days so he's fired up!!!!  
here comes a dangerous person  
please show me something grotesque  
last time i watched, i couldn't

i'm scared... don't stop commenting

Hey, what did I do?  
Hey!  
Please don't!  
Please stop!

there was expectation in his reaction  
eww... i threw up a bit...  
This is horrible.  
This video is pretty awesome, isn't it?  
Death Tube.  
They gotta be kidding.  
But it's well made for fake stuff.  
It's real.  
Huh?  
Real video.  
No way. If it was real, the cops  
would've exposed them.  
Exposing them is impossible.  
Oh? Why is that?  
It's an extremely obscure site.  
Extremely obscure site?  
Yes.  
It's only online a couple of times  
a year, and for one week only.  
An extremely obscure site.  
But someone would surely report it.  
Even so, they run through a number  
of overseas servers.

So exposing them is difficult.  
If it's fake, would they really go that far?  
What?  
Do you really believe this?  
It's all based on rumor.  
There's also talk that it's some film  
buff shooting with real actors.  
Oh.  
Check out the videos if you have the time.  
No, I'm not interested in these things.  
Why not?  
Did you get the photos?  
You're still on the phone.  
Mr. Tamai, thank you for the photos.  
Yes, yes.  
Well, good-bye.  
Okay.  
I have printed the photos.  
- Really?  
- Yeah.  
Let me see.  
Here.  
Wow!  
This is so good.  
This one's perfect.  
Yeah. Inouye, did you take it?  
- I'm truly awesome.  
- You're good.  
Awesome, but there're so many.  
Wait, what's this one?  
Nevermind, I did my best to take it.  
But I'm lousy at it.  
Please, somebody tell me the answer!  
What is the letter hidden in this room?  
he's going to die

Hello.

My name is Ponkichi.

My best regards.

You...

brought me here?

Yes, that's right.

Who are you?

I'm Ponkichi.

The manager of the Death Tube rooms.

Why are you doing this?

I just want you to have fun here.

Stop joking!

You think killing people

passes for fun?

Hey...

Let me out of here!

Hurry up and get me out of here!

You're wasting your time.

You've seen Death Tube, right?

Haven't you?

i'm not dreaming

A little bit...  
I've seen it many times before  
so I know for a fact...  
...that it's impossible to get out of here.  
That can't be true.  
I won't accept that!  
However...  
...there is a way out of here.  
You clear the game.  
We just cleared it.  
Not just one.  
The games will keep coming.  
Huh?  
Then how many do I have to clear?  
That...  
...I don't know.  
How come you don't know?  
How many were cleared by  
the people who got out?  
There aren't any...  
Huh?  
...who have gotten out.  
What?  
Everybody dies in the end...  
...by failing to clear the game.  
What?  
Then what should I do?  
Why?  
Why were we brought here  
in the first place?  
How would I know?  
I went to sleep at night and  
suddenly I'm here.  
Me too. I dozed off watching Death Tube.  
Me too. While watching.  
Me too.  
So the reason we were brought here...  
...is because we watched Death Tube?  
Oh, that might be why.  
No, that's not why.  
More than a thousand people  
watch Death Tube.  
There must be another reason  
why we were brought here.

Another...

For example, we may be connected  
by our past somehow.

But I've never seen any of you before.  
And there's a difference in our ages.

If we're not connected in any way, maybe  
we have something in common.

Something in common...

It's starting again.

So we have to play the game?

We do...

...or we'll end up like the last guy.

Before we start the game...

...I like for all of you to take a look at the  
completed sentence on the Rubik's cube.

What is written on the cube...

...must be completely adhered to  
until you leave this room.

It's a must!

What, "Challenge"?

If you can't adhere to it...

...you will die.

First off, pull away the sheet behind you.

Seven challenges have been  
prepared for this game.

"The bat"

Inside the circle put your forehead  
against the end of the bat...

...run around it ten times and if you  
can touch me within ten seconds...

...you're clear.

Oh.

My shoes.

"The stopwatch"

Close your eyes...

...let it count for ten seconds...

...and stop it.

Plus or minus one second off the  
mark and you are clear.

"The hula hoop"

I'm tired so I'm going to speak faster.

Huh?

