If he figures that I don't know

then I will become a fool

You don't know bathrooms

existed on flights!

I know

I didn't want it to drop on people here

This is our apartment

Stop your style

What's her address?

Got it

Your style doesn't match this address

Am going to change your style

How long will you wait?

Tell her you love her

My brother sent me here
to fall in love with Nandini
If the plan fails, he will kill me
I'm waiting for the right time to tell her
If you keep waiting,
someone will take her away
Who will come?
Why do you disturb me
when I'm in a love mood?
That girl is mine
I love her
Greed isn't good
Your height doesn't match with her's
Mine does
It's not fun kissing a tall girl
Fun is to lift a short girl
and kiss her
Think about it!
Your hair looks like a coconut fiber
Don't you have translation to Telugu?
- What do you want?
- I want dance classes
- Are you Telugu?
- Yes
- Where are you from?
- Hyderabad
- Are you married?
- No
- How many kids do you have?
- 5
Why don't you talk to her
I want to learn dance
What kind? Break, folk,
rock, rap, hip-hop, salsa?
We are asking about dance, not vegetables
- Those are dance forms
- Yes, I know that too
Leave all that, teach him
traditional Kuchipudi dance
He is crazy,
don't worry him
- What's the dance that girl's teaching?
- Hip hop
- Yes, I want to learn hip-hop

- One ortwo of you want to learn?
Two of us
Here's the fee
Madam, these two are new joinees
They are Telugu folks
Fine, l'll attend to them
You can go
Hey, do you have any sense?
She has retorted
l'm not your dance master
l'll call your instructor,
go and stand there
Warm up today,
l will teach you from tomorrow
l have a doubt
Are you a dance teacher
or kung fu teacher?
Don't l look like a dance teacher?
You should shake your entire for hip-hop
but you only move your hip
This is hip and that is up
Together it is hip-up
ls that all?
l can do it too
ls this dance?
Appears like you've got fits
Shut up
Come for the class from tomorrow
- Why did you leave without telling me?
- You want me to say bye, see you?
That old woman is harassing me
- Haven't we come to fall in love with Nandu?
- WE? It is Me
l came here for you because you love her
But, after seeing her,
l've fallen in love with her
- Brother, how can you be my competition?
- What do you think of yourself?.
Women fall for you because you
are a 6 footer and flaunt a 6 pack?
What about men like me
who are short and bald?
You please withdraw
Since you are pleasing,

I'll make you an offer
If you can woo Nandini
in one week, then it's ok
Else, return to India
Alright
- I'll make you another offer
-Another one?
I will even help
you fall in love with Nandini
Thanks, in that case
I'll definitely succeed
I'm calling you
I will start your class
after they finish their rehearsal, ok?
Not here, look at my face
- David, you know this movement?
- Yes, ma'am
Teach him! And you practice
I'll watch it tomorrow
Why are you looking there?
She's got a nice figure?
- Very nice
- What's your name?
Where are you from?
Why don't you speak?
Has Madam asked all this?
Teach me the movement, sir
Let's practice now! Come
I can do this
First teach the dance
Stop
Always you teach this
Teach me differently
I plead, stop it! Micheal Jackson
died so young after he saw you dance
- A pig dances better than you
- Oh, so, even you dance better than I do?
- Yes I do
- So, are you a pig?
- Why did you get me here?
- Nandini comes here after dance class
- Turn around, she's sitting right behind
- Yes of course
You said you'd help me in my love life?

Please do something
- I'll manage, you wait
- Thanks
Will you step aside?
I need to talk to you
Why?
Please don't look at me
that way, am shy
Please come, my boy wants
to talk to you
Ok, I'll come
I've spoken to her, you can tell her
that you love her
I don't know what you're saying
- Tell her I love you
- Me?
Tell her I love you
- I should tell this girl I love you
- Yes, say so
Tell her I love you
What happens to my cousin?
You hit me?!
When I try to help you
You hit me in front of that girl?
When I'm so seriously in love
with my cousin, how can I love her?.
You are ill-fated
You see how she looks like, and
how my cousin looks like?
You want me to betray my sweetheart
Please don't hit me
You hit me, even after I told you
Stop
Sita, Gita, Mona, Sony, Mini, Sonu...
All of you come here
- What happened?
- I've been insulted
- I will fix it, tell me who did that?
- You shut up
The man who came to learn dance
from me says I'm not beautiful
- Correct, isn't it?
- I'm tense, don't mess with me
His cousin is better than me, he says

Apparently my eyes are not good
My body is not good, he says
Baby, don't you worry
I'll make sure he says
that you are beautiful
Jessie, I'm going crazy
You go back to India
You hit me in front of Nandini
when I tried helping you
You shouldn't stay here
You go back to India
I'll settle down here with Nandini
Go away
That will be injustice to me brother
if you settle down with Nandini
I didn't do that intentionally, it's
wrong to hit you, I'm sorry
Nandini has a sexy figure,
and is a dance teacher
Many would've told her I love you
If I do the same then she won't give a hoot
so I tried a reverse method
Sorry, I faulted
You have developed so well, like that tower
after you become friends with me
- You need to help me again please?
- What is it?
You need to again go to Nandini
and tell her that I'm in love with her
Ok fine! I gave you my word
- So I will do it
- Thanks
You won't hit me again this time?
Promise?
Ok, go, have fun
You silly fellow,
you hit me in front of her,
...so she sympathizes with me,
and that's the 1st step to love
Sit down
- Dad, why did you come without informing me?
- Because you did not come
I felt like seeing my daughter
so I came

