28 Weeks Later

By Rowan Joffé

What you`re gonna cook?

- Your favorite.

Again?!

This is the last one.

Do you mean about, tomatoes?

Its never been enough
cans of tomatoes...

Instead..

You have 5 tons of chick peas.

That should last at least 5 years.

Lets have the last wine.

- Oh yeah it will be great!

Well look.

Drinkable

Are you alright sweet heart

- Yeah, im fine.

Well, im not fine.

Its so fucked up.

Our children are safe,

Arent they?

Totally, yeah.

Thank god we paid for the school trip,

Can you imaging if we
hadn't move them..

No. i cant. i cant imaging,
i cant imaging.

I dont want to imaging at all...

Listen, they`re far far away...

They`re safe and saved.

Ok?

Yeah.

- Yeah.

Ok.

Dont worry.

Gorgeous.

Im not interrupting am i?

No.

I found this in the cellar.

I forgotten all about it.

I thought we chould have
them after dinner.

Yeah.

Its smells wonderful.

Is that a bottle of wine?

This is for you Geoff.

Thank you.

This chocolate is for after.

Have to say you have
good lady wife.

What have we here?

I get blackberries,

Vanilla,

North south autumn.

Karen.

He`ll be hungry.

He`ll be hungry when he gets back,

he`ll want something to eat.

Here we go again.

Jacob no.

Let me tell you something
sweetheart.

Its been 5 days since your
boyfriend run out on us.

If he`s still breathing
which i doubt.

It wont be the pastries
he`s intersted in.

Jacob

They beat your fucking neck!

- Dont say that!

Let it go Jacob.

Why?

We`re all know its true.

The soon as she face it
the better.

There are no survivors.

Its just us in here
and them out there.

Sam.

Quiet!

Its a boy.

Wait, Wait, Wait.

We dont know who`s in there.

Let me in, Let me in!

Don, its a kid!

Help!

Let me in!

Please!

Please, let me in!
Let me in!
Please!
Help me!
Please!
Kid! Kid! Come on!
Come on, Come on!
Are you alright?
Are you alright?
- Yeah.
Where have you come from?
Sanford.
Sanford is upward
few miles.
How did you get here?
They were chasing me.
Screaming...
I`ve scared
Ran...
I tried other houses.
They were empty
I came through the woods.
Who were chasing you?
My Mom.
My Dad.
They were trying to kill me.
There`s others too.
How many?
Lots.
Sam?
Karen no!
- Help me!
Get out of here!
Lets get out!
Go!
Go!
Come back!
Oh god!
Sally, There is no time.
Go with Jacob!
For god`s sake!
- Come!
Oh no!
Shit! Fuck!

Where are you?
Alice! Alice no!
Alice!
Come on!
No!
Sally, give me your hand!
Give me your hand!
No!
No! No! Help!
Help me!
Alice! Alice!
Come on!
Leave him!
Just Leave him!
Leave him!
- Let me go!
Don!
Help us!
Don!
Don!
Don!
Don!
Don!
Jacob!
Come on!
Fuck!
Help!
Fuck!
Jacob!
Let me in!
Let me in!
No!
Jacob!
Oh fuck! Oh shit! Oh shit!
Oh Shit! Oh Shit!
Mainland Britain is Quarantined
Mainland Britain has been Destroyed by the rage virus
The infected have died of Starvation
An American-led Nato force enters London
Mainland Britain is declared free of infection
Reconstruction begins
Welcome to London.
Doyle, you`re having fun down there?
You can kiss my ass.
This is the worst combat i`ve ever saw.

Where is the fucking combat?
Yeah i hear you!
Give me somthing to shoot.
- Too easy.
North east from med center
Fat guy. Jerking off in the toilet.
Oh bug nuts, Hime again?
I saw him yesterday.
I dont see him!
Where is faster fuck nut?
Oh my friend.
- His dick in his hands 20th floor
Yeah next to the fire exit man.
Oh shit!
- He needs a jerk off extension.
Hey Doyle.
in hand to hand combat.
Man to man combat.
- Shout up!
I think it might be your dad Doyle.
You got me.
Shit!
Colonel Flynn is here.
What is your current status?
Good morning Colonel.
- Good morning.
Colonel im watching the new
arrival of this embark.
Yes major.
It will take all marine
to process them.
Copy.
No one told me that we`re
now admitting children.
Just follow around to your right.
Green and brown.
Very intersting iris variation.
Its usually hereditary to one
of your parents, have the same?
My mother, she did.
How old are you Andy?
I think that makes you the youngest
person in the entire country.
Well, your blood pressure

is a ok.
And you`re negative on any
serious diseases or reflections.
I think you`re ok to come in.
Welcome back to Britain.
We are headed for the green zone.
Our area of security and reconstruction.

