# Run Baby Run

By Sachi

In pursuit of dreams,  
I run even today  
My desires remain far, far away  
In search of dreams we run on and on  
Do we see them?  
Do we perceive?  
In pursuit of dreams,  
I run even today  
My desires remain far, far away  
In search of dreams we run on and on  
Do we see them?  
Do we perceive?  
In pursuit of dreams,  
I run even today  
My desires remain far, far away  
In search of dreams we run on and on  
Do we see them?  
Do we perceive?  
Christ's Grace  
Jesus protects this house  
Oh Lord!  
Has she returned so quickly?  
Chey!  
Alleluia!  
Good morning sir  
Yes?  
I am from Murdoch marketing company  
with some products for the kitchen  
- Look here  
- Sir?  
The only 'product' of my kitchen  
has gone for her driving lessons  
If she sees me here with you  
I may as well join a meditation camp  
You can go  
- Sir?  
-Aiyo! Sh...!  
What is it, dear?  
Ichaya(hubby), Lucy speaking  
What are you up to?  
I...er...am watching  
Shalom (Christian) channel on TV  
By the way, I'll be back after  
shopping at the supermarket

Jesus! Does that mean  
you'll be here only after 2 hours?

- Yes, lchaya

- Chey!

Listen! Wait till I return  
before you go out, okay?

Come quickly, okay?

- Heard me?

- Okay, lchaya

- So, you are from home appliances, eh?

- Yes sir

Well, come in

Let me have a look

- Sir, casserole?

- No

Sir, if you are really interested

I have a small side business too

CDs of some new movies

Only Rs 100

- Is that so?

- Yes

Where? Let me see

Sir, are you a businessman?

No, in the police force

Deputy Superintendent of Police

Benny Tharakan

Selling pirated movie CDs

is your business, eh?

Sir?!

Be quiet! So convenient

coming in with evidence, like this

Non-bailable offence, understood?

Please don't betray me, sir

I desperately need the money

Please sir

I'll do anything you ask me to

Do have only movie CDs?

Isn't there any other kind?

Other kind?

Don't you have adult movies?

Yes or no?

Take it out

Wait here

Let me find out first

whetherto send you off or not  
Aiyo! lsn't that me?  
Christ! It's me!  
You!!!  
Reporter, Bharath Vision  
Jesus!  
My dear sister,  
don't get me into trouble  
I've just got back into service  
After 2 suspensions and 2 meditations  
Please, I'll do  
whatever you want me to  
Sir, answer that call  
Must be from the TV channel  
Hello?  
Venu, that's my name  
A well known camera man  
of a well known TV channel  
I know you, sir  
I've met you  
- So, further introductions not needed  
- Not at all  
If prime time  
news today decides to air...  
...your antics with that chick  
what will be your opinion?  
Aiyo! I no longer will exist  
Tell me sir, what should I do?  
Rs 3 lakhs, in notes of 1000  
Send it with that girl  
Okay, sir  
Okay  
Why has no one taken this?  
We don't want any LOUs, sir  
Just give us our salary  
This is not an LOU  
Just a security  
Look, only 2 minutes left  
Go and begin the news telecast  
By then the money will be here  
Money that's not come since 4 months  
do you think will come in half an hour?  
On its way  
Then I'll read the news

after it arrives  
Or you do it yourself, after all  
you were a lion in Bharath Vision, right?  
Yes dude, I was indeed, a lion  
When I started my own channel  
I became a cat  
Okay, don't read, you pig  
I'll do it, give me that coat  
No need to remove the coat  
I got the money  
Here, Rs 3 lakhs  
Did you see how we got the money?  
Here's Rs 3 lakhs, take your dues  
If anything's left, leave it there itself  
Bro, I have to go read news  
Please keep my 40 aside  
Brother, where's mine?  
A Bharath Vision ID card?  
Are you back with that channel?  
I went for an 'operation', dear  
My old card came of use, that's all  
Stop your chatter  
Come with me  
Were you going to explain  
all that happened, to them?  
You can as well air it on news time!  
Let everybody here be aware!  
Great! Remember the way  
you followed ethics so strictly?  
When it didn't work, you quit  
Bharath Vision to start a new channel  
As the head, you are resorting  
to 3rd rate tactics, to pay the salaries...  
...and that too mimicking  
a decent guy, like Venu sir  
Go and tell Venu everything!  
You can get married to my dead body  
He'll kill me!  
I've not made it a habit, right?  
This was only the first time  
Sir?  
What is it?  
Minister Kunjumodeen will land at 1 :00 PM  
None of us will be there to cover the event

Select some good channel  
and just reproduce their content  
Isn't that what we do every time!  
Hey! Also include an 'it seems'  
in every other sentence  
What's that sir?  
Like...the Minister is involved in  
the sex racket case 'it seems'  
Or...there is a chance  
he'll resign 'it seems'  
Like this, we include 'it seems'  
in all matters, we are not sure of  
Understood?  
- Yes, now I do  
- Then go  
What a big media star you were  
Rs 1 .5 lakh salary and...  
...post of chief operating officer  
What went wrong at Bharath vision?  
Conceit! I have only myself to blame  
A kind of smugness, dying to be pricked!  
Oh Lord!  
It's Venu!  
Would he have somehow  
come to know what I did?  
Aiyoo! Would Benny Tharakan  
have talked to him, about it?  
Will the Town Hall  
be free tomorrow?  
Why?  
To keep my dead body  
for public viewing  
Hello?  
What's up dude?  
Is it?  
He doesn't know!  
Aren't you ashamed  
to go cover a silly 'lathi charge'?  
Oh, you call it just time pass, eh?  
Definitely not! You are itching for kudos!  
Returning from Delhi after 5 years  
just a cheap trick to say you are back  
Ow!  
He's swearing!!

He can't be idle even for a day  
without taking up some work  
Probably needs the money  
He?  
The money he earns for  
each assignment of Reuters and CNN...  
...no camera man would get  
even after 3 or 4 years of toil  
When sensitive issues crop up  
channels in Delhi bid for his services  
including the Rory Peck Award  
This is not for money  
Just to show off, that's all!  
For which channel could it be?  
Certainly not, for Bharath Vision  
Look here Suraj  
Renuka Ma'am has come  
If you confront her,  
you'll need to look out for another job  
Her attitude is  
'Just take a leap if you cannot'  
I will take it up, not with her  
but with CEO Vijayakumar sir  
She separated me and my wife allotting  
different shifts without a word to us  
My shift is from 6:00 AM to 6:00 PM  
and hers, from 6:00 PM to 6:00 AM  
I have been gazing at stars  
the whole of last month  
- Be quiet, dude  
- Get lost, buddy  
When she joined as junior reporter  
I was already here, as sub-editor  
Now she claims  
to be executive editor!  
Arun, come here  
On the run down, first item should be  
Minister Kunjumodeen and sex racket  
The women's activist Sharada  
and the retired old DySP Ramarajan  
I want both of them on phone  
connected to me, right time  
If you come up with stories like unable  
to connect, and so on, I'll blast you!

- Revathi?

- Ma'am

Greetings, I am Renuka

The news, headlines

Minister Kunjumoideen has also been  
implicated in Vadakara sex racket case...

...says retired DySP Ramarajan

In Kuttikanam adivasi zone,  
Land mafia faked 420 documents

The news in detail

Minister Kunjumoideen's part in the case  
is now a topic of controversy

The girl who'd been harassed had named  
the minister too in her original statement

This claim by DySP Ramarajan, the officer  
who was investigating the case then...

...has sparked off

these fresh controversies

Arun, didn't you get connection?

I am trying, but not getting through

You'll get it from me

if you don't get it, right now

Get lost from here

if you can't, dude!

The minister who was in Delhi

since the last 4 days, will be here...

...in Nedumbashery airport

by afternoon...is the latest report

Sir may I?

Yes

What's it, dude?

I have a complaint

You or your wife?

So this game was

with your approval, eh?

Dude, I'll know even

if a leaf moves in this place

Sir, it's been a month

since anything moved at all!

Sorry, she takes the decisions

She can, but she'll have

to bear my mother's curse

What's your mother's role in this?

Mother wants to die, only after

she sees her grand child  
That's being greedy, isn't it?  
Didn't she get to see you, as a baby?  
- Look here sir  
- If you want to change shifts, go ask her  
Is she Goddess of Chottanikkara  
to bow and beg favors from?  
Go and ask her directly, useless!  
Why use me to test  
your sharp tongue?  
- Sir, can you help?  
- No!  
Oh, there she is!  
The she-devil!  
We don't pay a salary for  
couples to coo-coo during work  
There's no question  
of changing the shift time  
May be, on humanitarian  
considerations...?  
I don't see such considerations  
when you force TAM rating on me  
Do you think I am a machine?  
I've lost out an entire life!  
Don't forget that!  
Hello?  
Is it?  
Did you see?  
No, I will come  
Sir  
The minister is in the guest house,  
women activists and party members too  
We can expect something hot  
You take over the news, I'll come 'live'  
Did you see that enthusiasm?  
Focus channel got Venu to shoot for them  
You mean Reuter's Venu?  
Here?  
He's come from Delhi and is here  
since a week, to testify on some old case  
Must have accepted this job  
having free time on his hands  
Oh Lord! In today's lathi charge  
once, just one beating...

