A broken wing bird.

A broken wing bird that only walks.

Walks, walks and walks.

Until one day...

A bird have met a beautiful swan.

A heaven swan that should be dancing on the sky.

But, she is dancing on earth now.

Huh, this is just a coincidence.

Even it is a destiny.

But a swan is still a swan.

And a bird like me is still lousy bird.

And end up with lame ending.

What if a heaven swan know that.

I'm kind of lousy bird.

Let her go.

Let the swan be on her way.

For me...

Don't even compare with her.  
Put it down lightly, idiot.  
Never pour it properly at any shots.  
Hey, boy.  
One more shot.  
Give me one more shot.  
Did you drive?

Oh, scary.  
What about you, AC or DC?  
Am I look like?  
I know you are.  
Hey, I'll hit you unless I'm drunk.  
Remember that.  
Careful your words.  
How much?  
2400 baths.  
3000, can't I?  
Depend on you.  
That's my boy.  
Here's 3000.  
You're very fast with this, idiot.  
One shot of Vodka, sir.  
Flirting, idiot.  
That's hurt, bastard.  
- One shot of Vodka, sir.

Heaven swan have just sat beside us.

Do you still think that this is coincidence?

Idiot.

This is our 2nd time so it's not coincidence anymore.

It's destiny.

Then what?

She's gone.

See, my son.

It's time that I have to do something with you.

Pre-ejaculation.

Yes, sir.

I'm used to be like you before.

Didn't you?

What about present, sir?

Idiot. I won't open this clinic if I still have problem.

That means you have very good medicines.

I have.

Doc, I tried this one already.

I still have the same problem.

Still the same?

Yes, sir.

This one as well.

Still the same.

Still the same?

Yes, sir.

Oho, your problem are not normal pre-ejaculation.

This must be very early ejaculation.

Very early, Doc.

Before this, I'm finished before start of inter-course.

But now, just touch... I'm finished.

I've never imagined that will be someone as bad as me.

Then..

Which medicines that you took?

You must have a very good medicine.

Can I have the same with you, doc?

Actually, I don't want to give this to you because it's very strong.

How strong it is, doc?

It's take normally around 10 minutes to ejaculate.

But this Red-rose medicine.

More than 3 hours.

3 hours?

How much is this?

Friendly price.

130,000

130,000!!!

Don't forget that 3 hours.

Hi, dad.

Happy birthday to you.

Have you just realized?

I heard that...

You are with purple shirts group.

Then?

It's your choice that you chose green shirts.

This is democracy, isn't it?

But you've known that...

I hate purple shirts very much.

Then did you know how much I hate green shirts?

You've never understand anything about politics, haven't you?

I don't understand.

Why did politics force me to choose color?

After I chose...

The other colors hate me.

Is this what you called politics?

No, I don't understand.

Other countries have never been like this.

You've stayed aboard for a long time.  
That you didn't know the difference between Thailand and others.  
No, dad.  
I've stayed aboard for a long time.  
To realize that democracy is the same in every country.  
Only this country.  
That interprets democracy disastrously.  
Make difference by color of shirts.  
And the reason of these.  
Because of people like you!!!  
I'm enough that you choose purple color.  
Don't make me hate you more than this.  
Go ahead and hate me.  
Hate me like you hate other colors.  
There are 100 colors in this country.  
Don't even think that you'll win with your hatred.  
130,000?  
He dare not sell this price unless it's very good.  
No more "Pre-ejaculation".  
Hah.  
Come on.  
Put it on already?  
Already.  
Already?  
Why don't you let me take it out?  
Never mind, just put it on.  
And what about sunglasses?  
Just put it on, okay?  
Then everything is okay. Don't take it off. Understand?  
Copy that.  
Then let's start.  
What's happened?  
Your medicine..  
What with my medicine?  
Do you know, doc?  
From pre-ejaculation.  
Do you know what is my problem next?  
What's next?  
It's not erect anymore.  
Then what?  
THEN WHAT?  
I want my money back.  
What money did you mention about?  
Money for your medicine, doc.

How much?

130,000

Do you have receipt.

You didn't give me receipt.

Where did I get my receipt, doc?

So you don't have evidence to claim your money back.

Do you want like this, doc?

If you're unhappy...

You can sue me if you want.

Sir.