Designated as:

"Destruct 1" is located on
"The Island of Dogs".
Although the "Island of Dogs"
is completely safe,
The surrounding area of
London is not.
There are a large number of bodies,
Still left to be cleared from the
original outbreak of the infection.
Rats and wild dogs are
prevailing as it disease.
New arivals are reminded,
For thier own safety:
It is absolutely forbidden to cross the
river and leave the security zone.
You`ll be joining 15000 civilians who
all our resident in "Destruct 1".
As we approaching your
new home, you will notice
a dramatically increasing
to military presents.
The U.S army is responsible
for your safety.
We will do everything
we can do,
To make your appreciation
as easy as possible.
Inside "Destruct 1" however we
believe you`ll be pleasantly surprised.
We have hot and cold running water,
A medical center, a supermarket
and even a pub.
We`re nearly home.
Dad!
- Its dad!

Dad!

- Come on!

Im excited.

- Yeah.

Im excited!

I missed you so much!

Are you alright?

Are you alright?

I never thought i`ll see
you again, you know that?

Im a chief medeical officer,
I should have been notified before
children were brought in.

We`ve not even established
the protocol for minors.

We have issues of disease
and sanitation.

Not to mention we dont fully
understand the virus yet.

We understand that it did not
manage to go cross species.

Yes.

That it did not manage
to go air born,
And that the last infected human
died 6 months ago.

We weren`t here 6 moths ago.

Major.

What do you afraid of?

What if it comes back?

- It wont come back.

What if it dose?

- If it comes back, we kill it.

"Code red".

Remember this place then Andy?

Yeah its pretty good dad.

Look at the camera.

Thats alright, come through.

There`re 25 floors.

and we get the penthouse.

Really.

ID sir.

Thank you.

So what do you do here dad?

What do i do?
Im a section officer.
I keep the lights on.
the water running, the heat running.
See thats what it says:
Accsse all areas, thats me.
I basically run the place, you know?
No. You`re the cart taker, really.
No. I run the place.
You like it?
- Its amazing!
Even better than sunny spain.
You oath to see the
refugees camp, dad.
There`s 20 of us in each camp.
And chemical toilets.
Everything smells pees.
Nice.
We`ll be moving our new house.
A couple of months, thight.
A new house?
- Yeah.
I hope you guys understand,
We`re not going to be able to
go back to our old house.
Its not the same as the security zone.
And anyway i dont think
i wanna go back there.
What happen dad?
To mom?
Yeah.
Do you wanna sit down and
i will tell you all about it.
Your mom and i were
hiding in a house.
Big cottage.
Some old couple,
Were there...
And they were let in 3 other people.
And we were...
Just triyng to stay alive i suppose.
We were then ok for a while...
And then we were attacked.
They came in through

the kitchen window.
Got in very fast, you know?
Chased us.
Chased your mom.
And we were trapped.
Trapped in the bedroom.
Don!
I`ve seen them.
Back there.
I shouldn`t do anything.
I tried to go back.
She was already gone.
She was already gone.
There was nothing you should do?
No, There was nothing i should do.
I managed to get away.
Just running, running, running.
I got to this.. Military camp
You know the rest...
You know i`ve been in quarantine
waiting for you guys to come back.
We`re just happy
you`re still alive.
Im sorry.
Doyle.
Doyle, you bustered!
I`ve never seen you getting so awake.
Good morning.
Yeah, fuck that man i`ve been
having all good dreams.
Yes?
- Sunday afternoon..
Clear blue skies, im laying my
bed with my wife.
Now im back in this shit hole.
I know man...
I had that same dream
about your wife.
Get on out of here cowboy!
Yeah alright, next time
im gonna shoot you though.
Alright. See you later family man.
I told you im gonna
shoot you!

Whats on tv tonight?
Are you ok?
Bad dream?
I get worry im not going to
remember how she looks like...
You wont forget.
I dont even have a picture of her.
You wont forget!
Promise?
Yeah.
Andy we agreed.
You hearded what they said there`s
only dogs and rats out there.
We`ll go home we`ll get what we
wanted and we`ll come back again.
We should`ve told dad.
- Its fine!
Trust me. He wont
even know we`re gone.
Where are you going?
Base come in. We have 2 strange
just slipt out the north gate.
Stright dogs?
- No puppies.
Yeah!
- Yeah!
Yes! Yes!
London is mine!
Thats what we need.
Yeah if we had the keys.
Wait here.
Lets go!
There you go.
Tam!
Tam!
Tam...
Tammy are you there?
Tam..
Tammy?
Tammy...
Tammy this is stupid.
You`re not been funny.
I knew it!
You`re hurting me!