...may this queen of Jhansi  
receive on her head, please God!

- What's it, dude?
- Nothing, sir
- Preetha, did you see Venu sir?
- Is Reuters Venu covering this?
- Why is he here, for this lifeless story?
- Our Vice President requested him, come  
Where the heck is this man?!

Must be hanging around somewhere  
The Minister will soon be here  
Nothing will happen  
till I get out of here  
We cannot be too sure, sir  
Your own party members  
will stir up problems  
That's also part of politics  
Creating and solving problems  
You guys need your guns and lathis  
I need to use my tongue, just watch  
Don't get excited  
Stop your slogans  
Stop!  
Stop, I say  
Stop, I say  
Don't you understand?  
I have only respect  
for the women folk of this land  
Listen to what I have to say...  
...after which you can shout  
dissent or block my way! Please!  
Please...please...please!  
Okay, stop  
Let him say his piece  
Don't bother asking me  
I will tell you everything  
All this hullabaloo is simply because of  
the statement of a retd DySP, 6 years later  
Let the police investigate  
I am prepared to co operate  
Do you want me to step down  
during the period of investigation?  
Let my party or chief minister demand  
I am prepared for that also

To counter a false accusation  
What more should I do?  
How is it?  
Enough?  
Mohammed, what is  
the schedule for this evening?  
Renu, don't try to barge in  
He subdued everyone with just 4 sentences  
Don't think you can play around  
with this news, the whole day today  
Chey! I came because I heard  
Venu was covering this for Focus TV  
You can expect  
fireworks when he's around  
Move aside all of you  
Move!  
See you later  
Move  
Come on finish off  
all these sons of guns!!!  
Charge!  
Get lost you!  
Start the car  
See that shoe  
and that bare foot  
- Shoot both, dude!  
- Okay  
Da!  
You are totally useless  
Get lost, you...!  
Sorry, ma'am  
Venu sir?  
There won't be any more  
further issues, will there?  
What?  
I mean the other one?  
Did he see me throwing my shoe?  
Well, if he did, let him!  
- Here, go and serve it  
- Thank you, sir  
Talking diplomatically and calmly  
the event passed off uneventfully  
But someone threw a shoe at him  
and party members turned violent

Chey! Who could it be?  
Did you see the rhythm  
in those shots?  
Oh!  
One second, turning on a single leg  
a180degree pan, a shot with amazing impact!  
Wouldn't you have got it  
using both legs for 2 seconds?  
Sure you will  
But it can be shown only in your cheap,  
crappy, sub standard channel  
All good channels  
will cut them, edit them  
Whatever I shoot, will not  
give them a chance to edit  
- Oh! For sure  
- Look there, my boy  
Chey! They chopped  
the scenes, those vagabonds!  
Smart boys don't  
need an excuse to edit  
Yes, Venu here  
I came, created an issue  
and shot those scenes for you  
Now, using my footage, you are  
teaching your boys editing, eh?  
Rascals! With no sense  
about rules of continuity!  
What? Sorry?  
You can stuff your sorry  
under your leg...arms...  
...I'll take it when I need it!  
What is it, dude?  
Giggling away to glory,eh?  
Twin screen play writers  
What the heck do you know?  
Venu, they are my friends  
They have 5 super hit films to their credit  
They've come here for my sake  
To discuss a program for my NBI Channel  
If you have anything to say  
direct it at me, not them  
I will tell this not only  
to you, but to them also

I didn't jump up from the middle  
of my dinner, to wield a camera  
As a gold medalist from film institute  
I refused to step into the film world...why?  
My ambition was to shoot visuals  
that were authentic, not manipulated  
Understood?

Humph!

Cinema my foot!

Looks like, a gas bag  
sprouted hands and legs!  
Like army stories narrated by  
tea shop owners with big moustaches  
Sure! Army stories indeed  
Kargil war! Who covered it  
for the Defense Ministry?

Him

The terrorist attack  
at the Taj hotel, Mumbai  
Who covered the commando  
operation for CNN channel?

Was it Azhagappan?

Not azhag-appan

Your appan (dad)!

Very good

Oh, it was you, sir?

Is he in?

Sure, come in

Venu, look who's here

Hey, Somarajan sir?

When I called

Rishi said you were here

Don't worry, I won't

stay for long and trouble you

So my perjury,

led to something good

Yes, I got the fax today

My LPS is confirmed

It was only for you

I've surfaced here after 5 years

Just to change

my earlier statement

Thanks

Thank you

When I packed up and left  
I swore I wouldn't return  
But my return has resulted  
in something good!  
Don't you know him?  
Superintendent of Police  
Somarajan sir of Special branch  
- Was suspended for a brief period  
- Along with a criminal case  
He was the defendant  
and I was the petitioner  
News continues  
Headlines  
Minister Kunjumoideen is also  
implicated in Vadakara sex racket case...  
...says retired DySPRamarajan  
In Kuttikanam Adivasi zone  
Land mafia fakes 420 documents  
The news in detail  
Did the vehicle, for a second  
slip into reverse gear?  
This vehicle does not have a reverse gear  
It can only take an U-turn, if you want  
Venu  
Come on, take an U-turn  
Anyway these guys  
don't know anything  
What if there's scope for a story?  
- Should I?  
- Go ahead  
Sir  
Please, sir  
About 5 years ago...  
After nearly 7 days of fasting  
and in very poor health conditions...  
...social activist and poetess Radhadevi  
has been arrested and admitted in hospital  
Demanding immediate solution  
to the Chambakara issue...  
...Radhadevi announced solidarity with  
the citizens protest and started her fast  
Venu sir has come!  
Did you get it, sir?  
The police refuse to allow us in

Here's the Commissioner's permission  
If she's conscious after an hour  
and cooperates, take her interview also  
- Let's go to the casualty  
- Me?  
You want me to shoot  
this lifeless interview?  
To just focus on her mug  
watch it and die of boredom?  
Get lost, dude!  
Go do it yourself  
Sir, the permission  
is in your name, Reuters Venu  
If you are not there  
the police will block our entry  
You can go after it begins  
You are just harassing me  
Come!  
Impossible!  
It's not for an interview  
We must tell the public about her condition  
Didn't I tell you  
that you can't meet her?  
Why not?  
Not possible, that's all  
Let me see if I can  
Who is this fiery maiden?  
Renuka, junior reporter of Bharath vision  
A beginner's enthusiasm  
- I must see how you will  
- Let me go  
You useless, behaving atrociously, eh?  
You...!  
Hey, that was great  
You arrogant girl!  
You! You dare lay  
hands on a policewoman  
You fool! Aren't lady-police  
assigned to deal with women?  
Why do you interfere?  
Throw him into the police van, the dog  
You dare to lay hands  
on media persons, you pig?!  
Let me go

Kill him, this son of a gun  
- That's Venu sir  
- You mean, Reuters Venu?  
Sir  
And then?  
What?  
You saw DySP Somarajan  
pushing away the reporter Renuka  
And then?  
Very calmly and  
full of respect, I asked him  
Sir, is it right to do such things  
to a girl, that too, to a media person  
He said who are you  
to ask me such...come here  
And gave me a slap  
And a kick here...here on my chest  
I don't remember anything else  
Note it down  
The certificate is ready  
You go and take that  
How are you?  
Are you in pain?  
Sure, I'm covered by insurance  
He asked, if you are in pain  
- What?  
- Pain  
Pain, yes it is paining  
This thing blocks and I'm unable to hear  
Removing that is not going to help  
He'll never be able to hear again  
I hope there is nothing  
seriously wrong, doctor  
Ear drum is totally damaged  
He'll have to use a hearing aid  
Explain it to him gently  
Okay?  
Look here, just take it easy  
What?  
Don't get agitated  
You'll be a little upset on hearing this  
But how can I tell you this,  
in any other way...?  
Doctor just said...

What's this, dude?

Like some melodrama in cinema

With broken words, it is cancer

Its blood cancer, brother...

Tell me whatever it is

you dumb fellow!

I'm not dumb

You are the one now, deaf

Your ear is gone forever, dude

Hereafter, we must fix that thingy

A hearing aid, that's what I meant

So, this is a goner!

Once, the artist Van Gogh

chopped his ear off, for his lady love

My dear girl, I've just lost it for you

without love or any such moonshine

Be grateful, okay?

Gratitude

- That thing which you said...

- Gratitude?