"Headband" - Input the the Constitution  
preamble into the PC and you're clear.

"Dumbbell" - One hundred lifts and you're clear.  
"Jump rope" - Do it and you're clear.  
"Nail" - Jam it under your nail and you're clear.  
Did you understand...  
...these seven challenges?  
One person has to do one challenge each, within an hour.  
Of course, if you fail a challenge...  
...at the end of the game you will die.  
However, even if you fail a challenge...  
...there is a possibility to survive.  
If all of you clear a total of four challenges...  
...there will be no need for anyone to die.  
What does it mean?  
Basically, the assignment consists of four.  
If the assignment is failed...  
...only the person who failed the challenge is killed.  
Conversely...  
...even if the assignment is failed, those who met the challenge won't be killed.  
Exactly right.  
So, doing the easy challenges first...  
...is advantageous.  
Which to do is a matter of first come first serve.  
THE FOURTH CHALLENGE  
Well, then...  
...to your positions.  
Ready...  
Go!  
Don't!  
Don't think only about yourself.  
mustache  
Hey, what are you doing?  
- the rule is you have to do what the cube says  
- this guy's camera conscious lol  
Everybody...  
...think carefully.  
What's important in this game...  
...is not uyou/u clearing the challenge.  
It's to complete the assignment

and save ueverybody/u.

Listening to the explanation...

in my opinion, there are

four easy challenges.

Hula hoop...

Bat...

Stopwatch...

Nail.

To complete the assignment, we have to  
clear these four challenges at least.

- i want them to fail all of them lol

- you look serious lol

Because, no matter how you look at it,  
clearing the other three is impossible.

To that extent...

...selfishly taking on a challenge...

...and failing is shameful!

- he's approaching again

- i'm inconvenienced too

Let's combine our strengths and  
complete the assignment.

I...

...agree.

I also agree.

Not me, no way.

I absolutely will not die!

I also agree, but one thing...

Are you listening?

Why is the nail included  
as an easy challenge?

No matter how much thought

I give the nail...

No.

The nail is an easy challenge  
with little risk.

Huh?

Because no one will fail.

If you bear the pain...

...no doubt you will clear it.

The question is...

...whether somebody will do it.

Um...

...I...

...just can't handle pain.

Of course.  
We can't have a woman experience pain.  
Hey, I'm a woman too.  
I'm sorry.  
Who then?  
I will.  
I will do it.  
Slurp slurp.  
I cannot afford to die. So...  
...leave the nail...  
...up to me.  
Slurp slurp.  
Is that alright?  
Yes.  
But please give me a little time.  
In order to do it, I need  
to build up my courage.  
Slurp slurp.  
Thank you!  
he stood up! lol  
he rises to the occasion  
From this point...  
...people with confidence step forward.  
Then I will choose first.  
After all...  
...I asked for everyone's cooperation.  
So which will it be?  
I used to skate in school.  
I'm confident about rotations.  
After ten turns...  
...touch me within ten seconds.  
Get ready for the bat spin...  
Go!  
- he can't  
- he's fast lol  
whoa, he won't make it?  
Ten...  
Nine...  
- Do it!  
- Eight...  
- Please hurry  
- Seven...  
Do it.  
Six...

Five...  
Four...  
Three...  
Two...  
One...  
Zero!

**TIME LEFT:**

He did it!  
Awesome!  
You did it!  
he moved so funny  
he has an octopus face lol  
You did good.  
Congratulations!  
Can I do the hula hoop next?  
Can you do it?  
I often do it with my kid  
so I think I can do it.  
As I stated earlier, we absolutely  
cannot fail the easy challenges.  
However...  
if you say you're confident.  
Yes, sort of.  
And no one else has stepped forward.  
Give your best, man.  
Yeah.  
Give it your best.  
what's your type of guy? lol  
What?  
pervert!  
you're dirty so execute!  
Where are your pants?  
The cube.  
Gyrate for one minute without dropping it.  
To your position.  
Ready.  
Go!  
do your best old man  
i can't watch this with a straight face!!!!  
Go, go. Do your best.  
Yes.  
He'll make it.  
- old man's legs