No! No.. No!

No! No.. No!

No!

Doyle?

I got your puppies.

I apologize for this
precautions.

Its standard protocol we
dealing with any survivors.

We haven`t gotta do it for a while
the last survivor we came across,
Was over 2 months ago.

Can you tell me anything
about how you managed to
Keep alive, while you
were gone so long?

Do you know of any
other survivors?

Ok.

Im just going to take
a blood sample.

It wont hurt.

Have you come into direct
contact with the infected?

Ok.

I want to see my children.

Of course...

Of course...

Mr. Harris.

- Yeah.

We found your kids.

Thank god, thank god.

Thank you so much.

We found your wife too.

Can they hear me?

So what you 2 think
you`re planning?

You said you saw her die.

What?

You said you saw her die!

I didnt said that.

You did. You said you saw
her die. You did.

But i didnt use those words.

This is.. i dont know..
Its confusing, you know?
Its very hard for you to
imagine you know?
Its too hard to explain.
Try to explain it dad!
Try!
What do you want me to say?
I thought i saw mom.. Die.
I wouldn`t have told you that.
I was sure.
Look guys. Im not sure
whats happening here.
But its good. Ok.
Thats the point. Mom is alive.
I want to see her!
There is no question sir.
She has the virus. she`s infected.
Why isn`t she showing
any symptoms?
I dont know.
- Speculate.
Genetic abnormality which access
some sort of natural immunity.
But the virus is still in her blood.
And its still alive.
Technically she is not immun.
She`s a carrier.
Are you saying she has
the ability to infect others?
Yes sir. Absolutely.
If this woman have natural
ammunity she incredibly valuable.
Her blood can contain the key
to a vaccine even a cure.
Alice.
Hey baby.
Im so sorry.
I was scared.
I shouldn`t have ran away.
I was scared.
Please forgive me.
Please sir. We need some
time to study her.

We need to run some tests.
Run tests on the corpse major.
I love you Don.
Yeah.
Oh god. I love you too.
Don!
Clear channels to "Control 1".
"Control 1" this is general Stone.
All forces under my control
prepare,
To execute "Code red"
on my commend.
Affirmative.
- Affirmative
All stations!
"Sun ray" in 30 seconds.
We have an outbreak of the infection
in medical center all units safeties off.
Affirmative.
- Affirmative
Open aircraft transmission.
Prepare designated contaminated areas.
- Affirmative
Move civilians to contaminated areas.
All commend pesonal secure officers.
Confirm order of lockdown.
Lockdown confirmed.
Execute "Code red".
Flynn come in.
Flynn, did you hear that "Code red"?
Man, im loosing my shit.
Im about to ask you the same thing...
Everything is fine. Dont worry.
We`ll be back in a moment.
Its probably nothing.
It didn`t sound like nothing.
He said he`ll be
back in a moment.
Are you ok?
Lets go!
Come on!
Move! Move! Move!
Lets go! Lets go!
Andy keep holding my hand!

Come on! Keep it going! Keep it moving!

Come on people! Come on now!

Dont push! Dont Push!

Sir. All civilians into
contaminated area!

No! These kids are with me!

- Sir!

Its incredibly important that
they will kept protected.

I need to get them out
of here immediately!

Sir. No exceptions.

Its a "Code red"!

I know what it is. These kids are
with me. My name is..

Andy!

- Scarlet!

Tammy!

- Andy!

Andy!

Andy wait!

Scarlet!

- Just wait Andy we`re coming!

Calm down! Calm down now!

Move down!

Move down the room!

Hey! why are you

saving us inside it?

Its for your own protection.

So just get off the door.

You dont need to lock it!

Its for your own protection!

We`ve got to find out..

- Its ok we`ll find him!

Shutdown civilian areas.

"Sector 1" lockdown.

"Sector 8" lockdown.

"Sector 3" lockdown.

Switch to emergency lighting.

Use of nonlethal
force authorized.

All snipers in positions.

Roger that.

- Ground force to main center.