No, this love

It can happen even now and

everything will fall in place

- Will that happen?

- It's already too late

- Then go get a taxi

- Okay

Get lost, dude and

stop weaving stories

Venu!

My God! You should have

seen them after that incident

It wasn't love,

they just took off on a high!

I, was the reason for that love to begin

Since I am not there in the rest of the story

I'll say, okay good night

Good night

And then?

And then...

Where were you?

The press meet is about

to begin, I'll call you back

Hey, it's urgent

It's an exclusive  
Needs to be  
shot immediately  
What is it about?  
I'll explain  
Come quickly  
I am waiting outside  
Monacha, I've got  
an exclusive, I'm leaving  
Shouldn't I come  
to cover the event?  
This is being covered by Venu sir  
Reuters Venu, accompanied by, Renuka  
Come, get in  
- What is so exclusive?  
- I'll tell you everything  
Which is this place?  
Guest house of Kelvin Joseph  
He is the guy who is  
funding Rishi's new channel  
Didn't you say  
we have something exclusive?  
Yes, there is no one else here  
Only 2 of us, exclusive literally, come  
- Come on, I say  
- Venu  
Let me go  
Come  
What are your intentions?  
Dishonorable ones, of course!  
Sure! Go climb a wall!  
Oh! That!  
No! Please no...not before marriage  
Isn't that what you mean?  
Well, I have no such inclinations  
Then?  
Why that disappointed  
expression, when I said that?  
Aiyada! Disappointment!  
Do you know to cook?  
- Sure, to an extent  
- Okay  
- Where's the kitchen?  
- Over there

What do you prefer?

Tea or coffee?

Before that, by the way

have you heard my song?

Song?

Music track, karaoke

In our future lives, very frequently

we have to face 2 gigantic issues

Your cooking and my music!

Let's begin our interaction

from that point

As rays of the fading evening sun,

I lay sprawled on the shores unrestrained

Swinging your little tender arms, dear

On a little boat you rowed, my baby dear

Tear drops never fell but brimmed

Eyes that glistened with tears unshed

Memories, like a wick of lamp burning

not feeling the heat of the flame brightening

Oh, why did you leave me and go

My sweet little chirpy red sparrow

I wait on these shores for you on and on

My desires like roots spread far and yon

As rays of the fading evening sun,

I lay sprawled on the shores unshackled

Swinging your tender little arms, dear

in a boat you rowed away, my baby dear

As the wheels of time and age

Turned around on earth's heritage

As flowering trees and young Laurel

grew and changed beyond recall

As before my eyes this little stream

faded out of sight, never to be seen

I turned into a golden sand boat

that didn't have water to go afloat

As rays of the fading evening sun,

I lay sprawled on the shores uncontrolled

Swinging your tender little arms, dear

in a boat you rowed away, my baby dear

Adorned in anklets on feet so pretty

Bangles aplenty on hands so dainty

A garland, you once gave me

with blossoms of Mimusop's Elengi

Festivities, dance of warfares

Long over are the temple fairs  
A sentinel I stand in a temple forsaken  
Like a burnt out black stone lamp alone  
As rays of the fading evening sun,  
Lay sprawled on the shores unrestrained  
Swinging your tender little arms, dear  
in a boat you rowed away, my baby dear  
As rays of fading evening sun,  
sprawled upon the shores unrestrained  
Swinging your tender little arms, dear  
in a boat you rowed away, my baby dear  
As rays of fading evening sun,  
Lay sprawled upon the shores unrestrained  
Swinging your tender little arms, dear  
in a boat you rowed away, my baby dear  
Go climb the wall!  
Cruel fellow!  
And then?  
Why mood off, sir?  
A kind of sadness?  
He's sad that  
he can't have a baby  
Haven't you heard?  
Sorrow of being childless  
What do the doctors say?  
No use!  
No use at all!  
How can a baby be born  
when we didn't have a chance?  
Cruel she-devil  
Witch, hellcat!  
Cheater!  
Da! You don't say anything  
I will, she cheated me also  
I will tell you, the rest of the story  
It was when, I quit Bharath Vision  
and started my own channel, the NBI  
It was 2 or 3 days  
before its launch  
The day before these lovers  
tired after love making...  
...decided to get married  
at the registry office  
Well known NRI businessman

and MaIayaIee Rajan Kartha nominated...  
...as Rajya Sabha member from Kerala as  
decided by Democratic party central powers  
State party president and possibly future  
Chief Minister, Bharathan Pillai...  
...overcoming objections  
of other parties in Kerala...  
...vouched for Rajan Kartha's nomination  
When Kerala does not have  
a single candidate or MP...  
Rishi, this is a good omen  
Which one?  
Our channel is taking off, at a time  
when the situation is heating up with news  
Our channel won't have  
any dearth for news  
That's true, but actually it's not  
the way you think it is, Jose'aettan  
From today, all channels will focus on  
Rajan Kartha and Bharathan Pillai  
But we will wake up in 2 days with  
an exclusive story that'll divert viewers  
All other channels are baffled  
What's the story?  
We'll just decide what to air  
We have 2 more days, right?  
There is 1 which could be  
most exclusive, we can't ignore that  
Venu!  
Ah! Has the bridegroom arrived?  
Don't you know him?  
Venu  
Who doesn't?  
- Kelvin Joseph's partner  
- I know him  
Don't splurge all your money on him  
although he may convince you  
Come  
We are getting married tomorrow  
But not inviting you,  
it's a registered marriage  
Rishi did mention it, congrats!  
Thanks  
Give it to me

Dude, it's only a signature tomorrow  
Don't take away Renu, for another month  
She is my sub-editor  
Come down to earth dude, just beginning  
and thinks he's already a channel bigwig  
Go, go  
Dad wanted a proper wedding  
Find someone else then, to stand  
well decorated and smiling...shall we?  
I just mentioned dad's wish  
Let's find someone for dad then  
Will your mom allow it?  
God! What a thorny tree  
Am I a thorny tree?  
Am I not a flower, hmmm?  
Hey! Can't you wait till tomorrow?  
I've reached limits  
of my patience, dude!  
Rishi come here,  
I'm reiterating what I've always said  
I'm not investing, to strut around like  
a channel owner, it's only for business  
I have no allegiance to  
any particular religion or party  
Ratings, commercial  
value of news, that's all  
Also, I'm giving you  
the freedom you've always wanted  
Correct! Even otherwise  
who are we indebted to?  
A man comes home, freshens up  
waits for his kids to sleep, views TV...  
...for 2 hours, the programs and news  
for which we have toiled and sweated  
Ask him to get lost, I say!  
Sheer attitude problem  
Let's see you like this always, okay?  
Sure, if this attitude shifts...  
...I swear I'll work for you,  
for your channel, for what you pay!  
Renu, its Manilal here  
A shocking exclusive!  
I got this information, just now  
Okay, Mani

Venu, something important, come  
Rishi! Can your channel  
go on air today, tonight?  
We are on to an exclusive  
which nobody may get  
Yes or no?  
Yes of course!  
Listen, we are going on air  
tonight itself, get everything set  
The promos have to start  
by today evening, 6:00 PM  
NBI will be launched tonight at 10:00  
with news, that's going to shock Kerala  
Promos have to start  
on internet and FM Radio  
Rishi, seeing the promos,  
people will wait for the shocking news...  
...but what if the info is wrong?  
We already have 4 other stories  
that will shock, we'll start with any of them  
Forward this now itself to play up  
Okay  
What is that?  
Usually used in surgical procedures  
It will enter any body organ  
or even the intestines, to shoot  
But why, for our purpose?  
AV details will be, clear  
as crystal, high resolution  
Have you prepared  
your introduction lines?  
Let's shoot it here  
in the vehicle itself  
Do we have to?  
It must be your face before the visuals  
You won't get any benefit otherwise  
Okay  
Ready, rolling  
In India, people worm into political and  
law making infrastructures of this country...  
...out of sheer power of money, one such  
shocking scene, we invite you to witness  
Candidate for Rajya Sabha, Rajan Kartha and  
Bharatha pillai Democratic party president...

...caught in the act with crores  
of money changing hands, watch it!

I hope we get to see all  
what was just said

- Camera

- Sir

Here, take it

- Pan rights

- Okay, sir

- Okay sir?

- Okay, fine

Sir, this has come back after repair

Where shall we put it?

It was taken from the office room

Keep it back there

Why does he still have this old fridge?

Can't he buy a new one?

That's our Bharathan Pillai sir

Such humility and modesty

Varghese, I am feeling very tired

Shall we meet tomorrow?

Okay, sir

Okay, leader

Okay, we are leaving

Okay, everything

as we'd already planned

He is Kartha sir

Come, come

- Greetings

- Greetings

- Varghese, don't allow anyone in

I didn't have much hope

till the decision was made

Party members

protested so vehemently

They raise a hue and cry

only here, none of it reaches Delhi

Isn't that why I extended

my hand, when you asked?

