# Scooby Doo and the Goblin King

By Joe Sichta

[ ]  
[ALL SCREAMING]  
[CACKLING]

**ALL:**

Whoa!  
[HOWLS]  
[BOTH GIGGLE]  
[ALL SCREAMING]  
[PLAYING ORGAN]  
[GROANING]  
[LAUGHS]  
[SCREECHING]  
[ALL GROAN, GASP]  
Whoo-hoo-hoo.  
Jeepers.  
That was seriously scary.  
Come on. Let's go again.  
Uh...let's not and  
say we didn't.  
I'm with Daphne.  
The Ghost Coaster is  
by far the scariest ride  
at the Halloween  
Carnival.  
Ha-ha.  
Are you kidding?  
Like, that ride put  
the "easy" in "cheesy."  
Yeah. Oh, easy.  
[GIGGLES]  
Are you sure you weren't  
just a little bit scared?  
[AS VAMPIRE]  
By all the bloodsucking  
vampires?  
Howling  
werewolves?  
And wicked  
witches.  
[CACKLES]  
Ha-ha-ha.  
Nice try, gang,  
but Scoob and I

aren't scared  
of any of those phony  
old frights.  
Yeah. Phony frights.  
[GIGGLES]  
Come on.  
Not even on  
Halloween night?  
Ha! Are you kidding?  
Like, Halloween is  
the one night  
when you know everything  
is fake.  
Just take a look  
around.  
It's nothing but  
wannabe witches  
and goofball ghosts  
as far as the eye  
can see.  
[]  
Yum-yum.  
[GIGGLES]

**SHAGGY:**

Ha-ha-ha. But  
I got to admit,  
a holiday invented  
just to eat candy  
can't be all bad.  
[GULPS]

**FREDDY:**

Hey. Check it out.

**VELMA [READS]:**

This ought to be  
good.  
I'll grab tickets  
before they sell out.  
[GULPS]  
Ah.  
[GIGGLES]  
Like, beat that,

Scoob.

Scooby-Dooby-Doo!

[BOTH GASP]

**BOTH:**

Scooby.

[GIGGLES]

[GULPS]

Confounded mutt.

[MUTTERS]

Look what you've done.

I'm soaked.

[MUTTERS]

Oh!

[SNIFFS, GROANS]

Wet-dog smell.

**FREDDY:**

Oh, wow.

We know you.

You're

the Amazing Krudsky.

We were just on our way  
to catch your act.

Act?

The Halloween Spectacular  
is no mere act.

Now, out of the way.

I must go blow-dry  
my cummerbund.

So, like, I guess we'll be  
seeing you inside.

Three magic words:

"No dogs allowed."

Huh?

[ ]

Can you believe  
the nerve of this guy?

"Master of Magic."

Puh-lease.

Like, what a bunch  
of Halloween hooey.

Yeah. Hooey.

Hey. That gives me

an idea.

Like, what do you say

we get in on the act?

[WHISPERING INDISTINCTLY]

Ooh. Uh-huh.

Yeah.

[GIGGLES]

**KRUDSKY [ON PA]:**

Once a year,

on Halloween night,

the powers of the dark

meet the powers of the light.

[CROWD GASPS]

[APPLAUSE, CHEERING]

People of Coolsville,

fix your slack-jawed gaze

upon my dazzling powers.

[CHEERING]

From the elegant parlors

of Vienna

to this unglamorous

backwater,

I, the Amazing Krudsky,

have come to

astound you.

Abracam,

caliphazam!

Ta-da.

Scooby-Dooby-Doo!

[GIGGLES]

Huh? Ugh.

[ALL LAUGHING]

[LAUGHING]

Like, check

it out.

That's not magic.

This table has

a hole in it.

[CROWD GASPS]

Confound it.

You're ruining my--

[SCREAMS]

And would you

look at that?  
Like, a trapdoor built  
right into the floorboards.  
That must be  
how he "magically"  
appeared on-stage.  
Ooh. Uh-huh, uh-huh.  
Ha-ha. There's  
no mystery here, Scoob.  
Like, the Amazing  
Krudsky is  
just a make-believe  
magician.  
[CROWD BOOING]  
H-- No. Ah-- Please.  
Ah-- C-come back.  
I can explain.  
[BLOWS RASPBERRY]  
Ohh.  
I'll get you  
for this.  
And your big dog too.  
Way to go,  
you two.  
You got us kicked out  
of the carnival.  
Now what are we  
supposed to do?  
[CLOCK BELL  
RINGING]  
Don't sweat it, gang.  
There's still one Halloween hoax  
we do believe in.  
[DOORBELL RINGS]

**BOTH:**

Trick or treat.  
[DOORBELL DINGS]  
Smell my feet.  
[DOORBELL DINGS]  
And give us something  
groovy to eat.  
[]  
Hey, Scoob.

Ha-ha. Like,  
check it out.  
The world's first  
candy hot tub. Ha-ha.  
Yeah. Hoo-hoo.  
Okay. I think  
that's enough  
trick-or-treating  
for one night.  
It's getting late.  
Oh. One more?  
Please?  
Okay. You guys go ahead.  
We'll grab the van  
and meet you back here.  
Scooby-Dooby-Do!

[GIGGLES]

[]

Blast those teenage  
troublemakers.  
If word of this gets out,  
I'll be ruined.  
It's not my fault  
I'm a big phony.  
I've spent a lifetime  
in search of real magic.  
I've studied every spell,  
spoken every incantation.  
There must be  
something I'm missing.

[GRUNTS]

Huh?

[GASPS]

The Goblin Scepter:  
fabled wand of  
the great Goblin King.  
"Bewitched by  
the darkest magic,  
"he who holds the Goblin Scepter  
holds the magic of Halloween  
in his grasp."  
It must be a sign!  
Somehow, someway...

[GASPS]

...tonight, the Goblin Scepter  
will be mine.

[LAUGHS]

Prepare yourself, Krudsky.  
You're finally going up  
in the world.

[GIGGLES]

[GRUNTING]

[GIGGLING]

[GROANING]

Who is responsible  
for this indignity?  
Think this is funny, do you?  
Show yourself this instant!

