# Robot Chicken: Star Wars

By Douglas Goldstein

What in the is --  
So I threw the senate at him.  
The whole senate!  
True story!  
My God, that is so funny.  
You made it come  
out of my nose.  
Go for papa palpatine.  
You have a collect call from...  
Darth vader.  
I got to take this.  
Hold on.  
Vader, how's my favorite sith?  
Whoa, whoa, whoa.  
Whoa. Whoa.  
Just slow down.  
What do you mean,  
they blew up the death star?  
Who's "they"?  
What the hell  
is an aluminum falcon?  
Okay, okay, so who's left?  
Are you me?  
Well, where are you?  
Wait a sec,  
you been flying around  
for two weeks trying  
to get a signal?  
You must smell like feet wrapped  
in leathery, burnt bacon.  
I-I'm sorry.  
I thought my dark lord of the  
sith could protect  
a small thermal-exhaust port  
that's only two meters wide.  
That thing wasn't even fully  
paid off yet.  
Do you have any idea what this  
is gonna do to my credit?  
Hang on, I got another call.  
What?!  
I'm very busy right now!  
Well, where are they going?  
All right.

Um, just get me a Turkey club.  
Cole slaw, I guess.  
I'm not even gonna eat it.  
What are you getting?  
No, see, I always order  
the wrong thing.  
No, no, no,  
I'll just stick with that.  
Okay, bye.  
W-what?  
Cherry coke.  
Thanks.  
Sorry about that.  
What?  
"just rebuild it"?  
Real original.  
And who's gonna give me a loan,  
jackhole?  
You?  
You got an atm on that torso  
lite-brite?  
"Now get your 7'2" asthmatic  
ass back here,  
or I'm gonna tell everyone what  
a whiny bitch  
you were about padamami or  
panda bear  
or whatever the hell  
her name is.  
Jeez, he's crying.  
Hey, hey, hey, hey.  
Come on, come on, don't do that.  
Just -- just -- look,  
I'm just dealing with a lot of  
crap right now.  
Death star blown up by a bunch  
of teenagers, you know?  
I didn't mean to snap.  
O-okay, just get back here.  
Okay.  
Okay, bye.  
Y-- I --  
I love you, too.  
What'll it be, pal?

Martini!  
Jee-- my God.  
I got to get that  
transfer to coruscant.  
I guess we'll have to eat  
this boring oatmeal.  
It's a trap!  
Wow! Admiral ackbar!  
Wow! Admiral ackbar cereal!  
Colorful marshmallows!  
Imitation crab meat!  
Your tongues can't repel flavor  
of that magnitude.  
There's a prize in every box.  
Admiral ackbar cereal,  
now with brine shrimp.  
Whazuuuuup, ponda!  
Let's bust out early  
and hit that new cantina  
across the street.  
Come on!  
One drink ain't gonna kill you.  
Like I'm really gonna eat a  
bunch of bananas after that?!  
He doesn't like you.  
I'm sorry.  
I don't like you, either.  
You better watch yourself.  
We're wanted men.  
I have the death sentence on  
12 systems.  
I'll be careful.  
You'll be dead!  
Gee, ponda,  
I just don't see how  
you can keep designing with  
no drawing arm.  
I'm sorry,  
but we have to let you go.  
-- dear.  
My keys.  
It's almost open.  
Hold on to this.  
Whoa, coming through!

The wall's on fire!  
What was that?  
It was a lightsaber!  
This is my first day!  
What the --  
Little help?  
Welcome to orientation day  
here on the jolly,  
old death star.  
There are a few things  
we want to go over  
with you concerning  
lord vader.  
First and foremost, he thinks he  
has the power to strangle us.  
Truth is, he doesn't.  
If he ever realized this,  
he would kill us  
with his lightsaber.  
Thus, to keep us safe, we'll all  
pretend to get strangled.  
Okay, let's try a practice.  
Commander Winston here will  
assist me.  
I'm going to hold out my hand  
like lord vader,  
and he will pretend to be  
strangled.  
Gasping for air.  
Grabs throat, yes.  
Eyes back, and he's down.  
Good show, commander.  
Now two of the floor chiefs will  
retrieve the corpse,  
redress him, add a mustache,  
and he's back to work  
as lieutenant Leopold.  
Vader has the satisfaction of  
killing someone,  
and we stay amongst the living.  
Why, private Perkins over there  
has been strangled over 30  
times,  
haven't you, Perkins?