Now, where is that stuff

which must reach my hand?

Oh that, yes!

That is ready

True, it's the key to your fridge

I took it by telling Varghese,  
it needed repair  
The entire amount  
you've asked is here, count it  
This will cover only  
the Rajya sabha seat  
The crown of a central minister  
is on its way, don't forget that  
I shall continue remembering it  
like this, all the time, isn't that enough?  
Sure  
Sir is returning  
Get the camera  
Renu, take it  
Come  
Where?  
What is it?  
Sign off, it should be with  
Pillai's house as a back drop  
This is Renuka, with cameraman Venu  
from Bharathan Pillai's residence  
Come  
Police!  
Don't drive off immediately!  
Go straight ahead, there is  
a round about, take a right and ask there  
Now take off!  
Hey! Come here  
Who are you?  
Why are you  
prowling around here?  
Nothing  
Who was in that vehicle?  
They asked for directions  
and I told them  
Hello?  
Chief Inspector, Anthony  
What is it?  
You wanted to see me?  
I am right in front of your house  
We've caught a man  
who looks suspicious  
Looks like a journalist  
What?

A journalist?  
Reuters, BBC  
Delhi based  
Not any local channel eh?  
What were you planning?  
Look sir, this is wrongful confinement  
How can you hold me like a criminal?  
I am a media person  
with a national rating  
Okay! How many policemen know  
what Reuters means in our town?  
Please wait outside  
Venu, sit please  
No thanks  
What was the information?  
What did you see and shoot?  
Open your mouth  
and tell me, you...!  
Hey, be quiet!  
What you've guessed  
was the information we got  
Later, we realized it was false  
How?  
Karthi sir came in  
with nothing in his hand  
He did not carry any briefcase  
or bag which could contain money  
- Sir  
- What is it?  
Police chased and caught the van  
We've got a wireless message  
And?  
The van belongs  
to NBI, a new channel  
It is all set to launch tonight  
Flash news is appearing on TV right now  
Nothing was found from the vehicle  
Only the driver was there  
So the van was allowed to go  
NBI, News Bureau of India  
Launching tonight at 10:00 PM  
With explosive news

**Tonight, at 10:**

Will their news shock us?  
Come on, tell us  
If it is something like that  
you can demand and we'll fix a deal  
I'll lavishly give it all to you  
It's only 5 minutes more, tell me  
I don't know  
I really don't know, sir  
Varghese, get an ambulance ready  
So as to reach here, in just 2 minutes  
Hello?  
Yes, Bharathan Pillai  
Who was it?  
- Don't know, got disconnected  
- Call him back  
Now it is switched off  
Greetings, good evening  
NBI, News Bureau of India  
No need for introductions  
for news, that's true and authentic  
In the same way NBI  
without introductions  
From this minute, for you, from today  
As a brand new channel, naturally  
we come to you, with exclusive news  
Confessions, we have seen them  
many times on channel screens  
But here is a secret which will  
shock Kerala, truth brought by a priest  
In 2003 there was a sensational...  
Sorry Venu  
Sorry for the inconvenience  
Varghese, drop him  
wherever he needs to go  
Sorry  
What the heck did you build up to?  
Was it only me?  
Who asked for an ambulance?  
If the news was true  
we had to shift stuff from here  
What will I do with that cash?  
That was the reason  
Who is this priest?  
Who knows?

A sinner who is not penitent  
deserves to be punished  
Rishi  
What happened?  
Where is Renu?  
You returned  
together, didn't you?  
We waited for you till the last minute  
When you didn't come, we aired another story  
Tell me what happened?  
I sent her off at 9:00 PM  
With the footage we shot  
And then?  
Do you think she could be hurt?  
No! Don't panic!  
Nothing will happen to her  
Why don't we air  
this issue now itself?  
Rishi look!  
Candidate for Rajya Sabha, Rajan Kartha and  
Bharathan pillai Democratic party president...  
...caught in the act with crores  
of money changing hands, watch it!  
How can your program on  
confessions have any effect...  
...when such explosive news is being aired?  
This channel was a dead baby  
even before it was born  
Even a launch program  
couldn't be done confidentially...  
...and I've wasted my money  
Enough, just wind up now  
This is Renuka, with cameraman Venu  
from Bharathan Pillai's residence  
- Sir  
- Where did you drop her?  
Sir, at the over-bridge  
Another car came and she got into it  
Let's go to Bharath Vision  
Move man  
You are finished!!!  
You are no more!  
Over! I'll just think you died  
after turning insane!

Hello?

Venu, you dragged and threw me down  
from a very great height

I called to let you  
know my happiness

A deep wound and the sharp pain  
When it heals, only I'll feel it  
But be sure, you also will know it  
Democratic party after its meeting...

...decides to strip  
Bharathan Pillai's presidential position  
They have also requested vigilance...

...to start investigations  
against Kartha and Bharathan Pillai  
Oh that was a terrible thing to do!

Doesn't matter

Forgiven

If I was 1 day late, I would've had  
to stand in a queue at the family court  
I've forgiven!

I will not forgive!

She ruined my NBI

He wasn't referring to you  
Bharathan Pillai would have  
been a Chief Minister today

Today he's just  
a state committee member

The rotten corpse!

It's 5 years since we heard  
anything about NRL, Rajan Kartha

- Da!

- What is it, da?

They are all his people

Send them away, quickly

I'm hungry, where's your bike?

Da?

Did you pay salary to your staff?

- Yes I did

- How did you manage?

Did you get a windfall?

You refused to loan me

So I sold you

How?

We got incriminating

footage of that DySP Benny  
Some youngster shot it at some resort  
I showed him the footage and  
threatened him, mimicking you  
Rs 3 lakhs  
Stop!  
- Stop!  
- Don't punch me  
Stop the bike!  
Aiyo!  
I'll kill you  
Can't I use your name a bit?  
This has a different name  
You want to see...?  
Will an action do?  
- Have you gone away?  
- I am here  
I will use you also  
Don't do that  
I am not like that  
What's happening?  
Police!  
Why are you dancing  
in the middle of the night?  
We were just exercising  
Exercise? Middle of the night?  
Put them both in the jeep  
Wait!  
I will come by myself  
Do I have to repeat it to you?  
You'll face consequences  
if you lay your hands on me  
Tomorrow, all channels will carry  
your stupid face, as its cover story  
Beware! You are playing games  
with Reuters stinger Venu, got it?  
You may be big people, but when you  
play such public games, what shall we do?  
Oh, so what shall we do?  
Sir?  
This is his usual drama  
Any time police catch him  
or gets into any other issue...  
...he will immediately say

that he's big-wig of a channel  
He's nothing of that sort  
Does video coverage, of weddings  
Da!  
I will come  
Walk quickly, man!  
Come in  
Move aside!  
Francis! Get their bikes  
to the police station  
Put in a liter of petrol also, okay?  
Get up, I say  
Get up  
What's happening?  
This man is a nuisance  
He brought the bench  
from the veranda to sleep here  
Lock me up  
Or, I will sleep here  
I always sleep at ten  
after a glass of milk  
Go  
This is sheer menace and  
I already wrote out the FIR!  
If you want to get out  
get someone to bail you  
We don't have anyone, sir  
We are orphans  
We are from the public orphanage  
Sir?  
Please switch on that fan  
Do you hear him?  
Switch on the fan  
Who is it, middle of the night?!  
If it is anyone important  
ask him to call tomorrow, I'm off to sleep  
Hello, who is it?  
Isn't this the number of Venu  
stinger cameraman, of Reuters?  
Who is it, sir?  
Is it from the orphanage?  
Hello?  
I am advocate, Manilal  
What is the case?