[GASPS]

Huh?

Ow.

Pesky insect.

[GRUNTING]

[GRUNTING]

Ah-ah-oof.

[GIGGLING]

[GRUNTS]

[GRUMBLES, GROWLS]

Oh. Uh?

[GRUNTING]

[MUTTERING]

[GIGGLES, GRUNTS]

Ugh.

Huh? Ha-ha.

Gotcha!

[GASPS]

[GROANING]

F-f-f-f-f-fairy?

[MUMBLING]

"Fable." "Fawn."

"Fangface."

Yes. "Fairy."

"If a mortal catches  
a fairy on Halloween,  
the fairy's magic can be stolen  
using the following spell."

[CACKLES]

[CLEARS THROAT]

By the fearful powers of  
Halloween night  
Give to me this fairy's light  
[GASPS]  
[CHORTLES]  
[LAUGHING]  
[]  
[BIRD CAWS]  
Here we are, Scoob.  
Last house on the block.  
Oh.

**SHAGGY:**

Boy, you said it.  
Talk about a kooky crib.

**SHAGGY:**

"Mr. Gibbles'  
Genuine Magic Shopp-ee."  
Ha. There's nothing  
to be afraid of, Scoob.  
Ha-ha-ha.  
It's just more  
Halloween hogwash.  
Oh. Hee-hee.  
Hee-hee-hee-hee.  
[GATES CREAK]

**BOTH:**

Huh?  
[DOOR CREAKS OPEN]  
[GULPS]  
But, like,  
shouldn't we have  
knocked first?  
Yeah.  
we should've  
knocked.  
Like, check out this creep-show  
convenience store.  
Hey, Scoob.  
Like, just call me  
Merlin the Mostest Magician.  
[GIGGLES]

[BLOWS RASPBERRY]  
[CONTINUES BLOWING]  
[GIGGLES]  
[GASPING]  
[GROWLS]  
[GASPS]  
[CHUCKLES]  
[YELPS]

What is it,  
Scooby-Doo?  
Magic mirror.  
Magic mirror!  
A magic mirror?  
Come off it,  
Scoob. Ha-ha.  
What are you, afraid  
of your own shadow?  
[THUNDER CRASHING]

**BOTH:**

Yikes!

**MAN:**

Who dares speak  
of the shadows  
on Halloween night?  
[BOTH GASP]  
A wizard must be careful  
with his words.  
[GULPS]  
Our bad.  
Like, we're new here.  
Yeah. New here.  
Always delighted to meet  
new customers. Always, always.  
Welcome to Mr. Gibbles',  
where the magic is real  
at prices that  
are unreal.  
[]  
Sorry. But you got us  
all wrong.  
Like, we're not customers.  
We're consumers.

Like,  
trick or treat.  
Trick or treat.  
Trick or treat, eh?  
Well, then...  
I choose "trick."  
Huh?  
Huh?  
Witches and warlocks  
Ghosts and ghouls  
One night a year  
They break all the rules  
You never know  
Who's at the door  
On Halloween night  
Spirits from the shadows  
Creeping into the light  
Werewolves howl  
[HOWLS]  
And vampires take a bite  
[CACKLING]  
That's scary.  
Don't you know  
There's still hope?  
Take it from me  
You can have protection  
For a nominal fee  
Tonight, the dark and light  
Unite  
A magical mystery  
Spell books, potions  
They fly off the shelves  
We offer a discount  
To trolls and elves  
When danger's at the door  
On Halloween night  
If you master magic  
You can put up a fight  
Face your fears  
The power's here  
At Gibbles'  
The price is right  
[KNOCK  
ON WINDOW]

Mr. Gibbles.  
Mr. Gibbles, please.  
Please open up.  
I need your help.  
Gallopig ghosts.  
Fairy Princess Willow.  
[BOTH GULP]  
F-f-fairy Princess?  
Fairy Princess?  
Your Highness.  
What are you doing here?  
Please listen. There  
isn't much time.  
An evil magician has  
stolen my fairy powers.  
You must close the shop  
before he finds me here.  
Close my magic shop?  
On Halloween night?  
Heh-heh. Oh, another one  
of your pixy pranks.  
This is no prank.  
Please, you must hurry  
before it's too late.  
Speaking of "late,"  
like, don't bother  
showing us the door.  
If there's one thing we know,  
it's how to make an exit.  
[RUMBLING]  
[BOTH GASP]  
[CACKLING]  
Mr. Gibbles'  
Genuine Magic Shoppe.  
My, what an impressive  
emporium.  
Mind if I have  
a quick look around?  
I'm sorry. We were  
just closing for the night.  
Uh, perhaps you can  
come back next year?  
I've waited long enough.  
Mirror, mirror, tall and sleek

Show me the fairy that I seek

[TICKING]

[]

Ah.

There you are.

[GASPS]

Fickle fairy.

Thought you could escape  
while my back was turned?

Ugh. Typical mortal.

Stealing my fairy magic  
isn't enough?

Once you have a little power,  
all you want is more,  
more, more.

[CHUCKLING]

I know.

Isn't it marvelous?

Now, obey  
your master.

[CHANTS IN FOREIGN  
DIALECT]

[SCREAMS]

No!

[SHOUTS IN FOREIGN DIALECT]

Old fool.

Ears of fuzz, tail of cotton  
Powers of good  
Meet the powers of rotten

[SCREAMS]

Now, hop along.

I'll just pick up  
a few things  
while I'm here.

[SNICKERING]

[CACKLING]

Zoinks. Don't

look now, Scoob,

but I think the

"Not-So-Amazing" Krudsky  
just got his act together.

Don't worry, lads.

We may yet save the Fairy  
Princess and Halloween.

I've still got a few tricks  
up my sleeve.

[GULPS]

Like, that's not his sleeve.  
Uh-oh.

[LAUGHS NERVOUSLY]

Like, we'd love to  
stick around,  
but I just remembered,  
Scoob and I are  
deathly allergic  
to magical talking rabbits.  
Uh-huh.

[BOTH SNEEZING]

Crystal burning  
Bright with fire  
Future secrets I desire

**DAPHNE:**

Oh, Scooby-Doo. Where are you?