Ground force to main center!
"Sector 1" Covered.
Dad?!
My dad! My dad!
He`s in here!
Confirm only target infected.
Roger that.
Only target infected.
I got 2 down.
Watch out for the friendly`s!
Watch out for the friendly`s!
I cant get a shot!
Oh man this is "Full bar".
We got a group there 12 o`clock.
- On the ground, got 4.
- On the ground, got 4.
I got 2 by the jeep.
Jesus!
- I dont see who`s the target.
On the move! On the move!
On the move!
Moving right!
Moving right!
I cant fight designated targets.
I cant get a shot!
I cannot be target specific!
"Whisky 3" why will
you stop fire?
Come in "Whisky 3".
Abandon selected tagets and
shot everything.
Targets now free.
We`ve lost control.
All units, all units. This is medical
commending officer "Sierra lima".
Please be on the look out of a
young boy age 12 name Andy.
If he`s located he must be immediately
evacuated from the contaminated zone.
We have to find Andy.
We have to find him!
- Its ok. Its ok.
We`re gonna find him. We`re
gonna find him. I promise!

Im gonna get him out of here.
Im gonna get you both out of here.
Trust me.
Im gonna shot.
- Abandoned selected tragets.
All targets are now free.
Confirm order?
Roof top units, target:
Everyone in groud level.
No exceptions.
Repeat. No exceptions.
Take him down. Take hime down.
- Its a big one!
Over here! Get in!
Over here!
Take him out!
Take him out!
Fuck!
Fuck!
Fuck!
Tam?
This is madness.
Whats happening?
They`re shoting everybody.
Why?
- It makes no sense.
It makes perfect sense.
Its "Code red".
I saw dad.
Where?
He is one of them.

Step 1:

Step 2:

If contaminat fails..
Step 3.
Extermination
Now they wont stop antill
everyone is dead.
So what do we do?
I mean im not sitting around
here to get exterminated.
We got to get out of here.

If we take one step
out of that door..
If the infected dont get us,
the snipers will.
But you dont have a
choince my friend.
By now its dark out there.
Snipers can see you through
thier night scopes.
At least you have limited
cover from the infected.
But if you wanna wait for sun up.
Then you are good as dead.
Who are you?
Sergeant Doyle.
Delta. Roof top unit.
Why aren`t you at your post?
Why aren`t you?
Look, you guys can do what
you want. But ah..
Im gonna get the
fuck out of here.
Are you coming?
Ok. Come on.
There is less shooting. Maybe
they got under control.
They`ve got less shooters.
Alright listen. You guys look at
me and only me. Ok?
You run when i run. Be my
shadow thats it. Alright?
You on back watch her.
Ready?
Lets go!
Stay.
Doyle. Come in.
Flynn, Go.
Doyle where the fuck
are you man?
Ground level "Destruct 1".
Shit!
Code frequency.
Copy that.
What the fuck are

you doing there?
Listen to me you got some
serious shit coming your way.
I already got some
serious shit.
No. Im not fucking playing.
this is worse.
The aircraft just got thier orders.
They fire ball all of "Destruct 1".
That was fast.
Outbreak is totally out of control
they`re taking no chances.
So unless you`re out of the target zone.
You are getting cooked. You got me?
How long we got?
- They`re already on thier way.
You got 4 minutes, Tops.
But listen. I got some clear
landing ground on "Bridges park".
Thats the pick up place.
Got it?
I`ll be back in touch.
- Doyle you`re fucking better be!
Alright. Look guys, i gotta run ok?
So stay low and stay fast, ok?
After me. Lets go.
Sniper!
Get down! Sniper!
Sniper!
Get Back! Get back!
Andy! Get in!
Its ok.
Its just a lash wound.
Numerous shots wont hit.
He`s panic.
He knows march coming.
Whats your name?
- Sam.
Ok Sam. We`re gonna get close.
You see that door way?
I need you to run as fast as you
can in a zig zag, like this. Ok?
And dont stop for anything. Ok?
You want me to be bait?

No. No. Look, He`s gonna
take shots on you. Alright?
And he`s gonna miss.
Alright. He`s gonna expose his
position. Means i get a shot of him.
I wont miss.
- You`re out of your fucking mind.
There`s no way im
going out there.
Stay back.
You want that?
No!
Andy!
Fuck!
Good work kid.
The fence!
Go! Go!
Come on!
Come on. Come on.
Jump!
This is "Red fox 1"
report to "Whisky".
Go! We should run
to the river.
Go!
Come on!
Come on!
Bring in flat soldier units. Man out
from the 3 jabbed units positions
All units copy?
Using chemical weapon authorized. Repeat

all units:

Stay close.
They left our skin.
Do you think mom`s still alive?
Not this time.
You look a little pale.
- Blood makes me nauseas.
You never answered
my question.
About, why you left your post?
I never got this boy
out of my sight.