Counsel, it was a mistake  
Please ask him to overlook this  
My police pal, see what happens  
when you confront me, at midnight?  
- Did you see now?  
- Heard now?  
Thanks a lot  
Venu?  
I've been trying you from  
last evening but couldn't get through  
Who are you?  
I am advocate, Manilal  
I have something to tell you  
What is it?  
It's about an exclusive  
However important it is  
I'll see you tomorrow...  
...when I am fresh  
Come let's go!  
So tell me, what is this  
exclusive, all about?  
An exclusive like this won't ever occur  
in the history of news channels again  
A story that has  
to be shot risking life  
I've risked my life many times  
Forget that, come to the point  
I will, but before that, I want  
a firm affirmation from you  
This exclusive info was got  
from a particular channel  
The story has to be  
covered, only for them  
Their reporter will accompany you  
Do you have any objections?  
Once I disclose information  
You can't go back on your word  
Mr lawyer, I do follow certain ethics  
If I give my word, it is forever  
So you agree?  
Agreed  
But I'll be the one to decide  
what to do and how to do it  
Okay, agreed

Now I come to the actual point  
What you have to cover, is a murder  
The murder planned, is on behalf  
of a well known politician of Kerala  
Sorry! I cannot do this  
Hey! Venu!  
Please!  
A life is more important  
than a piece of news  
Since we have info,  
we have to try and save him  
It may lessen the news value, but  
ratings mustn't depend on blood spilt  
Venu, let me explain  
It's not my urge to make money  
by 'live' coverage of a man's death  
He can't be saved by anyone  
even if it's reported to the police  
Because, Bharathan Pillai still dictates,  
even though, he's not yet Chief Minister  
- Bharathan Pillai?  
- Yes  
This murder will  
take place on his behalf  
We can't prevent it, can't we at least  
make sure the culprits don't escape?  
Okay, so who is the victim?  
A man in Bharathan Pillai's group  
We don't know who or what...  
What rubbish is this?  
I can only assure you  
this information is 100% genuine  
Tell me the place, time and date and  
who is the reporter, coming with me  
Renu?  
This woman?!  
Find someone else!  
Lawyer, drop me back!  
Venu, listen to me  
You can't go, you agreed...  
...I disclosed info because  
you claimed to have ethics  
Did you tell me beforehand  
this useless creature was coming?

You only said some reporter  
Didn't I warn you to disclose info  
only after telling him everything, Chey!  
Think it's not Renuka, but a stranger  
X or Y, with a professional approach  
I am totally professional! Such a risky job,  
I need someone who gets with me  
Petty personal issues  
mustn't come in the way...  
...of this exclusive with  
such strong social impact  
We don't have any option, but Renuka  
Venu, you can insist on  
whatever conditions you want  
Please  
Please Venu!  
Okay  
These are my conditions  
I'll be the sole decision maker  
Reporter X or Y is not allowed  
to make any suggestions  
Sure  
A DSNG van, without any crew  
must be at my disposal  
Okay  
Visuals I 'UP' has to be aired, unedited  
With no interference in it, whatsoever  
Agreed  
My remuneration alone, is Rs 10 lakh  
- Here, it's got more than what you've asked  
- Let it wait, there are more conditions  
Visuals must accompany  
a scrolling script...  
'Visuals exclusively covered  
by cameraman Venu'  
No intro or sign out by the reporter  
Agreed  
You have 12 hours to plan  
and prepare, Renu knows the details  
Okay  
The baton has now  
shifted into your hands  
Venu...Renu?  
Shake hands on this

Not necessary!  
What's this? You'll be  
working together hereafter  
Be professional  
Venu please?  
Keep the cash in the car  
You have neither an intro nor sign off  
Why the hell are you tagging along?  
Suppose you run away with the footage  
as a revenge for the old grouse?  
There is only 1 creature on earth  
who'd do such things, and that's you!  
I forgot to tell you, DSNG receives  
poor signal at the crime spot  
Even if it did, we cannot  
go there with the van, right?  
Oh, you are right  
Okay, now both of you  
can chart out a plan  
Not 'both' of us  
Only me!  
- Shall I suggest something?  
- No!  
- Listen first  
- Not necessary  
Don't get into a fervor  
and try to save the victim  
You must be so blood thirsty!  
Cruel she-devil!  
Murder will occur even if we interfere  
and finally we'll become defendants  
- Are you sure?  
- Very sure  
Then I will surely interfere, I don't care  
if I'm accused, you'll also go to jail  
Come on, be serious  
You want me  
to be serious? Really?  
If I did, you'll be lying  
in ICU, very serious  
There are arrears  
in plenty against you  
No need to contribute, be quiet  
and just allow me to do my stuff

To hell with you!  
Lean back and sit without  
touching me, especially your bust!  
You dirty...chi!!!  
Turn left  
This is the club house  
Here? In such an open area?  
Disputed property  
Government acquired 15 years ago,  
not even a watchman will be here  
What time is this  
crime scheduled for?

**Between 8:**

Is it a favorable time?  
Like they fix in weddings?  
Come here  
Are you scared to be alone?  
I am going up there  
A little  
Then wait right here  
After some time,  
your fear will increase  
If you make a sound,  
I'll kill you with one blow!  
Hey!  
What is it?  
A rat!  
Rat?! I'll stuff cloth down your throat!  
Not a sound from you!  
Don't scare me,  
you she-devil!!!  
How did you come up?  
I too learnt martial art  
Kalari, for 6-7 years  
Look...a car  
Let me go, don't kill me  
I begged forgiveness at his feet  
Take me to him  
You are great man  
Sir will come to meet you here  
Don't hurt me, please  
Let me go  
Leave me

Let me go  
Don't harm me  
Leave me, aiyo!  
Don't harm me, sir  
Didn't I confess everything?  
Will your confessions  
give me back, all what I lost?  
My image, position, the days I spent  
idle at home, since last 5 years  
Suguna, to you, wasn't it  
just an itch on your tongue?  
When you betrayed us  
to the channel you knew very well...  
...it would cost me  
and Kartha our political careers  
Let me at least have  
the joy of deciding your end  
Sir, don't kill me  
Take him away and hang him  
Hello, Venu?  
Ready?  
I am going to upload  
the footage of the visuals  
You have to 'UP' it with  
the scrolling script and your logo  
Okay  
When you switch on, I'll go watch TV  
in some place, any editing, remember...?!  
Okay Venu, there won't be  
any interference from us  
Yes! Venu's footage will come now  
UP the scrolling script along with it, okay?  
Get ready with camera  
DSNG crew and everything  
We've got to be in front  
of Bharathan Pillai's house  
I am going to that  
restaurant to watch TV  
I want to see if they have  
messed with my visuals  
Be right here, till I get back  
A true and shocking incident  
that occurred a few moments ago  
Prompted us to air this special bulletin

Brutal visuals we have never seen before  
Democratic party leader Bharathan Pillai's  
Cruel revenge against party member Sugunan  
Don't harm me, sir  
Didn't I confess to everything?  
My image, position, the days I spent  
idle at home since last 5 years  
Suguna, wasn't it to you  
just an itch on your tongue?  
Don't kill me  
Take him away and hang him  
From the place of incident  
this is Renuka with camera man, Venu  
Get down the way you came up  
Sure, give me the bag  
I will throw it down  
From the place of incident  
this is Renuka with cameraman, Venu  
You...!  
Isn't it them?  
The camera man and reporter?  
Sir, this is really amazing  
Did the 2 of you really shoot this?  
- Is his body still hanging there?  
- Maybe, let the police enquire  
- They must have shot it, hiding  
- No dude, he shot it right from the front  
They wouldn't be alive  
if they'd been caught by those thugs  
Sir, we are on our way  
to Bharathan Pillai's house  
If Pillai resists arrest  
we'll have to use force  
We've sent our forces  
to the club house  
Once the body is traced and identified  
we'll immediately go in and arrest, sir  
Look! Bharathan Pillai's house  
Police have come to arrest him  
After watching visuals of  
Bharath Vision's exposure  
You are seeing here  
the frenzy of people  
We also know only

what was shown on TV  
Police have already gone  
to the place of the incident  
Let us trace the body first  
after that we'll take necessary steps  
Will there be any arrests, sir?  
We cannot say, at this juncture  
We'll let you know by and by  
Move!  
Arrest the murderer  
Stop!  
Stop!  
What do you want?  
Pelt stones till I die?  
Go ahead  
Do it, kill me  
No need for police and courts  
You have the right to punish me  
Before that, you have  
to know certain truths  
You don't have  
to say any darn thing!  
We saw everything on TV  
Just answer the police  
when they question you  
Varghese!  
Look! There's the dead man!  
Whatever I have to say  
is here, for you to see, 'alive'  
It was him, it seems  
who I killed and then hanged  
What more can I say?!  
Ask him whatever you want  
Mr Suguna, what do you have to say?  
I don't know anything, I too saw it  
on TV, Pillai sir will tell you the rest  
Mr Pillai, what do you have to say?  
I don't understand why that girl  
and cameraman have enmity to me  
I also have no idea  
how they created such visuals  
I am not a technical expert  
You remember, 5 years ago  
the same team hunted and...

...pinned Kartha and me down  
with a bribe charge, using visuals  
I couldn't prove anything then  
Break and destroy Bharath Vision!  
Come, dude!  
Damn his hidden camera!!  
Wait there! You can't go  
after creating controversies  
Go, get into the van  
without gaping, you idiot  
Don't let them go  
Come on, climb  
Abu! Van!  
Move  
Burn it up!  
Turn right, we'll go to  
Bharath Vision  
Turn right  
It's safer there  
What?  
Turn right  
We'll go to the studio  
Don't utter a word  
What do we do at the studio?  
Move aside  
Where is he?  
Come  
I don't know what happened  
The original footage...  
Enough! Stop  
- I was just talking to the home secretary  
- Later  
- Let me discuss this with my legal advisor  
- We'll get him to the police station, come  
Move aside!  
Get down!  
Today, some shocking visuals  
of a brutal murder that stunned...  
...the conscience of Kerala  
were aired by Bharath Vision  
But soon after that, within minutes  
the man who was claimed to be killed...  
- I am Venu  
- Where are you?