I have a small doubt, is anyone
disturbing you here?
Nothing of that sort
I'm very happy here
You come and disturb me
- Do you need any security?
- I came to Bangkok as I don't like all that
I will go away to a different country
if you insist that I have security
- You really have no disturbance?
- I need to go for swimming practice
- Please trust me, I'm truly happy
- I trust what my daughter tells me
I'm getting late, I'll go Dad
- Where did you go?
- Stand out and ensure none comes in
- David, tell me
- Nanu has come here
- Why did he come there?
- I think he's doubting something
- Is he still there or left?
- He has left
- You be careful
- Ok, big brother
What are you looking at?
Nandini must be at the swimming pool
Let's go
You wait here
I'll deal with her
He is the Casanova
He is the Casanova
He is the Casanova
He is my dream boy
He is still in my dreams
Even film-stars and cricket players
will get jealousy seeing his smartness
He is my dream boy...!
Jessie, leave now
or I'll sack you
Tell me
She is jealous, I'll see you
later at the dance class
I try to hook you up with Nandu
and she is trying to hook up with me

- Because you are so sexy
- So, anyone can hook up with me?
I'm in a different range,
am bald and have a paunch
It's correct
Forget your problems for a while
and hook me up with Nandini please
You are so proper
when it comes to pleading me
Wait, I'll get her here
- Excuse me, ma'am
- What?
Will you come out for 5 minutes?
I need to talk to you
Yesterday, you both fought saying
his cousin is better than me and left...
...I was standing like a joker there
That's why he has come to say sorry
At least now, please tell her that you
love her and have it all set
These guys are just too much
I can see! This is the right time
to show them my heroism
Tell her
Tell her...tell her I love you
Why do you look up?
You said you wouldn't hit me
and you started to hit again
- Shut up
- How many times should I shut up
Are you crazy?
How can I love her?
It's not enough to have eyes, nose, ears
They have to be aligned, don't they?
Alignment? That is for a house?
Not for body
Well, it applies to bodies in Bangkok
My cousin looks like the moon,
and she like a demon
My cousin is a beauty, and she is scary
She is ok to dance with, but
not to fall in love with
What do you think of yourself?
That you speak badly about me?

- You come here
- Why do you call him?
Ma'am this is not concerned to you
No Ma'am, he will hit me
You come here
Why are you behaving like this?
I'm talking to you
Can't you see what a beauty ma'am is?
I've been waiting for a month
for her to talk to me
Come on
Say sorry to her
Don't look at me
Say sorry to her
Say sorry to her
David, leave him, I don't
want any trouble
Leave him for my sake
I'm leaving you because madam said so
You please come madam
- Why are you crying?
- That woman raped me
- Who?
- That hip-hop
Instead of teaching dance, she
says she wants to rape me
- It's ok, commit yourself to her
- She isn't a 16 year old, she's a 60 year old
- You want a 16 year old?
- How do you care whether a 16 or a 60?
- Nandini is dancing with that boy there
- I'm waiting as Nandini will come here
Nandini is coming here, I'll manage
something, you too do so please
I can happily see
my cousin through my laptop
When I'm here, else I have to see
that boring teacher's face
- What did you say?
- Oh! You are here?
You just saw her is it?
If your cousin is beautiful then worship her
but don't comment that I'm not beautiful
I never said you look bad

Am only saying my cousin is
more beautiful than you are
Ask your cousin here, and let's see
whether she is better than I am
My sweetheart will not come here, so
you can come home to see her
- Tell me where to come! Address, please?
- This is my address
I'll look at your cousin and then
let's see who is better
If I go like this in front of him...
Won't work! If he's saying so then his
cousin must be more beautiful than I am
Baby, you're wrong
Should I give you a new idea?
From what he says...
...his cousin will come in a saree, so, you
go in a swim suit, as a reverse strategy
- Swim suit, why don't you wear it?
- I tried! 3 died, and one is in coma
- Nothing happened to you?
- I am a complan girl
Instead of laughing, why don't you
give me a new idea to impress him?
You try one saree after the other
and we will select
Not nice
- Really?
- Yes, madam
When his cousin spots you in this saree
she will hang herself dead with this saree
If his cousin is better than her, then
will she hang herself to death in this saree?
I'll kill you and that Rishi
My cousin walks this way everyday
so I lay buckets of flowers for her
- You know she is beautiful
- Did I ask?
Whether or not you ask, she is
beautiful! You go and sit there
Humans need flowers, but flowers
don't need flowers
- Well, who is a flower here?
- I am

Go and sit there please
My darling, sweetheart, your fans are here!
Come and give her an autograph
She says she won't come, so you come
Be careful not to step on the flowers
Look, that's my cousin
God, please let me be more
beautiful than his cousin is
Look at those eyes...so sexy
I feel like looking at them,
but I can't because they are too sexy
What eyes! Look at you!
Look at those lips
Softer than rose petals
Feel like biting that lower lip
That is lips
Yours are rough
Everybody has waist
at I place in the body
Look at how elegant my cousin is...
I feel like kissing her midriff, but no
I want to hold her tight and sleep
How can I not say such a cousin is
more beautiful than you are?
- How is my cousin?
- Horrible
Excellent is your figure
as ultimate is my arrogance
If you and I become one,
shout out in joy
Your complexion,
such a marvelous color
If you and I fall in love,
yell out in happiness
Your heart I cherish,
the one who touched my heart,
you are the very breath of life
Don't hide the thoughts
that's in your mind
Come on say it out, quickly, hastily
Excellent is your figure
as ultimate is my arrogance
If you and I become one,
shout out in joy