He`s not a target anymore.
When we were separated..
I thought i lost you too.
We wont get separated again.
We stay together what
ever happens.
What ever happens...
Its all fucked.
You hear all the radios,
its fucked!
Here we are.
What about you?
Why the hell are
you here?
Thier mother had very
special blood.
Natural kind of immunity
to the virus.
And not all genetic trace are
paste on, you know.
They can skip a generation or
vanish all together, but..
But they might have it.
Its a possibility.
So thier lifes are far
more valuable than mine.
Or yours.
I got it.
Doyle!
Doyle!
Flynn go.
I know you do it buddy, listen.
Im coming to you right now.
But keep a lookout ok?
There is a peril
sighting of infected,
That have escaped from
the fire bombing.
Give me an ATA.
About 60.
Minutes?
No.. Seconds!
Kids, come on!
Get down! Down, get down!

I see you.
Im coming in!
Jesus Doyle. You got
people with you.
Who the fuck are those people?
Doyle, who the fuck
are those people?
I cant take them!
We will get shot out of the sky,
If i`ll try landing.
No, no, no!
Dont take them to base.
Take them over the channel.
What?
- You gotta get these
kids out of here, Flynn.
What the fuck are you doing?
Im not taking them.
Im not leaving them!
Hey! Get him the fuck
off there!
Flynn, we`re gonna fucking
die down here. Do something!
Come on you fuckers!
Dont look back!
Keep going!
Doyle, come in.
Doyle!
You need to get to safe ground. Get
to the stadium. Ditch those people!
Im not taking them!
Flynn come in. Flynn goddammit,
i know you can hear me!
Fuck the "Code red". Fuck the
chain in command.
Im stuck down here need
instructions goddammit.
You better fucking be
there because we will.
Hey. Are you ok?
Yeah?
A little tired ha?
Me too.
Look i need you to help me ok? Help

me with your sister. You got that?

Come on. Gotta go!

Gotta go!

Go! Go! Go! Go!

Go!!!

No! Get back!

Get back!

Its Gas!

Get in the car! Get in the car!

Hurry up!

Come on. Come on.

Get in! Get in!

Get the vents.

Get the vents.

Come on start!

We`re gonna be fine, alright?

Just keep trying. Keep trying!

It wont start!

Come on. Come on. Come on.

Keep trying. Keep trying!

It wont start.

It wont fucking start!

Fuck me.

Put your foot on the clutch.

Alright, you pop the clutch

when i tell you, ok?

You get them to the

stadium.

Ok?

Keep your head down.

I`ll meet you there.

Doyle!

Pop it! Pop it!

Ok?

Shit!

Ok! Lets go!

Through here guys.

Just hold on to the rails.

Careful guys.

Ok.

Its ok. I can see.

I can see.

Keep going down.

Keep walking stright guys.

Holding against the wall.
Ok, get back! Get back!
Stay close. Slide into
the right Andy.
Its ok i know, i can see.
Its ok.
I got the night sight on.
You`re doing great.
Just hold.. Hold the rail nice and
slow down the stairs. Ok?
Stop! stop! stop!
Right now!
Ok Tammy, to your left.
Good. Ok, good girl. Just stright
down. Nice and slow, slower.
Stop. Stop. Stop honey.
Its ok. Its ok. Its ok.
Alright?
Grab and hold the other
railing, ok? Go to your right.
Scarlet i cant see anything.
- Ok. Go to your right.
Go to your right.
Alright. Try and skip, put your
leg far out infront of you, ok?
Good girl.
Hold on to the rail!
Andy!
Where are you?
Andy! Where are you?
Andy! Answer me!
Where are you?
Tammy!
Where are you?
Scarlet! Tammy im coming!
Im coming!
Scarlet! Im not standing.
Im not standing.
We`ll find Andy.
Scarlet!!!
Andy where are you?!
Scarlet...
Tammy?
Tammy!?

Scarlet?!

No!

Don!

We stay together.

What ever happens.

No!

Andy, no!

No! Andy!

Andy!

Andy!

No!!

No!!!

Tammy, am i one of them?

No.

No. You`re not.

Stop!

Where is Doyle?

Where is Doyle?!

Its just us.

Come on.

Get in.

Come on!

Hello.

Can you hear me?

We need your help.

Translated from hearing by:

- Vdevnik -