Good man.  
This is awesome!  
R2, patch me through.  
I want to call  
Uncle Owen and aunt --  
You're George Lucas!  
I take it you're here for  
the "star wars" convention?  
I sure am.  
Want to see my costume?  
Um...  
See?  
I'm a tauntaun.  
But I don't have to tell you.  
You invented tauntauns.  
Well, that's very  
interesting.  
Listen to my tauntaun call!  
Nicely done.  
Dear God.  
My God!  
George Lucas!  
I love you!  
Give me a baby!  
Quickly, sir!  
Onto my back!  
I am your steed.  
I have a bad feeling about this.  
Dear God.  
Well, um...  
And I thought they smelled bad  
on the outside.  
Just like in the movie!  
Me?  
Thank you!  
Thank you!  
And that was the greatest day  
of my whole life.  
What about when I was born?  
Not even close.  
But with the blast shield down,  
I can't even see.  
How am I supposed to fight?  
Ooh!

Ooh!  
Damn it!  
What is it?  
I never get a spaceship.  
I never get anything.  
Should we order  
some Chinese food?  
I don't know, I guess.  
We'll get some Chinese.  
Hello, could we get, um...  
What do you think, 5 million  
tons of kung pao chicken?  
That's good.  
Yeah, 3 million pot stickers  
and one order of  
scallion pancakes.  
Get some fried rice.  
5 million tons of fried rice.  
Cash or charge?  
It's -- hold on.  
We're just gonna gobble him up  
when he gets here, right?  
Yeah, of course.  
Cash, then.  
That mother--  
I got to get that transfer to  
the death star.  
Mr. president, your vitals  
all check out fine.  
There is just one thing.  
Your midi-chlorian count is  
extraordinarily high.  
Does that mean  
that I'm one of them,  
whatcha call 'em, jedis?  
Not tonight.  
I'm tired, honey.  
You're not tired.  
You want to have a threesome.  
I'm not tired.  
I want to have a threesome.  
Get me condi.  
Sorry, "w."  
Big Mac attack.

Yee-hoo!  
Hey, hey, whoa!  
What the dilly?  
Saber beats rock.  
What in the hell?  
Who dares  
disturb my slumber?  
Who dares  
question my... Daring  
of his dare?  
Jerk!  
It is I, I who  
freed the slaves,  
I who united --  
Boring.  
Let's fight!  
If you  
strike me down,  
I shall become -- wait,  
let me finish!  
Aah!  
That'll teach you,  
George Washington!  
Jenna, get over here right now!  
I am your father!  
That's not true.  
That's impossible.  
My real father would let me go  
clubbing as late as I want!  
You little --  
No, baby, I'm sorry.  
Aah!  
You suck!  
Nooooo!  
What --  
Was it just a dream?  
Mr, president, we still  
haven't found any weapons  
of mass destruction.  
You have found  
weapons of mass destruction.  
...Hi.  
We haven't.  
You have.