l shall follow you
whatever you choose to say
l will not stop bothering
you even if you say no
You can sprout wings and fly
wherever you want
l shall be there before
you even reach, won't l for sure?
You can rant and rave at me
all you want as if l was mad
l still won't take it to heart,
nor feel bad
Today or tomorrow,
in any case you'll confess
So why don't you tell me
those words today itself
It's impossible to hide your feelings
for sure it's bound to spill out
Come on, blurt
your thoughts out in a jiffy
Don't commit the mistake
of saying it being there or not there
My dear girl don't continue
to burn my heart...aiyo!
When your 2 eyes are
telling me of your love
You deny, your lips too are
whispering sweet words, l swear
lf you really have a heart
and feel it belongs to me
Love me...baby and
shout l 43(l love You) loudly!
Excellent is your figure
as ultimate is my arrogance
lf you and l become one,
shout out in joy
Your complexion,
such a marvelous color
lf you and l fall in love,
yell out in happiness
They will leave when you turn, not me
- What do you want now?
- You
You fell for me the moment

I said you are my cousin, isn't it?
Don't act, say I love you
Who told you so?
- Don't you?
- Shut up
I flipped for you when I saw you 1st
Then? Why didn't you tell me?
Tell me I love you
Not now, I need to have a personal
conversation with you for 5 minutes
I will say it after we talk, come
Tell me I love you
I can't wait
We don't know each other's
family background
Do you want to tell me
first or should I tell?
- You tell me
- My dad is an LLC agent
Don't you understand?
My mom is a homemaker
She cooks well
I'm scared of fights
Believe too many fights in Hyderabad, so
my parents sent me to Bangkok
-Are you from Hyderabad?
- Oh, so you too are from Hyderabad?
Don't rush in
You really don't like fights?
I have a good body,
but I'm a soft guy
Just imagine that guy beat me up at
the swimming pool, and I kept standing there
Even my 5 foot friend hits me
I don't retaliate I am a soft guy
I ask all this because
my dad is a big goon...
...called Nanu in Hyderabad,
works with Stephen Robert
After my mom passed away,
I've seen a lot of fights...
...where my dad killed in front of me
I came here because
I couldn't bear all that

That's when I decided...
The man I'll marry must be a nice guy
Doesn't matter if he doesn't have money
Should look after me like a child
That's why I enquired about
your family background
Why are you silent? You won't love me
as I am Nanu's daughter?
Not that Nandu, I would've done a good
thing, had I been in your place...
...you can't do it, you could've helped so
many families if you wanted to...
...But you can't do such a good thing
Good thing to do? Tell me
what I can do, I'll do
Nobody but your dad knows how
Stephen Robert look like
If you can get their pictures
and give it to the police...
...you will help so many families
But you can't do such a good thing
No, I will do it
You've asked me to do
a good thing, not a bad thing right?
- I'll do it for you
- Promise?
I promise on our love
I love you
Now, tell me you love me
Give me a tight hug
and tell me that you love me
What happened?
If your dad's men spot us...
Yes, I understood
I will book tickets now,
and let's go to Hyderabad
Let's love each other in Hyderabad
I doubted you the moment
you came for dance class
You pretending to love Nandu
Why do you ask about Stephen Robert?
Where are you from? Tell me
Brother, he isn't going to talk, why
do you want to risk it, kill him

- Hey!
- Yes, brother
I called my brother in Bangkok but
he isn't taking my call, find out
Brother, please come in
- How are you, sir?
- What happened brother?
Wait, driver, you get the car out
and I will be with you soon
Come sir, let's sit and talk
Tell us what happened brother
It's exactly like we discussed
Nandini is a nice girl,
she's gone home now
We can get the pictures of Stephen
Robert any moment
Information for you
I've killed Anthony's brother
David in Bangkok
My presence is not good for you both
I'll come once I get the pictures
Take care
Cancel my appointments for today
I want to spend the day with my daughter
I misunderstood you and kept away
from you, am sorry about that dad
How can you say sorry
to me, my girl?
I don't like fights Dad, but, I day,
in Bangkok during some fight I mentioned...
...names of Stephen Robert
Everyone ran and I understood
how powerful they are
- Really?
- Yes dad, they are famous in Bangkok too
I'm such a duffer
I take so long to
understand anything
I believe none has seen
Stephen Robert till now
Is that so difficult to see them Dad?
Yes, it is difficult for other
Not for my daughter
Do you want to see?

Wow, they fight so well,
like good villains
Aren't they very strong?
- Hey Rishi, I've good news for you
- Have you got them? The pictures?
You asked for pictures,
but I found a video itself
- I'm coming there
- Now? It's 11 pm, not now, tomorrow
Why did you come here at this time?
I told you I'll give you tomorrow, go
It's a problem if dad hears it
Nobody messes with Stephen Robert
Brother, he must have got the pictures
- Why are you here?
- I've come for dinner
You want to be killed, like your dad
Who came here enquiring
about Stephen Robert?
- We don't know anything sir
- You don't now?
We don't know
You think this is your driver
He is my man now, tell me
- No one came here?
- No, sir
Someone came here twice asking about
Stephen Robert, he told me only later...
...that's why I killed him fast
Now tell me who came here
You won't tell me! If I take her
then you will bring him
Rishi, you didn't take my call
Where did you go?
Stephen Robert's men found out that
you visited us, and took my sister away
- Sir, please save my sister
- Get up!
I found out that Stephen Roberts are
the people I'm looking for
I won't spare anyone
She is my sister
too and I won't let her anyone harm her
This is dangerous! After hearing this