-Are you in your apartment?  
- No, at the studio  
I am right beneath  
your apartment  
Right below my apartment?!  
Don't you dare go there!  
I'll kill the 2 of you  
You went to favor Bharath Vision  
Exclusive it seems!  
Go, take her also along  
I can't do anything for you  
Tell me where the keys are, vagabond!  
Only you can go in, not her  
I'll decide that, now tell me  
where is the key, useless!  
On the window sill  
Don't open the door to anyone, I'll be  
ruined if anyone knows you are in there  
Look, you don't broadcast this, okay?  
I'll kill you, if you do!  
Get inside, you...!  
Oh Lord, am I fated to die  
without a drop to drink?  
Protestors from Bharathan Pillai's house  
were uncontrollable by the time...  
...they reached the Bharath Vision studios  
Police arrived and stopped them while  
breaking the glass and trying to barge in...  
...and on charges of  
telecasting false news  
...they arrested CEO  
and 1 of the directors, Vijaykumar  
His granny's information!  
He has to be kicked, the pig!  
It was I who got the information  
Not Vijaykumar, sir  
What?  
It was I who was informed  
Tell me, who gave the info to you  
Come on tell me  
Go on  
It was the lawyer, Manilal  
So he was the one who betrayed, eh?  
He is innocent

I know very well  
Not innocent (actor)  
Idavela Babu (actor)  
How can you trust him?  
Is he God, or your dad?  
He's my cousin, all exclusive info  
I've covered, were based on his tip-offs  
His info was always true  
including the bribe case  
Manilal will not betray  
Pillai deserves a bouquet  
He retrieved all he'd lost on a single night  
At the same time, made us go into hiding  
Yes, now I can hear  
Mr Bharathan Pillai, the incident at  
the club house being proved false...  
...are you now claiming that  
the bribe case charged on you  
...and Kartha 5 years back  
was totally baseless?  
Didn't the truth  
come out by itself?  
Now let the central committee  
decide what I should do  
I've suffered for 5 years, in spite of  
not having committed a single crime  
The people and party members  
who rejected me then, are now with me  
I'm sure the central  
committee will realize this  
Thank you  
High hopes! I didn't hang that fellow  
to get an award for good behavior  
Let them bring it back  
All what they took away  
The 2 of them are in a pathetic state  
Must be hiding, not knowing what to do  
Renuka along with camera man Venu  
Dude, this is simple straight math  
Anyone with an ounce of brains  
can decipher this move, let alone Venu  
The credibility he'd destroyed  
I managed to get back  
Now to ruin their trust and careers

I'm taking the same route, a silent chase  
Sir, but isn't there a risk?  
Will he not come after you again?  
Of course he will  
But not immediately, Varghese  
They will not get out  
until this noise dies down  
I too gain time that way,  
because by then...  
...I'll occupy the chief minister's chair  
Let them come after that  
- Here, use onions  
- I don't want your onions  
Don't show your craving  
- I never asked  
- I won't give, even if you ask  
Shhhh!  
Someone's knocking  
Some one's outside  
Sure, there is someone  
Greedy devil!  
Thanks  
Ask them to come in  
Burn it all up, dude!  
Sir, this is Venu's I-Pad  
All the visuals are in this  
So we've got all  
the original footage  
- Yes sir  
- Good!  
Settle their accounts  
Having been proved  
that the visuals were false...  
Police have charged a case  
against Venu and Renuka  
And they are on the lookout to find them  
The sooner they are...  
Switch it off, I say!  
Says the city police commissioner  
What do we do now?  
Think! If you get  
a brainwave, tell me  
We need to know  
the legal consequences

Shall I call Manilal?  
Who am I, to ask permission?  
Your husband?  
My phone was lost in that DSNG van  
If you give me your phone, I'll call him  
Call him with the speaker phone  
switched on  
I want to hear what he says  
Okay  
Don't tell him about this place  
Stand near me and call  
Hello?  
Mani, it's me Renu  
Where were you?  
Couldn't you call?  
I was so worried  
Don't ever be caught  
by the party men or police  
All of them are in a frenzy  
Tell me, what can  
happen to us, at the most?  
If you are caught  
it will be a big problem  
Once arrested, you won't  
get bail for 40 days  
I'll tell you a way out, because  
I'm concerned about you  
The 1st one, who's caught  
gets 40 days in lock-up  
When the 2nd person surrenders,  
it'll be for just 1 or 2 days  
You will surely  
get bail, being a woman  
Why take a risk?  
Get him caught somehow  
Tell me the place,  
I'll take care of the rest  
Don't glare at me, he likes me  
He must've said that, to save me  
Your Mani...I'll...!  
You and your people  
are all of the same kind, cheats!  
Didn't you move away  
from me, to talk in secret?

I've been told the FIR  
has not yet been written

Yes

Tell me, you want to be  
defendant or a witness?

There's not much time  
isn't it, Anthony?

Yes, sir

Let's say, you trusted Renuka  
and aired the visuals from Bharath Vision

You neither knew anything nor  
did you entrust Venu this job, that's all

Bharatha Vision can continue  
functioning as usual from tomorrow

What do you say?

Where are they?

Venu and Renuka?

They are on the run

Don't you know?

We have decided

not to run after them

Sorry sir, but I'm running after them

Was it for this show-down

he was brought to the police club?

No sir, the commissioner

wanted to question...

- No!

- Sir!

You never asked me

why I was running after them?!

I have my doubts, as to why

they wanted to create a footage...

...of a man being killed

when he actually was not

So I thought I'll ask them directly

Benny

You must find them, quickly

Time is running out, for me and you!

You heard that?

**Today's 10:**

has to be neutral

But stress on, Renuka's thirst  
for exclusivity and popularity

Okay, sir  
And Venu, just a camera man  
who covered, what she asked him to  
See that you protect him  
If possible, we'll drop a bombshell  
An exclusive interview with Venu  
Is it to be here, in the studio?  
You...! Go get your text  
ready for the evening news!  
Go, all of you  
Dumbo! But not when  
he doesn't get his pay!  
SP Somarajan sir is calling  
Sir?  
Rishi, Police may raid your studio  
Their intention is to catch Venu  
Come, we have work to do  
If they begin to shoot  
take away the camera  
Return it only after  
removing the footage  
- Indhu, is the sound ready?  
- Ready  
VCR must be in position  
Only the indicator must be seen  
Don't allow anyone to enter or exit  
What is it, sir?  
- Where is Venu?  
- Which Venu?  
How many Venu-s do you know?  
Indhu?  
Call Venu  
What is the problem, sir?  
Don't harass him, innocent chap!  
Sir, there's Venu  
What is it sir?  
This...!!!  
What is it, sir?  
Are you making fun of me?  
Where is he buddy, the Reuters stinger?  
Why would he be here?  
He must be at Bharath Vision studio  
Don't play your games with me  
I'll deal with you good and proper

Tell me! You must know  
His 1 and only friend, right?  
Sir, leave his collar  
Look, it's going on 'live'  
Live?  
Mr Rishikesh, as a responsible channel head  
shouldn't you be helping the police?  
Get lost, you useless!!!  
Sure, I'll help you catch him, you...!!!  
How can you behave like this?  
Sudhi, cut Rishi's audio  
Now onwards it will be  
a shower of swear words!  
Ouch!  
Okay, let me know if you get info  
This is my number, here  
Okay, see you then  
Sure  
Sir, watch out, these rascals might  
put a camera even into our inner wear  
Indhu, audio on  
The competition for exclusive news  
may have put Renuka into this jeopardy  
What you saw now, is how,  
based on past events...  
...police are treating  
the entire media community  
This is what DySPBenny Tharakan  
wrote, just before he left the studio  
I'll deal with you outside, you dog!  
In case you don't see me on this channel  
you can conclude, I'm in police custody  
We are on to fresh info about  
the telecasting of false news issue  
The police who are on the look out  
for Reuters stinger camera man Venu ...  
...in connection with the controversial  
murder footage, will join us online now  
Hello Venu?  
Sorry, our technicians  
will soon connect us  
Hello?  
Venu?  
Can you hear me?