I don't know what  
you're doing.  
Bring me a taco.  
Yes, sir.  
Tacos rule.  
Cloud city will be cloudy  
this evening,  
followed by clouds.  
Get your own tauntaun!  
Your overconfidence  
is your weakness.  
Your faith in your  
friends is yours.  
Faith in yo mama.  
What was that?  
I said, yo mama's so  
fat, jabba the hutt said,  
"da-a-a-mn!"  
Well, your  
mother's so ugly,  
she put the "ug" in ugnaught.  
Yo mama fight!  
Yo mama's so stupid,  
she spent all day saying,  
"am not," to r2.  
Your mother is so  
fat that Ben Kenobi said,  
"that's no moon."  
"That's your mama!"  
Yo mama's so dumb,  
she thought jar jar comes  
with pickles pickles!  
Your mother is so stupid,  
she -- she thinks a  
lightsaber has fewer calories.  
I don't get it.  
It's light.  
Like it's light.  
Like, light means that there's  
not a lot of calories  
and it's good... For your body.  
That's how stupid  
your mother is.  
Yo mama is so stupid,

she went to Bangkok  
to get a tie fighter.  
And Luke wins!  
What are you doing?  
What are you doing?!  
Put me down!  
Come on.  
What are they doing up  
there all the time?  
What's happened up there?  
We had a slight  
weapons malfunction,  
but everything's perfectly  
all right now.  
We're all fine here now.  
Thank you. How are you?  
We're sending a squad up.  
Negative.  
We had a reactor leak here now.  
Give us a minute.  
Large leak, very dangerous.  
There's no reactor  
on that floor.  
Yes, well... I talked  
to Dave Johnson  
in stormtrooper engineering,  
and he said there  
is a reactor here.  
Dave Johnson?  
Hang on one second.  
Okay, I have Dave Johnson  
on the line.  
Dave, did you tell someone  
there's a reactor in  
prisoner control room?  
No, there's no  
reactor there.  
I don't know what to tell you,  
but I'm staring straight  
at a reactor.  
Maybe vader had it  
installed yesterday.  
Hang on a second.  
What do you want?

Lord vader, did you install  
a reactor in the prisoner  
control room?  
Um... Not that I know of.  
Hang on one second.  
Sheila, can you get me the plans  
to the death star?  
Okeydokey, the plans here --  
Let me have a look.  
Reactor, reactor, reactor.  
No reactor that I can see, but  
might as well put one in.  
There's always room  
for another reactor.  
We'll send a team up to build  
the new reactor.  
No, not necessary.  
We've got it under control.  
Boring conversation anyway.  
Okay, let's build this reactor.  
Inform the emperor  
that the jedi temple  
has been sealed.  
Yes, my lord.  
Ani?  
Ani! Little ani!  
Jar jar, I am no  
longer Anakin Skywalker.  
These are some nice duds.  
Look, jar jar, it is  
very important...  
That you never speak  
to me again.  
What'sa happen to you?  
Yousa burn your face --  
Aaaah!  
Ani-Bo-bani!  
What'sa happen to you?  
Jar jar, homey, my  
main man, quickly,  
before the separatists attack,  
get into the escape pod.  
Hey, if this is  
escape, then where the pod?

Yousa forgot the pod!  
Whoo!  
Ani, look!  
Yousa not gonna believe it!  
Meesa all sparkly glowy.  
Now weesa gonna have all the  
time to spend together.  
I love you, ani!  
Ani, yeah!  
And toshi station is proud to  
present the power converters!  
Yeah!  
Hey, Mr. solo.  
Solo on the rocks.  
You can't beat me,  
I'm boba fett!  
I'm the greatest  
bounty hunter ever.  
Yeah.  
What's that, solo?  
Blasters aren't fair?  
Okay, dig it -- no blasters.  
Didn't see that one coming,  
did you?  
So slow.  
You thought I was over there,  
but guess what.  
Over here.  
Yeah.  
A little rope-a-dope?  
Left-right-left-right!  
Down goes solo.  
What's that?  
You want a face-to-face?  
Let me just take  
this bad boy off.  
He's even better looking  
without the helmet.  
Surprise ending.  
You want me to come closer?  
You don't want  
to fight anymore?  
Your hands are up there  
almost like you're begging --