I shouldn't be here anymore
What happened?
What? What happened?
Someone called Rebel hit us badly
He warned that he will kill me, you
and even Stephen Robert
How does he look?
Please don't kill me
You know why I'm not killing you?
Inform that there is someone to
kill Stephen Robert
Looting, killing people, harming
women isn't masculinity
Ask them to face me and fight me
War has begun, ask them to escape
They cannot! Stephen Robert would've
seen different kinds of tigers...
...But they haven't seen a tiger that has
been hungry for 2 years which found it's food
I will be in your area tomorrow at 5
I will kill you regardless of
whether you come or not
Now, you'll go and inform Stephen Robert
and they will but ask you...
...who is this that has come to our area,
our kingdom and killed our people
Go tell them...
That I'm Rebel,
their death mascot
His words are powerful
and his strokes are very strong
Where does he live?
Where is he?
He's challenged to kill him whilst
he lights his cigarette...
...and walks from that bus stop
and finishes his coffee there
Why isn't he here yet?
The signal is here
- Go George
- Just me?
- Yes, one man is enough
- No, even 100 men aren't enough
I'm lucky, mine was

like a vernacular film
He is unlucky to go
through a English film
He is unlucky to go
through a English film
Shoot that fellow!
Let me run away from here
Sir, please forgive me
You've got good news,
and that is I'm going to kill you
It's my style to give
good and bad news
The bad news is that
I've killed your brother too
This place has to be cleaned up
before I finish counting 3
Tell me who are you? Rishi, talk
to me, I've been asking you
I will tell you, but first move your
hand away from him
Rishi is not a goon,
like you are presuming
He is the son of our god Mr Bhoopathi
Sir is here, let's go brother
People feel protected
not because of Politicians or Gods...
...but because they trust police
They don't need
a wrong doing police station
Raju, seal this police station
Greetings sir, if you lock our police
station, we'll lose our jobs
Superintendent, do you know what
this fellow has done?
Lakshmi, tell him what happened
Sir, this is my brother, he is physically
challenged and can't speak...
...He was duped selling our land, so
when he approached police for help...
...This man said he would help us
provided I spend an hour with him
I won't say like that
- Sir, since he is your nephew...
- So what?

Jairam, your son is at fault
Should we let him go?
Don't leave him
- I will...
- Stop
Heard that? Whether he is our man
or an outsider, we punish the guilty
Raju, he can't live
in our house nor our village
Banish him
If I see you around ever again,
you will be killed
Don't ever come back, else
you will be killed
Sister-in-law, brother is on his way
Why did your son behave like that?
I am unfortunate!
My wife died after birthing him
He is dead to me, after today
Big brother is walking in angry
Uma, please bring coffee for sir
Lakshmi, I don't want coffee,
I'm not feeling good
Please don't disturb me for an hour
But, please listen to me...
our son called...
- Greetings to everyone
- Greetings, sir
- Greetings, sir!
-All of you have my son's horoscope
Unlike me, he grew up traditionally
I've kept him away from this blood shed
and educating him in Bangalore
Tell me what his horoscope says
- What can you see in his horoscope
- That he can hit very well
What happened?
- Sir, is this yours or your son's?
- It is my son's, any issue with it?
No! There is no co-relation to
what you've described and what's here
- What do you mean?
- Does your son listen to music?
Yes! He wears headphones

He's been listening to classical music
Music can melt stones,
but stones can't learn music
What do you say junior?.

- I didn't hear a thing sir

- Good then

- What is the confusion?

- Is your son in love?

My son isn't that kind
Does he touch women, sir?

What are you saying?
I'm telling you that he is not in love,
how can he touch women
Extremely sorry sir
You don't need to be in
love to touch women,
You need 5000 bucks

- You can touch for free, if she is a lover

- You can hear these things, idiot!

Priest, tell us what kind
of a girl he will marry?
He should know better,
instead of asking

- What are you saying?

- Oh nothing sir, I'm looking at this
Sir, she'll look after her in-laws well
is good-looking, good-character, cultured

- Priest, so many girls?

- Nosy fellow

Sir, we're already confused
I'm referring to 1 girl
with all these qualities
You have a good nose, take care of it
Priest, you said 'confusion', is
my son's horoscope all right?
Yes ma'am it is, I'm flawed
Priest, answer to the point, we
don't need to know your issues
It is okay, sir
This guy is a tough cookie
This boy's horoscope is the reverse
of what he spoke
Should we tell them?
If you tell them so, it will hurt their ego

and they will kill us
So, you shut up
But how can we bluff and be
untruthful to our profession
Our profession will feed us
but do not kill us
Do you see that fellow...
...lf he shoots us though our mouth
then we will be dead in no time...
- Concur with them, and let's run away
- Is that so?
Your son is a very nice boy, has respect
for elders, doesn't have any vices
...is allergic to girl friends and keeps
away from fights and killing...
Keep quiet
Your son is like Basha (movie name)
without flashback
...Billa (movie name) without action
...Mr Perfect (movie name)
without girl friends
Can we leave now, sir?
Thank you for confirming
good things about my son
Raju, give them a reward so huge
that they haven't seen in their life
Does he mean to blind us
by saying that?
- Your phone is ringing
- Why do you shout?
Yes, father
-Are you coming tomorrow?
- Yes, dad
-Are you going to the temple everyday?
- Yes, twice daily
- Do you wear vermillion when you go?
- Yes, dad! A long one
- Have you been learning classical music?
- Yes, dad! I even practice in the bathroom
Get your music teacher along tomorrow
Do I need to get my teacher along?
- For practice! Here isn't a music teacher
- How can I...music teacher...?
- Is there any problem?