Send me at least  
a bottle of brandy, you fool!  
Hello?  
I'm going insane, there's nothing  
to booze, you miserly vagabond  
Hello  
- Can't you hear me?  
- Yes, I can, tell me Venu  
What actually  
happened that night?  
What else, it was just  
a drama by that Pillai  
I must be kicked  
in the butt for falling for that...!  
Hello, Venu?  
You vagabond!  
In this situation  
what have you got to say?  
There are unscrupulous fellows  
amongst us, who use personal phone calls ...  
...of even their closest pals  
for exclusivity  
If that attitude changes  
we can be free of such issues  
Thank you, Mr Venu  
A short break before  
we move on to other topics  
Sir, Kakkanad, Skyline apartments  
Sir, we've traced his hide out  
Skyline apartments, at Kakkanad  
Very good  
But we couldn't trace  
the floor he occupies  
We'll enquire if any media person  
resides there and search that first  
Da! I've favors saved up, to return to you!  
You sold me, on 1st chance you got, right?  
Forget it, your phone call  
was traced and police have located you  
Somaraj sir informed me, they'll be  
there right now, so go away from there  
Where will I go at this time of the night?  
Just move from there for the time being  
I'll find another place and call you

Where are you going?  
Police have traced us here  
They'll be here at any moment  
Oh Lord!  
One minute, I'll go  
to the john and come  
I can't bear it any more  
What?  
Please stop!  
What for?  
What?  
What is it?  
I want to pee  
Oh! This will be our ruin!  
Couldn't you finish it at the apartment?  
You locked the door and  
took off before I could, didn't you?  
Get off  
Please  
Chey! That was an ambulance  
Where is the bike's key, you...!?  
Here  
You were trying  
to get me caught, right?  
I did that, so you  
wouldn't leave me and go  
You cheat! Don't lie  
I know...you didn't go to pee  
Chey! Get lost da!  
You dare say,  
'get lost, da' to me?  
Didn't you start the bike  
to go off and let me get caught?  
I thought I'll be ready  
by the time you come back  
Why did you lock me up in the flat?  
So what? Yes I did!!!  
To trap you, now what about it?  
Sure, I too did the same  
One of us must give ourselves up  
We can't live like fugitives, under pressure  
I am not giving myself up  
without finding a solution to this  
Then drop me at

the police station and go  
Don't start being sentimental, okay?  
Sentiments?! Sure I don't have any  
Remember? Only popularity mania, right?  
Look, no flashbacks, okay?  
Pouring oil on troubled waters!  
You are a reporter, me, a camera man  
That's all, now get on the bike  
Unless this is solved  
we are not surrendering  
A hideout is ready, take the 1st left  
after the Alpuzha Nedumudi bridge  
After about, 1 .5 km  
you'll see a wooden gate  
I'll be there, with Abu  
Okay  
Who was it?  
Rishi  
Hi  
Come dude, this summer house  
belongs to a friend, he's in the USA  
Come  
I'll come back  
tomorrow morning  
What?  
I'll be here in the morning  
with clothes and a hearing aid  
Buy all newspapers  
you can lay hands on  
I have news for you  
Bharath Vision has  
denounced both of you  
Vijaykumar presented it  
on the late night report  
Tell this to her tomorrow  
- It's not over  
- What else?  
News from Delhi, your job  
at Reuters has been terminated  
What else?  
Nothing much  
Bharathan Pillai is being  
considered for CM post  
The central committee is meeting

Swearing in may happen soon

- Okay

- See you, dude

Abu

These clothes are for them

Da, give me those newspapers

- These are clothes for both of you

- Thank you

Here's your hearing aid

Rishi, the original footage  
is missing from the DSNG van

Without that

how can we prove the truth?

That's how they planned it

The screen play was fool-proof

From the time we passed info  
to the restaurant drama, a neat script!

Written and directed

by Bharathan Pillai

lf so, Rajan Kartha

must be the producer

He's here in Kochi

since the last few days

Almost from the day

you came from Delhi

Didn't you say, swearing in  
of the CM will happen shortly?

We have time

only till then, Rishi

Now Sugunan must be

made to talk, isn't it?

Yes

Ouch!

Oh mother!

What happened?

He hit me and took off

Some rascal!

Aw, my hand

Hey! Aren't you Sugunan sir?

Just give me a hand, brother

Let's go to the hospital

- Ouch my hand!

- Gently, take care

- Is it still paining?

- No, it's better now  
Sir you are very smartly dressed  
Don't you wear Khadi usually?  
It is to avoid TV  
Nuisance!  
Look! That's the vehicle that hit me  
Really?!  
I'll find out right now  
Don't step out, you'll be recognized  
I'll go find out  
- What's all this?  
- Exactly what we also want to know!  
Are you the Lasser of modern times?  
Then he'll talk, our Sugunan -Lasser  
Okay  
We saw you being killed  
We showed it to the public also  
No confusion about this at all!  
But after some time  
you reappeared alive  
- Public became confused  
-And so did we  
We are not going to clear that  
We are going to increase it  
On the same place and rope  
you will swing, hanging dead  
We'll shoot it very smartly  
and show it to the public  
The public will go mad  
What must they believe?  
I swear, I have not done  
anything intentionally  
I really thought  
they were going to kill me  
I did tell Manilal, about the bribe  
You guys flashed it, as hot news  
It was only recently Pillai sir  
came to know it was I who had informed  
I fell at his feet, cried begging his pardon  
He asked me to pass I more info to Manilal  
That a murder would happen,  
on behalf of Pillai sir  
After I did that,  
he asked me to leave

But the next day...  
Sugana, come with me  
Bharathan Pillai sir, is asking for you  
Hello, take this  
What is it, sir?  
What are you doing?  
Leave me  
What is it, sir  
Stop it!  
Don't harm me  
Didn't I confess everything, sir?  
Confession to the holy person  
in a church will do you good  
But what's inside my chest  
is not a holy heart, Suguna  
- Ready, sir  
- Lift him now  
How is it?  
Isn't it okay?  
Leave me, I say  
Go, hang him!  
After you left  
they returned  
Shibu, this is an antidote  
Make him inhale it, he'll wake up  
They took me  
to Pillai sir's house  
When people turned nasty  
He asked me to come out  
I was only a dupe sir, a dupe of  
the person who was to be, actually killed  
Dupe?  
In that club house  
there will be an actual murder  
In the same place  
almost in the same manner  
Who?  
Who will it be?  
I don't know, sir  
But I know for sure  
it's on the 12th night  
How do you know this?  
I heard Pillai sir's assistant  
Varghese, tell my captors...

...that they must leave the club house  
as soon as the deed was done  
That their tickets have been booked

**for the 2:**

That they should return, only after  
Pillai sir, was sworn in, as Chief Minister  
Abu, go drop Suguna  
at the nearest hospital

- Do you know who's going to die?

- No

It's you

Pillai wants to frame us  
with that crime

Don't try to run and escape

Even if you try, they won't allow you

Remember, we haven't met

We'll be there on the 12th

We want to shoot that event

Go, don't be scared

Nothing will happen to you

-Abu

- Yes, sir

Here, ask that lawyer Manilal  
to meet me before noon tomorrow

He started all this, right?

Mani, I have to see you urgently

Come tomorrow afternoon

- What is it?

- I'll tell you

We've found a way out of this mess

You have to stand by us

Sure

- What did you think?

- Poor fellow

Yes

He's a great actor, noticed his tears  
without a drop of glycerin? Cheat!

We did not get him, dude

Pillai threw him at us, a bait

What are you saying?

It's the next scene in

Pillai's frivolous drama

Believing his story, Renuka and I will

go on 12th, to shoot the original murder  
Pillai, Kartha and their boys will wait  
Because it is we who are going to die  
Simple  
Gosh! This is getting  
more and more complicated  
If we remain free, they are clueless  
as to the extent we'd go, to prove the truth  
So we have to be  
eliminated forever  
They will make us, fugitives forever  
Police, government and the media  
We have no option but to go  
to their butcher shop on 12th  
This is a trap for us, as well  
as our only way to escape  
If we win, we can regain all we lost  
As well as ensure, Pillai's political funeral  
- If you lose?  
- Death  
Like your usage, 'it seems'  
they committed suicide  
On 12th we are shooting  
the incident, whatever the risk  
Look at the irony of it  
However priceless, this exclusive  
we shoot now is, no channel will air it!  
Except for his NBI  
Ours is a small channel...  
...if you intend giving it to some  
gigantic one, please let me know  
We don't have to trouble  
ourselves unnecessarily  
Only I will be going, to shoot this  
What if I come?  
You want to sign-out, as usual  
Just for that, you needn't come  
This is an issue  
involving my credibility  
I will come!  
Whoever objects, I'll come!  
Go, let me plan this out  
I have been tolerating  
innuendos for last 3-4 days