- what is this?  
i can't stop laughing  
- hula hoop is easy  
- why do women get like this?  
pervert! you're looking too closely!  
simply good!!  
may your crotch ride on radio waves lol  
whoa!!  
good job, old man!!  
Clear!  
- Yeah, he did it!  
- Good, good!  
Good.  
The old man is awesome!  
I did it! I did it!  
- I did it!  
- I'm so glad!  
Awesome, old man.  
hurry with the nail  
I will go next.  
go virgin! lol  
suffering four-eyes  
The time left...  
...is twenty-two minutes.  
Oh, slurp slurp!  
dancing loser  
blood  
blood!!!  
I'm alright.  
Hurry up and complete the next challenge.  
One more left.  
If we can clear one more...  
The stopwatch is last.  
THE FOURTH CHALLENGE  
I will do it.  
Are you confident?  
I don't know.  
Don't know?  
You have no confidence you can  
do it, yet you're going to do it?  
You absolutely cannot fail this challenge.  
A person with no confidence...  
THE FOURTH CHALLENGE  
- I'm sorry.

shut up with the speech

THE FOURTH CHALLENGE

- I have to do it.

Recently though...

...I successfully played the same  
game at a company party.

Give it your best. I'm praying for your success.

Close your eyes and stop it on ten seconds.

Be within one second and you clear it.

One, two, three...

...four, five, six, seven, eight...

Please.

...nine, ten.

If he clears it...

...we're saved.

- what?

- oh no

- i'm speechless

- i knew it

Oh, my...

That's too bad.

If the assignment isn't completed...

...you will have to die.

What do we do now?

From this point on the remaining three...

...have to clear a challenge.

Hey, don't be so nonchalant.

You yourself said the remaining  
challenges are impossible.

That's right. Just because  
you guys cleared it.

You're horrible.

We will...

...be killed.

It's alright.

Leave the "Headband" one...

...up to me.

Really? You can do it?

Please.

Please!

Within one minute...

...use the PC to input...

...the preamble to the Japanese Constitution.

Well then...

...to your position.

Ready.

Go!

You have it in you.

- You can do it.

- You're doing fine.

- Stay calm. You can do it.

- You'll get through it.

Anything. Type anything!

Stay calm.

That's right. Stay calm.

You can do it.

Please! Please!

Do your best!

Do your best.

Stay calm. You can do this.

Good, that's it.

- Good, good.

- That's it.

- You're doing fine.

- Good, good, good.

That's it.

Just a little more.

- A bit more.

I was afraid of a mistake,

but you're remarkable.

I get it!

- We did it! We did it!

- What do you mean?

Everyone...

We're saved!

Huh?

Look at what's posted.

TODAY'S OBJECTIVES:

INCREASE LOYALTY AND COOPERATIVENESS

These objectives...

reveal the true nature of the  
games we played today.

In the first game, as is written on this paper...

...as is written on this paper...

...we're spared if we're uloyal/u to the letter.

TODAY'S OBJECTIVES:

INCREASE LOYALTY AND COOPERATIVENESS

I see.

uIn the second game we're

spared if we cooperate./u

we'll still see you if you step back a bit

The rest is...

You know what I want to say.

There are only two goals today.

yes yes

So what about the games?

Yes!

The games are over!

We have survived!

We survived.

We survived!

We did it!

We did it! We did it!

We did it. We survived.

Thank you so much.

- Thank you. Really thanks.

- Thank you

Thank you.

Not at all. It's no big deal.

You saved me.

- Thank you.

- Awesome.

- You were calm for a young guy.

- Really, thanks for saving us.

- Wonderful. I'm so glad.

- It's nothing.

- you're crazy

- don't be smiling  
You're just talking.  
Thank you.  
Awesome. Great.  
You're great. I knew it.  
you're just talking  
That's enough old lady. Shut up.  
- Awesome.  
- Huh?  
Behind you...  
I knew you could do it.  
Huh? What?  
- Wait a...  
- Old lady, you're just talking.  
- god  
- you did your best lol  
- It's nothing.  
- whoa!  
for real?  
rubik's cube  
No, no! I can't take it!  
I can't take it anymore!  
No, no! No more!  
I don't get it!  
I can't take it anymore!  
No! No more, no more!  
I can't take it! No!  
Stop it! No!  
Knock it off!  
What do you think a person's life's worth?  
It's absolutely worthless.  
Huh?  
It's worthless.  
And that is the same...  
it's worth to you people.  
Cut the crap!  
We don't kill people!  
Don't compare us to you!  
Let's calm down.  
The important thing now...  
...is to get out of here fast.  
not tonight  
old lady, you should die lol  
you should die since you came all the way

- the video!  
- ahhh!  
everybody's so stupid  
i'm glad they can leave  
don't forget your shoes pervert lol  
boring  
don't run away!!  
What?  
What is this place?  
Is your finger alright?  
Yes. It's alright.  
Slurp slurp.  
Hello.  
What's going on?