- No, anyone will come for money

Money?!

I mean, I need to

spend on train, tickets etc

You will come soon, right?

Come soon

He is coming, right?

- I'm caught

- What happened?

I have to go home along

my music teacher tomorrow

What do you mean

by music teacher?

My dad sent me to study and learn music

I haven't done either but I found you

- Then you are caught

- Yes, I am terribly caught

No

- You are my music teacher

- Me? I don't know music

- I too don't know music right

- But what if your dad finds out

He too doesn't know music

Please, you don't have

to perform or teach

You think they will believe me

as your music teacher

You think it's believable

that I know music

Let's bluff them

But how can we

make them believe?

My music teacher should've been old

but you're sexy, let's camouflage you

- I'm scared Rishi

- Don't be scared, I'm there

But you yourself are scared

Okay, let's manage somehow

I'll evaluate his mood

and tell him about us

- Please darling, help me

- Okay, let's go

It's difficult for me to come as I have to

take the permission of my 3 mothers

- Can you repeat the question?
- Permission of my 3 mothers
- You have 3 mothers?
- Yes
- My life is battered
- What happened, Rishi?
You have 3 mothers?
Then how many fathers?
Shut up
- You shut up
- Don't speak wrongly about me
Not me, it's you speaking wrongly
I've wooed you
But haven't known you or
Your family background
I was cheated
Bad selection
Hold your tongue
ridiculous family
Shut upppp!
Don't utter a word about my family
Come with me
I'll show you my family
You told nonsense
about my family, right?
She is my 1st mother,
this is an orphanage
I don't have my parents
I am an orphan
Somebody took me and dropped at here
She raised me
till I was 10 years old
And she passed away
because of illness
Come, I'll show you my 2nd mother
Then, Lord Jesus appeared
from the sky
Mother...
She is my 2nd mother
Mother, this is the Rishi
I told you about
Greetings
She raised me
till I was 15 years old

She taught me my entire grooming
Mom, I need to talk to you after class
Come, let me introduce
you to my 3rd mother
Touch this one-
Mother!
Greetings!
She is my 3rd mother
After 15 years of age
We are sent to her
She looks after me now
Mother, I need to talk
to you for 5 minutes
I'll leave the kids in class
and come to office
Please go and wait there
Rishi, what happened?
Everyone is looking
Sorry, I spoke wrong
You're not an orphan
I'm there for you
Deepali has told us about
you and your family
You can take her
- Thanks ma'am, come Deepali
- Just wait, my dear
- What is it, ma'am?
- Deepali is very special to us
- Is that so?
- We can't send her like that
We would like to give her
a farewell this evening
- This evening?!
- Yes
You can take her tomorrow
- You go get ready for the function
- Should I get ready too?
- You'll get ready only if you go now
- Yes, that's right
Sister, you're better looking
than uncle is
Sister, we know
how you look like
Can I touch uncle

to know how he looks?
Yes, he's right here
Touch him
- How is he?
- He looks very good
Uncle has a very good heart,
he'll look after our sister very well
Inexpressible happiness hoy,
like a sudden burst within my heart hoy
As if beautiful land of Gods, heaven
Has come visiting down to earth
Lips with just a hint of smile, like lightning
Arrived bright and shining, the first Diwali
Everything has come together, like you Deepali
Oh my dear Deepali
Inexpressible happiness hoy,
like a sudden burst within my heart hoy
Closeted within our own world,
thinking it's only ours, who shall it benefit
If everyone in this world belongs to you
then no one will appear as a stranger
A bunch of flowers bloom on a single stalk
And the ocean is one, while its waves are many
Every single atom of
my lifebeing is for one and all
Let at least a few people out
there witness our happiness
These words take the form of Deepali
Oh my Deepali
Inexpressible happiness hoy,
like a sudden burst within my heart hoy
Binding me with bonds of love
you call me your little one
As I came closer I realized
my faults and shortcomings
Dreams that were dreamt/unseen
Were realities...
Which only you made me realize
Hey, yesterday and the day before that,
thoughts in my mind
Hereafter, I shall step
along only with you
Will I not always come
with only you, Deepali?

Oh my Deepali!

Dad...!

Our acting starts now!

I thought this boy would be modern

but he appears so traditional

Sir brought up his son very principled

and traditional, so he's like this

How come he is like this?

He should've been like a Tiger

but he looks like a mouse?

She has grayed

but has a fit body

You scoundrel!

- Respected father!

- Wow, what values he has!

Get up, son

- You grew up to be how I expected

- I'll be dead if you find out

- My son

- Yes mother, tell me

Whenever your dad sees you, he is as

happy as he was when he saw you at birth

- I too feel the same mother

- Look at how humble he is

- Uncle...

- Get up, my boy

Brother, I feel so proud of him

But, I feel horrible

Dad, she is my music teacher

You are a teacher,

you shouldn't do this

I will tell her

You old teacher, you are supposed to

be older, you shouldn't touch their feet

- You rascal, lend me your hand

- Yes, teacher

She's old, so she has body pains

On the occasion of our son's visit

we invite you for lunch at the temple

- You must attend the function

- We will do, sir

- Dad, what's all this?

- Nothing, dear! Sit next to your mom

- Teacher...!

- Sir!

As a child, when our son
used to sing rhymes

I thought he would be
a great singer someday
We wanted someone
to dance to his singing...

...so we looked for
a good dance teacher
We found him in the next village
Raju, call him
Dance master, please come
Greetings

My name is Kamal Hassan Shiv Shankar
You'll be the winner if you sing
uninterruptedly to my dance
Else, I'll be the winner if I dance
continuously to your song
So, who is singing to my dance?