**BOTH:**

Huh?

[KRUDSKY CACKLING]

**KRUDSKY:**

This shall  
teach you  
to meddle in the affairs  
of magicians.

[SCREAMING]

[INSANE CACKLING]

[GROANING]

[CACKLING]

[HOWLING]

**SCOOBY-DOO:**

Oh-ho-ho.

Oh, no.

Zoinks!

Oh, ho-ho-ho!

Like, that magical maniac  
just gave the gang  
an extreme monster makeover.

No, my friends. It is  
the future you have seen.

Huh?

What?

Like, the future?

As in, stuff that  
hasn't happened yet,  
and therefore might be changed  
if we embark on a perilous quest  
to alter the hand  
of destiny?

Like, that kind  
of future?

Something like that, yes.

[BOTH GULP]

Like, I was  
afraid of that.

Yeah. Me too.

We must act  
quickly.

See for yourselves.

The magic scepter of the great  
Goblin King himself.

**BOTH:**

G-g-great Goblin King?

[TEETH CHATTERING]

Don't you see?

Krudsky has stolen the light  
magic from Princess Willow.

Now he only needs the dark magic  
of the Goblin Scepter  
to complete his power.

Okay. Like, that  
doesn't sound so bad.

Not so bad?

It would destroy  
the very balance  
of the supernatural order.

Huh?

Hm?

This world would fall  
into chaos,  
and the powers of

Halloween night  
would rule here forever,  
turning everyone into  
horrible Halloween monsters,  
just like your friends.  
Well, when you put it  
that way...

Oh.

You must travel to the land  
of the Halloween spirits.  
There you will seek  
the hidden castle  
of the great Goblin King.  
Sneak into the castle  
undetected,  
grab the Goblin Scepter,  
and make your escape  
before the stroke of midnight.

[GRANDFATHER CLOCK CHIMES]

[NERVOUS LAUGHTER]

Like, is that all?

Scoob, old buddy.

Like, next year,

what do you say

we just skip Halloween

and go right on

to Thanksgiving?

[WHIMPERING,

CRYING]

[ ]

I wish there was more I could  
do for you. But take these.  
They should serve you well  
on the other side.

**SHAGGY:**

A deck of cards?

These are magic cards.

Hold one out like so

and read the inscription.

Like, "demented

disguises."

Huh?

Hey. Check it out,

Scoob.

Like, our very own  
monster mash-up.

Cool.

[SNICKERS]

[LAUGHS]

Marvelous.

You'll have no trouble  
blending in now, eh?

Let's try

another one, Scoob.

Okay.

No, no, no.

You have to save them  
for emergencies.

Each card can be  
used only once.

And be careful.

Each magic spell lasts  
but a short time.

[RUMBLING]

**BOTH:**

[TRAIN WHISTLE SOUNDS DISTANTLY]

Speaking of time, you've  
got a train to catch.

[TRAIN WHISTLE BLARES]

[WHISTLING]

**SHAGGY:**

Like, check out  
that freaky freight train.

**SCOOBY-DOO:**

Yeah. Freaky.

Attention. Afterworld Express  
with one-way,

nonstop service to:

Sleepy Hollow,

Hangman's Corner,

and Ghost Central

Station.

Scoob, old buddy,

I think we're in for

the ride of our afterlives.  
Oh. One last thing.  
Whatever happens,  
you must return by sunrise  
or be trapped in  
the spirit world forever.  
Back by sunrise,  
trapped forever. Uh, got it.  
[GULPS]  
But, like,  
how are we supposed to  
get back?  
Oh, dear. I hadn't  
thought about that.  
Huh?  
Huh?  
[WHISTLING]  
[]  
[TRAIN WHISTLE BLARING]  
[BOTH SCREAMING]  
[WHISTLE BLOWING]  
Zoinks.  
Don't look now,  
Scooby-Doo,  
but, ho-ho, I think  
we're riding  
on the Grim Reaper  
railroad.  
[GHASTLY LAUGHTER]  
Like, stop the train.  
[BELL CHIMES]  
Ha-ha! We want off  
this loco locomotive.  
[WHIMPERS]  
[BOTH SCREAMING]  
[GHOSTLY CACKLING]  
[BOTH KISSING GROUND]  
[LAUGHS]  
Like, we made it, Scoob.  
We're on the ground.  
The sweet,  
sweet ground.  
[CHUCKLES]  
[BOTH KISSING GROUND]

[IN BRITISH ACCENT]

You there.

What you think  
you're doing, eh?

Trying to sneak  
into my boneyard  
while my back  
was turned?

I think our disguises  
have lost their charm.

[BOTH GASP]

Oh. A couple of wiseacres, eh?

Believe me, laddies,  
you don't want to  
see my bad side.

[GROWLING]

[GROWLING]

[HOWLING]

Zoinks!

[WHIMPERING]

[GROWLING]

Like, this being  
your bad side?

[ROARING]

Time for a late-night snack.

Like, hold on.

Uh, you wouldn't eat  
a fellow werewolf, would you?

Huh?

Observe.

[SNIFFS]

[WHIMPERS]

[GROWLS]

[ROARING]

[GROWLING]

[LAUGHS]

Stone me.

It's one of me  
own brethren.

Come on, then.

Come on.

[ ]

Sorry about  
the rough reception, mate.

Gotta keep out  
the riffraff now, don't we?

[LAUGHS]

[PEOPLE CHATTERING]

Whew.

Oh.

[HORN BLOWING]

[JAZZ MUSIC PLAYING]

[INDISTINC CHATTERING]

Zoinks.

Like, this is one  
whacked out  
watering hole.

Blah, blah, blah,  
blah, blah,  
blah, blah.

Boo. Boo-hoo-hoo.

[LAUGHS]

Okay, Scoob. Like,  
just be cool.

Yeah.

[GULPS]

Be cool.

Like, great party,  
huh?

[LAUGHS]

So, uh, what's  
a nice ghoul like you  
doing in a place  
like this?

[SNAKES HISS]

Zoinks!

Like, forget I asked.