**DEATH TUBE:**

It won't open. What's going on?  
I've watched Death Tube numerous times...  
...but this development is a first.  
Wait!  
Hey stop it! Don't pick on him!  
Ouch! Stop it!  
What?  
Hey! What are you doing?  
Look at that!  
DON'T CROSS THE RED LINE  
Even out here...  
...we have to obey that bear.  
Slurp slurp.  
What? What's going on?  
What's next?  
What's happening?  
Game Number Three!

**DEATH TUBE:**

- now the real show starts lol  
- too bad, it's not over yet! lol  
All of you will now do the obstacle race.  
Obstacle race?  
Unfortunately it's hard to explain in words.  
So I'll act it out!  
Damn you!  
Are you alright?  
Who are you? Let us out of here!

Come within a five meter radius of me...  
...and I start shooting.  
Now then, back to my explanation.  
I'm going to start.  
Start from this red line.  
Then you hop, hop, stop.  
You hop, hop, stop.  
Then after you eat a donut...  
...go to the slippery swamp...  
...and whisk across it.  
Whoa, cold.  
Next...  
...stack five toy blocks...  
...and take them to the desk over  
there without dropping them.  
Then...  
...finally, drink the glass of water  
and you've reached the goal.  
But, there are only five glasses.  
That's correct.  
The one that finishes last  
out of the six of you...  
...can't drink the water...  
...and has to die.  
And also...  
...if you can't reach the goal within  
three minutes of starting...  
...you have to die.  
TODAY'S OBJECTIVE:  
INCREASE THE SPIRIT OF EQUALITY  
The race will start...  
...as soon as somebody...  
...crosses the red line.  
Girls are at a disadvantage in this race!  
Right?  
Everyone listen up.  
Don't start.  
What do you mean?  
I'll explain later. Just don't start.  
To your positions.  
You're planning to start first.  
- Ready.  
- No!  
We must not compete in this game!

Go!  
- the bear is groovin'  
- these people are desperate lol  
Damn you!  
- Hey.  
- Not fair.  
Thank you.  
the guy in the glasses is gross  
if she dies, i won't watch  
hop hop  
smitten, smitten, smitten  
Hurry!  
If you're last you die.  
Hurry!  
Why did you do that?  
I'm sorry.  
The race has been decided!  
Huh?  
CONGRATULATIONS!  
I have an announcement.  
Actually...  
...that donut was...  
...poisoned!  
But not to worry.  
The water you drank is the antidote.  
That means...  
No!  
No!  
the hag eats it lol  
gross  
she isn't that good  
What are you saying...  
...we did this?  
When will this end...  
...this game?  
Once you clear the final game.  
The final game?  
If we play that...  
...we can get out of here?  
Yes.  
When is this final game?  
Let's see...  
I don't know.  
What do you mean by, "I don't know"?

Because the final game...  
...is for one participant only!  
So, until there is only one person left...  
...we keep playing games!  
Survival!  
Survival!  
Or, you could kill each other.  
after all, it's a survival of the fittest world  
it's kill or be killed lol  
murderer murderer murderer murderer  
let's survive  
This isn't a survival game at all!  
he's annoying lol  
Depending on how we cooperate...  
...this is a game where nobody dies.  
Nobody dies?  
Three have already died!  
As I said earlier...  
...just as with the games played  
in the previous room...  
...in both cases, had we gained insight  
into the nature of the games...  
...they would've been cleared  
without anybody having to die.  
But the last game was a race.  
uThe rules stated that someone had to die./u  
You're wrong.  
Look at today's objective...  
TODAY'S OBJECTIVE:  
INCREASE THE SPIRIT OF EQUALITY  
Equality?  
I think, equality most likely  
refers to not assigning rank.  
Equality?  
It's a race.  
Yes.  
If we compete, it creates rank.  
So...  
...we shouldn't have competed.  
The bear explained in the rules...  
...that the competition starts  
when that red line is crossed.  
I see.  
If no one started, there would