Begging for a little  
piece of boba.  
Yeah, you like that, don't you?  
You like it 'cause you're bad.  
Yeah.  
You dirty little smuggler.  
Turn to the dark side  
and join me.  
I'll never join you!  
You killed my father!  
No, Luke,  
I am your father.  
That's not true.  
That's impossible!  
And princess Leia  
is your sister.  
That's not true!  
That's... Improbable.  
And the empire will be  
defeated by ewoks.  
That's...  
Very unlikely.  
And as a child,  
I built c-3po.  
And the force?  
Well, that's just microscopic  
bacteria in your bloodstream  
called midi-chlorians.  
Look, if you're not  
gonna take this seriously,  
I'm out.  
As you can see,  
my young apprentice,  
your friends have --  
Your friends have failed.  
Now --  
Now witness the firepower of --  
Fully armed and operational --  
Come on!  
Hey, fellas!  
Excuse me.  
Excuse me.  
Hey, the force is strong  
with this one?

What do you got there, a latte?  
You ever have  
the hazelnut macchiato?  
Change your life.  
Anywho... Tony, right?  
Ray.  
Ray, sorry.  
I get mixed up.  
Who's Tony?  
Anyway, I hate to interrupt.  
I know you're very busy.  
Is there any way you could  
finish this area, you know,  
later?  
I'm kind of in  
the middle of something.  
Look, Mr. saltine,  
I don't tell you how to...  
Threaten your blond kid,  
so why don't you  
go back over there to your  
sit-and-spin  
and let me do my job?  
Okay, copy that.  
Good talk.  
They'll just be a little longer.  
I'd tell them to stop, but,  
you know...  
No speak-o minimum wage-o.  
So, where was I?  
Right, right.  
Now witness the firepower...  
jabba the hutt's hottest  
singer was blown to smithereens,  
but his rock 'n' roll  
will never die.  
Presenting Max rebo's  
greatest hits,  
including "why do I look like an  
elephant?"...  
"Ooh, I have an average  
memory"...  
And his grammy award-winning  
single,

"I already told you I'm not an elephant"...  
And his famous duet with nsync's Joey fatone.  
Neither of us is an elephant  
Max rebo's greatest hits,  
the guy who looks like a blue elephant.  
Order now.  
Ya ya ya!  
Okay, everybody.  
Welcome back to the show.  
We have a surprise guest tonight.  
I really wasn't expecting this.  
Emperor palpatine is here.  
Silence!  
Fear me!  
So, tell me,  
your highness,  
how do you plan on putting down this rebellion?  
By shooting it with lightning!  
That's how I solve all my problems.  
And then afterwards,  
I shall eat pudding.  
Okay.  
But seriously,  
the rebels have already caused major disruptions.  
I'll show you a major disruption...  
A major disruption in my adult undergarments.  
Okay.  
Can we get out of here?  
Seriously, Francis, it's time for my soap operas.  
It's zuckuss.  
Peace out,  
fly-face!

Fear me!  
Okay, that was fun.  
Let's bring out our next guest,  
the lord of the sith,  
darth vader!  
Hey, easy.  
You could hurt somebody  
with that.  
Easy, boy. Easy, boy.  
Okay, well,  
that's our show tonight.  
Stay tuned for  
"late-night talk" with Sinbad.  
That was so wrong.  
Ladies and gentlemen,  
welcome to empire on ice!  
The empire is chasing us  
they simply will not cease  
man, my nuts  
are freezing, kid  
I'm up out this bitch  
Peace!  
I'm the wampa  
I'm the snowman  
and I don't take  
any lip from no man  
but --  
I know you want me  
bad, princess  
you know you're  
such a flirter  
shut up,  
you scruffy nerf-herder  
Luke, he hasn't  
checked in yet  
it might be that he is done  
his chances of  
surviving here  
are 10,000,005-to-1  
You're so dumb  
the empire's been alerted,  
and here they come  
empire on ice  
empire on ice

here we are  
the empire on ice  
all those rebels will pay a  
big price  
vader's not nice  
and the tauntaun gets sliced  
and Chewbacca has lice  
the empire on ice  
empire on ice  
empire on I-i-ice  
Ani, yeah!