[BAND PLAYS JAZZY MUSIC]

Gather round  
Here underground  
And listen to a song  
We can rock this joint  
Till dawn  
If you sing along

**ALL:**

What goes bump in the night?

**ALL:**

We go bump in the night  
This time of year  
The coast is clear  
To cause a terrible fright

**ALL:**

We go bump in the night  
It'll be out of sight

**GIRLS:**

We come out for a bite

**ALL:**

Tonight, we toast  
To ghouls and ghosts  
Who haunt the pale moonlight  
Whoo  
What goes bump  
in the night?

**ALL:**

We go bump in the night  
[UNINTELLIGIBLE MUMBLING]  
We go bump in the night  
[SNICKERING]  
[GASPS, SNICKERS]  
So if you're new  
Here's what  
You do  
Take your turn and sing  
Like, anybody know  
The way  
To the castle  
Of the Goblin King?  
[MUSIC STOPS]

**ALL:**

Goblin King?  
[SHRIEKS]  
[ALL SCREAM]  
[SCREAMS]  
[CROAKING]  
[SCREAMS]

[SHRIEKS]

Like, was it something  
we said?

**GOBLIN 1:**

Goblin patrol!

**GOBLIN 2:**

Hold it right there.

Ooh. You've

done it now, boys.

No one dares speak

of the Goblin King.

Ooh! Ow!

What'd you do that for?

You said "Goblin King."

Ow! Hey.

Don't say

"Goblin King."

You said it first.

Did not. You started it.

No, I have a right to.

You said it first.

[QUIETLY]

Come on, Scoob.

Right now is our chance  
to vamoose.

**GOBLIN 2:**

**GOBLIN 1:**

I can do what I want,  
because I'm the first one in.

Hang on there.

Just where do you think  
you're going?

It's off to the goblin  
dungeons for you.

**CREATURE:**

Come on, the party's  
just getting started.

So tell me, goblin boy,  
is this a private fight,

or can anybody join in?  
Like, why not?  
Ha. The more the scarier.  
[LAUGHS]  
Step aside, you.  
Nobody messes with  
the Shadow Goblins.  
Ooh. What are you gonna do,  
breathe on me?  
[CACKLES]  
If you wanna go  
a few rounds  
with old Jack O' Lantern  
right here, right now,  
let's rumble.  
Oh, oh, oh-- Hey--  
Hey, come on,  
take it easy there, Jack.  
Come on, we're only  
doing our jobs. Please.  
Wait till we tell  
the Goblin King about this.  
You're gonna be  
in so much trouble.  
Shut it, will you?  
Hey, what'd I say?  
You said "Goblin King."  
You got me-- You wanna  
get me in trouble.  
You're the one  
in trouble.  
You're the one that  
says it all the time.

**JACK:**

Hey, come on.  
This place is dead. Ha-ha.  
[]  
[LAUGHING]  
You better watch it.  
The last thing  
you want tonight  
are those good-for-nothing  
goblins coming after you.

But I gotta  
give you props.  
[LAUGHS]  
The Goblin King's  
castle?  
What a riot. You guys  
are whacked. I love it.  
[LAUGHING]  
So, like, does that  
mean you'll help us?  
Look, you guys  
crack me up,  
but I can't  
hang with you.  
I got my own deadline  
tonight.  
See my candle?  
[]  
That's how long I got  
to get my Halloween on.  
Once it burns out,  
I'm burned out.  
You know what  
I'm saying?  
[HORSE WHINNYING]  
[LAUGHING MANIACALLY]  
[WHINNYING]  
[BOTH GASP]  
Like, who's the creep  
with the missing cranium?  
The Headless  
Horseman.  
[LAUGHING MANIACALLY]  
[WHINNYING]  
I am so tired of  
working with this guy.  
Quick, y--  
You gotta help me.  
[LAUGHING MANIACALLY]  
[]  
[HORSE WHINNYING]  
[SNORTS]  
[LAUGHING MANIACALLY]  
[SCREAMS]

Zoinks!  
[YELLING]  
[WHINNIES]  
[BOTH YELL]  
[WHINNIES]  
[LAUGHING MANIACALLY]  
[BOTH WHIMPERING]  
"Shield of safety."  
[GIGGLING]  
[WHINNYING]  
[YELLS]  
Huh?  
[YELPS]  
[LAUGHING MANIACALLY]  
[PANTING]  
"Wall of gnome!"  
[GIGGLING]  
[ALL YELLING]  
"Force of flowers."  
"Clown calamity."  
"Baby on a frog."  
[CROAKING]  
[WHINNIES]  
[YELLING]  
Oh, the magic cards.  
[SCREAMING]  
[SCREAMING]  
[LAUGHING MANIACALLY]  
[SCREAMING]  
[SCREAMING]  
[PANTING]  
[WHINNIES]  
[YELLS]  
[LAUGHING MANIACALLY]  
Scooby-dooby-doo!  
Ow. Ooh-ooh. Ow.  
I got him.  
[WHIMPERING]  
[WHINNYING]  
[ ]

**JACK:**

Head for the covered bridge.  
It's our only chance.

[JACK SCREAMING]

[HORSE SNORTS]

[YELLING]

Zoinks. Like,

why did he stop?

Well, duh. That's

the Horseman's one fatal flaw:

He can't cross

covered bridges.

[WHINNIES]

Ha-ha.

Like, I guess it's true

**what they say:**

"It's tough to get 'a head'

in this town."

[ALL LAUGHING]

[]

**FREDDY:**

Shaggy, Scooby.

Huh. Guess they're

not here either.

This place is deserted.

Not quite. Look.

[]

[LAUGHING MANIACALLY]

Mirror, mirror on the wall,

who's the most dreadful

goblin of all?

What wizard

dare disturb

the great Goblin King?

[ALL GASP]

Greetings, your royal awfulness.

The Amazing Krudsky,

at your service.

Foolish mortal.

To what purpose

do you summon

the ruler of

the goblin hordes?

Say hello to my little

fairy friend.

[GASPS]

Fairy Princess Willow.

Jeepers. A real-life fairy.

Maybe Krudsky's magic  
is real after all.