have been no competition...  
Then nobody came in last place...  
...we'd all survive, right?  
That's why you said don't start.  
I'm sorry.  
If there had been more time,  
I could've propely explained.  
Most likely...  
...the games that are about to be conducted  
can be cleared without anybody dying.  
However...  
...if one person attempts to  
become the sole survivor...  
...and acts on their own behalf...  
...someone's death will be the result.  
From now on...  
...we refrain from selfish acts.  
Let's cooperate and continue clearing it.  
But you know...  
...the final game is...  
...for one participant only.  
Then no matter how long it takes...  
...we can't escape!  
I don't think that's true.  
Maybe...  
...a search may have started on the  
outside since we are missing.  
If we continue to clear the games,  
help will eventually come.  
I think we should have faith and be patient.  
Look at how many people watch Death Tube.  
That's true.  
There are so many viewers.  
Somebody will report it to the police.  
Right?  
There's a high probability of that.  
- Yeah.  
- I see.  
I don't know about that.  
Huh?  
Amongst us...  
...who while watching thought of  
reporting it even for an instant?  
That's about it.

But things would be different  
if the viewer knows you.  
Hello?  
Hello, Tomoe-chan?  
It's terrible...  
Mr. Tamai? What's wrong?  
Is Inouye there?  
Inouye?  
Where did he go?  
Then it's true.  
What do you mean?  
Right now Inouye...  
...is on Death Tube!  
Death Tube?  
Sexy pose?  
Yes.  
- please  
- show your tits!!!  
Like this?  
No, that's not it.  
What?  
More sultry.  
Sultry? Sultry.  
- Like this.  
- Oh yeah, that's good.  
Is that good?  
- Also face down and look up.  
- Yes. Down and up.  
Help me.  
Help me.  
Do it with emotion.  
It's not working.  
What?  
I think we're on the right track.  
I agree.  
- It's no good at all.  
- What's wrong?  
Help me.  
It's not sexy enough.  
How's the wound?  
Eh, I can take it.  
Help me, big boy.  
Oh, this is hard.  
I guess that's about it.

"About it"?

I intend to do anything to get out alive.

I'm going to have a child soon.

At last, a child after ten years of marriage.

That's why...

Actually, I'm getting married soon.

Is that right?

She's the first girlfriend I've ever had.

So I'm the same.

- No good. Getting worse.

- Huh?

Let's give it our best and  
somehow escape this place.

Yes.

A little more...

I've had it with these people!

What do they take me for?

Take something off.

That's easy for you to say.

It's sexual harassment.

Please stop it.

It's not sexual harassment.

You're horrible.

Can I say something?

Who could be staging these games?

Earlier, we talked about having  
something in common.

Maybe that person is what  
we have in common.

Can you think of anybody?

Someone in common?

I can't think of anyone.

Here's more food for thought...

What if all the people gathered here  
have committed a sin in the past...

...and this is the victims' place of revenge.

No way.

Whoa, whoa, whoa!

Finding something in common...

...isn't going to get us out of here.

For now, above all, let's wait for the police.

Game Number Four!

This time we'll play the word-chain game  
using the names of foreign places.

please give us no-holds-barred brutality  
A balloon will start to inflate at the  
start of the word-chain game.  
Every time you give an answer,  
pass it to the next person.  
Five rounds of the word-chain game...  
...before the balloon bursts means success.  
If it bursts...  
...the person holding the balloon  
at that time will have to die.  
Also, it is forbidden to give each other  
the answer during the game.  
The game will start in ten minutes.  
Thinking time starts now!  
yay lol  
TODAY'S OBJECTIVE:  
INCREASE YOUR KNOWLEDGE  
What should we do this time?  
Somebody give me pen and paper.  
I have some.  
code blue the leader guy is on the move lol  
A pen.  
i don't care blow him off  
The rumors were true...  
Wait, Mr. Tamai.  
Inouye will be killed.  
What can we do, Mr. Tamai?  
Mr. Tamai.  
Hello?  
what are they doing?  
Inouye.  
i seriously want him dead  
Police, police.  
How much time has gone by?  
Approximately thirty seconds left.  
There's no time left.  
Just remember your part.  
- What?  
- Huh?  
Oh no. I'm not good at retention.  
Lima, Atlanta, San Francisco...  
Crime or accident?  
Hello!  
Would you like a bath?