We found a bullet on the bridge.

"Tee Rifle".

- How do you know that, sir?

- I'm guessing.

In Thailand.

There are not many people who can snipe from far away like this.

Check the victim's record.

E-mail.

Mobile phone.

Hi5.

Facebook.

And Twitter.

Check all the communications whom this doctor contacted.

Tee.

Killer like you should not kill anybody...

Without fees.

Uncle.

My dick is not erects.

Just pre-ejaculation is bad for me enough but this...

I'm impotent.

Just only that.

You can say that cause yours is still erects.

Uncle, how old are you?

Shit!!, Yours is still erects.

You have very good medicines, haven't you?

Tell me, tell me.

Let's finish this job first.

And I will tell you.

Really?

Don't lie to me.

In the age of argument.

The age that some groups killing each other for their superiority.

This is golden age for killer like me.

Before...

Nobody knew what sniper is...  
But now...  
Everybody knows "sniper".  
Especially...  
Politicians.  
Our spy reported that..  
The guy who sent killer to murder our man...  
is brown color.  
Normally..  
The brown color is always stands opposite with the purple all the time.  
In the mean time...  
They are opposite of our color as well.  
Enemy of enemy...  
Is friend.  
I think...  
If Brown merged with Purple.  
Our group  
will be voted in council twice harder than before.  
Any idea?  
Narech?  
Revenge.  
Sent killer to murder Brown's men.  
Same like they did to us.  
I don't think so.  
We won't only kill their men.  
We will kill all candidates.  
Not only Brown but also Purple.  
And we will be only us left in competition.  
This will make us all in council.  
I don't agree with this.  
In this meeting.  
Does anybody disagree with this?  
So you all are confident.  
That we will win this with our hatred.  
In conclusion...  
We've reached unanimous decision  
that we will avenge them.  
Although, I'm a killer.  
I'm still a human..  
That feel guilt....  
Every time I kill people.  
Sometimes,  
Killing some groups of people...  
Make me feeling surprisingly good.

Some people...  
should not live in this world.  
Happy birthday.  
Uncle Guan Yu recommended this place to me.  
So you're "Phoenix of Bang Pla Ma".  
The famous killer.  
The phoenix is not here anymore.  
It's left only un-awaken bird.  
What is this?  
The king of dragon.  
The king of dragon?  
How to use this?  
Just rub it.  
Pour it to your hand.  
Then massage yours within 1 minutes.  
It'll be big like dragon.  
It'll be big like dragon, won't it?  
Are you sure?  
If not, you can burn my shop.  
Uncle, who will do that to you.  
I'm not a terrorist.  
Why did you put the balloon inside your pants?  
This is not a balloon. This is my dick.  
How come did it inflate like that?  
Do you remember your relative's medicine?  
He told me that it'll be big like dragon.  
Shit, Longer I massaged, Bigger it inflated. Not even hard.  
Look at this, it's bigger than your head. The bigger is okay.  
But inflated like this, how can I put it in?  
What are you looking?  
Take a look at this, come on.  
I use this one every time.  
You use this also?  
- Nothing happen to me.  
- But it happened to me.  
Fuck.  
Which side of your relative?  
- Come on Tee.  
- Did he your close relative?  
Tee, Don't do this, okay?  
Okay, because he is your relative.  
Mr. Ong-ard Nernkorkyai, sir.  
Oho, look at this.  
It's unbelievably red.

How did you let it become inflame?  
It's just happened.  
If you came here late than this.  
Frankly, I have to cut it.  
You're very lucky.  
Cut it?  
Yes, sir.  
You are so sweet, doc.  
- Just little bit.  
- Does it hurt, doc?  
- Like an ant bites.  
- Is it?  
- Yes.  
- Okay, doc. Go ahead.  
I want my problem to be cured.  
It's will be cured.  
Not only cured but also can use, doc.  
- I guarantee.  
- Same like before?  
Yes.  
Why did you talked so sweet?  
Hey doc. What the fuck!!!  
It's exploded.  
It's exploded.  
After exploded, it's fucking wet inside.  
- What is this, doc?  
- It's just exploded.  
What a smell.  
How do you feel?  
It's very painful, doc.  
Any feeling?  
It's sore.  
Doc, do you know any fucking thing?  
I've never seen like this before.  
Uncle, that's not even your house.  
Why are you so serious?  
Uncle, about the job...  
You told me that he is not your close relative.  
- What do you want, ma'am?  
- Mix with coke.  
One shot of Vodka, sir.  
Here's lighter.  
Do you remember me? I'm Mark.  
You've ever borrowed my lighter.