But that's  
impossible.

Rational mind...  
shutting down.

Ooh.

What loathsome  
trickery is this?

No tricks. Only a trade.

Meet me at the clock tower,  
midnight...ish.

There I shall  
release her to you

in return for  
your Goblin Scepter.

Most foul and wicked wizard.

You tempt powers  
beyond your grasp.

[GROWLS]

You shall regret this.

[LAUGHING MANIACALLY]

Soon, all the powers  
of Halloween  
shall be mine.

And then I'll show  
that scruffy slacker  
and his mangy mutt,

Scooby-Doo,

a magic trick

they'll never forget.

[LAUGHING MANIACALLY]

[]

Shaggy and Scooby  
are in big trouble.

We've gotta find them before  
that whacked-out warlock does.

And what about that  
adorable little fairy?

We can't just let that icky  
Goblin King take her away.

Right, Velma?

[GROANING]

[LIPS SMACKING]

Oh, no.

Velma's fried.

All this must have  
overloaded her rational brain.

Then it's up to us, Daphne.

We've gotta get over to that  
clock tower before midnight  
and set a trap  
for that magic maniac.

Come on.

[]

[CREATURE SCREECHING, CAWING]

End of the line,  
guys.

There's the witch's hut,  
just like I promised.

Look, I gotta bounce,  
but they can help you  
find the Goblin Castle.

You know, assuming they don't,  
uh, eat you first.

Eat us?

Eat us?

Are you sure you won't  
come with us, Jack?

Sorry, guys. But those old bags  
take one look at me and,  
splat, I'm pumpkin pie.

You know what I'm saying?

But, like, how are we gonna  
get along without you?

We haven't got  
any magic left.

Yeah. How?

Are you kidding?

You guys rescued me  
from the "Brainless"

Horseman, hello?

That took  
real courage.

And everybody

knows courage  
is the most powerful  
magic of all.  
Like, I hate to  
tell you,  
but that wasn't courage.  
That was panic.  
Hey, whatever you call it,  
it's working for you.  
Keep it unreal,  
and happy Halloween!

[]

[SIGHS]

[LIQUID BUBBLING]

Boil and bubble,  
toil and trouble  
If it's too weak,  
then make it a double

[BOTH LAUGHING]

[MEOWS]

[LAUGHING]

For once in our lives,  
Scoob, like,  
I hope we're  
too late for supper.  
It is very rude  
to linger in doorways.

[BOTH GRUNT]

[BOTH WHIMPERING]

Eye of snake  
and tongue of rat  
Pie of rhubarb, wing of bat

[LAUGHING]

There, now.  
It's almost ready.  
Here. Taste.  
Uh. Uh, no, thanks.  
I'd really rather--  
Mm?

Boy. Do I feel sluggish  
all of a sudden.  
Zoinks!  
Hmm. I knew it.  
Not enough

dragon's tooth.

Uh-oh.

[MEOWS]

[GROWLING]

[SCREAMING]

Meow.

[LAUGHING]

Like, hang on, Scoob.

We gotta make a beeline  
from this feline.

[MEOWING]

[PANTING]

No. No, no, no.

This will never do.

Ohh. Hm? Oh.

Quite right.

More meat on them  
this way.

Come, my sweets.

We'd just love to  
have you for dinner.

[WITCHES LAUGHING  
MANIACALLY]

[BOTH GASP]

[LAUGHS NERVOUSLY]

Wish we could stay,  
but you see,  
we just stopped in  
to ask for directions.

Uh-huh.

Yes. We can  
guide you to  
the hidden lair  
of the Goblin King.  
But first,  
you must help us.

[ALL LAUGHING]

[ ]

There are bad omens  
everywhere tonight.  
Some dark force  
has upset  
the supernatural  
balance.

Catastrophe rides  
on the wind.  
I'm afraid I've had to cancel  
my midnight ride.  
Naturally, my magic broomstick  
is devastated.

**BOTH:**

M-m-m-m-magic broomstick?  
Poor thing. He was  
so looking forward to it.  
It's very bad  
to break  
a magic broom's  
spirit.  
Once broken, they are  
never the same again.  
All right, Broomy.  
Enough moping.  
These nice boys are going to  
take you out for a spin.  
Aren't you, boys?  
Scoob, old buddy, like,  
why do I get the feeling  
that we're the ones  
about to get spun?  
Oh, no.  
Now, hold on tight.  
Lean forward for faster,  
back to slow down.  
And watch out. He's got  
a wild streak in him.  
Just loves to take off  
on you. But don't let him.  
Like, got all that,  
Scoob?  
No.  
[WHIMPERS]  
Here, you'll need this  
to get inside the castle.  
It's magic potion.  
My own secret  
recipe,  
made from Scratch.

Poor old

Scratch.

[LAUGHING MANIACALLY]

[BOTH LAUGHING]

Take them to  
the Old Oak Grove.

From there,  
the fairies will  
guide you to  
the Goblin Castle.

But beware.

It's a hideous place  
filled with the most horrible  
monsters imaginable.

And do write.

[]

[BOTH YELLING]

[BANGING]

Hm.

Hm.

[LAUGHS]

Hey, Scoob.

I think we're getting  
the hang of this thing.

Scooby-doo-by-doo!

[CHUCKLING]

Hey, look. Ha.

Let's shoot 'em down.

Bring out  
the goblin blaster.

[]

[SIREN WAILING]

[BOTH GASP]

Get 'em. Get 'em.

**BOTH:**

Whoa!

[YELPS]

[SCOOBY WHIMPERING]

[BOTH YELPING]

Fire.

[SHAGGY SCREAMING]

[GASPS]

**SHAGGY:**

Mayday. Mayday.  
We're going down.  
[SCOOBY-DOO HOWLING]  
[]  
[WHIMPERS]  
Hmm?  
[CONFUSED WHIMPER]  
[BOTH GRUNT]  
Oh.  
Huh?  
Hmm?  
[BOTH GASP]

**BOTH:**

Ooh.  
[]  
[GULPS]  
Like, are we dead?

**VOICE 1:**

Hee-hee-hee!  
Of course you're not dead.