What?  
Would you prefer a meal?  
Or did you...  
...prefer a bed?  
A wife needs...  
...a bed...  
...after all.  
Ding dong!  
four-eyes protect the princess!!!  
- she's in trouble lol  
- she has bad memory  
Don't panic.  
Let's stay calm while answering.  
We're alright.  
We will succeed.  
To your positions.  
Ready.

I'm...  
...going to have a child soon.  
At last, a child after ten years of marriage.  
That's why...  
No!  
Mr. Gondo!  
Don't!  
It's too late.  
He told me, he's going to have a baby.  
It's my fault.  
Game Number Five!  
No more!  
Four people left.  
It's reducing at a nice pace.  
I can't wait to see how many  
of you go this time.  
This one is a simple yes or no question game.  
If the respondent's answer...  
...is correct, then the game is cleared.  
But if it's wrong...  
...everyone will die!  
What?  
But don't worry.  
The question is...  
...an extremely easy one  
that anybody can answer.  
Let's draw to see who will be the respondent!

Well then, drum roll please!

**INOUYE:**

- Congratulations!

It has been decided that the respondent...  
...is Inouye.

For Inouye there is a present.

Inouye-kun, before we start the question...  
...I'd like you to see this first.

Tomoe-chan...

Tomoe-chan...

Tomoe-chan!

Tomoe-chan!

Tomoe-chan!

Hey...

What did you do?

What did you do to her?!

Rape.

Cut the crap!

Wait!

I'm gonna kill you!

Calm down!

You want to die?

Here comes the question.

Can you accept your girlfriend, who was raped...  
...and love her the same way you have before?

I need you to answer yes or no.

Respond within...

...three minutes.

Think about it until then.

Thinking time...

...starts now!

There is no answer to this!

There's no question!

In this instance...

...aren't his honest feelings  
the correct answer?

Over there...

TODAY'S OBJECTIVE:

INCREASE HONESTY

Honest feelings?

Let me ask you beforehand.

What do you intend to answer?

Of course it's yes!

Is that true?  
Does that answer reflect how you truly feel?  
What do you mean?  
An answer to keep up appearances won't do.  
That's a horrible thing to say!  
I believe there are people  
you can truthfully love.  
This is not the time for niceties  
All of our lives are at stake here.  
If I were in your place...  
...I would answer no.  
There's no way you can love  
them the same as before.  
I think so too.  
Why is that?  
How come?  
Then let me ask you.  
From here on...  
...how do you intend to connect with her?  
I'll love her even more.  
I'll be kinder to her than before.  
And how do you expect...  
...that behavior...  
...will make her feel?  
Painful perhaps.  
She will surely come to realize...  
...that your kindness...  
...is not kindness towards  
her, but for yourself.  
That your kindness...  
...is a way for you to convince yourself...  
...that you still love her.  
I'll ask you one last time.  
What's your answer?  
It is yes.  
Understood.  
I believe that's the way you truly feel.  
Three minutes have passed.  
I will ask the question....  
...one more time.  
Can you accept your girlfriend, who was raped...  
...and love her the same way you have before?  
If you answer incorrectly, everybody dies.  
And the answer is...

Yes? No?

Which is it?

No.

Correct!

This time no one had to die!

For you, who answered correctly,  
we've prepared a special video.

No!

Help...

...me!

No!

No!

No!

Stop it!

congratulations the marriage is canceled

- today's mvp is born!!

- this couple is over lol

awesome, he said it lol

- 40% of civilization is women

- don't get depressed

- who's happy here? will they die?

- can't love damaged goods!!

Game Number Six!

Let's get motivated and keep on moving!

That is a ballot.

Other than yourself, name just one person...

...you don't want to die, and

write down their name.

After thirty minutes...

...the ballots will be collected.