- My son

- This boy...

- Which is the northeast?

- It is that side

His nose is so long
I've seen a lot like these
Keep it aside

Lord, only you and I are aware
that I can't dance
I agreed to this as I was jobless
Please make sure I win, my Lord
I'm going to dance now
Will you play the music?
Well played

I'm ready
Discuss what you're going to
sing and what he will dance to
What dance do you know?
What form of dance do you want?
Kuchipudi, Manipuri, Godhumapuri...

- Godhumapuri?

- Yes, latest dance from Orissa

Have you learnt these,
or just heard of them?

Don't say that, I will be pissed off

What song do you know?
Why are they talking
to each other like that?
When big artists meet,
that's how they converse
I know classical music,
bengali, malayali music
I have all CD's
- You mean CD's?
- I'm as clear as a CD is
Who is your teacher?.
Kamal Hassan from
Sagara sangamam (Movie name)
...and Manju Bhargavi from
Shankarabharanam (Movie name)
...and Master Shiv Shankar
They are my teachers
Are you ready?
This man seems very talented
let me try scaring him a bit
Have you ever seen anyone
giving up their life whilst dancing?
I think he is trying to scare me
Have you seen anyone giving
up their life whilst singing?
Why should I lose to him,
unnecessary Strain?
Perhaps I should tell the truth
I'm sure of losing to him, so instead of
becoming a fool I rather tell dad the truth
- Sir...
- Dad...
It seems he can't dance
Is he faking?
Maybe I should settle
a compromise with him
- What are you murmuring?
- Dad, we want to discuss I more time
- Master, I need to tell you something
- I too need to tell you something
- You are older, so, please go-ahead
- I don't know to dance
- You cannot dance?
- Yes, I can't

He is caught
Then everyone says
you're a big dancer
In the past I used to
dance at a grave yard...
...for the lack of money Omkar
appreciated and gave me a certificate
Then master Shiv Shankar
gave me this ornament
I can't dance, but looks like
you can't sing either, right?
Since you don't know dance
I can sing very well
You know what will happen
if my dad finds out this?
He will shoot you
with his gun
Greetings, sir
Please somehow save me
I'm not even married yet
Ok! I'll sing, and you act tired
and fall down before I finish
Should we start?
- We are ready
- Then start
What is this non-sense!
- You are so good with music
- Credit goes to all CD's of music directors
CD's?!
You were singing all through-
Boys, he talks too much
Throw him out
- What if sir gets to know?
- These boys will throw you before that
Hail brother Simhadri
- Greetings, sir
- Please sit down
With your help, I got
the MLA ticket last time
I'm hoping you'll support me again
- Uma
- Yes, sir
- Do you get water in your colony?
- We get it once a week, sir

- Venkat Rao
- Yes, sir
- How are the roads in your street?
- Full of trenches, sir
Heard that Mr Simhadri?
People vote hoping you'll help
but not for you to enjoy
If you'd done your job correctly...
...people would've supported you,
and you needn't have been here
Understood?
Please go
Sir, I need to talk to you personally
please don't refuse
Only for 5 minutes
Sir, only you can save me
If I lose my power,
I lose my life
I've a lot of money and
I'll give you all of it
Please support me
and make me win
No, sir
I would've killed you, but a Rebel
like me can't stoop to that level
Don't tell anyone
that I hit you
People won't cast their vote for you
and you will lose your deposit
Let's go
Smile please
Else outside people will suspect
Not that much
I can't win
whilst he is alive
Kill him somehow
What are these bruises?
The old man took me
to his room and kissed me
You idiot!
- Slaughter that Bhoopathi
- It's not within our purview, sir
- You are so huge, you can't kill 1 man?
- No one in this state can kill him

Then call someone from Bihar
Tomorrow there is a celebratory
lunch at the Kali temple for his son
Tell your men to disguise
as women and finish him
He has to die!

Greeting, sir

Dad, the deity looks so fierce?

She is Goddess Kali,

so she's like that

Priest, start the prayers

Raju, take my son home safely

You go and take care my dad

Nothing will happen to him

You come with me

- Dear!

- Sir...

Brother!

Rays of sun is Rebel

Flow of water is Rebel

He is our Rebel, the young tiger

- That is a sword

- I know, please step back

- You are bleeding

- I do know, step back please

- You tell me to step back?

- STEP BACK

Oh goddess Kali!

Rays of sun is Rebel

Flow of water is Rebel

He is our Rebel, the young tiger

Everyone stand still

Mother, father, sister,

brother, children...

...all my people step behind me

Only those who want

to kill my dad...

...dare face me

Come on

I knew it, you were born to

hit, hit them and kill them

Let's not spare this fellow!

He is coming with fiery face,

to destroy his enemies

He is moving with mighty,
to ruin the wicked people
He has started to eradicate evils
He is making thunders
with his blows
He is turning
as God-death's guard
He is roaring and
jumping like a lion
He has started to eradicate evils
He is making thunders
with his blows
Oh Goddess Kali
Sacrificing...!
Bless victory to him
C'mon hit, put yourfoot down
and start hitting
- Who sent you?
- Simhadri
Rays of sun is Rebel
Flow of water is Rebel
You dare to plan killing my dad?
Do you know why
I'm not killing you?
My dad will be pained
if I kill you, go live
I've never been cheated
Forthe 1st time, I've
been cheated by love
You've turned out exactly
how I didn't want you to be
What was that fight?
You can't live in this house
Leave now
Sir...
You reared an orphan like me
I've never spoken to you,
but today I will speak
What will you say? What if
something happened to my boy
Who? Our boy? He fought
Sir, had he not been there today,
something would've happened to us
I've been wondering from when I saw