I don't want considerations  
Nor do I even expect it  
You don't deserve it also  
I don't need to  
convince you of that  
The I who was supposed to be  
convinced, has never come forward  
I am not interested  
in a reconciliation talk  
Me too  
Then?  
This is a social issue  
which involves me too  
I cannot stay away  
whatever you say  
This is to make you  
stay away from death, you...!  
After all, he did have you  
in his heart, for some time  
He is now going  
into the arena of death  
- What?  
- Nothing  
Tell me, Rishi  
What is happening?  
It's not Sugunan, who will die  
It will be you and Venu  
Do you really want to go now?  
If I don't go after knowing this  
I won't exist anymore, Rishi  
I thought we had time, that when  
I get a chance, I could explain  
I expected such a chance, when  
I set out with him on this venture  
Since that is no longer a surety...  
I'll tell you the truth,  
I never betrayed you  
That day, fearing the police  
when Venu sent me off in the van  
I was on my way  
to our...sorry, your studio  
But...  
Abu make it fast, its already 9:15 PM  
It has to be edited and aired by 10:00 PM

Renu, be assured  
I'll reach you there in 15 minutes  
Mani! Success! I'm on my way  
to the studio with the footage  
Renu I know, I was there nearby  
It's all a mess now and Venu  
has been caught by the police  
Now, they'll soon be after you  
Aiyoo!  
Oh God!  
I am right behind you, a black Innova  
Stop and get into my car, that will be safer  
-Abu, stop here  
- Renu, time is...?  
Abu, just stop!  
Get in, quick!  
Mani quickly, it has to be

**aired at 10:**

Be on Bharath Vision's pay roll  
and get the story for NBI Channel, eh?  
But I am no longer your staff  
I resigned 5 days back  
We've not got any such resignation  
And even if there is, I've not accepted it  
Mani, stop! I want to get out  
He will not, because if he does  
this footage will go to Bharathan Pillai  
Drive us to the studio, dude!  
He has taken Rs 2 lakhs  
from us for this story  
How can this become  
NBI's launch story?  
My mistake sir, I didn't know  
she had committed to NBI  
I will return that money  
today itself...sir, please!  
That's all over  
Nothing more to discuss  
Sir, but...  
It's not money alone  
Once you did this story, he'd bargained  
and fixed senior editor's post for you  
Mani, I don't want any post

Get me that footage back  
This will come only in NBI  
It will not  
It can come in any other  
channel, but never NBI  
I am sitting in the chair  
Rishi discarded and left  
How can I let this explosive  
story, be launched by Rishi?  
Mani, for them it's channel war  
To me it's a question of trust and my life  
Mani please, tomorrow  
Venu and I are getting married  
Sir, please!  
You don't talk anymore  
I will not air this  
without your permission  
But I'll use this to  
make sure NBI is not born  
Simple, I'll just hand this over to Pillai  
NBI will remain, a dream to Rishi  
And Venu is in police custody  
I won't be able to even guess  
in what state, he will return  
You have time till  
Pillai attends this call  
Sir, no  
I beg you  
Sir, it's her future  
that will be affected  
- Hello?  
- Is it Bharathan Pillai?  
Yes  
Sir...  
I became 'all alone  
in one single night'  
With nothing left, I had only  
Bharath Vision, as an option for survival  
Renu, 5 years you have...  
Oh God!  
- Venu must be told...  
- Don't, Rishi  
He must not know this now  
He won't take me along otherwise

I know his concern, for people  
he cares for, please don't tell him  
Okay, I won't  
What is that secret meet there?  
Will that she-devil  
betray us, in this also?  
Da! Don't be so mean  
Are you on her side or mine?  
This is why we say  
you should also be there  
Your cousin is risking  
her life for this  
Convince her not to,  
she refuses to listen to me  
Venu, is there  
some other way out?  
You tell us  
Mani, let Venu explain  
Today is the 10th  
Day after tomorrow, it is 12th  
Only if we convincingly shoot  
our act, that we are going to die...  
...Pillai and Kartha's  
intentions can be proved  
But how and who will shoot this?  
It's impossible to shoot in  
the club house or surroundings  
Then?  
Come, I'll explain  
half a kilometer away, on top...  
...of the pavilion, cameras with  
telescopic lenses, will be set up  
Rishi's camera crew  
will operate them  
Pretending to cover Sugunan's murder  
we will reach the club house, on 12th night  
We'll get surrounded by them  
and a little struggle will ensue  
A little action sequence by me  
And finally, we get caught  
If Kartha comes, we can  
expect a cinema style dialog  
I'll have a voice recorder in my pocket  
After shooting what we want

you and Abu should interfere  
Don't delay my friend,  
or we'll never come out alive!  
I agree, sir  
Can I tell you what I fear?  
Those who fear need not come  
Didn't I warn you?  
Let her tell her opinion  
Yes, Renu?  
In case we are not able  
to pull this off, Pillai and Kartha...  
...will escape for ever  
We can't take a chance  
That is what I'm also coming to, silly  
- This will not be exclusive to NBI  
- What?  
We will allow 2 more channels  
to shoot, without our involvement  
That's why I asked,  
Manilal also to come  
Go climb a wall!!!  
It's impossible!  
This is exclusive to NBI  
Dude?  
Don't say 'no'! I've pinned all my hopes  
on this and planned a lot for its success  
Does our friendship have  
the value of, just an exclusive?  
I have not gained anything  
with this friendship, I've only lost  
- I will do this story alone, if not...  
- If not...?  
If not, don't expect  
anything more from me  
Then so be it!  
You are not doing this story  
Abu! Start the vehicle  
Rishi!  
Didn't you hear me?  
You can take it yourself, sir  
Rishi? Please!  
Is your father dead? Everybody  
thinks only of their own benefits  
This is not the 1st time

Abu can operate my camera  
Lawyer Mani, 12th is day after tomorrow  
Tomorrow we set up camera at the stadium  
Fix up a couple of more  
channels and let me know  
Park it near the north of the stadium  
When it gets dark, we'll be there  
Abu, don't wait, it'll take time  
Come only when I call you  
Okay, sir  
- What is it?  
-A mosquito  
Mosquito?!  
This is field limit, whatever happens  
don't move away from this limit  
Find all possibilities and fix the limit  
- Venu, there's a car!  
- I saw it too, you useless!  
Bharathan Pillai!  
Rishi has cheated us  
It's not what we thought, let's escape  
Be quiet girl!  
Venu, it will happen today!  
The camera is gone  
Now what's the point?  
Whatever happens  
you won't die, enough?  
Without getting into trouble  
come with me, you shrew!  
I was in a hurry to die sir  
So, I came here today itself  
There lies your camera, how will you  
shoot and show it to the public now?  
Call that lawyer  
Call Manilal  
Call that lawyer!  
Don't!  
Take it away, there mustn't be  
even a small scratch on the body  
They have to be hanged  
Not murdered but as suicide  
Why do you need a binocular  
camera to shoot such a near event?  
Not binoculars, a microscope

is enough for a worm like you  
What are you glaring at?  
Where are your contraptions  
witnesses, 2-3 channels, etc?  
People ready to jump to save you  
from death, where the hell are they?  
When you sent him away  
I knew, you'd smelt trouble  
Stop lecturing and call that punk  
Pillai waves from 1 .5 KM away  
and now hiding in the kitchen  
I'll give you a sound sla-!  
Why should I hide, Venu?  
It's you who are still in hiding  
Venu, Manilal is trapped  
I heard his phone ringing  
He's here somewhere  
Lawyer, don't hide  
Come into the arena, you pig  
Come out! It'll be awkward only  
if have to see them, ever again  
Son of a mongrel!  
I don't have any cinema dialog  
I will go away after just 1 , okay?  
This is not revenge, if it was  
I'd have had time, only for that in life  
This is just a precaution!  
Allow me to rule and live peacefully, dude  
Taking cameras into people's bedroom,  
bathroom and calling it media activism!  
This is the only medicine  
for all that, okay?  
credibility and life, commit suicide  
Shall I hang them, sir?  
Do you have anything to say?  
I don't, but she has...a sign-off  
After all we are going to die, right?  
Go ahead!  
Look somewhere and say it  
From the place of events  
this is Renuka with cameraman Venu  
More cameras?  
If there are cameras here  
ask your people to bash them up

Don't panic, these are  
last minute tactics to escape  
Hang them both!  
Freeze!  
-Are we on time?  
- Perfectly on time!  
What other contraptions  
do you want to see?  
Open your eyes wide and look!  
Lights on!  
See, how many cameras!  
No other channel  
Only NBI  
Because, this is  
an exclusive for his channel  
Arrest them  
Lawyer, when Rishi stormed off  
angrily, what did you think?  
That we had parted ways?  
He had a job here  
which needed 24 hrs  
When I learnt that it was you  
who had fixed up a story for her...  
...at Bharath Vision, I knew  
it was you, who was their pimp  
You want to give him a couple?  
You can't, once we are out of here  
That's not my job  
But I want to!  
Excellent!  
That was personal  
Come on, get going  
Come, my girl  
With 7- 8 cameras around, you signed-off  
looking, where there was no camera!  
Smart girl!  
Come  
Come on, say it now  
This is Renuka  
with camera man Venu  
- With camera man Venu?  
- This is Renuka, forever!