At that point...

...those who didn't receive a single vote...

...will die.

It's a bonus game that kills

the people you don't like.

For the final game there can

be only one participant.

So...

...we eliminate as many people

as we can in this game.

Pay no attention to the bear's ways.

We only need to think about

clearing the game.

But what about this game?

It's easy.  
We group into pairs and vote  
each other's names only.  
I will write down Inouye's name...  
...Inouye writes down mine.  
You two do the same.  
This way no one will die.  
this game is boring  
nobody dies  
i'm going to the bathroom  
even i know how to clear this lol  
If you do as I say...  
...you'll surely get home alive.  
Please.  
Welcome.  
Welcome. Welcome.  
Thank you for your patronage.  
What?  
Aren't you hungry?  
Don't hold back.  
You can eat.  
I'm sure you poisoned it again.  
There's none inside.  
You're lying!  
It's no lie.  
I don't like telling lies.  
Hey.  
Don't.  
Are you alright?  
It tastes pretty good.  
I hadn't eaten anything in  
a while and I was hungry.  
What do we do?  
Well, I'm certainly hungry.  
So am I.  
Does that say, "trust"?  
Yeah.  
Would you like one?  
No. Of course you won't eat.  
I'm sorry.  
Do you trust it?  
I'm having a smoke.  
Me first then?  
I think that last question was flawed.

Because there's no right way to answer to a person's feelings. Making you answer "no", is the bears' objective of creating problems for the respondent. Honest feelings probably had nothing to do with it. I'm sure Tomoe-san understands that as well. So hurry and get out of here, and see Tomoe-san one more time... ..and let your true feeling... Hey. What's wrong? Are you alright? It was laced with poison after all. Shit! bring her back!!!! lol - dead - you guys have differing reactions What happens to her vote? If it's deemed invalid... ..I want to vote again. Yes. I will not have a single vote. Of course, her vote is accepted. Understood. I'll hold on to this.

**SAEKI:**

That's good. Inouye-kun. There's no time left. I know how you feel... ..but we can't take our time. Please. Just write down my name and we're good. Don't you want to survive as well? We have to work together in this. Inouye-kun! I'm asking, please. You too want to live and go home. Either we all work together or it won't work. Mr. Maekawa, you've said enough. If it's alright, I'll talk to him instead.

Please.  
It's been continually tough.  
I understand why you've clammed up.  
But we'll surely escape from this place.  
Let's do our best.  
Don't look at Maekawa.  
Stay calm and listen to me.  
Have you seen him anywhere before?  
What?  
At last I remembered.  
Look at this.  
- didn't he kill about ten people?  
- enter serial murderer  
All these comments are about him.  
About ten years ago, I was a news  
reporter and attended his trial.  
He was declared innocent by reason of  
insanity after psycho-analysis.  
There's no mistake.  
He's trying to be the sole survivor.  
And he's trying to get us killed.  
Remember...  
...in Game Number Two...  
...he said this and that and chose  
the easiest game for himself.  
Then I will choose first.  
In Game Number Three, that  
was certainly on purpose.  
Why did you do that?  
In Game Number Four...  
...when you think about it, the lead  
person has the advantage.  
He decided the order on his own  
and took the lead position.  
And the last game...  
Either answer would have been right.  
Because no one said there is  
only one correct answer.  
He's smart, so of course he knows that.  
But he wanted certainty with the correct  
answer so he sought honesty from you.  
The point is that what he's doing is all  
the hypocrisy of just saving himself.  
I've seen it. He has a knife in his pocket.

Up until now...  
there were too many of us,  
so he probably held back.  
But now that only we few are left...  
...we don't know when his fangs will strike.  
He's a deviant.  
He's probably itching to kill someone.  
Then what?  
That's where I need a favor.  
What?  
On this ballot...  
...do not write down his name.  
If I do that...  
He will die.  
But it's the only way.  
Listen, it's kill or be killed.  
Otherwise we'll be the ones killed.  
It's time for your votes.  
Put your ballots in front of Pontaro.  
I'm pleading...  
- it's getting interesting lol  
- a psycho serial killer?  
kills for pleasure  
enter the real hannibal  
which one is the murderer?  
- unbelievable psychopathic participation  
- whip it lol  
why the whip?  
It appears we have the results of the vote.  
The result of the vote...  
...is this!  
Thanks.  
It's your own fault.  
It's your own fault!  
That was fun.  
Mr. Saeki?  
Oh, I'm sorry.  
Oh yes, I'll show you something interesting.  
Look.  
- he is the criminal lol  
- regrettable mistaken identity lol  
- that old man is the psychopath!!  
- serial killer Saeki!!  
That's right, the serial killer who feigned