**VOICE 2:**

Ha-ha-ha-ha!  
You big sillies.  
Hee-hee-hee!  
Name's Sparkplug.  
[YELPS]  
I'm Honeybee.  
[WHIMPERS]  
[TEETH CHATTERING]  
And I'm Tiddlywink.  
Welcome to  
the City of the Fairies.  
[]  
[GASPS]  
Look over here.  
Your broomstick.

**SHAGGY:**

Oh, no. Poor Broomy.  
[HOWLS]

Broomy.

Don't worry.

[WHISTLES]

A little fairy magic will  
have him fixed up in no time.

[]

Wow. Ah-ha-ha!

Like, who knew fairies  
could be so friendly?

**SPARKPLUG:**

Of course.

**TIDDLYWINK:**

We fairies use only good magic,  
balancing out  
all the bad magic  
used by the Shadow Goblins.

But tonight, the balance  
is shifting.

I fear something terrible  
is happening.

We know all about it.

If we can catch a lift  
to the Goblin Castle,  
we may be able to stop it.

We can show you  
the way,

but you'll never  
get inside.

The castle will be  
crawling with guards  
for the Goblins' Rave.

**BOTH:**

G-G-G-Goblins' Rave?

Yeah. She's  
right.

You'll never  
get in.

It's totally the biggest  
party of the year.

You don't say.

[LAUGHS]

If there's one thing  
we know how to do,  
it's crash  
a party.  
Yeah.

[LAUGHS]

[THUNDER CRASHING]

[ ]

**HONEYBEE:**

The Goblin Graveyard  
hides the secret entrance,  
but it's only  
a one-way trip.

[BELL DINGS]

[RUMBLING]

**SPARKPLUG:**

Express elevator going down.

[BOTH WHIMPERING]

Like, on second thought,  
maybe we should  
just take the stairs.

**FAIRIES:**

In you go.

[BOTH WHIMPERING]

**HONEYBEE:**

Bye-bye.

[BOTH SCREAMING]

[ ]

**SHAGGY:**

Zoinks! Like, first floor,  
creepy Goblin Castle.

[SCOOBY WHIMPERING]

**GOBLIN 1:**

Come on. Back up.

Knock it off, knock it off.

You, get a shower.

You stink.

You ain't on the list,

you ain't getting in.

[CACKLES]

Losers.

[MOANING, YELLING]

[ELECTRONIC MUSIC

PLAYING INSIDE]

Okay, Scoob.

[HISSING]

Here goes.

Over the lips

and past the gums.

Look out, stomach. You're  
not gonna like this.

[GULPING]

[WHIMPERS]

Oh, boy.

[GULPING]

[GRUMBLING]

SHAGGY [FALSETTO]:

Hee-hee-hee-hee!

Hello, boys.

**BOTH:**

Huh?

[GOBLINS OOHING, AHHING]

Hello.

[GIGGLING]

[BOTH WHOOPING AND HOWLING]

[LAUGHING]

Hello, pretty ladies.

[CACKLES]

Hi, gals. Heh.

We-- We, uh--

We don't see

your kind around here

too often.

[SNICKERS]

Oh. Ha-ha-ha!

I bet you say that to

all your goblin girlfriends.

[GRUNTS]

[LAUGHING]

We just love

goblin parties.

Like, tell me,  
gruesome.

[]

Any chance you could  
sneak us in?

[CHUCKLES]

Well, uh, I don't know, uh...

All right. All right.

I'm gonna get in trouble  
for this, but...

in you go.

Like, thanks, you big,  
horrible thing, you.

[]

She had it all going on.

Yeah, yeah, yeah. But  
did you see her friend?

[SMOOCHES, BLOWS]

[GIGGLES]

Ew. What a dog.

[ELECTRONIC MUSIC PLAYING]

[GOBLINS LAUGHING]

**GOBLIN 3:**

Rock 'n' roll, baby.

Rock 'n' roll.

It's midnight tonight.

It's Halloween.

[INDISTINCT CHATTER]

Shaggy, look.

**SHAGGY:**

That must be

His Royal Rottenness himself.

And look. There's

the Goblin Scepter.

Zoinks! Only five minutes  
till midnight.

We gotta grab the scepter  
and hightail it out of here.

Like, on the count

of three. Ready?

One, two...

three.

Well...  
hello, my lovelies.  
[]  
[GRUNTS]  
Don't be  
shy, now.  
Let's have a dance.  
Dance? Now?  
Hit it.  
[GOBLINS CHEER]  
[PLAYING JAZZ]  
[WHIMPERS]

**GOBLIN 4:**

Swing it, boys!  
Yeah, dig that sound  
From underground  
They're gettin' down  
In Goblin Town  
Where wrong is right  
It's out of sight  
We sleep all day  
And dance all night

**WOMEN:**

Goblin oogie-boogie  
It's the biggest  
Night of the year  
Goblin oogie-boogie  
Baby, Halloween is here  
[ALL WHOOP]  
Goblin oogie-boogie  
Oogie-boogie-woogie  
[MAN SCATTING]  
Tonight, you're gonna  
Get your chance  
To get out on the floor  
And dance  
Zoinks!  
[NORMAL VOICE]  
Like, only one minute  
till midnight, Scoob.  
We do our voodoo  
On Halloween night

**WOMEN:**

As the bassists  
Slap in time  
You're gonna flip  
When you hear the rhyme  
Flap your wings  
And stamp your feet  
In your bones  
You can feel the beat  
Goblin oogie-boogie

**GOBLIN 4:**

Get your groove  
And give a cheer  
Goblin oogie-boogie  
And the king  
Will take it from here  
Huh?  
Uh-oh.  
[GULPS]  
What's this?  
[SMOOCHES]  
[GIGGLING]  
[SPITTING]  
Way to go, Scoob,  
old buddy. Ha!  
Gangway.  
Impostors.  
Seize them!  
[GOBLINS CHATTERING]  
Oh.  
Left turn, Scoob.  
Right turn,  
Scoob.  
Whoa!  
Like, dead end.  
[GOBLINS CACKLING,  
SCOOBY WHIMPERS]  
Who dares disrupt  
the Goblins' Rave?  
Like, don't  
mind us.  
We were just

leaving.