him that your blood can't be like this
The boy until yesterday isn't your son
Today, by hitting those Bihar men
he proved that he is your son
Your son should be like this,
word for word, death for death
Sir, only a cub is born to a Tiger
- Please forgive me if I spoke wrongly
- Yes brother, Raju is correct
Whatever you'll say, I can't
accept him being like this
We are helping people, but,
we've developed so many enemies
We don't know what can happen
at any point of time
That's why, this saga
should end with me
Why should it end, sir?
You don't need lineage to do bad
But you need lineage to do good
Our boy has to occupy this chair
after you, why are you...
Dad, I've grown up watching you
how can I be any different than you are?
Please forgive me for lying to you
that I pretended to learn music
One more thing
Mom, please come here
Deepali, come here
Her name is Deepali
and we are in love
You told me that rich people
should marry poor...
...and people with family
should marry orphans
She doesn't have parents or anyone
She is an orphan
Who said she is an orphan?
She has all of us
Why are you selling your property?
You need property and I need money
Tell me which property you want?
- The house in Seethammadhaara
- Here are the papers, go!

- Leave the money, take these land papers
- What land papers are these?
It belongs to this house
You selling this house?
What will you do?
I'll marry you and settle down!
Give the money and get out
I don't want property,
power or prestige
I only want to see his death
I can die after that
Bhoopati can't be killed by outsiders,
or by men from Bihar
Only an insider can kill him,
so I called you
I know what transpired after your
son was beaten up by your brother
Why did you come here?
He did not spare his nephew,
and you too supported him
Are you my father?
Was I born to you?
Had I supported you, he
would've shot us there
That's his power!
You're angry now, but I've been
angry with him for the last 10 years
We can't do anything now
I'll call for you at the right time
Come and avenge him then!
I know how much you are aspiring
for your brother's position
It's enough if you do as I say
My men will murder him
He is Stephen from Hyderabad
He started with small murders
and has now become big murderer
You heard on TV about the 20 people
who died recently
He killed them
Till now, no weapon or person has been
born that could kill Bhoopati
But now, the weapon to kill Bhoopati has
been born- the collaboration between you

- Brother

- You sit

This is Mr Subramanya sharma, a very well known priest from Rajahmundry
Since our boy is getting married,
I've showed him both their horoscopes
He suggests that we get
some pooja (prayer) done
They should live a long life
That is my wish
Should we get it vetted
by another priest here?
When you saying it with
such trust, let's do it
What should we do priest?
Tomorrow is full moon day
The boy has to offer prayers to Lord Siva's
and Lord Narasimha's temples...
...2 different places

at 9:

Oh sure

But, how can he offer prayers at 2
different places at the same time?

No problem

Let our boy will go to Narasimha swamy
temple, and let us both go to Shiva temple

Take the boy to Narasimha swamy
temple, we are going to Shiva temple

Sir, I will come with you

No, I'll go with big brother

you take the boy

Correct, brother?

He'll take care us

You take care the boy

- Where is Deepali?

- She is coming

- Deepali, come soon

- Coming, mom

- Go with Rishi, dear

- Come

Do you want to come with us?

Want to go with mom?

I'll go with mom and dad

- Greetings, sir
- Greetings
-All preparations ready for the prayer?
- Yes sir, please come in
Mom...
Dad, you've done as planned
You son of a gun
Die!
Sir, get up
Ma'am, get up
I told you
I'll come with you
You refused I would've
saved you with my life
Get up, sir
I'm an orphan sir,
I don't have anyone but you
Don't make me an orphan again
Rishi, they've killed them
I couldn't save mom and dad
I shouldn't have left you alone
Rishi, I want you...
I am an orphan
He'll take care of sister very well
Deepali is very special to us
Will you kiss me once?
Your dad is dead
I made a plan and killed him
How dare you to mess with me?
Wondering who killed?
I planned
But 2 people executed
and I won't name the 2nd
You want to kill them?
Look for them
You can go searching the world,
but you won't find them
Come! Don't you feel like killing me?
I won't give you
a chance to kill me
I'll kill by myself
- Tell me, where have they gone?
- I won't tell
They could've gone to London, Dubai

Go, search for them
and catch them
Raju, I want them
They killed everyone
I want them
After that we don't know
where his uncle disappeared
Later we found out
that Stephen Robert were...
...running a business in Hyderabad
so we came here
Rishi came to Bangkok to procure
pictures from you, Nanu's daughter
This misfortune should not happen
to anyone else ever again
So he started to kill everyone
associated with that group
Only 3 people are left
Your dad, Stephen and Robert
If you let us know
where Stephen Robert are...
...we'll spare your dad,
else will kill him too
I pretended to love you in a big to reach
them, as I didn't know what else to do
Sit down
What a game they played!
What are you seeing?
Eat, since you are so thin
Let me tell you a story
A boy chases a girl and
profess his love
Once she reciprocates, he reveals that
he loved someone else and says sorry
Nice story!
My and luck
You!!!!
Look at me
You said your love
was acting, okay?
But if your acting was so good,
imagine if it were true!
Oh my goodness!
Oh my goodness!