I'm Christ.  
Here's lighter.  
I'm quit smoking.  
Why did you stop?  
I'm not in a mood to smoke.  
Did your father ask you to stop?  
Father is dead.  
Did you scold at me?  
No, I'm not.  
My dad is really dead.  
I sympathize with you.  
Did you come here alone?  
Yes, I'm alone.  
And you?  
- I'm waiting for...  
- Christ.  
Did you understand? You're looked confusing.  
Ake, this is Mark.  
Ake, this is Mark.  
Doin? Doin for long time.  
I told me him that I want to stay longer.  
But he want to go now.  
- Are you going?  
- Take your time.  
Meet me after the pub closed, bastard.  
Mark..  
Did you forget something?  
No, I didn't.  
Thanks.  
See you again.  
See you.  
Mark.  
Did you forget something?  
Who is the client?  
I don't know. I got it from other place.  
What's wrong?  
I know the girl in these pics.  
Close friend?  
No.  
Then you don't have to worry about.  
Be professional.  
I can't do this job, uncle.  
If you can't...  
the others will do.

What is your decision.  
Could you find out who is the client for this job?  
Who the hell will tell.  
Can you do this for me, please.  
Find out for me.  
Okay, I'll do it for you.  
"Tee".  
Client is a woman named "Madame Heng".  
She is the owner of "Bobae market".  
The girl is having an affair with her husband.  
She's not a good girl.  
You should do it sooner or rather.  
Although, I am a normal person.  
But I'm a professional killer.  
Professionals must follow the order.  
Not follow the feeling.  
But after this...  
You can call me "amateur".  
I'll accept it.  
Bro, the shop is closing.  
Do you need my assistance, idiot?  
Why did you tell me?  
If I didn't tell you, how did you know?  
Give me one more.  
You've just said that before.  
This is the last.  
I want like that also.  
Sorry, Ma'am.  
Why did you just walk, idiot?  
Mark.  
Do you remember my name?  
Do you remember Ake?  
Yes I do.  
He's dead.  
He died in my house.  
It's good that he died.  
Good that he died?  
Yes, it's good that he died.  
Because, if he didn't.  
I would not know that he has wive.  
Fucking shit.  
How rude are you.  
Are all men the same?  
What do you mean by "the same"?

Liar.  
Cheater.  
Do everything for...  
Sex.  
Every men aren't like that.  
I don't think men are serious about love.  
From now on.  
I'll think like men.  
How will you think like men?  
Think only sex.  
Forget about love.  
Can you relax a bit?  
Fucking relax for what?  
No love, no pain.  
A woman think like a man.  
I don't think it is a good idea.  
Why?  
Sex is for men only?  
- It's not like that.  
- Then what?  
Just have sex and end up with the same pleasure.  
Yes, it's the same.  
When women think only sex...  
- It'll be.  
- What will she be?  
Whore.  
Double standard.  
Then what if I am a whore?  
Men would not have sex with me?  
Fucking sure they will.  
Won't you?  
No, I don't.  
Really?  
Yes.  
Why?  
Because I'm really whole-heartedly love you.  
No intruder in this scene.  
When did you love me?  
Since I first met you at dancing school.  
How long?  
Not too long.  
But long enough to know that...  
I love you.  
You didn't lie to me, did you?

No, I didn't.  
Then do you want my love?  
That what my heart demands.  
Then...  
You must have sex with me then I will give you my love.  
This night will be surely long, I will pay for you.  
You'll make a mistake one day, idiot.  
Hit her face then I'll kill you.  
You want to test me, don't you?  
No.  
I'm serious.  
Will you agree or not?  
No, I don't.  
Am I not beautiful enough for you?  
You are very beautiful, Christ.  
Despite beautiful you are, I can't.  
I can't have sex with you.  
Holy shit.  
Did you really think like that?  
Don't decide all men  
by that one bastard, Christ.  
What a gentleman.  
You... come to me...  
Just one night stand or forever.  
Aren't you?  
That you love me not fooling around.  
Are you sure?  
With your love that keep saying...  
It's-not-one-night-stand, aren't you?  
I'm not an easy-going girl.  
I do not use this word easily.  
I speak from the bottom of my heart.  
You should realize.  
I don't know the truth.  
I don't know is it true or not.  
With your love you tell me.  
Can I believe you?  
You should realize.  
It's not one night stand.  
You'll always love me, won't you?  
Will I meet you when I woke up.  
Don't make me hesitate.  
Then left me.  
People use this one, bro.