Whoa!

[BOTH WHIMPERING]

[CLOCK CHIMING]

Then the goblin hour  
has arrived.

[]

You are free,  
my minions.

[GOBLINS CHATTERING, CACKLING]

Go forth this night,  
and let goblin mischief reign!

[CACKLING]

[CHAINS CLANKING]

[GOBLIN 1  
CHUCKLING]

O great one,  
what you want  
we should do with them?

Ha-ha! Yeah. What do  
we do? What do we do?

Take them to the tower dungeon.

T-t-t-tower dungeon?

Oh-ho-ho-ho!

Like, any chance we could  
put in for an upgrade?

Enough talk.

Be thankful that I have more  
urgent matters to deal with.

Take them away.

[BOTH WHINING]

[]

[CLOCK CHIMING]

Show yourself, wicked warlock.

Greetings,

Your Majestic Malignancy.

Thank you for coming.

I do so admire  
your punctuality.

Show me the princess  
or be destroyed.

[CHUCKLING]

You wouldn't dare  
use magic against me

so long as I have her  
under my spell.

Why, here she is now,  
unharméd,  
as promised.

And now, if you please,  
the Goblin Scepter.

Beware, mortal.

You know not the powers  
you are dealing with.

Jeepers.

Shh!

Blah-bity-blah-blah-blah.

Cough it up already.

[GROWLS]

So be it.

[GIGGLING]

[]

Now, Daphne!

[GRUNTS]

[YELPS]

[GASPS]

[YELLS]

Gotcha.

[CACKLING]

Ladies and gentlemen,  
the Amazing Krudsky,  
version 2.0!

[]

Well, well.

Look at the big, bad  
Goblin King.

Release me at once.

I'll take over  
from here, junior.

No!

[HONKING]

Hm-hm-hm. Now. Who's next?

Okay.

That was not  
part of the plan.

Run for it!

[]

Shadow Goblins,

have your fun.  
Halloween has  
just begun.  
[GOBLINS CHATTERING]

**SHAGGY:**

Boy, Scoob,  
did we screw up this time.  
Like,  
game over.  
Yeah.  
Game over.  
Now we'll never  
make it back before sunrise,  
and be trapped in  
the spirit world forever.  
Still, we gave it  
one heck of a try,  
didn't we, Scoob?  
We did?  
I mean, think about  
how far we came.  
That took courage,  
stamina, brains.  
And, like, those are  
things we don't have.  
Yeah.  
Uh-uh.  
[SIGHS]  
I just wish we had  
one more chance  
to save the day.

**HONEYBEE:**

Did somebody say "wish"?  
[]

**TIDDLYWINK:**

Lucky for you, granting wishes  
is what we do best.  
Hey. Our fairy friends.  
[LAUGHS]  
Like, we're saved.  
Yippee!

Hey. Good  
for you guys.  
[BOTH SCREAM]  
Well, come on.  
Your ride is here.  
[]  
Whoa! Hoo-hoo!  
[WHIMPERING]  
Shaggy, look.  
Broomy. You're  
back in action.  
[LAUGHS]  
Come on, Scoob. Like,  
we're going for the sweep.  
[]  
What's up, dog?  
[CACKLES]  
Jack.  
You came back.  
Hey, there's still a little fire  
left in this old pumpkin.  
[CACKLES]  
Come on. Let's carve.  
[JACK CACKLING]

**SCOOBY-DOO:**

Whoo-hoo!  
[KRUDSKY LAUGHING]  
Tonight, Halloween is  
under new management.  
All hail  
the Goblin King.  
What is your command,  
O great one?  
[TIRES SQUEALING]  
Hm.  
[KRUDSKY LAUGHING]  
How about...  
a little  
target practice?  
[KRUDSKY LAUGHING]  
[GROANS]  
What's happening?  
Where am I?

Hm-hm. Not so fast.  
[BRAKES SQUEALING]  
Jinkies.  
Ladies and gentlemen,  
I present...  
the Monstrous Machine.

**DAPHNE:**

Look out.  
The van's coming apart.  
[ROARING]  
Whoa. Now, that is  
something  
you just do not do  
to a guy's van.  
[ALL SCREAMING]

**FREDDY:**

Run!  
H-head for the carnival.  
[BRAKES SCREECH]  
Jinkies.  
[ROARS]  
[ALL SCREAMING]  
[ALL SCREAMING]  
Ah.  
BOTH [SCREAMING]:  
Freddy!  
[FREDDY SCREAMING]  
[GROANS]  
[BOTH GROANING]  
[CLUNK]

**DAPHNE:**

Jeepers. We're stuck.  
[TIRES SCREECHING]  
[KRUDSKY LAUGHING]  
This shall teach you  
to meddle in the affairs  
of magicians.  
Do something,  
Freddy.  
I am doing  
something.

I'm panicking.  
Oh, Scooby-Doo.  
Where are you?  
[]  
[CRIES OUT]  
[CACKLING]  
[CRYING OUT]  
[CACKLING]  
[HOWLING]  
[LAUGHING]  
Whoo!  
At last. My magic powers  
are complete.  
Who could dare stop me now?

**SCOOBY-DOO:**

Scooby-Dooby-Doo!  
[]  
Huh?  
[MUFFLED SHOUTING]  
[GROWLS]  
Take that.  
[GRUNTING]  
Hang on.  
We're coming around.  
[SCOOBY LAUGHS]  
Here we go, Jack.  
Yee-haw!  
[SCREAMS]  
[SHOUTING INDISTINCTLY]  
Ha-ha-ha. Like,  
nice catch, Scoob.  
[CRYING OUT]  
Ooh. Scoob?  
Zoinks.  
Mm?  
Oh. I've had it up  
to here with you...  
meddling meddlers.  
The Goblin Scepter  
is mine. Let me have it.  
[CHUCKLES]  
You heard the man, Scoob.  
Like, let him

have it.

Okay.

I hate you.

[CRYING OUT]

[GASPS]

Like, who says you can't  
teach an old dog new tricks?