insanity and was found innocent...  
...is me.  
It was a lie.  
Oh my...  
You killed such a good person.  
Look...  
His dead face is really quite striking.  
I'm rather satisfied.  
Because you people...  
...made it so enjoyable.  
Hey, hold it!  
Frightened faces are beautiful.  
They excite me!  
Show me more.  
Death Tube is awesome.  
People simply keep on dying.  
I can kill with no reprimand.  
For me Death Tube is...  
...paradise!  
How could you?  
I've been waiting for this moment all along...  
...by pretending to be dead.  
Because...  
...if I didn't, I wouldn't survive.  
At the time I thought...  
'I can't trust any of these people'  
Only one person can challenge  
the final game.  
I was sure someone would kill me.  
So...  
I figured I'd have to kill...  
...before someone kills me.  
Athens, Nevada, Dakar...  
...Cairo, Rome...  
...Macao.  
Nothing wrong with my memory.  
You mean...  
That was on purpose.  
Because he was dangerous.  
He'd do anything to live.  
And he had a knife.  
Calm down. From here on...  
...let's work together.  
Never.

Ouch!  
It hurts.  
It hurts.  
It hurts.  
Hey, let go.  
It hurts. Let go.  
Let go.  
Let go!  
No. You got the wrong idea...  
I wasn't really thinking of killing you.  
I'm sorry.  
I'm sorry.  
I'm sorry, okay?  
You got the wrong idea.  
You got the wrong idea.  
You got the wrong idea.  
Can you forgive me?  
Don't come near me.  
Why?  
No, no, no.  
Don't come near me!  
Stay away!  
No. I'm sorry.  
I'm sorry! Forgive me!  
No! No!  
No!  
Final Game!  
Congratulations.  
As the only survivor, you have won the  
right to challenge the final game.  
That better be true.  
What's that?  
If I clear the game, you  
will let me out of here?  
Of course.  
I don't like telling lies.  
This time, what you have to do is...  
...play a lottery.  
A lottery?  
The last contestant gets...  
...one draw.  
Within ten minutes, draw one stick.  
Win, and you will be set free.  
If you lose on the other hand, you must die.

End of explanations.  
Well then...  
Ready.  
Start!  
I can't do it.  
Show some courage.  
Try drawing.  
It's all a lie...  
There's no way I can win!  
What can you do?  
You've really made an effort up to this point.  
So as a reward, I will give you a hint.  
You have already...  
...seen the answer.  
That's the hint.  
I've seen it?  
Where is it?  
Where is it?  
Where?  
Oh...  
Where?  
This is a real special treatment.  
I'll give you another hint.  
Probably...  
...many of the viewers know the answer.  
The viewers know?  
- you should die  
- lnouye live, i want to help with the answer lol  
- i want to tell you lol  
- is this the final execution? (can't wait)  
- i'm so broke i might die too  
- is this the final execution? (can't wait)  
the world isn't nice enough to help  
you when you ask for help  
If anybody knows the answer...  
ummmm lol  
...please type in the answer.  
I'm pleading with you!  
Somebody save me!  
I beg of you.  
Somebody save me!  
the american version has new real  
time features and lots of chicks  
lnouye, everybody's getting bored with

you so do something interesting  
Somebody! Don't abandon me!  
Please, somebody save me!  
Somebody!  
Somebody!  
Tell me!  
Hey!  
Somebody!  
Just tell me!  
by answer, do you mean that?  
about what??  
it's probably that?  
then the answer is D  
Thank you.  
Thank you very much.  
you're welcome  
we wouldn't abandon lnouye  
- that was rough  
- you really hung in there, i was touched  
I won. I'm saved.  
- sorry, i made a mistake with the answer  
- poor guy  
Huh?  
Oh well...  
You should have helped him back then.