Is there anyone prouder than you?
Is there anyone greater than you?
Is there anyone as good hearted as you?
Which blessed mother
were you born to...poda poda
I am the perfect bride
who will marry you for sure
I always thought you were
ordinary, that you were just so-so
I always thought you were
like everyone else around, da
But, you are electric and
your body muscles full of talent
I saw all this with my own eyes da
Which blessed mother
were you born to...poda poda
I am the perfect bride
who will marry you for sure
Hey, whatever I am
whoever I choose to be
My girl with a snap of your fingers
I surrender to you
Happily like a perfect pair,
to sing and dance, you are the right one
The girls look at your height
and fall flat...fall flat
Oh my goodness, the competition
becomes real tight, sure it does
I witnessed the goods like it
and snatched it for myself
I closed the door, gave you betel leaves,
claimed you as mine with a promise
I prayed that the driver
of our cart/jataka would be you
If you happen to be so,
I shall make your heart my bed
If you agree, you become my equal half
We shall play the game,
I declare you are my beloved half
Which blessed mother were
you born to...my love bird
I shall truly get married
to you under a pandal
Your desired glances

make cold winter into me
The breath you take
is my life like summer
My dear woman, your color glitters
like the Kohinoor diamond
My dear, it pierces
my heart like a bullet
Hey man, the door to heaven,
is in your hands
Tight like the hold of a wild lizardmoniter,
I fell into your clutches
Like pure gold all over,
I love it and gives me a pepenthusiasm
Hey, you and I are major,
old enough, so why waste time
I want to hang you around
my neck as the tiger-claw pendant
Which blessed mother were
you born to...poda poda
I am the perfect bride
who will marry you for sure
I always thought you were ordinary,
that you were just so-so
I always thought you were
like everyone else around, da
But, you are electric and
your bodymuscles full of talent
I saw all this with my own eyes da
Which blessed mother
were you born to...poda poda
I am the perfect bride
who will marry you for sure
Someone called Rebel
has been killing our men,
I hearthat we are the next target
This looks very grave to me, lets
tell Stephen Robert about this
Let us deal with him,
where is he?
If you think you can kill Stephen Robert
by just killing 2 of our men, it's a pity
You have no idea about
who Stephen and Robert are
I don't need to know about you once

I've introduced myself
You want to tell me where they are
or should I kidnap you?
You will kidnap me, that too
after informing me?
Yes, I'm used to informing in advance
Ok, when, where and what time?
Your wish, you choose
the time and place
You are a man! Come and kidnap me
from my house at 10 tomorrow
Done deal
See you tomorrow
Gather all security in the city
as he has challenged...
...to kidnap me from my own house
It's 10 like you said, where are you?
You cannot kidnap me
- I will
- You can't
I will
Kidnap!
Dad, I left home as I couldn't bear your
anarchy, but that didn't stop you
Rishi will kill you if you don't reveal
the whereabouts of Stephen Robert
Nandini, I don't have any sentiments
Guys, shoot my daughter
You want to kill me?
You want to kill Nanu?
She is not my daughter
I'll kill her
I'm your daughter, dad
Shall I give you a twist?
Boys...
Rebel's very smart, he bought over your wing
man Farooq and everyone else last night
Don't waste my time,
where is Stephen Robert?
I won't reveal
Raju, he is lazy sitting in
this AC room and won't talk
Shift him
Nandu can't bear it if we torture

her father, take her home, please
Rishi, however bad he maybe, he
is my dad, please take care of him
I don't care whether you kill Stephen
Robert or me, but kill her 1st
She isn't my daughter
anymore, kill her
Tell me
Don't do that
I'll tell you
You summon them
by telling them it's a big deal
- They won't come
- You'll make them come
Sir, this is Nanu
- There is a big deal
- How much?
- Approximately 100 crores
- Where do we meet?
- The usual place, sir
- Ok, I'll see you there
Nice names! I didn't
expect to find you so easily
You thought I would apologize
that I did all this for money?
You thought you could locate
your uncle so easily?
If we were so easy, then we wouldn't have
scaled international repute in just 2 years
You want to catch Stephen Robert?
Got confused?
You fool! We are not Stephen Robert
You can't do anything to us
Stephen Robert is calling you, speak
How are you Rishi? After a long time
We are Stephen Roberts, your uncle
Your silly plot to catch us
by trapping our junior man
You can't touch us
Because your lover and
your wing man are with us
Breaking news for you is
that we will kidnap you...
...to your own house

Hero's house
Isn't it new to hear?
It'll be very nice, if you come here
How do you do, my boy?
You are angry with me?
What to do, life's like that,
but no chance
Feeling to kill me?
You haven't seen how
your dad was killed?
His eyes were closed
and I shot him like this
It took you 2 years to see us,
It will take you many years to kill
It is impossible to kill us
Another man needs to be born
to kill this Stephen Robert
You are seeing a real man, isn't it?
No, a real man can only
can be born, not made
You have 100 guards knowing that
I'm coming alone, you are a man?
You've killed your own people,
you're a man?
Fight me without guns and swords
and I'll admit you are a man
I'll give you 5 minutes,
ask your men, 1 or 100...
...to come and fight and kill me
in that 5 minutes
Pass that 5th minute...
I will start hitting from
the 6th minute and kill in one blow
Swear on my dad,
I'll beat your son to death
That's being a man!
Who else is a man here?
Don't get tensed
It's been ages since I murdered
Whether it's a machine or a man,
it remains sharp when in use
You don't need me to kill you
women are enough to kill
Girls can't kill Rebel, Stephen

don't waste time, send the boys
Rishi, get up!
He has gotten up, see!
You have 1 minute left
Kill me
Else, I will kill you all
Ask him to get up
Hit him! That's the power of Rebel
Just one stroke and
the guy won't ever get up
He is dead, check
if you are doubting
My son...
Are you weeping?
Weep!
From this day,
my name is Deepali