[BOTH CHUCKLING]

[HOWLING, GASPS]

[BOTH YELL]

Oh, thank heavens.

[VELMA GASPS]

Look, gang.

The spell is broken.

I'm free.

Uh-oh.

But not for long.

[CAWING]

[WHIMPERS]

Huh?

Yikes.

I got you, Scoob.

You ham-fisted hecklers.

Just wait until I--

I--

[GASPS]

Trick or treat.

[SCREAMS]

No!

Princess Willow...

the trouble you have caused

this night is inexcusable.

I know. And

I'm sorry, Daddy.

**ALL:**

Huh?

Daddy?

I shouldn't have

snuck out early,

and I'll never do it

again, I promise.

As of now, you are officially

grounded for one year.

But I'm awfully glad  
to have you back,  
my little princess.

Mwah.

So...all's  
forgiven, then? Huh?

[STUTTERING]

You know, Krudsky. You really  
are my kind of guy.

Really?

You mean, you'll help me  
with my career?

Let's just say,  
where you're going,  
you'll have lot of time  
to practice your act.

[SQUEALS]

[CACKLING]

No. I don't wanna go back yet.

Aw. Do we have to? Ahh.

Come on.

[GOBLINS SCREAMING]

[]

Poor old Jack.  
He's all burnt out  
for another year.  
Looks like our time  
is up.  
We'd best say  
our goodbyes now.

**BOTH:**

Goodbyes?

Come along,

Broomy.

It's time we got  
you home.

Great job,

my young wizards.

Be sure to stop by  
the magic shop next year.

Your Majesty, if you please.

Hey, hey! What do  
you say?

Jack lives to see  
another day.  
[CHUCKLES]  
Yippee.  
Hey-hey. Take it  
easy, Scoob.  
You're gonna slobber  
my new candle out. Hey.  
Come on, Jack.  
Time to fly.

**JACK:**

Gotta buzz, coz.  
Jack O'Lantern out!  
Thank you all so much.  
May the magic of the fairies  
be with you.  
Heh. Like, I'll never,  
ever forget this.  
[LAUGHS]  
Me neither.  
Bravest of mortals...  
you shall indeed remember,  
but all others must forget.  
By the shining rays of dawn  
All memory of this night  
Begone  
I want my mommy!  
[]  
[COCK CROWS]  
Mm.  
Whoa.  
What just  
happened?

**SHAGGY:**

Hey, gang.  
Like, where you been?  
Ha-ha-ha-ha.  
We've been looking  
all over for you.  
Shaggy. Scooby.  
What happened to you guys  
last night?

[BOTH CHUCKLING]

Like, you wouldn't  
believe us if we told you.

[]

Well, gang, another Halloween  
Carnival come and gone.

I hate to say it,  
but don't you think  
we're getting a little old  
for this stuff, Freddy?

**VELMA:**

It does seem a little bit silly  
to go around pretending  
to believe in  
monsters and magic.

Even if it is just  
one night a year.  
Real or unreal. Like,  
what's the difference?

Ha-ha.

Like, the truth is  
you never know where  
your next scare  
is gonna come from.

You've just gotta  
find the courage  
to deal with it  
face to face.

[CACKLING]

Zoinks!

Like, it's that headless horror  
from the Halloween world.

[GIGGLES]

Scooby-Dooby-Doo!

Hit it!

[JAMES BELUSHI'S

"GOBLIN OOGIE BOOGIE" PLAYING]

**BELUSHI:**

Swing it, boys  
Hey! Dig that sound  
From underground  
They're gettin' down

In Goblin Town  
Where wrong is right  
It's out of sight  
We sleep all day  
And dance all night

**WOMEN:**

Goblin oogie-boogie  
It's the biggest  
Night of the year  
Goblin oogie-boogie  
Baby, Halloween is here  
Goblin oogie-boogie  
Oogie-boogie-woogie  
[SCATTING]  
Tonight, you're gonna  
Get your chance  
To get out  
On the floor and dance  
The beat's gonna get ya  
Goblins take flight  
We do our voodoo  
On Halloween night

**WOMEN:**

As the bassists  
Slap in time  
You're gonna flip  
When you hear the rhyme  
Flap your wings  
And stomp your feet  
In your bones  
You can feel the beat  
Goblin oogie-boogie

**BELUSHI:**

Get the groove  
And give a cheer  
Goblin oogie-boogie  
Baby, Halloween  
Is here  
Goblin oogie-boogie  
You're ugly, baby  
And I like you

Mm, mwah

[WALLACE SHAWN'S

"WHO'S AT THE DOOR" PLAYING]

Witches and warlocks

Ghosts and ghouls

One night a year

They break all the rules

You never know

Who's at the door

On Halloween night

Spirits from the shadows

Creeping into the light

Werewolves howl

And vampires take a bite

That's scary

Don't you mope

There's still hope

Take it from me

You can have protection

For a nominal fee

Tonight, the dark

And light unite

In magical mystery

Spell books, potions

They fly off the shelves

We offer a discount

To trolls and elves

When danger's at the door

On Halloween night

If you master magic

You can put up a fight

Face your fears

The power's here

At Gibbles'

The price is right

[RANDY CRENSHAW'S

"BUMP IN THE NIGHT" PLAYING]

**SKELETON:**

Gather round

Here underground

And listen to our song

We can rock

This joint to dawn

If you sing along

**MONSTERS:**

What goes bump  
In the night  
We go bump  
In the night  
This time of year  
The coast is clear  
To cause a terrible fright  
We go bump  
In the night

**INVISIBLE MAN:**

That will be out of sight

**FEMALE VAMPIRES:**

We come out for a bite

**ALL:**

Tonight, we toast  
To ghouls and ghosts  
Who haunt  
The pale moonlight  
What goes bump  
In the night?  
We go bump  
In the night  
[ZOMBIES UNINTELLIGIBLY MUMBLE]  
We go bump  
In the night

**MONSTER 1:**

So if you're new

**MONSTER 2:**

Here's what you do

**MONSTER 3:**

Take your turn and sing

**SHAGGY:**

Like, anybody know the way  
To the castle

Of the Goblin King?