And then?  
Unstoppable.  
Wow.  
Even 70 years old man can do.  
70 years old?  
- Yes.  
- Still can?  
Long-lasting.  
Bro..  
4 pills must be okay for me.  
Come on, girl.  
I'm back to normal.  
This symptom called "Sex spasm".  
Because you are allergic to Viagra.  
I suggest you to avoid...  
Everything stimulate your sex organ.  
Can it be cured, doc?  
The medicine for this symptom have not been invented.  
- Cause it's latest.  
- Enough, doc.  
That mean it can't be cure.  
Nurse.  
- Sir, what's wrong with you?  
- Get out.  
Get out, Get out.  
Sir, the nurse has already gone.  
She's already gone, sir.  
Take a deep breath, sir.  
Take a deep breath.  
Slow slow, sir.  
Don't think about boobs.  
Don't think about boobs.  
The nurse has very fair skin.  
To be honest, her boobs are incredible.  
Oh, sorry. Cool down, sir. Cool down.  
I like this one.  
But I like this.  
Where did you get these guns from?  
From my dad's ex-colleague.  
I have not found Tee Rifle's pictures yet.  
Nobody knows what he looks like.  
Only that he disguises himself everyday.  
Did you ask from killers' lair?  
Each lair is very hard to approach.

They contact only the insider.  
I'm military spy so I can access only military.  
The information that I received from uncle "Uncle".  
Uncle "Uncle"?  
Why did uncle "Uncle" involve with this?  
He is looking for "Tee Rifle" also.  
Is he?  
Anyway, have you met Mark yet?  
He disappeared since that day..  
Are there any good men left in this world, Christ?  
Christ.  
I love you with my heart.  
Oh, you pick the green one.  
Why did you talk, idiot?  
Can't I talk?  
You have a health problem. Am I correct?  
Hey, everybody has their own health problem.  
I mean your secret place.  
Where is the secret place you mention about, nikka?  
Your fucking dick.  
Hah, you are starting to tell accurately now.  
Let me ask you one thing.  
Do you know everything by looking at these stones?  
Just listening, I can see everything.  
Wow, just listening only.  
What did they said?  
Do you like men or women?  
Be careful what you asked, nikka.  
Nikka, your dickhead. I asked you a question.  
Fuck, you are a fortune-teller, then tell me what you see.  
I can not see, I must listen from stones.  
- Don't you?  
- What did stones said?  
You are gay.  
Gay?  
Then ask them again what did they see?  
No more fucking stones.  
You didn't listen to stones anymore?  
- No more, no more.  
- Then what will you see next?  
Your punches.  
Just saw from your punches, you're 100% man.  
So you are not blind.  
I'm not fucking blind.

3 times like this. I can't blind anymore.  
So these three hits enlighten your eyes.  
Yes, they are.  
- Now listen to me.  
- Yes, sir.  
Next time don't fucking tell anything stupid..  
Sorry, sir.  
And don't guess.  
I won't do that especially for you.  
So I'm going back. No charge, okay?  
Yes, it's free. Special some more.  
- I'm going.  
- Good luck, sir.  
- You have a good manner.  
- Have a safe trip, sir.  
Shit, am I your son, bastard.  
I heard that "Tee Rifle"

Where?  
Either home or karaoke.  
I will tell you when I'm sure.  
Why do you use pistol?  
Do you want to change the style?

Today, our customers will use only this room.

Yes, that's true.  
Fresh meat.

Gorgeous weapon.  
Can shoot with every action.  
Upside down...

Why?  
Did I commit a sin?  
Yes, I killed people.  
Then what?  
In the end, they will be dead.  
And my victims should be killed.  
What about me?  
Does this suit me?  
I'm hurt.  
But I'm still alive.  
Why don't you kill me?
